Section three of this act sets forth the general effective date of this act.

#### PART A

Section 1. 1. As used in this section:

a. "APPR past non-compliance penalty" shall mean the sum of the annual increases in apportionments withheld pursuant to section 1 of part A of chapter 57 of the laws of 2012 and subdivision 2 of this section for the base year and each prior school year;

b. "base year" shall mean the base year as defined in paragraph b of subdivision 1 of section 3602 of the education law; and

c. "current year" shall mean the current year as defined in paragraph a of subdivision 1 of section 3602 of the education law.

2. Notwithstanding any inconsistent provision of law, no school district shall be eligible for an apportionment of general support for public schools from the funds appropriated for the 2013-14 school year and thereafter in excess of the amount apportioned to such school district in the base year unless such school district has submitted

3. For the 2013-14 school year and thereafter the apportionment of general support for public schools from the funds appropriated for the 2013-14 school year and thereafter shall be reduced by the APPR past non-compliance penalty. Such reduction shall not occur prior to April 1 of the current year.

4. If any payments of ineligible amounts pursuant to subdivisions 2 and 3 of this section were made, and the school district has not submitted documentation that has been approved by the commissioner of education by September 1 of the current school year demonstrating that it has fully implemented the standards and procedures for conducting annual professional performance reviews of classroom teachers and building principals in accordance with the requirements of section 3012-c of the education law and the regulations of the commissioner of education, the total amount of such payments shall be deducted by the commissioner of education from future payments to the school district; provided further that, if the amount of the deduction is greater than the sum of the amounts available for such deductions in the applicable school year, the remainder of the deduction shall be withheld from payments scheduled to be made to the school district pursuant to section 3609-a of the education law for the subsequent school year.

§ 2. Paragraph e of subdivision 1 of section 211-d of the education law, as amended by section 2 of part A of chapter 57 of the laws of 2012, is amended to read as follows:

e. Notwithstanding paragraphs a and b of this subdivision, a school district that submitted a contract for excellence for the two thousand eight--two thousand nine school year shall submit a contract for excellence for the two thousand nine--two thousand ten school year in conformity with the requirements of subparagraph (vi) of paragraph a of subdivision two of this section unless all schools in the district are identified as in good standing and provided further that, a school district that submitted a contract for excellence for the two thousand nine--two thousand ten school year, unless all schools in the district are identified as in good standing, shall submit a contract for excellence for the two thousand eleven--two thousand twelve school year which shall, notwithstanding the requirements of subparagraph (vi) of paragraph a of subdivision two of this section, provide for the expenditure of an amount which shall be not less than the product of the amount approved by the commissioner in the contract for excellence for the two thousand nine--two thousand ten school year, multiplied by the district's gap elimination adjustment percentage and provided further that, a school district that submitted a contract for excellence for the two thousand eleven--two thousand twelve school year, unless all schools in the district are identified as in good standing, shall submit a contract for excellence for the two thousand twelve--two thousand thirteen school year which shall, notwithstanding the requirements of subparagraph (vi) of paragraph a of subdivision two of this section, provide for the expenditure of an amount which shall be not less than the amount approved by the commissioner in the contract for excellence

percentage" shall be calculated as the sum of one minus the quotient of  
the sum of the school district's net gap elimination adjustment for two  
thousand ten--two thousand eleven computed pursuant to chapter

the support of government, plus the school district's gap elimination

including support for general support for public schools, divided by the  
total aid for adjustment computed pursuant to chapter fifty-three of the  
laws of two thousand eleven, making appropriations for the local  
assistance budget, including support for general support for public

[The commissioner shall certify no payment to a school district based on a claim submitted later than three years after the close of the school year in which such payment was first to be made. For claims for which payment is first to be made in the nineteen hundred ninety-six--ninety-seven school year, the commissioner shall certify no payment to a school district based on a claim submitted later than two years after the close of such school year.] For claims for which payment is first to be made [in the nineteen hundred ninety-seven--ninety-eight] prior to the two thousand fourteen--two thousand fifteen school year

(1) Such plan shall include, but not be limited to:

(i) The process by which a request for proposals will be developed;

(ii) The scoring rubric by which such proposals will be evaluated, provided that such grants shall be awarded based on factors including, but not limited to: measures of school district need; measures of the need of students to be served by each of the school districts; the school district's proposal to target the highest need schools and students; the sustainability of the proposed community schools program; and proposal quality;

(iii) The form and manner by which applications will be submitted;

(iv) The manner by which calculation of the amount of the award will be determined;

(2) In assessing proposal quality, the council shall take into account factors including, but not limited to:

(i) The extent to which the school district's proposal would provide such community services through partnerships with local governments and non-profit organizations;

(ii) The extent to which the proposal would provide for delivery of such services directly in school buildings;

(iii) The extent to which the proposal articulates how such services would facilitate measurable improvement in student and family outcomes; and

(iv) The extent to which the proposal articulates and identifies how existing funding streams and programs would be used to provide such community services.

b. A response to a request for proposals issued pursuant to this subdivision may be submitted by a single school district or jointly by a consortium of two or more school districts.

c. The amount of the grant award shall be determined by the state council on children and families, consistent with the plan developed pursuant to paragraph a of this subdivision, except that no single district may be awarded more than forty percent of the total amount of grant awards made pursuant to this subdivision; and provided further that the maximum award to any individual community school site shall be five hundred thousand dollars; and provided further that the amount awarded will be paid out in set percentages over time upon achievement of the performance benchmarks described in the plan set forth pursuant to paragraph a of this subdivision; and provided further that none of the grants awarded pursuant to this subdivision may be used to supplant existing funding.

(iv) The timeline for the issuance and review of applications; and

(v) A requirement that school districts awarded grants under this subdivision submit to an annual evaluation of performance and impact as required by the commissioner.

(i) the extent to which the school district's proposal would maximize the use of the additional learning time through a comprehensive restructuring of the school day and/or year; and

(ii) how the additional learning time would be utilized, including but not limited to additional time spent on core academics.

b. A school district's school-wide extended learning implementation grant award shall equal its average daily attendance in the school-wide extended learning program multiplied by the expected cost per pupil of the additional learning time. In making such determination, the commissioner shall consider any comments received by

the local school district, approved private school or board of cooperative educational services from parents or persons in parental relation to the students that would be directly affected by the waiver if granted.

The municipalities that enter into contracts with the corporation shall undertake the establishment of the homeless housing project or shall contract with a not-for-profit corporation or charitable organization to undertake the project, pursuant to this article.

2. Subject to the approval of the director of the budget, the corporation is authorized to enter into contracts with not-for-profit corporations or subsidiaries thereof, public corporations or charitable organizations or subsidiaries thereof to provide state financial assistance for the project costs attributable to the establishment of homeless projects.

3. The state financial assistance shall be in the form of grants, loans or loan guarantees, as the corporation may determine; provided, however, that financial assistance to a for-profit subsidiary of a not-for-profit corporation or of a charitable organization must be in

the form of a loan or loan guarantee. Any loan to a for-profit subsidiary shall be repaid under such terms as will protect the financial viability of the project. Subject to the approval of the director of the budget, the corporation may contract with other state agencies, public benefit corporations or private institutions to administer a loan or loan guarantee program pursuant to regulations to be promulgated by the corporation.

4. The corporation shall require that, in order to receive funds pursuant to this article, the municipality, not-for-profit corporation or subsidiary thereof, public corporation or charitable organization or subsidiary thereof must submit an operating plan. Such plan shall include:

with general project development and operation, support services development, architecture and engineering, legal services and financial services and may be provided by individuals and not-for-profit or business corporations. The providers of technical assistance shall be chosen by the corporation based on such information as the corporation shall require in a request for proposals or in any other competitive process which satisfies the provisions of the state finance law.

6. Prior to entering into a contract for the establishment and operation of a homeless project pursuant to this section, the corporation shall determine that the not-for-profit corporation or subsidiary thereof, public corporation or charitable organization or subsidiary thereof that proposes to undertake the homeless project is a bona fide organization which shall have demonstrated by its past and current activities that it has the ability to maintain, manage or operate homeless projects, that the organization is financially responsible, that the proposed project is financially viable and that the project plan has been determined to be appropriate for the needs of the homeless in the relevant community.

7. Every contract entered into for the establishment and operation of a homeless project pursuant to this article shall contain a provision that in the event the property which is the subject of such contract ceases to be used as a homeless project during a fifteen-year period commencing with the date of the corporation's written approval of occupancy of the homeless project, or such longer period of time as may be established in the contract, or in case of any other substantial violation, the corporation may terminate the contract and may require the repayment of any moneys previously advanced to the municipality, not-for-profit corporation or subsidiary thereof, public corporation or

charitable organization or subsidiary thereof pursuant to the terms of such contract. Where the municipality has entered into a contract with a not-for-profit corporation or subsidiary thereof, public corporation or charitable organization or subsidiary thereof, the corporation may, pursuant to this subdivision, require that the municipality terminate the contract with such corporation. Any money repaid pursuant to this subdivision shall be returned to the homeless housing and assistance account.

8. Each contract entered into for the establishment and operation of a homeless project pursuant to this article shall be subject to the approval of the director of the budget and shall provide for payment to the municipality, not-for-profit corporation or subsidiary thereof, public corporation or charitable organization or subsidiary thereof for the project costs related to the homeless project to be established by it, pursuant to a payment schedule. The full amount of the contract, or any appropriate portion thereof, as determined by the corporation and subject to the approval of the director of the budget, shall be available for payment at any time on or after the effective date of the contract.

9. Notwithstanding any other provision of this article, the corporation may, subject to the approval of the director of the budget, enter into contracts to provide financial assistance for other than project costs where such financial assistance can be demonstrated to be necessary; provided, however, that no more than twenty-five per centum of the total amount appropriated for the purposes of this article in any fiscal year shall be allocated in contracts for other than project costs. In determining whether financial assistance for other than project costs is necessary, the corporation shall consider the proposed

project's plan for meeting operating expenses, the efforts made by the contracting organizations to secure alternative sources of funding for other than project costs, and such other factors as the corporation shall deem appropriate.

10. The municipality, not-for-profit corporation or subsidiary thereof, public corporation or charitable organization or subsidiary thereof seeking financial assistance pursuant to this article shall, within thirty days of its application for such assistance, notify the local planning board, as defined by section twenty-seven of the general city law, section two hundred seventy-one of the town law, or section 7-718 of the village law, appropriate for the geographic area in which the proposed homeless project would be located, and shall provide such board with information regarding the proposed homeless project.

§ 1226. General and administrative provisions. 1. The corporation shall issue and promulgate rules and regulations for the administration of this article. The rules and regulations shall provide that state financial assistance pursuant to this article will not be available unless an application has been filed by the municipality, not-for-profit corporation or subsidiary thereof, public corporation or charitable organization or subsidiary thereof pursuant to a request for proposals issued by the corporation. The rules and regulations shall include provisions concerning eligibility of municipalities and contracting not-for-profit corporations or subsidiaries thereof, public corporations and charitable organizations or subsidiaries thereof for state financial assistance; the form of the applications for contracts; funding criteria and the funding determination process; the form of the contracts; supervision and evaluation of the contracting municipalities or corporations; reporting, budgeting and record-keeping requirements;

provisions for modification, termination, extension and renewal of contracts; and such other matters not inconsistent with the purposes and provisions of this article as the corporation shall deem necessary, proper or appropriate.

2. The corporation may provide that preference be given to contract applications that (a) involve other sources of funds (municipal, federal or any source other than the state), in-kind contributions made by such sources, or involve projects receiving state financial assistance pursuant to chapters three hundred thirty-eight, three hundred thirty-nine and five hundred forty-nine of the laws of nineteen hundred eighty-two, in order to maximize the effect of state financial assistance or (b) involve innovative and cost-effective homeless projects that may help resolve the long-term problems of the homeless or (c) involve the rehabilitation of existing structures.

3. The corporation shall evaluate the need for homeless projects in various areas of the state and among various populations, including, but not limited to, homeless men, women, families, persons with AIDS, persons with substance abuse issues and/or mental illness, victims of domestic violence, veterans, runaway youth, as identified in local assessments of needs, and shall allocate funds, to the extent practicable, to meet these needs; provided, however, that no more than sixty per centum of the total amount appropriated pursuant to this article in any fiscal year shall be allocated to contracts for homeless projects within any single municipality, unless the corporation determines that it is in the best interest of the state in furtherance of the purposes of this article.

[(B)] (2) beginning on the effective date of such a social services district's plan to implement programs for youth placed in limited secure settings, if the office of children and family services concludes, based on the needs and best interests of the respondent and the need for protection for the community, that a non-secure or limited secure level

of care is appropriate for the respondent, such office shall file a petition pursuant to paragraph (b) or (c) of subdivision two of section 355.1 of this part to have the respondent placed with the applicable local commissioner of social services[.]; or

(B) if the respondent has been placed from a family court in a social services district not operating an approved juvenile justice services close to home initiative pursuant to section four hundred four of the social services law, if the office of children and family services concludes, based on the needs and best interests of the respondent and the need for protection for the community, that a non-secure level of care is appropriate for the respondent, such office shall file a petition pursuant to paragraph (f) of subdivision two of section 355.1 of this part to have the respondent placed with the applicable local commissioner of social services.

(C) If the respondent is placed with a local commissioner of social services in accordance with clause (A) or (B) of this subparagraph, the remainder of the provisions of this section shall continue to apply to the respondent's placement.

(iv) the respondent may not be released from a secure facility or transferred to a facility other than a secure facility during the period provided by the court pursuant to subparagraph (ii) of this paragraph, nor may the respondent be released from a residential facility during the period provided by the court pursuant to subparagraph (iii) of this paragraph. No home visits shall be permitted during the period of secure confinement set by the court order or one year, whichever is less, except for emergency visits for medical treatment or severe illness or death in the family. All home visits must be accompanied home visits:

(A) while a youth is confined in a secure facility, whether such

confinement is pursuant to a court order or otherwise; (B) while a youth is confined in a residential facility other than a secure facility within six months after confinement in a secure facility; and (C) while a youth is confined in a residential facility other than a secure facility in excess of six months after confinement in a secure facility unless two accompanied home visits have already occurred. An "accompanied home visit" shall mean a home visit during which the youth shall be accompanied at all times while outside the secure or residential facility by appropriate personnel of the office of children and family services or, if applicable, a social services district [operating an approved juvenile justice close to home initiative pursuant to section four hundred four of the social services law].

§ 15. Subparagraphs (i), (iii) and (iv) of paragraph (c) and paragraph (d) of subdivision 5 of section 353.5 of the family court act, as amended by section 6 of subpart A of part G of chapter 57 of the laws of 2012, is amended to read as follows:

(i) after the expiration of the period provided in subparagraph (iii) of paragraph (a) of this subdivision, the respondent shall not be released from a residential facility without the written approval of the office of children and family services or, if applicable, a social services district [operating an approved juvenile justice services close to home initiative pursuant to section four hundred four of the social services law].

(iii) the respondent shall not be discharged from the custody of the office of children and family services, or, if applicable, a social services district [operating an approved juvenile justice services close to home initiative pursuant to section four hundred four of the social services law].

(iv) unless otherwise specified in the order, the office of children and family services or, if applicable, a social services district [operating an approved juvenile justice services close to home initiative pursuant to section four hundred four of the social services law], shall report in writing to the court not less than once every six months during the placement on the status, adjustment and progress of the respondent.

(d) Upon the expiration of the initial period of placement or any extension thereof, the placement may be extended in accordance with section 355.3 upon petition of any party or the office of children and family services or, if applicable, a social services district [operating an approved juvenile justice services close to home initiative pursuant to section four hundred four of the social services law], after a dispositional hearing, for an additional period not to exceed twelve months, but no initial placement or extension of placement under this section may continue beyond the respondent's twenty-first birthday.

§ 16. Subdivision 2 of section 355.1 of the family court act is amended by adding three new paragraphs (d), (e) and (f) to read as follows:

(d) For a social services district that is not operating an approved juvenile justice services close to home initiative pursuant to section four hundred four of the social services law:

(i) If the district determines that placement in a limited secure facility is appropriate and consistent with the need for protection of the community and the needs and best interests of the respondent placed into its care, the social services district shall file a petition to transfer the custody of the respondent to the office of children and family services, and shall provide a copy of such petition to such

office, the respondent, the attorney for the respondent and the respondent's parent or legal guardian. The family court shall, after allowing the office of children and family services and the attorney for the respondent, after notice having been given, an opportunity to be heard, grant such a petition only if the court determines, and states in its written order, the reasons why a limited secure placement is necessary and consistent with the needs and best interests of the respondent and the need for protection of the community.

(ii) If the district determines that a secure level of placement is appropriate and consistent with the need for protection of the community and the needs and best interests of the respondent placed into its care, the social services district shall file a petition to transfer the custody of the respondent to the office of children and family services, and shall provide a copy of such petition to such office, the respondent, the attorney for the respondent and the respondent's parent or legal guardian. The family court shall, after allowing the office of children and family services and the attorney for the respondent, after notice having been given, an opportunity to be heard, grant such a petition only if the court determines, and states in its written order, that the youth needs a secure level of placement because:

(A) the respondent has been shown to be exceptionally dangerous to himself or herself or to other persons. Exceptionally dangerous behavior may include, but is not limited to, one or more serious intentional assaults, sexual assaults or setting fires; or

(B) the respondent has demonstrated by a pattern of behavior that he or she needs a more structured setting and the social services district has considered the appropriateness and availability of a transfer to an alternative non-secure or limited secure facility. Such behavior may

include, but is not limited to: disruptions in facility programs; continuously and maliciously destroying property; or repeatedly committing or inciting other youth to commit assaultive or destructive acts.

(e) Once the office of children and family services has provided notice pursuant to subdivision fifteen-a of section five hundred one of the executive law, to close its non-secure facilities, to make significant service reductions and public employee staffing reductions and/or to transfer operations of any non-secure facilities operated by such office, such office shall file petitions to transfer custody of all of the youth in the office's custody who are currently placed in a non-secure setting, or who are conditionally released from such a setting, to the applicable local commissioner of social services. Such a petition shall be provided to the respondent, the attorney for the respondent, the respondent's parent or legal guardian and the social services district. The family court shall grant such a petition, without a hearing, unless the attorney for the respondent, after notice, requests a hearing and objects to the transfer on the basis that the respondent needs to be placed with the office in a limited secure or secure level of care. The family court shall grant the petition unless the court determines, and states in its written order, the reasons why a limited secure or secure level of placement is necessary and consistent with the needs and best interests of the respondent and the need for protection of the community. Notwithstanding any provision of law to the contrary, the family court shall determine such a petition within ten calendar days of the date the office files said petition.

(f) If the office of children and family services determines that a non-secure level of care or placement is appropriate and consistent with

the need for protection of the community and the needs and best interests of a respondent who is in their custody and placed at either a limited secure or secure facility from a family court within a social services district that is not operating an approved juvenile justice services close to home initiative pursuant to section four hundred four of the social services law, such office shall petition the court to transfer custody of such respondent to the applicable local commissioner of social services and shall provide a copy of the petition to the social services district, the attorney for the respondent and the presentment agency. The family court shall, after allowing the social services district, the attorney for the respondent and the presentment agency an opportunity to be heard, grant such a petition unless the court determines, and states in its written order the reasons why a limited secure or secure placement is necessary and consistent with the needs and best interest of the respondent and the need for protection of the community.

#### PART J

Section 1. Paragraph (b) of subdivision 3 of section 425 of the real property tax law, as amended by section 1 of part B of chapter 389 of the laws of 1997, is amended to read as follows:

(b) Primary residence. The property must serve as the primary residence of one or more of the owners thereof. The commissioner shall establish guidelines for determining what constitutes a primary residence for purposes of this section. Such guidelines shall be binding upon applicants, assessors and all other parties for purposes of the administration of the exemption authorized by this section.

§ 2. Subdivisions 12 and 13 of section 425 of the real property tax law, as amended by section 1 of part B of chapter 389 of the laws of 1997, paragraph (a) of subdivision 12 as amended by section 12 of part W of chapter 56 of the laws of 2010, paragraph (b) of subdivision 12 as amended and paragraph (d) of subdivision 12 as added by section 1 of part N of chapter 58 of the laws of 2011 and paragraph (d) of subdivision 13 as added by section 2 of part N of chapter 58 of the laws

of 2011, are amended and two new subdivisions 14 and 15 are added to read as follows:

12. Revocation of prior exemptions. (a) Generally. In addition to discontinuing the exemption on the next ensuing tentative assessment roll, if the assessor determines that the property improperly received the exemption on one or more of the [three] ten preceding assessment rolls, or is advised by the department that the applicable income standard was not satisfied with regard to a property which received the enhanced exemption on one or more of those rolls, he or she shall proceed to revoke the improperly granted prior exemption or exemptions. If the assessor is advised that the department was unable to verify the income eligibility of one or more participants in the income verification program, the assessor shall mail that person or those persons a notice in a form prescribed by the department requesting that the person or persons document their income in the same manner and to the same extent as if the person or persons were submitting an initial application for the enhanced STAR exemption. If such income documentation is not provided within forty-five days of such request, or if the documentation provided does not establish the eligibility of the person or persons to the assessor's satisfaction, the assessor shall treat the exemption as an improperly granted exemption and proceed in the manner provided by this subdivision.

(b) Procedure. The assessed value attributable to each such improperly granted exemption shall be entered separately on the next ensuing tentative or final assessment roll. The provisions of section five hundred fifty-one or five hundred fifty-three of this chapter, relating to the entry by the assessor of omitted real property on a tentative or

final assessment roll, shall apply so far as practicable to the revocation procedure in this subdivision, except that:

(i) the tax rate to be applied to any revoked exemption shall be the tax rate that was applied to the corresponding assessment roll, [and that]

(ii) interest shall then be added to each such product at the rate prescribed by section nine hundred twenty-four-a of this chapter or such other law as may be applicable for each month or portion thereon since the levy of taxes upon the assessment roll or rolls upon which the exemption was granted, and

(iii) a processing fee of five hundred dollars shall be added. Such processing fee imposed pursuant to this subdivision shall be retained by the assessing unit.

(c) Rights of owners. Each owner or owners shall be given notice of the possible revocation under this subdivision of their exemption or exemptions at the time and in the manner provided by section five hundred ten or five hundred fifty-three of this chapter, and shall be entitled to seek administrative and judicial review of such action in the manner provided by law.

(d) Applicability. The provisions of this subdivision shall not be applicable to the extent that the prior exemptions shall have been renounced pursuant to section four hundred ninety-six of this article.

13. Penalty for material misstatements. (a) Generally. If the assessor should determine, within [three] ten years from the filing of an application for exemption pursuant to this section, that there was a material misstatement on the application, he or she shall proceed to impose a penalty tax against the property of [one hundred dollars] either twenty percent of the total amount of the improperly received tax

savings, or one hundred dollars, whichever is greater. An application shall be deemed to contain a material misstatement for this purpose when either:

(i) the applicant or applicants claimed that the property was their primary residence, when it was not; or

(ii) the applicant or applicants claimed that they had relinquished the STAR exemption on their former primary residence, when they had not;

or

(iii) in the case of an application for the enhanced exemption for property owned by senior citizens, the applicant or applicants misrepresented their age or income so as to appear eligible for such exemption, when they were not.

(b) Procedure. When the assessor determines that a penalty tax should be imposed, the penalty tax shall be entered on the next ensuing tentative or final assessment roll. The procedures set forth in section five hundred fifty-one or five hundred fifty-three of this chapter, relating to the entry by the assessor of omitted real property on a tentative or final assessment roll, shall apply so far as practicable when imposing a penalty tax pursuant to this subdivision. Each owner or owners shall be given notice of the possible imposition of a penalty tax at the time and in the manner provided by section five hundred ten or five hundred fifty-three of this chapter, and shall be entitled to seek administrative and judicial review of such action in the manner provided by law. Any penalty tax imposed pursuant to this subdivision shall be retained by the assessing unit.

(c) Additional consequences. A penalty tax may be imposed pursuant to this subdivision whether or not the improper exemption has been revoked in the manner provided by this section. In addition, a person or persons

who are found to have made a material misstatement shall be disqualified from further exemption pursuant to this section for a period of [five] ten years, and may be subject to prosecution pursuant to the penal law.

(d) Applicability. The provisions of this subdivision shall not be applicable to the extent that the prior exemptions shall have been renounced pursuant to section four hundred ninety-six of this article.

14. STAR registration program. (a) The commissioner shall establish and implement a program under which all owners of properties initially applying for and those receiving a basic STAR exemption shall be required to be registered with the commissioner in the manner, at such intervals, and by the date or dates prescribed by the commissioner.

(b) Notwithstanding any provision of law to the contrary, the commissioner shall direct the removal or denial of a STAR exemption if he or she finds that one or more of the following conditions exist:

(i) all owners of the property have not been registered by the prescribed date and no acceptable justification has been presented for such failure;

(ii) the owners of the property are improperly receiving multiple STAR exemptions;

(iii) the property does not serve as the primary residence of any of its owners;

(iv) the applicable income limitation has been exceeded; or

(v) the property is otherwise ineligible for the STAR exemption.

(c) Prior to directing that a STAR exemption be removed or denied pursuant to this subdivision, the commissioner shall provide the property owners with notice and an opportunity to show the commissioner that the property is eligible to receive the exemption. If the owners fail to respond to such notice, or if their response does not show to

the commissioner's satisfaction that the property is eligible for the exemption, the commissioner shall direct the assessor or other person having custody or control of the assessment roll or tax roll to remove or deny the exemption, and to correct the roll accordingly. Such a directive shall be binding upon the assessor or other person having custody or control of the assessment roll or tax roll, and shall be implemented by such person without the need for further documentation or approval.

(d) Notwithstanding the provisions of paragraph (b) of subdivision six of this section, neither an assessor nor a board of assessment review has the authority to consider an objection to the removal or denial of an exemption pursuant to this subdivision, nor may such an action be reviewed in a proceeding to review an assessment pursuant to title one or one-A of article seven of this chapter. Such an action may only be challenged before the department of taxation and finance on the grounds of a mistake of fact. The taxpayer shall have no right to commence a court action, administrative proceeding or any other form of legal recourse against the commissioner, the department of taxation and finance, assessor or other person having custody or control of the assessment roll or tax roll regarding such action.

(e) The commissioner shall be entitled to utilize information from any filings of a taxpayer with the department of taxation and finance in conjunction with the STAR registration program. The disclosure to the assessor or other person having custody or control of the assessment roll or tax roll of names and addresses of property owners affected by this subdivision, collected from the registration process and other filings with the department of taxation and finance shall not constitute a violation of the secrecy provisions of the tax law. The commissioner

shall provide no other information about the income of a taxpayer to the assessor or other person having custody or control of the assessment roll or tax roll.

15. Disclosure of certain data. The commissioner is authorized to disclose to assessors and county directors of real property tax services such data as he or she deems necessary to the effective administration of the STAR exemption authorized by this section, notwithstanding the secrecy provisions of the tax law, provided that the data so disclosed shall not be subject to further disclosure under article six of the public officers law or otherwise.

§ 3. This act shall take effect April 1, 2013.

It is the purpose of this article to establish a community preservation program within the housing trust fund corporation.

§ 1231. Definitions. As used in this article:

1. "Housing trust fund corporation" shall mean the housing trust fund corporation as created by section forty-five-a of this chapter.

not, are conducting community preservation activities wholly or partially within the same community. The community preservation corporation's officers, directors and members shall be fairly representative of the residents and other legitimate interests of the community, that they will carry out such a contract in a responsible manner and that at least thirty-three percent of the directors of the community preservation corporation are residents of the community.

6. Contracts pursuant to this section shall be for a period to be determined at the discretion of the housing trust fund corporation.

8. The housing trust fund corporation may enter into contracts with new community preservation corporations to perform housing preservation and community renewal activities in a community that is unserved or underserved as determined by the housing trust fund corporation.

9. If funds are not collected by a community preservation corporation or funds are remaining from a terminated community preservation contract, such funds may be deposited in the merged corporation savings fund and used to fund a new community preservation corporation, may be reallocated to the existing corporations, may be used to provide technical assistance or may be used for other community preservation program purposes as determined by the housing trust fund corporation.

§ 8. Subdivision 5 of section 590 of the labor law, as amended by chapter 413 of the laws of 2003, is amended to read as follows:

5. Benefit rate. (a) A claimant's weekly benefit amount shall be one twenty-sixth of the remuneration paid during the highest calendar quarter of the base period by employers, liable for contributions or payments in lieu of contributions under this article, provided the claimant has remuneration paid in all four calendar quarters during his or her base period or alternate base period. However, for [claimants] any claimant who has remuneration paid in all four calendar quarters during his or her base period or alternate base period and whose high calendar quarter remuneration during the base period is three thousand five hundred seventy-five dollars or less, the benefit amount shall be one twenty-fifth of the remuneration paid during the highest calendar quarter of the base period by employers liable for contributions or payments in lieu of contributions under this article. A claimant's weekly benefit shall be one twenty-sixth of the average remuneration paid in the two highest quarters paid during the base period or alternate base period by employers liable for contributions or payments in lieu of contributions under this article when the claimant has remuneration paid in two or three calendar quarters. However, for any claimant who has remuneration paid in two or three calendar quarters during his or her base period or alternate base period and whose high calendar quarter remuneration during the base period is three thousand

five hundred seventy-five dollars or less, the benefit amount shall be one twenty-fifth of the remuneration paid during the highest calendar quarter of the base period by employers liable for contributions or payments in lieu of contributions under this article. Any claimant whose high calendar quarter remuneration during the base period is more than three thousand five hundred seventy-five dollars shall not have a weekly benefit amount less than one hundred forty-three dollars. The weekly benefit amount, so computed, that is not a multiple of one dollar shall be lowered to the next multiple of one dollar. On the first Monday of September, nineteen hundred ninety-eight the weekly benefit amount shall not exceed three hundred sixty-five dollars nor be less than forty dollars, until the first Monday of September, two thousand, at which time the maximum benefit payable pursuant to this subdivision shall equal one-half of the state average weekly wage for covered employment as calculated by the department no sooner than July first, two thousand and no later than August first, two thousand, rounded down to the lowest dollar. On and after the first Monday of October, two thousand fourteen, the weekly benefit shall not be less than one hundred dollars, nor shall it exceed four hundred twenty dollars until the first Monday of October, two thousand fifteen when the maximum benefit amount shall be four hundred twenty-five dollars, until the first Monday of October, two thousand sixteen when the maximum benefit amount shall be four hundred thirty dollars, until the first Monday of October, two thousand seventeen when the maximum benefit amount shall be four hundred thirty-five dollars, until the first Monday of October, two thousand eighteen when the maximum benefit amount shall be four hundred fifty dollars, until the first Monday of October, two thousand nineteen when the maximum benefit amount shall be thirty-six percent of the average

weekly wage until the first Monday of October, two thousand twenty when the maximum benefit amount shall be thirty-eight percent of the average weekly wage, until the first Monday of October two thousand twenty-one when the maximum benefit amount shall be forty percent of the average weekly wage, until the first Monday of October, two thousand twenty-two when the maximum benefit amount shall be forty-two percent of the average weekly wage, until the first Monday of October, two thousand twenty-three when the maximum benefit amount shall be forty-four percent of the average weekly wage, until the first Monday of October, two thousand twenty-four when the maximum benefit amount shall be forty-six percent of the average weekly wage, until the first Monday of October, two thousand twenty-five when the maximum benefit amount shall be forty-eight percent of the average weekly wage, until the first Monday of October, two thousand twenty-six and each year thereafter on the first Monday of October when the maximum benefit amount shall be fifty percent of the average weekly wage provided, however, that in no event shall the maximum benefit amount be reduced from the previous year.

(b) Notwithstanding the foregoing, the maximum benefit amount shall not be increased in accordance with the schedule set forth in paragraph (a) of this subdivision in any year in which the commissioner determines that the state has had a decrease in private sector jobs in each month of the first two calendar quarters of the year in which the maximum benefit amount increase is scheduled to occur. If the commissioner determines that the state has not had a decrease in private sector jobs in each month in the first two calendar quarters in years subsequent to such suspension of an increase in the maximum benefit amount, then the maximum benefit amount shall increase to the amount for the year previously scheduled to be established pursuant to paragraph (a) of this

subdivision had the increase not been suspended and increased annually thereafter in accordance with the schedule set forth in paragraph (a) of this subdivision. In no case shall such suspension result in a reduction of the maximum benefit amount to less than the amount provided in the most recent year.

§ 9. Paragraph (b) of subdivision 5 of section 590 of the labor law, as added by section eight of this act, is REPEALED and a new paragraph (b) is added to read as follows:

(b) Notwithstanding the foregoing, the maximum benefit amount shall not be increased in accordance with the schedule set forth in paragraph (a) of this subdivision in any year in which the balance of the fund on the thirty-first day of December is less than an amount of the funds projected to be needed to pay for the increase in benefits as determined by the commissioner. If fund revenues are determined by the commissioner to be sufficient to pay for the increase in benefits in years subsequent to such suspension of an increase in the maximum benefit amount, then the maximum benefit amount shall increase to the amount for the year previously scheduled to be established pursuant to paragraph (a) of this subdivision had the increase not been suspended and increased annually thereafter in accordance with the schedule set forth in paragraph (a) of this subdivision. In no case shall such suspension result in a reduction of the maximum benefit amount to less than the amount provided in the most recent year.

§ 10. Paragraph (b) of subdivision 5 of section 590 of the labor law, as added by section nine of this act is REPEALED and a new paragraph (b) is added to read as follows:

(b) Notwithstanding the foregoing, the maximum benefit amount shall not be increased in accordance with the schedule set forth in paragraph

(a) of this subdivision in any year in which the balance of the fund is determined by the commissioner to not have reached or exceeded thirty percent of the average high cost multiple, as defined in 20 CFR Part 606 as the standard for receipt of interest-free federal loans, on at least one day between April first and June thirtieth of the same calendar year as the increase shall take effect. If, following such suspension of an increase in the maximum benefit amount, the commissioner shall determine, on at least one day between April first and June thirtieth that the balance of the fund is greater than such thirty percent average high cost multiple, then the maximum benefit amount shall increase to the percentage for the year previously scheduled to be established pursuant to paragraph (a) of this subdivision had the increase not been suspended and increased annually thereafter in accordance with the schedule set forth in paragraph (a) of this subdivision. In no case shall such suspension result in a reduction of the maximum benefit amount to less than the amount provided in the most recent year.

§ 11. Subdivision 9 of section 590 of the labor law is amended by adding a new paragraph (d) to read as follows:

(d) An alien who is not eligible under 8 USC 1621(a) shall be eligible for benefits, provided such alien is eligible for benefits under the provisions of this article and section 3304 (a) (14) of the federal unemployment tax act.

§ 12. Subdivision 2 of section 591 of the labor law, as amended by chapter 720 of the laws of 1953, is amended to read as follows:

2. Availability [and], capability, and work search. No benefits shall be payable to any claimant who is not capable of work or who is not ready, willing and able to work in his usual employment or in any other for which he is reasonably fitted by training and experience and who is

not actively seeking work. In order to be actively seeking work a claimant must be engaged in systematic and sustained efforts to find work which shall include contacting at least two prospective employers for each week claimed. The claimant must also be engaged in other activities to obtain new work as determined by the commissioner. The claimant shall be required to maintain documentation and provide proof of work search efforts as prescribed by the commissioner and shall be subject to a random audit.

§ 13. Section 591 of the labor law is amended by adding a new subdivision 6 to read as follows:

6. Dismissal pay. (a) No benefits shall be payable to a claimant for any week during a dismissal period for which a claimant receives dismissal pay, nor shall any day within such week be considered a day of total unemployment under section five hundred twenty-two of this article, if such weekly dismissal pay exceeds the maximum weekly benefit rate.

(b) The term "dismissal pay", as used in this subdivision, means one or more payments made by an employer to an employee due to his or her separation from service of the employer regardless of whether the employer is legally bound by contract, statute or otherwise to make such payments. The term does not include payments for pension, retirement, accrued leave, and health insurance or payments for supplemental unemployment benefits.

(c) The term "dismissal period", as used in this subdivision, means the time designated for weeks of dismissal pay attributable to the claimant's weekly earnings in accordance with the collective bargaining agreement, employment contract, employer's dismissal policy, dismissal agreement with the employer or other such agreement. If no such

agreement, contract or policy designates a dismissal period, then the dismissal period shall be the time designated in writing in advance by the employer to be considered the dismissal period. If no time period is designated, the dismissal period shall commence on the day after the claimant's last day of employment. If the dismissal payment is in a lump sum amount or for an indefinite period, dismissal payments shall be allocated on a weekly basis from the day after the claimant's last day of employment and the claimant shall not be eligible for benefits for any week for which it determined that the claimant receives dismissal pay. The amount of dismissal pay shall be allocated based on the claimant's actual weekly remuneration paid by the employer during his or her employment or, if such amount cannot be determined, the amount of the claimant's average weekly wage for the highest calendar quarter.

(d) Notwithstanding the foregoing, the provisions of this subdivision shall not apply during any weeks in which the initial payment of dismissal pay is made more than thirty days from the last day of the claimant's employment.

§ 14. Subparagraph (i) of paragraph (b) of subdivision 2 of section 591-a of the labor law, as added by chapter 413 of the laws of 2003, is amended to read as follows:

(i) requirements relating to total unemployment, as defined in section five hundred twenty-two of this article, availability for work and search for work, as set forth in subdivision two of section five hundred ninety-one of this title and refusal to accept work, as set forth in subdivision two of section five hundred ninety-three of this title, are not applicable to such individuals;

§ 15. Paragraph (a) of subdivision 1, the opening paragraph of subdivision 2 and subdivision 3 of section 593 of the labor law,

paragraph (a) of subdivision 1 as amended by chapter 35 of the laws of 2009, the opening paragraph of subdivision 2 as amended by chapter 5 of the laws of 2000, and subdivision 3 as amended by chapter 589 of the laws of 1998, are amended and a new subdivision 6 is added to read as follows:

(a) No days of total unemployment shall be deemed to occur after a claimant's voluntary separation without good cause from employment until he or she has subsequently worked in employment and earned remuneration at least equal to [five] ten times his or her weekly benefit rate. In addition to other circumstances that may be found to constitute good cause, including a compelling family reason as set forth in paragraph (b) of this subdivision, voluntary separation from employment shall not in itself disqualify a claimant if circumstances have developed in the course of such employment that would have justified the claimant in refusing such employment in the first instance under the terms of subdivision two of this section or if the claimant, pursuant to an option provided under a collective bargaining agreement or written employer plan which permits waiver of his or her right to retain the employment when there is a temporary layoff because of lack of work, has elected to be separated for a temporary period and the employer has consented thereto.

No days of total unemployment shall be deemed to occur beginning with the day on which a claimant, without good cause, refuses to accept an offer of employment for which he or she is reasonably fitted by training and experience, including employment not subject to this article, until he or she has subsequently worked in employment and earned remuneration at least equal to [five] ten times his or her weekly benefit rate. Except that claimants who are not subject to a recall date or who do not

obtain employment through a union hiring hall and who are still unemployed after receiving [thirteen] ten weeks of benefits shall be required to accept any employment proffered that such claimants are capable of performing, provided that such employment would result in a wage not less than eighty percent of such claimant's high calendar quarter wages received in the base period and not substantially less than the prevailing wage for similar work in the locality as provided for in paragraph (d) of this subdivision. No refusal to accept employment shall be deemed without good cause nor shall it disqualify any claimant otherwise eligible to receive benefits if:

3. Misconduct. No days of total unemployment shall be deemed to occur after a claimant lost employment through misconduct in connection with his or her employment until he or she has subsequently worked in employment and earned remuneration at least equal to [five] ten times his or her weekly benefit rate.

6. Determinations and hearings. The commissioner shall issue a determination for any protest filed by any base period employer within ten calendar days of the notification of potential charges based on voluntary separations or misconduct. An employer may make an appeal of such determination pursuant to section six hundred twenty of this article.

§ 16. Section 594 of the labor law, as amended by chapter 728 of the laws of 1952, and the opening paragraph as amended by chapter 139 of the laws of 1968, are amended to read as follows:

§ 594. Reduction and recovery of benefits and penalties for wilful false statement or omission. A claimant who has wilfully made a false statement or representation or wilfully concealed any pertinent fact to obtain any benefit under the provisions of this article shall forfeit

benefits for at least the first four but not more than the first eighty effective days following discovery of such offense for which he or she otherwise would have been entitled to receive benefits. Such penalty shall apply only once with respect to each such offense.

For the purpose of subdivision four of section five hundred ninety of this article, the claimant shall be deemed to have received benefits for such forfeited effective days.

The penalty provided in this section shall not be confined to a single benefit year but shall no longer apply in whole or in part after the expiration of two years from the date [on which the offense was committed] of the final determination. Such two-year period shall be tolled during the time period a claimant has an appeal pending.

A claimant shall refund all moneys received because of such false statement or representation [made by him] or wilful concealment and pay a civil penalty in an amount equal to the greater of one hundred dollars or fifteen percent of the total overpaid benefits determined pursuant to this section. When a determination based upon a wilful false statement or representation or based upon the wilful concealment of a pertinent fact in connection with the claim for benefits becomes final through exhaustion of appeal rights or failure to exhaust hearing rights, the commissioner may file with the county clerk of the county where the claimant resides the final determination of the commissioner or the final decision by an administrative law judge, the appeal board or a court containing the amount found to be due including interest and civil penalty. The filing of such final determination or decision shall have the full force and effect of a judgment duly docketed in the office of such clerk. The final determination or decision may be enforced by and in the same manner, and with like effect as if it were a default as set

forth in section five hundred seventy-three of this article. Moneys received because of such false statement or representation or wilful concealment, including the accrual of interest, may also be recovered as prescribed by the civil practice law and rules for the recovery of a money judgment or through common law or statutory rights of offset or any criminal prosecution. The penalties collected hereunder shall be deposited in the fund. The penalties assessed under this subdivision shall apply and be assessed for any benefits paid under federal unemployment and extended unemployment programs administered by the department in the same manner as provided in this article. The penalties in this section shall be in addition to any penalties imposed under this chapter or any state or federal criminal statute.

§ 17. Section 596 of the labor law is amended by adding a new subdivision 7 to read as follows:

7. Notwithstanding the provisions of section five hundred ninety-five of this title, the commissioner shall deduct and withhold any overpayments established under this article or any law of another state from benefits payable to an individual. No penalties or interest assessed pursuant to section five hundred ninety-four of this title may be deducted or withheld from benefits.

§ 18. Subdivision 2 of section 597 of the labor law is amended by adding a new paragraph (d) to read as follows:

(d) Notwithstanding paragraph (c) of this subdivision, unless a commissioner's error is shown or the failure is the direct result of a disaster emergency declared by the governor or president, an employer's account shall not be relieved of charges resulting in an overpayment of benefits when the commissioner determines that the overpayment was made because the employer or the agent of the employer failed to timely or

adequately respond to a request for information in the notice of potential charges or other such notice requesting information in relation to a claim under this article, provided, however, that the commissioner shall relieve the employer of charges the first time that the employer fails to provide timely or adequate information, if the employer provides good cause for such failure as determined by the commissioner.

The term "adequately" as used in this paragraph shall mean that the employer or its agent failed to submit information sufficient to render a correct determination or failed to provide a response to a request for information as determined by the commissioner.

This prohibition for relief of charges shall apply to all employers under this article including employers electing payment in lieu of contributions.

§ 19. Section 600 of the labor law, as added by chapter 793 of the laws of 1963, subdivision 6 as amended by chapter 391 of the laws of 2005, subdivision 7 as added by chapter 362 of the laws of 1980, paragraph (a) of subdivision 7 as amended by chapter 176 of the laws of 2004, paragraph (b) of subdivision 7 as amended by chapter 5 of the laws of 2000, and paragraph (c) of subdivision 7 as relettered by chapter 895 of the laws of 1980, is amended to read as follows:

§ 600. Effect of retirement payments. 1. Reduction of benefit rate. [If a claimant retires or is retired from employment by an employer and, due to such retirement, is receiving a pension or retirement payment under a plan financed in whole or in part by such employer, such claimant's benefit rate for four effective days otherwise applicable under subdivision seven of section five hundred ninety shall be reduced as hereinafter provided.

2. Application. The reduction shall apply only to benefits which when paid will be chargeable to the account of the employer who provided the pension or retirement benefit.

3. Amount of reduction. If the pension or retirement payment is made under a plan to which the employer is the sole contributor, the claimant's benefit rate shall be reduced by the largest number of whole dollars which is not more than the prorated weekly amount of his pension or retirement payment under such plan. If the pension or retirement payment is made under a plan to which the employer is not the sole contributor, the claimant's benefit rate shall be reduced by the largest number of whole dollars which is not more than one-half of the prorated weekly amount of his pension or retirement payments under such plan, but no reduction shall apply if the claimant demonstrates that the employer contributed less than fifty per centum to the plan.

4. Reduction equal to benefit rate. If the amount to be deducted from a claimant's benefit rate equals or exceeds such rate, he shall be ineligible to receive any benefits which if paid would be chargeable to the employer involved in the pension or retirement plan, but any benefits which would in the absence of this section be chargeable to the accounts of other employers shall be payable to the claimant.

5. Reduction not established. If, at the time benefits are payable, it has not been established that the claimant will be receiving such pension or retirement payment, benefits due shall be paid without a reduction, subject to review within the period and under the conditions as provided in subdivisions three and four of section five hundred ninety-seven with respect to retroactive payment of remuneration.

6. Limitation. For the purposes of this section, the terms "pension or retirement payment" and "governmental or other pension, retirement or

retired pay, annuity, or any other similar periodic payment which is based on previous work" shall not include payments made from a qualified trust to an eligible retirement plan under the terms and conditions specified in section four hundred two of the internal revenue code for federal income tax purposes, such payments commonly known as eligible rollover distributions.

7. Alternative condition. (a) When a reduction for retirement payments is required by the federal unemployment tax act as a condition for full tax credit, in which event the provisions of subdivisions one, two, three, four and five of this section shall not be operative, the] (a) The benefit rate of a claimant who is receiving a governmental or other pension, retirement or retired pay, annuity, or any other similar periodic payment which is based on his previous work, shall be reduced as hereinafter provided, if such payment is made under a plan maintained or contributed to by his base period employer and, except for payments made under the social security act or the railroad retirement act of 1974, the claimant's employment with, or remuneration from, such employer after the beginning of the base period affected his eligibility for, or increased the amount of, such pension, retirement or retired pay, annuity, or other similar periodic payment.

(b) [If the claimant made no contribution for the pension, retirement or retired pay, annuity, or other similar periodic payment, his] The claimant's benefit rate shall be reduced by the largest number of whole dollars which is not more than the pro-rated weekly amount of such payment. If the claimant was the sole contributor for the pension, retirement or retired pay, annuity, or other similar periodic payment, no reduction shall apply. [If the claimant's contributions for the pension, retirement or retired pay, annuity, or other similar periodic

payment were less than one hundred per centum, the commissioner shall determine the amount of the reduction by taking into account the claimant's contributions in a manner consistent with the federal unemployment tax act.]

(c) If, at the time benefits are payable, it has not been established that the claimant will be receiving such pension, retirement or retired pay, annuity or other payment, benefits due shall be paid without a reduction, subject to review within the period and under the conditions as provided in subdivisions three and four of section five hundred ninety-seven with respect to retroactive payment of remuneration.

(d) For the purposes of this section, the terms "pension or retirement payment" and "governmental or other pension, retirement or retired pay, annuity, or any other similar periodic payment which is based on previous work" shall not include payments made from a qualified trust to an eligible retirement plan under the terms and conditions specified in section four hundred two of the internal revenue code for federal income tax purposes, such payments commonly known as eligible rollover distributions.

§ 20. Section 602 of the labor law, as amended by chapter 214 of the laws of 1998, is amended to read as follows:

§ 602. Application. This title shall apply to a claimant employed by an employer whose application to participate in a shared work program has been approved by the commissioner. The provisions of subdivision four of section five hundred twenty-seven, subdivisions three and seven of section five hundred ninety and subdivision four of section five hundred ninety-six of this article shall not be applicable to such claimant and he or she shall not be required to be available for work with any other employer nor shall he or she be required to search for

work in accordance with subdivision two of section five hundred ninety-one of this article if he or she is available for his or her usual hours of work with his or her employer that has been accepted to participate in the shared work program. The other provisions of this article shall apply to such claimants and their employers to the extent that they are not inconsistent with the provisions of this title.

§ 21. Section 603 of the labor law, as added by chapter 438 of the laws of 1985, is amended to read as follows:

§ 603. Definitions. For purposes of this title: "Total unemployment" shall mean the total lack of any employment on any day, other than with an employer applying for a shared work program. "Full time hours" shall mean at least thirty-five but not more than forty hours per week, and shall not include overtime as defined in the Fair Labor Standards Act. "Work force" shall mean the total work force, a clearly identifiable unit or units thereof, or a particular shift or shifts. The work force subject to reduction shall consist of no less than two employees.

§ 22. Section 605 of the labor law, as amended by section 2 of chapter 81 of the laws of 1992, is amended to read as follows:

§ 605. Qualified employers; application. An employer who has at least [five] two full time employees may apply to participate in a shared work program. The written application shall be made according to such forms and procedures as the commissioner may specify and shall include such information as the commissioner may require, including such other information that the United States Secretary of Labor determines to be appropriate for purposes of a shared work program. The commissioner shall not approve such application unless the employer (1) [agrees] certifies that for the duration of the program it will not eliminate or diminish health insurance, medical insurance, or any other fringe

benefits provided to employees immediately prior to the application unless such benefits provided to employees that do not participate in the shared work program are reduced or diminished to the same extent as those employees that participate in the shared work program; (2) certifies that the collective bargaining agent for the employees, if any, has agreed to participate in the program; (3) certifies that if not for the shared work program to be initiated the employer would reduce or would have reduced its work force to a degree equivalent to the total number of working hours proposed to be reduced or restricted for all included employees; (4) certifies that it will not hire additional part time or full time employees for the affected work force while the program is in operation; [and] (5) agrees that no participant of the program shall receive, in the aggregate, more than [twenty] twenty-six weeks of benefits exclusive of the waiting week; (6) provides a description of how workers in the work force will be notified of the shared work program in advance of it taking effect, if feasible, and if such notice is not feasible, provides an explanation of why such notice is not feasible; (7) provides an estimate of the number of workers who would be laid off if the employer could not participate in the shared work program; and (8) certifies that the terms of the employer's written plan and implementation shall be consistent with employer obligations under applicable federal and state laws.

§ 23. Section 607 of the labor law, as added by chapter 438 of the laws of 1985, subdivision 1 as amended by section 4 of chapter 81 of the laws of 1992, is amended to read as follows:

of work, but only if such percentage is no less than twenty percent. The weekly benefit amount shall be rounded off to the nearest dollar. A claimant shall not be paid such benefits in excess of [twenty] twenty-six weeks during a benefit year.

2. Waiting period. A claimant shall not be entitled to benefits for the first week of unemployment under a shared work program unless he or she has served a waiting period in his or her benefit year pursuant to subdivision seven of section five hundred ninety of this article.

§ 24. The labor law is amended by adding a new section 609 to read as follows:

§ 609. Training. Eligible employees may participate, as appropriate, in training to enhance job skills if such program has been approved by the commissioner. Such training may include employer-sponsored training or worker training funded under the Workforce Investment Act of 1998.

§ 25. Section 611 of the labor law, as amended by chapter 589 of the laws of 1998, is amended to read as follows:

§ 611. Charging of benefits. Benefits paid to a claimant shall be charged to the employers' accounts as provided in paragraph (e) of subdivision one of section five hundred eighty-one of this article. However, except for individuals employed by a participating employer on a seasonal, temporary or intermittent basis, no benefits paid to a claimant shall be charged to an employer's account if the state is reimbursed by the United States pursuant to the Middle Class Tax Relief and Job Creation Act of 2012, PL 112-96.

§ 26. The labor law is amended by adding a new section 612 to read as follows:

§ 612. Severability. If any amendment contained in a clause, sentence, paragraph, section or part of this title shall be adjudged by

the United States Department of Labor to violate requirements for maintaining benefit standards required of the state in order to be eligible for any financial benefit offered through federal law or regulation including, but not limited to, the waiver of interest on advances or the waiver of obligations to repay such advances to the state unemployment insurance fund, such amendments shall be severed from this act and shall not affect, impair or invalidate the remainder thereof.

§ 27. Section 39 of part P2 of chapter 62 of the laws of 2003, amending the state finance law and other laws relating to authorizing and directing the state comptroller to loan money to certain funds and accounts, as amended by section 1 of part W of chapter 58 of the laws of 2011, is amended to read as follows:

§ 39. This act shall take effect immediately and shall be deemed to have been in full force and effect on and after April 1, 2003; provided, however, that sections one, three, four, six, seven through fifteen, and seventeen of this act shall expire March 31, 2004, when upon such date the provisions of such sections shall be deemed repealed; [and sections thirty and thirty-one of this act shall expire December 31, 2013] and the amendments made to section 69-c of the state finance law by section thirty-two of this act shall not affect the expiration and repeal of such section and shall be deemed to be expired therewith.

§ 28. Severability. If any amendment contained in a clause, sentence, paragraph, section or part of this act shall be adjudged by the United States Department of Labor to violate requirements for maintaining benefit standards required of the state in order to be eligible for any financial benefit offered through federal law or regulation including, but not limited to, the waiver of interest on advances or the waiver of

obligations to repay such advances to the state unemployment insurance fund, such amendments shall be severed from this act and shall not affect, impair or invalidate the remainder thereof.

§ 29. This act shall take effect immediately, provided, however, that:

a. sections one, three, seven, and eight of this act shall take effect January 1, 2014;

b. sections two, thirteen, fifteen, and nineteen of this act shall apply to all claims filed after January 1, 2014;

c. section nine of this act shall take effect January 1, 2017;

d. section ten of this act shall take effect January 1, 2019;

e. sections five, six, sixteen, seventeen, and eighteen of this act shall apply to all overpayments established after October 1, 2013;

f. sections fourteen, twenty, twenty-one, twenty-two, twenty-three, twenty-four, and twenty-six of this act shall take effect on the thirtieth day after it shall have become a law;

g. section twenty-five of this act shall expire and be deemed repealed August 23, 2015;

h. section twelve of this act shall take effect January 1, 2014 or on the same date as the reversion of subdivision 2 of section 591 of the labor law as provided in section 10 of chapter 413 of the laws of 2003, as amended, whichever is later; and

i. the amendments to section 591-a of the labor law made by section fourteen of this act shall not affect the repeal of such section and shall be deemed repealed therewith.

Section 1. Subdivisions 1, 4 and 5 of section 652 of the labor law, as amended by chapter 747 of the laws of 2004, are amended to read as follows:

1. Statutory. Every employer shall pay to each of its employees for each hour worked a wage of not less than:

\$4.25 on and after April 1, 1991,

\$5.15 on and after March 31, 2000,

\$6.00 on and after January 1, 2005,

\$6.75 on and after January 1, 2006,

\$7.15 on and after January 1, 2007,

\$8.75 on and after July 1, 2013, or, if greater, such other wage as may be established by federal law pursuant to 29 U.S.C. section 206 or its successors

or such other wage as may be established in accordance with the provisions of this article.

4. Notwithstanding subdivisions one and two of this section, the wage for an employee who is a food service worker receiving tips shall be a cash wage of at least three dollars and thirty cents per hour on or after March thirty-first, two thousand; three dollars and eighty-five cents on or after January first, two thousand five; at least four dollars and thirty-five cents on or after January first, two thousand six; [and] at least four dollars and sixty cents on or after January first, two thousand seven; and at least six dollars and three cents on or after July first, two thousand thirteen, provided that the tips of such an employee, when added to such cash wage, are equal to or exceed the minimum wage in effect pursuant to subdivision one of this section and provided further that no other cash wage is established pursuant to section six hundred fifty-three of this article. In the event the cash

wage payable under the Fair Labor Standards Act (29 United States Code Sec. 203 (m), as amended), is increased after enactment of this subdivision, the cash wage payable under this subdivision shall automatically be increased by the proportionate increase in the cash wage payable under such federal law, and will be immediately enforceable as the cash wage payable to food service workers under this article.

5. Notwithstanding subdivisions one and two of this section, meal and lodging allowances for a food service worker receiving a cash wage amounting to three dollars and thirty cents per hour on or after March thirty-first, two thousand; three dollars and eighty-five cents on or after January first, two thousand five; four dollars and thirty-five cents on or after January first, two thousand six; [and] four dollars and sixty cents on or after January first, two thousand seven; and at least six dollars and three cents on or after July first, two thousand thirteen, shall not increase more than two-thirds of the increase required by subdivision two of this section as applied to state wage orders in effect pursuant to subdivision one of this section.

§ 2. This act shall take effect immediately.

#### PART Q

Section 1. Paragraph (d) of subdivision 4 of section 209 of the civil service law, as amended by section 9 of part A of chapter 504 of the laws of 2009, is amended to read as follows:

(d) The provisions of this subdivision shall expire [~~thirty-six~~] forty years from July first, nineteen hundred seventy-seven, and hereafter may be renewed every four years.

§ 2. Section 209 of the civil service law is amended by adding a new subdivision 6 to read as follows:

6. (a) For disputes concerning an impasse pursuant to subdivision four of this section that involve a county, city, town, or village subject to section three-c of the general municipal law, a public arbitration panel shall make a determination as to whether such county, city, town, or village, is a distressed public employer as part of its analysis of the financial ability of the public employer to pay.

(b) In evaluating whether a public employer covered by this subdivision is a distressed public employer, such public arbitration panel shall consider the average full value property tax rate of such public employer and the average fund balance percentage of such public employer.

i. For purposes of this subdivision, "full value property tax rate" shall mean the amount to be raised by tax on real estate by a local government in a given fiscal year divided by the full valuation of taxable real estate for that same fiscal year as reported to the office of the state comptroller.

ii. For purposes of this subdivision, "average full value property tax rate" shall mean the sum of the full value property tax rates for the five most recent fiscal years divided by five.

iii. For purposes of this subdivision, "fund balance percentage" shall mean the total fund balance in the general fund of a local government in a given fiscal year divided by the total expenditures from the general fund for that same fiscal year as reported to the office of the state comptroller.

iv. For purposes of this subdivision, "average fund balance percentage" shall mean the sum of the fund balance percentages for the five most recently completed fiscal years divided by five.

(c) If the average full value property tax rate of such public employer is greater than the average full value property tax rate of seventy-five percent of counties, cities, towns, and villages, with local fiscal years ending in the same calendar year as of the most recently available information, the public arbitration panel must find that such public employer is fiscally distressed. The office of the state comptroller shall make publicly available the list of counties, cities, towns, and villages, that have an average full value property tax rate that meets such criteria in each local fiscal year. If a public employer has not reported to the office of the state comptroller the information necessary to calculate its average full value property tax rate, the public arbitration panel may not use the average full value property tax rate as a basis by which to find that such public employer is fiscally distressed.

(d) If the average fund balance percentage of such public employer is less than five percent, the public arbitration panel must find that such public employer is fiscally distressed. The office of the state comptroller shall make publicly available the list of counties, cities, towns, and villages, that have an average fund balance percentage that meets such criteria in each local fiscal year. If a public employer has not reported to the office of the state comptroller the information necessary to calculate its average fund balance percentage, the public arbitration panel may not use the average fund balance percentage as a basis by which to find that such public employer is fiscally distressed.

(e) When such public employer has been found to be fiscally distressed, the public arbitration panel shall not have the authority to issue a determination that increases the cost of terms and conditions of employment applicable to employees under the jurisdiction of such panel except as provided herein.

i. For the first year of the determination, the panel shall not issue a determination that makes changes to and increases the cost of all terms and conditions of employment by more than two percent of the aggregate amount expended by the public employer on the terms of collective bargaining agreements directly relating to compensation of all employees subject to the public arbitration panel's jurisdiction in the twelve months immediately preceding the expiration of the collective bargaining agreement or interest arbitration award that is the subject of the impasse before the panel. For the first year of the determination, the panel is required to further reduce this two percent by the amount of any increased cost that the public employer will incur for insurance, medical, and hospitalization benefits provided to employees subject to the panel's jurisdiction that will exceed a two percent increase in cost to the public employer to provide insurance, medical, and hospitalization benefits to employees under the panel's jurisdiction during the first year of the determination.

ii. For the second year of the determination, the panel shall not issue a determination that makes changes to and increases the cost of all terms and conditions of employment by more than two percent of the aggregate amount expended by the public employer on the terms of collective bargaining agreements directly relating to compensation of all employees subject to the public arbitration panel's jurisdiction in the twelve months immediately preceding the expiration of the collective

bargaining agreement or interest arbitration award that is the subject of the impasse before the panel. For the second year of the determination, the panel is required to further reduce this two percent by the amount of any increased cost that the public employer will incur for insurance, medical, and hospitalization benefits provided to employees subject to the panel's jurisdiction that will exceed a two percent increase in cost to the public employer to provide insurance, medical, and hospitalization benefits for employees under the panel's jurisdiction during the first year of the determination. If the actual amount of the increased cost that a public employer will incur for insurance, medical, and hospitalization benefits for employees subject to the panel's jurisdiction in year two of the determination is known, the public arbitration panel shall use that amount rather than the first year amount to calculate any reduction. The determination for year two will be in addition to the determination for year one.

iii. For the purposes of determining the amounts available pursuant to this paragraph, "terms of collective bargaining agreements directly relating to compensation" includes, but is not limited to, salary, stipends, location pay, insurance, medical and hospitalization benefits; and shall not apply to non-compensatory issues including, but not limited to, job security, disciplinary procedures and actions, deployment or scheduling, or issues relating to eligibility for overtime compensation.

(f) Additionally, when there has been a finding of fiscal distress, a public arbitration panel shall not have the authority to create new terms and conditions of employment that increase costs of terms and conditions of employment to the fiscally distressed public employer if the increase in costs would cause the overall cost of the determination

to exceed the limitation on the public arbitration panel's authority as contained in paragraph (e) of this subdivision.

(g) Nothing herein shall require a public arbitration panel, where a finding that a distressed public employer is required, to grant any change in terms and conditions of employment unless otherwise warranted after taking into consideration all other relevant and required factors.

(h) Nothing herein shall require a public arbitration panel, where a finding that a distressed public employer is not required, to grant any change in terms and conditions of employment unless otherwise warranted after taking into consideration all other relevant and required factors.

(i) The provisions of this subdivision shall expire four years from July first, two thousand thirteen.

§ 3. This act shall take effect immediately and shall be effective for all collective bargaining agreements and interest arbitration awards that expire on or after April 1, 2013.

#### PART R
