- 21       128. Promulgation of rules and regulations.
- 22       129. Construction of other laws of provisions.
- 23       § 100. Legislative intent. The legislature finds and determines that  
24 the gaming industries constitute a vital sector of New York state's  
25 overall economy. The legislature also finds and determines that respon-  
26 sive, effective, innovative, state gaming regulation is necessary to  
27 operate in a global, evolving and increasingly competitive market place.  
28 The legislature additionally finds and determines that this legislation

1 is necessary to modernize and transform the present state gaming agen-  
2 cies into a new integrated state gaming commission.

3 The continued growth of the gaming industry will contribute to econom-  
4 ic development and job creation in this state. Therefore, it is essen-  
5 tial to maintain the public confidence and trust in the credibility and  
6 integrity of legalized gaming activities. To ensure such public confi-  
7 dence and trust, this article provides that the regulation of such  
8 gaming is to be conducted in the most efficient, transparent and effec-  
9 tive manner possible. By consolidating various regulatory functions into  
10 a single oversight body with broad powers, this article ensures strict  
11 state regulation of all corporations, associations and persons engaged  
12 in gaming activity. Further, by consolidating regulatory functions into  
13 a single oversight body, this article will increase efficiency, reduce  
14 costs and eliminate any unnecessary redundancies in regulation. The  
15 improved regulatory structure established by this article will insure,  
16 so far as practicable, the exclusion of unsuitable persons or entities  
17 from participating in any legalized gaming activity within this state.  
18 The goal of this article is that all gaming activity conducted in this  
19 state will be of the highest integrity, credibility and quality and that  
20 the best interests of the public, both gaming and non-gaming, will be  
21 served. Finally, it is determined by the legislature that the public  
22 interest is best served by those persons or entities engaged in gaming  
23 activity paying the cost of regulating such activity through reasonable  
24 regulatory fees.

12 commission may operate a facility for additional one hundred eighty day

13 employee of the commission shall swear or affirm that he or she  
14 possesses no interest in any corporation or association holding a fran-  
15 chise, license, registration, certificate or permit issued by the  
16 commission. During the term of appointment or employment, every member,

28 commencing at the termination of employment with the commission.

1 2. No member, officer, official or employee of the commission shall  
2 participate as an owner of a horse or otherwise as a contestant in any  
3 horse race at a race meeting which is under the jurisdiction or super-  
4 vision of the commission, or have any pecuniary interest, direct or  
5 indirect, in the purse, prize, premium or stake contested for at any  
6 such horse race or in the operations of any licensee of the commission  
7 or state racing franchisee. Participation as an owner of a horse or

9 other official or employee of the commission in violation of this prohi-  
10 bition shall terminate the term of his or her office as a member, or his

21 period of a day on which such person is employed in such capacity.

22 6. No public officer or party officer shall hold any license from the

27 regional off-track betting corporation employed in a management, confi-  
28 dential or supervisory capacity, provided, however, that such director

1 or employee shall be required to apply for and obtain a license from the  
2 commission for purposes of their position with off-track betting; or

3 (b) an employee of the state legislature; provided, however, that an  
4 employee of the state legislature whose duties in such position do not  
5 relate to gaming activities shall not be subject to the prohibitions of  
6 this section if he or she held a license from the former state racing  
7 and wagering board while employed by the state legislature prior to July  
8 first, nineteen hundred eighty; or

9 (c) an employee of any local legislative body whose duties relate to  
10 gaming activities; or

11 (d) an employee of any state or local board, agency, authority or  
12 other state or local governmental body, the duties of which relate to  
13 gaming activities or the taxation thereof.

14 8. No public officer, public employee or party officer shall:

15 (a) own or hold, directly or indirectly, any proprietary interest,  
16 stock or obligation of any firm, association or corporation (i) which is  
17 licensed by the commission to conduct gaming or horse racing activities  
18 or gaming service enterprise, or (ii) which conducts its occupation,  
19 trade, or business at a racetrack at which pari-mutuel race meets are  
20 conducted or facility where gaming activity is conducted whether or not  
21 a license is required, or (iii) which owns or leases to any enfranchised  
22 or licensed association or corporation a racetrack at which pari-mutuel  
23 racing is conducted or facility where gaming activity is conducted, or  
24 (iv) which participates in the management of any franchise holder or  
25 licensee conducting gaming or horse racing activities or gaming service  
26 enterprise; or

1 (b) hold any office or employment with any firm, association or corpo-  
2 ration specified in paragraph (a) of this subdivision, except as  
3 provided in subdivision nine of this section; or

4 (c) sell, or be a member of a firm, or own ten per centum or more of  
5 the stock of any corporation, which sells any goods or services to any  
6 firm, association or corporation specified in paragraph (a) of this  
7 subdivision.

8 9. The provisions of paragraph (b) of subdivision eight of this  
9 section shall not apply to a public employee other than an employee of  
10 the commission, a police officer or a peace officer employed by a sher-

15 or regional off-track betting corporation; provided, however, that  
16 employment of employees of a political subdivision may be prohibited by  
17 ordinance, resolution or local law adopted by the local legislative body  
18 or other governing board of such political subdivision.

19 10. The commission shall have the power to refuse to grant or to  
20 revoke or suspend a license of any person, association or corporation  
21 that aids or knowingly permits or conspires to permit any public offi-  
22 cer, public employee or party officer to acquire or retain any interest  
23 prohibited by this section and shall have the power to exclude from the  
24 grounds of any racing association any such person, association or corpo-  
25 ration.

26 11. Notwithstanding any other provision of law, and in addition to any  
27 other cause of removal provided by law, an intentional violation of this  
28 section shall be cause for removal from public office, public employment

1 or party office. In any such case, such public officer, public employee  
2 or party officer violating this section shall be removed from office by  
3 the appropriate authority having the power of removal or at the suit of  
4 the attorney general. Further, such public officer, public employee or  
5 party officer shall be liable for a civil penalty of not more than ten  
6 thousand dollars.

7 § 108. Certain restrictions on wagering. 1. No corporation, associ-  
8 ation or person which holds a license, registration, franchise, certif-  
9 icate or permit issued by the commission shall directly extend credit  
10 for any wager under this chapter.

11 2. No corporation, association or person that holds a license, regis-  
12 tration, franchise, certificate or permit issued by the commission shall  
13 permit any person who is actually or apparently under eighteen years of  
14 age to bet on gaming activity, as defined in subdivision five of section  
15 one hundred one of this article.

16 § 109. Supplementary regulatory powers of the commission. Notwith-  
17 standing any inconsistent provision of law, the commission through its  
18 rules and regulations or in allotting dates for racing, simulcasting or  
19 in licensing race meetings at which pari-mutuel betting is permitted  
20 shall be authorized to:

21 (a) permit racing at which pari-mutuel betting is conducted on any or  
22 all dates from the first day of January through the thirty-first day of  
23 December, inclusive of Sundays; and

24 (b) fix minimum and maximum charges for admission at any race meeting.

25 § 110. Statement of stockholders to be filed. Every corporation or  
26 association authorized under this chapter to conduct pari-mutuel betting  
27 at a race meeting or races run thereat shall file with the commission a  
28 statement giving the names and addresses of all its stockholders and

1 shall likewise file revised statements giving such names and addresses  
2 from time to time as changes occur.

3 § 111. Compulsive gambling assistance. 1. The commission shall cooper-  
4 ate with the commissioner of mental health to ensure the posting of  
5 signs and listing of information on the internet designed to assist  
6 compulsive gamblers pursuant to the provisions of subdivision (g) of  
7 section 7.09 of the mental hygiene law.

8 2. (a) The commission shall promulgate rules and regulations pursuant  
9 to which people may voluntarily exclude themselves from entering the  
10 premises of an association or corporation licensed or enfranchised by  
11 the commission pursuant to this chapter.

12 (b) An association or corporation licensed or enfranchised pursuant to  
13 this chapter shall not be liable to any self-excluded person or to any  
14 other party in any judicial proceeding for any harm, monetary or other-  
15 wise, which may arise as a result of a self-excluded person's engaging  
16 in gaming activity while on the list of self-excluded persons.

17 (c) No voluntary order or request to exclude persons from entering the  
18 premises of any such association, corporation, or facility may be  
19 rescinded, canceled, or declared null and void until seven days after a  
20 request has been received by such association, corporation, or facility  
21 to cancel such order or request.

22 3. The commission shall promulgate rules and regulations under which a  
23 person with an account authorized pursuant to section one thousand  
24 twelve of this chapter may voluntarily place limits on the amounts of  
25 his or her wagers or potential wagers on a daily or weekly basis. No  
26 order from a person to remove any limit placed on account wagers shall  
27 be effective until seven days after it has been received by the entity  
28 conducting account wagering.

1    § 112. Pari-mutuel operations; filing of tax forms and other statis-  
2 tics. The commission and the commissioner of taxation and finance shall  
3 approve all systems used for data processing and communications in the  
4 operation of pari-mutuel betting and, in its discretion, the commission  
5 may establish, by regulation, uniform protocols to be employed for the  
6 merging of wagers deposited with one pari-mutuel operator with the  
7 wagers deposited with another pari-mutuel operator.

8    § 113. Filing of pari-mutuel tax returns or reports by electronic  
9 means. Every corporation or association authorized by this chapter to  
10 conduct pari-mutuel betting on horse races shall file in a timely manner  
11 pari-mutuel tax returns or other reports relating to such activity in  
12 such form and by such means, including electronic means, as may be  
13 prescribed by the commission or the commissioner of taxation and  
14 finance, as the case may be in accordance with the provisions of this  
15 chapter.

16    § 114. Practice and procedure. The provisions of article twenty-seven  
17 of the tax law, except sections one thousand eighty-five and one thou-  
18 sand ninety-seven, shall apply to the provisions of this chapter in the  
19 same manner and with the same force and effect as if the language of  
20 such article had been incorporated in full into this chapter and had  
21 expressly referred to the admission taxes, pari-mutuel revenue taxes,  
22 the franchise fee on a non-profit racing association and unpaid money  
23 due on account of pari-mutuel tickets not presented, administered by the  
24 commissioner of taxation and finance, under this chapter, with such  
25 modifications as may be necessary in order to adapt the language of such  
26 provisions to such taxes, fee and unpaid money due, except to the extent  
27 that any provision of such article is either inconsistent with a  
28 provision of this chapter or is not relevant to this chapter.

1    § 115. Regulatory fees. In addition to any other regulatory fees  
2 imposed by this chapter, all persons and entities required to obtain a  
3 license, permit or approval or subject to regulation by the commission  
4 shall submit to the commission fees in amounts and under such terms and  
5 conditions as are determined by the commission to be necessary to equit-  
6 ably defray the costs of regulating gaming activity within the state;  
7 provided, however, that nothing herein shall authorize the commission to  
8 collect any assessment relating to an Indian gaming facility that is  
9 operated pursuant to a tribal-state gaming compact that is in effect,  
10 except as provided in such tribal-state gaming compact pursuant to 25  
11 U.S.C. 2701(d) (3) (C) (iii).

12    § 116. Penalties. Notwithstanding any inconsistent provision of law,  
13 any person or entity that violates any provision of this chapter, or any  
14 rule, regulation or order promulgated thereto, or the terms and condi-  
15 tions of any license, permit or approval issued thereunder, shall be  
16 liable to a civil penalty of not more than fifty thousand dollars for  
17 each violation, and an additional civil penalty of not more than fifty  
18 thousand dollars for each day during which such violation continues. Any  
19 civil penalty may be assessed by the commission following a hearing or  
20 opportunity to be heard.

21    § 117. Transfer of functions. All of the functions and powers  
22 possessed by and the obligations and duties of the former racing and  
23 wagering board and its predecessors and the division of the lottery and  
24 its predecessors are hereby transferred to the commission.

25    § 118. Transfer of employees. 1. Upon the transfer of functions,  
26 powers, duties and obligations to the commission pursuant to this arti-  
27 cle, provision should be made for the transfer to the commission of such  
28 employees of the former division of the lottery and former racing and

1 wagering board who are engaged in carrying out such functions as the  
2 chair of the commission may deem necessary for the exercise of the func-  
3 tions herein transferred to the commission. Employees so transferred  
4 shall be transferred without further examination or qualification and  
5 shall retain their respective civil service classifications and status.  
6 For the purpose of determining the employees holding permanent appoint-  
7 ments in competitive class positions to be transferred, such employees  
8 shall be selected within each class of positions in the order of their  
9 original appointment, with due regard to the right of preference in  
10 retention of disabled and non-disabled veterans. Any such employee who,  
11 at the time of such transfer, has a temporary or provisional appointment  
12 shall be transferred subject to the same right of removal, examination  
13 or termination as though such transfer had not been made. Employees  
14 holding permanent appointments in competitive class positions who are  
15 not transferred pursuant to this section shall have their names entered  
16 upon an appropriate preferred list for reinstatement pursuant to the  
17 civil service law.

18 2. A transferred employee shall remain in the same collective bargain-  
19 ing unit as was the case prior to his or her transfer; successor employ-  
20 ees to the positions held by such transferred employees shall, consist-  
21 ent with the provisions of article fourteen of the civil service law, be  
22 included in the same unit as their predecessors. Employees other than  
23 management or confidential persons as defined in article fourteen of the  
24 civil service law serving positions in newly created titles shall be  
25 assigned to the appropriate bargaining unit. Nothing contained herein  
26 shall be construed to affect:

27 (a) the rights of employees pursuant to a collective bargaining agree-  
28 ment;

1 (b) the representational relationships among employee organizations or  
2 the bargaining relationships between the state and an employee organiza-  
3 tion; or

4 (c) existing law with respect to an application to the public employ-  
5 ment relations board, provided, however, that the merger of such negoti-  
6 ating units of employees shall be effected only with the consent of the  
7 recognized and certified representative of such units and of the depart-  
8 ment of law.

9 § 119. Transfer of records. All books, papers, records and property of  
10 the former division of the lottery and former racing and wagering board  
11 with respect to the functions, powers, duties and obligations trans-  
12 ferred by this article are to be delivered to the appropriate successor  
13 offices within the commission, at such place and time, and in such  
14 manner as the chair of the commission may require.

15 § 120. Continuity of authority. For the purpose of succession to all  
16 functions, powers, duties and obligations of the former division of the  
17 lottery and former racing and wagering board transferred to and assumed  
18 by the commission, such commission shall be deemed to and held to  
19 constitute the continuation of such functions, powers, duties and obli-  
20 gations, and not a different agency or authority.

21 § 121. Completion of unfinished business. Any business or other matter  
22 undertaken or commenced by the former division of the lottery and the  
23 former racing and wagering board pertaining to or connected with the  
24 functions, powers, duties and obligations transferred and assigned to  
25 the state gaming commission and pending on the effective date of this  
26 article shall be conducted and completed by the appropriate successor  
27 offices within the commission in the same manner and under the same  
28 terms and conditions and with the same effect as if conducted and

1 completed by the former division of the lottery and former racing and  
2 wagering board.

3 § 122. Continuation of rules and regulations. All rules, regulations,  
4 acts, orders, determinations, and decisions of the former division of  
5 the lottery and former racing and wagering board in force at the time of  
6 such transfer and assumption, shall continue in force and effect as  
7 rules, regulations, acts, orders, determinations and decisions of the  
8 commission until duly modified or abrogated by such commission.

9 § 123. Terms occurring in laws, contracts and other documents. Unless  
10 the context shall otherwise require, whenever the "racing and wagering  
11 board" or "board", "state racing commission", "state harness racing  
12 commission", "state quarter horse racing commission", or "division of  
13 the lottery" are referred to or designated in any law, contract or docu-  
14 ment pertaining to the functions, powers, obligations and duties trans-  
15 ferred and assigned to the commission, such reference or designation  
16 shall be deemed to refer to the "state gaming commission".

17 § 124. Existing rights and remedies preserved. No existing right or  
18 remedy of any character shall be lost, impaired or affected by reason of  
19 the transfer or assignment of functions, powers, obligations and duties  
20 from the former division of the lottery and former racing and wagering  
21 board to the commission.

22 § 125. Pending actions or proceedings. No action or proceeding pending  
23 at the time that this article shall take effect relating to the func-  
24 tions, powers and duties of the former division of the lottery and  
25 former racing and wagering board transferred pursuant to this article,  
26 brought by or against the former division of the lottery or former  
27 racing and wagering board, or the officers thereof, shall be affected by  
28 the transfer or assignment of functions, powers, obligations and duties

1 from the former division of the lottery and former racing and wagering  
2 board to the commission, but the same may be prosecuted or defended in  
3 the name of the commission. In all such actions and proceedings, the  
4 commission, upon application to the court, shall be substituted as a  
5 party.

6 § 126. Transfer of appropriations heretofore made. Subject to the  
7 approval of the director of the budget, any and all appropriations and  
8 reappropriations heretofore made to the former division of the lottery,  
9 state police, and former racing and wagering board for the functions and  
10 purposes transferred by this article to the commission to the extent of  
11 remaining unexpended or unencumbered balances thereof, whether allocated  
12 or unallocated and whether obligated or unobligated, are hereby trans-  
13 ferred to and made available for use and expenditure by the commission  
14 for the same purposes for which originally appropriated or reappropri-  
15 ated and shall be payable on vouchers certified or approved by the chair  
16 of the commission or his or her designee on audit and warrant of the  
17 comptroller. Payments for liabilities for expenses of personal services,  
18 maintenance and operation heretofore incurred by and for liabilities  
19 incurred and to be incurred in completing the affairs of the former  
20 division of the lottery and former racing and wagering board with  
21 respect to the powers, duties and functions transferred herein, shall  
22 also be made on vouchers or certificates approved by the chair of the  
23 commission or his or her designee on audit and warrant of the comp-  
24 troller.

25 § 127. Transfer of assets and liabilities. All assets and liabilities  
26 of the former division of the lottery and former racing and wagering  
27 board are hereby transferred to and assumed by the commission.

1 § 128. Promulgation of rules and regulations. Notwithstanding any  
2 inconsistent provision of the state administrative procedure act, the  
3 commission shall be authorized to promulgate regulations on an emergency  
4 basis to ensure the implementation of this article.

5 § 129. Construction of other laws or provisions. Unless the context  
6 shall require otherwise, the terms "division of the lottery", "state  
7 quarter horse racing commission", "state racing commission", "state  
8 harness racing commission", "state racing and wagering board" or "board"  
9 wherever occurring in any of the provisions of this chapter or of any  
10 other law, or, in any official books, records, instruments, rules or  
11 papers, shall hereafter mean and refer to the state gaming commission  
12 created by section one hundred two of this article. The provisions of  
13 article three of this chapter shall be inapplicable to article two of  
14 this chapter; and the provisions of such article two shall be inapplica-  
15 ble to such article three, except that section two hundred thirty-one of  
16 such article two shall apply to such article three.

22 the memorandum provided for in section ten of this act may be prepared

1 Section 1. The legislature finds and determines that Belleayre Moun-  
2 tain ski center, an intensive use area of the forest preserve lands in  
3 the Catskills, has required financial support from the department of  
4 environmental conservation in each of the past five years to cover oper-  
5 ating losses and capital investment. Community leaders have raised a  
6 concern that, in light of the department's broad responsibilities for  
7 managing state-owned land and regulating air, water and solid waste  
8 facilities, the department may not be the best long-term manager of the  
9 Belleayre Mountain ski center. The olympic regional development author-  
10 ity, established in 1981 to create and administer a post-olympic program  
11 for the Lake Placid facilities and to manage the ski center at Whiteface  
12 Mountain, expanded its responsibility in 1984 to include the operation  
13 and management of the Gore Mountain ski center, an intensive use area of  
14 the forest preserve lands in the Adirondacks. Through its operation of  
15 these ski centers, the authority has proven that it has expertise to
