§ 3. Paragraph a of subdivision 5 of section 3604 of the education law, as amended by chapter 161 of the laws of 2005, is amended to read as follows:

a. State aid adjustments. All errors or omissions in the apportionment shall be corrected by the commissioner. Whenever a school district has been apportioned less money than that to which it is entitled, the commissioner may allot to such district the balance to which it is entitled. Whenever a school district has been apportioned more money than that to which it is entitled, the commissioner may, by an order, direct such moneys to be paid back to the state to be credited to the general fund local assistance account for state aid to the schools, or may deduct such amount from the next apportionment to be made to said district, provided, however, that, upon notification of excess payments

1 of aid for which a recovery must be made by the state through deduction
2 of future aid payments, a school district may request that such excess
3 payments be recovered by deducting such excess payments from the
4 payments due to such school district and payable in the month of June in
5 (i) the school year in which such notification was received and (ii) the
6 two succeeding school years, provided further that there shall be no
7 interest penalty assessed against such district or collected by the
8 state. Such request shall be made to the commissioner in such form as
9 the commissioner shall prescribe, and shall be based on documentation
10 that the total amount to be recovered is in excess of one percent of the
11 district's total general fund expenditures for the preceding school
12 year. The amount to be deducted in the first year shall be the greater
13 of (i) the sum of the amount of such excess payments that is recognized
14 as a liability due to other governments by the district for the preced-
15 ing school year and the positive remainder of the district's unreserved
16 fund balance at the close of the preceding school year less the product
17 of the district's total general fund expenditures for the preceding
18 school year multiplied by five percent, or (ii) one-third of such excess
19 payments. The amount to be recovered in the second year shall equal the
20 lesser of the remaining amount of such excess payments to be recovered
21 or one-third of such excess payments, and the remaining amount of such
22 excess payments shall be recovered in the third year. Provided further
23 that, notwithstanding any other provisions of this subdivision, any
24 pending payment of moneys due to such district as a prior year adjust-
25 ment payable pursuant to paragraph c of this subdivision for aid claims
26 that had been previously paid as current year aid payments in excess of
27 the amount to which the district is entitled and for which recovery of
28 excess payments is to be made pursuant to this paragraph, shall be

1 reduced at the time of actual payment by any remaining unrecovered
2 balance of such excess payments, and the remaining scheduled deductions
3 of such excess payments pursuant to this paragraph shall be reduced by
4 the commissioner to reflect the amount so recovered. The commissioner
5 shall certify no payment to a school district based on a claim submitted
6 later than three years after the close of the school year in which such
7 payment was first to be made. For claims for which payment is first to
8 be made in the nineteen hundred ninety-six--ninety-seven school year,
9 the commissioner shall certify no payment to a school district based on
10 a claim submitted later than two years after the close of such school
11 year. For claims for which payment is first to be made [in the nineteen
12 hundred ninety-seven--ninety-eight] prior to the two thousand thirteen-
13 -two thousand fourteen school year [and thereafter], the commissioner
14 shall certify no payment to a school district based on a claim submitted
15 later than one year after the close of such school year. Further
16 provided that for any apportionments provided pursuant to sections seven
17 hundred one, seven hundred eleven, seven hundred fifty-one, seven
18 hundred fifty-three, nineteen hundred fifty, thirty-six hundred two,
19 thirty-six hundred two-b, thirty-six hundred two-c, thirty-six hundred
20 two-e, thirty-six hundred twelve and forty-four hundred five of this
21 chapter for the two thousand fourteen--two thousand fifteen and prior
22 school years, the commissioner shall certify no payment to a school
23 district, other than payments pursuant to subdivisions six-a, eleven,
24 thirteen and fifteen of section thirty-six hundred two of this part, in
25 excess of the payment computed based on an electronic data file used to
26 produce the school aid computer listing produced by the commissioner in
27 support of the executive budget request submitted for the two thousand
28 fourteen--two thousand fifteen state fiscal year and entitled "BT141-5",

1 and further provided that for any apportionments provided pursuant to
2 sections seven hundred one, seven hundred eleven, seven hundred fifty-
3 one, seven hundred fifty-three, nineteen hundred fifty, thirty-six
4 hundred two, thirty-six hundred two-b, thirty-six hundred two-c, thir-
5 ty-six hundred two-e, thirty-six hundred twelve and forty-four hundred
6 five of this chapter for the two thousand fifteen--two thousand sixteen
7 school year and thereafter, the commissioner shall certify no payment to
8 a school district, other than payments pursuant to subdivisions six-a,
9 eleven, thirteen and fifteen of section thirty-six hundred two of this
10 part, in excess of the payment computed based on an electronic data file
11 used to produce the school aid computer listing produced by the commis-
12 sioner in support of the executive budget request submitted for the
13 state fiscal year in which the school year commences. Provided, however,
14 no payments shall be barred or reduced where such payment is required as
15 a result of a final audit of the state. It is further provided that,
16 until June thirtieth, nineteen hundred ninety-six, the commissioner may
17 grant a waiver from the provisions of this section for any school
18 district if it is in the best educational interests of the district
19 pursuant to guidelines developed by the commissioner and approved by the
20 director of the budget.

21 § 4. The opening paragraph of section 3609-a of the education law, as
22 amended by section 14 of part A of chapter 57 of the laws of 2013, is
23 amended to read as follows:

26 fourteen school year, "moneys apportioned" shall mean the lesser of (i)
27 the sum of one hundred percent of the respective amount set forth for
28 each school district as payable pursuant to this section in the school

1 aid computer listing for the current year produced by the commissioner
2 in support of the budget which includes the appropriation for the gener-
3 al support for public schools for the prescribed payments and individ-
4 ualized payments due prior to April first for the current year plus the
5 apportionment payable during the current school year pursuant to subdi-
6 vision six-a and subdivision fifteen of section thirty-six hundred two

14 grants provided pursuant to subdivision twelve of section thirty-six
15 hundred forty-one of this article, or (ii) the apportionment calculated
16 by the commissioner based on data on file at the time the payment is
17 processed; provided however, that for the purposes of any payments made
18 pursuant to this section prior to the first business day of June of the
19 current year, moneys apportioned shall not include any aids payable
20 pursuant to subdivisions six and fourteen, if applicable, of section
21 thirty-six hundred two of this part as current year aid for debt service
22 on bond anticipation notes and/or bonds first issued in the current year
23 or any aids payable for full-day kindergarten for the current year
24 pursuant to subdivision nine of section thirty-six hundred two of this
25 part. The definitions of "base year" and "current year" as set forth in

27 apply to this section. For aid payable in the two thousand thirteen--two
28 thousand fourteen school year, reference to such "school aid computer

1 listing for the current year" shall mean the printouts entitled
2 "SA131-4". For aid payable in the two thousand fourteen--two thousand
3 fifteen school year and thereafter, "moneys apportioned" shall mean the
4 lesser of: (i) the sum of one hundred percent of the respective amount
5 set forth for each school district as payable pursuant to this section
6 in the school aid computer listing for the current year produced by the
7 commissioner in support of the executive budget request which includes
8 the appropriation for the general support for public schools for the
9 prescribed payments and individualized payments due prior to April first
10 for the current year plus the apportionment payable during the current
11 school year pursuant to subdivisions six-a and fifteen of section thir-
12 ty-six hundred two of this part minus any reductions to current year
13 aids pursuant to subdivision seven of section thirty-six hundred four of
14 this part or any deduction from apportionment payable pursuant to this
15 chapter for collection of a school district basic contribution as
16 defined in subdivision eight of section forty-four hundred one of this
17 chapter, less any grants provided pursuant to subparagraph two-a of
18 paragraph b of subdivision four of section ninety-two-c of the state
19 finance law, less any grants provided pursuant to subdivision twelve of
20 section thirty-six hundred forty-one of this article; or (ii) the appor-
21 tionment calculated by the commissioner based on data on file at the
22 time the payment is processed; provided however, that for the purposes
23 of any payments made pursuant to this section prior to the first busi-
24 ness day of June of the current year, moneys apportioned shall not
25 include any aids payable pursuant to subdivisions six and fourteen, if
26 applicable, of section thirty-six hundred two of this part as current
27 year aid for debt service on bond anticipation notes and/or bonds first
28 issued in the current year or any aids payable for full-day kindergarten

1 for the current year pursuant to subdivision nine of section thirty-six
2 hundred two of this part. The definitions of "base year" and "current
3 year" as set forth in subdivision one of section thirty-six hundred two
4 of this part shall apply to this section.

5 § 5. Paragraph b of subdivision 2 of section 3612 of the education
6 law, as amended by section 15 of part A of chapter 57 of the laws of
7 2013, is amended to read as follows:

8 b. Such grants shall be awarded to school districts, within the limits
9 of funds appropriated therefor, through a competitive process that takes
10 into consideration the magnitude of any shortage of teachers in the
11 school district, the number of teachers employed in the school district
12 who hold temporary licenses to teach in the public schools of the state,
13 the number of provisionally certified teachers, the fiscal capacity and
14 geographic sparsity of the district, the number of new teachers the
15 school district intends to hire in the coming school year and the number
16 of summer in the city student internships proposed by an eligible school
17 district, if applicable. Grants provided pursuant to this section shall
18 be used only for the purposes enumerated in this section. Notwithstand-
19 ing any other provision of law to the contrary, a city school district
20 in a city having a population of one million or more inhabitants receiv-
21 ing a grant pursuant to this section may use no more than eighty percent
22 of such grant funds for any recruitment, retention and certification
23 costs associated with transitional certification of teacher candidates
24 for the school years two thousand one--two thousand two through [two
25 thousand thirteen--two thousand fourteen] two thousand fourteen--two
26 thousand fifteen.

27 § 6. The education law is amended by adding a new section 3613 to read
28 as follows:

1 § 3613. School district reorganizations and real property tax rates.

2 1. When two or more school districts propose to reorganize pursuant to
3 sections fifteen hundred eleven through fifteen hundred thirteen,
4 fifteen hundred twenty-four, fifteen hundred twenty-six, seventeen
5 hundred five, or eighteen hundred one through eighteen hundred three of
6 this chapter, and under the law that would otherwise be applicable, the
7 reorganization would have an impact upon the school tax rates within the
8 areas served by the school districts that existed prior to the reorgan-
9 ization, notwithstanding any other provision of law to the contrary, the
10 boards of education or trustees of all the school districts participat-
11 ing in the proposed reorganization may opt to have that impact deferred
12 for a one-year period and/or phased-in over a period as may be deter-
13 mined by the boards of education or trustees of all participating school
14 districts in the manner prescribed by this section but which shall not
15 exceed a ten-year period. To exercise such option, the boards of educa-
16 tion or trustees of all participating school districts, after conducting
17 a public hearing, may adopt a resolution at least forty-five days prior
18 to the special district meeting at which the reorganization vote will be
19 held, to defer and/or phase-in the impact as provided herein. If the
20 board of education or trustees of any participating school district does
21 not approve such a resolution opting for a common phase-in period, the
22 provisions of this section shall not apply.

23 2. During the one-year deferral period, the tax rate for each portion
24 of the school district shall be calculated in the following manner:

25 (a) Determine the assessed value tax rate that applied for the school
26 year immediately preceding the school year in which the reorganization
27 took effect.

1 (b) Multiply that assessed value tax rate by the state equalization
2 rate applicable to the portion for the school year immediately preceding
3 the school year in which the reorganization took effect.

4 (c) Divide the product so determined by the state equalization rate
5 applicable to the portion for the first school year of the reorganized
6 school district. The quotient is the assessed value tax rate for the
7 portion for that school year. Provided, that if the sum of the real
8 property tax levies in all of the portions in the school district, using
9 the assessed value tax rates computed pursuant to this subdivision,
10 would yield a real property tax levy that is above or below the total
11 real property tax levy specified in the school district budget for the
12 current school year, the assessed value tax rates shall all be decreased
13 or increased proportionately so as to yield the specified real property
14 tax levy amount.

15 3. During each year of a phase-in period, whose duration up to ten
16 years shall have been determined by the boards of education or trustees
17 of the constituent school districts, the tax rate for each portion of
18 the reorganized school district shall be calculated in the following
19 manner:

20 (a) Determine the assessed value tax rate that applied for the school
21 year immediately preceding the school year in which the reorganization
22 took effect.

23 (b) Multiply that assessed value tax rate by the state equalization
24 rate applicable to the portion for the school year immediately preceding
25 the school year in which the reorganization took effect. The result is
26 the base full value tax rate of the portion.

27 (c) Determine the assessed value tax rate that would have applied in
28 the portion but for the provisions of this section.

1 (d) Multiply that assessed value tax rate by the state equalization
2 rate that would have applied for the current school year but for the
3 provisions of this section. The result is the target full value tax rate
4 for the portion.

5 (e) Determine the difference between the target full value tax rate
6 and the base full value tax rate for the portion.

7 (f) Divide the difference so determined by the total number of years
8 in the phase-in period applicable to the school district.

9 (g) Multiply the quotient so determined by the number of years from
10 the beginning of the phase-in period up to and including the year for
11 which the tax rate is being determined.

12 (h) Add the product so determined to the base full value tax rate.

13 (i) Divide the sum so determined by the applicable equalization rate.
14 The quotient is the assessed value tax rate for the portion for the
15 current school year. Provided, that if the sum of the real property tax
16 levies in all of the portions in the school district, using the assessed
17 value tax rates computed pursuant to this subdivision, would yield a
18 real property tax levy that is above or below the total real property
19 tax levy specified in the school district budget for the current school
20 year, the assessed value tax rates shall all be decreased or increased
21 proportionately so as to yield the specified real property tax levy
22 amount.

23 4. As used herein the term "portion" means that part of an assessing
24 unit located within a school district.

25 § 7. Section 3627 of the education law, as added by section 23 of part
26 A of chapter 57 of the laws of 2013, is amended to read as follows:

27 § 3627. Transportation after 4pm. 1. Notwithstanding any other
28 provisions of this section to the contrary, for the two thousand thir-

1 teen--two thousand fourteen and two thousand fourteen--two thousand
2 fifteen school [year] years, a city school district located in a city
3 having a population of one million or more providing transportation
4 pursuant to this chapter shall be responsible for:

5 (a) providing transportation for those children attending public and
6 nonpublic schools in grades kindergarten through six who remain at the
7 same school for which they are enrolled for regularly scheduled academic
8 classes from half-past nine o'clock in the morning or earlier until four
9 o'clock in the afternoon or later, on weekdays, and reside at least one
10 mile from their school of attendance for grades three through six, and
11 at least one-half mile from their school of attendance for grades
12 kindergarten through two or

13 (b) reimbursing the cost incurred by licensed transportation carriers
14 pursuant to contracts with such school district for providing transpor-
15 tation for those children attending public and nonpublic schools in
16 grades kindergarten through six who remain at the same school for which
17 they are enrolled for regularly scheduled academic classes from half-
18 past nine o'clock in the morning or earlier until four o'clock in the
19 afternoon or later, on weekdays, and reside at least one mile from their
20 school of attendance for grades three through six, and at least one-half
21 mile from their school of attendance for grades kindergarten through
22 two.

23 2. Nothing herein shall prohibit the school district from reimbursing
24 for costs incurred for contracts between the school district and any
25 entity providing or contracting for such transportation service.

26 3. A district shall not be deemed to have satisfied its obligation
27 under this section by providing public service transportation.

1 4. Notwithstanding any other provision of law to the contrary, any
2 expenditures for transportation provided pursuant to this section in the
3 two thousand thirteen--two thousand fourteen and two thousand fourteen-
4 -two thousand fifteen school [year] years and otherwise eligible for
5 transportation aid pursuant to subdivision seven of section thirty-six
6 hundred two of this article shall be considered approved transportation
7 expenses eligible for transportation aid, provided further that such aid
8 shall be limited to five million six hundred thousand dollars. And
9 provided further that such expenditures eligible for aid under this
10 section shall supplement not supplant local expenditures for such trans-
11 portation in the two thousand twelve--two thousand thirteen school year.

12 5. Notwithstanding any other provision of this section to the contra-
13 ry, in no event shall such city school district, in order to comply with
14 the requirements of this section, be required to incur any costs in
15 excess of the amount eligible for transportation aid pursuant to subdivi-
16 sion four of this section. In the event such amount is insufficient,
17 the city school district of New York shall provide transportation
18 services within such amount on an equitable basis, until such apportion-
19 ment is exhausted.

20 6. The chancellor of such school district, in consultation with the
21 commissioner, shall prescribe the most cost effective system for imple-
22 menting the requirements of this section, taking into consideration: (a)
23 the costs associated with paragraphs (a) and (b) of subdivision one of
24 this section, and (b) policies that attempt to maximize student safety
25 for the student to be transported, which for purposes of this section
26 shall include whether the pick up or drop off site of the transportation
27 is:

28 (i) not further than 600 feet from the student's residence; and/or

1 (ii) at the same locations for any family that have children at the
2 same residence who attend two or more different schools.

3 7. (a) In the event the chancellor has not satisfied a district's
4 obligation under this section, a parent or guardian or any represen-
5 tative authorized by such parent or guardian of a child eligible to
6 receive transportation under this section may request the commissioner
7 to arrange for the provision of the transportation to so satisfy the
8 requirements of this section.

9 (b) If within sixty days of receiving a request from such a parent or
10 guardian or any representative authorized by such parent or guardian,
11 the commissioner determines that the chancellor has not satisfied a
12 district's obligation under this section, then the commissioner shall
13 immediately direct the chancellor to contract with a licensed transpor-
14 tation carrier to provide the transportation required pursuant to this
15 section.

16 (c) In the event the chancellor is directed by the commissioner to
17 contract with a licensed transportation carrier to provide the transpor-
18 tation required pursuant to this section, the chancellor shall provide
19 the commissioner with a copy of such proposed contract, before it
20 becomes effective, and the commissioner shall have the power to approve,
21 disapprove or require amendments to such contract before it shall become
22 effective.

23 (d) A district, determined by the commissioner to not be in compliance
24 with the requirements of this section, shall be responsible for the cost
25 of any transportation contract awarded by the chancellor.

26 8. The parent or guardian, or any representative authorized by such
27 parent or guardian, may submit a written request for transportation
28 under this section, in the same manner and upon the same dates as are

1 required for a request for transportation pursuant to subdivision two of
2 section thirty-six hundred thirty-five of this article.

3 § 8. Section 3641 of the education law is amended by adding a new
4 subdivision 6-c to read as follows:

5 6-c. Teacher excellence fund. a. Within the amount appropriated for
6 such purpose, subject to a request for proposals developed by the
7 commissioner and approved by the director of the budget, the commission-
8 er shall award teacher excellence fund grants pursuant to this subdivi-
9 sion to eligible school districts, beginning in the two thousand four-
10 teen--two thousand fifteen school year, to provide teacher excellence
11 fund performance awards to highly effective teachers.

12 (1) Teacher excellence fund performance awards shall be allocated in
13 an annual amount of up to twenty thousand dollars to eligible teachers
14 rated as "highly effective" based on the most recent annual professional
15 performance review, in accordance with the requirements of section three
16 thousand twelve-c of this chapter and regulations of the commissioner.

17 (2) On an annual basis, eligible school districts may submit an appli-
18 cation to the commissioner, in a form and manner prescribed by the
19 commissioner, to request funding pursuant to this subdivision.

20 (3) The commissioner shall make available such application on or
21 before May fifteenth of the preceding school year and the commissioner
22 shall issue preliminary teacher excellence fund grant awards on or
23 before October fifteenth of the school year in which the eligible teach-
24 er shall receive a teacher excellence fund performance award.

25 (4) Applications submitted by eligible school districts shall include
26 information required by the commissioner including, but not limited to,
27 the extent to which the school district's plan is intended to recognize
28 and reward highly-effective teachers: (i) in school buildings with the

1 greatest academic need; (ii) in difficult-to-staff subject or certif-
2 ication areas and/or grade levels; and (iii) at critical points in a
3 teacher's career in order to encourage highly effective teachers to
4 remain in the classroom.

5 (5) The commissioner shall prioritize applications submitted by eligi-
6 ble school districts based on factors including, but not limited to, the
7 factors described in subparagraph four of this paragraph and the quality
8 of the proposal.

9 (6) Notwithstanding any other provision of law to the contrary, the
10 teacher excellence fund performance awards provided by this subdivision
11 shall be in addition to, and shall not be considered part of, a teach-
12 er's basic annual salary, and shall not be included as compensation for
13 retirement purposes. Teacher excellence fund performance awards shall
14 supplement and shall not supplant compensation from sources exclusive of
15 this subdivision agreed to as part of a collective bargaining agreement.

16 b. For the purpose of this subdivision:

17 (1) The term "eligible school district" shall mean a common, union
18 free, central, central high school, city, or special act school district
19 that has entered into an agreement with the collective bargaining repre-
20 sentatives of certified teachers consistent with the provisions of the
21 application submitted by the school district pursuant to paragraph a of
22 this subdivision.

23 (2) The term "eligible teacher" shall mean a teacher who (i) holds an
24 initial, provisional, transitional, permanent or professional state
25 teaching certificate appropriate to the teaching positions, including
26 the subject area if applicable, in which he or she is employed; (ii) is
27 a classroom teacher subject to the annual professional performance
28 review requirements of section three thousand twelve-c of this chapter;

1 and (iii) is rated "highly effective" based on his or her most recent
2 annual professional performance review, in accordance with the require-
3 ments of section three thousand twelve-c of this chapter and regulations
4 of the commissioner.

5 § 9. Subdivision 6 of section 4402 of the education law, as amended by
6 section 21 of part A of chapter 57 of the laws of 2013, is amended to
7 read as follows:

8 6. Notwithstanding any other law, rule or regulation to the contrary,
9 the board of education of a city school district with a population of
10 one hundred twenty-five thousand or more inhabitants shall be permitted
11 to establish maximum class sizes for special classes for certain
12 students with disabilities in accordance with the provisions of this
13 subdivision. For the purpose of obtaining relief from any adverse fiscal
14 impact from under-utilization of special education resources due to low
15 student attendance in special education classes at the middle and
16 secondary level as determined by the commissioner, such boards of educa-
17 tion shall, during the school years nineteen hundred ninety-five--nine-
18 ty-six through June thirtieth, two thousand [fourteen] fifteen of the
19 two thousand [thirteen] fourteen--two thousand [fourteen] fifteen school
20 year, be authorized to increase class sizes in special classes contain-
21 ing students with disabilities whose age ranges are equivalent to those
22 of students in middle and secondary schools as defined by the commis-
23 sioner for purposes of this section by up to but not to exceed one and
24 two tenths times the applicable maximum class size specified in regu-
25 lations of the commissioner rounded up to the nearest whole number,
26 provided that in a city school district having a population of one
27 million or more, classes that have a maximum class size of fifteen may
28 be increased by no more than one student and provided that the projected

1 average class size shall not exceed the maximum specified in the appli-
2 cable regulation, provided that such authorization shall terminate on
3 June thirtieth, two thousand. Such authorization shall be granted upon
4 filing of a notice by such a board of education with the commissioner
5 stating the board's intention to increase such class sizes and a certif-
6 ication that the board will conduct a study of attendance problems at
7 the secondary level and will implement a corrective action plan to
8 increase the rate of attendance of students in such classes to at least
9 the rate for students attending regular education classes in secondary
10 schools of the district. Such corrective action plan shall be submitted
11 for approval by the commissioner by a date during the school year in
12 which such board increases class sizes as provided pursuant to this
13 subdivision to be prescribed by the commissioner. Upon at least thirty
14 days notice to the board of education, after conclusion of the school
15 year in which such board increases class sizes as provided pursuant to
16 this subdivision, the commissioner shall be authorized to terminate such
17 authorization upon a finding that the board has failed to develop or
18 implement an approved corrective action plan.

19 § 10. The education law is amended by adding a new section 4403-a to
20 read as follows:

21 § 4403-a. Waivers from certain duties. 1. A local school district,
22 approved private school or board of cooperative educational services may
23 submit an application for a waiver from any requirement imposed on such
24 district, school or board of cooperative educational services pursuant
25 to section forty-four hundred two or section forty-four hundred three of
26 this article, and regulations promulgated thereunder, for a specific
27 school year. Such application must be submitted at least sixty days in

1 advance of the proposed date on which the waiver would be effective and
2 shall be in a form prescribed by the commissioner.

3 2. Before submitting an application for a waiver, the local school
4 district, approved private school or board of cooperative educational
5 services shall provide notice of the proposed waiver to the parents or
6 persons in parental relationship to the students that would be impacted
7 by the waiver if granted. Such notice shall be in a form and manner that
8 will ensure that such parents and persons in parental relationship will
9 be aware of all relevant changes that would occur under the waiver, and
10 shall include information on the form, manner and date by which parents
11 may submit written comments on the proposed waiver. The local school
12 district, approved private school, or board of cooperative educational
13 services shall provide at least sixty days for such parents and persons
14 in parental relationship to submit written comments, and shall include
15 in the waiver application submitted to the commissioner pursuant to
16 subdivision one of this section any written comments received from such
17 parents or persons in parental relation to such students.

18 3. The commissioner may grant a waiver from any requirement imposed on
19 a local school district, approved private school or board of cooperative
20 educational services pursuant to section forty-four hundred two or
21 section forty-four hundred three of this article, upon a finding that
22 such waiver will enable a local school district, approved private school
23 or board of cooperative educational services to implement an innovative
24 special education program that is consistent with applicable federal
25 requirements, and will enhance student achievement and/or opportunities
26 for placement in regular classes and programs. In making such determi-
27 nation, the commissioner shall consider any comments received by the
28 local school district, approved private school or board of cooperative

1 educational services from parents or persons in parental relation to the
2 students that would be directly affected by the waiver if granted.

3 4. Any local school district, approved private school or board of
4 cooperative educational services granted a waiver shall submit an annual
5 report to the commissioner regarding the operation and evaluation of the
6 program no later than thirty days after the end of each school year for
7 which a waiver is granted.

8 § 11. Subparagraph (i) of paragraph a of subdivision 10 of section
9 4410 of the education law, as amended by chapter 82 of the laws of 1995,
10 is amended and a new subparagraph (iv) is added to read as follows:

11 (i) (A) Commencing with the nineteen hundred ninety--ninety-one school
12 year, the commissioner shall annually determine the tuition rate for
13 approved services or programs provided to preschool children pursuant to
14 this section. Such rates for providers of such services and programs
15 shall be determined in conformance with a methodology established pursu-
16 ant to subdivision four of section forty-four hundred five of this arti-
17 cle after consultation with and a review of an annual report prepared by
18 the advisory committee established pursuant to paragraph a of subdivi-
19 sion twelve of this section and shall be subject to the approval of the
20 director of the budget. Notwithstanding any other provision of law, rule
21 or regulation to the contrary, tuition rates established for the nine-
22 teen hundred ninety-five--ninety-six school year shall exclude the two
23 percent cost of living adjustment authorized in rates established for
24 the nineteen hundred ninety-four--ninety-five school year.

25 (B) Notwithstanding any other provision of law, rule or regulation to
26 the contrary, for the two thousand fourteen--two thousand fifteen school
27 year and thereafter, the commissioner, subject to the approval of the
28 director of the budget, shall establish regional tuition rates for

1 special education itinerant services based on approved actual costs in
2 accordance with a methodology established pursuant to subdivision four
3 of section forty-four hundred five of this article. Such special educa-
4 tion itinerant services shall be provided by approved programs, and such
5 approved programs shall be reimbursed for such services based on the
6 actual attendance of preschool children receiving such services.

7 (iv) Notwithstanding any other provision of law, rule or regulation to
8 the contrary, for the two thousand fourteen--two thousand fifteen school
9 year and thereafter, the city of New York shall be authorized to estab-
10 lish local tuition rates for approved special education itinerant
11 services provided within the city of New York through a competitive
12 request for proposals process, provided that such local tuition rates
13 shall not exceed the tuition rates determined by the commissioner and
14 approved by the director of the budget pursuant to subparagraphs (i)
15 through (iii) of this paragraph, and section forty-four hundred five of
16 this article. The local tuition rates so established shall be used in
17 the contracts with providers providing special education itinerant
18 services within the city of New York. Notwithstanding any other
19 provision of this article to the contrary, the city of New York shall be
20 responsible for arranging for and selecting the approved special educa-
21 tion itinerant program provider through the competitive request for
22 proposal process to deliver the services consistent with the individual-
23 ized education program of the preschool child. Provided, however, that
24 the competitive request for proposal process authorized by this subpara-
25 graph shall not apply to preschool children with disabilities who
26 received programs or services pursuant to this section in the two thou-
27 sand thirteen--two thousand fourteen school year. The city of New York

1 shall be required to provide data relating to its local tuition rates to
2 the department in the form and manner prescribed by the commissioner.

3 § 12. Subdivision b of section 2 of chapter 756 of the laws of 1992,
4 relating to funding a program for work force education conducted by the
5 consortium for worker education in New York city, as amended by section
6 27 of part A of chapter 57 of the laws of 2013, is amended to read as
7 follows:

8 b. Reimbursement for programs approved in accordance with subdivision
9 a of this section [for the 2010--2011 school year shall not exceed 62.6
10 percent of the lesser of such approvable costs per contact hour or
11 twelve dollars and five cents per contact hour, reimbursement] for the
12 2011--2012 school year shall not exceed 62.9 percent of the lesser of
13 such approvable costs per contact hour or twelve dollars and fifteen
14 cents per contact hour, reimbursement for the 2012--2013 school year
15 shall not exceed 63.3 percent of the lesser of such approvable costs per
16 contact hour or twelve dollars and thirty-five cents per contact hour,
17 [and] reimbursement for the 2013--2014 school year shall not exceed 62.3
18 percent of the lesser of such approvable costs per contact hour or
19 twelve dollars and sixty-five cents per contact hour, and reimbursement
20 for the 2014--2015 school year shall not exceed 61.6 percent of the
21 lesser of such approvable costs per contact hour or eight dollars and
22 three cents per contact hour where a contact hour represents sixty
23 minutes of instruction services provided to an eligible adult. Notwith-
24 standing any other provision of law to the contrary, [for the 2010--2011
25 school year such contact hours shall not exceed one million five hundred
26 twenty-five thousand one hundred ninety-eight (1,525,198) hours; where-
27 as] for the 2011--2012 school year such contact hours shall not exceed
28 one million seven hundred one thousand five hundred seventy (1,701,570)

1 hours; whereas for the 2012--2013 school year such contact hours shall
2 not exceed one million six hundred sixty-four thousand five hundred
3 thirty-two (1,664,532) hours; whereas for the 2013--2014 school year
4 such contact hours shall not exceed one million six hundred forty-nine
5 thousand seven hundred forty-six (1,649,746) hours; whereas for the
6 2014--2015 school year such contact hours shall not exceed one million
7 four hundred thirty-two thousand one hundred twenty-nine (1,432,129)
8 hours. Notwithstanding any other provision of law to the contrary, the
9 apportionment calculated for the city school district of the city of New
10 York pursuant to subdivision 11 of section 3602 of the education law
11 shall be computed as if such contact hours provided by the consortium
12 for worker education, not to exceed the contact hours set forth herein,
13 were eligible for aid in accordance with the provisions of such subdivi-
14 sion 11 of section 3602 of the education law.

15 § 13. Section 4 of chapter 756 of the laws of 1992, relating to fund-
16 ing a program for work force education conducted by the consortium for
17 worker education in New York city, is amended by adding a new subdivi-
18 sion s to read as follows:

19 s. The provisions of this subdivision shall not apply after the
20 completion of payments for the 2014--2015 school year. Notwithstanding
21 any inconsistent provisions of law, the commissioner of education shall
22 withhold a portion of employment preparation education aid due to the
23 city school district of the city of New York to support a portion of the
24 costs of the work force education program. Such moneys shall be credited
25 to the elementary and secondary education fund-local assistance account
26 and shall not exceed eleven million five hundred thousand dollars
27 (\$11,500,000).

7 whiteboards, computer servers, and desktop, laptop and tablet computers;
8 install high-speed broadband or wireless internet connectivity for
9 schools and communities; and construct, enhance, and modernize educa-

12 it may impose, make available out of the proceeds of the sale of bonds
13 authorized in this act, moneys disbursed or to be disbursed for the cost
14 of approved capital projects undertaken by, or on behalf of, school

20 The aggregate principal amount of such bonds shall not exceed two
21 billion dollars (\$2,000,000,000) excluding bonds issued to refund or
22 otherwise repay bonds heretofore issued for such purpose; provided,
23 however, that upon any such refunding or repayment, the total aggregate

11 broadband or wireless internet connectivity for schools and communities;
12 and capital projects to construct, enhance or modernize educational
13 facilities to accommodate pre-kindergarten programs.

14 § 2. This act shall take effect immediately, provided that the
15 provisions of section one of this act shall not take effect unless and
16 until this act shall have been submitted to the people at the general
17 election to be held in November 2014 and shall have been approved by a
18 majority of all votes cast for and against it at such election. Upon
19 approval by the people, section one of this act shall take effect imme-

21 submission of this act shall be in the form prescribed by the election
22 law and the proposition or question to be submitted shall be printed

27 access to classroom technology and high-speed internet connectivity to
28 equalize opportunities for children to learn and to add classroom space

1 to expand high-quality pre-kindergarten programs. Shall the SMART
2 SCHOOLS BOND ACT OF 2014 be approved?".

3 PART C

20 (9) "Smart schools allocation" shall mean, for each school district,
21 the product of (i) two billion dollars (\$2,000,000,000) multiplied by
22 (ii) the quotient of such school district's selected school aid divided

24 b. Smart schools investment plans. (1) The smart schools review board
25 shall issue guidelines setting forth required components and eligibility

11 (3) The smart schools review board shall review all smart schools
12 investment plans for compliance with all eligibility criteria and other
13 requirements set forth in the guidelines. The smart schools review board
14 may approve or reject such plans, or may return such plans to the school
15 district for modifications. Upon approval, the smart schools project or
16 projects described in the investment plan shall be eligible for smart
17 schools grants. A smart schools project included in a school district's
18 smart schools investment plan shall not require separate approval of the
19 commissioner unless it is part of a school construction project required

21 subdivision one of this section shall not apply to such payments. Such
22 payment shall fulfill any obligation of the state or the commissioner to
23 apportion funds pursuant to this subdivision, and whenever a school
24 district has been apportioned more money pursuant to this subdivision
25 than that to which it is entitled, the commissioner may deduct such
26 amount from the next apportionment to be made to such school district.

27 d. Consistency with federal tax law. All actions taken pursuant to
28 this subdivision shall be reviewed for consistency with provisions of

4 exempt status of such bonds.

5 e. Compliance with other law. Every recipient of funds to be made

7 state, federal and local laws.

8 § 3. The state finance law is amended by adding a new section 97-0000
9 to read as follows:

10 § 97-0000. Smart schools bond fund. 1. There is hereby established in

13 fund".

14 2. The state comptroller shall deposit into the smart schools bond
15 fund all moneys received by the state from the sale of bonds and/or
16 notes for uses eligible pursuant to section four of the smart schools
17 bond act of 2014.

18 3. Moneys in the smart schools bond fund, following appropriation by
19 the legislature and allocation by the director of the budget, shall be
20 available only for reimbursement of expenditures made from appropri-
21 ations from the capital projects fund for the purpose of the smart
22 schools bond fund, as set forth in the smart schools bond act of 2014.

23 4. No moneys received by the state from the sale of bonds and/or notes
24 sold pursuant to the smart schools bond act of 2014 shall be expended
25 for any project until funds therefor have been allocated pursuant to the
26 provisions of this section and copies of the appropriate certificates of
27 approval filed with the chair of the senate finance committee, the chair
28 of the assembly ways and means committee and the state comptroller.

§ 4. Section 61 of the state finance law is amended by adding a new subdivision 31 to read as follows:

SMART SCHOOLS PROJECTS

31. Thirty years. For the payment of smart schools projects, including but not limited to pre-kindergarten projects, community connectivity projects, and classroom technology projects, all as defined in subdivision sixteen of section thirty-six hundred forty-one of the education law and undertaken pursuant to a chapter of the laws of two thousand fourteen, enacting and constituting the smart schools bond act of 2014. Thirty years for pre-kindergarten projects, twenty years for community connectivity projects, and eight years for classroom technology projects. Notwithstanding the foregoing, for the purposes of calculating annual debt service, the state comptroller shall apply a weighted average period of probable life of such smart schools projects, including with any other works or purposes to be financed with state debt. Weighted average period of probable life shall be determined by computing the sum of the products derived from multiplying the dollar value of the portion of the debt contracted for each work or purpose (or class of works or purposes) by the probable life of such work or purpose (or class of works or purposes) and dividing the resulting sum by the dollar value of the entire debt after taking into consideration any original issue premium or discount.

§ 5. If any clause, sentence, paragraph, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

1 § 6. This act shall take effect only in the event that section 1 of
2 part B of a chapter of the laws of 2014, enacting the "smart schools
3 bond act of 2014," is submitted to the people at the general election to
4 be held in November 2014 and is approved by a majority of all votes cast
5 for and against it at such election. Upon such approval, this act shall
6 take effect immediately. Effective immediately, the addition, amendment,
7 and/or repeal of any rule or regulation necessary for the implementation
8 of the foregoing sections of this act are authorized and directed to be
9 made and completed on or before such effective date.

10 PART D

11 Section 1. Short title. This act shall be known and may be cited as
12 the "nurse practitioners modernization act".

13 § 2. Subdivision 3 of section 6902 of the education law, as added by
14 chapter 257 of the laws of 1988, is amended to read as follows:

15 3. (a) (i) The practice of registered professional nursing by a nurse
16 practitioner, certified under section six thousand nine hundred ten of
17 this article, may include the diagnosis of illness and physical condi-
18 tions and the performance of therapeutic and corrective measures within
19 a specialty area of practice, in collaboration with a licensed physician
20 qualified to collaborate in the specialty involved, provided such
21 services are performed in accordance with a written practice agreement
22 and written practice protocols except as permitted by paragraph (b) of
23 this subdivision. The written practice agreement shall include explicit
24 provisions for the resolution of any disagreement between the collab-
25 orating physician and the nurse practitioner regarding a matter of diag-
26 nosis or treatment that is within the scope of practice of both. To the

1 extent the practice agreement does not so provide, then the collaborat-
2 ing physician's diagnosis or treatment shall prevail.

3 [(b)] (ii) In the event that (A) an existing written practice agree-
4 ment with a collaborating physician terminates as a result of: the
5 collaborating physician moving, retiring, no longer needing the services
6 of the nurse practitioner, no longer being qualified to practice; or the
7 written practice agreement terminating due to no fault on the part of
8 the nurse practitioner; and (B) the nurse practitioner demonstrates that
9 he or she has made a good faith effort to enter into a new written prac-
10 tice agreement with a collaborating physician and has been unable to do
11 so, then upon approval by the department, such nurse practitioner may
12 continue to practice pursuant to this paragraph within a specialty area
13 of practice for a period of up to six months, in collaboration with a
14 nurse practitioner who has been certified under section six thousand
15 nine hundred ten of this article, who has been practicing for more than
16 three thousand six hundred hours and who is qualified to collaborate in
17 the specialty involved, provided that services are performed in accord-
18 ance with a written practice agreement and written practice protocols;
19 such six month time period for collaboration between nurse practitioners
20 may be extended for a period of time not to exceed an additional six
21 months upon a showing of good cause subject to the approval of the
22 department.

23 (iii) Prescriptions for drugs, devices and immunizing agents may be
24 issued by a nurse practitioner, under this [subdivision] paragraph and
25 section six thousand nine hundred ten of this article, in accordance
26 with the practice agreement and practice protocols except as permitted
27 by paragraph (b) of this subdivision. The nurse practitioner shall
28 obtain a certificate from the department upon successfully completing a

1 program including an appropriate pharmacology component, or its equiv-
2 alent, as established by the commissioner's regulations, prior to
3 prescribing under this [subdivision] paragraph. The certificate issued
4 under section six thousand nine hundred ten of this article shall state
5 whether the nurse practitioner has successfully completed such a program
6 or equivalent and is authorized to prescribe under this [subdivision]
7 paragraph.

8 [(c)] (iv) Each practice agreement shall provide for patient records
9 review by the collaborating physician or, where applicable, the collab-
10 orating nurse practitioner, in a timely fashion but in no event less
11 often than every three months. The names of the nurse practitioner and
12 the collaborating physician or, where applicable, the collaborating
13 nurse practitioner shall be clearly posted in the practice setting of
14 the nurse practitioner.

15 [(d)] (v) The practice protocol shall reflect current accepted medical
16 and nursing practice, or for collaborations with another nurse practi-
17 tioner pursuant to subparagraph (ii) of this paragraph, the current
18 accepted nursing practice. The protocols shall be filed with the
19 department within ninety days of the commencement of the practice and
20 may be updated periodically. The commissioner shall make regulations
21 establishing the procedure for the review of protocols and the disposi-
22 tion of any issues arising from such review.

23 [(e)] (vi) No physician or, where applicable, nurse practitioner,
24 shall enter into practice agreements with more than four nurse practi-
25 tioners who are not located on the same physical premises as the collab-
26 orating physician or collaborating nurse practitioner.

27 [(f)] (b) Notwithstanding subparagraph (i) of paragraph (a) of this
28 subdivision, a nurse practitioner, certified under section sixty-nine

1 hundred ten of this article and practicing for more than three thousand
2 six hundred hours may comply with this paragraph in lieu of complying
3 with the requirements of paragraph (a) of this subdivision relating to
4 collaboration with a physician, a written practice agreement and written
5 practice protocols. A nurse practitioner complying with this paragraph
6 shall have collaborative relationships with one or more licensed physi-
7 cians qualified to collaborate in the specialty involved or a hospital,
8 licensed under article twenty-eight of the public health law, that
9 provides services through licensed physicians qualified to collaborate
10 in the specialty involved and having privileges at such institution. The
11 nurse practitioner shall document such collaborative relationships in a
12 manner required by the department, which identifies the name and medical
13 license number of each physician or hospital, as applicable, with whom
14 the nurse practitioner is collaborating, and the nurse practitioner
15 attests that the physician or hospital is aware of and has agreed to
16 maintain a collaborative relationship with the nurse practitioner.

17 (c) Nothing in this subdivision shall be deemed to limit or diminish
18 the practice of the profession of nursing as a registered professional
19 nurse under this article or any other law, rule, regulation or certif-
20 ication, nor to deny any registered professional nurse the right to do
21 any act or engage in any practice authorized by this article or any
22 other law, rule, regulation or certification.

23 [(g)] (d) The provisions of this subdivision shall not apply to any
24 activity authorized, pursuant to statute, rule or regulation, to be
25 performed by a registered professional nurse in a hospital as defined in
26 article twenty-eight of the public health law.

27 (e) In conjunction with and as a condition of each triennial registra-
28 tion, the department shall collect and a nurse practitioner shall

1 provide such information and documentation required by the department,
2 in consultation with the department of health, as necessary to enable
3 the department of health to evaluate access to needed services in this
4 state, including but not limited to the location and type of setting
5 wherein the nurse practitioner practices; if the nurse practitioner has
6 practiced for fewer than three thousand six hundred hours and is prac-
7 ticing pursuant to a written practice agreement with a physician; if the
8 nurse practitioner practices pursuant to a written practice agreement
9 with a nurse practitioner for six months and if the written practice
10 agreement has been extended for an additional six months upon a showing
11 of good cause subject to the approval of the department; if the nurse
12 practitioner practices pursuant to collaborative relationships with a
13 physician or hospital; and other information the department, in consul-
14 tation with the department of health, deems relevant.

15 § 3. This act shall take effect on the first of January after it shall
16 have become a law; provided, however, that effective immediately, the
17 addition, amendment and/or repeal of any rule or regulation necessary
18 for the implementation of this act on its effective date is authorized
19 and directed to be made and completed on or before such effective date.

10 ten reports made under this section. If the principal or superintendent
11 designates an individual to lead and supervise such investigation and
12 the investigation reveals verified harassment, bullying or discrimi-
13 nation, the principal's or superintendent's designee shall promptly
14 forward any determinations of verified harassment, bullying or discrimi-
15 nation directly to the principal or superintendent, or both, as deter-
16 mined by the school district;

17 § 3. Paragraphs e, f, g, h, i, j, k and l of subdivision 1 of section
18 13 of the education law are relettered paragraphs g, h, i, j, k, l, m

21 graph d of this subdivision, the principal, superintendent or the prin-

24 or discrimination. If the principal or superintendent designates an
25 individual to lead and supervise such investigation, the principal's or
26 superintendent's designee shall promptly forward any such determi-
27 nations, whether or not they find a pattern of harassment, bullying or
28 discrimination, directly to the principal or superintendent, or both, as

1 determined by the school district; such official or officials, in turn,
2 shall promptly undertake an independent review of each determination to
3 determine if the verified incident is part of such a pattern of harass-

5 f. require the principal or superintendent to promptly report to the
6 commissioner, the division of human rights and the division of state
7 police, (i) any investigation where a determination is made by either

10 nation is part of a pattern of harassment, bullying or discrimination
11 and (ii) any pattern of harassment, bullying or discrimination of which
12 they otherwise become aware. School districts shall ensure that they
13 have adequate policies and procedures in place to ensure that these
14 patterns are reported promptly;

15 § 4. Section 14 of the education law is amended by adding two new
16 subdivisions 6 and 7 to read as follows:

17 6. When the commissioner receives a report from a principal or super-
18 intendent of a pattern of harassment, bullying or discrimination, the
19 commissioner shall develop, and the school district shall implement,
20 intervention protocols reasonably calculated to end the harassment,
21 bullying or discrimination, eliminate any hostile environment, create a
22 more positive school culture and climate, prevent recurrence of the
23 behavior, and ensure the safety of the student or students against whom
24 such harassment, bullying or discrimination was directed. The department
25 shall evaluate the district's implementation of such protocols within
26 six months after such protocols are received by the district.

27 7. If the commissioner receives or acquires substantial evidence from
28 any source that a school principal or superintendent has failed to

1 fulfill his or her duties under this article or has failed to report a
2 pattern of harassment, bullying or discrimination as defined in section
3 eleven of this article, of which the principal or superintendent knew or
4 should have known, the commissioner shall initiate a removal proceeding
5 pursuant to subdivision one of section three hundred six of this title.
6 For the purposes of this subdivision only, a principal shall be deemed a
7 school officer.

8 § 5. Section 297 of the executive law is amended by adding a new
9 subdivision 11 to read as follows:

10 11. The division shall promptly report to the commissioner of educa-
11 tion information regarding any complaints of discrimination against
12 students in a public school, brought pursuant to subdivision four of
13 section two hundred ninety-six of this article, where a determination of
14 probable cause has been issued by the division. Such information may be
15 used by the commissioner of education to determine whether a school
16 principal or superintendent has failed to report a pattern of harass-
17 ment, bullying or discrimination in violation of article two of the
18 education law.

19 § 6. This act shall take effect on the ninetieth day after it shall
20 have become a law, provided that authority of the commissioner of educa-
21 tion and the division of human rights to promulgate any regulations
22 necessary to implement this act shall take effect immediately.
