

THE LEGISLATURE

<http://www.nysenate.gov/>

<http://assembly.state.ny.us/>

The New York State Constitution vests the State's law-making power in a two-house Legislature composed of a 62-member Senate and a 150-member Assembly. Each representative is elected for two-year terms, with all 212 being elected every two years. The Legislature convenes annually on the first Wednesday after the first Monday in January and remains in session until it concludes its business.

The Legislature has many powers set by the State Constitution. These responsibilities include:

- ◆ the ability to propose laws;
- ◆ the power to override a gubernatorial veto if two-thirds of the Senate and Assembly vote to do so;
- ◆ the reapportionment of legislative and congressional districts every ten years after the national census;
- ◆ the confirmation by the Senate of gubernatorial appointments of non-elected state officials and court judges;
- ◆ the proposition of amendments to the State Constitution;
- ◆ voting on ratification of proposed amendments to the Federal Constitution; and
- ◆ the creation, regulation and, in some limited cases, abolition of local governments.

Subject to the limitations and prohibitions imposed by the Federal Constitution, certain Federal statutes and treaties, and the State Constitution, the law-making powers of the Legislature are practically unlimited. The principal purposes of bills considered by the Legislature are to:

- ◆ enact or amend laws relating to the government of the State and its various subdivisions;
- ◆ appropriate funds for the operation of the various agencies and functions of State government and for State aid to local governments, and to provide adequate revenue-producing sources for these purposes;
- ◆ provide for and regulate the operation of a judicial system, including the practices and procedures for the system;
- ◆ define acts or omissions that constitute crimes, and to provide penalties for these crimes;
- ◆ promote the public welfare, including the care of the State's indigent, mentally ill, unemployed, etc.; and
- ◆ correct, clarify, amend or repeal obsolete, conflicting, uncertain or invalidated statutes.

In addition to the Senate and Assembly, the Legislature's Budget authorizes funding for several other components, which support the operations of the two houses, including:

- ◆ part of the Lieutenant Governor's office;
- ◆ fiscal committees operating in each house; and
- ◆ joint entities, including the Legislative Ethics Committee, Legislative Library, Legislative Health Services, Legislative Messenger Service, Legislative Bill Drafting Commission and the Legislative Task Force on Demographic Research and Reapportionment.

Each of these Legislative components will be discussed in separate sections below.

Legislative Budget Highlights

The Legislature's budget request for FY 2012-13 represents an overall increase of 9.65 percent over the past twelve years. Over this same period, the Consumer Price Index will have increased by 38 percent. Over the past twenty-two years, the Legislative Budget has grown at less than one-fourth of the rate of inflation.

Budget Highlights

The recommended appropriation of \$274,635 for FY 2012-13 for the Lieutenant Governor represents no change from the amount appropriated for FY 2011-12.

SENATE

The Senate is composed of 62 Members elected for two-year terms from districts around the state. Each Senator represents approximately 306,000 constituents. The Senate conducts its legislative business through the operation of 33 Standing Committees.

The Senate elects from among its Members for a two-year term a Temporary President and Majority Leader who directs and guides the business of the Senate, appoints Members to Senate Standing Committees, and appoints the Senate's staff. The Temporary President and Majority Leader serves as the presiding officer in the absence of the Lieutenant Governor or may delegate this duty to another Member. The minority party of the Senate chooses a Minority Leader from among its membership.

Senate Members have staff to assist them in carrying out their legislative duties, delivering constituent services and, where applicable, in fulfilling their responsibilities as committee chairs or leaders of the Senate. Members are also provided with office space both in Albany and the district, as well as office equipment, furnishings and supplies, in order to serve their constituents. Travel expenses for approved official Senate business are reimbursable. The Temporary President and Minority Leader each have staff to provide counsel, policy analysis and program development. The Temporary President, through the Secretary of the Senate, employs staff to operate the Senate Chamber during session and to handle the legislative process during the remainder of the year, furnish research and computer services, and provide administrative services such as personnel, fiscal, maintenance, and printing services for the Senate. The Temporary President also has staff to deliver communications services for the Senate. Finally, the Senate operates a program for college students which includes a Session Assistant program for undergraduates and a Student Fellows program for post-graduates who wish to learn about and experience the legislative process by working with Senate Members.

In addition to the Senate's General Fund appropriation, a Special Revenue Fund (Senate Recyclable Materials, Information Services and Conference Fund) has been established to collect revenues from the sale of recyclable materials, distribution of documents, materials and computerized information, and fees charged for conferences sponsored by the Senate. These revenues may be used to pay for waste disposal, production and distribution of Senate documents, materials and computerized information, and expenses related to conferences sponsored by the Senate. A Grants and Bequests Fund has also been established to receive non-state grants which may be used to pay for services and expenses related to the restoration of the Senate Chamber.

Budget Highlights

The recommended appropriation for the Senate of \$91,903,654 for FY 2012-13 represents no change from the amount appropriated for FY 2011-12. This follows two consecutive years of budgeted appropriation decreases - an appropriation decrease of 1 percent in FY 2010-11 and a 2.8 percent decrease in FY 2009-10.

This flat appropriation level reflects the Senate's dramatic spending shift after a two year time period when re-appropriation spending resulted in disbursements far exceeding budgeted appropriation levels. Disbursements in FY 2010-11 totaled \$99.6 million, exceeding the budgeted appropriation level by \$7.7 million (8.4%) and in FY 2009-10 actual disbursements were greater than budgeted appropriations by \$5.7 million (6.1%).

While actual disbursement figures for FY 2011-12 are not yet available, the Senate is on track to close the fiscal year significantly under the appropriated budget level of \$91.9 million, which should result in a year over year spending reduction of at least 10 percent.

Since January of 2011 the Senate has achieved cost savings by reducing staff levels by over 300 employees, consolidated certain administrative functions and departments, closed four regional offices, restricted staff travel and created other operational efficiencies. In FY 2012-13, the Senate is committed to continue this fiscally conservative approach and bring spending levels in below the appropriated budget level of \$91.9 million.

As detailed in the Table below, the Senate has seen its budget increase by \$8,068,571 or 9.6 percent from the amount of \$83,835,083 appropriated in FY 2000-01. Over the same twelve year period, the consumer price index has increased by 38 percent. This is consistent with a twenty-two year trend that has seen the Senate's budget grow at approximately 27% of the overall rate of inflation.

ASSEMBLY

The Assembly is composed of 150 members elected for two-year terms from districts around the state. Each Member of the Assembly represents approximately 127,000 constituents. The Assembly conducts its legislative business through the operation of 38 standing committees.

The Assembly elects from among its members a Speaker who directs and guides the business of the Assembly, and appoints members to Assembly Standing Committees and Assembly leadership positions. The Speaker serves as the presiding officer of the Assembly. The minority party of the Assembly chooses a Minority Leader from their membership.

Each Member of Assembly is entitled to employ staff to assist them in carrying out their legislative duties and, where applicable, their responsibilities as Committee Chairs or leadership. Members are also provided with office space both in Albany and the district, as well as office equipment, furnishings and supplies, in order to serve their constituents. The State Constitution provides for reimbursement to Assembly Members for travel to the Capitol from their district, and Members and staff are also eligible for reimbursement of other travel related to legislative business. The Speaker of the Assembly and the Assembly Minority Leader employ staff to provide counsel, legislative program development and policy analysis. The Assembly also employs staff to serve the needs of the house, including the operation of the Assembly Chamber during session, the management of the legislative process, and research, communications and administrative services. The Assembly also administers an Intern Program to provide opportunities to undergraduate and graduate college students to learn about the legislative process while utilizing their skills to assist the Assembly Members in fulfilling their constitutional responsibilities.

In addition to the Assembly's General Fund appropriation, a Special Revenue Fund (Assembly Recyclable Materials, Information Services and Conference Fund) has been established to collect revenues from the sale of recyclable materials, distribution of documents, materials and computerized information, and fees charged for conferences sponsored by the Assembly. These revenues may be used to pay for waste disposal, production and distribution of Assembly documents, materials and computerized information, and expenses related to conferences sponsored by the Assembly. A Grants and Bequests Fund has also been established to receive non-state grants which may be used to pay for services and expenses related to the restoration of the Assembly Chamber.

Budget Highlights

The recommended appropriation for FY 2012-13 of \$102,296,491 represents no change from the amount appropriated for FY 2011-12. Over the past twelve years, as detailed below, the Assembly's budget has increased by 9.4 percent while over the same period, the Consumer Price Index has increased by 38 percent. Over the past twenty-two years, the growth of the Assembly's budget has been just over one-fourth of the overall rate of inflation. During this period, the Assembly has controlled its spending by reducing the payroll for Assembly controlled entities by over 650 positions and implementing other operational savings.

FISCAL COMMITTEES

The Governor's annual budget bills and the budgetary proposals for the Legislature and Judiciary are referred to these committees when introduced and are reported by them, with recommendations, to the Legislature. Designated representatives of the committees are entitled, by constitutional provisions, to attend the required hearings for the preparation of the budget and to make inquiry concerning any part thereof. These committees also consider all bills introduced in the Legislature carrying appropriations or providing for the expenditures of public money.

In addition, pursuant to the provisions of section 122-a of the State Finance Law, the Chairmen and ranking Minority Members of the Senate Finance Committee and the Assembly Ways and Means Committee function as an Audit Committee. The responsibilities of the Audit Committee include the selection of an independent certified public accountant to conduct an independent audit of the state's annual financial statements, receiving the results of such independent audit, and submitting the certification received from the independent certified public accountant to the State Comptroller for inclusion in the annual financial report required pursuant to section 8 of the State Finance Law.

Budget Highlights

The recommended appropriation of \$5,830,456 for fiscal year 2012-13 for the Assembly Ways and Means Committee represents no change from the amount appropriated for FY 2011-12. The Senate Finance Committee is funded as part of the Senate's \$91.9 million total budget.

The Commission's budget is used to pay for the cost of printing legislative bills, session laws, Senate and Assembly Journals, and the printing, publication and distribution of the Legislative Digest.
