

INSURANCE DEPARTMENT

MISSION

The Insurance Department, which was established January 1, 1860, is charged with regulating the insurance industry and with ensuring that the interests of insurance consumers, companies, and producers are balanced. Specific statutory responsibilities include approving the formation, consolidation or merger of insurance organizations, monitoring the financial stability of insurers, overseeing the testing and licensing of agents, adjusters, consultants and insurance intermediaries, and disciplining licensees who violate the Insurance Law or regulations.

ORGANIZATION AND STAFFING

The Insurance Department is headed by a Superintendent, who is appointed by the Governor. The Department maintains offices in Albany and New York City and local offices in Mineola, Rochester, Syracuse and Buffalo. The Department's activities are carried out through three programs: Administration, Regulation, and Consumer Services. The Department will have a workforce of 944 positions for 2000-01.

FISCAL BACKGROUND AND BUDGET HIGHLIGHTS

The Insurance Department is funded by assessments on domestic insurance carriers and by examination fees. These moneys fully support the operations of the Department as well as insurance-specific operations in other agencies.

The Executive Budget recommends \$101.1 million for the Insurance Department, which will fund the Department's current level of activity and provide \$12.4 million to the Department of State for costs associated with fire prevention efforts and enforcement of state building code regulations.

PROGRAM HIGHLIGHTS

The Department ensures that insurance companies meet statutory requirements regarding their financial condition and corporate conduct by monitoring the financial condition of companies and conducting periodic field examinations of insurers. It strives for the fair treatment of policy holders, claimants, and the public through the regulation of company claims and sales practices, and its timely responses to consumer complaints.

The Department promotes high standards of ethical conduct and technical knowledge through oversight of testing, pre-licensing and continuing education of insurers and agents. It maintains a registry of all licensees, collects fees and imposes fines related to the revocation of licenses and irregular activities.

Reflecting the dynamic and changing environment confronting the insurance industry, the Department has reformed and rescinded over half its regulations and eased the process by which companies are licensed and new insurance products approved. Finally, the Department continues to work closely with the Banking Department to assist Holocaust victims and their families to identify and recover assets from foreign financial institutions.
