

2011-12 Executive Budget Amendments
February 22, 2011

**Amendments to Senate S2807; Assembly A4007
(PPGG Article VII Bill)**

Part N, relating to cash transfer authorizations is amended to:

- Authorize technical corrections to the miscellaneous special revenue youth facility per diem account, reflect updated transfer language for the division of housing and community renewal special revenue funds, and removal of unnecessary transfers to the General Fund.

Part P, relating to allowing the State University Downstate Medical Center to create a not-for-profit corporation is added to:

- Authorize SUNY Downstate Medical Center to enter into a long-term lease with a non-profit corporation for use of facilities to be acquired from Long Island College Hospital, including provisions for lease payments sufficient to fund the debt obligations assumed by this not-for-profit corporation.
