2013-14 Executive Budget -- Formula-Based School Aid

The amounts below do not include other Education aid that will also be distributed to school districts for the 2013-14 school year: \$203 million in Fiscal Stabilization Funding; \$75 million in State of the State Initiatives including Full-Day Pre-kindergarten and Extended Learning grants; and \$50 million in performance and management efficiency grants that will be distributed through a competitive process. Funding that has not yet been distributed to specific school districts represents 37 percent of the overall year-to-year increase in Education Aid.

2013-14 Executive Budget -- Formula-Based School Aid

The amounts below do not include other Education aid that will also be distributed to school districts for the 2013-14 school year: \$203 million in Fiscal Stabilization Funding; \$75 million in State of the State Initiatives including Full-Day Pre-kindergarten and Extended Learning grants; and \$50 million in performance and management efficiency grants that will be distributed through a competitive process. Funding that has not yet been distributed to specific school districts represents 37 percent of the overall year-to-year increase in Education Aid.

2013-14 Executive Budget -- Formula-Based School Aid

The amounts below do not include other Education aid that will also be distributed to school districts for the 2013-14 school year: \$203 million in Fiscal Stabilization Funding; \$75 million in State of the State Initiatives including Full-Day Pre-kindergarten and Extended Learning grants; and \$50 million in performance and management efficiency grants that will be distributed through a competitive process. Funding that has not yet been distributed to specific school districts represents 37 percent of the overall year-to-year increase in Education Aid.

2013-14 Executive Budget -- Formula-Based School Aid

The amounts below do not include other Education aid that will also be distributed to school districts for the 2013-14 school year: \$203 million in Fiscal Stabilization Funding; \$75 million in State of the State Initiatives including Full-Day Pre-kindergarten and Extended Learning grants; and \$50 million in performance and management efficiency grants that will be distributed through a competitive process. Funding that has not yet been distributed to specific school districts represents 37 percent of the overall year-to-year increase in Education Aid.

2013-14 Executive Budget -- Formula-Based School Aid

The amounts below do not include other Education aid that will also be distributed to school districts for the 2013-14 school year: \$203 million in Fiscal Stabilization Funding; \$75 million in State of the State Initiatives including Full-Day Pre-kindergarten and Extended Learning grants; and \$50 million in performance and management efficiency grants that will be distributed through a competitive process. Funding that has not yet been distributed to specific school districts represents 37 percent of the overall year-to-year increase in Education Aid.
