

STATE OPERATIONS BUDGET BILL
(Senate 2600-A and Assembly 3000-A)

OFFICE OF EMPLOYEE RELATIONS

Contract Negotiation and Administration Program

The amendment changes language in a state operations appropriation that provides for State employees impacted by facility closures and restructurings to be offered a comparable State job within 100 miles of their current work location, otherwise they would receive job placement training. The amendment reduces the 100 miles radius to 25 miles.

GENERAL STATE CHARGES

General State Charges

The amendments increase scheduled payments under section 19-a of the Public Lands Law to the City of Albany by \$7.85 million in 2013-14 and decreases scheduled payments by a commensurate amount in 2031-32.
