1.1 Background

State of New York

New York State (State) was one of the original 13 states, ratifying the United States Constitution and entering the Union on July 26, 1788. The State has a total area (land and water) of 54,555 square miles and a park system that is among the largest in the nation (Adirondack Park). Geographically, the State is divided into 62 counties (five of which are boroughs of New York City). Within these counties are 62 cities (including New York City), 932 towns, 535 villages and 692 school districts.

The duties and responsibilities of the State government are amongst the most complex in the world. With an all funds annual budget of over $220 billion in Fiscal Year 2022-23, the State services the needs of almost 20 million residents. New York State’s Gross Domestic Product was over $1.8 trillion in 2021. The output of the State and the needs of its population dwarf those of many countries worldwide. The State includes the most populous city, the largest public university system and largest public transit system in the country.

In addition to its size, the State is unique in its diversity with its people and cultures coming from all over the world, its geography from major metropolitan centers to farmlands to preserved mountainous regions, and its industries from finance to entertainment to technology to agriculture. The State’s government has the responsibility to meet the needs of the many varied citizen groups. This includes numerous social services, educational and health care programs and the providers who deliver those services. The State is tasked with regulating and at the same time promoting and growing the vast number of industries that operate in the State with smart investments.

The size and diversity of the State comes with many challenges and opportunities for its leaders. As the State seeks to meet these challenges, it requires services from world class strategic planning and management consulting advisors to increase efficiencies, improve productivity and better serve the needs of its citizens. The advisors will be called upon on an as-needed basis to advise the State on any one of its many responsibilities, including but not limited to, engaging in problem-solving with top leaders, helping define, oversee and facilitate execution of plans, assisting in the translation of vision into real change, and implementing strategic plans.

Division of the Budget

The Division is responsible for assisting the Governor in the development of the Executive Budget, and serves as the Governor's primary advisor on fiscal and policy matters for the State, local governments, and public authority finances. The budget represents hundreds of separate decisions on how to raise and spend tens of billions of dollars. DOB manages program and policy delivery outcomes and has oversight of agency performance, with an enhanced emphasis on governance. The synthesis of management and budget functions within DOB ensures policies, programs, and projects contained in the Budget are
delivered in a timely, cost-effective manner. At the same time, Division fiscal staff assess the state of the economy, and forecasts revenue levels the State is likely to collect under existing tax laws and any contemplated changes.

The Division on behalf of the State is seeking a Primary and Secondary consultant to provide Strategy and Implementation Advisory Services (Lot 1). Working with senior State executives, the selected Firms shall advise and perform assignments focused on strategic planning, policy, and high-level implementation assistance. Projects under the resultant contract will generally be large in scale, often involve multiple agencies, and focus on initiatives critical to implementing the Administration’s policy priorities. The consultants will provide strategic assistance in defining problems, developing effective solutions, and supporting the achievement of outcomes. The length of the assignments will vary based on the needs of each particular project. There may be assignments that are limited to review, analysis and comments on a specific issue lasting only a few weeks. Other assignments may be long-term involving recommendations and high-level support from project inception through implementation and ongoing monitoring.

The Division is also seeking to engage Firms that would serve as Primary and Secondary Management Consultants (Lot 2) for the Division. The consultant staff shall advise the Division on an as-needed basis in short-term consulting engagements (with durations of a few weeks up to several months) that will focus on the review of management and fiscal issues relating to State programs, practices, and initiatives. By supplementing State staff, the selected Firms will assist the Division in assessing the fiscal impact of programs and initiatives, measuring State entity performance, identifying areas where public and private sector best practices could be incorporated, and ensuring desired program results are achieved.

Please note, current DOB employees cannot be identified as a reference.

The Division may seek additional information from references regarding subjects that may include, but are not limited to, the quality of services provided, anticipated ability to perform the services required in this RFP, and the responsiveness of the Firm to the client during the project.
Considering the criteria, any missing letters of reference or the inability to contact a Firm or staff reference provided by a Firm will not be looked upon favorably and may result in a reduction of points.

2.1.2 Lot 2 – Management Consulting Service

Below is a listing of the technical information to be provided by the Firm. Firms must keep the Technical Proposal to a maximum of 25 pages (not including table of contents, resumes, and letters of reference). Material in excess of the page limit will not be considered. The State does not require nor desire any promotional material, which does not specifically address the response requirements of this RFP.

A. Table of Contents

The table of contents should clearly identify the location of all material within the proposal by section and page number.

B. Executive Summary

An Executive Summary highlighting significant aspects of the Technical Proposal.

C. Documentation Demonstrating Satisfaction of Minimum Qualifications:

In this section, the Firm should describe the project engagements they are putting forward to satisfy the Minimum Firm Qualifications defined in Section 1.5.2 of this RFP. To satisfy this requirement, Firms should briefly describe:

1) The scope and specific services provided during the engagement(s)
2) The entity(s) for which the services were provided
3) The total cost of the engagement(s)
4) The number of staff provided and the estimated level of efforts for each engagement included

D. Project Approach

1. In this section of the proposal, the Firm should set forth a detailed narrative describing the unique approach the Firm would apply to providing as requested management consulting services. The narrative should outline the Firm’s approach to short-term management consulting engagements and contain information about the Firm’s ability to provide successful and timely services to the Division across the range of the policy areas identified in Section 1.2.1. This section should address why the proposed approach is appropriate and suited for New York State and the firm’s ability to provide the staffing resources necessary for each engagement.

2. This section must include an acknowledgement that, if selected, the Firm has the ability to respond rapidly and effectively to assignments and that those key staff
approved by the Division as part of the contract, including Subject Matter Experts and Project Managers, will continue to be available for those assignments.

E. Staff Experience and Qualifications

In this section of the Technical Proposal, Proposers should demonstrate that the staff proposed have the knowledge and ability to perform the services detailed in Section 1.2.2 of the RFP.

1. Supply a project organization chart, with names and titles of the individuals to be assigned to this contract. Firms should identify the Subject Matter Experts, Project Manager, and other staff including any and all subcontractors to be assigned to the engagement consistent with the title definitions in the Form 1.2 (Cost Proposal – Lot 2) of the RFP. For each subcontractor(s) staff member, identify the name of the subcontractor(s) and NYS MWBE or SDVOB certification, if any.

2. Discuss how the team was assembled and how the work will be completed. Include a description of the subcontractor’s past work for the Firm, if any, and how the Firm will monitor the work performed by the subcontractor.

3. State all relevant information regarding the qualifications and experience of the staff to be specifically assigned to the project. Given the varying nature of projects envisioned in this RFP, the Division expects that Firms awarded contracts will identify and propose staff with skill sets and experience for all areas identified in Section 1.2.2 for the policy areas identified in Section 1.2.1. Firms should provide in depth detail and examples to support the knowledge and experience of their staff. Describe each team members area of expertise and experience as it relates to the scope of services identified in Section 1.2.2. If the proposed staff have not been included in the original proposal, the names and qualifications of additional staff members will be submitted with the SOW for the Division’s approval. Within its response to this RFP, the Firm should explain its approach for identifying and proposing individuals for each assignment, including detailed steps it will take and the criteria it will consider when forming teams for each assignment.

4. In an appendix of the Firm’s Technical Proposal, please include up to 40 resumes, including subcontractor personnel, to support the Firms ability to attract and assign well-qualified staff to the State’s projects. Firms should ensure the resumes clearly demonstrate their access to staff that can meet the Division’s needs in the areas identified in Section 1.2.2. Resumes do not count toward the 25 page limit.

5. Provide a statement about staff availability addressing the following:
   - If selected, will the Firm’s key staff proposed in the Technical Proposal be available for the duration of the project?
• If certain staff will not be available for the entire contract period, how will such potential staff turnover affect the engagement?
• Will the Firm’s key staff be available to meet in Albany and are these key staff capable of responding rapidly and effectively as requested by the Division?

Firm should be aware that replacement staff are subject to the approval of the Division during the contract term.

F. Firm Experience and Qualifications

This narrative should discuss the Firm’s ability to provide successful and timely Management Consulting services to the Division as well as a discussion of the Firm’s approach to project management. Firms should clearly discuss their range of experience in the areas detailed in Section 1.2.2.

2. A detailed description of the direct prior experience of the Firm comparable to those services detailed in Section 1.2.2, in the last five (5) years. Specifically, Firms should detail three similar engagements of actual client projects that demonstrate the depth and breadth of the Firm's expertise and experience, including a description of the direct prior experience of your Firm with New York State and other entities comparable to New York State for whom the Firm provides, or has provided, management consulting services.

For each of the three client projects, please indicate the following:

1. At least two (2) of the Firm's engagements described above.
2. One (1) letter of reference for the proposed lead Subject Matter Expert.

The Division may seek additional information from references regarding subjects that may include, but are not limited to, the quality of services provided, anticipated ability to perform the services required in this RFP, and the responsiveness of the Firm to the client during the project.

Considering the criteria, any missing letters of reference or the inability to contact a Firm or staff reference provided by a Firm will not be looked upon favorably and may result in a reduction of points.

**2.2 Cost Proposal**

**Compensation**

The compensation structure for services under any resultant contract will be defined and described in a mutually agreed-upon SOW according to the needs of the individual project or engagement. Firms will be asked to provide a detailed breakdown of the proposed costs related to the scope for each individual project performed under the resulting contract. The rates included in the selected Firm's cost proposal and established in any resulting contract shall be used to determine individual project/engagement compensation amounts. When determining the compensation, rates in excess of the contract hourly rates are not allowed. In addition, any administrative work related to the creation of Statements of Work shall not be billable to the State. Selected Firms shall submit invoices according to the terms of the resulting contract and SOW.
Manner of Payment

Payment of the successful Firm will be based upon the fees stipulated in the SOW. The Division will compensate the successful Firm following submission of an approvable invoice according to the contract.

The State of New York is not liable for any costs incurred by a Firm in the preparation and/or production of any proposal, or for any work performed prior to the execution of a formal contract.

3 Evaluation Process

3.1 General Information

The Division will evaluate each proposal based on the “Best Value” concept. This means that the proposal that “optimizes quality, cost, and efficiency among responsive and responsible Firms”, shall be selected for award (State Finance Law, Article 11, § 163).

During the evaluation process, the Division may require clarifying information from a Firm. If specific sections of the written proposal require clarification, the Division will identify the section(s) and information requested in writing. The Firm should respond by the deadline stated in the correspondence. In addition, the Division may use the proposal, information obtained through any presentations, and the Division’s own investigation of a Firm’s qualifications, experience, ability or financial standing, and any other material or information submitted by the Firm in the course of evaluation and selection under this RFP. The State reserves the right to contact other sources not necessarily identified in the proposal to obtain information.
3.2 Submission Review

The Division’s Contracts Office will examine all proposals that are received in a proper and timely manner to determine if they meet the proposal submission requirements, as described in Section 2 of this RFP. Proposals that are materially deficient in meeting the submission requirements or have omitted material documents, in the sole opinion of the Division, may be rejected. All proposals passing the submission review will be evaluated.

3.3 Evaluation and Scoring

3.3.1 Lot 1 – Strategy & Implementation Advisory Services

Technical Proposal Evaluation (66 Points)

An Evaluation Panel will independently score each Technical Proposal that meets the submission requirements of this RFP. Evaluation Panel members will score Technical Proposals to identify Firms with the highest probability of satisfactorily providing the services described in Section 1.2.1 of this RFP. Evaluations will be based on the Firm’s demonstration of its ability to provide the services required through its Technical Proposal. Individual Panel member scores will be averaged to calculate a technical score for each responsive Firm. The Firm with the highest score will be given the full 66 Points. All other Firms will receive a proportionate score to the Proposal with the highest score.

MWBE Diversity Practices (4 Points)

MWBE Diversity Practices will be evaluated based upon the Firm’s responses to the Questionnaire developed by the New York State Division of Minority and Women’s Business Development, and found in Form 6.1. This Questionnaire consists of seven (7) questions for Firms to answer. Some questions request supporting documentation to support certain answers. Additional scoring information for diversity practices can be found in Form 6.2.

Cost Evaluation (20 Points)

The Division’s Contracts Office will examine the Cost Proposal (Form 1.1), and review it for responsiveness to cost requirements. If a Cost Proposal is found to be non-responsive, that proposal will be eliminated from consideration. All complete, responsive proposals will receive a cost score.

Cost proposals will be evaluated on a pre-determined formula using the information provided in Form 1. The maximum score (20 points) will be allocated to the proposal with the lowest cost according to this formula. All other proposals will receive a proportionate score to the proposal with the lowest cost, according to the following formula:

Cost points awarded = (20 potential points) X (Low Bid / Firm’s Bid)
**Finalists and Presentations (10 Points)**

An initial composite score for each responsive Firm will be calculated by adding the Technical Proposal points, MWBE Diversity Practices points, and Cost Proposal points. The Finalist Firms will be the Firms with the three highest initial composite scores and any Firms within 10 points of the second ranked Firm.

Finalists will be notified of the date, location, and time of their presentation. The presentation will be designed to allow finalists to demonstrate their ability to provide the required services. The proposed Engagement Partner and Project Manager, as well as other key personnel who would be responsible for providing the required services, should be present and participate in the presentation.

Presentations will be 45 minutes in length followed by 15 minutes for questions and answers. Firms will be asked to present a case study about New York State that identifies opportunities and challenges on the horizon and provides some insight and specific recommendations on how the State might approach them. Further information with regard to the format of this stage of the evaluation may be provided to the Firm prior to the scheduled presentation. The presentation should highlight the Firms’ ability to perform the services stated in section 1.2.1 in this RFP and fulfill the needs of the State. The presentations will not be an opportunity to cure material omissions in Firms’ proposals and are not a substitute for a well-written proposal. Evaluations will be based on the Firm’s demonstration of its ability to provide the services required through its Presentation. Individual Panel member scores will be averaged to calculate a Presentation score for each Finalist Firm. **Firms will be prohibited from presenting on an existing State project or a potential project that stems from an existing project.**

In the event that there is only one or two Finalist Firms, the Division may choose to forego the presentation at its discretion.

**Final Composite Score**

The final composite score for each responsive Firm will be calculated by adding the final Technical Proposal points, MWBE Diversity Practices points, Cost Proposal points, and Presentation points for each Firm. The Firm with the highest final composite score will be selected as the Primary consultant. The Firm with the next highest final composite score will be selected as the Secondary consultant.
3.3.2 Lot 2 – Management Consulting Services

Technical Evaluation (66 Points)

An Evaluation Panel will independently score each Technical Proposal that meets the submission requirements of this RFP. Evaluation Panel members will score Technical Proposals to identify Firms with the highest probability of satisfactorily providing the services described in Section 1.2.2 of this RFP. Evaluations will be based on the Firm’s demonstration of its ability to provide the services required through its Technical Proposal. Individual Panel member scores will be averaged to calculate a technical score for each responsive Firm. The Firm with the highest score will be given the full 66 Points. All other Firms will receive a proportionate score to the Proposal with the highest score.

MWBE Diversity Practices (4 Points)

MWBE Diversity Practices will be evaluated based upon the Firm’s responses to the Questionnaire developed by the New York State Division of Minority and Women’s Business Development, and found in Form 6.1. This Questionnaire consists of seven (7) questions for Firms to answer. Some questions request supporting documentation to support certain answers. Additional scoring information for diversity practices can be found in Form 6.2.

Cost Evaluation (20 Points)

The Division’s Contracts Office will examine the Cost Proposal (Form 1.2), and review it for responsiveness to cost requirements. If a Cost Proposal is found to be non-responsive, that proposal will be eliminated from consideration. All complete, responsive proposals will receive a cost score.

Cost proposals will be evaluated on a pre-determined formula using the information provided in Form 1.2. The maximum score (20 points) will be allocated to the proposal with the lowest cost according to this formula. All other proposals will receive a proportionate score to the proposal with the lowest cost, according to the following formula:

\[
\text{Cost points awarded} = (20 \text{ potential points}) \times \left( \frac{\text{Low Bid}}{\text{Firm’s Bid}} \right)
\]

Finalists and Presentation (10 points)

An initial composite score for each responsive Firm will be calculated by adding the Technical Proposal points, MWBE Diversity Practices points, and Cost Proposal points. The Finalist Firms will be the Firms with the three highest initial composite scores and any Firms within 10 points of the second ranked Firm.

Finalists will be notified of the date, location, and time of their interview. The interview will be designed to allow finalists to demonstrate their ability to provide the required services. The proposed Subject Matter Experts and Project Managers, as well as other
key personnel who would be responsible for providing the required services, should be present and participate in the interview.

Presentations will be 30 minutes in length followed by 30 minutes for questions and answers. Firm’s presentation should discuss past projects providing work similar to those in Section 1.2.2 and demonstrate how those projects ensure that the Firm can meet the Division’s needs. The presentation should also address the resources the firm can provide to support the policy areas in Section 1.2.1. Further information with regard to the format of this stage of the evaluation may be provided to the Firm prior to the scheduled presentation. The presentation should highlight the Firms’ ability to fulfill the needs of the State. The presentations will not be an opportunity to cure material omissions in Firms' proposals and are not a substitute for a well-written proposal. Evaluations will be based on the Firm’s demonstration of its ability to provide the services required through its Presentation. Individual Panel member scores will be averaged to calculate a Presentation score for each Finalist Firm.

In the event that there is only one or two Finalist Firm, the Division may choose to forego the interview at its discretion.

**Final Composite Score**

The Final Composite score for each responsive Firm will be calculated by adding the final Technical Proposal points, Diversity Practices points, and Cost Proposal points for each Firm. The Firm with the highest final composite score will be selected as the Primary Consultant. The Firm with the next highest final composite score will be selected as the Secondary Consultant.

4 **Award of Contract/Debriefing**

4.1 **Contract Award**

The Division expects to award four contracts as a result of this RFP: two (2) contracts for Lot 1, and two (2) contracts for Lot 2. The Division will not award a contract to the same Firm to serve as the Primary or Secondary consultant for both Lots. The Division shall award Lot 1 first. The Firms awarded the Primary Consultant or Secondary Consultant for Lot 1 shall not be considered for the evaluation and award of Lot 2.

However, the Division reserves the right to not award a contract, at its sole discretion.

1. Notification of selection/non-selection will be sent to Firms by email.

2. Contract award is subject to approval of the Office of the Attorney General and the Office of the State Comptroller.

3. Upon contract award, public announcements or news releases pertaining to the contract shall not be made without the prior written consent of the Division.
4. Upon notification of selection, the following administrative forms will be required:

- State Finance Law Section 163(4) (g) imposes certain reporting requirements on contractors doing business with New York State. Concerning these reporting requirements, the selected Firm agrees to complete and submit an initial planned employment data report. The selected Firm also agrees to submit an annual employment report by May 15 of each year of the contract.
- A Sales Tax Certification is required for review and approval of the contract by the Comptroller's Office.
- Proof of Workers' Compensation and Disability Insurance as required by Sections 57 and 220 of the New York State Workers' Compensation Law (WCL).

These forms can be reviewed in Appendix B (Sample Contract/Post Award Forms) of the RFP.

4.2 Debriefings

Unsuccessful Firms shall be notified upon the Division’s selection of a Contractor. Consistent with New York State Finance Law §163, Firms may, within fifteen (15) calendar days of notification of selection/non-selection, request a debriefing to discuss the evaluation of their proposal.

5 Contractual Requirements

The written contract with the awarded Firm shall be a State contract that includes the “Standard Clauses for New York State Contracts”, attached to this RFP as Appendix A. The entire Agreement shall consist of the documents, appendices and forms listed below. Conflicts between these documents shall be resolved in the following order of precedence:

1. Appendix A: Standard Clauses for NYS Contracts;

4. The Contractor’s Proposal and any clarifications thereto.

The written contract will be modeled off of the attached sample contract presented in Appendix B. Firms offer their proposals accepting the terms and conditions of the sample contract.

The Division reserves the right to:

• Negotiate with the next highest-rated, qualified Firm for purposes of executing a contract, if it is subsequently determined by the Division that the successful Firm is not responsible.

7 Freedom of Information Law

New York State’s Freedom of Information Law (FOIL) (Public Officers Law, Article 6, Sections 84-90), available at: https://www.dos.ny.gov/coog/foil2.html, promotes the public’s right to know the process of governmental decision-making and grants maximum public access to governmental records. All proposals submitted in response to this RFP may be subject to disclosure under FOIL.

However, pursuant to Section 87(2)(d) of FOIL, a State agency may deny access to those portions of proposals or portions of a successful Firm’s contract which are "trade secrets" or submitted to an agency by a commercial enterprise or derived from information obtained from a commercial enterprise and which, if disclosed, would cause substantial injury to the competitive position of the subject enterprise.

Please note that all information that a Firm may claim as proprietary, copyrighted or rights-reserved is not necessarily protected from disclosure under FOIL.
If there is information in a Firm’s proposal that a Firm claims meets the definition set forth in Section 87(2)(d), the Firm should indicate so on Form 10 and provide a letter in its Administrative Proposal outlining any specific concerns.

Failure to identify the information which a Firm believes should be protected by Section 87(2)(d) may result in such information being disclosed if a request is received.

It is a Firm’s responsibility to consult an attorney with any questions the Firm may have about New York State's Freedom of Information Law. All work products described herein may also be subject to FOIL disclosure.

The State will not honor any attempt by a Firm either to designate its entire bid proposal as proprietary and/or to claim copyright protection for its entire proposal.

The selected Firm must provide to the Division all information, records, and other written material it produces, possesses, or relies upon if such material is the object of a legitimate request to the Division pursuant to the Freedom of Information Law.

8 Ethics

8.1 Ethics Requirements

The Firm and its subcontractors shall not engage any person who is, or has been at any time, in the employ of the State to perform services in violation of the provisions of the New York Public Officers Law, other laws applicable to the service of State employees, and the rules, regulations, opinions, guidelines or policies promulgated or issued by the New York State Joint Commission on Public Ethics, or its successors (collectively, the “Ethics Requirements”). The Firm certifies that all of its employees and those of its Subcontractors who are former employees of the State and who are assigned to perform services under any resulting contract shall be assigned in accordance with all Ethics Requirements. The Firm shall identify and provide the State with notice of those employees of the Firm and its subcontractors who are former employees of the State that are proposed to perform services under any resulting contract, and make sure that such employees comply with all applicable laws and prohibitions. The State may request that the Firm provide it with whatever information the State deems appropriate about each such person’s engagement, work cooperatively with the State to solicit advice from the New York State Joint Commission on Public Ethics, or its successors, and, if deemed appropriate by the State, instruct any such person to seek the opinion of the New York State Joint Commission on Public Ethics, or its successors. The State shall have the right to withdraw or withhold approval of any Subcontractor if utilizing such Subcontractor for any work performed hereunder would be in conflict with any of the Ethics Requirements. The State shall have the right to terminate any resulting contract at any time if any work performed hereunder is in conflict with any of the Ethics Requirements.
8.2 Vendor Responsibility Determination

The Division will conduct a review of each prospective Firm’s Vendor Responsibility Questionnaire (Form 7) to provide reasonable assurances that the Firm is responsible.

The Division will make a finding of responsibility or non-responsibility before making a contract award, considering any information that comes to its attention concerning the Vendor's responsibility.

If the Division identifies potentially negative information in its review, the Division will notify the Firm. If the Division makes a preliminary finding that the Firm is non-responsible, the Division will detail in writing to the Firm the reasons(s) for the preliminary determination, and will provide an opportunity for the Firm to respond before the determination is finalized.

A Firm awarded a contract is required to update their responsibility determination if a material event occurs requiring an amendment. The awarded Firm is also required to update vendor responsibility questionnaires as new information becomes available.

The Firm awarded a contract shall at all times during the contract term remain responsible. During the term of this contract, any changes in the provided Questionnaire shall be disclosed to the Division, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of the contract. Furthermore, the awarded Firm agrees, if requested by the Division, to present evidence of its continuing legal authority to do business in New York State, its integrity, experience, ability, prior performance, and organizational and financial capacity.

The Division, in its sole discretion, reserves the right to suspend any or all activities under the contract, at any time, when it discovers information that calls into question the responsibility of the awarded Firm. In the event of such suspension, the awarded Firm will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the awarded Firm must comply with the terms of the suspension order. Contract activity may resume at such time as the Division issues a written notice authorizing a resumption of performance under the contract.

Upon written notice to the awarded Firm, and a reasonable opportunity to be heard by the appropriate Division officials or staff, the contract may be terminated by the Division at the Firm’s expense where the Firm is determined by the Division to be non-responsible. In such event, the Division may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.

The Division reserves the right to terminate a contract for non-responsibility, including failure to disclose information.

This provision shall also apply to any proposed subcontractor performing services under the resulting contract in excess of $100,000.
8.3 Public Officers Law

Contractors, consultants, vendors, and subcontractors may hire former State Agency or Authority employees. However, as a general rule and in accordance with New York Public Officers Law, former employees of the State Agency or Authority may neither appear nor practice before the State Agency or Authority, nor receive compensation for services rendered on a matter before the State Agency or Authority, for a period of two years following their separation from State Agency or Authority service. In addition, former State Agency or Authority employees are subject to a “lifetime bar” from appearing before the State Agency or Authority or receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with the State Agency or Authority.

9  Minority- and Women-Owned Businesses (MWBE)

9.1 NYS Executive Law Article 15-A

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”), the Division is required to promote opportunities for the maximum feasible participation of New York State-certified Minority- and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of Division contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, the Division shall establish MWBE participation goals inclusive of New York State-certified Minority-owned Business Enterprises (“MBE”) participation and New York State-certified Women-owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs) when each SOW is issued under the Contract. If required in the SOW, a Contractor on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the Firm agrees that the Division may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: [https://ny.newnycontracts.com](https://ny.newnycontracts.com). For guidance on how the Division will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR§142.8.

The Firm understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

In accordance with 5 NYCRR§142.13, the Firm further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract resulting from this RFP and subsequent SOWs, such finding constitutes a breach of Contract and the Division may withhold payment as liquidated damages.
Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplies under the Contract.

By submitting a bid or proposal, a Firm agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals as may be included in the SOW by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at https://ny.newnycontracts.com, provided, however, that a Firm may arrange to provide such evidence via a non-electronic method by contacting the Division’s Contract Office at contracts@budget.ny.gov.

If MWBE goals are set forth in a SOW, the Contractor will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan included in the SOW, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to the Division, but must be made no later than prior to the submission of a request for final payment on the Contract.

If MWBE goals are set forth in a SOW, the successful Contractor will be required to submit a quarterly MWBE Contractor Compliance & Payment Report to the Division by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the Firm agrees with all of the terms and conditions of the Sample Contract (Appendix B) and the Standard Clauses for All New York State Contracts (Appendix A) including Clause 12 - Equal Employment Opportunities for Minorities and Women. The Firm is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the Firm, shall undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, gender identity or expression, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The Firm will be required to submit a Minority and Women-owned Business Enterprise and Equal Employment Opportunity Policy Statement. If Firm, or any of its subcontractors, does not have an existing EEO policy statement the Chamber may require the Contractor or subcontractor to adopt the model statement (Form 5.2).
If awarded a Contract, Firm shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by the Chamber on a quarterly basis during the term of the Contract.

Pursuant to Executive Order #162, contractors and subcontractors will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the Workforce Utilization Report on a quarterly basis.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, gender identity or expression, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

10 Service-Disabled Veteran-Owned Business Enterprises (SDVOB)

NYS Executive Law Article 17-B
Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOBs”), thereby further integrating such businesses into New York State’s economy. The Division recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of Chamber contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Firms are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

Contract Goals

A. For each SOW, the Division may set overall goals for SDVOB participation. For purposes of providing meaningful participation by SDVOBs, the Contractor should reference the directory of New York State Certified SDVOBs found at: [http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf](http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf). Questions regarding compliance with SDVOB participation goals should be directed to the Division’s Contracts Office at contracts@budget.ny.gov. Additionally, following Contract execution, Contractor is encouraged to contact the Office of General Services’
Division of Service-Disabled Veterans’ Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss additional methods of maximizing participation by SDVOBs on the Contract.

B. Where SDVOB Contract Goals have been established in the SOW, the Contractor must document “good faith efforts” to provide meaningful participation by SDVOBs as subcontractors or suppliers in the performance of the Contract (see Required Good Faith Efforts clause below).

SDVOB Utilization Plan

A. For each SOW where SDVOB Contract Goals have been established and in accordance with 9 NYCRR § 252.2(i), Contractors are required to submit a completed SDVOB Utilization Plan on Form SDVOB 100 with their response to a SOW.

B. The Utilization Plan shall list the SDVOBs that the Firm intends to use to perform the Contract, a description of the work that the Firm intends the SDVOB to perform to meet the goals on the Contract, the estimated dollar amounts to be paid to an SDVOB, or, if not known, an estimate of the percentage of Contract work the SDVOB will perform. By signing the Utilization Plan, the Firm acknowledges that making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by SDVOBs after the Contract award and during the term of the Contract must be reported on a revised SDVOB Utilization Plan and submitted to the Division.

C. The Division will review the submitted SDVOB Utilization Plan and advise the Contractor of the Division’s acceptance or issue a notice of deficiency within 20 days of receipt.

D. If a notice of deficiency is issued, the Contractor agrees that it shall respond to the notice of deficiency, within seven business days of receipt, by submitting to the Division a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Division to be inadequate, the Division shall notify the Contractor and direct the Contractor to submit, within five business days of notification by the Division, a request for a partial or total waiver of SDVOB participation goals on Form SDVOB 200. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

E. If awarded a Contract, Contractor certifies that it will follow the submitted SDVOB Utilization Plan for the performance of SDVOBs on the Contract pursuant to the prescribed SDVOB contract goals set forth in the SOW.

F. Contractor further agrees that a failure to use SDVOBs as agreed in the Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the
occurrence of such a material breach, the Division shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsibility.

Request for Waiver

A. Prior to submission of a request for a partial or total waiver, the Contractor shall contact the Division’s Contracts Office (contracts@budget.ny.gov) for guidance.

B. In accordance with 9 NYCRR § 252.2(m), a Contractor that is able to document good faith efforts to meet the goal requirements, as set forth in the Required Good Faith Efforts clause below, may submit a request for a partial or total waiver on Form SDVOB 200, accompanied by supporting documentation. A Contractor may submit the request for waiver at the same time it submits its SDVOB Utilization Plan. If a request for waiver is submitted with the SDVOB Utilization Plan and is not accepted by the Division at that time, the provisions of Paragraphs (C), (D) & (E) of the SDVOB Utilization Plan clause will apply. If the documentation included with the Contractor’s waiver request is complete, the Division shall evaluate the request and issue a written notice of acceptance or denial within 20 days of receipt.

C. Contractor shall attempt to utilize, in good faith, the SDVOBs identified within its SDVOB Utilization Plan, during the performance of the SOW. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the Contract to the Division, but must be made no later than prior to the submission of a request for final payment on the Contract.

D. If the Division, upon review of the SDVOB Utilization Plan and Monthly SDVOB Compliance Report (SDVOB 101) determines that Contractor is failing or refusing to comply with the contract goals established in the SOW, and no waiver has been issued in regards to such non-compliance, the Division may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven business days of receipt. Such response may include a request for partial or total waiver of SDVOB contract goals.

Waiver requests should be sent to the Division.

Required Good Faith Efforts

In accordance with 9 NYCRR § 252.2(n), Contractors must document their good faith efforts toward utilizing SDVOBs on the Contract. Evidence of required good faith efforts shall include, but not be limited to, the following:

1. Copies of solicitations to SDVOBs and any responses thereto.

2. Explanation of the specific reasons each SDVOB that responded to Contractors’ solicitation was not selected.
3. Dates of any pre-bid, pre-award or other meetings attended by Contractor, if any, scheduled by the Division with certified SDVOBs whom the Division determined were capable of fulfilling the SDVOB goals set in the Contract.

4. Information describing the specific steps undertaken to reasonably structure the Contract scope of work for the purpose of subcontracting with, or obtaining supplies from, certified SDVOBs.

5. Other information deemed relevant to the waiver request.

**Monthly SDVOB Contractor Compliance Report**

In accordance with 9 NYCRR § 252.2(q), Contractor is required to report Monthly SDVOB Contractor Compliance to the Division during the term of the Contract for the preceding month’s activity, documenting progress made towards achieving the Contract SDVOB goals. This information must be submitted using Form SDVOB 101 and should be completed by the Contractor and submitted to the Division, by the 10th day of each month during the term of the Contract, for the preceding month’s activity to: contracts@budget.ny.gov.

**Breach of Contract and Damages**

In accordance with 9 NYCRR § 252.2(s), any Contractor found to have willfully and intentionally failed to comply with the SDVOB participation goals set forth in the Contract, shall be found to have breached the contract and Contractor shall pay damages as set forth therein.
The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. **COMPTROLLER’S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds $50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services is required when such contracts exceed $85,000 (State Finance Law § 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. **WORKERS’ COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this
contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of $50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing,
that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.  (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee’s Federal social security number, and/or (iii) the payee’s Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of $25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of $100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of $100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor’s equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a," "b," and "c" above, in every subcontract over $25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and
improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development’s Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of October 2019, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law § 899-aa and State Technology Law § 208) and commencing March 21, 2020 shall also comply with General Business Law § 899-bb.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: https://ogs.ny.gov/list-entities-determined-be-non-responsive-biddersofferers-pursuant-nys-iran-divestment-act-2012

Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

CONTRACTOR shall not use Confidential Information for any purpose other than in furtherance of its professional services for the DIVISION.

I. CONTRACTOR understands that if it breaches, or threatens to breach this AGREEMENT, the DIVISION shall have the right to seek all equitable and legal rights (including the right to seek injunctive relief) to prevent such breach and/or to be fully compensated (including reasonable legal fees) for losses or damages resulting from such breach. CONTRACTOR acknowledges that compensation for damages may not be sufficient and that injunctive relief to prevent or limit any breach of confidentiality may be the only viable remedy to fully protect the confidential or proprietary information identified in this AGREEMENT.

XVIII. RECORDS ACCESS

DIVISION staff, others authorized by the DIVISION such as representatives of the Federal government, or other STATE agencies authorized by STATE law, shall have access to and the right to examine the books, documents, work papers, documentation of charges, or other records of the CONTRACTOR, including any and all subcontractors, involved in transactions relating to this AGREEMENT during the contract period and for a period of six years after final payment for said services.

XIX. WORK PAPER RETENTION AND AVAILABILITY

A. The work papers to be prepared by the CONTRACTOR during the AGREEMENT will be retained by the CONTRACTOR although copies thereof and access to them will be made available, upon request, to the DIVISION, representatives of the Federal government and STATE agencies when authorized by the DIVISION, and other STATE agencies authorized by existing law, for a period of six (6) years following the date of the final payment under the contract. All such requests, and their disposition, shall be authorized by the DIVISION.

B. The CONTRACTOR agrees to make personnel available to explain fully all data, materials, and work papers developed during the engagement for a period of six (6) years following the date of the final payment under the AGREEMENT.

XX. DISPUTES AND DISSATISFACTION/CONFLICT RESOLUTION

A. In the event the DIVISION is dissatisfied with the CONTRACTOR’s performance of the services provided under the AGREEMENT, including but not limited to a breach of the AGREEMENT on the part of the CONTRACTOR, the DIVISION shall notify the CONTRACTOR of the dispute in writing. In the event the CONTRACTOR has any disputes with the DIVISION, the CONTRACTOR shall notify the DIVISION in writing. Such notification in both cases shall hereinafter be referred to as “Notice of Conflict”, or in the case of contract breach, “Notice of Default”.

56
B. If either the DIVISION or the CONTRACTOR notifies the other of such dispute or dissatisfaction, the PARTY receiving the notification shall then make good faith efforts to amicably resolve the problem or settle the dispute, including meeting with the notifying PARTY’s representatives to diligently attempt to reach a mutually satisfactory result.

C. In the event of a dispute, both PARTIES will continue to fulfill their performance obligations under the AGREEMENT.

D. Nothing shall limit either PARTY’s ability to pursue all legal remedies. If the PARTIES are unable to amicably resolve the dispute after the steps described above, then either PARTY may seek legal or equitable relief in a court of competent jurisdiction in the State of New York.

XXI. TERMINATION

A. The DIVISION reserves the right to terminate the services of the CONTRACTOR, in whole or in part, upon thirty (30) days written notice for any reason, or immediately for cause. Upon notice of termination, the CONTRACTOR shall stop work immediately and complete only those specific assignments, if any, subsequently approved by the DIVISION. In the event of termination other than for cause, the CONTRACTOR shall be entitled to compensation for services performed through the date of termination that are accepted by the DIVISION, and for any subsequent services that are accepted by the DIVISION, rendered in connection with any successor consultants and contractors, including transfer of records, briefing and any other services deemed necessary or desirable by the DIVISION. The CONTRACTOR agrees to cooperate to the fullest respect with any successor consultants and contractors.

B. After receipt of the notice of termination, the CONTRACTOR shall exercise all reasonable diligence to accomplish the cancellation or diversion of its outstanding commitments covering personal services and extending beyond the date of such termination to the extent that they relate to the performance of any work terminated by the notice.

C. The CONTRACTOR shall submit its termination claim to the DIVISION promptly after receipt of a notice of termination, but in no event later than 30 days from the effective date thereof, unless one or more extensions in writing are granted by the DIVISION upon written request of the CONTRACTOR within such 30-day period or authorized extension thereof. Upon failure of the CONTRACTOR to submit a termination claim within the time allowed, the DIVISION may determine, on the basis of available information, the amount, if any, due to the CONTRACTOR by reason of termination, and shall thereupon pay to the CONTRACTOR the amount so determined.

D. If the termination for cause results from unsatisfactory performance by the CONTRACTOR, the value of the work performed by the CONTRACTOR prior to termination shall be established by the DIVISION.

E. The CONTRACTOR agrees to transfer title to the DIVISION, and to deliver in the manner, at the time, and to the extent, if any, directed by the DIVISION, such
information and work products for which the CONTRACTOR produced and received compensation by the DIVISION.

F. In addition, non-compliance with the procurement laws as noted in Section XXIII of this AGREEMENT will lead to contract termination.

XXII. **FORCE MAJEURE**

Neither PARTY will be liable for losses, defaults, or damages under this AGREEMENT which result from delays in performing, or an inability to perform, all or any of the obligations or responsibilities imposed upon it pursuant to the terms and conditions of this AGREEMENT, due to or because of acts of God, the public enemy, acts of government, earthquakes, floods, civil strife, fire or any other cause beyond the reasonable control of the PARTY that was so delayed or so unable to perform, provided that such PARTY was not negligent and shall have used reasonable efforts to avoid and overcome such cause. Such PARTY will resume full performance of such obligations and responsibilities promptly upon removal of any such cause.

XXIII. **COMPLIANCE WITH PROCUREMENT LAWS**

A. By execution of this AGREEMENT, the CONTRACTOR certifies that information provided to the STATE with respect to the Vendor Responsibility Questionnaire, Procurement Lobbying Certifications, Contractor Disclosure Form A and Section 5-a of the Tax Law (Forms ST-220-TD and ST-220-CA) is complete, true and accurate.

B. The CONTRACTOR hereby acknowledges that the Vendor Responsibility Questionnaire and certification are made part of its proposal and thereby this AGREEMENT and that any misrepresentation of fact in the Questionnaire and attachments, or in any CONTRACTOR responsibility information that may be requested by the DIVISION, may result in termination of this AGREEMENT. The CONTRACTOR shall at all times during the contract term remain responsible. During the term of this AGREEMENT, any changes in the provided Questionnaire shall be disclosed to the DIVISION, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of this AGREEMENT. Furthermore, the CONTRACTOR agrees, if requested by the DIVISION, to present evidence of its continuing legal authority to do business in New York State, its integrity, experience, ability, prior performance, and organizational and financial capacity.

The DIVISION, in its sole discretion, reserves the right to suspend any or all activities under this AGREEMENT, at any time, when it discovers information that calls into question the responsibility of the CONTRACTOR. In the event of such suspension, the CONTRACTOR will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the CONTRACTOR must comply with the terms of the suspension order. Contract activity may resume at such time as the DIVISION issues a written notice authorizing a resumption of performance under this AGREEMENT.
Upon written notice to the CONTRACTOR, and a reasonable opportunity to be heard by the appropriate DIVISION officials or staff, this AGREEMENT may be terminated by the DIVISION at the CONTRACTOR’s expense where the CONTRACTOR is determined by the DIVISION to be non-responsible. In such event, the DIVISION may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach.

C. CONTRACTOR hereby acknowledges that State Finance Law Section 163(4)(g) imposes certain reporting requirements on the contractor doing business with the STATE. In furtherance of these reporting requirements, the CONTRACTOR agrees to complete and submit an initial planned employment data report and an annual employment report (Forms A and B respectively). Complete instructions and forms may also be accessed at: http://www.osc.state.ny.us/agencies/guide/MyWebHelp/Content/XI/18/C.htm.

XXIV. REQUIREMENTS AND PROCEDURES FOR M/WBE PARTICIPATION

A. General Provisions

1. The DIVISION is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 (“MWBE Regulations”) for all STATE contracts as defined therein, with a value (1) in excess of $25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of $100,000 for real property renovations and construction.

2. The CONTRACTOR agrees, in addition to any other nondiscrimination provision of the AGREEMENT and at no additional cost to the DIVISION, to fully comply and cooperate with the DIVISION in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for certified minority- and women-owned business enterprises (“MWBE”). The CONTRACTOR’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, state or local laws.

3. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section XXV.G of this AGREEMENT and such other remedies are available to the DIVISION pursuant to this AGREEMENT and applicable law.

B. Contract Goals

1. For purposes of this AGREEMENT, the goals for Minority- and Women-Owned Business Enterprises (“MWBE”) participation shall be as designated in each
Statement of Work (SOW) based on the current availability of qualified MBEs and WBEs.

2. For purposes of providing meaningful participation by MWBEs in this AGREEMENT and achieving the MWBE Contract Goals, the CONTRACTOR should reference the directory of New York State certified MBWEs found at the following internet address: https://ny.newnycontracts.com.

Additionally, the CONTRACTOR is encouraged to contact the Division of Minority and Women Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on this AGREEMENT.

3. The CONTRACTOR understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

4. Where MWBE Contract Goals have been established in each SOW, the CONTRACTOR must document “good faith efforts”, to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the AGREEMENT. Such documentation shall include, but not necessarily be limited to:

   a. Evidence of outreach to MWBEs;
   b. Any responses by MWBEs to the CONTRACTOR’s outreach;
   c. Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;
   d. The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the DIVISION with MWBEs; and,
   e. Information describing specific steps undertaken by the CONTRACTOR to reasonably structure the contract scope of work to maximize opportunities for MWBE participation.

C. Equal Employment Opportunity (EEO)

1. The CONTRACTOR agrees to be bound by the provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the AGREEMENT.

2. In performing the AGREEMENT, the CONTRACTOR shall:

   a. Ensure that each CONTRACTOR and each subcontractor performing work on this AGREEMENT shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading,
demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.

b. The CONTRACTOR shall submit an EEO policy statement to the DIVISION within seventy-two (72) hours after the date of the notice by the DIVISION to award the AGREEMENT to the CONTRACTOR.

c. If the CONTRACTOR, or any of its subcontractors, does not have an existing EEO policy statement, the DIVISION may require the CONTRACTOR or subcontractor to adopt a model statement (see Form 5.4 Equal Employment Opportunity Policy Statement).

d. The CONTRACTOR's EEO policy statement shall include the following language:

1) The CONTRACTOR will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.

2) The CONTRACTOR shall state in all solicitations or advertisements for employees that, in the performance of the AGREEMENT, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

3) The CONTRACTOR shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the CONTRACTOR's obligations herein.

4) The CONTRACTOR will include the provisions of Subdivisions (1) through (3) of this Subsection D and Paragraph “5” of this Section C, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the AGREEMENT.

3. Staffing Plan

To ensure compliance with this section, the CONTRACTOR shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the AGREEMENT by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The CONTRACTOR
shall complete the staffing plan form and submit it within a reasonable time, as directed by the DIVISION.

a. The CONTRACTOR shall submit a Workforce Report, and shall require each of its subcontractors to submit a Workforce Report, in such form as shall be required by the DIVISION on a QUARTERLY basis during the term of the AGREEMENT.

b. Separate forms shall be completed by the CONTRACTOR and any subcontractors.

c. Pursuant to Executive Order #162, contractors and subcontractors are also required to report the gross wages paid to each of their employees for the work performed by such employees on the contract on a quarterly basis.

5. The CONTRACTOR shall comply with the provisions of the Human Rights Law, and all other STATE and Federal statutory and constitutional non-discrimination provisions. The CONTRACTOR and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

D. MWBE Utilization Plan

1. The CONTRACTOR represents and warrants that the CONTRACTOR has submitted an MWBE Utilization Plan, through the New York State Contract System (“NYSCS”), which can be viewed at https://ny.newnycontracts.com, provided, however, that the CONTRACTOR may arrange to provide such evidence via a non-electronic method to the DIVISION, either prior to, or at the time of, the execution of the AGREEMENT.

2. The CONTRACTOR agrees to use such MWBE Utilization Plan for the performance of MWBEs on this AGREEMENT pursuant to the prescribed MWBE goals set forth in Section XXV.B.1.

3. The CONTRACTOR further agrees that failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of this AGREEMENT. Upon the occurrence of such a material breach, the DIVISION shall be entitled to any remedy provided herein, including but not limited to, a finding that the CONTRACTOR is non-responsive.
E. Waivers

1. For waiver requests, the CONTRACTOR should use the NYSCS, provided, however, that CONTRACTOR may arrange to provide such evidence via a non-electronic method to the DIVISION.

2. If the CONTRACTOR, after making good faith efforts, is unable to comply with MWBE goals, the CONTRACTOR may submit a Request for Waiver documenting good faith efforts by the CONTRACTOR to meet such goals. If the documentation included with the waiver request is complete, the DIVISION shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.

3. If the DIVISION, upon review of the MWBE Utilization Plan and updated QUARTERLY MWBE Contractor Compliance Reports determines that the CONTRACTOR is failing or refusing to comply with the MWBE Contract Goals and no waiver has been issued in regards to such non-compliance, the DIVISION may issue a notice of deficiency to the CONTRACTOR. The CONTRACTOR must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

F. Quarterly MWBE Contractor Compliance Report

The CONTRACTOR is required to submit a quarterly MWBE Contractor Compliance Report through the NYSCS, provided, however, that the CONTRACTOR may arrange to provide such report via a non-electronic method to the DIVISION by the 10th day following the end of each quarter during the term of this AGREEMENT documenting the progress made towards achievement of the MWBE goals of this AGREEMENT.

G. Liquidated Damages - MWBE Participation

1. Where the DIVISION determines that the CONTRACTOR is not in compliance with the requirements of this AGREEMENT and the CONTRACTOR refuses to comply with such requirements, or if the CONTRACTOR is found to have willfully and intentionally failed to comply with the MWBE participation goals, the CONTRACTOR shall be obligated to pay to the DIVISION liquidated damages.

2. Such liquidated damages shall be calculated as an amount equaling the difference between:

   a. All sums identified for payment to MWBEs had the CONTRACTOR achieved the contractual MWBE goals; and
   b. All sums actually paid to MWBEs for work performed or materials supplied under the AGREEMENT.

3. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the DIVISION, the CONTRACTOR shall pay such liquidated damages to the DIVISION.
within sixty (60) days after they are assessed. Provided, however, that if the CONTRACTOR has filed a complaint with the Director of the Division of Minority and Women’s Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the CONTRACTOR following the complaint process.

XXV. PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN OWNED BUSINESSES

A. General Provisions

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOBs”), thereby further integrating such businesses into New York State’s economy. The DIVISION recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of DIVISION contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, CONTRACTORS are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the AGREEMENT. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

B. Contract Goals

SDVOB participation goals shall be established in each SOW based on the current availability of qualified SDVOBs. For purposes of providing meaningful participation by SDVOBs, the CONTRACTOR should reference the directory of New York State Certified SDVOBs found at: https://ogs.ny.gov/Veterans/default.asp. Questions regarding compliance with SDVOB participation goals should be directed to the Division’s Contracts Office at contracts@budget.ny.gov.

Additionally, CONTRACTOR is encouraged to contact the Office of General Services’ Division of Service-Disabled Veterans’ Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the AGREEMENT.

Where contract goals have been established in the SOW, the CONTRACTOR must document “good faith efforts” to provide meaningful participation by SDVOBs as subcontractors or suppliers in the performance of any SOW under the AGREEMENT (see Required Good Faith Efforts clause below).

SDVOB Utilization Plan

A. For each SOW where SDVOB contract goals have been established and in accordance with 9 NYCRR § 252.2(i), CONTRACTOR will be required to submit a completed SDVOB Utilization Plan on Form SDVOB 100.
B. The Utilization Plan shall list the SDVOBs that the CONTRACTOR intends to use to perform the services in the SOW, a description of the work that the CONTRACTOR intends the SDVOB to perform to meet the goals in the SOW, the estimated dollar amounts to be paid to an SDVOB, or, if not known, an estimate of the percentage of Contract work the SDVOB will perform. By signing the Utilization Plan, the CONTRACTOR acknowledges that making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by SDVOBs for each SOW during the term of the AGREEMENT must be reported on a revised SDVOB Utilization Plan and submitted to the DIVISION.

C. The DIVISION will review the submitted SDVOB Utilization Plan and advise the CONTRACTOR of DIVISION acceptance or issue a notice of deficiency within 20 days of receipt.

D. If a notice of deficiency is issued, CONTRACTOR agrees that it shall respond to the notice of deficiency, within seven business days of receipt, by submitting to the DIVISION a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the DIVISION to be inadequate, the DIVISION shall notify the CONTRACTOR and direct the CONTRACTOR to submit, within five business days of notification by the DIVISION, a request for a partial or total waiver of SDVOB participation goals on Form SDVOB 200. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

E. For each SOW under the AGREEMENT, CONTRACTOR certifies that it will follow the submitted SDVOB Utilization Plan for the performance of SDVOBs on the SOW pursuant to the prescribed SDVOB contract goals set forth in the SOW.

F. CONTRACTOR further agrees that a failure to use SDVOBs as agreed in the Utilization Plan shall constitute a material breach of the terms of the AGREEMENT. Upon the occurrence of such a material breach, the DIVISION shall be entitled to any remedy provided herein, including but not limited to, a finding of CONTRACTOR non-responsibility.

Request for Waiver

A. Prior to submission of a request for a partial or total waiver, the CONTRACTOR shall contact the Division’s Contracts Office (contracts@budget.ny.gov) for guidance.

B. In accordance with 9 NYCRR § 252.2(m), a CONTRACTOR that is able to document good faith efforts to meet the goal requirements, as set forth in the Required Good Faith Efforts clause below, may submit a request for a partial or total waiver on Form SDVOB 200, accompanied by supporting documentation. A CONTRACTOR may submit the request for waiver at the same time it submits its SDVOB Utilization Plan.
If a request for waiver is submitted with the SDVOB Utilization Plan and is not accepted by the Division at that time, the provisions of Paragraphs (C), (D) & (E) of the SDVOB Utilization Plan clause will apply. If the documentation included with the CONTRACTOR’s waiver request is complete, the Division shall evaluate the request and issue a written notice of acceptance or denial within 20 days of receipt.

C. CONTRACTOR shall attempt to utilize, in good faith, the SDVOBs identified within its SDVOB Utilization Plan, during the performance of the SOW. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the AGREEMENT to the DIVISION, but must be made no later than prior to the submission of a request for final payment on the AGREEMENT.

D. If the Division, upon review of the SDVOB Utilization Plan and Monthly SDVOB Compliance Report (SDVOB 101) determines that CONTRACTOR is failing or refusing to comply with the contract goals established in the SOW, and no waiver has been issued in regards to such non-compliance, the Division may issue a notice of deficiency to the CONTRACTOR. The CONTRACTOR must respond to the notice of deficiency within seven business days of receipt. Such response may include a request for partial or total waiver of SDVOB contract goals.

E. Waiver requests should be sent to the DIVISION.

Required Good Faith Efforts

In accordance with 9 NYCRR § 252.2(n), CONTRACTOR must document their good faith efforts toward utilizing SDVOBs on any SOW under the AGREEMENT. Evidence of required good faith efforts shall include, but not be limited to, the following:

1. Copies of solicitations to SDVOBs and any responses thereto.

2. Explanation of the specific reasons each SDVOB that responded to CONTRACTOR’s solicitation was not selected.

3. Dates of any pre-bid, pre-award or other meetings attended by CONTRACTOR, if any, scheduled by the DIVISION with certified SDVOBs whom the DIVISION determined were capable of fulfilling the SDVOB goals set in the SOW under the AGREEMENT.

4. Information describing the specific steps undertaken to reasonably structure the SOW under the AGREEMENT for the purpose of subcontracting with, or obtaining supplies from, certified SDVOBs.

5. Other information deemed relevant to the waiver request.

Monthly SDVOB CONTRACTOR Compliance Report

In accordance with 9 NYCRR § 252.2(q), CONTRACTOR is required to report Monthly SDVOB Contractor Compliance to the DIVISION during the term of the AGREEMENT for the preceding month’s activity, documenting progress made towards achieving the
SDVOB goals established under each SOW. This information must be submitted using form SDVOB 101 and should be completed by the CONTRACTOR and submitted to the DIVISION by the 10th day of the month during the term of the AGREEMENT for the preceding month’s activity to the Division’s Contracts Office at contracts@budget.ny.gov.

Breach of Contract and Damages

In accordance with 9 NYCRR § 252.2(s), any CONTRACTOR found to have willfully and intentionally failed to comply with the SDVOB participation goals set forth in the SOW under the AGREEMENT, shall be found to have breached the AGREEMENT and CONTRACTOR shall pay damages as set forth therein.

XXVI. WAIVER, MODIFICATION, EXECUTION, OR SEVERABILITY

No waiver or modification of the AGREEMENT or any covenant, condition, or limitation herein contained shall be valid unless in writing and executed by the PARTIES hereto, and no evidence of any waiver or modification shall be offered or received in evidence in any action between the PARTIES hereto arising out of or affecting the AGREEMENT, or the rights or obligations of any PARTY hereunder, unless such waiver of modification is in writing, duly executed as aforesaid, and the PARTIES further agree that the provisions of the paragraph may not be waived except as herein set forth.

In the event that any provision of the AGREEMENT shall be declared void, voidable, illegal or invalid for any reason, such provision shall be of no force and effect only to the extent that it is so declared void, voidable, illegal or invalid. All of the provisions of the AGREEMENT not specifically found to be so deficient shall remain in full force and effect.

XXVII. CONDITIONS PRECEDENT

This AGREEMENT and any subsequent amendments to this AGREEMENT shall not be deemed executed, valid or binding unless and until approved in writing by the Offices of the Attorney General and State Comptroller.

XXVIII. USE BY OTHER STATE AGENCIES, PUBLIC AUTHORITIES OR ENTITIES

The DIVISION shall have the option to extend the terms and conditions related to the scope of services covered by this AGREEMENT to any other STATE agency, public authority or entities in New York.

XXIX. ADDITIONAL SERVICES

The DIVISION may, at any time, by written notice, request changes or additions to work or services within the general scope of this AGREEMENT (not to include professional services requiring licenses or specialized expertise such as engineering, architectural, and environmental consulting, abatement, treatment, and testing work) for unanticipated needs. If any such change or addition causes an increase or decrease in the cost of, or in the time required for, performance of this AGREEMENT, an equitable
adjustment shall be agreed upon by the PARTIES and made in the price using the billing rates set forth in the AGREEMENT, and the CONTRACTOR shall be notified in writing accordingly. A change to the scope of the AGREEMENT would be subject to the approval of the Office of the State Comptroller and Office of the Attorney General.

XXX. ENTIRE AGREEMENT

This AGREEMENT and the Appendices identified in this section ("Appendices") constitute the entire AGREEMENT between the PARTIES hereto and no statement, promise, condition, understanding, inducement or representation, oral or written, expressed or implied, which is not contained herein shall be binding or valid. This AGREEMENT shall not be changed, modified or altered in any manner except by an instrument in writing executed by the PARTIES hereto. The Appendices are hereby made a part of this AGREEMENT as if fully set forth at length herein. In the event of any discrepancy, disagreement or ambiguity among the following documents, they shall be given preference in the following order to interpret and to resolve such discrepancy, disagreement or ambiguity:

A. Appendix A – Standard Clauses for New York State Contracts dated October 2019;
B. This AGREEMENT as it appears prior to the signature page incorporated herein;
C. Appendix B – Request for Proposals dated October 21, 2022 including any amendments thereto; and
D. Appendix C – CONTRACTOR’s Proposal in response to the RFP and any clarifications thereto.

XXXI. EXECUTORY CLAUSE

This AGREEMENT shall be deemed executory only to the extent of moneys annually appropriated and available for this purpose, and no liability on account thereof shall be incurred by the DIVISION beyond the amount appropriated. It is understood that neither this assignment nor any representation by any public employee or officer creates any legal or moral obligation to request to appropriate, or make available, moneys for the purpose of the AGREEMENT.
IN WITNESS WHEREOF, each of the PARTIES hereto has caused this AGREEMENT to be executed by its duly authorized officers on the day and year stated below.

Agency Certification

In addition to the acceptance of this AGREEMENT, I also certify that original copies of this signature page will be attached to all other exact copies of this contract.

CONTRACTOR DISCLOSURE FORMS

Chapter 10 of the Laws of 2006 amended the Civil Service Law and the State Finance Law, relative to maintaining certain information concerning contract employees working under State agency service and consulting contracts. State agency consultant contracts are defined as “contracts entered into by a state agency for analysis, evaluation, research, training, data processing, computer programming, engineering, environmental health and mental health services, accounting, auditing, paralegal, legal, or similar services” (“covered consultant contract” or “covered consultant services”). The amendments also require that certain contract employee information be provided to the state agency awarding such contracts, the Office of the State Comptroller (OSC), Division of the Budget and the Department of Civil Service (CS).

To meet these new requirements, the selected Firm agrees to complete:

Form A – Contractor’s Planned Employment Form. The successful Contractor must complete this form upon notification of selection by the Division.

Form B – Contractor’s Annual Employment Report. Throughout the term of the Contract by May 15th of each year the Contractor agrees to report the following information to the Division. For each covered consultant contract in effect at any time between the preceding April 1st through March 31st fiscal year or for the period of time such contract was in effect during such prior State fiscal year Contractor reports the:

1. Total number of employees employed to provide the consultant services, by employment category.
2. Total number of hours worked by such employees.

*NOTE: The information to be reported is applicable only to those employees who are directly providing services or directly performing covered consultant services. However, such information shall also be provided relative to employees of Subcontractors who perform any part of the service contract or any part of the covered consultant contract. This information does not have to be collected and reported in circumstances where there is ancillary involvement of an employee in a clerical, support, organizational or other administrative capacity.

Contractor agrees to simultaneously report such information to the Department of Civil Service and the Office of the State Comptroller as designated below:

Department of Civil Service
Alfred E. Smith State Office Building
Albany, NY 12239

Office of the State Comptroller
Bureau of Contracts
110 State St., 11th Floor
Albany, New York
Attn: Consultant Reporting

Contractor is advised herein and understands that this information is available for public inspection and copying pursuant to §87 of the New York State Public Officers Law (Freedom of Information Law). In the event individual employee names or social security numbers are set forth on a document, the State agency making such disclosure is obligated to redact both the name and social security number prior to disclosure.

SALES TAX CERTIFICATION INSTRUCTIONS

The Tax Law was amended to require contractors with State agencies to certify to the Department of Taxation and Finance (DTF) that they, their affiliates, their subcontractors and the affiliates of their subcontractors have a valid certificate of authority to collect New York State and local sales and compensating use taxes. Tax Law Section 5-a applies to all contracts in excess of $100,000 for the purchase by a covered agency of commodities or services, awarded pursuant to Article XI of the State Finance Law.

The successful Contractor must complete Contractor Certification Form ST-220-CA upon notification of selection by the Division. This certification to the procuring agency, also made under penalty of perjury, states that the requisite (ST-220-TD) certification has been made to DTF and, to the best of the Contractor’s knowledge, that the requisite (ST-220-TD) certification is correct and complete.

If Contractor has any questions regarding either forms, ST-220-CA or ST-220-TD, the New York State Comptroller’s Guide to Financial Operations will provide background information and the forms (http://www.osc.state.ny.us/agencies/guide/MyWebHelp/#XI/18/D.htm?Highlight=st-220).

Contractors can refer to the Department of Taxation and Finance website, or the NYS Tax Law, Section 5-a, Contractor Affiliate, Subcontractor, and Subcontractor Affiliate Sales and Compensating Use Tax Registration for additional information and guidance.

This organization will and will cause its contractors and subcontractors to take good faith actions to achieve the M/WBE contract participations goals set by the State for that area in which the State-funded project is located, by taking the following steps:

(1) Actively and affirmatively solicit bids for contracts and subcontracts from qualified State certified MBEs or WBEs, including solicitations to M/WBE contractor associations.

(2) Request a list of State-certified M/WBEs from AGENCY and solicit bids from them directly.

(3) Ensure that plans, specifications, request for proposals and other documents used to secure bids will be made available in sufficient time for review by prospective M/WBEs.

(4) Where feasible, divide the work into smaller portions to enhanced participations by M/WBEs and encourage the formation of joint venture and other partnerships among M/WBE contractors to enhance their participation.

(5) Document and maintain records of bid solicitation, including those to M/WBEs and the results thereof. The Contractor will also maintain records of actions that its subcontractors have taken toward meeting M/WBE contract participation goals.

(6) Ensure that progress payments to M/WBEs are made on a timely basis so that undue financial hardship is avoided, and that bonding and other credit requirements are waived or appropriate alternatives developed to encourage M/WBE participation.

(a) This organization will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing programs of affirmative action to ensure that minority group members are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on state contracts.

(d) The Contractor shall comply with the provisions of the Human Rights Law, all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

(e) This organization will include the provisions of sections (a) through (d) of this agreement in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the State contract.

FORM 6: MWBE DIVERSITY PRACTICES

Pursuant to New York State Executive Law §313-a, and 5 NYCRR §142.3, all agencies and authorities must evaluate the diversity practices of Firms to best value procurements expected to exceed $250,000, whenever practical, feasible and appropriate. Evaluating diversity practices of Firms as part of the procurement process provides contractors with an incentive to develop mutually beneficial relationships with New York State certified MWBEs outside of the context of state contracting. These relationships help to build the capacity of MWBEs, and enhance their ability to perform ever increasing roles in state contracting.

Diversity practices are intended to be applied on procurements in which agency personnel exercise their subjective judgment in selecting one or more successful contractors on the basis of best value, not on procurements that are awarded based on lowest price.

For this procurement, the Division has determined, pursuant to New York State Executive Law Article 15-A, that the assessment of the diversity practices of Firms to this solicitation is practical, feasible and appropriate.

Accordingly, Firms are required to submit responses, including documentation, to the Diversity Practices Questionnaire, Form 6.1, to the Division as part of its Administrative Proposal. The questionnaire consists of seven (7) questions for Firms to answer. Please note that some questions request supporting documentation to support certain answers. A scoring rubric for the Diversity Practices Questionnaire can be found in Form 6.2

A contracting agency is required to conduct a review of a prospective contractor (and each subcontractor whose anticipated fees for the project are estimated to be over $100,000) to provide reasonable assurances that the vendor is responsible. The Division of the Budget recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at http://www.osc.state.ny.us/vendrep/index.htm.

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the Office of the State Comptroller’s Help Desk at 866-370-4672 or 518-408-4672 or by email at ITServiceDesk@osc.state.ny.us.

Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website http://www.osc.state.ny.us/vendrep/ or may contact the Division of the Budget or the Office of the State Comptroller’s Help Desk for a copy of the paper form.

This questionnaire is designed to provide information to assist a contracting agency in assessing a vendor's responsibility prior to entering into a contract with the vendor. Vendor responsibility is determined by a review of each Firm or Firm’s authorization to do business in New York, business integrity, financial and organizational capacity, and performance history.

Contractors (and subcontractors) must answer every question in the questionnaire and where appropriate additional information may be required for the questionnaire to be complete and accurate. The completed questionnaire and responses will become part of the procurement record.

It is imperative that the person completing the vendor responsibility questionnaire be knowledgeable about the proposing contractor’s business and operations as the questionnaire information must be attested to by an owner or officer of the vendor.

Vendor Responsibility Questionnaire Requirement:

The Firm has (Please check the appropriate box):

___ Certified and filed the Vendor Responsibility Questionnaire on-line via the New York State VendRep System; OR

___ Included a properly executed paper copy of the Vendor Responsibility Questionnaire with the Administrative Proposal.
Pursuant to State Finance Law §§139-j and 139-k, certain restrictions are placed on contact with state agencies during the procurement process. The term “Contact” is defined by statute and refers to those oral, written or electronic communications that a reasonable person would infer are attempts to influence the governmental procurement. In addition to obtaining the required identifying information, the state agency must inquire and record whether the person or organization that made the contact was the Offerer or was retained, employed or designated on behalf of the Offerer to appear before or contact the Governmental Entity.

The “Restricted Period” is the period of time commencing with the earliest date of written notice, advertisement or solicitation of a request for proposal, invitation for bids, or solicitation of proposals, or any other method for soliciting a response from Offerers intending to result in a Procurement Contract with a State agency and, ending with the final contract award and approval by, where applicable, the Office of the State Comptroller.

New York State employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a 4 year period; the Offerer is debarred from obtaining governmental procurement contracts. Further information about these requirements can be found at: https://ogs.ny.gov/acpl.

Any Firm responding to the solicitation must complete the form found below and submit it to the State agency.

Questions regarding this form may be directed to the Designated Contacts for this solicitation:
