"Provided, however, a school district in a city with a population of one million or more shall be deemed for purposes of this appropriation to have submitted approved documentation as called for herein, if the commissioner of education has rendered a final and binding decision, in accordance with the procedures set forth in this appropriation, resolving the dispute between such city school district and appropriate collective bargaining representatives regarding the standards and procedures necessary to implement an annual professional performance review plan for the 2013-14 and/or 2014-15 school year in accordance with the language of this appropriation; provided, that if such school district does not have such an annual professional performance review plan in place that has been approved by the commissioner of education on or before the Wednesday following the first Friday in May of the base year as defined in paragraph b of subdivision 1 of section 3602 of the education law, such school district and the appropriate collective bargaining representatives shall submit written explanations of their respective positions regarding such issues to the commissioner of education by such date; and provided, further, that if such school district does not have such an annual professional performance review plan in place that has been approved by the commissioner of education on or before the Wednesday preceding the last Friday in May of the base year, the commissioner of education shall resolve such dispute through arbitration, wherein he or she shall hold no more than two days of hearings in which the parties may be heard and present statements of fact, supporting witnesses and other evidence and arguments, and he or she may require during such hearings the production of additional evidence from the parties and shall provide, at the request of either party, that a full and complete record be kept of any such hearings, the cost of such record to be shared equally by the parties; and provided further that, notwithstanding any other provision of law, rule or regulation to the contrary, after such hearings, the commissioner of education, as arbitrator of such dispute, shall render a final and binding written determination on or before June first of the base year, prescribing standards and procedures necessary to implement an annual professional performance review plan pursuant to section 3012-c of the education law effective for the following school year for a term he or she shall set and specifying the basis for his or her findings, taking into consideration all relevant factors, including the best interest of students; and provided further that such final determination shall be limited to the requirements of section 3012-c of the education law, and shall only be reviewable in a proceeding commenced within

ten days pursuant to section 7511 of the civil practice law and rules; and provided further that the filing or the pendency of any such appeal shall not delay the implementation of the commissioner's determination."
