“**Specified Indebtedness**” with respect to Party A, will have the meaning specified in Section 12 of this Agreement provided that Specified Indebtedness shall not include deposits received in the course of Party A’s ordinary banking business and, with respect to Party B, will mean any bonds issued pursuant to the Resolution and any interest rate exchange agreement executed by Party B that is payable from the source of payment specified in Section 4(d) of this Agreement (the inclusion of interest rate exchange agreements as Specified Indebtedness shall not create any implication that an interest rate exchange agreement constitutes indebtedness).

“**Threshold Amount**” means 2% of Shareholders’ Equity for Party A (as described in Party A’s most recent audited annual financial statements) and \$35,000,000 for Party B.

(d) The “**Credit Event Upon Merger**” provisions of Section 5(b)(ii) will apply to Party A and will not apply to Party B.

The party for which the Ratings Event is deemed to have occurred (“X”) shall promptly notify the other party of the occurrence of such Ratings Event; provided that, the failure of such a party to provide such notice shall not constitute an Event of Default hereunder. A Ratings Event shall be deemed an Additional Termination Event for which all Transactions under this Agreement shall be Affected Transactions. For the purposes of Section 6(b) and Section 6(e), X shall be the sole Affected Party.

(h) **Events of Default.**

A to enable it to make the relevant payment when due; and (c) such relevant payment is made within three Business Days following receipt of written notice from an interested party of such failure to pay; and

With respect to Party B shall mean the occurrence or existence of a default on Specified Indebtedness of Party B with a principal or notional amount of not less than the Threshold Amount (as specified in the Schedule) either (1) when any amount on such Specified Indebtedness is due and payable or (2) which has resulted in such Specified Indebtedness becoming due and payable under such agreements or instruments before it would otherwise have been due and payable; provided, however, that notwithstanding the foregoing, an Event of Default shall not occur if, as demonstrated to the reasonable satisfaction of Party A, (a) the event or condition or the failure to pay is a failure to pay caused by an error or omission of an administrative or operational nature; and (b) funds were available to Party B to enable it to make the relevant payment when due; and (c) such relevant payment is made within three Business Days following receipt of written notice from an interested party of such failure to pay;”.

(ii) **Bankruptcy.** Section 5(a)(vii) is hereby amended by renumbering existing Clauses (8) and (9) to be Clauses (9) and (10), respectively, and is further amended by replacing the reference to “clauses (1) to (7) (inclusive)” in what is now Clause (9), with a reference to “clauses (1) to (8) (inclusive)” and is further amended by adding a new clause (8) to read as follows:

(iii) **Merger Without Assumption.** Section 5(a)(viii) of this Agreement is hereby amended to read in its entirety as follows:

“(viii) **Merger Without Assumption.** The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity (or, without limiting the foregoing, if such party is a Government Entity, an entity such as a board, commission, authority, agency, public benefit corporation or political subdivision succeeds to the principal functions of, or powers and duties granted to, such party or any Credit Support Provider of such party) and, at the time of such consolidation, amalgamation, merger, transfer or succession:

(1) the resulting, surviving, transferee or successor entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other party to this Agreement;

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving, transferee or successor entity of its obligations under this Agreement; or

Party B may set off against any termination amount payable by or owed to it under this Agreement, any termination amount owed to or payable by it under any other interest rate exchange agreement between Party A and Party B. Party B agrees that it shall exercise such right of set off in a manner that does not violate or breach (i) the Resolution

or the Financing Agreement, (ii) the resolution, indenture or similar document or the financing agreement, service contract or similar agreement defined or described in any such other interest rate exchange agreement or (iii) applicable law.”

“(g) **Optional Termination by Party B.** Party B may, upon at least five (5) Business Days’ written notice to Party A, terminate all or a portion of any Transactions under this Agreement by designating to Party A the termination date for such Transactions. In the event Party B exercises its right of optional termination hereunder, the provisions of Section 6(e)(i)(3) shall apply as though Party A is the sole Affected Party and all Transactions are Affected Transactions. Party B may not optionally terminate any Transactions pursuant to this section unless Party B also provides evidence reasonably satisfactory to Party A that Party B has or will have on the termination date available funds with which to pay any amount due to Party A as a result of such Optional Termination. Notwithstanding anything herein to the contrary, the parties will be obligated to pay any accrued and unpaid amounts that would otherwise be due on the date of such Optional Termination.”

- (7) such transfer does not result in any adverse tax consequences to Party A, including the obligation to deduct or withhold an amount with respect to any Tax from payments required to be made to the Transferee, the receipt of payments from the Transferee from which amounts with respect to any Tax may be deducted or withheld or the imposition of any tax, levy, impost, duty charge, or fee of any nature by any government or taxing authority which would not have been imposed but for such transfer; and

(ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.”

(h) **Notice of Incipient Illegality.** If an Incipient Illegality occurs, Party B will, promptly upon becoming aware of it, notify Party A, specifying the nature of that Incipient Illegality; provided that, the failure of Party B to provide such notice shall not constitute an Event of Default hereunder. Party B will also give such other information about that Incipient Illegality as Party A reasonably requests.

(i) ***Deferral of Payments and Deliveries in Connection with Illegality and Incipient Illegality.*** Section 2(a)(iii) is hereby amended to read in its entirety as follows:

Ladies and Gentlemen:

This opinion is furnished to you pursuant to the Agreement dated as of [DATE], (the "Agreement") between Party A and Party B. Terms defined in the Agreement and used but not defined herein have the meanings given to them in the Agreement.

We have acted as counsel to [X] in connection with the preparation, execution and delivery of the Agreement. In that connection [we] [I or my staff working under my supervision] have examined such documents as we have deemed necessary or appropriate for the opinions expressed herein.

The opinions set forth herein are limited to the laws of the State of New York and the federal laws of the United States.

Based on the foregoing and upon such investigations as we have deemed necessary, we are of the opinion that, subject, in the case of the opinions set forth in paragraph 4 below, to the qualifications set forth in the last paragraph of this opinion:

(1) [X] is duly organized, validly existing, [and in good standing] under the laws of its jurisdiction of incorporation and has the [corporate] power and authority to execute and deliver, and to perform its obligations under, the Agreement.

(2) The execution and delivery of the Agreement by [X][, and any other agreement which [X] has executed and delivered pursuant thereto,] and the performance of its obligations thereunder have been and remain duly authorized by all necessary action and do not contravene any provision of its certificate of incorporation or by-laws (or equivalent constitutional documents) or any law, regulation or contractual restriction binding on or affecting it or its property.

(3) All consents, authorizations and approvals required for the execution and delivery by [X] of the Agreement[, and any other agreement which [X] has executed and delivered pursuant thereto,] and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance.

(4) The Agreement[, and any other agreement which [X] has executed and delivered pursuant thereto,] has been duly executed and delivered by [X] and constitutes the legal, valid and binding obligation of [X], enforceable against [X] in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

The opinions set forth in paragraph 4 above are subject to the qualification that we express no opinion regarding the legality, validity, binding effect or enforceability of Section 6(e) of the Agreement insofar as it purports to obligate a party, on termination of the Agreement, to pay an amount in excess of that measured by the lowest quotation from a Reference Market Maker. In addition, in connection with any such early termination on the grounds of default, a court might limit the non-Defaulting Party's recovery to its actual damages in the circumstances, imposing its own settlement procedures in lieu of the provisions of Section 6(e) of the Agreement.

Very truly yours,
