in accordance with Article VII of the Constitution

AN ACT to amend the public authorities law and the real property law, in relation to the on-bill recovery mechanism for the "green jobs-green New York" program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 4 of section 1896 of the public authorities  
2 law, as added by chapter 388 of the laws of 2011, is amended and a new  
3 subdivision 5 is added to read as follows:

4 4. [(a)] Qualified energy efficiency services [repaid through an  
5 on-bill recovery mechanism] that have been paid for in whole or in part  
6 with the proceeds of a loan under this title shall be considered a  
7 special energy project pursuant to section eighteen hundred fifty-one of  
8 this article. [The New York state energy research and development  
9 authority shall secure every loan issued for such services that are to  
10 be repaid through an on-bill recovery mechanism with a mortgage upon the  
11 real property that is improved by such services. Such mortgage shall be  
12 recorded pursuant to section two hundred ninety-one-d of the real prop-  
13 erty law.

14 (b) All terms and provisions of a green jobs-green New York mortgage  
15 pursuant to this subdivision shall be subject and subordinate to the  
16 lien of any mortgage or mortgages on such property. When a subsequent  
17 purchaser of the property is granted a mortgage, the green jobs-green  
18 New York mortgage shall be subordinate to the terms of that mortgage.

19 (c) The mortgagee shall not retain any right to enforce payment or  
20 foreclose upon the property.]

1     5. (a) For each loan issued for qualified energy efficiency services  
2 that is to be repaid through an on-bill recovery mechanism, the New York  
3 state energy research and development authority shall record, pursuant  
4 to article nine of the real property law, in the office of the appropri-  
5 ate recording officer, a declaration with respect to the property  
6 improved by such services of the existence of the loan and stating the  
7 total amount of the loan, the term of the loan, and that the loan is  
8 being repaid through a charge on an electric or gas meter associated  
9 with the property. The declaration shall further state that it is being  
10 filed pursuant to this section and, unless fully satisfied prior to sale  
11 or transfer of the property, the loan repayment utility meter charge  
12 shall survive changes in ownership, tenancy, or meter account responsi-  
13 bility and, until fully satisfied, shall constitute the obligation of  
14 the person responsible for the meter account. Such declaration shall not  
15 constitute a mortgage and shall not create any security interest or lien  
16 on the property. Upon satisfaction of the loan, the authority shall file  
17 a declaration of repayment pursuant to article nine of the real property  
18 law.

19     (b) The recording officer shall record such declarations in the same  
20 book, provided under section three hundred fifteen of the real property
