

DIVISION OF VETERANS' AFFAIRS

MISSION

The Division of Veterans' Affairs assists veterans, members of the armed forces and their families and dependents in securing benefits earned through military service. The Division coordinates veterans' programs and services offered by other State agencies, works closely with the Federal Department of Veterans' Affairs and advocates State and Federal actions to meet veterans' needs. The Division serves more than 1.2 million New Yorkers who are veterans, as well as their dependents and those on active duty.

ORGANIZATION AND STAFFING

The Division is headed by a Director who is appointed by the Governor. The Division's central office is in Albany, with regional offices in New York City and Buffalo. The Division staffs a network of approximately 70 community based access points in nearly all of the State's counties and New York City. The Division will have 113 employees in 2004-05.

FISCAL BACKGROUND AND BUDGET HIGHLIGHTS

The Executive Budget recommends \$13.3 million for the Division of Veterans' Affairs to fund administration and veterans' counseling services. The Office of General Services will continue to provide administrative support, permitting the Division to focus on its main mission, serving the State's veterans and their families. The Blind Veteran Annuity Assistance Program will be maintained at the \$5 million level. In addition, State aid is continued for local county and city veterans' service agencies and Federal appropriations for the Veterans' Education Program are maintained.

PROGRAM HIGHLIGHTS

The largest of the Division of Veterans' Affairs three principal programs, the Veterans' Counseling Program, provides counseling and claims services through a statewide network of State veterans' counselors. The counselors— who are all veterans — and support staff help veterans complete and file applications for benefits and services, and file for Federal, State, local and private veterans' benefits. They also help veterans access the services provided by Veterans' Affairs Medical Centers, senior centers, State Veterans' Homes, local nursing homes and public assistance offices.

The Division of Veterans' Affairs is responsible for securing a substantial portion of the more than \$1 billion annually in recurring Federal VA payments made directly to New York State veterans and their dependents. During the 2002-03 operating period, State veterans' counselors filed 8,000 benefit claims, averaging more than 150 claims per year per counselor. Claims filed by State veterans counselors produce approximately \$61 million in new and recurring Federal benefits annually. On average, each State veterans' counselor generates nearly \$1.4 million a year in new awards for veterans and their dependents. They also assist constituents in obtaining additional veterans benefits, including VA medical care, various other Federal, State and local economic assistance, tax exemptions and a variety of other benefits offered in recognition of military service. Additionally, with the enactment of the New York Patriot Plan in 2003, State veterans' counselors help to ensure that active duty military personnel and their families receive the supplemental benefits to which they are now entitled.

The Division intends to pursue a new partnership with the Federal Department of Veteran's Affairs Health Administration to obtain reimbursement for counseling and outreach services by State veteran's counselors at VA medical centers and clinics.

VETERANS' AFFAIRS

The Blind Veteran Annuity Program provides visually impaired veterans and eligible surviving spouses with monthly assistance totaling \$1,000 annually for each recipient. In 2004-2005, this program will assist more than 4,000 recipients.

The Veterans' Education Program certifies post-secondary educational and vocational programs as providing quality education and training to veterans eligible for G. I. benefits. During the 2002-03 operating period, more than 800 programs were approved for use by veterans receiving benefits.

The Division of Veterans' Affairs also continues to maintain its community outreach activities through senior citizens' seminars and similar forums for women veterans. It is also the driving force behind the Interagency Veterans' Council, a consortium of Federal, State and local agencies and non-profit organizations that meets periodically to address and resolve problems and concerns within the veteran community. The Division is also collaborating with various state agencies to better identify veterans and their dependents on public assistance, to assist them in securing Federal veterans' benefits to which they are entitled, and to advise senior citizens of veterans' benefits and services that could improve the quality of their lives.
