22 of subdivision one of such section two hundred ten, for the taxable  
23 year; and, provided further that, if such highest amount is the tax base  
24 imposed under paragraph (a), (b) or (c) of such subdivision, then the  
25 surcharge shall be computed as if the tax rates and limitations under  
26 such paragraph were the tax rates and limitations under such paragraph  
27 in effect for taxable years commencing on or after July first, nineteen

1 hundred ninety-seven and before July first, nineteen hundred ninety-  
2 eight.

3 § 5. Subsection 1 of section 1455-B of the tax law, as amended by  
4 section 5 of part II-1 of chapter 57 of the laws of 2008, is amended to

19 imposed under such section for such taxable years or any part of such  
20 taxable years ending on or after December thirty-first, nineteen hundred  
21 eighty-three after the deduction of any credits otherwise allowable  
22 under this article; provided however, that such rates of tax surcharge  
23 shall be applied only to that portion of the tax imposed under section  
24 fourteen hundred fifty-one of this article after the deduction of any  
25 credits otherwise allowable under this article which is attributable to  
26 the taxpayer's business activity carried on within the metropolitan  
27 commuter transportation district; and provided, further, that the tax  
28 surcharge imposed by this section shall not be imposed upon any taxpayer

1 for more than [three] four hundred [seventy-two] thirty-two months.  
2 Provided however, that for taxable years commencing on or after July  
3 first, two thousand, such surcharge shall be calculated as if the rate  
4 of the basic tax computed under subsection (a) of section fourteen  
5 hundred fifty-five of this article was nine percent.

6 § 6. Paragraphs 1 and 3 of subdivision (a) of section 1505-a of the  
7 tax law, as amended by section 6 of part II-1 of chapter 57 of the laws  
8 of 2008, are amended to read as follows:

9 (1) Every domestic insurance corporation and every foreign or alien

23 allowable under this article as allocated to such district. Such taxes  
24 shall be allocated to such district for purposes of computing such tax  
25 surcharge upon taxpayers subject to tax under subdivision (b) of section  
26 fifteen hundred ten of this article by applying the methodology, proce-  
27 dures and computations set forth in subdivisions (a) and (b) of section  
28 fifteen hundred four of this article, except that references to terms

1 denoting New York premiums, and total wages, salaries, personal service  
2 compensation and commissions within New York shall be read as denoting  
3 within the metropolitan commuter transportation district and terms  
4 denoting total premiums and total wages, salaries, personal service  
5 compensation and commissions shall be read as denoting within the state.  
6 If it shall appear to the commissioner that the application of the meth-  
7 odology, procedures and computations set forth in such subdivisions (a)  
8 and (b) does not properly reflect the activity, business or income of a  
9 taxpayer within the metropolitan commuter transportation district, then  
10 the commissioner shall be authorized, in the commissioner's discretion,  
11 to adjust such methodology, procedures and computations for the purpose  
12 of allocating such taxes by:

13 (A) excluding one or more factors therein;

14 (B) including one or more other factors therein, such as expenses,  
15 purchases, receipts other than premiums, real property or tangible  
16 personal property; or

17 (C) any other similar or different method which allocates such taxes  
18 by attributing a fair and proper portion of such taxes to the metropol-  
19 itan commuter transportation district. The commissioner from time to  
20 time shall publish all rulings of general public interest with respect  
21 to any application of the provisions of the preceding sentence. The  
22 commissioner may promulgate rules and regulations to further implement  
23 the provisions of this section.

24 (3) Such tax surcharge shall be computed at the rate of eighteen  
25 percent of the taxes imposed under sections fifteen hundred one and  
26 fifteen hundred ten of this article as limited by section fifteen  
27 hundred five of this article, as allocated to such district, for such  
28 taxable years or any part of such taxable years ending before December

1 thirty-first, nineteen hundred eighty-three after the deduction of any  
2 credits otherwise allowable under this article, at the rate of seventeen  
3 percent of the taxes imposed under such sections as limited by section  
4 fifteen hundred five of this article, as allocated to such district, for  
5 such taxable years or any part of such taxable years ending on or after  
6 December thirty-first, nineteen hundred eighty-three and before January  
7 first, two thousand three after the deduction of any credits otherwise  
8 allowable under this article, and at the rate of seventeen percent of  
9 the taxes imposed under sections fifteen hundred one, fifteen hundred  
10 two-a, and fifteen hundred ten of this article, as limited or otherwise  
11 determined by subdivision (a) or (b) of section fifteen hundred five of  
12 this article, as allocated to such district, for such taxable years or  
13 any part of such taxable years ending after December thirty-first, two  
14 thousand two after the deduction of any credits otherwise allowable  
15 under this article; provided, however, that the tax surcharge imposed by  
16 this section shall not be imposed upon any taxpayer for more than  
17 [~~three~~] four hundred [~~seventy-two~~] thirty-two months. Provided however,  
18 that for taxable years commencing on or after July first, two thousand,  
19 and in the case of taxpayers subject to tax under section fifteen  
20 hundred two-a of this article, for taxable years of such taxpayers  
21 beginning on or after July first, two thousand and before January first,  
22 two thousand three, such surcharge shall be calculated as if (i) the  
23 rate of the tax computed under paragraph one of subdivision (a) of  
24 section fifteen hundred two of this article was nine percent and (ii)  
25 the rate of the limitation on tax set forth in section fifteen hundred  
26 five of this article for domestic, foreign and alien insurance corpo-  
27 rations except life insurance corporations was two and six-tenths  
28 percent.

1 § 7. This act shall take effect immediately.

3 least thirty million dollars in annual production costs in the state, or  
4 (ii) at least ten million dollars in capital expenditures at a qualified  
5 production facility in the state.

6 § 3. Paragraph 4 of subdivision (e) of section 24 of the tax law, as

28 tax credit have been previously allocated, and determines that the pend-

2 production tax credit pursuant to section thirty-one of this [chapter]  
3 article is insufficient to utilize the balance of unallocated empire  
4 state film post production tax credits from such pool, the remainder,  
5 after such pending applications are considered, shall be made available  
6 for allocation in the empire state film tax credit pursuant to this

12 and determines that the pending applications from eligible applicants  
13 for the empire state film production tax credit pursuant to this section  
14 is insufficient to utilize the balance of unallocated film production  
15 tax credits from such pool, then all or part of the remainder, after  
16 such pending applications are considered, shall be made available for  
17 allocation for the empire state film post production credit pursuant to  
18 this section, subdivision forty-one of section two hundred ten and

14 tangible property or the performance of services in New York in the  
15 production of such qualified film equals or exceeds seventy-five percent  
16 of the total post production costs spent within and without New York in  
17 the production of such qualified film].

18 § 5. Paragraph 3 of subdivision (a) of section 31 of the tax law, as

21 the findings of deficiencies in the operation of such hot spot and shall  
22 allow and cooperate with such operator to remedy such findings in a

26 be allowed and are directed to share and exchange:

24 § 3. This act shall take effect immediately.

1 Section 1. Subparagraph 17 of paragraph (a) of subdivision 9 of  
2 section 208 of the tax law is REPEALED.

3 § 2. Paragraph (o) of subdivision 9 of section 208 of the tax law, as  
4 amended by section 1 of part M of chapter 686 of the laws of 2003,  
5 clause (A) of subparagraph 2 as amended by section 4 of part J of chap-  
6 ter 60 of the laws of 2007, is amended to read as follows:

7 (o) Related members expense add back [and income exclusion]. (1) Defi-  
8 nitions. (A) Related member [or members. For purposes of this paragraph,  
9 the term related member or members means a person, corporation, or other  
10 entity, including an entity that is treated as a partnership or other  
11 pass-through vehicle for purposes of federal taxation, whether such  
12 person, corporation or entity is a taxpayer or not, where one such  
13 person, corporation, or entity, or set of related persons, corporations  
14 or entities, directly or indirectly owns or controls a controlling  
15 interest in another entity. Such entity or entities may include all  
16 taxpayers under articles nine, nine-A, thirteen, twenty-two, thirty-two,  
17 thirty-three or thirty-three-A of this chapter]. "Related member" means  
18 a related person as defined in subparagraph (c) of paragraph three of  
19 subsection (b) of section four hundred sixty-five of the internal reven-  
20 ue code, except that "fifty percent" shall be substituted for "ten  
21 percent".

22 (B) [Controlling interest. A controlling interest shall mean (i) in  
23 the case of a corporation, either thirty percent or more of the total  
24 combined voting power of all classes of stock of such corporation, or  
25 thirty percent or more of the capital, profits or beneficial interest in  
26 such voting stock of such corporation, and (ii) in the case of a part-  
27 nership, association, trust or other entity, thirty percent or more of  
28 the capital, profits or beneficial interest in such partnership, associ-

1 ation, trust or other entity.] Effective rate of tax. "Effective rate of  
2 tax" means, as to any state or U.S. possession, the maximum statutory  
3 rate of tax imposed by the state or possession on or measured by a  
4 related member's net income multiplied by the apportionment percentage,  
5 if any, applicable to the related member under the laws of said juris-  
6 diction. For purposes of this definition, the effective rate of tax as  
7 to any state or U.S. possession is zero where the related member's net  
8 income tax liability in said jurisdiction is reported on a combined or  
9 consolidated return including both the taxpayer and the related member  
10 where the reported transactions between the taxpayer and the related  
11 member are eliminated or offset. Also, for purposes of this definition,  
12 when computing the effective rate of tax for a jurisdiction in which a  
13 related member's net income is eliminated or offset by a credit or simi-  
14 lar adjustment that is dependent upon the related member either main-  
15 taining or managing intangible property or collecting interest income in  
16 that jurisdiction, the maximum statutory rate of tax imposed by said  
17 jurisdiction shall be decreased to reflect the statutory rate of tax  
18 that applies to the related member as effectively reduced by such credit  
19 or similar adjustment.

20 (C) Royalty payments. Royalty payments are payments directly connected  
21 to the acquisition, use, maintenance or management, ownership, sale,  
22 exchange, or any other disposition of licenses, trademarks, copyrights,  
23 trade names, trade dress, service marks, mask works, trade secrets,  
24 patents and any other similar types of intangible assets as determined  
25 by the commissioner, and [includes] include amounts allowable as inter-  
26 est deductions under section one hundred sixty-three of the internal  
27 revenue code to the extent such amounts are directly or indirectly for,  
28 related to or in connection with the acquisition, use, maintenance or

1 management, ownership, sale, exchange or disposition of such intangible  
2 assets.

3 (D) Valid Business Purpose. A valid business purpose is one or more  
4 business purposes, other than the avoidance or reduction of taxation,  
5 which alone or in combination constitute the primary motivation for some  
6 business activity or transaction, which activity or transaction changes  
7 in a meaningful way, apart from tax effects, the economic position of  
8 the taxpayer. The economic position of the taxpayer includes an increase  
9 in the market share of the taxpayer, or the entry by the taxpayer into  
10 new business markets.

11 (2) Royalty expense add backs. (A) Except where a taxpayer is included  
12 in a combined report with a related member pursuant to subdivision four  
13 of section two hundred eleven of this article, for the purpose of  
14 computing entire net income or other applicable taxable basis, a taxpay-  
15 er must add back royalty payments [to a] directly or indirectly paid,  
16 accrued, or incurred in connection with one or more direct or indirect  
17 transactions with one or more related [member] members during the taxa-  
18 ble year to the extent deductible in calculating federal taxable income.

19 (B) [The add back of royalty payments shall not be required if and to  
20 the extent that such payments meet either of the following conditions:

21 (i) the related member during the same taxable year directly or indi-  
22 rectly paid or incurred the amount to a person or entity that is not a  
23 related member, and such transaction was done for a valid business  
24 purpose and the payments are made at arm's length;

25 (ii) the royalty payments are paid or incurred to a related member  
26 organized under the laws of a country other than the United States, are  
27 subject to a comprehensive income tax treaty between such country and

1 the United States, and are taxed in such country at a tax rate at least  
2 equal to that imposed by this state.

3 (3) Royalty income exclusions. For the purpose of computing entire net  
4 income or other taxable basis, a taxpayer shall be allowed to deduct  
5 royalty payments directly or indirectly received from a related member  
6 during the taxable year to the extent included in the taxpayer's federal  
7 taxable income unless such royalty payments would not be required to be  
8 added back under subparagraph two of this paragraph or other similar  
9 provision in this chapter.] Exceptions. (i) The adjustment required in  
10 this paragraph shall not apply to the portion of the royalty payment  
11 that the taxpayer establishes, by clear and convincing evidence of the  
12 type and in the form specified by the commissioner, meets all of the  
13 following requirements: (I) the related member was subject to tax in  
14 this state or another state or possession of the United States or a  
15 foreign nation or some combination thereof on a tax base that included  
16 the royalty payment paid, accrued or incurred by the taxpayer; (II) the  
17 related member during the same taxable year directly or indirectly paid,  
18 accrued or incurred such portion to a person that is not a related  
19 member; and (III) the transaction giving rise to the royalty payment  
20 between the taxpayer and the related member was undertaken for a valid  
21 business purpose.

22 (ii) The adjustment required in this paragraph shall not apply if the  
23 taxpayer establishes, by clear and convincing evidence of the type and  
24 in the form specified by the commissioner, that: (I) the related member  
25 was subject to tax on or measured by its net income in this state or  
26 another state or possession of the United States or some combination  
27 thereof; (II) the tax base for said tax included the royalty payment  
28 paid, accrued or incurred by the taxpayer; and (III) the aggregate

1 effective rate of tax applied to the related member in those jurisdic-  
2 tions is no less than eighty percent of the statutory rate of tax that  
3 applied to the taxpayer under section two hundred ten of this article  
4 for the taxable year.

5 (iii) The adjustment required in this paragraph shall not apply if the  
6 taxpayer establishes, by clear and convincing evidence of the type and  
7 in the form specified by the commissioner, that: (I) the royalty payment  
8 was paid, accrued or incurred to a related member organized under the  
9 laws of a country other than the United States; (II) the related  
10 member's income from the transaction was subject to a comprehensive  
11 income tax treaty between such country and the United States; (III) the  
12 related member was subject to tax in a foreign nation on a tax base that  
13 included the royalty payment paid, accrued or incurred by the taxpayer;  
14 (IV) the related member's income from the transaction was taxed in such  
15 country at an effective rate of tax at least equal to that imposed by  
16 this state; and (V) the royalty payment was paid, accrued or incurred  
17 pursuant to a transaction that was undertaken for a valid business  
18 purpose and using terms that reflect an arm's length relationship.

19 (iv) The adjustment required in this paragraph shall not apply if the  
20 taxpayer and the commissioner agree in writing to the application or use  
21 of alternative adjustments or computations. The commissioner may, in his  
22 or her discretion, agree to the application or use of alternative  
23 adjustments or computations when he or she concludes that in the absence  
24 of such agreement the income of the taxpayer would not be properly  
25 reflected.

26 § 3. Paragraph 6 of subdivision (a) of section 292 of the tax law, as  
27 amended by section 15 of part M of chapter 686 of the laws of 2003, is  
28 amended to read as follows:

1 (6) Related members expense add back [and income exclusion]. (A)  
2 Definitions. (i) Related member [or members. For purposes of this para-  
3 graph, the term related member or members means a person, corporation,  
4 or other entity, including an entity that is treated as a partnership or  
5 other pass-through vehicle for purposes of federal taxation, whether  
6 such person, corporation or entity is a taxpayer or not, where one such  
7 person, corporation, or entity, or set of related persons, corporations  
8 or entities, directly or indirectly owns or controls a controlling  
9 interest in another entity. Such entity or entities may include all  
10 taxpayers under article nine, nine-A, thirteen, twenty-two, thirty-two,  
11 thirty-three or thirty-three-A of this chapter]. "Related member" means  
12 a related person as defined in subparagraph (c) of paragraph three of  
13 subsection (b) of section four hundred sixty-five of the internal reven-  
14 ue code, except that "fifty percent" shall be substituted for "ten  
15 percent".

16 (ii) [Controlling interest. A controlling interest shall mean (I) in  
17 the case of a corporation, either thirty percent or more of the total  
18 combined voting power of all classes of stock of such corporation, or  
19 thirty percent or more of the capital, profits or beneficial interest in  
20 such voting stock of such corporation, and (II) in the case of a part-  
21 nership, association, trust or other entity, thirty percent or more of  
22 the capital, profits or beneficial interest in such partnership, associ-  
23 ation, trust or other entity.] Effective rate of tax. "Effective rate of  
24 tax" means, as to any state or U.S. possession, the maximum statutory  
25 rate of tax imposed by the state or possession on or measured by a  
26 related member's net income multiplied by the apportionment percentage,  
27 if any, applicable to the related member under the laws of said juris-  
28 dition. For purposes of this definition, the effective rate of tax as

1 to any state or U.S. possession is zero where the related member's net  
2 income tax liability in said jurisdiction is reported on a combined or  
3 consolidated return including both the taxpayer and the related member  
4 where the reported transactions between the taxpayer and the related  
5 member are eliminated or offset. Also, for purposes of this definition,  
6 when computing the effective rate of tax for a jurisdiction in which a  
7 related member's net income is eliminated or offset by a credit or simi-  
8 lar adjustment that is dependent upon the related member either main-  
9 taining or managing intangible property or collecting interest income in  
10 that jurisdiction, the maximum statutory rate of tax imposed by said  
11 jurisdiction shall be decreased to reflect the statutory rate of tax  
12 that applies to the related member as effectively reduced by such credit  
13 or similar adjustment.

14 (iii) Royalty payments. Royalty payments are payments directly  
15 connected to the acquisition, use, maintenance or management, ownership,  
16 sale, exchange, or any other disposition of licenses, trademarks, copy-  
17 rights, trade names, trade dress, service marks, mask works, trade  
18 secrets, patents and any other similar types of intangible assets as  
19 determined by the commissioner, and [includes] include amounts allowable  
20 as interest deductions under section one hundred sixty-three of the  
21 internal revenue code to the extent such amounts are directly or indi-  
22 rectly for, related to or in connection with the acquisition, use, main-  
23 tenance or management, ownership, sale, exchange or disposition of such  
24 intangible assets.

25 (iv) Valid business purpose. A valid business purpose is one or more  
26 business purposes other than the avoidance or reduction of taxation  
27 which alone or in combination constitute the primary motivation for some  
28 business activity or transaction, which activity or transaction changes

1 in a meaningful way, apart from tax effects, the economic position of  
2 the taxpayer. The economic position of the taxpayer includes an increase  
3 in the market share of the taxpayer, or the entry by the taxpayer into  
4 new business markets.

5 (B) Royalty expense add backs. (i) For the purpose of computing New  
6 York unrelated business taxable income, a taxpayer must add back royalty  
7 payments [to a] directly or indirectly paid, accrued, or incurred in  
8 connection with one or more direct or indirect transactions with one or  
9 more related [member] members during the taxable year to the extent  
10 deductible in calculating federal unrelated business taxable income;

11 (ii) [The add back of royalty payments shall not be required if and to  
12 the extent that such payments meet either of the following conditions:

13 (I) the related member during the same taxable year directly or indi-  
14 rectly paid or incurred the amount to a person or entity that is not a  
15 related member, and such transaction was done for a valid business and  
16 the payments are made at arm's length;

17 (II) the royalty payments are paid or incurred to a related member  
18 organized under the laws of a country other than the United States, are  
19 subject to a comprehensive income tax treaty between such country and  
20 the United States, and are taxed in such country at a tax rate at least  
21 equal to that imposed by this state.

22 (C) Royalty income exclusions. For the purpose of computing New York  
23 unrelated business taxable income, a taxpayer shall be allowed to deduct  
24 royalty payments directly or indirectly received from a related member  
25 during the taxable year to the extent included in the taxpayer's federal  
26 taxable income unless such royalty payments would not be required to be  
27 added back under subparagraph (B) of this paragraph or other similar  
28 provision in this chapter.] Exceptions. (I) The adjustment required in

1 this paragraph shall not apply to the portion of the royalty payment  
2 that the taxpayer establishes, by clear and convincing evidence of the  
3 type and in the form specified by the commissioner, meets all of the  
4 following requirements: (a) the related member was subject to tax in  
5 this state or another state or possession of the United States or a  
6 foreign nation or some combination thereof on a tax base that included  
7 the royalty payment paid, accrued or incurred by the taxpayer; (b) the  
8 related member during the same taxable year directly or indirectly paid,  
9 accrued or incurred such portion to a person that is not a related  
10 member; and (c) the transaction giving rise to the royalty payment  
11 between the taxpayer and the related member was undertaken for a valid  
12 business purpose.

13 (II) The adjustment required in this paragraph shall not apply if the  
14 taxpayer establishes, by clear and convincing evidence of the type and  
15 in the form specified by the commissioner, that: (a) the related member  
16 was subject to tax on or measured by its net income in this state or  
17 another state or possession of the United States or some combination  
18 thereof; (b) the tax base for said tax included the royalty payment  
19 paid, accrued or incurred by the taxpayer; and (c) the aggregate effec-  
20 tive rate of tax applied to the related member in those jurisdictions is  
21 no less than eighty percent of the statutory rate of tax that applied to  
22 the taxpayer under section two hundred ninety of this article for the  
23 taxable year.

24 (III) The adjustment required in this paragraph shall not apply if the  
25 taxpayer establishes, by clear and convincing evidence of the type and  
26 in the form specified by the commissioner, that: (a) the royalty payment  
27 was paid, accrued or incurred to a related member organized under the  
28 laws of a country other than the United States; (b) the related member's

1 income from the transaction was subject to a comprehensive income tax  
2 treaty between such country and the United States; (c) the related  
3 member was subject to tax in a foreign nation on a tax base that  
4 included the royalty payment paid, accrued or incurred by the taxpayer;  
5 (d) the related member's income from the transaction was taxed in such  
6 country at an effective rate of tax at least equal to that imposed by  
7 this state; and (e) the royalty payment was paid, accrued or incurred  
8 pursuant to a transaction that was undertaken for a valid business  
9 purpose and using terms that reflect an arm's length relationship.

10 (IV) The adjustment required in this paragraph shall not apply if the  
11 taxpayer and the commissioner agree in writing to the application or use  
12 of alternative adjustments or computations. The commissioner may, in his  
13 or her discretion, agree to the application or use of alternative  
14 adjustments or computations when he or she concludes that in the absence  
15 of such agreement the income of the taxpayer would not be properly  
16 reflected.

17 § 4. Paragraph 19 of subsection (c) of section 612 of the tax law is  
18 REPEALED.

19 § 5. Subsection (r) of section 612 of the tax law, as amended by  
20 section 3 of part M of chapter 686 of the laws of 2003, is amended to  
21 read as follows:

22 (r) Related members expense add back [and income exclusion]. (1)  
23 Definitions. (A) Related member [or members. For purposes of this  
24 subsection, the term related member or members means a person, corpo-  
25 ration, or other entity, including an entity that is treated as a part-  
26 nership or other pass-through vehicle for purposes of federal taxation,  
27 whether such person, corporation or entity is a taxpayer or not, where  
28 one such person, corporation, or entity, or set of related persons,

1 corporations or entities, directly or indirectly owns or controls a  
2 controlling interest in another entity. Such entity or entities may  
3 include all taxpayers under article nine, nine-A, thirteen, twenty-two,  
4 thirty-two, thirty-three or thirty-three-A of this chapter]. "Related  
5 member" means a related person as defined in subparagraph (c) of para-  
6 graph three of subsection (b) of section four hundred sixty-five of the  
7 internal revenue code, except that "fifty percent" shall be substituted  
8 for "ten percent".

9 (B) [Controlling interest. A controlling interest shall mean (i) in  
10 the case of a corporation, either thirty percent or more of the total  
11 combined voting power of all classes of stock of such corporation, or  
12 thirty percent or more of the capital, profits or beneficial interest in  
13 such voting stock of such corporation, and (ii) in the case of a part-  
14 nership, association, trust or other entity, thirty percent or more of  
15 the capital, profits or beneficial interest in such partnership, associ-  
16 ation, trust or other entity.] Effective rate of tax. "Effective rate  
17 of tax" means, as to any state or U.S. possession, the maximum statutory  
18 rate of tax imposed by the state or possession on or measured by a  
19 related member's net income multiplied by the apportionment percentage,  
20 if any, applicable to the related member under the laws of said juris-  
21 diction. For purposes of this definition, the effective rate of tax as  
22 to any state or U.S. possession is zero where the related member's net  
23 income tax liability in said jurisdiction is reported on a combined or  
24 consolidated return including both the taxpayer and the related member  
25 where the reported transactions between the taxpayer and the related  
26 member are eliminated or offset. Also, for purposes of this definition,  
27 when computing the effective rate of tax for a jurisdiction in which a  
28 related member's net income is eliminated or offset by a credit or simi-

1 lar adjustment that is dependent upon the related member either main-  
2 taining or managing intangible property or collecting interest income in  
3 that jurisdiction, the maximum statutory rate of tax imposed by said  
4 jurisdiction shall be decreased to reflect the statutory rate of tax  
5 that applies to the related member as effectively reduced by such credit  
6 or similar adjustment.

7 (C) Royalty payments. Royalty payments are payments directly connected  
8 to the acquisition, use, maintenance or management, ownership, sale,  
9 exchange, or any other disposition of licenses, trademarks, copyrights,  
10 trade names, trade dress, service marks, mask works, trade secrets,  
11 patents and any other similar types of intangible assets as determined  
12 by the commissioner, and [includes] include amounts allowable as inter-  
13 est deductions under section one hundred sixty-three of the internal  
14 revenue code to the extent such amounts are directly or indirectly for,  
15 related to or in connection with the acquisition, use, maintenance or  
16 management, ownership, sale, exchange or disposition of such intangible  
17 assets.

18 (D) Valid business purpose. A valid business purpose is one or more  
19 business purposes, other than the avoidance or reduction of taxation,  
20 which alone or in combination constitute the primary motivation for some  
21 business activity or transaction, which activity or transaction changes  
22 in a meaningful way, apart from tax effects, the economic position of  
23 the taxpayer. The economic position of the taxpayer includes an increase  
24 in the market share of the taxpayer, or the entry by the taxpayer into  
25 new business markets.

26 (2) Royalty expense add backs. (A) For the purpose of computing New  
27 York adjusted gross income, a taxpayer must add back royalty payments  
28 [to a] directly or indirectly paid, accrued, or incurred in connection

1 with one or more direct or indirect transactions with one or more  
2 related [member] members during the taxable year to the extent deduct-  
3 ible in calculating federal taxable income.

4 (B) [The add back of royalty payments shall not be required if and to  
5 the extent that such payments meet either of the following conditions:

6 (i) the related member during the same taxable year directly or indi-  
7 rectly paid or incurred the amount to a person or entity that is not a  
8 related member, and such transaction was done for a valid business and  
9 the payments are made at arm's length;

10 (ii) the royalty payments are paid or incurred to a related member  
11 organized under the laws of a country other than the United States, are  
12 subject to a comprehensive income tax treaty between such country and  
13 the United States, and are taxed in such country at a tax rate at least  
14 equal to that imposed by this state.

15 (3) Royalty income exclusions. For the purpose of computing New York  
16 adjusted gross income, a taxpayer shall be allowed to deduct royalty  
17 payments directly or indirectly received from a related member during  
18 the taxable year to the extent included in the taxpayer's federal taxa-  
19 ble income unless such royalty payments would not be required to be  
20 added back under paragraph two of this subsection or other similar  
21 provision in this chapter.] Exceptions. (i) The adjustment required in  
22 this subsection shall not apply to the portion of the royalty payment  
23 that the taxpayer establishes, by clear and convincing evidence of the  
24 type and in the form specified by the commissioner, meets all of the  
25 following requirements: (I) the related member was subject to tax in  
26 this state or another state or possession of the United States or a  
27 foreign nation or some combination thereof on a tax base that included  
28 the royalty payment paid, accrued or incurred by the taxpayer; (II) the

1 related member during the same taxable year directly or indirectly paid,  
2 accrued or incurred such portion to a person that is not a related  
3 member; and (III) the transaction giving rise to the royalty payment  
4 between the taxpayer and the related member was undertaken for a valid  
5 business purpose.

6 (ii) The adjustment required in this subsection shall not apply if the  
7 taxpayer establishes, by clear and convincing evidence of the type and  
8 in the form specified by the commissioner, that: (I) the related member  
9 was subject to tax on or measured by its net income in this state or  
10 another state or possession of the United States or some combination  
11 thereof; (II) the tax base for said tax included the royalty payment  
12 paid, accrued or incurred by the taxpayer; and (III) the aggregate  
13 effective rate of tax applied to the related member in those jurisdic-  
14 tions is no less than eighty percent of the statutory rate of tax that  
15 applied to the taxpayer under section six hundred one of this article  
16 for the taxable year.

17 (iii) The adjustment required in this subsection shall not apply if  
18 the taxpayer establishes, by clear and convincing evidence of the type  
19 and in the form specified by the commissioner, that: (I) the royalty  
20 payment was paid, accrued or incurred to a related member organized  
21 under the laws of a country other than the United States; (II) the  
22 related member's income from the transaction was subject to a comprehen-  
23 sive income tax treaty between such country and the United States; (III)  
24 the related member was subject to tax in a foreign nation on a tax base  
25 that included the royalty payment paid, accrued or incurred by the  
26 taxpayer; (IV) the related member's income from the transaction was  
27 taxed in such country at an effective tax rate at least equal to that  
28 imposed by this state; and (V) the royalty payment was paid, accrued or

1 incurred pursuant to a transaction that was undertaken for a valid busi-  
2 ness purpose and using terms that reflect an arm's length relationship.

3 (iv) The adjustment required in this subsection shall not apply if the  
4 taxpayer and the commissioner agree in writing to the application or use  
5 of alternative adjustments or computations. The commissioner may, in  
6 his or her discretion, agree to the application or use of alternative  
7 adjustments or computations when he or she concludes that in the absence  
8 of such agreement the income of the taxpayer would not be properly  
9 reflected.

10 § 6. Paragraph 17 of subsection (e) of section 1453 of the tax law is  
11 REPEALED.

12 § 7. Subsection (r) of section 1453 of the tax law, as amended by  
13 section 5 of part M of chapter 686 of the laws of 2003, subparagraph (A)  
14 of paragraph 2 as amended by section 5 of part J of chapter 60 of the  
15 laws of 2007, is amended to read as follows:

16 (r) Related members expense add back [and income exclusion]. (1)  
17 Definitions. (A) Related member [or members. For purposes of this  
18 subsection, the term related member or members means a person, corpo-  
19 ration, or other entity, including an entity that is treated as a part-  
20 nership or other pass-through vehicle for purposes of federal taxation,  
21 whether such person, corporation or entity is a taxpayer or not, where  
22 one such person, corporation, or entity, or set of related persons,  
23 corporations or entities, directly or indirectly owns or controls a  
24 controlling interest in another entity. Such entity or entities may  
25 include all taxpayers under article nine, nine-A, thirteen, twenty-two,  
26 thirty-two, thirty-three or thirty-three-A of this chapter]. "Related  
27 member" means a related person as defined in subparagraph (c) of para-  
28 graph three of subsection (b) of section four hundred sixty-five of the

1 internal revenue code, except that "fifty percent" shall be substituted  
2 for "ten percent".

3 (B) [Controlling interest. A controlling interest shall mean (i) in  
4 the case of a corporation, either thirty percent or more of the total  
5 combined voting power of all classes of stock of such corporation, or  
6 thirty percent or more of the capital, profits or beneficial interest in  
7 such voting stock of such corporation, and (ii) in the case of a part-  
8 nership, association, trust or other entity, thirty percent or more of  
9 the capital, profits or beneficial interest in such partnership, associ-  
10 ation, trust or other entity.] Effective rate of tax. "Effective rate of  
11 tax" means, as to any state or U.S. possession, the maximum statutory  
12 rate of tax imposed by the state or possession on or measured by a  
13 related member's net income multiplied by the apportionment percentage,  
14 if any, applicable to the related member under the laws of said juris-  
15 diction. For purposes of this definition, the effective rate of tax as  
16 to any state or U.S. possession is zero where the related member's net  
17 income tax liability in said jurisdiction is reported on a combined or  
18 consolidated return including both the taxpayer and the related member  
19 where the reported transactions between the taxpayer and the related  
20 member are eliminated or offset. Also, for purposes of this definition,  
21 when computing the effective rate of tax for a jurisdiction in which a  
22 related member's net income is eliminated or offset by a credit or simi-  
23 lar adjustment that is dependent upon the related member either main-  
24 taining or managing intangible property or collecting interest income in  
25 that jurisdiction, the maximum statutory rate of tax imposed by said  
26 jurisdiction shall be decreased to reflect the statutory rate of tax  
27 that applies to the related member as effectively reduced by such credit  
28 or similar adjustment.

1 (C) Royalty payments. Royalty payments are payments directly connected  
2 to the acquisition, use, maintenance or management, ownership, sale,  
3 exchange, or any other disposition of licenses, trademarks, copyrights,  
4 trade names, trade dress, service marks, mask works, trade secrets,  
5 patents and any other similar types of intangible assets as determined  
6 by the commissioner, and [includes] include amounts allowable as inter-  
7 est deductions under section one hundred sixty-three of the internal  
8 revenue code to the extent such amounts are directly or indirectly for,  
9 related to or in connection with the acquisition, use, maintenance or  
10 management, ownership, sale, exchange or disposition of such intangible  
11 assets.

12 (D) Valid business purpose. A valid business purpose is one or more  
13 business purposes, other than the avoidance or reduction of taxation,  
14 which alone or in combination constitute the primary motivation for some  
15 business activity or transaction, which activity or transaction changes  
16 in a meaningful way, apart from tax effects, the economic position of  
17 the taxpayer. The economic position of the taxpayer includes an increase  
18 in the market share of the taxpayer, or the entry by the taxpayer into  
19 new business markets.

20 (2) Royalty expense add backs. (A) Except where a taxpayer is included  
21 in a combined return with a related member pursuant to subsection (f) of  
22 section fourteen hundred sixty-two of this article, for the purpose of  
23 computing entire net income, a taxpayer must add back royalty payments  
24 [to a] directly or indirectly paid, accrued, or incurred in connection  
25 with one or more direct or indirect transactions with one or more  
26 related [member] members during the taxable year to the extent deduct-  
27 ible in calculating federal taxable income.

1 (B) [The add back of royalty payments shall not be required if and to  
2 the extent that such payments meet either of the following conditions:

3 (i) the related member during the same taxable year directly or indi-  
4 rectly paid or incurred the amount to a person or entity that is not a  
5 related member, and such transaction was done for a valid business and  
6 the payments are made at arm's length;

7 (ii) the royalty payments are paid or incurred to a related member  
8 organized under the laws of a country other than the United States, are  
9 subject to a comprehensive income tax treaty between such country and  
10 the United States, and are taxed in such country at a tax rate at least  
11 equal to that imposed by this state.

12 (3) Royalty income exclusions. For the purpose of computing entire net  
13 income, a taxpayer shall be allowed to deduct royalty payments directly  
14 or indirectly received from a related member during the taxable year to  
15 the extent included in the taxpayer's federal taxable income unless such  
16 royalty payments would not be required to be added back under paragraph  
17 two of this subsection or other similar provision in this chapter.]

18 Exceptions. (i) The adjustment required in this subsection shall not  
19 apply to the portion of the royalty payment that the taxpayer estab-  
20 lishes, by clear and convincing evidence of the type and in the form  
21 specified by the commissioner, meets all of the following requirements:

22 (I) the related member was subject to tax in this state or another state  
23 or possession of the United States or a foreign nation or some combina-  
24 tion thereof on a tax base that included the royalty payment paid,

26 same taxable year directly or indirectly paid, accrued or incurred such  
27 portion to a person that is not a related member; and (III) the trans-

5 in the form specified by the commissioner, that: (I) the related member  
6 was subject to tax on or measured by its net income in this state or  
7 another state or possession of the United States or some combination  
8 thereof; (II) the tax base for said tax included the royalty payment  
9 paid, accrued or incurred by the taxpayer; and (III) the aggregate  
10 effective rate of tax applied to the related member in those jurisdic-  
11 tions is no less than eighty percent of the statutory rate of tax that  
12 applied to the taxpayer under section fourteen hundred fifty-five of  
13 this article for the taxable year.

14 (iii) The adjustment required in this subsection shall not apply if  
15 the taxpayer establishes, by clear and convincing evidence of the type  
16 and in the form specified by the commissioner, that: (I) the royalty  
17 payment was paid, accrued or incurred to a related member organized  
18 under the laws of a country other than the United States; (II) the  
19 related member's income from the transaction was subject to a comprehen-  
20 sive income tax treaty between such country and the United States; (III)  
21 the related member was subject to tax in a foreign nation on a tax base  
22 that included the royalty payment paid, accrued or incurred by the  
23 taxpayer; (IV) the related member's income from the transaction was  
24 taxed in such country at an effective rate of tax at least equal to that  
25 imposed by this state; and (V) the royalty payment was paid, accrued or  
26 incurred pursuant to a transaction that was undertaken for a valid busi-  
27 ness purpose and using terms that reflect an arm's length relationship.

1 (iv) The adjustment required in this subsection shall not apply if the  
2 taxpayer and the commissioner agree in writing to the application or use  
3 of alternative adjustments or computations. The commissioner may, in his  
4 or her discretion, agree to the application or use of alternative  
5 adjustments or computations when he or she concludes that in the absence  
6 of such agreement the income of the taxpayer would not be properly  
7 reflected.

8 § 8. Paragraph 14 of subdivision (b) of section 1503 of the tax law,  
9 as amended by section 7 of part M of chapter 686 of the laws of 2003,  
10 clause (i) of subparagraph (B) as amended by section 6 of part J of  
11 chapter 60 of the laws of 2007, is amended to read as follows:

12 (14) Related members expense add back [and income exclusion]. (A)

17 such person, corporation or entity is a taxpayer or not, where one such  
18 person, corporation, or entity, or set of related persons, corporations  
19 or entities, directly or indirectly owns or controls a controlling  
20 interest in another entity. Such entity or entities may include all  
21 taxpayers under article nine, nine-A, thirteen, twenty-two, thirty-two,  
22 thirty-three or thirty-three-A of this chapter]. "Related member" means

13 income tax liability in said jurisdiction is reported on a combined or  
14 consolidated return including both the taxpayer and the related member  
15 where the reported transactions between the taxpayer and the related  
16 member are eliminated or offset. Also, for purposes of this definition,  
17 when computing the effective rate of tax for a jurisdiction in which a  
18 related member's net income is eliminated or offset by a credit or simi-  
19 lar adjustment that is dependent upon the related member either main-  
20 taining or managing intangible property or collecting interest income  
21 in that jurisdiction, the maximum statutory rate of tax imposed by said  
22 jurisdiction shall be decreased to reflect the statutory rate of tax  
23 that applies to the related member as effectively reduced by such credit  
24 or similar adjustment.

25 (iii) Royalty payments. Royalty payments are payments directly

1 secrets, patents and any other similar types of intangible assets as  
2 determined by the commissioner, and [includes] include amounts allowable  
3 as interest deductions under section one hundred sixty-three of the  
4 internal revenue code to the extent such amounts are directly or indi-  
5 rectly for, related to or in connection with the acquisition, use, main-  
6 tenance or management, ownership, sale, exchange or disposition of such  
7 intangible assets.

8 (iv) Valid business purpose. A valid business purpose is one or more  
9 business purposes, other than the avoidance or reduction of taxation,  
10 which alone or in combination constitute the primary motivation for some  
11 business activity or transaction, which activity or transaction changes  
12 in a meaningful way, apart from tax effects, the economic position of  
13 the taxpayer. The economic position of the taxpayer includes an increase  
14 in the market share of the taxpayer, or the entry by the taxpayer into  
15 new business markets.

16 (B) Royalty expense add backs. (i) Except where a taxpayer is included  
17 in a combined return with a related member pursuant to subdivision (f)  
18 of section fifteen hundred fifteen of this article, for the purpose of

20 [to a] directly or indirectly paid, accrued, or incurred in connection  
21 with one or more direct or indirect transactions with one or more  
22 related [member] members during the taxable year to the extent deduct-  
23 ible in calculating federal taxable income.

24 (ii) [The add back of royalty payments shall not be required if and to  
25 the extent that such payments meet either of the following conditions:

27 rectly paid or incurred the amount to a person or entity that is not a

1 related member, and such transaction was done for a valid business and  
2 the payments are made at arm's length;

3 (II) the royalty payments are paid or incurred to a related member  
4 organized under the laws of a country other than the United States, are  
5 subject to a comprehensive income tax treaty between such country and  
6 the United States, and are taxed in such country at a tax rate at least  
7 equal to that imposed by this state.

8 (C) Royalty income exclusions. For the purpose of computing entire net  
9 income, a taxpayer shall be allowed to deduct royalty payments directly  
10 or indirectly received from a related member during the taxable year to  
11 the extent included in the taxpayer's federal taxable income unless such  
12 royalty payments would not be required to be added back under subpara-  
13 graph (B) of this paragraph or other similar provision in this chapter.]

14 Exceptions. (I) The adjustment required in this paragraph shall not  
15 apply to the portion of the royalty payment that the taxpayer estab-  
16 lishes, by clear and convincing evidence of the type and in the form  
17 specified by the commissioner, meets all of the following requirements:  
18 (a) the related member was subject to tax in this state or another state  
19 or possession of the United States or a foreign nation or some combina-  
20 tion thereof on a tax base that included the royalty payment paid,  
21 accrued or incurred by the taxpayer; (b) the related member during the  
22 same taxable year directly or indirectly paid, accrued or incurred such  
23 portion to a person that is not a related member; and (c) the trans-  
24 action giving rise to the royalty payment between the taxpayer and the  
25 related member was undertaken for a valid business purpose.

26 (II) The adjustment required in this paragraph shall not apply if the  
27 taxpayer establishes, by clear and convincing evidence of the type and  
28 in the form specified by the commissioner, that: (a) the related member

1 was subject to tax on or measured by its net income in this state or  
2 another state or possession of the United States or some combination  
3 thereof; (b) the tax base for said tax included the royalty payment  
4 paid, accrued or incurred by the taxpayer; and (c) the aggregate effec-  
5 tive rate of tax applied to the related member in those jurisdictions is  
6 no less than eighty percent of the statutory rate of tax that applied to  
7 the taxpayer under section fifteen hundred two, fifteen hundred two-a,  
8 or fifteen hundred two-b of this article for the taxable year.

9 (III) The adjustment required in this paragraph shall not apply if the  
10 taxpayer establishes, by clear and convincing evidence of the type and  
11 in the form specified by the commissioner, that: (a) the royalty payment  
12 was paid, accrued or incurred to a related member organized under the  
13 laws of a country other than the United States; (b) the related member's  
14 income from the transaction was subject to a comprehensive income tax  
15 treaty between such country and the United States; (c) the related  
16 member was subject to tax in a foreign nation on a tax base that  
17 included the royalty payment paid, accrued or incurred by the taxpayer;  
18 (d) the related member's income from the transaction was taxed in such  
19 country at an effective rate of tax at least equal to that imposed by  
20 this state; and (e) the royalty payment was paid, accrued or incurred  
21 pursuant to a transaction that was undertaken for a valid business  
22 purpose and using terms that reflect an arm's length relationship.

23 (IV) The adjustment required in this paragraph shall not apply if the  
24 taxpayer and the commissioner agree in writing to the application or use  
25 of alternative adjustments or computations. The commissioner may, in his  
26 or her discretion, agree to the application or use of alternative  
27 adjustments or computations when he or she concludes that in the absence

1 of such agreement the income of the taxpayer would not be properly  
2 reflected.

3 § 9. Subdivision (e) of section 11-506 of the administrative code of  
4 the city of New York, as added by section 17 of part M of chapter 686 of  
5 the laws of 2003 and as relettered by chapter 633 of the laws of 2005,  
6 is amended to read as follows:

7 (e) Related members expense add back [and income exclusion]. (1)  
8 Definitions. (A) Related member [or members. For purposes of this subdi-  
9 vision, the term related member or members means a person, corporation,  
10 or other entity, including an entity that is treated as a partnership or  
11 other pass-through vehicle for purposes of federal taxation, whether  
12 such person, corporation or entity is a taxpayer or not, where one such  
13 person, corporation, or entity, or set of related persons, corporations  
14 or entities, directly or indirectly owns or controls a controlling  
15 interest in another entity. Such entity or entities may include all  
16 taxpayers under this title]. "Related member" means a related person as  
17 defined in subparagraph (c) of paragraph three of subsection (b) of  
18 section four hundred sixty-five of the internal revenue code, except  
19 that "fifty percent" shall be substituted for "ten percent".

20 (B) [Controlling interest. A controlling interest shall mean (i) in  
21 the case of a corporation, either thirty percent or more of the total  
22 combined voting power of all classes of stock of such corporation, or  
23 thirty percent or more of the capital, profits or beneficial interest in  
24 such voting stock of such corporation, and (ii) in the case of a part-  
25 nership, association, trust or other entity, thirty percent or more of  
26 the capital, profits or beneficial interest in such partnership, associ-  
27 ation, trust or other entity.] Effective rate of tax. "Effective rate of  
28 tax" means, as to any city, the maximum statutory rate of tax imposed by

1 the city on or measured by a related member's net income multiplied by  
2 the apportionment percentage, if any, applicable to the related member  
3 under the laws of said jurisdiction. For purposes of this definition,  
4 the effective rate of tax as to any city is zero where the related  
5 member's net income tax liability in said city is reported on a combined  
6 or consolidated return including both the taxpayer and the related  
7 member where the reported transactions between the taxpayer and the  
8 related member are eliminated or offset. Also, for purposes of this  
9 definition, when computing the effective rate of tax for a city in which  
10 a related member's net income is eliminated or offset by a credit or  
11 similar adjustment that is dependent upon the related member either  
12 maintaining or managing intangible property or collecting interest  
13 income in that city, the maximum statutory rate of tax imposed by said  
14 city shall be decreased to reflect the statutory rate of tax that  
15 applies to the related member as effectively reduced by such credit or  
16 similar adjustment.

17 (C) Royalty payments. Royalty payments are payments directly connected  
18 to the acquisition, use, maintenance or management, ownership, sale,  
19 exchange, or any other disposition of licenses, trademarks, copyrights,  
20 trade names, trade dress, service marks, mask works, trade secrets,  
21 patents and any other similar types of intangible assets as determined  
22 by the commissioner of finance, and [includes] include amounts allowable  
23 as interest deductions under section one hundred sixty-three of the  
24 internal revenue code to the extent such amounts are directly or indi-  
25 rectly for, related to or in connection with the acquisition, use, main-  
26 tenance or management, ownership, sale, exchange or disposition of such  
27 intangible assets.

1 (D) Valid business purpose. A valid business purpose is one or more  
2 business purposes, other than the avoidance or reduction of taxation,  
3 which alone or in combination constitute the primary motivation for some  
4 business activity or transaction, which activity or transaction changes  
5 in a meaningful way, apart from tax effects, the economic position of  
6 the taxpayer. The economic position of the taxpayer includes an increase  
7 in the market share of the taxpayer, or the entry by the taxpayer into  
8 new business markets.

9 (2) Royalty expense add backs. (A) For the purpose of computing unin-  
10 corporated business entire net income, a taxpayer must add back royalty  
11 payments [to a] directly or indirectly paid, accrued, or incurred in  
12 connection with one or more direct or indirect transactions with one or  
13 more related [member] members during the taxable year to the extent  
14 deductible in calculating federal taxable income.

15 (B) [The add back of royalty payments shall not be required if and to  
16 the extent that such payments meet either of the following conditions:

17 (i) the related member during the same taxable year directly or indi-  
18 rectly paid or incurred the amount to a person or entity that is not a  
19 related member, and such transaction was done for a valid business and  
20 the payments are made at arm's length;

21 (ii) the royalty payments are paid or incurred to a related member  
22 organized under the laws of a country other than the United States, are  
23 subject to a comprehensive income tax treaty between such country and  
24 the United States, and are taxed in such country at a tax rate at least  
25 equal to that imposed by this state.

26 (3) Royalty income exclusions. For the purpose of computing unincorpo-  
27 rated business entire net income, a taxpayer shall be allowed to deduct  
28 royalty payments directly or indirectly received from a related member

1 during the taxable year to the extent included in the taxpayer's federal  
2 taxable income unless such royalty payments would not be required to be  
3 added back under paragraph two of this subdivision or other similar  
4 provision in this chapter.] Exceptions. (i) The adjustment required in  
5 this subdivision shall not apply to the portion of the royalty payment  
6 that the taxpayer establishes, by clear and convincing evidence of the  
7 type and in the form specified by the commissioner of finance, meets all  
8 of the following requirements: (I) the related member was subject to tax  
9 in this city or another city within the United States or a foreign  
10 nation or some combination thereof on a tax base that included the  
11 royalty payment paid, accrued or incurred by the taxpayer; (II) the  
12 related member during the same taxable year directly or indirectly paid,  
13 accrued or incurred such portion to a person that is not a related  
14 member; and (III) the transaction giving rise to the royalty payment  
15 between the taxpayer and the related member was undertaken for a valid  
16 business purpose.

17 (ii) The adjustment required in this subdivision shall not apply if  
18 the taxpayer establishes, by clear and convincing evidence of the type  
19 and in the form specified by the commissioner of finance, that: (I) the  
20 related member was subject to tax on or measured by its net income in  
21 this city or another city within the United States, or some combination  
22 thereof; (II) the tax base for said tax included the royalty payment  
23 paid, accrued or incurred by the taxpayer; and (III) the aggregate  
24 effective rate of tax applied to the related member in those jurisdic-  
25 tions is no less than eighty percent of the statutory rate of tax that  
26 applied to the taxpayer under section 11-503 of this chapter for the  
27 taxable year.

1 (iii) The adjustment required in this subdivision shall not apply if  
2 the taxpayer establishes, by clear and convincing evidence of the type  
3 and in the form specified by the commissioner of finance, that: (I) the  
4 royalty payment was paid, accrued or incurred to a related member organ-  
5 ized under the laws of a country other than the United States; (II) the  
6 related member's income from the transaction was subject to a comprehen-  
7 sive income tax treaty between such country and the United States; (III)  
8 the related member was subject to tax in a foreign nation on a tax base  
9 that included the royalty payment paid, accrued or incurred by the  
10 taxpayer; (IV) the related member's income from the transaction was  
11 taxed in such country at an effective rate of tax at least equal to that  
12 imposed by this city; and (V) the royalty payment was paid, accrued or  
13 incurred pursuant to a transaction that was undertaken for a valid busi-  
14 ness purpose and using terms that reflect an arm's length relationship.

15 (iv) The adjustment required in this subdivision shall not apply if  
16 the taxpayer and the commissioner of finance agree in writing to the  
17 application or use of alternative adjustments or computations. The  
18 commissioner of finance may, in his or her discretion, agree to the  
19 application or use of alternative adjustments or computations when he or  
20 she concludes that in the absence of such agreement the income of the  
21 taxpayer would not be properly reflected.

22 § 10. Paragraph (n) of subdivision 8 of section 11-602 of the adminis-  
23 trative code of the city of New York, as amended by section 19 of part M  
24 of chapter 686 of the laws of 2003, is amended to read as follows:

25 (n) Related members expense add back [and income exclusion]. (1)  
26 Definitions. (A) Related member [or members. For purposes of this para-  
27 graph, the term related member or members means a person, corporation,  
28 or other entity, including an entity that is treated as a partnership or

1 other pass-through vehicle for purposes of federal taxation, whether  
2 such person, corporation or entity is a taxpayer or not, where one such  
3 person, corporation, or entity, or set of related persons, corporations  
4 or entities, directly or indirectly owns or controls a controlling  
5 interest in another entity. Such entity or entities may include all  
6 taxpayers under this title]. "Related member" means a related person as  
7 defined in subparagraph (c) of paragraph three of subsection (b) of  
8 section four hundred sixty-five of the internal revenue code, except  
9 that "fifty percent" shall be substituted for "ten percent".

10 (B) [Controlling interest. A controlling interest shall mean (i) in  
11 the case of a corporation, either thirty percent or more of the total  
12 combined voting power of all classes of stock of such corporation, or  
13 thirty percent or more of the capital, profits or beneficial interest in  
14 such voting stock of such corporation, and (ii) in the case of a part-  
15 nership, association, trust or other entity, thirty percent or more of  
16 the capital, profits or beneficial interest in such partnership, associ-  
17 ation, trust or other entity.] Effective rate of tax. "Effective rate of  
18 tax" means, as to any city, the maximum statutory rate of tax imposed by  
19 the city on or measured by a related member's net income multiplied by  
20 the apportionment percentage, if any, applicable to the related member  
21 under the laws of said jurisdiction. For purposes of this definition,  
22 the effective rate of tax as to any city is zero where the related  
23 member's net income tax liability in said city is reported on a combined  
24 or consolidated return including both the taxpayer and the related  
25 member where the reported transactions between the taxpayer and the  
26 related member are eliminated or offset. Also, for purposes of this  
27 definition, when computing the effective rate of tax for a city in which  
28 a related member's net income is eliminated or offset by a credit or

1 similar adjustment that is dependent upon the related member either  
2 maintaining or managing intangible property or collecting interest  
3 income in that city, the maximum statutory rate of tax imposed by said  
4 city shall be decreased to reflect the statutory rate of tax that  
5 applies to the related member as effectively reduced by such credit or  
6 similar adjustment.

7 (C) Royalty payments. Royalty payments are payments directly connected  
8 to the acquisition, use, maintenance or management, ownership, sale,  
9 exchange, or any other disposition of licenses, trademarks, copyrights,  
10 trade names, trade dress, service marks, mask works, trade secrets,  
11 patents and any other similar types of intangible assets as determined  
12 by the commissioner of finance, and [includes] include amounts allowable  
13 as interest deductions under section one hundred sixty-three of the  
14 internal revenue code to the extent such amounts are directly or indi-  
15 rectly for, related to or in connection with the acquisition, use, main-  
16 tenance or management, ownership, sale, exchange or disposition of such  
17 intangible assets.

18 (D) Valid business purpose. A valid business purpose is one or more  
19 business purposes, other than the avoidance or reduction of taxation,  
20 which alone or in combination constitute the primary motivation for some  
21 business activity or transaction, which activity or transaction changes  
22 in a meaningful way, apart from tax effects, the economic position of  
23 the taxpayer. The economic position of the taxpayer includes an increase  
24 in the market share of the taxpayer, or the entry by the taxpayer into  
25 new business markets.

26 (2) Royalty expense add backs. (A) For the purpose of computing entire  
27 net income or other applicable taxable basis, a taxpayer must add back  
28 royalty payments [to a] directly or indirectly paid, accrued, or

1 incurred in connection with one or more direct or indirect transactions  
2 with one or more related [member] members during the taxable year to the  
3 extent deductible in calculating federal taxable income.

4 (B) [The add back of royalty payments shall not be required if and to  
5 the extent that such payments meet either of the following conditions:

6 (i) the related member during the same taxable year directly or indi-  
7 rectly paid or incurred the amount to a person or entity that is not a  
8 related member, and such transaction was done for a valid business  
9 purpose and the payments are made at arm's length;

10 (ii) the royalty payments are paid or incurred to a related member  
11 organized under the laws of a country other than the United States, are

13 the United States, and are taxed in such country at a tax rate at least  
14 equal to that imposed by this state.

15 (3) Royalty income exclusions. For the purpose of computing entire net  
16 income or other taxable basis, a taxpayer shall be allowed to deduct  
17 royalty payments directly or indirectly received from a related member  
18 during the taxable year to the extent included in the taxpayer's federal  
19 taxable income unless such royalty payments would not be required to be  
20 added back under subparagraph two of this paragraph or other similar  
21 provision in this chapter.] Exceptions. (i) The adjustment required in  
22 this paragraph shall not apply to the portion of the royalty payment  
23 that the taxpayer establishes, by clear and convincing evidence of the  
24 type and in the form specified by the commissioner of finance, meets all  
25 of the following requirements: (I) the related member was subject to tax  
26 in this city or another city within the United States or a foreign  
27 nation or some combination thereof on a tax base that included the

1 related member during the same taxable year directly or indirectly paid,  
2 accrued or incurred such portion to a person that is not a related  
3 member; and (III) the transaction giving rise to the royalty payment  
4 between the taxpayer and the related member was undertaken for a valid  
5 business purpose.

6 (ii) The adjustment required in this paragraph shall not apply if the  
7 taxpayer establishes, by clear and convincing evidence of the type and  
8 in the form specified by the commissioner of finance, that: (I) the  
9 related member was subject to tax on or measured by its net income in  
10 this city or another city within the United States, or some combination  
11 thereof; (II) the tax base for said tax included the royalty payment  
12 paid, accrued or incurred by the taxpayer; and (III) the aggregate  
13 effective rate of tax applied to the related member in those jurisdic-  
14 tions is no less than eighty percent of the statutory rate of tax that  
15 applied to the taxpayer under section 11-604 of this subchapter for the  
16 taxable year.

17 (iii) The adjustment required in this paragraph shall not apply if the  
18 taxpayer establishes, by clear and convincing evidence of the type and  
19 in the form specified by the commissioner of finance, that: (I) the  
20 royalty payment was paid, accrued or incurred to a related member organ-  
21 ized under the laws of a country other than the United States; (II) the  
22 related member's income from the transaction was subject to a comprehen-  
23 sive income tax treaty between such country and the United States; (III)  
24 the related member was subject to tax in a foreign nation on a tax base  
25 that included the royalty payment paid, accrued or incurred by the  
26 taxpayer; (IV) the related member's income from the transaction was  
27 taxed in such country at an effective rate of tax at least equal to that  
28 imposed by this city; and (V) the royalty payment was paid, accrued or

1 incurred pursuant to a transaction that was undertaken for a valid busi-  
2 ness purpose and using terms that reflect an arm's length relationship.

4 taxpayer and the commissioner of finance agree in writing to the appli-  
5 cation or use of alternative adjustments or computations. The commis-  
6 sioner of finance may, in his or her discretion, agree to the applica-  
7 tion or use of alternative adjustments or computations when he or she  
8 concludes that in the absence of such agreement the income of the  
9 taxpayer would not be properly reflected.

10 § 11. Subdivision (q) of section 11-641 of the administrative code of  
11 the city of New York, as added by section 21 of part M of chapter 686 of  
12 the laws of 2003, is amended to read as follows:

13 (q) Related members expense add back [and income exclusion]. (1)  
14 Definitions. (A) Related member [or members. For purposes of this subdi-  
15 vision, the term related member or members means a person, corporation,  
16 or other entity, including an entity that is treated as a partnership or  
17 other pass-through vehicle for purposes of federal taxation, whether  
18 such person, corporation or entity is a taxpayer or not, where one such  
19 person, corporation, or entity, or set of related persons, corporations  
20 or entities, directly or indirectly owns or controls a controlling  
21 interest in another entity. Such entity or entities may include all  
22 taxpayers under this title]. "Related member" means a related person as  
23 defined in subparagraph (c) of paragraph three of subsection (b) of  
24 section four hundred sixty-five of the internal revenue code, except  
25 that "fifty percent" shall be substituted for "ten percent".

26 (B) [Controlling interest. A controlling interest shall mean (i) in  
27 the case of a corporation, either thirty percent or more of the total  
28 combined voting power of all classes of stock of such corporation, or

1 thirty percent or more of the capital, profits or beneficial interest in  
2 such voting stock of such corporation, and (ii) in the case of a part-  
3 nership, association, trust or other entity, thirty percent or more of  
4 the capital, profits or beneficial interest in such partnership, associ-  
5 ation, trust or other entity.] Effective rate of tax. "Effective rate  
6 of tax" means, as to any city, the maximum statutory rate of tax imposed  
7 by the city on or measured by a related member's net income multiplied  
8 by the apportionment percentage, if any, applicable to the related  
9 member under the laws of said jurisdiction. For purposes of this defi-  
10 inition, the effective rate of tax as to any city is zero where the  
11 related member's net income tax liability in said city is reported on a  
12 combined or consolidated return including both the taxpayer and the  
13 related member where the reported transactions between the taxpayer and  
14 the related member are eliminated or offset. Also, for purposes of this  
15 definition, when computing the effective rate of tax for a city in which  
16 a related member's net income is eliminated or offset by a credit or  
17 similar adjustment that is dependent upon the related member either  
18 maintaining or managing intangible property or collecting interest  
19 income in that city, the maximum statutory rate of tax imposed by said  
20 city shall be decreased to reflect the statutory rate of tax that  
21 applies to the related member as effectively reduced by such credit or  
22 similar adjustment.

23 (C) Royalty payments. Royalty payments are payments directly connected  
24 to the acquisition, use, maintenance or management, ownership, sale,  
25 exchange, or any other disposition of licenses, trademarks, copyrights,  
26 trade names, trade dress, service marks, mask works, trade secrets,  
27 patents and any other similar types of intangible assets as determined  
28 by the commissioner of finance, and [includes] include amounts allowable

1 as interest deductions under section one hundred sixty-three of the  
2 internal revenue code to the extent such amounts are directly or indi-  
3 rectly for, related to or in connection with the acquisition, use, main-  
4 tenance or management, ownership, sale, exchange or disposition of such  
5 intangible assets.

6 (D) Valid business purpose. A valid business purpose is one or more  
7 business purposes, other than the avoidance or reduction of taxation,  
8 which alone or in combination constitute the primary motivation for some  
9 business activity or transaction, which activity or transaction changes  
10 in a meaningful way, apart from tax effects, the economic position of  
11 the taxpayer. The economic position of the taxpayer includes an increase  
12 in the market share of the taxpayer, or the entry by the taxpayer into  
13 new business markets.

14 (2) Royalty expense add backs. (A) For the purpose of computing entire  
15 net income, a taxpayer must add back royalty payments [to a] directly or  
16 indirectly paid, accrued, or incurred in connection with one or more  
17 direct or indirect transactions with one or more related [member]  
18 members during the taxable year to the extent deductible in calculating  
19 federal taxable income.

20 (B) [The add back of royalty payments shall not be required if and to  
21 the extent that such payments meet either of the following conditions:

22 (i) the related member during the same taxable year directly or indi-  
23 rectly paid or incurred the amount to a person or entity that is not a  
24 related member, and such transaction was done for a valid business and  
25 the payments are made at arm's length;

26 (ii) the royalty payments are paid or incurred to a related member  
27 organized under the laws of a country other than the United States, are  
28 subject to a comprehensive income tax treaty between such country and

1 the United States, and are taxed in such country at a tax rate at least  
2 equal to that imposed by this state.

3 (3) Royalty income exclusions. For the purpose of computing entire net  
4 income, a taxpayer shall be allowed to deduct royalty payments directly  
5 or indirectly received from a related member during the taxable year to  
6 the extent included in the taxpayer's federal taxable income unless such  
7 royalty payments would not be required to be added back under paragraph  
8 two of this subdivision or other similar provision in this chapter.]  
9 Exceptions. (i) The adjustment required in this subdivision shall not  
10 apply to the portion of the royalty payment that the taxpayer estab-  
11 lishes, by clear and convincing evidence of the type and in the form  
12 specified by the commissioner of finance, meets all of the following  
13 requirements: (I) the related member was subject to tax in this city or  
14 another city within the United States or a foreign nation or some combi-  
15 nation thereof on a tax base that included the royalty payment paid,  
16 accrued or incurred by the taxpayer; (II) the related member during the  
17 same taxable year directly or indirectly paid, accrued or incurred such  
18 portion to a person that is not a related member; and (III) the trans-  
19 action giving rise to the royalty payment between the taxpayer and the  
20 related member was undertaken for a valid business purpose.

21 (ii) The adjustment required in this subdivision shall not apply if  
22 the taxpayer establishes, by clear and convincing evidence of the type  
23 and in the form specified by the commissioner of finance, that: (I) the  
24 related member was subject to tax on or measured by its net income in  
25 this city or another city within the United States, or some combination  
26 thereof; (II) the tax base for said tax included the royalty payment  
27 paid, accrued or incurred by the taxpayer; and (III) the aggregate  
28 effective rate of tax applied to the related member in those jurisdic-

1 tions is no less than eighty percent of the statutory rate of tax that  
2 applied to the taxpayer under section 11-643.5 of this part for the  
3 taxable year.

4 (iii) The adjustment required in this subdivision shall not apply if  
5 the taxpayer establishes, by clear and convincing evidence of the type  
6 and in the form specified by the commissioner of finance, that: (I) the  
7 royalty payment was paid, accrued or incurred to a related member organ-  
8 ized under the laws of a country other than the United States; (II) the  
9 related member's income from the transaction was subject to a comprehen-  
10 sive income tax treaty between such country and the United States; (III)  
11 the related member was subject to tax in a foreign nation on a tax base  
12 that included the royalty payment paid, accrued or incurred by the  
13 taxpayer; (IV) the related member's income from the transaction was  
14 taxed in such country at an effective rate of tax at least equal to that  
15 imposed by this city; and (V) the royalty payment was paid, accrued or  
16 incurred pursuant to a transaction that was undertaken for a valid busi-  
17 ness purpose and using terms that reflect an arm's length relationship.

18 (iv) The adjustment required in this subdivision shall not apply if  
19 the taxpayer and the commissioner of finance agree in writing to the  
20 application or use of alternative adjustments or computations. The  
21 commissioner of finance may, in his or her discretion, agree to the  
22 application or use of alternative adjustments or computations when he or  
23 she concludes that in the absence of such agreement the income of the  
24 taxpayer would not be properly reflected.

25 § 12. Subdivision (t) of section 11-1712 of the administrative code of  
26 the city of New York, as added by section 26 of part M of chapter 686 of  
27 the laws of 2003, is amended to read as follows:

1 (t) Related members expense add back [and income exclusion]. (1)  
2 Definitions. (A) Related member [or members. For purposes of this subdi-  
3 vision, the term related member or members means a person, corporation,  
4 or other entity, including an entity that is treated as a partnership or  
5 other pass-through vehicle for purposes of federal taxation, whether  
6 such person, corporation or entity is a taxpayer or not, where one such  
7 person, corporation or entity, or set of related persons, corporations  
8 or entities, directly or indirectly owns or controls a controlling  
9 interest in another entity. Such entity or entities may include all  
10 taxpayers under this title]. "Related member" means a related person as  
11 defined in subparagraph (c) of paragraph three of subsection (b) of  
12 section four hundred sixty-five of the internal revenue code, except  
13 that "fifty percent" shall be substituted for "ten percent".

14 (B) [Controlling interest. A controlling interest shall mean (i) in  
15 the case of a corporation, either thirty percent or more of the total  
16 combined voting power of all classes of stock of such corporation, or  
17 thirty percent or more of the capital, profits or beneficial interest in  
18 such voting stock of such corporation, and (ii) in the case of a part-  
19 nership, association, trust or other entity, thirty percent or more of  
20 the capital, profits or beneficial interest in such partnership, associ-  
21 ation, trust or other entity.] Effective rate of tax. "Effective rate of  
22 tax" means, as to any city, the maximum statutory rate of tax imposed by  
23 the city on or measured by a related member's net income multiplied by  
24 the apportionment percentage, if any, applicable to the related member  
25 under the laws of said jurisdiction. For purposes of this definition,  
26 the effective rate of tax as to any city is zero where the related  
27 member's net income tax liability in said city is reported on a combined  
28 or consolidated return including both the taxpayer and the related

1 member where the reported transactions between the taxpayer and the  
2 related member are eliminated or offset. Also, for purposes of this  
3 definition, when computing the effective rate of tax for a city in which  
4 a related member's net income is eliminated or offset by a credit or  
5 similar adjustment that is dependent upon the related member either  
6 maintaining or managing intangible property or collecting interest  
7 income in that city, the maximum statutory rate of tax imposed by said  
8 city shall be decreased to reflect the statutory rate of tax that  
9 applies to the related member as effectively reduced by such credit or  
10 similar adjustment.

11 (C) Royalty payments. Royalty payments are payments directly connected  
12 to the acquisition, use, maintenance or management, ownership, sale,  
13 exchange, or any other disposition of licenses, trademarks, copyrights,  
14 trade names, trade dress, service marks, mask works, trade secrets,  
15 patents and any other similar types of intangible assets as determined  
16 by the state commissioner of taxation and finance, and [includes]  
17 include amounts allowable as interest deductions under section one  
18 hundred sixty-three of the internal revenue code to the extent such  
19 amounts are directly or indirectly for, related to or in connection with  
20 the acquisition, use, maintenance or management, ownership, sale,  
21 exchange or disposition of such intangible assets.

22 (D) Valid business purpose. A valid business purpose is one or more  
23 business purposes, other than the avoidance or reduction of taxation,  
24 which alone or in combination constitute the primary motivation for some  
25 business activity or transaction, which activity or transaction changes  
26 in a meaningful way, apart from tax effects, the economic position of  
27 the taxpayer. The economic position of the taxpayer includes an increase

1 in the market share of the taxpayer, or the entry by the taxpayer into  
2 new business markets.

3 (2) Royalty expense add backs. (A) For the purpose of computing city  
4 adjusted gross income, a taxpayer must add back royalty payments [to a]  
5 directly or indirectly paid, accrued, or incurred in connection with one  
6 or more direct or indirect transactions with one or more related  
7 [member] members during the taxable year to the extent deductible in  
8 calculating federal taxable income.

9 (B) [The add back of royalty payments shall not be required if and to  
10 the extent that such payments meet either of the following conditions:

11 (i) the related member during the same taxable year directly or indi-  
12 rectly paid or incurred the amount to a person or entity that is not a  
13 related member, and such transaction was done for a valid business and  
14 the payments are made at arm's length;

15 (ii) the royalty payments are paid or incurred to a related member  
16 organized under the laws of a country other than the United States, are  
17 subject to a comprehensive income tax treaty between such country and  
18 the United States, and are taxed in such country at a tax rate at least  
19 equal to that imposed by this state.

20 (3) Royalty income exclusions. (A) For the purpose of computing city  
21 adjusted gross income, a taxpayer shall be allowed to deduct royalty  
22 payments directly or indirectly received from a related member during  
23 the taxable year to the extent included in the taxpayer's federal taxa-  
24 ble income unless such royalty payments would not be required to be  
25 added back under paragraph two of this subdivision or other similar  
26 provision in this title.] Exceptions. (i) The adjustment required in  
27 this subdivision shall not apply to the portion of the royalty payment  
28 that the taxpayer establishes, by clear and convincing evidence of the

1 type and in the form specified by the commissioner of finance, meets all  
2 of the following requirements: (I) the related member was subject to tax  
3 in this city or another city within the United States or a foreign  
4 nation or some combination thereof on a tax base that included the  
5 royalty payment paid, accrued or incurred by the taxpayer; (II) the  
6 related member during the same taxable year directly or indirectly paid,  
7 accrued or incurred such portion to a person that is not a related  
8 member; and (III) the transaction giving rise to the royalty payment  
9 between the taxpayer and the related member was undertaken for a valid  
10 business purpose.

11 (ii) The adjustment required in this subdivision shall not apply if  
12 the taxpayer establishes, by clear and convincing evidence of the type  
13 and in the form specified by the commissioner of finance, that: (I) the  
14 related member was subject to tax on or measured by its net income in  
15 this city or another city within the United States, or some combination  
16 thereof; (II) the tax base for said tax included the royalty payment  
17 paid, accrued or incurred by the taxpayer; and (III) the aggregate  
18 effective rate of tax applied to the related member in those jurisdic-  
19 tions is no less than eighty percent of the statutory rate of tax that  
20 applied to the taxpayer under section 11-1701 of this chapter for the  
21 taxable year.

22 (iii) The adjustment required in this subdivision shall not apply if  
23 the taxpayer establishes, by clear and convincing evidence of the type  
24 and in the form specified by the commissioner of finance, that: (I) the  
25 royalty payment was paid, accrued or incurred to a related member organ-  
26 ized under the laws of a country other than the United States; (II) the  
27 related member's income from the transaction was subject to a comprehen-  
28 sive income tax treaty between such country and the United States; (III)

1 the related member was subject to tax in a foreign nation on a tax base  
2 that included the royalty payment paid, accrued or incurred by the  
3 taxpayer; (IV) the related member's income from the transaction was  
4 taxed in such country at an effective rate of tax at least equal to that  
5 imposed by this city; and (V) the royalty payment was paid, accrued or  
6 incurred pursuant to a transaction that was undertaken for a valid busi-  
7 ness purpose and using terms that reflect an arm's length relationship.

8 (iv) The adjustment required in this subdivision shall not apply if  
9 the taxpayer and the commissioner of finance agree in writing to the  
10 application or use of alternative adjustments or computations. The  
11 commissioner of finance may, in his or her discretion, agree to the  
12 application or use of alternative adjustments or computations when he or  
13 she concludes that in the absence of such agreement the income of the  
14 taxpayer would not be properly reflected.

15 § 13. This act shall take effect immediately and shall apply to taxa-  
16 ble years beginning on or after January 1, 2013.

11 however, that the amount of such credit allowable against the tax  
12 imposed by section one hundred eighty-four of this article shall be the  
13 excess of the credit allowed by this section over the amount of such  
14 credit allowable against the tax imposed by section one hundred eighty-  
15 three of this article.

16 2. [Alternative fuel vehicle refueling property] Electric vehicle  
17 recharging property. The credit under this section for [alternative  
18 fuel vehicle refueling] electric vehicle recharging property shall equal

26 allowed in an amount which will reduce the tax payable to less than the  
27 higher of the amounts prescribed in paragraphs (c) and (d) of subdivi-  
28 sion one of this section. Provided, however, that if the amount of cred-

1 it allowable under this subdivision for any taxable year reduces the tax

3 may be carried over to the following year or years and may be deducted  
4 from the taxpayer's tax for such year or years.

5 (e) Credit recapture. [(i) Alternative fuel vehicle refueling proper-

2 affiliate. Where such affiliate, based on such ascription, is allowed  
3 such credit and deducts from the tax otherwise due the amount of such  
4 credit, such credit shall be deemed in all respects to have been allowed  
5 to such affiliate, provided that any action or inaction by the taxpayer  
6 which constitutes an event of recapture described in paragraph (e) of  
7 this subdivision shall be ascribed to the affiliate and shall constitute

4 PART J

5 Section 1. The general municipal law is amended by adding a new  
6 section 875 to read as follows:

7 § 875. Special provisions applicable to state sales and compensating  
8 use taxes and certain types of facilities. 1. For purposes of this  
9 section: "state sales and use taxes" means sales and compensating use  
10 taxes and fees imposed by article twenty-eight or twenty-eight-A of the  
11 tax law but excluding such taxes imposed in a city by section eleven  
12 hundred seven or eleven hundred eight of such article twenty-eight.  
13 "IDA" means an industrial development agency established by this article  
14 or an industrial development authority created by the public authorities  
15 law. "Commissioner" means the commissioner of taxation and finance.

16 2. (a) An IDA shall not provide state sales and use tax exemption  
17 benefits with respect to any project unless and until the prerequisites  
18 set forth in paragraphs (b), (c), (d) and (e) of this subdivision are  
19 met.

20 (b) Either (i) the agent or project operator of such project must have  
21 been certified as a participant in the excelsior jobs program, as such  
22 term "participant" is defined in section three hundred fifty-two of the  
23 economic development law, and provides to the IDA valid proof of partic-  
24 ipation in such program, or (ii) if such agent or project operator is  
25 not a participant in such program, the IDA, after reviewing the facts on  
26 the record, must find that the agent or project operator is a business

1 entity of the type described in subdivision one of section three hundred  
2 fifty-three of the economic development law and regulations adopted  
3 pursuant to such section.

4 (c) If the prerequisite in either subparagraph (i) or (ii) of para-  
5 graph (b) of this subdivision has been met, the IDA shall submit in  
6 writing its plan to provide such state sales and use tax exemption bene-  
7 fits for such project, together with the findings it made under such  
8 subparagraph (ii) of paragraph (b) to the commissioner of economic  
9 development.

10 (d) The commissioner of economic development shall review such  
11 proposed state sales and use tax exemption benefit plan for such project  
12 and determine, in consultation with the regional economic development  
13 council established by the governor that encompasses the jurisdiction  
14 for whose benefit the IDA recommending the tax exemption benefits was  
15 created, whether such proposed state sales and use tax exemption benefit  
16 plan for such project is consistent with regional economic development  
17 strategies.

18 (e) The commissioner of economic development shall review the IDA's  
19 findings, if any, and approve or disapprove the proposed benefits or  
20 deny them if such commissioner does not approve such IDA's findings that  
21 the agent/project operator is a business entity of the type required.  
22 Such commissioner is also authorized to modify the IDA's proposed plan  
23 by reducing the total amount of any such state sales and use tax  
24 exemption benefits or by specifying that such benefits shall apply to  
25 only some of the types of property or services proposed to be exempt  
26 from such state taxes or by reducing the time period during which such  
27 benefits may be provided. Such commissioner shall advise the IDA in  
28 writing of his or her approval, disapproval, denial, or modification of

1 the IDA's plan, and such approval, disapproval, denial, or modification  
2 shall bind the IDA as to whether the IDA can provide state sales and use  
3 tax exemption benefits and, if approved in whole or as modified, the  
4 amount of state sales and use tax exemption benefits that the IDA can  
5 provide with respect to such project, the types of property and services  
6 that may be eligible for exemption, and the duration of time during  
7 which such exemption benefits may apply. However, the IDA may provide  
8 state sales and use tax exemption benefits in a lesser amount, for fewer  
9 types of property or services, or for a shorter period, than as approved  
10 by such commissioner.

11 (f) Notwithstanding the foregoing, if at the time an IDA proposes a  
12 state sales and use tax exemption benefit plan there is no regional  
13 economic development council in the applicable region, then the commis-  
14 sioner of economic development shall review such plan and any such find-  
15 ings as provided in paragraph (d) of this subdivision, without regard to  
16 the recommendation of any other body.

17 (g) An IDA shall not provide state sales and use tax exemption bene-  
18 fits in an amount greater, for property or services other, or for a time  
19 period longer than as approved by the commissioner of economic develop-  
20 ment. Any amount of state sales and use tax exemption benefits that an  
21 IDA purports to provide in excess of the amount approved, or for differ-  
22 ent property or services than approved, or for a period longer than  
23 approved by such commissioner shall be void from its inception, and an  
24 agent, project operator, or other person or entity that makes a purchase  
25 or use without paying state sales and use taxes, or who paid such taxes  
26 but obtained a refund or credit of them, as a result shall be required  
27 to pay such amount of tax to the commissioner of taxation and finance in  
28 accordance with articles twenty-eight and twenty-nine of the tax law.

1 The commissioner shall be authorized to determine and assess state sales  
2 and use taxes foregone on account of an agent, project operator or other  
3 person or entity not having paid such state sales or use tax that should  
4 have been paid, or who obtained such a refund or credit but should not  
5 have, in accord with the applicable provisions of the tax law, except  
6 that any statute that limits the time by which the commissioner must  
7 determine or assess such tax shall not begin to run until the commis-  
8 sioner has received actual notice of such improper purchases or uses.

9 3. An IDA shall keep records of the amount of state and local sales  
10 and use tax exemption benefits provided to each project and each agent  
11 or project operator, and shall make such records available to the  
12 commissioner and state comptroller upon request. Such IDA shall also,  
13 within thirty days of providing financial assistance to a project that  
14 includes any amount of state sales and use tax exemption benefits,  
15 report to the commissioner and the state comptroller the amount of such  
16 benefits for such project, the project to which they are being provided,  
17 any limitation on the application or exercise of such exemptions, the  
18 types of property and services to be exempted, the time during which  
19 such exemption benefits apply, and the name and address of the agent or  
20 project operator of such project, together with such other information  
21 and such specificity and detail as the commissioner may prescribe, with  
22 a copy of such report furnished at the same time to the agent or project  
23 operator. This report may be made in conjunction with the statement  
24 required by subdivision nine of section eight hundred seventy-four of  
25 this article or it may be made as a separate report, at the discretion  
26 of the commissioner. An agent or project operator or other person or  
27 entity shall not avail itself of state or local sales and use tax  
28 exemptions in excess of the amount or in contravention of the time and

1 other limitations set out in such report or for property or services  
2 other than those set out in such report. An IDA that fails to make such  
3 records available to the commissioner or to the state comptroller or to  
4 file such report or to comply with any other requirement of this subdi-  
5 vision shall be prohibited from providing state sales and use tax  
6 exemption benefits for any project unless and until such IDA comes into  
7 compliance with all such requirements.

8 4. Notwithstanding any provision of this section or other law, in no  
9 case shall an IDA agent, project operator, or other person or entity  
10 take any state sales and use tax exemption benefits as exemptions at the  
11 time of purchase or use. Rather, in all cases, the person or entity  
12 shall pay state sales or use tax to the person required to collect it at  
13 the time of purchase or to the commissioner in accord with the require-  
14 ments of article twenty-eight of the tax law. After having paid tax to  
15 the person required to collect it or to the commissioner, such person or  
16 entity may then apply to the commissioner for a refund or credit of such  
17 tax actually paid. Any such refund or credit shall then be applied for  
18 in the manner established by and subject to the provisions of such arti-  
19 cle twenty-eight.

20 5. Notwithstanding any provision of this section or other law, an IDA  
21 shall not create a project or any portion of a project, or authorize the  
22 use of any project or project property, outside this state.

23 6. An IDA that enters into an agreement requiring payments in lieu of  
24 state sales and use taxes to be paid to it shall remit the full amount  
25 of any such payments it receives to the commissioner within thirty days  
26 of the date that the IDA receives the payment, together with a return or  
27 report required by the commissioner. The IDA shall send a copy of any  
28 such agreement for payment in lieu of such taxes to the commissioner

1 within thirty days of the date it is executed. If the person or entity  
2 required to make such payments to the IDA fails to do so timely, or if  
3 the IDA fails to remit such payments to the commissioner timely, the  
4 amount of any such untimely payments or remissions, together with a  
5 penalty of five percent of the amount of such late payments and interest  
6 on such late payments at the rate of one percent per month, shall all  
7 be deemed to be sales tax which a return or report shows to be due under  
8 section one hundred seventy-three-a of the tax law and such amounts  
9 shall be paid upon notice and demand and shall be assessed, collected,  
10 and paid in the manner provided for sales tax, and such notice and  
11 demand shall not be considered as a notice of determination, as  
12 described in such section one hundred seventy-three-a. An IDA shall join  
13 the commissioner as a party in any action or proceeding that the IDA  
14 commences to recover, obtain, or otherwise seek, any unpaid payments in  
15 lieu of state sales and use tax from an agent, project operator or other  
16 person or entity. The provisions of this subdivision shall also apply to  
17 any interest or penalty that the IDA imposes on any such payments in  
18 lieu of taxes or that are imposed on such payments by operation of law  
19 or by judicial order or otherwise. Any such payments, together with any  
20 interest or penalties thereon, shall be deemed to be state sales and use  
21 taxes and the IDA shall receive any such payments, whether as a result  
22 of court action or otherwise, as trustee for and on account of the  
23 state.

24 7. An IDA or IDA agent or project operator shall not be exempt from  
25 the taxes imposed by paragraph ten of subdivision (c) of section eleven  
26 hundred five or by article twenty-eight-A or twenty-nine-A of the tax  
27 law.

1 8. If an IDA recovers, recaptures, receives, or otherwise obtains, any  
2 amount of state sales and use tax exemption benefits from an agent,  
3 project operator or other person or entity, the IDA shall, within thirty  
4 days of coming into possession of such amount, remit it to the commis-  
5 sioner, together with such information and report that the commissioner  
6 deems necessary to administer payment over of such amount. An IDA shall  
7 join the commissioner as a party in any action or proceeding that the  
8 IDA commences to recover, recapture, obtain, or otherwise seek the  
9 return of, state sales and use tax exemption benefits from an agent,  
10 project operator or other person or entity. This subdivision shall  
11 apply to any amounts of state sales and use tax exemption benefits that  
12 an IDA recovers, recaptures, receives, or otherwise obtains, regardless  
13 of whether the IDA or the agent, project operator or other person or  
14 entity characterizes such benefits recovered, recaptured, received, or  
15 otherwise obtained, as a penalty or liquidated or contract damages or  
16 otherwise. The provisions of this subdivision shall also apply to any  
17 interest or penalty that the IDA imposes on any such amounts or that are  
18 imposed on such amounts by operation of law or by judicial order or  
19 otherwise. Any such amounts or payments that an IDA recovers, recap-  
20 tures, receives, or otherwise obtains, together with any interest or  
21 penalties thereon, shall be deemed to be state sales and use taxes and  
22 the IDA shall receive any such amounts or payments, whether as a result  
23 of court action or otherwise, as trustee for and on account of the  
24 state.

25 9. The commissioner shall deposit and dispose of any amount of any  
26 payments or moneys received from or paid over by an IDA or from or by  
27 any person or entity, or received pursuant to an action or proceeding  
28 commenced by an IDA, together with any interest or penalties thereon,

1 pursuant to subdivision six or eight of this section, as state sales and  
2 use taxes in accord with the provisions of article twenty-eight of the  
3 tax law. The amount of any such payments or moneys, together with any  
4 interest or penalties thereon, shall be attributed to the taxes imposed  
5 by sections eleven hundred five and eleven hundred ten, on the one hand,  
6 and section eleven hundred nine of the tax law, on the other hand, or to  
7 any like taxes or fees imposed by such article, based on the proportion  
8 that the rates of such taxes or fees bear to each other, unless there is  
9 evidence to show that only one or the other of such taxes or fees was  
10 imposed or received or paid over.

11 10. The statement that an IDA is required by subdivision nine of  
12 section eight hundred seventy-four of this article to file with the  
13 commissioner shall not be considered an exemption or other certificate  
14 or document under article twenty-eight or twenty-nine of the tax law.  
15 The IDA shall not represent to any agent, project operator, or other  
16 person or entity that a copy of such statement may serve as a sales or  
17 use tax exemption certificate or document. No agent or project operator  
18 may tender a copy of such statement to any person required to collect  
19 sales or use taxes as the basis to make any purchase exempt from tax. No  
20 such person required to collect sales or use taxes may accept such a  
21 statement in lieu of collecting any tax required to be collected. The  
22 civil and criminal penalties for misuse of a copy of such statement as  
23 an exemption certificate or document or for failure to pay or collect  
24 tax shall be as provided in the tax law. In addition, the use by an IDA  
25 or agent, project operator, or other person or entity of such statement,  
26 or the IDA's recommendation of the use or tendering of such statement,  
27 as such an exemption certificate or document shall be deemed to be,  
28 under articles twenty-eight and thirty-seven of the tax law, the issu-

1 ance of a false or fraudulent exemption certificate or document with  
2 intent to evade tax.

3 11. In consultation with the commissioner of economic development, the  
4 commissioner of taxation and finance is hereby authorized to adopt rules  
5 and regulations and to issue publications and other guidance implement-  
6 ing the provisions of this section and of the other sections of this  
7 article relating to any state or local tax or fee, or exemption or  
8 exclusion therefrom, that the commissioner administers and that may be  
9 affected by any provision of this article, and any such rules and regu-  
10 lations of the commissioner shall have the same force and effect with  
11 respect to such taxes and fees, or amounts measured in respect of them,  
12 as if they had been adopted by the commissioner pursuant to the authori-  
13 ty of the tax law.

14 12. To the extent that a provision of this section conflicts with a  
15 provision of any other section of this article, the provisions of this  
16 section shall control.

17 § 2. The public authorities law is amended by adding a new section  
18 1963-b to read as follows:

19 § 1963-b. Special provisions applicable to state sales and compensat-  
20 ing use taxes and certain types of facilities. The provisions of section  
21 eight hundred seventy-five of the general municipal law shall apply to  
22 the provisions of this title and to the authority created by this title  
23 with the same force and effect as if the provisions of such section  
24 eight hundred seventy-five had been incorporated in full into this title  
25 and had expressly referred to the provisions of this title and to such  
26 authority, with such changes to such section as are necessary to refer  
27 to the provisions of this title and to the authority created by this  
28 title.

5 eight hundred seventy-five of the general municipal law shall apply to  
6 the provisions of this title and to the authority created by this title  
7 with the same force and effect as if the provisions of such section  
8 eight hundred seventy-five had been incorporated in full into this title  
9 and had expressly referred to the provisions of this title and to such  
10 authority, with such changes to such section as are necessary to refer  
11 to the provisions of this title and to the authority created by this  
12 title.

10 but not limited to, machinery, equipment and other facilities deemed  
11 necessary or desirable in connection therewith, or incidental thereto,

9 related statute as defined in section eighteen hundred of this chapter  
10 was finally determined to be due from such corporation or limited  
11 liability company and where such tax has not been paid in full, or at  
12 the time such other person was convicted of a crime [provided for in  
13 this chapter] set forth in clause (iii) of this subparagraph where the  
14 conviction referred to occurred within [one year] five years from the  
15 date on which such certificate of registration is filed, [or] (vi) a  
16 certificate of authority issued to such person has been revoked or  
17 suspended pursuant to subparagraph (A) of this paragraph within [one  
18 year] three years from the date on which such certificate of registra-  
19 tion is filed, (vii) a certificate of authority issued to any other  
20 person has been revoked or suspended pursuant to subparagraph (A) of  
21 this paragraph within three years from the date on which such certif-

28 give the commissioner the authority to revoke or suspend such certif-

1 icate pursuant to clause (i), (ii), (iii), (iv), or (v) of subparagraph  
2 (A) of this paragraph, the commissioner may refuse to issue a certif-  
3 icate of authority.

4 § 2. Subparagraph (A) of paragraph 4 of subdivision (a) of section  
5 1134 of the tax law, as amended by chapter 2 of the laws of 1995, is  
6 amended to read as follows:

7 (A) Where a person who holds a certificate of authority (i) willfully  
8 fails to file a report or return required by this article, (ii) willful-  
9 ly files, causes to be filed, gives or causes to be given a report,  
10 return, certificate or affidavit required under this article which is  
11 false, (iii) willfully fails to comply with the provisions of paragraph

13 of this article, (iv) willfully fails to prepay, collect, truthfully  
14 account for or pay over any tax imposed under this article or pursuant  
15 to the authority of article twenty-nine of this chapter, [or] (v) has  
16 been convicted of a crime provided for in this chapter, or under the  
17 penal law of this state where the underlying conduct constitutes a crime  
18 under this chapter, or is convicted of a criminal offense of the United  
19 States, any other state, or a political subdivision of this state or any  
20 other state, which, if committed in this state, would constitute a simi-  
21 lar crime under this chapter, or (vi) such person would be ineligible to  
22 receive such certificate of authority pursuant to clauses (i), (ii),  
23 (iv) or (v) of subparagraph (B) of this paragraph, the commissioner may  
24 revoke or suspend such certificate of authority and all duplicates ther-  
25 eof. Provided, however, that the commissioner may revoke or suspend a  
26 certificate of authority based on the grounds set forth in clause (v) of  
27 this subparagraph only where the conviction referred to occurred not

1 more than [one year] five years prior to the date of revocation or  
2 suspension.

3 § 3. Subparagraphs (C) and (E) of paragraph 4 and paragraph 5 of  
4 subdivision (a) of section 1134 of the tax law, as amended by chapter 2  
5 of the laws of 1995, are amended to read as follows:

6 (C) In any of the foregoing instances where the commissioner may  
7 suspend or revoke or refuse to issue a certificate of authority, the  
8 commissioner may condition the retention or issuance of a certificate of  
9 authority upon (i) the filing of a bond [or], (ii) the deposit of tax in  
10 the manner provided in paragraph two or three of subdivision (e) of  
11 section eleven hundred thirty-seven of this part, (iii) notwithstanding  
12 paragraph two of subdivision (a) of this section, the issuance of such  
13 certificate for a specified term of less than three years, (iv) the  
14 filing of part-quarterly returns pursuant to paragraph two of subdivi-  
15 sion (a) of section eleven hundred thirty-six of this part, (v) the  
16 filing of any unfiled returns, (vi) entering into an installment payment  
17 agreement or otherwise making payment arrangements satisfactory to the  
18 commissioner, and/or (vii) such other terms as the commissioner and  
19 applicant may agree to.

20 (E) After the commissioner has suspended or revoked a person's certif-  
21 icate of authority, by a notice of suspension or revocation, or has  
22 refused to issue a certificate of authority, by a notice of refusal, to  
23 such person and such decision has become final as provided for in this  
24 paragraph, or after a person's certificate of authority has expired, or  
25 a person was notified that such person's certificate of authority was  
26 deemed to expire pursuant to paragraph five of subdivision (a) of this  
27 section and such person has failed to renew such certificate or obtain a  
28 new certificate of authority, or where a person required to collect tax

1 has failed to apply for such certificate of authority, any such person  
2 is prohibited from engaging in any business in this state for which a  
3 certificate of authority is required. If despite such prohibition such  
4 person continues to be so engaged in business, the commissioner may  
5 bring an action to enjoin such person from so engaging in business. No  
6 such action shall be instituted by the commissioner before the commis-  
7 sioner gives notice to the attorney general apprising him or her of such  
8 action and the nature and purpose thereof, so that the attorney general  
9 may participate or join therein if in his or her opinion the interests  
10 of the state so warrant, and the commissioner may not institute such  
11 action until two weeks after providing such notice to the attorney  
12 general.

13 (5) If the commissioner considers it necessary for the proper adminis-  
14 tration of the sales and use taxes and prepaid taxes imposed by this  
15 article and pursuant to the authority of article twenty-nine of this  
16 chapter, it may require every person under this section or section  
17 twelve hundred fifty-three of this chapter who holds a certificate of  
18 authority to file a new certificate of registration in such form and at  
19 such time as the commissioner may prescribe and to surrender such  
20 certificate of authority. The commissioner may require such filing and  
21 such surrender not more often than once every three years; however, in  
22 any instance where a holder of a certificate of authority has failed to  
23 file a sales tax return as required by this chapter for a period of at  
24 least one year such certificate shall be deemed expired and the commis-  
25 sioner shall require a new certificate of registration pursuant to this  
26 subdivision. Upon the filing of such certificate of registration and, to  
27 the extent required by the commissioner, the surrender of such certif-  
28 icate of authority, the commissioner shall issue, within such time as

1 the commissioner may prescribe, a new certificate of authority, without  
2 charge, to each registrant and a duplicate thereof for each additional  
3 place of business of such registrant.

4 § 4. Subparagraph (i) of paragraph 3 of subdivision (a) of section  
5 1145 of the tax law, as amended by section 48 of part K of chapter 61 of  
6 the laws of 2011, is amended to read as follows:

7 (i) Any person required to obtain a certificate of authority under  
8 section eleven hundred thirty-four of this part who, without possessing  
9 a valid certificate of authority, (A) sells tangible personal property  
10 or services subject to tax, receives amusement charges or operates a  
11 hotel, (B) purchases or sells tangible personal property for resale, (C)  
12 sells petroleum products, or (D) sells cigarettes shall, in addition to  
13 any other penalty imposed by this chapter, be subject to a penalty in an  
14 amount [not exceeding] of five hundred dollars [for the first] a day  
15 from the first day on which such sales or purchases are made, [plus an  
16 amount not exceeding two hundred dollars for each subsequent day on  
17 which such sales or purchases are made,] not to exceed [ten] twenty  
18 thousand dollars in the aggregate. The willful failure to obtain or  
19 maintain a valid certificate of authority shall be subject to a penalty  
20 in an amount of one thousand dollars a day from the first day such sales  
21 or purchases are made, not to exceed fifty thousand dollars in the  
22 aggregate, in addition to the penalties imposed by subdivision (b) of  
23 section eighteen hundred seventeen of this article, or any other penalty  
24 imposed by this chapter. For the purposes of this section, the penalty  
25 for the willful failure to obtain or maintain a valid certificate of  
26 authority shall be alternate to the twenty thousand dollar penalty  
27 described above, and the term "willful" shall have the same meaning as

1 "willfully" as defined in subdivision (c) of section eighteen hundred  
2 one of this chapter.

3 § 5. Subparagraphs (ii), (iii) and (iv) of paragraph 3 of subdivision  
4 (a) of section 1145 of the tax law, as amended by chapter 65 of the laws  
5 of 1985, are amended to read as follows:

6 (ii) Any person who fails to surrender a certificate of authority when  
7 a notice of revocation, expiration or suspension has become final shall,  
8 in addition to any other penalty imposed by this chapter, be subject to  
9 a penalty in an amount not exceeding five hundred dollars [for the first  
10 day of such failure, together with a penalty in an amount not exceeding  
11 two hundred dollars for each subsequent] a day [of] for such failure,  
12 not to exceed [ten] twenty thousand dollars in the aggregate.

13 (iii) Any person described in paragraph one or two of subdivision (a)  
14 of section eleven hundred thirty-four of this part who takes possession  
15 of or pays for business assets under circumstances requiring notifica-  
16 tion by such person to the [tax commission] commissioner pursuant to  
17 subdivision (c) of section eleven hundred forty-one of this part without  
18 having filed a certificate of registration pursuant to section eleven  
19 hundred thirty-four of this part shall, in addition to any other penalty  
20 imposed by this chapter, be subject to a penalty in an amount not  
21 exceeding two [hundred] thousand dollars.

22 (iv) If the [tax commission] commissioner determines that any failure  
23 or act described in this paragraph was due to reasonable cause and not  
24 due to willful neglect, [it] he or she may remit all or part of such  
25 penalty. Provided, however, this clause shall not apply to a penalty for  
26 the willful failure to obtain a certificate of authority.

1 § 6. Paragraph 4 of subdivision (a) of section 1145 of the tax law, as  
2 amended by chapter 65 of the laws of 1985, is amended to read as  
3 follows:

4 (4) Any person required by this article to display a certificate of  
5 authority, who fails to display such certificate in the manner required  
6 by this article or any rule or regulation adopted by the [tax commis-  
7 sion] commissioner in connection with such requirement shall, in addi-  
8 tion to any other penalty imposed by this chapter, be subject to a  
9 penalty of [fifty] one hundred dollars. If the [tax commission] commis-  
10 sioner determines that such failure was due to reasonable cause [and not  
11 due to willful neglect], [it] he or she may remit all or part of such  
12 penalty.

13 § 7. Subdivision (g) of section 1146 of the tax law, as added by chap-  
14 ter 577 of the laws of 1997, is amended to read as follows:

15 (g) (1) Notwithstanding the provisions of subdivision (a) of this  
16 section, if the commissioner determines that a person required to  
17 collect tax is liable for any tax, penalty or interest under this arti-  
18 cle or is liable for a penalty under subdivision (e) of section eleven  
19 hundred forty-five of this [article] part with respect to any failure,  
20 upon request in writing of such person, the commissioner shall disclose  
21 in writing to such person [(1)] (i) the name of any other person  
22 required to collect tax or any other person liable for such penalty  
23 under such subdivision (e) whom the commissioner has determined to be  
24 liable for the same tax, penalty or interest or for such penalty with  
25 respect to such failure, and [(2)] (ii) whether the commissioner has  
26 attempted to collect such tax, penalty or interest or such penalty from  
27 such other person, the general nature of such collection activities, and  
28 the amount collected.

1 (2) Notwithstanding any provision of this chapter to the contrary, for  
2 the purposes of subparagraph (B) of paragraph four of subdivision (a) of  
3 section eleven hundred thirty-four of this part, if the commissioner  
4 determines that any tax imposed under this chapter or any related stat-  
5 ute, as defined in section eighteen hundred of this chapter, has been  
6 finally determined to be due from a person required to collect tax and  
7 has not been paid, upon written request of the person who filed the  
8 certificate of registration for a certificate of authority that was  
9 refused, the commissioner may disclose to such person the name of the  
10 person or persons required to collect tax whose tax liability or liabil-  
11 ities were grounds for the refusal to issue the certificate of authority  
12 and the amount or amounts of tax due for each such person or persons.

13 § 8. Subdivisions (a) and (b) of section 1817 of the tax law, as  
14 amended by section 53 of part K of chapter 61 of the laws of 2011, are  
15 amended to read as follows:

16 (a) Any person required to obtain a certificate of authority under  
17 section eleven hundred thirty-four of this chapter who, without possess-

9 sells tangible personal property for resale, or (3) sells petroleum  
10 products, shall be guilty of [a misdemeanor] criminal tax fraud in the

12 performed the acts described in this subdivision without knowledge of  
13 such determination. Any person who violates a provision of this subdivi-  
14 sion, upon conviction, shall be subject to a fine in any amount author-  
15 ized by this article, but not less than five hundred dollars, in addi-

21 of part U of chapter 61 of the laws of 2011, as amended when upon such  
22 date the provisions of section two of this act shall take effect.

## PART N

24 Section 1. Subdivision 1 of section 480-a of the tax law is amended by  
25 adding a new paragraph (f) to read as follows:

1 (f) When a person files an application for a certificate of registra-  
2 tion under this section, and in considering such application the commis-  
3 sioner ascertains the existence of one or more of the grounds for  
4 refusal of a certificate of authority in clauses (i), (ii), (iii), (iv),  
5 and (v) of subparagraph (B) of paragraph four of subdivision (a) of  
6 section eleven hundred thirty-four of this chapter, the commissioner may  
7 refuse to issue a certificate of registration. Notwithstanding any  
8 provision of this chapter to the contrary, if the commissioner refuses  
9 to issue a certificate of registration under this subdivision, the  
10 commissioner shall upon written request of the person filing such appli-  
11 cation disclose the name of the person or persons whose tax liabilities  
12 were grounds for the refusal to issue the certificate of registration.

13 § 2. Paragraph (d) of subdivision 2 of section 480-a of the tax law,  
14 as amended by chapter 760 of the laws of 1992, is amended to read as  
15 follows:

16 (d) Except as otherwise provided in this section, all the provisions  
17 of article twenty-eight of this chapter relating to the personal liabil-  
18 ity for the tax, administration, collection and determination of tax,  
19 and deposit and disposition of revenue, including section eleven hundred  
20 thirty-eight of this chapter relating to determination of tax and  
21 section eleven hundred forty-five of this chapter (but only paragraphs  
22 one and two of subdivision (a) of such section) relating to penalties  
23 and interest for failure to file a return or pay tax within the time  
24 required, shall apply to the applications for registration and the fees  
25 for filing such applications required by this section and the penalty  
26 imposed pursuant to subdivision three of this section, as if such appli-  
27 cations were returns required under section eleven hundred thirty-six of  
28 this chapter and such filing fees, penalties and interest were taxes

1 required to be paid pursuant to such article twenty-eight, in the same  
2 manner and with the same force and effect as if the language of such  
3 provisions of such article twenty-eight had been incorporated in full  
4 into this article, except to the extent that any such provision is  
5 either inconsistent with a provision of this section or is not relevant  
6 thereto and with such other modifications as may be necessary to adapt  
7 the language of such provisions to the provisions of this section.  
8 [Section] Except as provided for in paragraph (f) of subdivision one of  
9 this section, section eleven hundred thirty-four of such article twen-  
10 ty-eight shall not apply to this section. Provided, however, that the  
11 commissioner of taxation and finance shall refund or credit an applica-  
12 tion fee paid with respect to the registration of a vending machine or a  
13 retail place of business in this state through which cigarettes or  
14 tobacco products were to be sold if, prior to the beginning of the  
15 calendar year with respect to which such registration relates, the  
16 certificate of registration described in paragraph (a) of this subdivi-  
17 sion is returned to the department of taxation and finance, or if such  
18 certificate has been destroyed, the retail dealer or vending machine  
19 operator satisfactorily accounts to the commissioner for the missing  
20 certificate, but such vending machine or retail place of business may  
21 not be used to sell cigarettes or tobacco products in this state during  
22 such calendar year, unless it is re-registered. The provisions of  
23 section eleven hundred thirty-nine of this chapter shall apply to the  
24 refund or credit authorized by the preceding sentence and for such  
25 purposes, such refund or credit shall be deemed a refund of tax paid in  
26 error provided, however, no interest shall be allowed or paid on any  
27 such refund.

1 § 3. This act shall take effect immediately and shall apply to certif-  
2 icates of registration applications filed for calendar year 2014 and  
3 thereafter.

4 PART O

23 control of any person, with respect to which the tobacco products tax  
24 has not been paid or assumed by a distributor or tobacco products deal-  
25 er; provided, however, that any such penalty imposed shall not exceed  
26 seven thousand five hundred dollars in the aggregate. The commissioner

1 may impose a penalty of not more than seventy-five dollars for each

14 PART P

15 Section 1. The tax law is amended by adding a new section 171-v to  
16 read as follows:

17 § 171-v. Enforcement of delinquent tax liabilities through the suspen-  
18 sion of drivers' licenses. (1) The commissioner shall enter into a writ-  
19 ten agreement with the commissioner of motor vehicles, which shall set  
20 forth the procedures for the two departments to cooperate in a program  
21 to improve tax collection through the suspension of drivers' licenses of  
22 taxpayers with past-due tax liabilities equal to or in excess of ten  
23 thousand dollars. For the purposes of this section, the term "tax  
24 liabilities" shall mean any tax, surcharge, or fee administered by the  
25 commissioner, or any penalty or interest due on these amounts owed by an  
26 individual with a New York driver's license, the term "driver's license"

1 means any license issued by the department of motor vehicles, except for  
2 a commercial driver's license as defined in section five hundred one-a  
3 of the vehicle and traffic law, and the term "past-due tax liabilities"  
4 means any tax liability or liabilities which have become fixed and final  
5 such that the taxpayer no longer has any right to administrative or  
6 judicial review.

7 (2) The agreement shall include the following provisions:

8 (a) the procedures by which the department shall notify the commis-  
9 sioner of motor vehicles of taxpayers with past-due tax liabilities,  
10 including the procedures by which the department and the department of  
11 motor vehicles shall share the information necessary to identify indi-  
12 viduals with past-due tax liabilities, which shall include a taxpayer's  
13 name, social security number, and any other information necessary to  
14 ensure the proper identification of the taxpayer;

15 (b) the procedures by which the commissioner shall notify the depart-  
16 ment of motor vehicles that a taxpayer has satisfied his or her past-due  
17 tax liabilities, or has entered into an installment payment agreement or  
18 has otherwise made payment arrangements satisfactory to the commission-  
19 er, so that the suspension of the taxpayer's driver's license may be  
20 lifted; and

21 (c) any other matter the department and the department of motor vehi-  
22 cles shall deem necessary to carry out the provisions of this section.

23 (3) The department shall provide notice to the taxpayer of his or her  
24 inclusion in the license suspension program no later than forty-five  
25 days prior to the date the department intends to inform the commissioner  
26 of motor vehicles of the taxpayer's inclusion. However, no such notice  
27 shall be issued to a taxpayer whose wages are being garnished by the  
28 department for the payment of past-due tax liabilities or past-due child

1 support or combined child and spousal support arrears. Notice shall be  
2 provided by first class mail to the taxpayer's last known address as  
3 such address appears in the electronic systems or records of the depart-  
4 ment. Such notice shall include:

5 (a) a clear statement of the past-due tax liabilities along with a  
6 statement that the department shall provide to the department of motor  
7 vehicles the taxpayer's name, social security number and any other iden-  
8 tifying information necessary for the purpose of suspending his or her  
9 driver's license pursuant to this section and subdivision four-f of  
10 section five hundred ten of the vehicle and traffic law forty-five days  
11 after the mailing or sending of such notice to the taxpayer;

12 (b) a statement that the taxpayer may avoid suspension of his or her  
13 license by fully satisfying the past-due tax liabilities or by making  
14 payment arrangements satisfactory to the commissioner, and information  
15 as to how the taxpayer can pay the past-due tax liabilities to the  
16 department, enter into a payment arrangement or request additional  
17 information;

18 (c) a statement that the taxpayer's right to protest the notice is  
19 limited to raising issues set forth in subdivision five of this section;

20 (d) a statement that the suspension of the taxpayer's driver's license  
21 shall continue until the past-due tax liabilities are fully paid or the  
22 taxpayer makes payment arrangements satisfactory to the commissioner;  
23 and

24 (e) any other information that the commissioner deems necessary.

25 (4) After the expiration of the forty-five day period, if the taxpayer  
26 has not challenged the notice pursuant to subdivision five of this  
27 section and the taxpayer has failed to satisfy the past-due tax liabil-  
28 ities or make payment arrangements satisfactory to the commissioner, the

1 department shall notify the department of motor vehicles, in the manner  
2 agreed upon by the two agencies, that the taxpayer's driver's license  
3 shall be suspended pursuant to subdivision four-f of section five  
4 hundred ten of the vehicle and traffic law; provided, however, in any  
5 case where a taxpayer fails to comply with the terms of a current  
6 payment arrangement more than once within a twelve month period, the  
7 commissioner shall immediately notify the department of motor vehicles  
8 that the taxpayer's driver's license shall be suspended.

9 (5) Notwithstanding any other provision of law, and except as specif-  
10 ically provided herein, the taxpayer shall have no right to commence a  
11 court action or proceeding or to any other legal recourse against the  
12 department or the department of motor vehicles regarding a notice issued  
13 by the department pursuant to this section and the referral by the  
14 department of any taxpayer with past-due tax liabilities to the depart-  
15 ment of motor vehicles pursuant to this section for the purpose of  
16 suspending the taxpayer's driver's license. A taxpayer may only chal-  
17 lenge such suspension or referral on the grounds that (i) the individual  
18 to whom the notice was provided is not the taxpayer at issue; (ii) the  
19 past-due tax liabilities were satisfied; (iii) the taxpayer's wages are  
20 being garnished by the department for the payment of the past-due tax  
21 liabilities at issue or for past-due child support or combined child and  
22 spousal support arrears; (iv) the taxpayer's wages are being garnished  
23 for the payment of past-due child support or combined child and spousal  
24 support arrears pursuant to an income execution issued pursuant to  
25 section five thousand two hundred forty-one of the civil practice law  
26 and rules; (v) the taxpayer's driver's license is a commercial driver's  
27 license as defined in section five hundred one-a of the vehicle and  
28 traffic law; or (vi) the department incorrectly found that the taxpayer

1 has failed to comply with the terms of a payment arrangement made with  
2 the commissioner more than once within a twelve month period for the  
3 purposes of subdivision three of this section.

4 However, nothing in this subdivision is intended to limit a taxpayer  
5 from seeking relief from joint and several liability pursuant to section  
6 six hundred fifty-four of this chapter, to the extent that he or she is  
7 eligible pursuant to that subdivision, or establishing to the department  
8 that the enforcement of the underlying tax liabilities has been stayed  
9 by the filing of a petition pursuant to the Bankruptcy Code of 1978  
10 (Title Eleven of the United States Code).

11 (6) Notwithstanding any provision of this chapter to the contrary, the  
12 department may disclose to the department of motor vehicles the informa-  
13 tion described in this section that, in the discretion of the commis-  
14 sioner, is necessary for the proper identification of a taxpayer  
15 referred to the department of motor vehicles for the purpose of suspend-  
16 ing the taxpayer's driver's license pursuant to this section and subdi-  
17 vision four-f of section five hundred ten of the vehicle and traffic  
18 law. The department of motor vehicles may not redisclose this informa-  
19 tion to any other entity or person, other than for the purpose of  
20 informing the taxpayer that his or her driver's license has been  
21 suspended.

22 (7) Except as otherwise provided in this section, the activities to  
23 collect past-due tax liabilities undertaken by the department pursuant  
24 to this section shall not in any way limit, restrict or impair the  
25 department from exercising any other authority to collect or enforce tax  
26 liabilities under any other applicable provision of law.

27 § 2. Section 510 of the vehicle and traffic law is amended by adding a  
28 new subdivision 4-f to read as follows:

1 4-f. Suspension for failure to pay past-due tax liabilities. (1) The  
2 commissioner shall enter into a written agreement with the commissioner  
3 of taxation and finance, as provided in section one hundred  
4 seventy-one-v of the tax law, which shall set forth the procedures for  
5 suspending the drivers' licenses of individuals who have failed to  
6 satisfy past-due tax liabilities as such terms are defined in such  
7 section.

8 (2) Upon receipt of notification from the department of taxation and  
9 finance that an individual has failed to satisfy past-due tax liabil-  
10 ities, or to otherwise make payment arrangements satisfactory to the  
11 commissioner of taxation and finance, or has failed to comply with the  
12 terms of such payment arrangements more than once within a twelve month  
13 period, the commissioner or his or her agent shall suspend the license  
14 of such person to operate a motor vehicle. In the event such person is  
15 unlicensed, such person's privilege of obtaining a license shall be  
16 suspended. Such suspension shall take effect no later than fifteen days  
17 from the date of the notice thereof provided to the person whose license  
18 or privilege of obtaining a license is to be suspended, and shall remain  
19 in effect until such time as the commissioner is advised that the person  
20 has satisfied his or her past-due tax liabilities, or has otherwise made  
21 payment arrangements satisfactory to the commissioner of taxation and  
22 finance.

23 (3) From the time the commissioner is notified by the department of  
24 taxation and finance under this section, the commissioner shall be  
25 relieved from all liability to such person which may otherwise arise  
26 under this section, and such person shall have no right to commence a  
27 court action or proceeding or to any other legal recourse against the  
28 commissioner to recover such driving privileges as authorized by this

1 section. In addition, notwithstanding any other provision of law, such  
2 person shall have no right to a hearing or appeal pursuant to this chap-  
3 ter with respect to a suspension of driving privileges as authorized by  
4 this section.

5 (4) Notwithstanding any provision of law to the contrary, the depart-  
6 ment shall furnish the department of taxation and finance with the  
7 information necessary for the proper identification of an individual  
8 referred to the department for the purpose of driver's license suspen-  
9 sion pursuant to this section and section one hundred seventy-one-v of  
10 the tax law. This shall include the individual's name, social security  
11 number and any other information the commissioner of motor vehicles  
12 deems necessary.

13 (5) Any person whose driver's license is suspended pursuant to para-  
14 graph two of this subdivision may apply for the issuance of a restricted  
15 use license as provided in section five hundred thirty of this title.

16 § 3. Subdivision 7 of section 511 of the vehicle and traffic law, as  
17 added by chapter 81 of the laws of 1995, is amended to read as follows:

18 7. Exceptions. When a person is convicted of a violation of subdivi-  
19 sion one [of] or two of this section, and the suspension was issued  
20 pursuant to (a) subdivision four-e of section five hundred ten of this  
21 article due to a support arrears, or (b) subdivision four-f of section  
22 five hundred ten of the article due to past-due tax liabilities, the  
23 mandatory penalties set forth in subdivision one or two of this section  
24 shall not be applicable if, on or before the return date or subsequent  
25 adjourned date, such person presents proof that such support arrears or  
26 past-due tax liabilities have been satisfied as shown by certified  
27 check, notice issued by the court ordering the suspension, or notice  
28 from a support collection unit or department of taxation and finance as

1 applicable. The sentencing court shall take the satisfaction of arrears  
2 or the payment of the past-due tax liabilities into account when impos-  
3 ing a sentence for any such conviction. For licenses suspended for non-  
4 payment of past-due tax liabilities, the court shall also take into  
5 consideration proof, in the form of a notice from the department of  
6 taxation and finance, that such person has made payment arrangements  
7 that are satisfactory to the commissioner of taxation and finance.

8 § 4. Section 530 of the vehicle and traffic law is amended by adding a  
9 new subdivision 5-b to read as follows:

10 (5-b) Issuance of a restricted license shall not be denied to any  
11 person whose license is suspended pursuant to subdivision four-f of  
12 section five hundred ten of this title for any reason other than such  
13 person's failure to otherwise have a valid or renewable driver's  
14 license. The restrictions on the types of vehicles which may be operated  
15 with a restricted license contained in such subdivision five of this  
16 section shall not be applicable to a restricted license issued to a

18 this title. The issuance of a restricted license issued as a result of a

22 § 5. Section 2335-a of the insurance law, as added by chapter 152 of  
23 the laws of 1998, is amended to read as follows:

28 state, or controlling or controlled by or under common control by or

1 with an insurer authorized to transact or transacting business in this  
2 state, [which] that sells a policy providing motor vehicle liability  
3 insurance coverage in this state, shall increase the policy premium in  
4 connection with the insurance permitted or required by this chapter  
5 solely because the insured or any other person who customarily operates  
6 an automobile covered by the policy has had an accident while operating  
7 a motor vehicle in response to an emergency, where the insured was  
8 either responding to a call to duty as a paid or volunteer member of any  
9 police or fire department or first aid squad[;], or was performing any  
10 other function on behalf of the state, any political subdivision there-  
11 of, a public authority, public benefit corporation, or any other govern-

17 this state shall increase the policy premium in connection with the  
18 insurance permitted or required by this chapter solely because the  
19 insured or any other person who customarily operates an automobile  
20 covered by the policy has had his or her driver's license suspended  
21 pursuant to subdivision four-f of section five hundred ten of the vehi-

5 provided for in this chapter. For purposes of serving an income  
6 execution pursuant to this section, the commissioner shall, in the right  
7 of the people of the state of New York, be deemed to have obtained judg-  
8 ment against the individual for the tax or other imposition, and the  
9 additions to tax, penalties and interest in connection thereof, and  
10 there shall be a lien on the amount of the individual's income that may

17 section five thousand two hundred thirty-one of the civil practice law

21 fied or until twenty years from the first date a warrant could be filed  
22 by the commissioner pursuant to section one hundred seventy-four-b of  
23 this article, whether or not a warrant is filed for that liability.

24 2. The provisions of this section shall be in addition to the proce-  
25 dures relating to collection or administration provided with respect to  
26 any tax or other imposition administered by the commissioner. Where a  
27 provision of this section is inconsistent with any such provision with  
28 respect to such tax or other imposition, the provisions of this section

1 will apply. Nothing in this section shall prevent the commissioner from  
2 timely filing a warrant in order to pursue any of the collection methods
