

Contract No.	Vendor	Term	Contract Amount
C000421	Maximus Consulting Services, Inc.	9/17/12 - 6/30/16	\$2,046,145.00
Scope	Budget and cost allocation models and accounting services		
Reason for Single Source	On September 15, 2015, the State Comptroller's office granted the Division of the Budget an exemption for competitively advertising, thus approving its single source exemption request for an extension of the term of the original agreement (which resulted from a competitive process) through June 30, 2016 with the firm listed above. This extension allows the contractor to provide continuity of services essential to the ongoing budget and cost allocation modeling and accounting that the Division requires.
