

Long - Term Care Budget and Policy Analyst

Health Unit

Salary: \$53,404 - \$63,266

Reference # 23-59

The successful candidate will serve as a member of the Long-Term Care Team within the Medicaid Section of the Health Unit. This team is responsible for overseeing over \$15 billion amongst the following subject areas: Managed Long-Term Care, Nursing Homes, Supportive Housing, Home and Community Based Long-Term Care, and various other assignments involving different aspects of health care finance.

Responsibilities of the Long Term Care Budget and Policy Analyst would include, but are not limited to:

- Analyzing, developing, and defending budget/policy recommendations and their implementation toward the continuation of innovative and strategic Medicaid program reforms.
- Reviewing and identifying fiscal/policy impacts associated with proposals advanced by the Governor, the Federal Government, the State Legislature, and various advocacy groups, while also adhering to the mandates imposed by the Affordable Care Act.
- Regularly monitoring and forecasting enrollment, expenditures, and service utilization of designated long-term care program areas within the Medicaid program.
- Evaluating and participating in the development of programmatic and policy solutions aimed at addressing long-term care and financing needs for vulnerable populations.

This position on the Long-Term Care Team will offer the selected candidate a unique opportunity to conduct research and develop recommendations related to the health care financing and the State's health care reform agenda.

Qualification/Skills:

The position requires strong quantitative, analytic, written, verbal and interpersonal skills. The successful candidate should have the ability to work well independently as well as part of a team, and to actively participate in discussion on important public policy issues
