

2014-15 Executive Budget Amendments
Thursday, February 20, 2014

**Amendments to Senate S6357-A; Assembly A8557-A
(TED Article VII Bill)**

Part B, relating to the design-build method for infrastructure projects, is amended to:

- Remove local entities from the design-build authorization, to specify the use of a Project Labor Agreement if a design-build capital project contract is estimated to cost over \$10 million and to extend the repeal date to December 9, 2017.

Part H, relating to pesticide product registration timetables and fees, is amended to:

- Change the effective date to read “; provided, however, that sections 3, 4, 5 and 6 of this act shall take effect on January 1, 2015.”
