§ 6. Paragraph h of subdivision 17 of section 3602 of the education law, as added by section 5-b of part A of chapter 56 of the laws of 2015, is amended and a new paragraph i is added to read as follows:

h. [The gap elimination adjustment restoration amount for the two thousand sixteen--two thousand seventeen school year and thereafter shall equal the product of the gap elimination percentage for such district and the gap elimination adjustment restoration allocation established pursuant to subdivision eighteen of this section] The gap elimination adjustment restoration amount for the two thousand sixteen--two thousand seventeen school year for a school district shall be computed based on data on file with the commissioner and in the database used by the commissioner to produce an updated electronic data file in support of the executive budget request submitted for the two thousand sixteen--two thousand seventeen state fiscal year and shall equal the sum of the scaled extraordinary needs restoration plus the minimum restoration, provided that such gap elimination adjustment restoration amount shall not exceed the gap elimination adjustment for the base year.

(i) The "scaled extraordinary needs restoration" shall equal the product of the grant per pupil multiplied by the state sharing ratio computed pursuant to paragraph g of subdivision three of this section multiplied by the base year public school district enrollment as computed pursuant to subparagraph two of paragraph n of subdivision one of this section, where (A) the grant per pupil shall be sixty-six dollars ($66.00) multiplied by the extraordinary needs index truncated to two decimals, and (B) the extraordinary needs index shall equal the
quotient truncated to three decimals arrived at by dividing the extraordinary needs percent computed pursuant to paragraph w of subdivision one of this section by the statewide average extraordinary needs percent of fifty-four and eight-tenths percent (0.548).

(ii) The minimum restoration shall equal the product of thirty percent (0.3) multiplied by the gap elimination adjustment for the base year.

i. Notwithstanding any provision of law to the contrary, for the two thousand seventeen--two thousand eighteen school year and thereafter, the gap elimination adjustment shall be zero.

§ 7. Subdivision 4 of section 3602 of the education law, as amended by section 5-a of part A of chapter 56 of the laws of 2015, is amended to read as follows:

4. Total foundation aid. In addition to any other apportionment pursuant to this chapter, a school district, other than a special act school district as defined in subdivision eight of section four thousand one of this chapter, shall be eligible for total foundation aid equal to the product of total aidable foundation pupil units multiplied by the district's selected foundation aid, which shall be the greater of five hundred dollars ($500) or foundation formula aid, provided, however that for the two thousand seven--two thousand eight through two thousand eight--two thousand nine school years, no school district shall receive total foundation aid in excess of the sum of the total foundation aid base for aid payable in the two thousand seven--two thousand eight school year computed pursuant to subparagraph (i) of paragraph j of subdivision one of this section, plus the phase-in foundation increase computed pursuant to paragraph b of this subdivision, and provided further that for the two thousand twelve--two thousand thirteen school year, no school district shall receive total foundation aid in excess of
the sum of the total foundation aid base for aid payable in the two thousand eleven--two thousand twelve school year computed pursuant to subparagraph (ii) of paragraph j of subdivision one of this section, plus the phase-in foundation increase computed pursuant to paragraph b of this subdivision, and provided further that for the two thousand thirteen--two thousand fourteen school year and thereafter, no school district shall receive total foundation aid in excess of the sum of the total foundation aid base computed pursuant to subparagraph (ii) of paragraph j of subdivision one of this section, plus the phase-in foundation increase computed pursuant to paragraph b of this subdivision, and provided further that for the two thousand sixteen--two thousand seventeen school year, for a school district where the phase-in foundation increase and the due minimum are less than the alternative minimum computed pursuant to paragraph b-2 of this section, such district shall receive total foundation aid, in lieu of such phase-in foundation increase or due minimum, equal to the sum of the foundation aid base computed pursuant to subparagraph (ii) of paragraph j of subdivision one of this section, plus the alternative minimum computed pursuant to paragraph b-2 of this section, and provided further that total foundation aid shall not be less than the product of the total foundation aid base computed pursuant to paragraph j of subdivision one of this section and the due-minimum percent which shall be, for the two thousand twelve--two thousand thirteen school year, one hundred and six-tenths percent (1.006) and for the two thousand thirteen--two thousand fourteen school year for city school districts of those cities having populations in excess of one hundred twenty-five thousand and less than one million inhabitants one hundred and one and one hundred and seventy-six thousandths percent (1.01176), and for all other districts one hundred and
three-tenths percent (1.003), and for the two thousand fourteen--two thousand fifteen school year one hundred and eighty-five hundredths percent (1.0085), and for the two thousand fifteen--two thousand sixteen school year, one hundred thirty-seven hundredths percent (1.0037), and for the two thousand sixteen--two thousand seventeen school year, one plus the lesser of two percent (0.02) or the product of twenty-three hundredths percent (0.023) multiplied by a CWR ratio and truncated to four decimals, where such CWR ratio shall be the difference obtained by subtracting from one and thirty-seven hundredths (1.37) the product of one and fifty-five hundredths (1.55) multiplied by the combined wealth ratio for total foundation aid computed pursuant to subparagraph two of paragraph c of subdivision three of this section truncated to three decimals, provided however that such CWR ratio shall not be greater than one nor less than zero, subject to allocation pursuant to the provisions of subdivision eighteen of this section and any provisions of a chapter of the laws of New York as described therein, nor more than the product of such total foundation aid base and one hundred fifteen percent, and provided further that for the two thousand nine--two thousand ten through two thousand eleven--two thousand twelve school years, each school district shall receive total foundation aid in an amount equal to the amount apportioned to such school district for the two thousand eight--two thousand nine school year pursuant to this subdivision. Total aidable foundation pupil units shall be calculated pursuant to paragraph g of subdivision two of this section. For the purposes of calculating aid pursuant to this subdivision, aid for the city school district of the city of New York shall be calculated on a citywide basis.

a. Foundation formula aid. Foundation formula aid shall equal the remainder when the expected minimum local contribution is subtracted
from the product of the foundation amount, the regional cost index, and the pupil need index, or: (foundation amount x regional cost index x pupil need index) - expected minimum local contribution.

(1) The foundation amount shall reflect the average per pupil cost of general education instruction in successful school districts, as determined by a statistical analysis of the costs of special education and general education in successful school districts, provided that the foundation amount shall be adjusted annually to reflect the percentage increase in the consumer price index as computed pursuant to paragraph e of subdivision four of section two thousand [twenty-two] twenty-three of this chapter, provided that for the two thousand eight--two thousand nine school year, for the purpose of such adjustment, the percentage increase in the consumer price index shall be deemed to be two and nine-tenths percent (0.029), and provided further that the foundation amount for the two thousand seven--two thousand eight school year shall be five thousand two hundred fifty-eight dollars, and provided further that for the two thousand seven--two thousand eight through two thousand [fifteen] sixteen--two thousand [sixteen] seventeen school years, the foundation amount shall be further adjusted by the phase-in foundation percent established pursuant to paragraph b of this subdivision.

(2) The regional cost index shall reflect an analysis of labor market costs based on median salaries in professional occupations that require similar credentials to those of positions in the education field, but not including those occupations in the education field, provided that the regional cost indices for the two thousand seven--two thousand eight school year and thereafter shall be as follows:

(3) The pupil need index shall equal the sum of one plus the extraordinary needs percent, provided, however, that the pupil need index shall not be less than one nor more than two. The extraordinary needs percent shall be calculated pursuant to paragraph w of subdivision one of this section.

(4) The expected minimum local contribution shall equal the lesser of (i) the product of (A) the quotient arrived at when the selected actual valuation is divided by total wealth foundation pupil units, multiplied by (B) the product of the local tax factor, multiplied by the income wealth index, or (ii) the product of (A) the product of the foundation amount, the regional cost index, and the pupil need index, multiplied by (B) the positive difference, if any, of one minus the state sharing ratio for total foundation aid. The local tax factor shall be established by May first of each year by determining the product, computed to four decimal places without rounding, of ninety percent multiplied by the quotient of the sum of the statewide average tax rate as computed by the commissioner for the current year in accordance with the provisions of paragraph e of subdivision one of section thirty-six hundred nine-e of this part plus the statewide average tax rate computed by the commissioner for the base year in accordance with such provisions plus the
statewide average tax rate computed by the commissioner for the year
prior to the base year in accordance with such provisions, divided by

sixty-five percent (0.65) and shall not be more than two hundred percent
(2.0) and provided however that such income wealth index shall not be
more than ninety-five percent (0.95) for the two thousand eight--two
thousand nine school year, and provided further that such income wealth
index shall not be less than zero for the two thousand thirteen--two
thousand fourteen school year. The selected actual valuation shall be
calculated pursuant to paragraph c of subdivision one of this section.
The total wealth foundation pupil units shall be calculated pursuant to
paragraph h of subdivision two of this section.

b. Phase-in foundation increase. (1) The phase-in foundation increase
shall equal the product of the phase-in foundation increase factor
multiplied by the positive difference, if any, of (i) the product of the
total aidable foundation pupil units multiplied by the district's
selected foundation aid less (ii) the total foundation aid base computed
pursuant to paragraph j of subdivision one of this section.
(2) (i) Phase-in foundation percent. The phase-in foundation percent
shall equal one hundred thirteen and fourteen one hundredths percent
(1.1314) for the two thousand eleven--two thousand twelve school year,
one hundred ten and thirty-eight hundredths percent (1.1038) for the two
thousand twelve--two thousand thirteen school year, one hundred seven
and sixty-eight hundredths percent (1.0768) for the two thousand thir-
ten--two thousand fourteen school year, one hundred five and six
hundredths percent (1.0506) for the two thousand fourteen--two thousand
dependent school year, and one hundred two and five tenths percent
(1.0250) for the two thousand fifteen--two thousand sixteen school year.

eleven--two thousand twelve school year, the phase-in foundation
increase factor shall equal thirty-seven and one-half percent (0.375)
and the phase-in due minimum percent shall equal nineteen and forty-one
hundredths percent (0.1941), for the two thousand twelve--two thousand
thirteen school year the phase-in foundation increase factor shall equal
one and seven-tenths percent (0.017), for the two thousand thirteen--two
thousand fourteen school year the phase-in foundation increase factor
shall equal (1) for a city school district in a city having a population
of one million or more, five and twenty-three hundredths percent
(0.0523) or (2) for all other school districts zero percent, for the two
thousand fourteen--two thousand fifteen school year the phase-in founda-
tion increase factor shall equal (1) for a city school district of a
city having a population of one million or more, four and thirty-two
hundredths percent (0.0432) or (2) for a school district other than a
city school district having a population of one million or more for
which (A) the quotient of the positive difference of the foundation
formula aid minus the foundation aid base computed pursuant to paragraph
j of subdivision one of this section divided by the foundation formula
aid is greater than twenty-two percent (0.22) and (B) a combined wealth
ratio less than thirty-five hundredths (0.35), seven percent (0.07) or
for all other school districts, four and thirty-one hundredths percent (0.0431), and for the two thousand fifteen-two thousand sixteen school year the phase-in foundation increase factor shall equal: (1) for a city school district of a city having a population of one million or more, thirteen and two hundred seventy-four thousandths percent (0.13274); or (2) for districts where the quotient arrived at when dividing (A) the product of the total aidable foundation pupil units multiplied by the district's selected foundation aid less the total foundation aid base computed pursuant to paragraph j of subdivision one of this section divided by (B) the product of the total aidable foundation pupil units multiplied by the district's selected foundation aid is greater than nineteen percent (0.19), and where the district's combined wealth ratio is less than thirty-three hundredths (0.33), seven and seventy-five hundredths percent (0.0775); or (3) for any other district designated as high need pursuant to clause (c) of subparagraph two of paragraph c of subdivision six of this section for the school aid computer listing produced by the commissioner in support of the enacted budget for the two thousand seven-two thousand eight school year and entitled "SA0708", four percent (0.04); or (4) for a city school district in a city having a population of one hundred twenty-five thousand or more but less than one million, fourteen percent (0.14); or (5) for school districts that were designated as small city school districts or central school districts whose boundaries include a portion of a small city for the school aid computer listing produced by the commissioner in support of the enacted budget for the two thousand fourteen-two thousand fifteen school year and entitled "SA1415", four and seven hundred fifty-one thousandths percent (0.04751); or (6) for all other districts one percent (0.01), and for the two thousand sixteen-two
thousand seventeen school year the phase-in foundation increase factor shall equal the greater of: (1) for a city school district of a city having a population of one million or more, nine and thirty-two hundredths percent (0.0932); or (2) for a city school district of a city having a population of more than one hundred twenty-five thousand but less than one million, three and one-half percent (0.035); or (3) for a district with a sparsity count computed pursuant to paragraph r of subdivision one of this section greater than zero, the lesser of (i) the product of nine and thirty-two hundredths percent (0.0932) multiplied by the phase-in CWR sparsity ratio truncated to four decimals, where such phase-in CWR sparsity ratio shall be the difference obtained by subtracting from one and thirty-seven hundredths (1.37) the product of one and thirty-five hundredths (1.35) multiplied by the combined wealth ratio for total foundation aid computed pursuant to subparagraph two of paragraph c of subdivision three of this section truncated to three decimals, provided however that such phase-in CWR sparsity ratio shall not be greater than one nor less than zero or (ii) six percent (0.06); or (4) the lesser of (i) the product of three and one-half percent (0.035) multiplied by the phase-in CWR ratio truncated to four decimals, where such phase-in CWR ratio shall be the difference obtained by subtracting from one and thirty-seven hundredths (1.37) the product of one and three-tenths (1.30) multiplied by the combined wealth ratio for total foundation aid computed pursuant to subparagraph two of paragraph c of subdivision three of this section truncated to three decimals, provided however that such phase-in CWR ratio shall not be greater than one nor less than zero or (ii) three percent (0.03); and for the two thousand [sixteen--two thousand seventeen] seventeen--two thousand eighteen school year and thereafter the commissioner shall annually deter-

§ 9. Paragraph a of subdivision 5 of section 3604 of the education law, as amended by chapter 161 of the laws of 2005, is amended to read as follows:

a. State aid adjustments. All errors or omissions in the apportionment shall be corrected by the commissioner. Whenever a school district has been apportioned less money than that to which it is entitled, the commissioner may allot to such district the balance to which it is entitled. Whenever a school district has been apportioned more money than that to which it is entitled, the commissioner may, by an order, direct such moneys to be paid back to the state to be credited to the general fund local assistance account for state aid to the schools, or may deduct such amount from the next apportionment to be made to said
district, provided, however, that, upon notification of excess payments of aid for which a recovery must be made by the state through deduction of future aid payments, a school district may request that such excess payments be recovered by deducting such excess payments from the payments due to such school district and payable in the month of June in (i) the school year in which such notification was received and (ii) the two succeeding school years, provided further that there shall be no interest penalty assessed against such district or collected by the state. Such request shall be made to the commissioner in such form as the commissioner shall prescribe, and shall be based on documentation that the total amount to be recovered is in excess of one percent of the district's total general fund expenditures for the preceding school year. The amount to be deducted in the first year shall be the greater of (i) the sum of the amount of such excess payments that is recognized as a liability due to other governments by the district for the preceding school year and the positive remainder of the district's unreserved fund balance at the close of the preceding school year less the product of the district's total general fund expenditures for the preceding school year multiplied by five percent, or (ii) one-third of such excess payments. The amount to be recovered in the second year shall equal the lesser of the remaining amount of such excess payments to be recovered or one-third of such excess payments, and the remaining amount of such excess payments shall be recovered in the third year. Provided further that, notwithstanding any other provisions of this subdivision, any pending payment of moneys due to such district as a prior year adjustment payable pursuant to paragraph c of this subdivision for aid claims that had been previously paid as current year aid payments in excess of the amount to which the district is entitled and for which recovery of
excess payments is to be made pursuant to this paragraph, shall be
reduced at the time of actual payment by any remaining unrecovered
balance of such excess payments, and the remaining scheduled deductions
of such excess payments pursuant to this paragraph shall be reduced by
the commissioner to reflect the amount so recovered. [The commissioner
shall certify no payment to a school district based on a claim submitted
later than three years after the close of the school year in which such

later than one year after the close of such school year. For claims for
which payment is first to be made in the two thousand fifteen--two thou-

grant a waiver from the provisions of this section for any school
district if it is in the best educational interests of the district
pursuant to guidelines developed by the commissioner and approved by the
director of the budget.] Further provided that for any apportionments
provided pursuant to sections seven hundred one, seven hundred eleven,
seven hundred fifty-one, seven hundred fifty-three, nineteen hundred fifty, thirty-six hundred two, thirty-six hundred two-b, thirty-six hundred two-c, thirty-six hundred two-e and forty-four hundred five of this chapter for the two thousand fifteen--two thousand sixteen and two thousand sixteen--two thousand seventeen school years, the commissioner shall certify no payment to a school district, other than payments pursuant to subdivisions six-a, eleven, thirteen and fifteen of section thirty-six hundred two of this part, in excess of the payment computed based on an electronic data file used to produce the school aid computer listing produced by the commissioner in support of the executive budget request submitted for the two thousand sixteen--two thousand seventeen state fiscal year and entitled "BT161-7", and further provided that for any apportionments provided pursuant to sections seven hundred one, seven hundred eleven, seven hundred fifty-one, seven hundred fifty-three nineteen hundred fifty, thirty-six hundred two, thirty-six hundred two-b, thirty-six hundred two-c, thirty-six hundred two-e and forty-four hundred five of this chapter for the two thousand seventeen--two thousand eighteen school year and thereafter, the commissioner shall certify no payment to a school district, other than payments pursuant to subdivisions six-a, eleven, thirteen and fifteen of section thirty-six hundred two of this part, in excess of the payment computed based on an electronic data file used to produce the school aid computer listing produced by the commissioner in support of the executive budget request submitted for the state fiscal year in which the school year commences.

§ 5. Section 1509 of the business corporation law, as amended by chapter 550 of the laws of 2011, is amended to read as follows:

§ 1509. Disqualification of shareholders, directors, officers and employees.

with, and financial interests (other than interests as a creditor) in,
such corporation forthwith or as otherwise provided in section 1510 of

the disqualified shareholder to sell his shares to the corporation,
pursuant to the provisions of section 1510 of this article or of the
certificate of incorporation, by-laws or agreement among the corporation
and all shareholders, whichever is applicable. Compliance with the terms

him by such corporation or except in trust to another individual who

No transferee of shares by operation of law or court decree may vote the shares for any purpose whatsoever except with respect to corporate action under sections 909 and 1001 of this chapter. The restriction in the preceding sentence shall not apply, however, where such transferee would be eligible to have shares issued to him if he were an employee of the corporation and, if there are other shareholders, a majority of such other shareholders shall fail to redeem the shares so transferred, pursuant to section 1510 of this article, within sixty days of receiving written notice of such transfer. Any sale or transfer, except by operation of law or court decree or except for a corporation having only one shareholder, may be made only after the same shall have been approved by the board of directors, or at a shareholders' meeting specially called for such purpose by such proportion, not less than a majority, of the outstanding shares as may be provided in the certificate of incorporation or in the by-laws of such professional service corporation. At such shareholders' meeting the shares held by the shareholder proposing to sell or transfer his shares may not be voted or counted for any purpose, unless all shareholders consent that such shares be voted or counted. The certificate of incorporation or the by-laws of the professional service corporation, or the professional service corporation and the shareholders by private agreement, may provide, in lieu of or in addition to the foregoing provisions, for the alienation of shares and may require the redemption or purchase of such shares by such corporation at prices and in a manner specifically set forth therein. The existence of the restrictions on the sale or transfer of shares, as contained in this article and, if applicable, in the certificate of
incorporation, by-laws, stock purchase or stock redemption agreement, shall be noted conspicuously on the face or back of every certificate for shares issued by a professional service corporation. Any sale or transfer in violation of such restrictions shall be void.

4. Notwithstanding the provisions of subdivision three of this section, a youth part shall, with the consent of the district attorney, (a) order removal of an action against a juvenile offender accused of robbery in the second degree as defined in subdivision two of section 160.10 of the penal law and a juvenile offender accused of committing a

in which the crime was committed; (ii) where the defendant was not the
sole participant in the crime, the defendant's participation was rela-
tively minor although not so minor as to constitute a defense to the

(c) In making its determination pursuant to paragraph (a) of this

subdivision the court shall, to the extent applicable, examine individ-

If the defendant testifies, his or her testimony may not be introduced against him or her in any future proceeding, except to impeach his or her testimony at such future proceeding as inconsistent prior testimony.

a criminal action against a juvenile offender, is by the filing there-
with by a grand jury of an indictment against a defendant who has never
been held by a local criminal court for the action of such grand jury
with respect to any charge contained in such indictment. Otherwise, a
criminal action can be commenced only in a local criminal court, by the
filing therewith of a local criminal court accusatory instrument, name-

charging one or more other persons with the commission of one or more
felonies. It serves as a basis for the commencement of a criminal
action, but not as a basis for prosecution thereof.

§ 9. The article heading of article 110 of the criminal procedure law is amended to read as follows:

(a) The issuance and execution of a warrant of arrest, as provided in article one hundred twenty; or

(b) The issuance and service upon him of a summons, as provided in article one hundred thirty; or

(c) Procedures provided in articles five hundred sixty, five hundred seventy, five hundred eighty, five hundred ninety and six hundred for
securing attendance of defendants in criminal actions who are not at liberty within the state.

2. Although no criminal action against a person has been commenced in any court, he may under certain circumstances be compelled or required to appear in a local criminal court or youth part of a superior court for arraignment upon an accusatory instrument to be filed therewith at or before the time of his appearance by:

(a) An arrest made without a warrant, as provided in article one hundred forty; or

If a police officer or a peace officer is the complainant or the filer of a simplified information, or has arrested the defendant or brought him before the local criminal court or youth part of the superior court on behalf of an arresting person pursuant to subdivision one of section 140.20, such officer or his agency shall transmit the copy of the accusatory instrument to the appropriate district attorney. In all other cases, the clerk of the court in which the defendant is arraigned shall so transmit it.
§ 12. The opening paragraph of subdivision 1 of section 120.20 of the criminal procedure law, as amended by chapter 506 of the laws of 2000, is amended to read as follows:

When a criminal action has been commenced in a local criminal court or youth part of the superior court by the filing therewith of an accusatory instrument, other than a simplified traffic information, against a defendant who has not been arraigned upon such accusatory instrument and has not come under the control of the court with respect thereto:

§ 13. Section 120.30 of the criminal procedure law is amended to read as follows:

§ 120.30 Warrant of arrest; by what courts issuable and in what courts returnable.

1. A warrant of arrest may be issued only by the local criminal court or youth part of the superior court with which the underlying accusatory instrument has been filed, and it may be made returnable in such issuing court only.

2. The particular local criminal court or courts or youth part of the superior court with which any particular local criminal court or youth part of the superior court accusatory instrument may be filed for the purpose of obtaining a warrant of arrest are determined, generally, by the provisions of section 100.55 or 100.60. If, however, a particular accusatory instrument may pursuant to said section 100.55 be filed with a particular town court and such town court is not available at the time such instrument is sought to be filed and a warrant obtained, such accusatory instrument may be filed with the town court of any adjoining town of the same county. If such instrument may be filed pursuant to said section 100.55 with a particular village court and such village court is not available at the time, it may be filed with the town court of the
town embracing such village, or if such town court is not available
either, with the town court of any adjoining town of the same county.
§ 14. Section 120.55 of the criminal procedure law, as amended by
section 71 of subpart B of part C of chapter 62 of the laws of 2011, is
amended to read as follows:
§ 120.55 Warrant of arrest; defendant under parole or probation super-
vision.
If the defendant named within a warrant of arrest issued by a local
criminal court or youth part of the superior court pursuant to the
provisions of this article, or by a superior court issued pursuant to
subdivision three of section 210.10 of this chapter, is under the super-
vision of the state department of corrections and community supervision
or a local or state probation department, then a warrant for his or her
arrest may be executed by a parole officer or probation officer, when
authorized by his or her probation director, within his or her geograph-
ical area of employment. The execution of the warrant by a parole offi-

§ 15. Subdivision 1 of section 120.70 of the criminal procedure law is
amended to read as follows:
1. A warrant of arrest issued by a district court, by the New York
City criminal court, the youth part of a superior court or by a superior
court judge sitting as a local criminal court may be executed anywhere
in the state.
§ 16. Subdivisions 1 and 6 of section 120.90 of the criminal procedure
law, as amended by chapter 424 of the laws of 1998, are amended and a
new subdivision 5-a is added to read as follows:
1 1. Upon arresting a defendant for any offense pursuant to a warrant
2 of arrest in the county in which the warrant is returnable or in any
3 adjoining county, or upon so arresting him for a felony in any other
4 county, a police officer, if he be one to whom the warrant is addressed,
5 must without unnecessary delay bring the defendant before the local
6 criminal court or youth part of the superior court in which such warrant
7 is returnable.
8 5-a. Whenever a police officer is required, pursuant to this section,
9 to bring an arrested defendant before a youth part of a superior court
10 in which a warrant of arrest is returnable, and if such court is not
11 available at the time, such officer must bring such defendant before the
12 most accessible magistrate designated by the appellate division of the
13 supreme court in the applicable department to act as a youth part.
14 6. Before bringing a defendant arrested pursuant to a warrant before
15 the local criminal court or youth part of a superior court in which such
16 warrant is returnable, a police officer must without unnecessary delay
17 perform all fingerprinting and other preliminary police duties required
18 in the particular case. In any case in which the defendant is not
19 brought by a police officer before such court but, following his arrest
20 in another county for an offense specified in subdivision one of section
21 160.10, is released by a local criminal court of such other county on
22 his own recognizance or on bail for his appearance on a specified date
23 before the local criminal court before which the warrant is returnable,
24 the latter court must, upon arraignment of the defendant before it,
25 direct that he be fingerprinted by the appropriate officer or agency,
26 and that he appear at an appropriate designated time and place for such
27 purpose.
§ 17. Subdivision 1 of section 130.10 of the criminal procedure law, as amended by chapter 446 of the laws of 1993, is amended to read as follows:

1. The sole function of a summons is to achieve a defendant's court appearance in a criminal action for the purpose of arraignment upon the accusatory instrument by which such action was commenced.

§ 18. Section 130.30 of the criminal procedure law, as amended by chapter 506 of the laws of 2000, is amended to read as follows:

§ 130.30 Summons; when issuable.

A local criminal court or youth part of the superior court may issue a summons in any case in which, pursuant to section 120.20, it is authorized to issue a warrant of arrest based upon an information, a prosecutor's information, a felony complaint or a misdemeanor complaint. If such information, prosecutor's information, felony complaint or misdemeanor complaint is not sufficient on its face as prescribed in section 100.40, and if the court is satisfied that on the basis of the available facts or evidence it would be impossible to draw and file an authorized accusatory instrument that is sufficient on its face, the court must dismiss the accusatory instrument. A superior court may issue a summons in any case in which, pursuant to section 210.10, it is authorized to issue a warrant of arrest based upon an indictment.
§ 19. Subdivision 1 of section 140.20 of the criminal procedure law is amended by adding a new paragraph (e) to read as follows:

(e) if the arrest is for a person under the age of seventeen or, commencing January first, two thousand nineteen, a person under the age of eighteen, such person shall be brought before the youth part of the superior court. If the youth part is not in session, such person shall be brought before the most accessible magistrate designated by the appellate division of the supreme court in the applicable department to act as a youth part.

§ 20. Subdivision 6 of section 140.20 of the criminal procedure law, as added by chapter 411 of the laws of 1979, is amended to read as follows:

6. Upon arresting a juvenile offender without a warrant, the police officer shall immediately notify the parent or other person legally responsible for his or her care or the person with whom he or she is domiciled, that the juvenile offender has been arrested, and the location of the facility where he or she is being detained. If the officer determines that it is necessary to question a juvenile offender or a child under eighteen years of age who fits within the definition of a juvenile offender as defined in section 30.00 of the penal law, the officer must take the juvenile to a facility designated by the chief administrator of the courts as a suitable place for the questioning of children or, upon the consent of a parent or other person legally responsible for the care of the juvenile, to the juvenile's residence and there question him or her for a reasonable period of time. A juvenile shall not be questioned pursuant to this section unless the juvenile and a person required to be notified pursuant to this subdivision, if present, have been advised:
(a) of the juvenile's right to remain silent;

(b) that the statements made by the juvenile may be used in a court of law;

c) of the juvenile's right to have an attorney present at such questioning; and

d) of the juvenile's right to have an attorney provided for him or her without charge if he or she is indigent.

In determining the suitability of questioning and determining the reasonable period of time for questioning such a juvenile offender, the juvenile's age, the presence or absence of his or her parents or other persons legally responsible for his or her care and notification pursuant to this subdivision shall be included among relevant considerations.

§ 21. Subdivision 2 of section 140.27 of the criminal procedure law, as amended by chapter 843 of the laws of 1980, is amended to read as follows:

2. Upon arresting a person without a warrant, a peace officer, except as otherwise provided in subdivision three or three-a, must without unnecessary delay bring him or cause him to be brought before a local criminal court, as provided in section 100.55 and subdivision one of section 140.20, and must without unnecessary delay file or cause to be filed therewith an appropriate accusatory instrument. If the offense which is the subject of the arrest is one of those specified in subdivision one of section 160.10, the arrested person must be fingerprinted and photographed as therein provided. In order to execute the required post-arrest functions, such arresting peace officer may perform such functions himself or he may enlist the aid of a police officer for the performance thereof in the manner provided in subdivision one of section 140.20.
§ 22. Section 140.27 of the criminal procedure law is amended by adding a new subdivision 3-a to read as follows:

3-a. If the arrest is for a person under the age of seventeen or, commencing January first, two thousand nineteen, a person under the age of eighteen, such person shall be brought before the youth part of the superior court. If the youth part is not in session, such person shall be brought before the most accessible magistrate designated by the appellate division of the supreme court in the applicable department to act as a youth part.

§ 23. Subdivision 5 of section 140.27 of the criminal procedure law, as added by chapter 411 of the laws of 1979, is amended to read as follows:

5. Upon arresting a juvenile offender without a warrant, the peace officer shall immediately notify the parent or other person legally responsible for his care or the person with whom he or she is domiciled, that the juvenile offender has been arrested, and the location of the facility where he or she is being detained. If the officer determines that it is necessary to question a juvenile offender or a child under eighteen years of age who fits within the definition of a juvenile offender as defined in section 30.00 of the penal law the officer must take the juvenile to a facility designated by the chief administrator of the courts as a suitable place for the questioning of children or, upon the consent of a parent or other person legally responsible for the care of the juvenile, to the juvenile's residence and there question him or her for a reasonable period of time. A juvenile shall not be questioned pursuant to this section unless the juvenile and a person required to be notified pursuant to this subdivision, if present, have been advised:

(a) of the juvenile's right to remain silent;
(b) that the statements made by the juvenile may be used in a court of
law;

(c) of the juvenile's right to have an attorney present at such ques-
tioning; and

(d) of the juvenile's right to have an attorney provided for him or
her without charge if he or she is indigent.

In determining the suitability of questioning and determining the
reasonable period of time for questioning such a juvenile offender, the
juvenile's age, the presence or absence of his or her parents or other
persons legally responsible for his or her care and notification pursu-
ant to this subdivision shall be included among relevant considerations.

§ 24. Subdivision 5 of section 140.40 of the criminal procedure law,
as added by chapter 411 of the laws of 1979, is amended to read as
follows:

5. If a police officer takes an arrested juvenile offender into
custody, the police officer shall immediately notify the parent or other
person legally responsible for his or her care or the person with whom
he or she is domiciled, that the juvenile offender has been arrested,
and the location of the facility where he or she is being detained. If
the officer determines that it is necessary to question a juvenile
offender or a child under eighteen years of age who fits within the
definition of a juvenile offender as defined in section 30.00 of the
penal law the officer must take the juvenile to a facility designated by
the chief administrator of the courts as a suitable place for the ques-
tioning of children or, upon the consent of a parent or other person
legally responsible for the care of the juvenile, to the juvenile's
residence and there question him or her for a reasonable period of time.

A juvenile shall not be questioned pursuant to this section unless the
juvenile and a person required to be notified pursuant to this subdivision, if present, have been advised:

(a) of the juvenile's right to remain silent;
(b) that the statements made by the juvenile may be used in a court of law;
(c) of the juvenile's right to have an attorney present at such questioning; and
(d) of the juvenile's right to have an attorney provided for him or her without charge if he or she is indigent.

In determining the suitability of questioning and determining the reasonable period of time for questioning such a juvenile offender, the juvenile's age, the presence or absence of his or her parents or other persons legally responsible for his or her care and notification pursuant to this subdivision shall be included among relevant considerations.

§ 32. Subdivision 2 of section 410.40 of the criminal procedure law, as amended by chapter 652 of the laws of 2008, is amended to read as follows:

A court which issues such a warrant may attach thereto a summary of the basis for the
warrant. In any case where a defendant arrested upon the warrant is
brought before a local criminal court other than the court in which the
warrant is returnable, such local criminal court shall consider such
summary before issuing a securing order with respect to the defendant.

(b) If the court in which the warrant is returnable is a superior
court, and such court is not available, and the warrant is addressed to
a police officer or appropriate probation officer certified as a peace
officer, such executing officer shall, where a defendant is sixteen

violation of probation petition and report has been filed and the person
has not been taken into custody nor has a warrant been issued, an
initial court appearance shall occur within ten business days of the
court's issuance of a notice to appear. If the court has reasonable
cause to believe that such person has violated a condition of the sentence, it may commit him or her to the custody of the sheriff or fix bail or release such person on his or her own recognizance for future appearance at a hearing to be held in accordance with section 410.70 of this article. If the court does not have reasonable cause to believe that such person has violated a condition of the sentence, it must direct that he or she be released.

(b) A juvenile offender who has been taken into custody pursuant to section 410.40 or section 410.50 of this article for violation of a condition of a sentence of probation or a sentence of conditional discharge must forthwith be brought before the court that imposed the sentence. Where a violation of probation petition and report has been filed and the person has not been taken into custody nor has a warrant been issued, an initial court appearance shall occur within ten business days of the court's issuance of a notice to appear. If the court has reasonable cause to believe that such person has violated a condition of the sentence, it may commit him or her to the custody of the sheriff or fix bail or release such person on his or her own recognizance for future appearance at a hearing to be held in accordance with section 410.70 of this article. Provided, however, nothing herein shall authorize a juvenile to be detained for a violation of a condition that would not constitute a crime if committed by an adult unless the court determines (i) that the juvenile poses a specific imminent threat to public safety and states the reasons for the finding on the record or (ii) the juvenile is on probation for an act that would constitute a violent felony as defined in section 70.02 of the penal law if committed by an adult and the use of graduated sanctions has been exhausted without success. If the court does not have reasonable cause to believe that
such person has violated a condition of the sentence, it must direct that the juvenile be released.

Where the court continues or modifies the sentence, it must vacate the declaration of delinquency and direct that the defendant be released. If the alleged violation is sustained and the court continues or modifies the sentence, it may extend the sentence up to the period of interruption specified in subdivision two of section 65.15 of the penal law, but any time spent in custody in any correctional institution or juvenile detention facility pursuant to section 410.40 or 410.60 of this article shall be credited against the term of the sentence. Provided further, where the alleged violation is sustained and the court continues or modifies the sentence, the court may also extend the remaining period of probation up to the maximum term authorized by section 65.00 of the penal law. Provided, however, a defendant shall receive credit for the time during which he or she was supervised under the original probation sentence prior to any declaration of delinquency and for any time spent in custody pursuant to this article for an alleged violation of probation.

(b) Notwithstanding paragraph (a) of this subdivision, nothing herein shall authorize the placement of a juvenile for a violation of a condition that would not constitute a crime if committed by an adult unless
the court determines (i) that the juvenile poses a specific imminent threat to public safety and states the reasons for the finding on the record or (ii) the juvenile is on probation for an act that would constitute a violent felony as defined in section 70.02 of the penal law if committed by an adult and the use of graduated sanctions has been exhausted without success.

hundred twenty-five of the penal law, a violent felony offense defined in section 70.02 of the penal law, a class A felony offense defined in the penal law other than a class A felony offense defined in article two hundred twenty of the penal law, or an offense for which registration as a sex offender is required pursuant to article six-C of the correction law.

(b) "Sentencing judge" shall mean the judge who pronounced sentence upon the conviction under consideration, or if that judge is no longer sitting in a court in the jurisdiction in which the conviction was obtained, any other judge who is sitting in the criminal court where the judgment of conviction was entered.

2. If all offenses are offenses with the same classification, the application shall be made to the court in which the defendant was last convicted.

(b) An application shall contain (i) a copy of a certificate of disposition or other similar documentation for any offense for which the defendant has been convicted, or an explanation of why such certificate or other documentation is not available; (ii) a sworn statement of the defendant as to whether he or she has filed, or then intends to file, any application for sealing of any other eligible offense; (iii) a copy of any other such application that has been filed; and (iv) a statement as to the conviction or convictions for which relief is being sought.

(c) A copy of any application for such sealing shall be served upon the district attorney of the county in which the conviction was obtained.
(d) When such application is filed with the court, it shall be assigned to the sentencing judge unless more than one application is filed in which case the application shall be assigned to the county court or the supreme court of the county in which the criminal court is located, who shall request and receive from the division of criminal justice services a fingerprint based criminal history record of the defendant, including any sealed or suppressed records. The division of criminal justice services also shall include a criminal history report, if any, from the federal bureau of investigation regarding any criminal history information that occurred in other jurisdictions. The division is hereby authorized to receive such information from the federal bureau of investigation for this purpose, and to make such information available to the court, which may make this information available to the district attorney and the defendant.

3. The sentencing judge, or county or supreme court shall summarily deny the defendant's application when:

denial pursuant to subdivision three of this section and that the appli-
cation is opposed by the district attorney, the sentencing judge or
county or supreme court shall conduct a hearing on the application in
order to consider any evidence offered by either party that would aid
the sentencing judge in his or her decision whether to seal the records
of the defendant's convictions. No hearing is required if the district
attorney does not oppose the application.

events occasioning the taking into custody appear to involve allegations
that the child committed a delinquent act; provided, however, that such
agency must release the child if:

(a) such events appear to involve only allegations that the child
committed acts that would constitute no more than a violation if commit-
ted by an adult; or

(b) such events appear to involve only allegations that the child
committed acts that would constitute more than a violation but no more
than a misdemeanor if committed by an adult if:
(i) the alleged acts did not result in any physical injury to another person;

(ii) the child does not have any prior adjudications for an act that would constitute a felony if committed by an adult;

(iii) the child has no more than one prior adjudication for an act that would constitute a misdemeanor if committed by an adult and that act also did not result in any physical injury as defined in subdivision nine of section 10.00 of the penal law to another person; and

(iv) the child was assessed at a low risk on the applicable detention risk assessment instrument approved by the office of children and family services unless the agency determines that detention is necessary because the respondent otherwise poses an imminent risk to public safety and states the reasons for such determination in the child's record.

4. If the agency for any reason does not release a child under this section, such child shall be brought before the appropriate family court, or when such family court is not in session, to the most accessible magistrate, if any, designated by the appellate division of the supreme court in the applicable department; provided, however, that if such family court is not in session and if a magistrate is not available, such youth shall be brought before such family court within seventy-two hours or the next day the court is in session, whichever is sooner. Such agency shall thereupon file an application for an order pursuant to section 307.4 and shall forthwith serve a copy of the application upon the appropriate presentment agency. Nothing in this subdivision shall preclude the adjustment of suitable cases pursuant to section 308.1.

§ 66. The section heading and subdivisions 1, 2, 3, 9, 12 and 13 of section 308.1 of the family court act, the section heading and subdivi-

subdivision 2 as amended by section 3 of part V of chapter 55 of the
laws of 2012, are amended to read as follows:

1. [Rules of court for preliminary] Preliminary procedure; adjustment of
cases. 1. [Rules of court shall authorize and determine the circum-
stances under which the] The probation service may confer with any
person seeking to have a juvenile delinquency petition filed, the poten-
tial respondent and other interested persons concerning the advisability
of requesting that a petition be filed in accordance with this section.

2. (a) Except as provided in subdivisions three [and], four, and thir-
teen of this section, the probation service may[, in accordance with
rules of court,] attempt to adjust [suitable cases] a case before a
petition is filed if the probation service determines that the case is
suitable for adjustment based on the assessed level of risk that the
child will commit another act that would constitute a crime as deter-
mined by a validated risk assessment instrument and the extent of any
physical injury to the victim.

(b) If a child is assessed at a low level of risk and the events in
the case appear to involve only allegations that the child committed
acts that would constitute a violation or a misdemeanor if committed by
an adult, the probation service must diligently attempt to adjust the
case. Such attempts may include the use of a juvenile review board
comprised of appropriate community members to work with the child and
his or her family on developing recommended adjustment activities. The
probation service may stop attempting to adjust such a case if it deter-
mines that there is no substantial likelihood that the child will bene-
fit from attempts at adjustment in the time remaining for adjustment or
the time for adjustment has expired.
(c) The inability of the respondent or his or her family to make restitution shall not be a factor in a decision to adjust a case or in a recommendation to the presentment agency pursuant to subdivision six of this section.

(d) The probation service may make an application to the court for a temporary order of protection as part of the adjustment of a case in accordance with section 304.2 of this part.

(e) Nothing in this section shall prohibit the probation service or the court from directing a respondent to obtain employment and to make restitution from the earnings from such employment. Nothing in this section shall prohibit the probation service or the court from directing an eligible person to complete an education reform program in accordance with section four hundred fifty-eight-l of the social services law.

3. The probation service shall not attempt to adjust a case that commenced in family court in which the child has allegedly committed a designated felony act that involves allegations that the child caused physical injury to a person unless [it] the probation service has received the written approval of the court.

9. Efforts at adjustment [pursuant to rules of court] under this section may not extend for a period of more than two months [without], or, for a period of more than four months if the probation service determines that adjustment beyond the first two months is warranted because documented barriers to adjustment exist or changes need to be made to the child's services plan, except upon leave of the court, which may extend the adjustment period for an additional two months.

12. The probation service shall certify to the division of criminal justice services and to the appropriate police department or law enforcement agency whenever it adjusts a case in which the potential
respondent's fingerprints were taken pursuant to section 306.1 in any manner other than the filing of a petition for juvenile delinquency for an act which, if committed by an adult, would constitute a felony, provided, however, in the case of a child [eleven or] twelve years of age, such certification shall be made only if the act would constitute a class A or B felony, or, in the case of a child eleven years of age, such certification shall be made only if the act would constitute a class A-1 felony.

13. The [provisions of this section] probation service shall not [apply] attempt to adjust a case where the petition is an order of removal to the family court pursuant to article seven hundred twenty-five of the criminal procedure law unless it has received the written approval of the court.

§ 67. Paragraph (c) of subdivision 3 of section 311.1 of the family court act, as added by chapter 920 of the laws of 1982, is amended to read as follows:

(c) the fact that the respondent is a person [under sixteen years of] of the necessary age to be a juvenile delinquent at the time of the alleged act or acts;

§ 68. Subdivision 3 of section 320.5 of the family court act is amended by adding a new paragraph (a-1) to read as follows:

(a-1) Notwithstanding paragraph (a) of this subdivision, the court shall not direct detention if:

(i) the events underlying the initial appearance appear to involve only allegations that the child committed acts that would constitute no more than a violation if committed by an adult; or
(ii) such events appear to involve only allegations that the child committed acts that would constitute more than a violation but no more than a misdemeanor if committed by an adult if:

1. the alleged acts did not result in any physical injury as defined in subdivision nine of section 10.00 of the penal law to another person;

2. the respondent does not have any prior adjudications for an act that would constitute a felony if committed by an adult;

3. the respondent has no more than one prior adjudication for an act that would constitute a misdemeanor if committed by an adult and that act did not result in any physical harm to another person; and

4. the respondent was assessed at a low risk on the applicable detention risk assessment instrument approved by the office of children and family services unless the court determines that detention is necessary because the respondent otherwise poses an imminent risk to public safety and states the reasons for such determination in the court order.

§ 69. Paragraphs (a) and (b) of subdivision 5 of section 322.2 of the family court act, paragraph (a) as amended by chapter 41 of the laws of 2010 and paragraph (b) as added by chapter 920 of the laws of 1982, are amended to read as follows:

5. (a) If the court finds that there is probable cause to believe that the respondent committed a felony, it shall order the respondent committed to the custody of the commissioner of mental health or the commissioner of [mental retardation and] persons with developmental disabilities for an initial period not to exceed one year from the date of such order. Such period may be extended annually upon further application to the court by the commissioner having custody or his or her designee. Such application must be made not more than sixty days prior to the expiration of such period on forms that have been prescribed by the
chief administrator of the courts. At that time, the commissioner must
give written notice of the application to the respondent, the counsel
representing the respondent and the mental hygiene legal service if the
respondent is at a residential facility. Upon receipt of such applica-
tion, the court must conduct a hearing to determine the issue of capaci-
ty. If, at the conclusion of a hearing conducted pursuant to this subdi-
vision, the court finds that the respondent is no longer incapacitated,
he or she shall be returned to the family court for further proceedings
pursuant to this article. If the court is satisfied that the respondent
continues to be incapacitated, the court shall authorize continued
custody of the respondent by the commissioner for a period not to exceed
one year. Such extensions shall not continue beyond a reasonable period
of time necessary to determine whether the respondent will attain the
capacity to proceed to a fact finding hearing in the foreseeable future
but in no event shall continue beyond the respondent's eighteenth birth-
day or, if the respondent was at least sixteen years of age when the act
was committed, beyond the respondent's twenty-first birthday.

(b) If a respondent is in the custody of the commissioner upon the
respondent's eighteenth birthday, or if the respondent was at least
sixteen years of age when the act resulting in the respondent's place-
ment was committed, beyond the respondent's twenty-first birthday, the
commissioner shall notify the clerk of the court that the respondent was
in his custody on such date and the court shall dismiss the petition.

§ 70. Subdivisions 1 and 5 of section 325.1 of the family court act,

5 as added by chapter 920 of the laws of 1982, are amended to read as
follows:
1. At the initial appearance, if the respondent denies a charge contained in the petition and the court determines in accordance with the requirements of section 320.5 of this part that the respondent shall be detained for more than three days pending a fact-finding hearing, the court shall schedule a probable-cause hearing to determine the issues specified in section 325.3 of this part.

5. Where the petition consists of an order of removal pursuant to article seven hundred twenty-five of the criminal procedure law, unless the removal was pursuant to subdivision three of section 725.05 of such law and the respondent was not afforded a probable cause hearing pursuant to subdivision two of section 725.20 of such law [for a reason other than his waiver thereof pursuant to subdivision two of section 180.75 of such law], the petition shall be deemed to be based upon a determination that probable cause exists to believe the respondent is a juvenile delinquent and the respondent shall not be entitled to any further inquiry on the subject of whether probable cause exists. After the filing of any such petition the court must, however, exercise independent, de novo discretion with respect to release or detention as set forth in section 320.5 of this part.

§ 71. Paragraph (a) of subdivision 2 of section 352.2 of the family court act, as amended by chapter 880 of the laws of 1985, is amended to read as follows:

(a) In determining an appropriate order the court shall consider the needs and best interests of the respondent as well as the need for protection of the community. If the respondent has committed a designated felony act the court shall determine the appropriate disposition in [accord] accordance with section 353.5 of this part. In all other cases the court shall order the least restrictive available alternative
enumerated in subdivision one of this section which is consistent with
the needs and best interests of the respondent and the need for
protection of the community; provided, however, that the court shall not
direct the placement of a respondent with a commissioner of social
services or the office of children and family services if:
(i) the respondent only committed acts that would constitute no more
than a violation if committed by an adult; or
(ii) the respondent only committed acts that would constitute more

if:
(1) the acts did not result in any physical injury as defined in

that would constitute a felony if committed by an adult;
(3) the respondent has no more than one prior adjudication for an act

act did not result in any physical harm to another person; and
(4) the respondent was assessed at a low risk on the applicable pre-
dispositional risk assessment instrument approved by the office of chil-
dren and family services unless the court determines that such a place-
ment is necessary because the respondent otherwise poses an imminent
risk to public safety and states the reasons for such determination in
the court order.

[7.] (b) All offenders committed or transferred to the office for committing a crime on or after their sixteenth birthday who still have time left on their sentences of imprisonment shall be transferred to the custody of the department of corrections and community supervision for confinement pursuant to the correction law after completing two years of care in office of children and family services facilities unless they are within four months of completing the imprisonment portion of their
sentence and the office determines, in its discretion, on a case-by-case basis that the youth should be permitted to remain with the office for the additional short period of time necessary to enable them to complete their sentence. In making such a determination, the factors the office may consider include, but are not limited to, the age of the youth, the amount of time remaining on the youth's sentence of imprisonment, the level of the youth's participation in the program, the youth's educational and vocational progress, the opportunities available to the youth through the office and through the department, and the length of the youth's post-release supervision sentence. The commissioner of the office of children and family services shall, however, establish and operate temporary release programs at office of children and family services facilities and provide post-release supervision for eligible juvenile offenders and [contract with the department of corrections and community supervision for the provision of parole] provide supervision [services] for temporary releasees and juveniles on post-release supervision. of children and family services, and the term "commissioner" shall mean
the office of children and family services. Time spent in office of
children and family services facilities and in juvenile detention facil-

and to the same extent applicable to inmates of state correctional
facilities.

[8] 7. Whenever a juvenile offender or a juvenile offender adjudi-
cated a youthful offender shall be delivered to the director of [a divi-
sion for youth] an office of children and family services facility
pursuant to a commitment to the [director of the division for youth]
office of children and family services, the officer so delivering such
person shall deliver to such facility director a certified copy of the
sentence received by such officer from the clerk of the court by which
such person shall have been sentenced, a copy of the report of the
probation officer's investigation and report, any other pre-sentence
memoranda filed with the court, a copy of the person's fingerprint
records, a detailed summary of available medical records, psychiatric

[(d) Upon a finding of facts and reasons which support a detention order pursuant to this section, the court shall also determine and state in any order directing detention:

(i) that there is no substantial likelihood that the youth and his or her family will continue to benefit from diversion services and that all available alternatives to detention have been exhausted; and

(ii) whether continuation of the child in the child's home would be contrary to the best interests of the child based upon, and limited to,
the facts and circumstances available to the court at the time of the
hearing held in accordance with this section; and

(iii) where appropriate, whether reasonable efforts were made prior to
the date of the court hearing that resulted in the detention order, to
prevent or eliminate the need for removal of the child from his or her
home or, if the child had been removed from his or her home prior to the
court appearance pursuant to this section, where appropriate, whether
reasonable efforts were made to make it possible for the child to safely
return home; and

(iv) whether the setting of the detention takes into account the prox-
imity to the community in which the person alleged to be or adjudicated
as a person in need of supervision lives with such person's parents or
to which such person will be discharged, and the existing educational
setting of such person and the proximity of such setting to the location

tion may be filed; and
(ii) diligently attempt to prevent the filing of a petition under this article or, after the petition is filed, to prevent the placement of the youth into foster care; and

(iii) assess whether the youth would benefit from residential respite services; and

(iv) assess whether the youth is a sexually exploited child as defined in section four hundred forty-seven-a of the social services law and, if so, whether such youth should be referred to a safe house; and

(v) determine whether alternatives to detention are appropriate to avoid remand of the youth to detention including whether the youth and his or her family should be referred to an available family support center; and

(vi) determine whether an assessment of the youth for substance use disorder by an office of alcoholism and substance abuse services certified provider is necessary when a person seeking to file a petition alleges in such petition that the youth is suffering from a substance use disorder which could make the youth a danger to himself or herself or others. Provided, however, that notwithstanding any other provision of law to the contrary, the designated lead agency shall not be required to pay for all or any portion of the costs of such assessment or for any substance use disorder or detoxification services, except in cases where medical assistance for needy persons may be used to pay for all or any portion of the costs of such assessment or services. The office of alcoholism and substance abuse services shall make a list of its certified providers available to the designated lead agency.

(i) providing, at the first contact, information on the availability of or a referral to services in the geographic area where the youth and his or her family are located that may be of benefit in avoiding the
need to file a petition under this article; including the availability, for up to twenty-one days, of a residential respite program, if the youth and his or her parent or other person legally responsible for his or her care agree, and the availability of other non-residential crisis intervention programs such as a family support center, family crisis counseling or alternative dispute resolution programs or an educational program as defined in section four hundred fifty-eight-l of the social services law.

(f) Efforts to prevent the filing of a petition pursuant to this section may extend until the designated lead agency determines that there is no substantial likelihood that the youth and his or her family will benefit from further attempts. Efforts at diversion pursuant to this section may continue after the filing of a petition where the designated lead agency determines that the youth and his or her family will benefit from further attempts to prevent placement of the youth [from entering foster care] in accordance with section seven hundred fifty-six of this article.

§ 90. Section 739 of the family court act, as amended by chapter 920 of the laws of 1982, subdivision (a) as amended by section 10 of part G of chapter 58 of the laws of 2010, subdivision (c) as added by chapter 145 of the laws of 2000, is amended to read as follows:

§ 739. Release or [detention] referral after filing of petition and prior to order of disposition. [(a)] After the filing of a petition under section seven hundred thirty-two of this part, the court in its discretion may release the respondent [or direct his or her detention]. If the respondent may be a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law, the court may direct the respondent to an available short-term safe
house [as an alternative to detention. However, the court shall not
direct detention unless it finds and states the facts and reasons for so
finding that unless the respondent is detained there is a substantial
probability that the respondent will not appear in court on the return
date and all available alternatives to detention have been exhausted.
(b) Unless the respondent waives a determination that probable cause
exists to believe that he is a person in need of supervision, no
detention under this section may last more than three days (i) unless
the court finds, pursuant to the evidentiary standards applicable to a
hearing on a felony complaint in a criminal court, that such probable
cause exists, or (ii) unless special circumstances exist, in which cases
such detention may be extended not more than an additional three days
exclusive of Saturdays, Sundays and public holidays.
(c) Upon a finding of facts and reasons which support a detention
order pursuant to subdivision (a) of this section, the court shall also
determine and state in any order directing detention:
(i) whether continuation of the respondent in the respondent's home
would be contrary to the best interests of the respondent based upon,
and limited to, the facts and circumstance available to the court at the
time of the court's determination in accordance with this section; and
(ii) where appropriate, whether reasonable efforts were made prior to
the date of the court order directing detention in accordance with this
section, to prevent or eliminate the need for removal of the respondent
from his or her home or, if the respondent had been removed from his or
her home prior to the court appearance pursuant to this section, where
appropriate, whether reasonable efforts were made to make it possible
for the respondent to safely return home].
§ 91. Section 741-a of the family court act, as amended by section 3 of part B of chapter 327 of the laws of 2007, is amended to read as follows:

§ 741-a. Notice and right to be heard. The foster parent caring for [the child] a sexually exploited child placed in accordance with section seven hundred fifty-six of this article or any pre-adoptive parent or relative providing care for the respondent shall be provided with notice of any permanency hearing held pursuant to this article by the social services official. Such foster parent, pre-adoptive parent or relative shall have the right to be heard at any such hearing; provided, however, no such foster parent, pre-adoptive parent or relative shall be construed to be a party to the hearing solely on the basis of such notice and right to be heard. The failure of the foster parent, pre-adoptive parent, or relative caring for the child to appear at a permanency hearing shall constitute a waiver of the right to be heard and such failure to appear shall not cause a delay of the permanency hearing nor shall such failure to appear be a ground for the invalidation of any order issued by the court pursuant to this section.

§ 92. Section 747 of the family court act is REPEALED.

§ 93. Section 748 of the family court act is REPEALED.

§ 94. Subdivision (b) of section 749 of the family court act, as amended by chapter 806 of the laws of 1973, is amended to read as follows:

(b) On its own motion, the court may adjourn the proceedings on conclusion of a fact-finding hearing or during a dispositional hearing to enable it to make inquiry into the surroundings, conditions and capacities of the respondent. An [adjournment on the court's motion may not be for a period of more than ten days if the respondent is detained,
in which case not more than a total of two such adjournments may be
granted in the absence of special circumstances. If the respondent is
not detained, an] adjournment may be for a reasonable time, but the
total number of adjourned days may not exceed two months.
§ 95. Paragraph (a) of subdivision 2 of section 754 of the family
court act, as amended by chapter 7 of the laws of 1999, subparagraph
(ii) of paragraph (a) as amended by section 20 of part L of chapter 56
of the laws of 2015, is amended to read as follows:
(a) The order shall state the court's reasons for the particular
disposition. If the court places the child in accordance with section
seven hundred fifty-six of this part, the court in its order shall
determine: (i) whether continuation in the child's home would be contra-
ry to the best interest of the child and where appropriate, that reason-
able efforts were made prior to the date of the dispositional hearing
held pursuant to this article to prevent or eliminate the need for
removal of the child from his or her home and, if the child was removed
from his or her home prior to the date of such hearing, that such
removal was in the child's best interest and, where appropriate, reason-
able efforts were made to make it possible for the child to return safe-
ly home. If the court determines that reasonable efforts to prevent or
eliminate the need for removal of the child from the home were not made
but that the lack of such efforts was appropriate under the circum-
stances, the court order shall include such a finding; and (ii) in the
case of a child who has attained the age of fourteen, the services need-
ed, if any, to assist the child to make the transition from foster care
to independent living. [Nothing in this subdivision shall be construed
to modify the standards for directing detention set forth in section
seven hundred thirty-nine of this article.]
§ 96. Section 756 of the family court act, as amended by chapter 920 of the laws of 1982, paragraph (i) of subdivision (a) as amended by chapter 309 of the laws of 1996, the opening paragraph of paragraph (ii) of subdivision (a) as amended by section 11 of part G of chapter 58 of the laws of 2010, subdivision (b) as amended by chapter 7 of the laws of 1999, and subdivision (c) as amended by section 10 of part E of chapter 57 of the laws of 2005, is amended to read as follows:

§ 756. Placement. (a) (i) For purposes of section seven hundred fifty-four, the court may place the child in its own home or in the custody of a suitable relative or other suitable private person [or a commissioner of social services], subject to the orders of the court.

(ii) [Where the child is placed] If the court finds that the respondent is a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law, the court may place the child with the commissioner of the local social services district[, the court] and may direct the commissioner to place the child with an authorized agency or class of authorized agencies, including[, if the court finds that the respondent is a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law,] an available long-term safe house. Unless the dispositional order provides otherwise, the court so directing shall include one of the following alternatives to apply in the event that the commissioner is unable to so place the child:

(1) the commissioner shall apply to the court for an order to stay, modify, set aside, or vacate such directive pursuant to the provisions of section seven hundred sixty-two or seven hundred sixty-three; or

(2) the commissioner shall return the child to the family court for a new dispositional hearing and order.
Placements under this section may be for an initial period of twelve months. The court may extend a placement pursuant to section seven hundred fifty-six-a. In its discretion, the court may recommend restitution or require services for public good pursuant to section seven hundred fifty-eight-a in conjunction with an order of placement. For the purposes of calculating the initial period of placement, such placement shall be deemed to have commenced sixty days after the date the child was removed from his or her home in accordance with the provisions of this article. [If the respondent has been in detention pending disposition, the initial period of placement ordered under this section shall be credited with and diminished by the amount of time spent by the respondent in detention prior to the commencement of the placement unless the court finds that all or part of such credit would not serve the best interests of the respondent.]

A placement pursuant to this section with the commissioner of social services shall not be directed in any detention facility, but the court may direct detention pending transfer to a placement authorized and ordered under this section for no more than than fifteen days after such order of placement is made. Such direction shall be subject to extension pursuant to subdivision three of section three hundred ninety-eight of the social services law, upon written documentation to the office of children and family services that the youth is in need of specialized treatment or placement and the diligent efforts by the commissioner of social services to locate an appropriate placement.]

[3-a. As to delinquent children:

(a)] (d) (1) Conditionally release any juvenile delinquent placed with the district to aftercare whenever the district determines conditional release to be consistent with the needs and best interests of such juvenile delinquent, that suitable care and supervision can be provided, and that there is a reasonable probability that such juvenile delinquent can be conditionally released without endangering public safety; provided, however, that such conditional release shall be made in accordance with the regulations of the office of children and family services, and provided further that no juvenile delinquent while absent from a facility or program without the consent of the director of such facility or program shall be conditionally released by the district solely by reason of the absence.
