

THE LEGISLATURE

The New York State Constitution vests the State's law-making power in a two-house Legislature composed of a 61-member Senate and a 150-member Assembly. Each representative is elected for two-year terms, with all 211 being elected every two years. The Legislature convenes annually on the first Wednesday after the first Monday in January and remains in session until it concludes its business.

The Legislature has many powers set by the State Constitution. These responsibilities include:

- the ability to propose laws;
- the power to override a gubernatorial veto if two-thirds of the Senate and Assembly vote to do so;
- the reapportionment of legislative and congressional districts every ten years after the national census;
- the confirmation by the Senate of gubernatorial appointments of non-elected state officials and court judges;
- the proposition of amendments to the State Constitution;
- voting on ratification of proposed amendments to the Federal Constitution; and
- the creation, regulation and, in some limited cases, abolition of local governments.

Subject to the limitations and prohibitions imposed by the Federal Constitution, certain Federal statutes and treaties, and the State Constitution, the law-making powers of the Legislature are practically unlimited. The principal purposes of bills considered by the Legislature are to:

- enact or amend laws relating to the government of the State and its various subdivisions;
- appropriate funds for the operation of the various agencies and functions of State government and for State aid to local governments, and to provide adequate revenue-producing sources for these purposes;
- provide for and regulate the operation of a judicial system, including the practices and procedures for the system;
- define acts or omissions that constitute crimes, and to provide penalties for these crimes;
- promote the public welfare, including the care of the State's indigent, mentally ill, unemployed, etc.; and
- correct, clarify, amend or repeal obsolete, conflicting, uncertain or invalidated statutes.

In addition to the Senate and Assembly, the Legislature's Budget authorizes funding for several other components, which support the operations of the two houses, including:

- part of the Lieutenant Governor's office;
- fiscal committees operating in each house; and
- joint entities, including the Legislative Ethics Committee, Legislative Library, Legislative Health Services, Legislative Messenger Service, Legislative Bill Drafting Commission and the Legislative Task Force on Demographic Research and Reapportionment.

Each of these Legislative components will be discussed in separate sections below.

LEGISLATIVE BUDGET HIGHLIGHTS

The recommended General Fund appropriation of \$206,735,159 for fiscal year 2002-03 for the Legislature represents no change from the amount appropriated for FY 2001-02. The Legislature's budget request for FY 2002-03 represents an overall increase of 12.72 percent over the past 12 years. Over this same period, the Consumer Price Index will have increased by 37.9 percent.

LIEUTENANT GOVERNOR

The Lieutenant Governor serves as the Senate's President and has a casting vote. The Lieutenant Governor's salary of \$151,500 appears as part of the Legislative Budget. The Legislature also funds a part of the Lieutenant Governor's Office.

BUDGET HIGHLIGHTS

The recommended appropriation of \$285,989 for fiscal year 2002-03 for the Lieutenant Governor represents no change from the amount appropriated for FY 2001-02.

SENATE

The Senate is composed of 61 Members elected for two-year terms from districts around the state. Each Senator represents approximately 295,000 constituents. The Senate conducts its legislative business through the operation of 34 Standing Committees.

The Senate elects from among its Members for a two-year term a Temporary President who directs and guides the business of the Senate, appoints Members to Senate Standing Committees, and appoints the Senate's staff. The Temporary President serves as the presiding officer in the absence of the Lieutenant Governor or may delegate this duty to

another Member. In addition, the Temporary President serves as the Majority Leader of the majority party, while the minority party of the Senate chooses a Minority Leader from among its membership.

Senate Members have staff to assist them in carrying out their legislative duties, delivering constituent services and, where applicable, in fulfilling their responsibilities as committee chairs or leaders of the Senate. Members are also provided with office space both in Albany and the district, as well as office equipment, furnishings and supplies, in order to serve their constituents. Travel expenses for approved official Senate business are reimbursable. The Majority and Minority Leaders each have staff to provide counsel, policy analysis, program development and Washington, D.C. representation. The Temporary President, through the Secretary of the Senate, employs staff to operate the Senate Chamber during session and to handle the legislative process during the remainder of the year, furnish research and computer services, and provide administrative services such as personnel, fiscal, maintenance, and printing services for the Senate. The Temporary President also has staff to deliver communications services for the Senate. Finally, the Senate operates a program for college students which includes a Session Assistant program for undergraduates and a Student Fellows program for post-graduates who wish to learn about and experience the legislative process by working with Senate Members.

In addition to the Senate's General Fund appropriation, a Special Revenue Fund (Senate Recyclable Materials, Information Services and Conference Fund) has been established to collect revenues from the sale of recyclable materials, distribution of documents, materials and computerized information, and fees charged for conferences sponsored by the Senate. These revenues may be used to pay for waste disposal, production and distribution of Senate documents, materials and computerized information, and expenses related to conferences sponsored by the Senate. A Grants and Bequests Fund has also been established to receive non-state grants which may be used to pay for services and expenses related to the restoration of the Senate Chamber.

BUDGET HIGHLIGHTS

The recommended appropriation for the Senate of \$81,808,505 for FY 2002-03 represents a small decrease of \$4,656 from FY 2001-02. The Senate intends to absorb anticipated cost of living raises for Senate staff as well as any anticipated increases in the nonpersonal service sector due primarily to inflationary pressure on the cost of the district office leases and supplies, and the expected postal rate increases.

As detailed in the table below, the Senate (including the Legislative Commissions for which funding was eliminated in the FY 1995-96 budget) has seen its budget increase by \$10,948,694 or 15.44 percent from the \$70,864,467 appropriated in FY 1990-91. Over the same 12-year period, the consumer price index has increased by 37.9 percent.

In the past six years, the Senate has reduced its staff by 336 employees or 18.4 percent, eliminated its Washington, D.C. and New York City office leases, closed approximately 20 district offices, and reduced the number of district-wide mailings allowed each Member. The Senate has also granted an across-the-board cost-of-living increase for its staff in only seven of the past twelve years. The Senate continued to tightly control its nonpersonal service expenses by restraining the purchasing of office supplies and furnishings, severely restricting travel, delaying essential equipment upgrades and reducing expenditures in other ways while the costs of these have continued to rise, often above the rate of inflation.

ASSEMBLY

The Assembly is composed of 150 members elected for two-year terms from districts around the state. Each Member of Assembly represents approximately 120,000 constituents. The Assembly conducts its legislative business through the operation of 36 standing committees.

The Assembly elects from among its members a Speaker who directs and guides the business of the Assembly, and appoints members to Assembly Standing Committees and Assembly leadership positions. The Speaker serves as the presiding officer of the Assembly. The minority party of the Assembly chooses a Minority Leader from their membership.

Each Member of Assembly is entitled to employ staff to assist them in carrying out their legislative duties and, where applicable, their responsibilities as Committee Chairs or leadership. Members are also provided with office space both in Albany and the district, as well as office equipment, furnishings and supplies, in order to serve their constituents. The State Constitution provides for reimbursement to Assembly Members for travel to the Capitol from their district, and Members and staff are also eligible for reimbursement of other travel related to legislative business. The Speaker of the Assembly and the Assembly Minority Leader employ staff to provide counsel, legislative program development and policy analysis. The Assembly also employs staff to serve the needs of the house, including the operation of the Assembly Chamber during session, the management of the legislative process, and research, communications and administrative services. The Assembly also administers an Intern Program to provide opportunities to undergraduate and graduate college students to learn about the legislative process while utilizing their skills to assist the Assembly Members in fulfilling their constitutional responsibilities.

In addition to the Assembly's General Fund appropriation, a Special Revenue Fund (Assembly Recyclable Materials, Information Services and Conference Fund) has been established to collect revenues from the sale of recyclable materials, distribution of documents, materials and computerized information, and fees charged for conferences sponsored by the Assembly. These revenues may be used to pay for waste disposal, production and distribution of Assembly documents, materials and computerized information, and expenses related to conferences sponsored by the Assembly. A Grants and Bequests Fund has also been established to receive non-state grants which may be used to pay for services and expenses related to the restoration of the Assembly Chamber.

BUDGET HIGHLIGHTS

The recommended appropriation for FY 2002-03 of \$97,227,980 represents a decrease of \$4,657 below the amount appropriated for FY 2001-02. Any cost-of-living increases for Assembly staff and other non-personal service cost increases will be absorbed in this "no growth" budget.

Over the past twelve years, as detailed below, the Assembly's budget (including Assembly Commissions for which funding was eliminated in FY 1995-96) has increased by 15.3 percent, while over the same period, the Consumer Price Index has increased by 37.9

percent. The Assembly has been able to keep its spending over the past eleven years well below inflation by reducing the payroll for Assembly controlled entities by over 300 positions, the elimination of regional offices, and other operational savings.

FISCAL COMMITTEES

The Governor's annual budget bills and the budgetary proposals for the Legislature and Judiciary are referred to these committees when introduced and are reported by them, with recommendations, to the Legislature. Designated representatives of the committees are entitled, by constitutional provisions, to attend the required hearings for the preparation of the budget and to make inquiry concerning any part thereof. These committees also consider all bills introduced in the Legislature carrying appropriations or providing for the expenditures of public money.

In addition, pursuant to the provisions of section 122-a of the State Finance Law, the Chairmen and ranking Minority Members of the Senate Finance Committee and the Assembly Ways and Means Committee function as an Audit Committee. The responsibilities of the Audit Committee include the selection of an independent certified public accountant to conduct an independent audit of the state's annual financial statements, receiving the results of such independent audit, and submitting the certification received from the independent certified public accountant to the State Comptroller for inclusion in the annual financial report required pursuant to section 8 of the State Finance Law.

BUDGET HIGHLIGHTS

The recommended appropriation of \$5,375,326 for fiscal year 2002-03 for both the Senate Finance Committee and the Assembly Ways and Means Committee represents no increase from the amount appropriated for FY 2001-2002.

All state legislators and their staff members are eligible to participate in the Conference and are entitled to the full use of its services.

NCSL is supported from dues assessed to each State Legislature, on the basis of state population totals.
