

## Consulting Service Contracts

The Division of the Budget (DOB) annually collects and reports information related to employees working under State agency consulting service contracts. Estimated consultant spending includes labor-related contract costs such as overhead, travel and fringe benefits, and in some cases, other non-personal service expenses. Accordingly, contract costs cannot be interpreted as representing only the compensation paid to contract employees. The Executive Budget Consulting Service Contracts Report is presented in the following tables.

According to data reported by State agencies, consultant spending is estimated to decrease by approximately \$36.5 million (4.4%) in FY 2017. Major factors influencing this projected decrease include:

- Conclusion of SUNY Downstate Medical Center's plan to exit operation of the Long Island College Hospital (\$16 million);
- Completion of the Statewide Financial System EE1 project (\$16 million); and
- Administrative initiatives to promote efficiency, eliminate redundant purchasing, and achieve long term savings.
