§ 14-116. Political contributions by certain organizations. 1. No corporation, limited liability company, or joint-stock association doing business in this state, except a corporation or association organized or maintained for political purposes only, shall directly or indirectly pay or use or offer, consent or agree to pay or use any money or property for or in aid of any political party, committee or organization, or for, or in aid of, any corporation, limited liability company, joint-stock or other association organized or maintained for political purposes, or for, or in aid of, any candidate for political office or for nomination for such office, or for any political purpose whatever, or for the reimbursement or indemnification of any person for moneys or property so used. Any officer, director, stock-holder, attorney or agent of any corporation, limited liability company, or joint-stock association which violates any of the provisions of this section, who participates in, aids, abets or advises or consents to any such violations, and any person who solicits or knowingly receives any money or property in violation of this section, shall be guilty of a misdemeanor.
2. Notwithstanding the provisions of subdivision one of this section, any corporation or an organization financially supported in whole or in part, by such corporation may make expenditures, including contributions, not otherwise prohibited by law, for political purposes, in an amount not to exceed [five] one thousand dollars in the aggregate in any calendar year; provided that no public utility shall use revenues received from the rendition of public service within the state for contributions for political purposes unless such cost is charged to the shareholders of such a public service corporation.

§ 8. Section 14-130 of the election law, as added by chapter 152 of the laws of 1985, is amended to read as follows:

§ 14-130. Campaign funds for personal use. 1. Contributions received by a candidate or a political committee may be expended for any lawful purpose that is directly related to promoting the nomination or election of a candidate or the execution of duties associated with the holding of a public office or party position. Such funds shall not be converted by any person to a personal use [which is unrelated to a political campaign or the holding of a public office or party position].

2. No contribution shall be used to pay interest or any other finance charges upon monies loaned to the campaign by such candidate or the spouse of such candidate.

3. (a) As used in this section, expenditures for "personal use" are defined as expenditures that are exclusively for the personal benefit of the candidate or any other individual, and are used to fulfill any commitment, obligation, or expense of a person that would exist irrespective of the candidate's election campaign or the execution of the duties of public office or the execution of the duties of a party official.
(b) Expenditures for personal use shall include, but are not limited to, expenses for the following:

(i) any residential or household items, supplies or expenditures, including mortgage, rent or utility payments for any part of any personal residence of a candidate or officeholder or a member of the candidate's or officeholder's family that are not incurred as a result of, or to facilitate, the individual's campaign, or the execution of his or her public duties. In the event that any property or building is used for both personal and campaign use, personal use shall constitute expenses that exceed the pro-rated amount for such expenses based on fair-market value.

(ii) mortgage, rent, or utility payments for any part of any non-residential property that is owned by a candidate or officeholder or a member of a candidate's or officeholder's family and used for campaign purposes, to the extent the payments exceed the fair market value of the property's usage for campaign activities;

(iii) clothing, other than items that are used in the campaign;

(iv) tuition payments;

(v) childcare costs;

(vi) dues, fees, or gratuities at a country club, health club, recreational facility or other nonpolitical organization, unless they are part of a specific fundraising event that takes place on the organization's premises;

(vii) salary payments or other compensation provided to any person whose services are not solely for campaign purposes or provided in connection with the execution of the duties of public office;

(viii) salary payments or other compensation provided to a member of a candidate's family, unless the family member is providing bona fide
services to the campaign. If a family member provides bona fide services
to a campaign, any salary payments or other compensation in excess of
the fair market value of the services provided shall be considered
payments for personal use;

(ix) admission to a sporting event, concert, theater, or other form of
entertainment, unless such event is part of a campaign or officeholder
activity;

(x) payment of any fines or penalties assessed pursuant to this chapter
or in connection with a criminal conviction or by the joint commission
for public ethics or the legislative ethics commission;

(xi) travel expenses including automobile purchases or leases, unless
used solely for campaign purposes or in connection with the execution of
the duties of public office. If a candidate uses campaign funds to pay
expenses associated with travel that involves both personal activities
and campaign activities or official duties, the incremental expenses
that result from the personal activities shall be considered for
personal use unless the person or persons benefiting from the use reim-
burse or reimburses the campaign account within ninety days for the full
amount of the incremental expenses; and

(xii) any other expenditure designated by the state board of elections
as constituting personal use.

4. Nothing in this section shall prohibit a candidate from purchasing
equipment or property from his or her personal funds and leasing or
renting such equipment or property to a committee working directly or
indirectly with him to aid or participate in his or her nomination or
election, including an exploratory committee, provided that the candidate and his or her campaign treasurer sign a written lease or rental
agreement. Such agreement shall include the lease or rental price, which
shall not exceed the fair lease or rental value of the equipment. The candidate shall not receive lease or rental payments which, in the aggregate, exceed the cost of purchasing the equipment or property.

5. Nothing in this section shall prohibit an elected public officer-holder from using campaign contributions to facilitate, support, or otherwise assist in the execution or performance of the duties of his or her public office.

6. The state board of elections shall issue advisory opinions from time to time upon request to address the application of this section.

§ 9. Article 14 of the election law is amended by adding a new title II to read as follows:

TITLE II

PUBLIC FINANCING

Section 14-200. Legislative findings and intent.

14-201. Reporting requirements.

14-203. Proof of compliance.

14-204. Eligibility.

14-205. Limits on public financing.

14-206. Payment of public matching funds.

14-207. Use of public matching funds; qualified campaign expenditures.

14-208. Powers and duties of board.

14-209. Audits and repayments.

14-210. Enforcement and penalties for violations and other proceedings.

14-211. Reports.
$ 14-200. Legislative findings and intent. The legislature finds that reform of New York state's campaign finance system is crucial to improving public confidence in the state's democratic processes and continuing to ensure a government that is accountable to all of the voters of the state regardless of wealth or position. The legislature finds that New York's current system of campaign finance, with its large contributions to candidates for office and party committees, has created the potential for and the appearance of corruption. The legislature further finds that, whether or not this system creates actual corruption, the appearance of such corruption can give rise to a distrust in government and citizen apathy that undermine the democratic operation of the political process. The legislature also finds that the high cost of running for office in New York discourages qualified candidates from running for office and creates an electoral system that encourages candidates to spend too much time raising money rather than attending to the duties of their office, representing the needs of their constituents, and communicating with voters. The legislature amends this chapter creating a new title two to article fourteen of this chapter to reduce the possibility and appearance that special interests exercise undue influence over state officials; to increase the actual and apparent responsiveness of elected officials to all voters; to encourage qualified candidates to run for office; and to reduce the pressure on candidates to spend large amounts of time raising large contributions for their campaigns.
The legislature finds that this article's limitations on contributions further the government's interest in reducing real and apparent corruption and in building trust in government. The legislature finds that the contribution levels are sufficiently high to allow candidates and political parties to raise enough money to run effective campaigns. In addition, the legislature finds that graduated contribution limitations reflect the campaign needs of candidates for different offices.

The legislature also finds that the system of voluntary public financing furthers the government's interest in encouraging qualified candidates to run for office. The legislature finds that the voluntary public funding program will enlarge the public debate and increase participation in the democratic process. In addition, the legislature finds that the voluntary expenditure limitations and matching fund program reduce the burden on candidates and officeholders to spend time raising money for their campaigns.

Therefore, the legislature declares that these amendments further the important and valid government interests of reducing voter apathy, building confidence in government, reducing the reality and appearance of corruption, and encouraging qualified candidates to run for office, while reducing candidates' and officeholders' fundraising burdens.

§ 14-205. Limits on public financing. The following limitations apply to the total amounts of public funds that may be provided to a participating candidate's authorized committee for an election cycle:

§ 14-206. Payment of public matching funds. 1. Determination of eligibility. No public matching funds shall be paid to an authorized commit-

the eligibility requirements of this title. Payment shall not exceed the
amounts specified in subdivision two of this section, and shall be made
only in accordance with the provisions of this title. Such payment may
be made only to the participating candidate’s authorized committee. No
public matching funds shall be used except as reimbursement or payment
for qualified campaign expenditures actually and lawfully incurred or to
repay loans used to pay qualified campaign expenditures.

2. Calculation of payment. If the threshold for eligibility is met,
the participating candidate’s authorized committee shall receive payment
for qualified campaign expenditures of six dollars of public matching
funds for each one dollar of matchable contributions, for the first one
hundred seventy-five dollars of eligible private funds per contributor,

this title. The maximum payment of public matching funds shall be limit-

matching funds to participating candidates as soon as is practicable.
But in all cases, it shall verify eligibility for public matching funds
within four days, excluding weekends and holidays, of receiving a
campaign contribution report filed in compliance with section 14-104 of
this article. Within two days of determining that a candidate for a
covered office is eligible for public matching funds, it shall authorize
payment of the applicable matching funds owed to the candidate. However,
it shall not make any payments of public money earlier than the earliest
dates for making such payments as provided by this title. If any of
such payments would require payment on a weekend or federal holiday.

payment shall be made on the next business day.

4. Electronic funds transfer. The board shall, in consultation with
the office of the comptroller, promulgate rules to facilitate electronic
funds transfers directly from the campaign finance fund into an authorized committee's bank account.

5. Irregularly scheduled elections. Notwithstanding any other
provision of this title, the board shall promulgate rules to provide for
the prompt issuance of public matching funds to eligible participating candidates for qualified campaign expenditures in the case of any other covered election held on a day different from that than originally scheduled including special elections. But in all cases, the board shall (a) within four days, excluding weekends and holidays, of receiving a report of contributions from a candidate for a covered office claiming eligibility for public matching funds verify that candidate's eligibility for public matching funds; and (b) within two days of determining that the candidate for a covered office is eligible for public matching funds, it shall authorize payment of the applicable matching funds owed to the candidate.

§ 14-207. Use of public matching funds; qualified campaign expenditures. 1. Public matching funds provided under the provisions of this title may be used only by an authorized committee for expenditures to further the participating candidate's nomination for election or election, including paying for debts incurred within one year prior to an election to further the participating candidate's nomination for election or election.

2. Such public matching funds may not be used for:

(a) an expenditure in violation of any law;
(b) an expenditure in excess of the fair market value of services, materials, facilities or other things of value received in exchange;

(j) payments to immediate family members of the participating candidate; or
(k) any expenditure made to challenge the validity of any petition of designation or nomination or any certificate of nomination, acceptance, authorization, declination or substitution.

§ 14-208. Powers and duties of board. 1. Advisory opinions. The board shall render advisory opinions with respect to questions arising under this title upon the written request of a candidate, an officer of a political committee or member of the public, or upon its own initiative. The board shall promulgate rules regarding reasonable times to respond to such requests. The board shall make public the questions of interpretation for which advisory opinions will be considered by the board and
its advisory opinions, including by publication on its webpage with identifying information redacted as the board determines to be appropriate.

2. Public information and candidate education. The board shall develop a program for informing candidates and the public as to the purpose and effect of the provisions of this title, including by means of a webpage. The board shall prepare in plain language and make available educational materials, including compliance manuals and summaries and explanations of the purposes and provisions of this title. The board shall prepare or have prepared and make available materials, including, to the extent feasible, computer software, to facilitate the task of compliance with the disclosure and record-keeping requirements of this title.

3. Rules and regulations. The board shall have the authority to promulgate such rules and regulations and provide such forms as it deems necessary for the administration of this title.

4. Database. The board shall develop an interactive, searchable computer database that shall contain all information necessary for the proper administration of this Title including information on contributions to and expenditures by candidates and their authorized committee, independent expenditures in support or opposition of candidates for covered offices, and distributions of moneys from the fund. Such database shall be accessible to the public on the board's webpage.

5. The board shall work with the chief enforcement counsel to enforce this section.

§ 14-209. Audits and repayments. 1. Audits. The board shall audit and examine all matters relating to the proper administration of this title and shall complete such audit no later than two years after the election in question. Every candidate who receives public funds under this title
shall be audited by the board. The cost of complying with a post-election audit shall be borne by the candidate's authorized committee using public funds, private funds or any combination of such funds. Candidates who run in any primary or general election must maintain a reserve of three percent of the public funds received to comply with the post-election audit. The board shall issue to each campaign audited a final audit report that details its findings.

2. Repayments. (a) If the board determines that any portion of the payment made to a candidate's authorized committee from the fund was in excess of the aggregate amount of payments that such candidate was eligible to receive pursuant to this title, it shall notify such committee and such committee shall pay to the board an amount equal to the amount of excess payments. Provided, however, that if the erroneous payment was the result of an error by the board, then the erroneous payment will be deducted from any future payment, if any, and if no payment is to be made then neither the candidate nor the committee shall be liable to repay the excess amount to the board. The candidate, the treasurer and the candidate's authorized committee are jointly and severally liable for any repayments to the board.

(b) If the board determines that any portion of the payment made to a candidate's authorized committee from the fund was used for purposes other than qualified campaign expenditures and such expenditures were not approved by the board, it shall notify such committee of the amount so disqualified and such committee shall pay to the board an amount equal to such disqualified amount. The candidate, the treasurer and the candidate's authorized committee are jointly and severally liable for any repayments to the board.
(c) If the total of payments from the fund received by a participating candidate and his or her authorized committee exceed the total campaign expenditures of such candidate and authorized committee for all covered elections held in the same calendar year or for a special election to fill a vacancy, such candidate and committee shall use such excess funds to reimburse the fund for payments received by such authorized committee from the fund during such calendar year or for such special election.

Participating candidates shall pay to the board unspent public campaign funds from an election not later than twenty-seven days after all liabilities for the election have been paid and in any event, not later than the day on which the board issues its final audit report for the participating candidate's authorized committee; provided, however, that all unspent public campaign funds for a participating candidate shall be immediately due and payable to the board upon a determination by the board that the participant has delayed the post-election audit. A participating candidate may make post-election expenditures with public funds only for routine activities involving nominal cost associated with winding up a campaign and responding to the post-election audit. Nothing in this title shall be construed to prevent a candidate or his or her authorized committee from using campaign contributions received from private contributors for otherwise lawful expenditures.

3. The board shall promulgate regulations for the certification of the amount of funds payable by the comptroller, from the fund established pursuant to section ninety-two-t of the state finance law, to a participating candidate that has qualified to receive such payment. These regulations shall include the promulgation and distribution of forms on which contributions and expenditures are to be reported, the periods during which such reports must be filed and the verification required.
The board shall institute procedures which will make possible payment by
the fund within four business days after receipt of the required forms
and verifications.

§ 14-210. Enforcement and penalties for violations and other
proceedings. 1. Civil penalties. Violations of any provision of this
title or rule promulgated pursuant to this title shall be subject to a
civil penalty in an amount not in excess of fifteen thousand dollars.

2. Notice of violation and opportunity to contest. The board shall:
   (a) determine whether a violation of any provision of this title or
   rule promulgated hereunder has been committed;

   (b) give written notice and the opportunity to contest before an inde-
   pendent hearing officer to each person or entity it has reason to
   believe has committed a violation; and

   (c) if appropriate, assess penalties for violations, following such
   notice and opportunity to contest.

3. Criminal conduct. Any person who knowingly and willfully furnishes
or submits false statements or information to the board in connection
with its administration of this title, shall be guilty of a misdemeanor
in addition to any other penalty as may be imposed under this chapter or
pursuant to any other law. The chief enforcement counsel shall seek to
recover any public matching funds obtained as a result of such criminal
conduct.

4. Proceedings as to public financing. (a) The determination of eligi-
bility pursuant to this title and any question or issue relating to
payments for campaign expenditures pursuant to this title may be
contested in a proceeding instituted in the Supreme court, Albany coun-
ty, by any aggrieved candidate.
(b) A proceeding with respect to such a determination of eligibility or payment for qualified campaign expenditures pursuant to this chapter shall be instituted within fourteen days after such determination was made. The board shall be made a party to any such proceeding.

(c) Upon the board's failure to receive the amount due from a participating candidate or such candidate's authorized committee after the issuance of written notice of such amount due, as required by this title, the chief enforcement counsel is authorized to institute a special proceeding or civil action in Supreme Court, Albany county, to obtain a judgment for any amounts determined to be payable to the board as a result of an examination and audit made pursuant to this title or to obtain such amounts directly from the candidate or authorized committee after a hearing at the state board of elections.

(d) The chief enforcement counsel is authorized to institute a special proceeding or civil action in Supreme Court, Albany county, to obtain a judgment for civil penalties determined to be payable to the board pursuant to this title or to impose such penalty directly after a hearing at the state board of elections.

The board shall review and evaluate the effect of this title upon the conduct of election campaigns and shall submit a report to the legislature on or before January first, two thousand twenty, and every third year thereafter, and at any other time upon the request of the governor and at such other times as the board deems appropriate. These reports shall include:

1. a list of the participating and nonparticipating candidates in covered elections and the votes received by each candidate in those elections;
2. the amount of contributions and loans received, and expenditures
made, on behalf of these candidates;

3. the amount of public matching funds each participating candidate
received, spent, and repaid pursuant to this title;

4. analysis of the effect of this title on political campaigns,
including its effect on the sources and amounts of private financing,
the level of campaign expenditures, voter participation, the number of
candidates, the candidates' ability to campaign effectively for public
office, and the diversity of candidates seeking and elected to office;

and

5. recommendations for amendments to this title, including changes in
contribution limits, thresholds for eligibility, and any other features
of the system.

§ 14-212. Debates for candidates for statewide office. The board
shall promulgate regulations to facilitate debates among participating
candidates who seek election to statewide office. Participating candi-
dates are required to participate in one debate before each election for
which the candidate receives public funds, unless the participating
candidate is running unopposed. Nonparticipating candidates may partic-
ipate in such debates.

§ 14-213. Severability. If any clause, sentence, subdivision, para-
graph, section or part of this title be adjudged by any court of compe-
tent jurisdiction to be invalid, such judgment shall not affect, impair
or invalidate the remainder thereof, but shall be confined in its opera-
tion to the clause, sentence, subdivision, paragraph, section or part
ter directly involved in the controversy in which such judgment
shall have been rendered.
§ 10. The state finance law is amended by adding a new section 92-t to
read as follows:

§ 92-t. New York state campaign finance fund. 1. There is hereby
established in the joint custody of the state comptroller and the
commissioner of taxation and finance a fund to be known as the New York
state campaign finance fund.

2. Such fund shall consist of all revenues received from the New York
state campaign finance fund check-off pursuant to subsection (h) of
section six hundred fifty-eight of the tax law, from the abandoned prop-
erty fund pursuant to section ninety-five of this article, from the
general fund, and from all other moneys credited or transferred thereto
from any other fund or source pursuant to law. Such fund shall also
receive contributions from private individuals, organizations, or other
persons to fulfill the purposes of the public financing system.

3. Moneys of the fund, following appropriation by the legislature, may
be expended for the purposes of making payments to candidates pursuant
to title II of article fourteen of the election law and for administra-
tive expenses related to the implementation of article fourteen of the
election law. Moneys shall be paid out of the fund by the state comp-
troller on vouchers certified or approved by the state board of
elections, or its duly designated representative, in the manner
prescribed by law, not more than five working days after such voucher is
received by the state comptroller.

4. Notwithstanding any provision of law to the contrary, if, in any
state fiscal year, the state campaign finance fund lacks the amount of
money to pay all claims vouchered by eligible candidates and certified
or approved by the state board of elections, any such deficiency shall
be paid by the state comptroller, from funds deposited in the general
fund of the state not more than four working days after such voucher is
received by the state comptroller.
5. Commencing in two thousand nineteen, if the surplus in the fund on
April first of the year after a year in which a governor is elected
exceeds twenty-five percent of the disbursements from the fund over the
previous four years, the excess shall revert to the general fund of the
state.
6. No public funds shall be paid to any participating candidates in a
primary election any earlier than thirty days after designating
petitions or certificates of nomination have been filed and not later
than thirty days after such primary election.
7. No public funds shall be paid to any participating candidates in a
general election any earlier than the day after the day of the primary
election held to nominate candidates for such election.
8. No public funds shall be paid to any participating candidates in a
special election any earlier than the day after the last day to file
certificates of party nomination for such special election.
9. No public funds shall be paid to any participating candidate who
has been disqualified or whose designating petitions have been declared
invalid by the appropriate board of elections or a court of competent
jurisdiction until and unless such finding is reversed by a higher court
in a final judgment. No payment from the fund in the possession of such
a candidate or such candidate's participating committee on the date of
such disqualification or invalidation may thereafter be expended for any
purpose except the payment of liabilities incurred before such date.
All such moneys shall be repaid to the fund.
§ 11. Section 95 of the state finance law is amended by adding a new
subdivision 5 to read as follows:
5. (a) As often as necessary, the co-chairs of the state board of elections shall certify the amount such co-chairs have determined necessary to fund estimated payments from the fund established by section ninety-two of this article for the primary, general or special election.

(b) Notwithstanding any provision of this section authorizing the transfer of any moneys in the abandoned property fund to the general fund, the comptroller, after receiving amounts sufficient to pay claims against the abandoned property fund, shall, based upon a certification of the board of elections pursuant to paragraph (a) of this subdivision, and at the direction of the director of the budget, transfer the requested amount from remaining available monies in the abandoned property fund to the campaign finance fund established by section ninety-two of this article.

§ 12. Section 658 of the tax law is amended by adding a new subsection (h) to read as follows:

(h) New York state campaign finance fund check-off. (1) For each taxable year beginning on and after January first, two thousand sixteen, every resident taxpayer whose New York state income tax liability for the taxable year for which the return is filed is forty dollars or more may designate on such return that forty dollars be paid into the New York state campaign finance fund established by section ninety-two of the state finance law. Where a husband and wife file a joint return and have a New York state income tax liability for the taxable year for which the return is filed is eighty dollars or more, or file separate returns on a single form, each such taxpayer may make separate designations on such return of forty dollars to be paid into the New York state campaign finance fund.
(2) The commissioner shall transfer to the New York state campaign finance fund, established pursuant to section ninety-two-t of the state finance law, an amount equal to forty dollars multiplied by the number of designations.

(3) For purposes of this subsection, the income tax liability of an individual for any taxable year is the amount of tax imposed under this article reduced by the sum of the credits (as shown in his or her return) allowable under this article.

(4) The department shall include a place on every personal income tax return form to be filed by an individual for a tax year beginning on or after January first, two thousand sixteen, for such taxpayer to make the designations described in paragraph one of this subsection. Such return form shall contain a concise explanation of the purpose of such optional designations.

§ 13. Severability. If any clause, sentence, subdivision, paragraph, section or part of title II of article 14 of the election law, as added by section seven of this act be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, subdivision, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

§ 14. This act shall take effect immediately; provided, however, all affected candidates will be eligible to participate in voluntary public financing beginning with the 2018 primary election.

PART F

days. Such [publication] posting shall include the information that such
amendment has been so referred.

§ 4. This act shall take effect April 1, 2015.

PART G

Section 1. The civil service law is amended by adding a new section
66 to read as follows:

§ 66. Term appointments in information technology positions. 1.
Notwithstanding any other provision of law, the department may authorize
term appointments without examination to temporary positions requiring
special expertise or qualifications in information technology. Such
appointments may be authorized only in such cases where the office of
information technology services certifies to the department that because
of the type of services to be rendered or the temporary or occasional
character of such services, it would not be practicable to hold an exami-
information of any kind. Such certification shall be a public document pursuant to the public officers law and shall identify the special expertise or qualifications that are required and why they cannot be obtained through an appointment from an eligible list. The maximum period for a term appointment established pursuant to this subdivision shall not exceed sixty months and shall not be extended, and the maximum number of such appointments shall not exceed three hundred. At least fifteen days prior to making a term appointment pursuant to this section the appointing authority shall publicly and conspicuously post in its offices information about the temporary position and the required qualifications and shall allow any qualified employee to apply for said position. An employee appointed pursuant to this provision who has completed two years of continuous service under this provision shall be able to compete in one promotional examination that is also open to employees who have permanent civil service appointments and appropriate qualifications.

2. A temporary position established pursuant to subdivision one of this section may be abolished for reasons of economy, consolidation or abolition of functions, curtailment of activities or otherwise. Upon such abolition or at the end of the term of the appointment, the provisions of sections seventy-eight, seventy-nine, eighty and eighty-one of this chapter shall not apply. In the event of a reduction of workforce pursuant to section eighty of this chapter affecting information technology positions, the term appointments pursuant to this section at the office of information technology services shall be abolished prior to the abolition of permanent competitive class information technology positions at the office of information technology services involving comparable skills and responsibilities.
3. (a) Notwithstanding any provision of law to the contrary, the department may limit certification from the following eligible lists to those eligibles identified as having knowledge, skills or certifications, or any combination thereof, identified by the appointing authority as necessary to perform the duties of any of the following positions:

- 35-382 Information Technology Specialist 4 G-25;
- 35-383 Information Technology Specialist 4 (Data Communications) G-25;
- 35-384 Information Technology Specialist 4 (Database) G-25;
- 35-386 Information Technology Specialist 4 (Systems Programming) G-25;
- 35-387 Manager Information Technology Services 1 G-27;
- 35-388 Manager Information Technology Services 1 (Data Communications) G-27;
- 35-389 Manager Information Technology Services 1 (Database) G-27;
- 35-391 Manager Information Technology Services 1 (Systems Programming) G-27;

(b) No such limitation on certification shall occur until a skill-set inventory is conducted for all persons on any list so limited.

§ 2. Notwithstanding any provision of law to the contrary, the civil service department may re-classify any person employed in a permanent, classified, competitive position immediately prior to being transferred to the office of information technology services pursuant to subdivision 2 of section 70 of the civil service law to align with the duties and responsibilities of their positions upon transfer. Permanent employees whose positions are subsequently reclassified to align with the duties and responsibilities of their positions upon being transferred to the office of information technology services pursuant to subdivision 2 of
section 70 of the civil service law shall hold such positions without further examination or qualification. Notwithstanding any other provision of this act, the names of those competitive permanent employees on promotion eligible lists in their former agency or department shall be added and interfiled on a promotion eligible list in the new department, as the state civil service department deems appropriate.

§ 3. (a) Notwithstanding any provision of law to the contrary, the civil service department may re-classify any person employed in an exempt or non-competitive class position immediately prior to being transferred to the office of information technology services pursuant to subdivision 2 of section 70 of the civil service law to align with the duties and responsibilities of their positions upon transfer. Permanent employees whose positions are subsequently re-classified to align with the duties and responsibilities of their positions upon being transferred to the office of information technology services pursuant to subdivision 2 of section 70 of the civil service law shall hold such positions without further examination or qualification.

(b) No employee whose position is re-classified pursuant to this section or section two of this act shall suffer a reduction in basic salary as a result of such re-classification and shall continue to receive, at a minimum, the salary that such employee received while employed at their prior agency.

§ 4. This act shall take effect immediately.

(d) officers and employees whose salaries are prescribed by section 19 of the correction law;

(e) officers and employees whose salaries are provided for by paragraph (a) of subdivision 1 of section 215 of the executive law.

2. For such officers and employees the following increases shall apply:

(a) Effective July 1, 2015, the basic annual salary of officers and employees to whom the provisions of this subdivision apply shall be increased by two percent adjusted to the nearest whole dollar amount.

(b) Effective April 1, 2016, the basic annual salary of officers and employees to whom the provisions of this subdivision apply shall be increased by two percent adjusted to the nearest whole dollar amount.

(c) Effective April 1, 2017, the basic annual salary of officers and employees to whom the provisions of this subdivision apply shall be increased by two percent adjusted to the nearest whole dollar amount.

(d) Effective April 1, 2018, the basic annual salary of officers and employees to whom the provisions of this subdivision apply shall be increased by one percent adjusted to the nearest whole dollar amount.

3. If an unencumbered position is one that, if encumbered, would be subject to the provisions of this section, the salary of such position shall be increased by the salary increase amounts specified in this
section. If a position is created and is filled by the appointment of an
officer or employee who is subject to the provisions of this section,
the salary otherwise provided for such position shall be increased in
the same manner as though such position had been in existence but unen-
cumbered.

4. The increases in salary pursuant to this section shall apply on a
prorated basis in accordance with guidelines issued by the director of
the budget to officers and employees otherwise eligible to receive an
increase in salary pursuant to this act who are paid on an hourly or per
diem basis, employees serving on a part-time or seasonal basis, and
employees paid on any basis other than at an annual salary rate.

5. Notwithstanding any of the foregoing provisions of this section,
the provisions of this section shall not apply to the following except
as otherwise provided by law:

(a) officers or employees paid on a fee schedule basis;

(b) officers or employees whose salaries are prescribed by section 40,
60, or 169 of the executive law;

(c) officers or employees in collective negotiating units established
pursuant to article 14 of the civil service law.

(d) those officers or employees in subdivision 1 of this section who,
upon promotion or appointment to a position covered by this act that is
designated managerial or confidential, or one otherwise excluded from
representation under article 14 of the civil service law, were in a
position or are newly appointed to a position in a collective negotiat-
ing unit established pursuant to article 14 of the civil service law and
whose current or future salaries reflect the effect of the three percent
general salary increase effective April 1, 2009 and/or the four percent
general salary increase effective April 1, 2010 that they would have
received or will benefit from while a member of such bargaining unit. In no event, however, should this exception result in the salary of an officer or employee falling below the hiring rate for their respective salary grade.

6. Officers and employees to whom the provisions of this section apply who are incumbents of positions that are not allocated to salary grades specified in paragraph d of subdivision 1 of section 130 of the civil service law and whose salary is not prescribed in any other statute shall receive the salary increases specified in subdivision two of this section.

7. In order to provide performance advancements, merit awards, longevity payments, in lieu payments and special achievement awards for the officers and employees to whom this section applies who are not allocated to salary grades in proportion to those provided to persons to whom this section applies who are allocated to salary grades, the director of the budget is authorized to add appropriate adjustments to the compensation that such officers and employees are otherwise entitled to receive. The director of the budget shall amend each agency's personal service certificate to reflect the increases made pursuant to the provisions of this subdivision, and the updated certificate will continue to be available to the state comptroller, the department of civil service, the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

8. Notwithstanding any of the foregoing provisions of this section, any increase in compensation for any officer or employee appointed to a lower graded position from a redeployment list pursuant to subdivision 1 of section 79 of the civil service law who continues to receive his or her former salary pursuant to such subdivision shall be determined on
the basis of such lower graded position provided, however, that the
increases in salary provided in subdivision two of this section shall
not cause such officer's or employee's salary to exceed the job rate of
any such lower graded position at salary grade.

9. Notwithstanding any of the foregoing provisions of this section or
of any law to the contrary, the director of the budget may reduce the
salary of any position which is vacant or which becomes vacant, so long
as the position, if encumbered, would be subject to the provisions of
this section. The director of the budget does not need to provide a
reason for such reduction.

10. Compensation for certain state employees in the state university
and certain employees of contract colleges at Cornell and Alfred univer-
sities.

(a) Effective July 1, 2015, April 1, 2016, April 1, 2017 and April 1,
2018, the basic annual salary of incumbents of positions in the profes-
sional service in the state university that are designated, stipulated,
or excluded from negotiating units as managerial or confidential as
defined pursuant to article 14 of the civil service law, may be
increased pursuant to plans approved by the state university trustees.
Such increases in basic annual salary rates shall not exceed in the
aggregate two percent of the total basic annual salary rates in effect
on June 30, 2015, two percent of the total basic annual salary rates in
effect on March 31, 2016, two percent of the total basic annual salary
rates in effect on March 31, 2017 and one percent of the total basic
annual salary rates in effect on March 31, 2018.

(b) Effective July 1, 2015, April 1, 2016, April 1, 2017 and April 1,
2018, the basic annual salary of incumbents of positions in the insti-
tutions under the management and control of Cornell and Alfred universi-
ties as representatives of the board of trustees of the state university
that, in the opinion of the director of employee relations, would be
designated managerial or confidential were they subject to article 14 of
the civil service law may be increased pursuant to plans approved by the
state university trustees. Such increases in basic annual salary rates
shall not exceed in the aggregate two percent of the total basic annual
salary rates in effect on June 30, 2015, two percent of the total basic
annual salary rates in effect on March 31, 2016, two percent of the
total basic annual salary rates in effect on March 31, 2017 and one
percent of the total basic annual salary rates in effect on March 31,
2018.

(c) During the period July 1, 2015 through March 31, 2019, the basic
annual salary of incumbents of positions in the non-professional service
that, in the opinion of the director of employee relations, would be
designated managerial or confidential were they subject to article 14 of
the civil service law, except those positions in the Cornell service and
maintenance unit that are subject to the terms of a collective bargain-
ing agreement between Cornell university and the employee organization
representing employees in such positions and except those positions in
the Alfred service and maintenance unit that are subject to the terms of
a collective bargaining agreement between Alfred university and the
employee organization representing employees in such positions, in
institutions under the management and control of Cornell and Alfred
universities as representatives of the board of trustees of the state
university may be increased pursuant to plans approved by the state
university trustees. Such plans may include new salary schedules which
shall supersede the salary schedules then in effect applicable to such
employees. Such plans shall provide for increases in basic annual sala-
ries, which, exclusive of performance advancement payments or merit
recognition payments, shall not exceed in the aggregate two percent of
the total basic annual salary rates in effect on June 30, 2015, two
percent of the total basic annual salary rates in effect on March 31,
2016, two percent of the total basic annual salary rates in effect on
March 31, 2017 and one percent of the total basic annual salary rates in
effect on March 31, 2018.

(d) For the purposes of this subdivision, the basic annual salary of
an employee is that salary that is obtained through direct appropriation
of state moneys for the purpose of paying wages. Nothing in this part
shall prevent increasing amounts paid to incumbents of such positions in
the professional service in addition to the basic annual salary,
provided, however, that the amounts required for such increase and the
cost of fringe benefits attributable to such increase, as determined by
the comptroller, are made available to the state in accordance with the
procedures established by the state university, with the approval of the
director of the budget, for such purposes.

(e) Notwithstanding any of the foregoing provisions of this section or
any law to the contrary, any increase in compensation may be withheld in
whole or in part from any employee to whom the provisions of this
section apply pursuant to section seven of this act.

§ 4. Use of appropriations. The comptroller is authorized to pay any
amounts required during the fiscal year commencing April 1, 2015 by the
foregoing provisions of this act for any state department or agency from
any appropriation or other funds available to such state department or
agency for personal service or for other related employee benefits
during such fiscal year. To the extent that such appropriations in any
fund, or combinations of funds, are insufficient to accomplish the
purposes herein set forth, the director of the budget is authorized to allocate to any department and agency funds, from any appropriations available in any other department's or agency's fund or funds, the amounts necessary to pay such amounts.

§ 5. Effect of participation in special annuity program. No officer or employee participating in a special annuity program pursuant to the provision of article 8-C of the education law shall, by reason of an increase in compensation pursuant to this act, suffer any reduction of the salary adjustment to which that employee would otherwise be entitled by reason of participation in such program, and such salary adjustment shall be based upon the salary of such officer or employee without regard to the reduction authorized by such article.

§ 6. Date of entitlement to salary increase. Notwithstanding the provisions of this act or of any other law, the increase in salary or compensation of any officer or employee provided by this act shall be added to the salary or compensation of such officer or employee at the beginning of that payroll period the first day of which is nearest to the effective date of such increase as provided in this act, or at the beginning of the earlier of two payroll periods the first days of which are nearest but equally near to the effective date of such increase as provided in this act, provided, however, that for the purposes of determining the salary of such officer or employee upon reclassification, reallocation, appointment, promotion, transfer, demotion, reinstatement or other change of status, such salary increase shall be deemed to be effective on the date thereof as prescribed in this act, and the payment thereof pursuant to this section on a date prior thereto, instead of on such effective date, shall not operate to confer any additional salary rights or benefits on such officer or employee.
§ 7. 1. Notwithstanding the provisions of any other section of this act or any other provision of law to the contrary, any increase in compensation, provided: (a) in this act, or (b) as a result of a promotion, appointment, or advancement to a position in a higher salary grade, or (c) pursuant to paragraph (c) of subdivision 6 of section 131 of the civil service law, or (d) pursuant to paragraph (b) of subdivision 8 of section 130 of the civil service law, or (e) pursuant to paragraph (a) of subdivision 3 of section 13 of chapter 732 of the laws of 1988, as amended, may be withheld in whole or in part from any officer or employee when, in the opinion of the director of the budget, such withholding is necessary to reflect the job performance of such officer or employee, or to maintain appropriate salary relationships among officers or employees of the state, or to reduce state expenditures to acceptable levels or when, in the opinion of the director of the budget, such increase is not warranted or is not appropriate.

2. Notwithstanding the provisions of any other section of this act the salary increases provided for in this act shall not be implemented until the director of the budget delivers notice to the comptroller that such amounts may be paid.

§ 8. This act shall take effect immediately and shall be deemed to have been in full force and effect on and after April 1, 2015.

PART I

Section 1. 1. On the first of June of every fourth year, commencing June 1, 2015, there shall be established for such year a commission on executive and legislative compensation to examine, evaluate and make recommendations with respect to adequate levels of compensation and
non-salary benefits for the governor, lieutenant governor, attorney
general, comptroller, those state officers referred to in section 169 of
the executive law and members of the legislature.

2. In accordance with the provisions of this section, the commission
shall examine the prevailing adequacy of pay levels and other benefits,
including without limitation the necessity for and level of per diem and
reimbursements for expenses, and allowances for legislators permitted
pursuant to section 5-a of the legislative law, received by the gover-
nor, lieutenant governor, attorney general, comptroller, those state
officers referred to in section 169 of the executive law and members of
the legislature and determine whether any of such pay levels and other
benefits warrant elimination or adjustment.

3. In discharging its responsibilities under subdivision two of this
section, the commission shall take into account all appropriate factors
including, but not limited to: the overall economic climate; rates of
inflation; changes in public-sector spending; the levels of compensation
and non-salary benefits received by executive branch officials and
legislators of other states and of the federal government; the levels of
compensation and non-salary benefits received by professionals in
government, academia and private and nonprofit enterprise; and the
state's ability to fund increases in compensation and non-salary bene-
fits.

4. (a) In so discharging its duties, in the event the commission
determines that the pay level for members of the legislature warrants an
adjustment, then such adjustment shall consist of a two-tiered level of
pay. The first tier shall be a salary for members of the legislature who
agree to not receive income from compensated employment, directorships
and other fiduciary positions, contractual arrangements, and partner-
ships (collectively referred to as "income from outside sources") other
than the salary received as a legislator for the upcoming legislative
session; the second tier shall be a salary set lower than the aforemen-
tioned salary for members of the legislature who elect to receive income
from outside sources for the upcoming legislative session.

(b) The commission shall consider whether there should be a cap on
income from outside sources a legislator may receive and may recommend
the imposition of such a cap as a condition to receiving a second tier
adjustment in pay. Notwithstanding any limitations in section 73 or
73-a of the public officers law to the contrary, in responding to ques-
tions 8 and 13 of the statutorily mandated financial disclosure state-
ment, to receive a second tier adjustment in pay, a legislator must
disclose, without limitation, the source of all such income and the
names of all clients, if any, for whom such services were performed, and
shall be barred from representing any person or entity before any state
agency.

(c) A legislator must declare and attest prior to entering upon the
term of office beginning with the legislative session beginning in Janu-
ary 2017, whether he or she will elect to receive a salary based on the
receipt of income from outside sources or not and such salary shall be
set forth for that individual for two years until the commencement of
the next legislative session.

§ 2. 1. The commission shall consist of three members to be appointed
as follows: one shall be appointed by the governor and shall serve as
chair of the commission; one shall be appointed by the temporary presi-
dent of the senate; and one shall be appointed by the speaker of the
assembly. Vacancies in the commission shall be filled in the same
manner as original appointments. To the extent practicable, members of
the commission shall have experience in one or more of the following:
determination of executive compensation, human resource administration
or financial management.

2. The commission shall only meet within the state, may hold public
hearings and shall have all the powers of a legislative committee pursuant
to the legislative law. It shall be governed by articles 6, 6-A and
7 of the public officers law. The commission shall hold at least four
public hearings each of which shall be held at a different site in New
York in order to gather input from the people of New York around the
state.

3. The members of the commission shall receive no compensation for
their services but shall be allowed their actual and necessary expenses
incurred in the performance of their duties hereunder.

4. No member of the commission shall be disqualified from holding any
other public office or employment, nor shall he or she forfeit any such
office or employment by reason of his or her appointment pursuant to
this section, notwithstanding the provisions of any general, special or
local law, regulation, ordinance or city charter.

5. To the maximum extent feasible, the commission shall be entitled to
request and receive and shall utilize and be provided with such facilities, resources and data of any court, department, division, board,
bureau, commission, agency or public authority of the state or any political subdivision thereof as it may reasonably request to carry out
properly its powers and duties pursuant to this section.

6. The commission may request, and shall receive, reasonable assistance from state agency personnel as necessary for the performance of its
function.
7. The commission shall make a report to the governor and the legislature and shall publish on the internet its findings, conclusions, determinations and recommendations, if any, not later than one hundred fifty days after its establishment. The entire report must be agreed to by unanimous vote of the members of the commission for the report to constitute a report of the commission. Only upon such approval, shall the commission draft legislation necessary to implement its recommendations and send such legislation to the governor and to the legislature for consideration.

8. Upon the making of its report as provided in subdivision seven of this section, each commission established pursuant to this section shall be deemed dissolved.

§ 3. This act shall take effect immediately and shall be deemed to have been in full force and effect on and after April 1, 2015.

(b) the plan shall not seek recovery of any claims paid based on the coverage of the ineligible dependent;
1 (c) the employee shall not be entitled to any refund of premium paid
2 on behalf of any such ineligible dependent; and
3 (d) the employee shall not be subject to any disciplinary, civil or
4 criminal action, directly as a result of the coverage of the ineligible
5 dependent.
6 § 2. This act shall take effect immediately.

PART K

Section 1. Subdivisions 2 and 3 of section 92-cc of the state finance
law, subdivision 2 as amended by section 17 of part U of chapter 59 of
the laws of 2012 and subdivision 3 as added by chapter 1 of the laws of
2007, are amended to read as follows:

2. Such fund shall have a maximum balance not to exceed [three] eight
per centum of the aggregate amount projected to be disbursed from the
general fund during the fiscal year immediately following the then-cur-
rent fiscal year. At the request of the director of the budget, the
state comptroller shall transfer monies to the rainy day reserve fund up
to and including an amount equivalent to [three-tenths of] one per
centum of the aggregate amount projected to be disbursed from the gener-
al fund during the then-current fiscal year, unless such transfer would
increase the rainy day reserve fund to an amount in excess of [three] eight
per centum of the aggregate amount projected to be disbursed from
the general fund during the fiscal year immediately following the then-
current fiscal year, in which event such transfer shall be limited to
such amount as will increase the rainy day reserve fund to such [three] eight per centum limitation.
3. a. The amounts available in such reserve may be used if the following conditions are met:

(i) Economic downturn. The commissioner of labor shall calculate and publish, on or before the fifteenth day of each month, a composite index of business cycle indicators. Such index shall be calculated using monthly data on New York state employment, total manufacturing hours worked, and unemployment prepared by the department of labor or its successor agency, and total sales tax collected net of law changes, prepared by the department of taxation and finance or its successor agency. Such index shall be constructed in accordance with the procedures for calculating composite indexes issued by the conference board or its successor organization, and adjusted for seasonal variations in accordance with the procedures issued by the census bureau of the United States department of commerce or its successor agency. If the composite index declines for three consecutive months, the commissioner of labor shall notify the governor, the speaker of the assembly, the temporary president of the senate, and the minority leaders of the assembly and the senate. Upon such notification, the director of the budget may authorize and direct the comptroller to transfer from the rainy day reserve fund to the general fund such amounts as the director of the budget deems necessary to meet the requirements of the state financial plan. The authority to transfer funds under the provisions of this subdivision shall lapse when the composite index shall have increased for three consecutive months or twelve months from the original notification of the commissioner of labor, whichever occurs earlier. Provided, however, that for every additional and consecutive monthly decline succeeding the three month decline so noted by the
commissioner of labor, the twelve month lapse date shall be extended by
one additional month; or

(ii) Catastrophic events. In the event of a need to repel invasion,
suppress insurrection, defend the state in war, or to respond to any
other emergency resulting from a disaster, including but not limited to,
a disaster caused by an act of terrorism, the director of the budget may
authorize and direct the comptroller to transfer from the rainy day
reserve fund to the general fund such amounts as the director of the
budget deems necessary to meet the requirements of the state financial
plan.

b. Prior to authorizing any transfer from the rainy day reserve fund
pursuant to the provisions of this section, the director of the budget
shall notify the speaker of the assembly, the temporary president of the
senate, and the minority leaders of the assembly and the senate. Such
letter shall specify the reasons for the transfer and the amount there-
of. Any amounts transferred from the rainy day reserve fund to the
general fund shall be subject to all the repayment provisions of this
section.

§ 2. Paragraphs a-1 and a-2 of subdivision 3 of section 22 of the

Such retirement system shall file the appropriate report with the director of the budget and chairperson of the senate finance committee and assembly ways and means committee and also make the report available on their public internet website. Such reporting shall occur annually by September first of the current year and shall be in addition to any other reporting requirement in law.

Such emergency contracts shall be let only for work necessary to remedy or ameliorate a construction emergency.

§ 3. This act shall take effect immediately; provided, however, that the amendments to subdivision 2 of section 9 of the public buildings law made by section two of this act shall not affect the expiration of such subdivision and shall be deemed to expire therewith.

PART O

Section 1. The state finance law is amended by adding a new section 93-b to read as follows:
§ 93-b. Dedicated infrastructure investment fund. 1. Dedicated infrastructure investment fund. (a) There is hereby established in the joint custody of the state comptroller and the commissioner of taxation and finance a special fund to be known as the "dedicated infrastructure investment fund".

(b) Accounts. The dedicated infrastructure investment fund shall consist of two separate and distinct accounts: (i) the "upstate revitalization account", and (ii) the "special infrastructure account". Moneys in each account shall be kept separate and not commingled with any other moneys in the custody of the comptroller.

Any interest received by the comptroller on moneys on deposit shall be retained and become part of the fund, unless otherwise directed by law.

2. Uses of funds. (a) Upstate revitalization account. Following appropriation by the legislature, moneys in the upstate revitalization account shall be available to finance projects, works, activities or purposes necessary to promote economic development. Nothing contained in this section shall be construed to limit in any way the projects, works, activities or purposes that can be financed from this account.

(b) Special infrastructure account. Following appropriation by the legislature, moneys in the special infrastructure account shall be available to finance projects, works, activities or purposes necessary to support statewide investments. Nothing contained in this section shall be construed to limit in any way the projects, works, activities or purposes that can be financed from this account, including but not
limited to loans of money to public corporations or authorities under
terms approved by the director of the budget.

3. Transfers. Notwithstanding any other provisions of law to the
contrary, for the state fiscal year commencing on April first, two thou-
sand fifteen, the comptroller is hereby authorized to transfer monies
from the dedicated infrastructure investment fund to the general fund,
and from the general fund to the dedicated infrastructure investment

§ 36. Subdivision 1 of section 386-b of the public authorities law, as amended by section 39 of part I of chapter 55 of the laws of 2014, is amended to read as follows:

1. Notwithstanding any other provision of law to the contrary, the authority, the dormitory authority and the urban development corporation are hereby authorized to issue bonds or notes in one or more series for the purpose of financing peace bridge projects and capital costs of state and local highways, parkways, bridges, the New York state thruway,

The aggregate principal amount of bonds authorized to be issued pursuant to this section shall not exceed one billion four hundred sixty-five forty million dollars ([$465,000,000]) $1,440,000,000, excluding bonds issued to fund one or more debt service reserve funds, to pay costs of issuance of such bonds, and to refund or otherwise repay such bonds or notes previously issued. Such bonds and notes of the authority, the dormitory authority and the urban development corporation shall not be a debt of the state, and the state shall not be liable thereon, nor shall they be payable out of any funds other than those appropriated by the state to the authority, the dormitory authority and the urban development corporation for principal, interest, and related expenses pursuant to a service contract and such bonds and notes shall contain on the face thereof a statement to such effect. Except for purposes of complying with the internal revenue code, any interest income earned on bond proceeds shall only be used to pay debt service on such bonds.

(c) Subject to the provisions of chapter fifty-nine of the laws of two thousand, the dormitory authority shall not issue any bonds for state university educational facilities purposes if the principal amount of bonds to be issued when added to the aggregate principal amount of bonds issued by the dormitory authority on and after July first, nineteen hundred eighty-eight for state university educational facilities will
exceed ten billion nine two hundred eighty-four twenty-eight million dollars; provided, however, that bonds issued or to be issued shall be excluded from such limitation if: (1) such bonds are issued to refund state university construction bonds and state university construction notes previously issued by the housing finance agency; or (2) such bonds are issued to refund bonds of the authority or other obligations issued for state university educational facilities purposes and the present value of the aggregate debt service on the refunding bonds does not exceed the present value of the aggregate debt service on the bonds refunded thereby; provided, further that upon certification by the director of the budget that the issuance of refunding bonds or other obligations issued between April first, nineteen hundred ninety-two and March thirty-first, nineteen hundred ninety-three will generate long term economic benefits to the state, as assessed on a present value basis, such issuance will be deemed to have met the present value test noted above. For purposes of this subdivision, the present value of the aggregate debt service of the refunding bonds and the aggregate debt service of the bonds refunded, shall be calculated by utilizing the true interest cost of the refunding bonds, which shall be that rate arrived at by doubling the semi-annual interest rate (compounded semi-annually) necessary to discount the debt service payments on the refunding bonds from the payment dates thereof to the date of issue of the refunding bonds to the purchase price of the refunding bonds, including interest accrued thereon prior to the issuance thereof. The maturity of such bonds, other than bonds issued to refund outstanding bonds, shall not exceed the weighted average economic life, as certified by the state university construction fund, of the facilities in connection with which the bonds are issued, and in any case not later than the earlier of
thirty years or the expiration of the term of any lease, sublease or
other agreement relating thereto; provided that no note, including
renewals thereof, shall mature later than five years after the date of
issuance of such note. The legislature reserves the right to amend or
repeal such limit, and the state of New York, the dormitory authority,
the state university of New York, and the state university construction
fund are prohibited from covenanting or making any other agreements with
or for the benefit of bondholders which might in any way affect such
right.

§ 38. Paragraph (c) of subdivision 14 of section 1680 of the public

laws of 2014, is amended to read as follows:

(c) Subject to the provisions of chapter fifty-nine of the laws of two

bonds so to be issued when added to all principal amounts of bonds
previously issued by the dormitory authority for city university commu-

of other bonds in relation to city university community college facili-

(ii) the dormitory authority shall not deliver a series of bonds issued
for city university facilities, including community college facilities,
pursuant to a resolution of the dormitory authority adopted on or after

substituted for or in lieu of other bonds in relation to city university
facilities and except for bonds issued pursuant to a resolution supple-
mental to a resolution of the dormitory authority adopted prior to July
first, nineteen hundred eighty-five, if the principal amount of bonds so
to be issued when added to the principal amount of bonds previously
issued pursuant to any such resolution, except bonds issued to refund or
to be substituted for or in lieu of other bonds in relation to city
university facilities, will exceed seven billion [two] three hundred
[seventy-three] ninety-two million [three] seven hundred [thirty-one]
fifty-three thousand dollars. The legislature reserves the right to
amend or repeal such limit, and the state of New York, the dormitory
authority, the city university, and the fund are prohibited from coven-

as amended by section 42 of part I of chapter 55 of the laws of 2014, is
amended to read as follows:

10-a. Subject to the provisions of chapter fifty-nine of the laws of
two thousand, but notwithstanding any other provision of the law to the
contrary, the maximum amount of bonds and notes to be issued after March
thirty-first, two thousand two, on behalf of the state, in relation to
any locally sponsored community college, shall be [seven] eight hundred
[seventy-six] thirty-eight million [three] four hundred [five] fifty-
eight thousand dollars. Such amount shall be exclusive of bonds and
notes issued to fund any reserve fund or funds, costs of issuance and to
refund any outstanding bonds and notes, issued on behalf of the state,
relating to a locally sponsored community college.
§ 40. Section 1680-r of the public authorities law, as added by section 43 of part I of chapter 55 of the laws of 2014, is amended to read as follows:

§ 1680-r. Authorization for the issuance of bonds for the capital restructuring financing program and the health care facility transformation program. 1. Notwithstanding the provisions of any other law to the contrary, the dormitory authority and the urban development corporation are hereby authorized to issue bonds or notes in one or more series for the purpose of funding project costs for the capital restructuring financing program for health care and related facilities licensed pursuant to the public health law or the mental hygiene law and other state costs associated with such capital projects and the health care facility transformation program. The aggregate principal amount of bonds authorized to be issued pursuant to this section shall not exceed [one] two billion two hundred million dollars, excluding bonds issued to fund one or more debt service reserve funds, to pay costs of issuance of such bonds, and bonds or notes issued to refund or otherwise repay such bonds or notes previously issued. Such bonds and notes of the dormitory authority and the urban development corporation shall not be a debt of the state, and the state shall not be liable thereon, nor shall they be payable out of any funds other than those appropriated by the state to the dormitory authority and the urban development corporation for principal, interest, and related expenses pursuant to a service contract and such bonds and notes shall contain on the face thereof a statement to such effect. Except for purposes of complying with the internal revenue code, any interest income earned on bond proceeds shall only be used to pay debt service on such bonds.
2. Notwithstanding any other provision of law to the contrary, in order to assist the dormitory authority and the urban development corporation in undertaking the financing for project costs for the capital restructuring financing program for health care and related facilities licensed pursuant to the public health law or the mental hygiene law and other state costs associated with such capital projects and the health care facility transformation program, the director of the budget is hereby authorized to enter into one or more service contracts with the dormitory authority and the urban development corporation, none of which shall exceed thirty years in duration, upon such terms and conditions as the director of the budget and the dormitory authority and the urban development corporation agree, so as to annually provide to the dormitory authority and the urban development corporation, in the aggregate, a sum not to exceed the principal, interest, and related expenses required for such bonds and notes. Any service contract entered into pursuant to this section shall provide that the obligation of the state to pay the amount therein provided shall not constitute a debt of the state within the meaning of any constitutional or statutory provision and shall be deemed executory only to the extent of monies available and that no liability shall be incurred by the state beyond the monies available for such purpose, subject to annual appropriation by the legislature. Any such contract or any payments made or to be made thereunder may be assigned and pledged by the dormitory authority and the urban development corporation as security for its bonds and notes, as authorized by this section.

§ 41. Subdivision 1 of section 17 of part D of chapter 389 of the laws of 1997, relating to the financing of the correctional facilities improvement fund and the youth facility improvement fund, as amended by
section 44 of part I of chapter 55 of the laws of 2014, is amended to
read as follows:

1. Subject to the provisions of chapter 59 of the laws of 2000, but
notwithstanding the provisions of section 18 of section 1 of chapter 174
of the laws of 1968, the New York state urban development corporation is
hereby authorized to issue bonds, notes and other obligations in an
aggregate principal amount not to exceed [four] six hundred [sixty-five]
eleven million [three] two hundred [sixty-five] fifteen thousand dollars
($465,365,000) ($611,215,000), which authorization increases the
aggregate principal amount of bonds, notes and other obligations author-
ized by section 40 of chapter 309 of the laws of 1996, and shall include
all bonds, notes and other obligations issued pursuant to chapter 211 of
the laws of 1990, as amended or supplemented. The proceeds of such
bonds, notes or other obligations shall be paid to the state, for depos-
it in the youth facilities improvement fund, to pay for all or any
portion of the amount or amounts paid by the state from appropriations
or reappropriations made to the office of children and family services
from the youth facilities improvement fund for capital projects. The
aggregate amount of bonds, notes and other obligations authorized to be
issued pursuant to this section shall exclude bonds, notes or other
obligations issued to refund or otherwise repay bonds, notes or other
obligations theretofore issued, the proceeds of which were paid to the
state for all or a portion of the amounts expended by the state from
appropriations or reappropriations made to the office of children and
family services; provided, however, that upon any such refunding or
repayment the total aggregate principal amount of outstanding bonds,
notes or other obligations may be greater than [four] six hundred
[sixty-five] eleven million [three] two hundred [sixty-five] fifteen
thousand dollars [(465,365,000)] (611,215,000), only if the present value of the aggregate debt service of the refunding or repayment bonds, notes or other obligations to be issued shall not exceed the present value of the aggregate debt service of the bonds, notes or other obligations so to be refunded or repaid. For the purposes hereof, the present value of the aggregate debt service of the refunding or repayment bonds, notes or other obligations and of the aggregate debt service of the bonds, notes or other obligations so refunded or repaid, shall be calculated by utilizing the effective interest rate of the refunding or repayment bonds, notes or other obligations, which shall be that rate arrived at by doubling the semi-annual interest rate (compounded semi-annually) necessary to discount the debt service payments on the refunding or repayment bonds, notes or other obligations from the payment dates thereof to the date of issue of the refunding or repayment bonds, notes or other obligations and to the price bid including estimated accrued interest or proceeds received by the corporation including estimated accrued interest from the sale thereof.

§ 42. Paragraph b of subdivision 2 of section 9-a of section 1 of chapter 392 of the laws of 1973, constituting the New York state medical care facilities finance agency act, as amended by section 46 of part I of chapter 55 of the laws of 2014, is amended to read as follows:

b. The agency shall have power and is hereby authorized from time to time to issue negotiable bonds and notes in conformity with applicable provisions of the uniform commercial code in such principal amount as, in the opinion of the agency, shall be necessary, after taking into account other moneys which may be available for the purpose, to provide sufficient funds to the facilities development corporation, or any successor agency, for the financing or refinancing of or for the design,
construction, acquisition, reconstruction, rehabilitation or improvement
of mental health services facilities pursuant to paragraph a of this
subdivision, the payment of interest on mental health services improve-
ment bonds and mental health services improvement notes issued for such
purposes, the establishment of reserves to secure such bonds and notes,
the cost or premium of bond insurance or the costs of any financial
mechanisms which may be used to reduce the debt service that would be
payable by the agency on its mental health services facilities improve-
ment bonds and notes and all other expenditures of the agency incident
to and necessary or convenient to providing the facilities development
corporation, or any successor agency, with funds for the financing or
refinancing of or for any such design, construction, acquisition, recon-
struction, rehabilitation or improvement and for the refunding of mental
hygiene improvement bonds issued pursuant to section 47-b of the private
housing finance law; provided, however, that the agency shall not issue
mental health services facilities improvement bonds and mental health
services facilities improvement notes in an aggregate principal amount
exceeding seven billion [four] seven hundred [thirty-five] twenty-two
million eight hundred fifteen thousand dollars, excluding mental health
services facilities improvement bonds and mental health services facili-
ties improvement notes issued to refund outstanding mental health
services facilities improvement bonds and mental health services facili-
ties improvement notes; provided, however, that upon any such refunding
or repayment of mental health services facilities improvement bonds
and/or mental health services facilities improvement notes the total
aggregate principal amount of outstanding mental health services facili-
ties improvement bonds and mental health facilities improvement notes
may be greater than seven billion [four] seven hundred [thirty-five]
twenty-two million eight hundred fifteen thousand dollars only if, except as hereinafter provided with respect to mental health services facilities bonds and mental health services facilities notes issued to refund mental hygiene improvement bonds authorized to be issued pursuant to the provisions of section 47-b of the private housing finance law, the present value of the aggregate debt service of the refunding or repayment bonds to be issued shall not exceed the present value of the aggregate debt service of the bonds to be refunded or repaid. For purposes hereof, the present values of the aggregate debt service of the refunding or repayment bonds, notes or other obligations and of the aggregate debt service of the bonds, notes or other obligations so refunded or repaid, shall be calculated by utilizing the effective interest rate of the refunding or repayment bonds, notes or other obligations, which shall be that rate arrived at by doubling the semi-annual interest rate (compounded semi-annually) necessary to discount the debt service payments on the refunding or repayment bonds, notes or other obligations from the payment dates thereof to the date of issue of the refunding or repayment bonds, notes or other obligations and to the price bid including estimated accrued interest or proceeds received by the authority including estimated accrued interest from the sale thereof. Such bonds, other than bonds issued to refund outstanding bonds, shall be scheduled to mature over a term not to exceed the average useful life, as certified by the facilities development corporation, of the projects for which the bonds are issued, and in any case shall not exceed thirty years and the maximum maturity of notes or any renewals thereof shall not exceed five years from the date of the original issue of such notes. Notwithstanding the provisions of this section, the agency shall have the power and is hereby authorized to issue mental health
services facilities improvement bonds and/or mental health services facilities improvement notes to refund outstanding mental hygiene improvement bonds authorized to be issued pursuant to the provisions of section 47-b of the private housing finance law and the amount of bonds issued or outstanding for such purposes shall not be included for purposes of determining the amount of bonds issued pursuant to this section. The director of the budget shall allocate the aggregate principal authorized to be issued by the agency among the office of mental health, office for people with developmental disabilities, and the office of alcoholism and substance abuse services, in consultation with their respective commissioners to finance bondable appropriations previously approved by the legislature.

§ 43. Paragraph (b) of subdivision 3 of section 1 and clause (B) of subparagraph (iii) of paragraph (j) of subdivision 4 of section 1 of part D of chapter 63 of the laws of 2005 relating to the composition and responsibilities of the New York state higher education capital matching grant board, as amended by section 46-c of part I of chapter 55 of the laws of 2014, is amended to read as follows:

otherwise repay bonds heretofore issued for such purpose; provided,
however, that upon any such refunding or repayment, the total aggregate
principal amount of outstanding bonds may be greater than two billion
dollars ($2,000,000,000) only if the present value of the aggregate debt
service of the refunding or repayment bonds to be issued shall not
exceed the present value of the aggregate debt service of the bonds to
be refunded or repaid. The method for calculating present value shall be
determined by law.
(b) Notwithstanding the foregoing or any other provision of law to the
contrary, the dormitory authority and the urban development corporation
may also issue bonds pursuant to article 5-c and article 5-f of the
