NEW YORK STATE PUBLIC AUTHORITIES CONTROL BOARD

RESOLUTION No. 22-EF-863

APPROVING SPECIFIED PROJECTS OF THE ENVIRONMENTAL FACILITIES CORPORATION (State Drinking Water Revolving Fund - Direct and Market-Rate Financing Projects)

WHEREAS, the New York State Public Authorities Control Board ("PACB"), created pursuant to Chapter 38, Laws of 1976, as amended, is empowered by section 51 of the Public Authorities Law to receive applications from designated public benefit corporations, including the Environmental Facilities Corporation ("EFC"), for approval of the acquisition, construction or financing of any project by any such public benefit corporation; and

WHEREAS, the EFC submits from time to time applications (the "Applications") to PACB for approval of short-term and long-term financings (the "Financings") as authorized in an EFC resolution duly adopted by the EFC Board of Directors; and

WHEREAS, pursuant to Chapter 413 of the Laws of 1996, as amended (the "DWSRF Act"), the Drinking Water State Revolving Fund ("DWSRF") was established in the custody of the EFC; and

WHEREAS, the DWSRF Act authorizes the EFC to provide financial assistance to recipients for the purpose of financing or refinancing certain eligible water supply facilities; and

WHEREAS, such financial assistance may include financings to recipients from monies on deposit in the DWSRF, which financings will be made at interest rates at or below "market rates" as defined in
regulations promulgated pursuant to the DWSRF Act (including at a zero percent rate of interest); and

WHEREAS, with respect to short-term market-rate financings, such financial assistance may include financings to recipients for which the EFC will guarantee the payment of each short-term market-rate financing from monies and assets held in the DWSRF, and which shall bear interest at the rate or rates as determined by the EFC; and

WHEREAS, the EFC has received an application from each applicant listed in Exhibit A for financial assistance under the DWSRF Act, for the purpose of financing or refinancing the planning, design, construction and/or installation of certain water supply facilities; and

WHEREAS, pursuant to the DWSRF Act, the EFC has determined that it is impracticable or inadvisable to issue bonds or notes to provide financial assistance to each direct financing applicant; and

WHEREAS, each project proposed to be financed or refinanced (the "Project") constitutes an "eligible project" within the meaning of the DWSRF Act; and

WHEREAS, each Financing will be made pursuant to a financing agreement to be entered into between the EFC and the respective applicant (the "Finance Agreement") to evidence certain covenants and agreements of each applicant relating to its Financing; and
WHEREAS, each applicant's obligation to repay its Financing will be evidenced by general obligation or revenue bonds or notes of the applicant (the "Recipient Bonds or Notes") issued to the EFC to secure payment of principal (and interest, as applicable) on such Financing in a manner consistent with this Resolution and in compliance with applicable law, including but not limited to the Local Finance Law; and

WHEREAS, the Recipient Bonds or Notes will be secured by an irrevocable pledge of the faith and credit, or revenue, of the applicant issuing such Recipient Bonds or Notes; and

WHEREAS, the obligation of the EFC to make each Financing under the respective Finance Agreement is not a general obligation of, does not constitute an indebtedness of or a charge against the general credit of, and does not give rise to any pecuniary liability of the EFC, other than with respect to amounts available for such purpose within the DWSRF; nor does such obligation to advance the Financing give rise to any liability or obligation of the State of New York; and

WHEREAS, each Financing will be funded (a) with Federal grant money available under the Safe Drinking Water Act through Federal capitalization grant agreements and related State matching funds to the extent State appropriations are available for the Federal grant money and State matching funds, and (b) if such State appropriations
are not available, with monies available for such purpose in the DWSRF; and

WHEREAS, each Financing shall be made subject to the following conditions: (i) any short-term Financing shall be for a term not to exceed five years, and any long-term Financing shall be for a term not to exceed 30 years; each Financing shall bear interest at a rate determined by the EFC in accordance with the DWSRF Act and the regulations promulgated thereunder; (ii) the Recipient Bonds or Notes (including any renewals thereof) issued to evidence any short-term Financing shall mature not later than five years after their original issue date, and the Recipient Bonds or Notes (including any renewals thereof) issued to evidence any long-term Financing shall mature not later than 30 years after their original issue date; and (iii) there shall be funds available for each Financing in the DWSRF; and

WHEREAS, pursuant to the related Finance Agreement, each applicant shall not be entitled to reimbursement of project costs that may be in excess of available monies in the DWSRF; and in the event no such monies are available, the applicant shall be obligated to complete its Project in accordance with the Finance Agreement between the EFC and such applicant; and

WHEREAS, a copy of each Application has been filed with the Comptroller, and he has had the opportunity to comment.
NOW THEREFORE BE IT RESOLVED, that the PACB approves financing by the EFC for each Project identified in Exhibit A, in accordance with section 51 of the Public Authorities Law:

Project Description
This project consisted of the construction of a new 100,000-gallon water storage tank to replace the existing 100,000-gallon storage tank, and the installation of a backup power supply to operate the wells during power outages. The project is defined by the engineering report entitled "Yoco Road Water Storage Tank - Engineering Report" dated November 23, 2015 by H2M Architects & Engineers.
