

**Amendments to Senate S6356-A; Assembly A8556-A
(ELFA Article VII Bill)**

Part M, relating to providing a rent cap for persons living with clinical/symptomatic HIV illness or AIDS in social services districts with a population over five million, is added to:

- Limit the client contribution for persons living with clinical/symptomatic HIV illness or AIDS in social services districts with a population over five million who receive public assistance and earned and/or unearned income to thirty percent of his or her earned and/or unearned income toward rental costs.
