

GOVERNOR'S OFFICE OF REGULATORY REFORM

MISSION

The Governor's Office of Regulatory Reform was created in 1995 and charged with the promotion of private sector job growth in New York through the review and reform of State regulations. The Office creates a positive climate for job growth by reviewing and streamlining regulations, expediting regulatory approval and improving attitudes of regulators toward affected parties. Since 1995, the Office has substantively reviewed and/or eliminated over 2,000 rules which, together with other regulatory, statutory and permitting reforms, has saved State businesses and localities over \$3 billion in operating and other expenses.

ORGANIZATION AND STAFFING

Led by a Director appointed by the Governor, the Office is located in Albany. Agency objectives are achieved through its Business Permits Assistance and Regulatory Review programs. The Office will have a workforce of 40 positions for 2002-03.

FISCAL BACKGROUND AND BUDGET HIGHLIGHTS

The Office's operations are supported by State tax dollars from the General Fund. The Executive Budget recommends \$3.7 million in support for the Office to maintain current efforts to streamline the State's regulatory process. Recommended funding also supports the continued development of the Online Permit and Licensing System (OPAL) that will allow businesses to apply for permits and licenses in one consolidated transaction and improve New York's business climate.

PROGRAM HIGHLIGHTS

REGULATORY REVIEW

The Office reviews the need for proposed new and revised regulations and their economic impact. Staff continue efforts begun in 1995 to review all existing State agency regulations to identify those hampering the growth of business and jobs in New York State. The Office requires regulating agencies to analyze the costs and benefits of any proposed new or amended rule and to consider its effect on job creation and retention, public health, safety and welfare. Recommendations are also made to agencies to help them simplify their regulatory processes. The Office has also played a key role in the innovative SEMI-NY, BUILDNOW-NY and RE-BUILDNOW-NY programs to facilitate economic development.

BUSINESS PERMITS ASSISTANCE

The Business Permits Assistance program provides comprehensive information about permits required to operate businesses in New York State, in addition to consulting with local governments to better coordinate local permit applications. Program staff also assist agencies in streamlining and simplifying permit procedures required for business and local government undertakings. Since 1995, this program has provided assistance to almost 300,000 individuals or firms interested in starting or growing a business in New York. This effort was facilitated by the development of a master application form for complex business ventures, a comprehensive permit reform program and development of a web site, www.nys-permits.org, which provides businesses with permit information.
