WHEREAS, the PACB has duly received an application from the DA for approval of the financing or refinancing of the acquisition and installation of equipment identified below (the "Project") for NYU Langone Hospitals (the "Institution") through the execution of one or more tri-party Master Lease and Sublease Agreements (each, a "Lease") at one or more times; and

WHEREAS, the DA will act as a party to each Lease pursuant to the Medical Care Facilities Finance Agency Act, being Section 1 of Chapter 392 of the Laws of 1973, as amended, codified as Chapter 6 of Title 18 of the Unconsolidated Laws of the State of New York (the "Act"); and

WHEREAS, each Lease will be secured by the equipment financed or refinanced by the Lease and by such additional security, if any, as may be required by the Lessor; and

WHEREAS, each Lease is structured such that the rental payments made from the Sublessee to the DA as lessee are assigned to the Lessor; and

WHEREAS, DA participation in the Lease will allow the rental payments made to the Lessor to be exempt from a portion of Federal and State income taxation; and

WHEREAS, the Lease structure shall indemnify the DA from any recourse from either the Lessor or the Sublessee for any condition that may arise including the non-payment of rental payments; and

WHEREAS, costs of each Lease transaction shall be paid by the Sublessee and shall include fees to the DA and to bond counsel; and

WHEREAS, the New York State Department of Health has reviewed the Project to the extent required by law, including the Act, and has recommended approval by the PACB; and

WHEREAS, a copy of the application has been duly filed with the Comptroller, and the Comptroller has had an opportunity to comment.
