The People of the State of New York, represented in Senate and Assembly, do enact as follows:

...
Section 1. This act enacts into law major components of legislation relating to Good Government and Ethics Reform. Each component is wholly contained within a Part identified as Parts A through H. The effective date for each particular provision contained within such Part is set forth in the last section of such Part. Any provision in any section contained within a Part, including the effective date of the Part, which makes reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Part in which it is found. Section three of this act sets forth the general effective date of this act.

PART A

Section 1. Section 14-116 of the election law, subdivision 1 as redesignated by chapter 9 of the laws of 1978 and subdivision 2 as amended by chapter 260 of the laws of 1981, is amended to read as follows:

§ 14-116. Political contributions by certain organizations. 1. No corporation [or], limited liability company, joint-stock association or other corporate entity doing business in this state, except a corporation or association organized or maintained for political purposes only, shall directly or indirectly pay or use or offer, consent or agree to pay or use any money or property for or in aid of any political party, committee or organization, or for or in aid of, any candidate for political office or for nomination for such office, or for any political purpose whatever, or for the reimbursement or indemnification of any person for moneys or property so
used. Any officer, director, stock-holder, member, owner, attorney or
agent of any corporation [or], limited liability company, joint-stock
association or other corporate entity which violautes any of the
provisions of this section, who participates in, aids, abets or advises
or consents to any such violations, and any person who solicits or know-
ingly receives any money or property in violation of this section, shall
be guilty of a misdemeanor.

2. Notwithstanding the provisions of subdivision one of this section,
y any corporation or an organization financially supported in whole or in
part, by such corporation, any limited liability company or other corpo-
rate entity may make expenditures, including contributions, not other-
wise prohibited by law, for political purposes, in an amount not to
exceed five thousand dollars in the aggregate in any calendar year;
provided that no public utility shall use revenues received from the
rendition of public service within the state for contributions for poli-
tical purposes unless such cost is charged to the shareholders of such a
public service corporation.

3. Each limited liability company that makes an expenditure for poli-
tical purposes shall file with the state board of elections, by December
thirty-first of the year in which the expenditure is made, on the form
prescribed by the state board of elections, the identity of all direct
and indirect owners of the membership interests in the limited liability
company and the proportion of each direct or indirect member's ownership
interest in the limited liability company.

§ 2. Section 14-120 of the election law is amended by adding a new
subdivision 3 to read as follows:

3. (a) Notwithstanding any law to the contrary, all contributions made
to a campaign or political committee by a limited liability company
shall be attributed to each member of the limited liability company in proportion to the member's ownership interest in the limited liability company.

(b) If, by application of paragraph (a) of this subdivision, a campaign contribution is attributed to a limited liability company, the contributions shall be further attributed to each member of the limited liability company in proportion to the member's ownership interest in the limited liability company.

(c) The state board of elections shall enact regulations that prevent the avoidance of the rules set forth in paragraphs (a) and (b) of this subdivision.

§ 3. This act shall take effect immediately.

PART B

Section 1. The legislative law is amended by adding a new section 5-b to read as follows:

§ 5-b. Limit on outside earned income for members. 1. A member of the legislature receiving a salary for legislative work from the state of New York shall be permitted to earn outside income each year for performing fee for service activities and compensated outside activities in an amount totaling no greater than fifteen percent of the member base compensation set forth in subdivision one of section five of this article. Compliance with the limit on outside earned income described in this section shall be a condition precedent to receiving a salary for legislative activities from the state of New York, and voting as a member of the legislature of the state of New York.
2. a. For purposes of this section, the term "outside earned income" shall include, but not be limited to, wages, salaries, fees and other forms of compensation for services actually rendered.

b. For the purposes of this section, the term "outside earned income" shall not include:

   (1) salary, benefits and allowances paid by the state;

   (2) income and allowances attributable to service in the reserves of the armed forces of the United States, national guard or other active military service;

   (3) royalties from the sale of a book, artistic performance or other intellectual property; provided, however, that no advance fees shall be permitted; or

   (4) a pension, investment, capital gains or other earnings accrued from prior employment or actual services rendered prior to the member taking office.

3. A member of the legislature who knowingly and willfully violates the provisions of this section shall be subject to a civil penalty in an amount not to exceed fifty thousand dollars. Assessment of a civil penalty shall be made by the joint commission on public ethics. Such commission may, in lieu of or in addition to a civil penalty, refer a violation to the appropriate prosecutor.

4. Willful violation of the provisions of this section is punishable as a class A misdemeanor.

§ 2. This act shall take effect January 1, 2017.
Section 1. Section 14-100 of the election law is amended by adding two new subdivisions 15 and 16 to read as follows:

15. "intermediary" means an individual, corporation, partnership, political committee, labor organization, or other entity which, other than in the regular course of business as a postal, delivery, or messenger service, delivers any contribution from another person or entity to a candidate or an authorized committee.

"Intermediary" shall not include spouses, parents, children, or siblings of the person making such contribution.

16. "authorized committee" means the single political committee designated by a candidate to receive all contributions authorized by this title.

§ 2. Subdivision 1 of section 14-102 of the election law, as amended by chapter 8 and as redesignated by chapter 9 of the laws of 1978, is amended to read as follows:

1. The treasurer of every political committee which, or any officer, member or agent of any such committee who, in connection with any election, receives or expends any money or other valuable thing or incurs any liability to pay money or its equivalent shall file statements sworn, or subscribed and bearing a form notice that false statements made therein are punishable as a class A misdemeanor pursuant to section 210.45 of the penal law, at the times prescribed by this [article] title setting forth all the receipts, contributions to and the expenditures by and liabilities of the committee, and of its officers, members and agents in its behalf. Such statements shall include the dollar amount of any receipt, contribution or transfer, or the fair market value of any receipt, contribution or transfer, which is other than of money, the name and address of the transferor, contributor,
intermediary, or person from whom received, and if the transferor, contributor, intermediary, or person is a political committee; the name of and the political unit represented by the committee, the date of its receipt, the dollar amount of every expenditure, the name and address of the person to whom it was made or the name of and the political unit represented by the committee to which it was made and the date thereof, and shall state clearly the purpose of such expenditure. An intermediary need not be reported for a contribution that was collected from a contributor in connection with a party or other candidate-related event held at the residence of the person delivering the contribution, unless the expenses of such event at such residence for such candidate exceed five hundred dollars or the aggregate contributions received from that contributor at such event exceed five hundred dollars. Any statement reporting a loan shall have attached to it a copy of the evidence of indebtedness. Expenditures in sums under fifty dollars need not be specifically accounted for by separate items in said statements, and receipts and contributions aggregating not more than ninety-nine dollars, from any one contributor need not be specifically accounted for by separate items in said statements, provided however, that such expenditures, receipts and contributions shall be subject to the other provisions of section 14-118 of this [article] title.

§ 3. Subdivision 3 of section 14-124 of the election law, as amended by chapter 71 of the laws of 1988, is amended to read as follows:

3. The contribution and receipt limits of this article shall not apply to monies received and expenditures made by a party committee or constituted committee to maintain a permanent headquarters and staff and carry on ordinary activities which are not for the express purpose of promoting the candidacy of specific candidates, except that contributions made
for such activities to a party committee or constituted committee shall
be limited to twenty-five thousand dollars in the aggregate from each
contributor in each year.

§ 4. Subdivision 2 of section 14-108 of the election law, as amended
by chapter 109 of the laws of 1997, is amended to read as follows:

2. Each statement shall cover the period up to and including the
fourth day next preceding the day specified for the filing thereof; the receipt of any contribution or loan in
excess of one thousand dollars shall be disclosed within sixty days of
receipt. Such submissions shall be reported in the same manner as any
other contribution or loan on the next applicable statement. However,
any contribution or loan in excess of one thousand dollars, if received
after the close of the period to be covered in the last statement filed
before any primary, general or special election but before such
election, shall be reported, in the same manner as other contributions,
within twenty-four hours after receipt.

§ 5. The article heading of article 14 of the election law is amended
to read as follows:

dollars nor] more than [twelve] six thousand dollars [as increased or
decreased by the cost of living adjustment described in paragraph c of
this subdivision,] and (ii) in the case of any election to [a] such
public office, [twenty-five] six thousand dollars [as increased or
decreased by the cost of living adjustment described in paragraph c of

no such candidate or political committee may accept any contribution from any contributor, which is in the aggregate amount greater than:

(i) in the case of any nomination to public office, the product of the total number of enrolled voters in the candidate's party in the state, excluding voters in inactive status, multiplied by $.005, but such amount shall be not less than four thousand dollars nor more than ten thousand dollars, and

case of a nomination or election of a member of the assembly, delegate-
at-large to a convention to revise and amend the state constitution, or
district delegate to a convention to revise and amend the state constit-

in no event shall any such maximum exceed one hundred thousand dollars.

e. At the beginning of each fourth calendar year, commencing in [nine-
ten thousand ninety-five] two thousand twenty-one, the state board shall
determine the percentage of the difference between the most recent
available monthly consumer price index for all urban consumers published
by the United States bureau of labor statistics and such consumer price
index published for the same month four years previously. The amount of
each contribution limit fixed and expressly identified for adjustment in
this subdivision shall be adjusted by the amount of such percentage
difference to the closest one hundred dollars by the state board which,
not later than the first day of February in each such year, shall issue
a regulation publishing the amount of each such contribution limit. Each
contribution limit as so adjusted shall be the contribution limit in
effect for any election held before the next such adjustment.

f. Each party or constituted committee may transfer to, or spend to
elect or oppose a candidate, or transfer to another party or constituted
committee, no more than five thousand dollars per election, except that
such committee may in addition to such transfers or expenditures:
(i) in a general or special election transfer to, or spend to elect or
oppose a candidate, no more than five hundred dollars received from each
contributor; and
(ii) in any election spend without limitation for non-candidate
expenditures not designed or intended to elect a particular candidate or
candidates.
g. Notwithstanding any other contribution limit in this section, participating candidates as defined in subdivision fourteen of section 14-200-a of this article may contribute, out of their own money, three times the applicable contribution limit to their own authorized committee.

10. [a.] No contributor may make a contribution to a party or constituted committee and no such committee may accept a contribution from any contributor which, in the aggregate, is greater than [sixty-two thousand five hundred] twenty-five thousand dollars per annum.

[b. At the beginning of each fourth calendar year, commencing in nineteen hundred ninety-five, the state board shall determine the percentage of the difference between the most recent available monthly consumer price index for all urban consumers published by the United States bureau of labor statistics and such consumer price index published for the same month four years previously. The amount of such contribution limit fixed in paragraph a of this subdivision shall be adjusted by the amount of such percentage difference to the closest one hundred dollars by the state board which, not later than the first day of February in each such year, shall issue a regulation publishing the amount of such contribution limit. Such contribution limit as so adjusted shall be the contribution limit in effect for any election held before the next such adjustment.]

§ 7. Sections 14-100 through 14-130 of the election law are designated Title I and a new title heading is added to read as follows:

CAMPAIGN RECEIPTS AND EXPENDITURES
§ 8. Article 14 of the election law is amended by adding a new title II to read as follows:

TITLE II

PUBLIC FINANCING

Section 14-200. Legislative findings and intent.

14-201. Reporting requirements.

14-203. Proof of compliance.

14-204. Eligibility.

14-205. Limits on public financing.

14-206. Payment of public matching funds.

14-207. Use of public matching funds; qualified campaign expenditures.

14-208. Powers and duties of the board.

14-209. Audits and repayments.

14-210. Enforcement and penalties for violations and other proceedings.

14-211. Reports.

14-212. Debates for candidates for statewide office.

14-213. Severability.

§ 14-200. Legislative findings and intent. The legislature finds that reform of New York state's campaign finance system is crucial to improving public confidence in the state's democratic processes and continuing to ensure a government that is accountable to all of the voters of the state regardless of wealth or position. The legislature finds that New York's current system of campaign finance, with its large contributions to candidates for office and party committees, has created the potential
for and the appearance of corruption. The legislature further finds
that, whether or not this system creates actual corruption, the appearance of such corruption can give rise to a distrust in government and citizen apathy that undermine the democratic operation of the political process.

The legislature also finds that the high cost of running for office in New York discourages qualified candidates from running for office and creates an electoral system that encourages candidates to spend too much time raising money rather than attending to the duties of their office, representing the needs of their constituents, and communicating with voters.

The legislature amends this chapter creating a new title two to article fourteen of this chapter to reduce the possibility and appearance that special interests exercise undue influence over state officials; to increase the actual and apparent responsiveness of elected officials to all voters; to encourage qualified candidates to run for office; and to reduce the pressure on candidates to spend large amounts of time raising large contributions for their campaigns.

The legislature finds that this article's limitations on contributions further the government's interest in reducing real and apparent corruption and in building trust in government. The legislature finds that the contribution levels are sufficiently high to allow candidates and political parties to raise enough money to run effective campaigns. In addition, the legislature finds that graduated contribution limitations reflect the campaign needs of candidates for different offices.

The legislature also finds that the system of voluntary public financing furthers the government's interest in encouraging qualified candidates to run for office. The legislature finds that the voluntary public
funding program will enlarge the public debate and increase participation in the democratic process. In addition, the legislature finds that the voluntary expenditure limitations and matching fund program reduce the burden on candidates and officeholders to spend time raising money for their campaigns.

Therefore, the legislature declares that these amendments further the important and valid government interests of reducing voter apathy, building confidence in government, reducing the reality and appearance of corruption, and encouraging qualified candidates to run for office, while reducing candidates' and officeholders' fundraising burdens.

2. Only one authorized committee per candidate per elective office sought. Before receiving any contribution or making any expenditure for a covered election, each candidate shall notify the board as to the existence of his or her authorized committee that has been approved by such candidate. Each candidate shall have one and only one authorized committee per elective office sought. Each authorized committee shall have a treasurer and is subject to the restrictions found in section 14-112 of this article.

3. (a) Detailed reporting. In addition to each authorized and political committee reporting to the board every contribution and loan received and every expenditure made in the time and manner prescribed by sections 14-102, 14-104 and 14-108 of this article, each authorized and political committee shall also submit disclosure reports on March fifteenth and May fifteenth of each election year reporting to the board every contribution and loan received and every expenditure made. For contributors who make contributions of five hundred dollars or more, each authorized and political committee shall report to the board the occupation, and business address of each contributor, lender, and intermediary. The board shall revise, prepare and post forms on its webpage that facilitate compliance with the requirements of this section.

(b) Board review. The board shall review each disclosure report filed and shall inform authorized and political committees of relevant questions it has concerning: (i) compliance with requirements of this title and of the rules issued by the board; and (ii) qualification for receiving public matching funds pursuant to this title. In the course of this review, it shall give authorized and political committees an opportunity
to respond to and correct potential violations and give candidates an opportunity to address questions it has concerning their matchable contribution claims or other issues concerning eligibility for receiving public matching funds pursuant to this title. Nothing in this paragraph shall preclude the chief enforcement counsel from subsequently reviewing such disclosure reports and taking any action otherwise authorized under this title.

(c) Itemization. Contributions that are not itemized in reports filed with the board shall not be matchable.

(d) Option to file more frequently. Participating candidates may file reports of contributions as frequently as once a week on Monday so that their matching funds may be paid at the earliest allowable date.

§ 14-203. Proof of compliance. Authorized and political committees shall maintain such records of receipts and expenditures for a covered election as required by the board. Authorized and political committees shall obtain and furnish to the board any information it may request relating to financial transactions or contributions and furnish such documentation and other proof of compliance with this title as may be requested. In compliance with section 14-108 of this article, authorized and political committees shall maintain copies of such records for a period of five years.

§ 14-204. Eligibility. 1. Terms and conditions. To be eligible for voluntary public financing under this title, a candidate must:

(a) be a candidate in a covered election;
(b) meet all the requirements of law to have his or her name on the ballot;

c) in the case of a covered general or special election, be opposed by another candidate on the ballot who is not a write-in candidate;

d) submit a certification in the form of an affidavit, in such form as may be prescribed by the board, that sets forth his or her acceptance of and agreement to comply with the terms and conditions for the provision of such funds in each covered election and such certification shall be submitted at least four months before the election pursuant to a schedule promulgated by the board;

e) be certified as a participating candidate by the board;

f) not make, and not have made, expenditures from or use his or her personal funds or property or the personal funds or property jointly held with his or her spouse, or unemancipated children in connection with his or her nomination election or election to a covered office, but may make a contribution to his or her authorized committee in an amount that does not exceed three times the applicable contribution limit from an individual contributor to candidates for the office that he or she is seeking;

g) meet the threshold for eligibility set forth in subdivision two of this section;

h) continue to abide by all requirements during the post-election period;

i) agree not to expend for campaign purposes any portion of any pre-existing funds raised for any public office or party position prior to the first day of the election cycle for which the candidate seeks certification. Nothing in this paragraph shall be construed to limit, in any way, any candidate or public official from expending any portion of
pre-existing campaign funds for any lawful purpose other than those
related to his or her campaign; and

(j) not have accepted contributions in amounts exceeding the contrib-
ution limits set forth for participating candidates in paragraphs a and
b of subdivision one of section 14-114 of this article during the
election cycle for which the candidate seeks certification;

(i) Provided however, that, if a candidate accepted contributions
exceeding such limits before certification, such acceptance shall not
prevent the candidate from being certified by the board if the candidate
immediately pays to the fund or returns to the contributor the portion
of any contribution that exceeded the applicable contribution limit.

(ii) If the candidate is unable to return such funds immediately
because they have already been spent, acceptance of contributions
exceeding the limits shall not prevent the candidate from being certi-
fied by the board if the candidate submits an affidavit agreeing to pay
to the fund all portions of any contributions that exceeded the limit no
later than thirty days before the general election. If a candidate
provides the board with such an affidavit, any disbursement of public
funds to the candidate made under section 14-206 of this title shall be
reduced by no more than twenty-five percent until the total amount owed
by the candidate is repaid.

(iii) Nothing in this section shall be interpreted to require a candi-
date who retains funds raised during a previous election cycle to
forfeit such funds. Funds raised during a previous election cycle may be
retained, but only if the candidate places the funds in escrow.

(iv) Contributions received and expenditures made by the candidate or
an authorized committee of the candidate prior to the effective date of
this title shall not constitute a violation of this title. Unexpended
contributions shall be treated the same as campaign surpluses under subparagraph (iii) of this paragraph.

2. Threshold for eligibility. (a) The threshold for eligibility for public funding for participating candidates shall be in the case of:

   (i) Governor, not less than six hundred fifty thousand dollars in matchable contributions including at least six thousand five hundred seventy-five dollars per contributor, from residents of New York state;

   (ii) Lieutenant governor, attorney general, and comptroller, not less than two hundred thousand dollars in matchable contributions including at least two thousand matchable contributions comprised of sums between ten and one hundred seventy-five dollars per contributor, from residents of New York state;

(b) Any participating candidate meeting the threshold for eligibility in a primary election for one of the foregoing offices shall be deemed
to have met the threshold for eligibility for such office in any other
subsequent election held in the same calendar year.

§ 14-205. Limits on public financing. The following limitations apply
to the total amounts of public funds that may be provided to a partic-
ipating candidate's authorized committee for an election cycle:

1. In any primary election, receipt of public funds by participating
candidates and by their participating committees shall not exceed:

(i) for governor, the sum of eight million dollars;
(ii) for lieutenant governor, comptroller or attorney general, the sum
of four million dollars;
(iii) for senator, the sum of three hundred seventy-five thousand
dollars;
(iv) for member of the assembly, delegate-at-large to a convention to
revise and amend the state constitution, or district delegate to a
convention to revise and amend the state constitution, the sum of one
hundred seventy-five thousand dollars.

2. In any general or special election, receipt of public funds by a
participating candidate's authorized committees shall not exceed the
following amounts:

Comptroller $4,000,000
Member of senate $375,000
Member of assembly, delegate-at-large to a
convention to revise and amend the state
congressional districts $175,000
3. No participating candidate for nomination for an office who is not opposed by a candidate on the ballot in a primary election shall be entitled to payment of public matching funds, except that, where there is a contest in such primary election for the nomination of at least one of the two political parties with the highest and second highest number of enrolled members for such office, a participating candidate who is unopposed in the primary election may receive public funds before the primary election, for expenses incurred on or before the date of such primary election, in an amount equal to up to half the sum set forth in paragraph one of this section.

§ 14-206. Payment of public matching funds. 1. Determination of eligibility. No public matching funds shall be paid to an authorized committee unless the board determines that the participating candidate has met the eligibility requirements of this title. Payment shall not exceed the amounts specified in subdivision two of this section, and shall be made only in accordance with the provisions of this title. Such payment may be made only to the participating candidate's authorized committee. No public matching funds shall be used except as reimbursement or payment for qualified campaign expenditures actually and lawfully incurred or to repay loans used to pay qualified campaign expenditures.

2. Calculation of payment. If the threshold for eligibility is met, the participating candidate's authorized committee shall receive payment for qualified campaign expenditures of six dollars of public matching funds for each one dollar of matchable contributions, for the first one hundred seventy-five dollars of eligible private funds per contributor, obtained and reported to the board in accordance with the provisions of
this title. The maximum payment of public matching funds shall be limited to the amounts set forth in section 14-205 of this title for the covered election.

3. Timing of payment. The board shall make any payment of public matching funds to participating candidates as soon as is practicable. But in all cases, it shall verify eligibility for public matching funds within four days, excluding weekends and holidays, of receiving a campaign contribution report filed in compliance with section 14-104 of this article. Within two days of determining that a candidate for a covered office is eligible for public matching funds, it shall authorize payment of the applicable matching funds owed to the candidate. However, it shall not make any payments of public money earlier than the earliest dates for making such payments as provided by this title. If any of such payments would require payment on a weekend or federal holiday, payment shall be made on the next business day.

4. Electronic funds transfer. The board shall, in consultation with the office of the comptroller, promulgate rules to facilitate electronic funds transfers directly from the campaign finance fund into an authorized committee's bank account.

5. Irregularly scheduled elections. Notwithstanding any other provision of this title, the board shall promulgate rules to provide for the prompt issuance of public matching funds to eligible participating candidates for qualified campaign expenditures in the case of any other covered election held on a day different from that than originally scheduled including special elections. But in all cases, the board shall (a) within four days, excluding weekends and holidays, of receiving a report of contributions from a candidate for a covered office claiming eligibility for public matching funds verify that candidate's eligibility for
public matching funds; and (b) within two days of determining that the
candidate for a covered office is eligible for public matching funds, it
shall authorize payment of the applicable matching funds owed to the
candidate.

§ 14-207. Use of public matching funds; qualified campaign expendi-
tures. 1. Public matching funds provided under the provisions of this
title may be used only by an authorized committee for expenditures to
further the participating candidate's nomination for election or
election, including paying for debts incurred within one year prior to
an election to further the participating candidate's nomination for
election or election.

2. Such public matching funds may not be used for:
(a) an expenditure in violation of any law;
(b) an expenditure in excess of the fair market value of services,
materials, facilities or other things of value received in exchange;
(c) an expenditure made after the candidate has been finally disquali-
fied from the ballot;
(d) an expenditure made after the only remaining opponent of the
candidate has been finally disqualified from the general or special
election ballot;
(e) an expenditure made by cash payment;
(f) a contribution or loan or transfer made to or expenditure to
support another candidate or political committee or party, committee or
constituted committee;
(g) an expenditure to support or oppose a candidate for an office
other than that which the participating candidate seeks;
(h) gifts, except brochures, buttons, signs and other printed campaign
material;
(i) legal fees to defend against a criminal charge;

(ii) payments to immediate family members of the participating candidate; or

(k) any expenditure made to challenge the validity of any petition of designation or nomination or any certificate of nomination, acceptance, authorization, declination or substitution.

§ 14-208. Powers and duties of the board. 1. Advisory opinions. The board shall render advisory opinions with respect to questions arising under this title upon the written request of a candidate, an officer of a political committee or member of the public, or upon its own initiative. The board shall promulgate rules regarding reasonable times to respond to such requests. The board shall make public the questions of interpretation for which advisory opinions will be considered by the board and its advisory opinions, including by publication on its webpage with identifying information redacted as the board determines to be appropriate.

2. Public information and candidate education. The board shall develop a program for informing candidates and the public as to the purpose and effect of the provisions of this title, including by means of a webpage. The board shall prepare in plain language and make available educational materials, including compliance manuals and summaries and explanations of the purposes and provisions of this title. The board shall prepare or have prepared and make available materials, including, to the extent feasible, computer software, to facilitate the task of compliance with the disclosure and record-keeping requirements of this title.

3. Rules and regulations. The board shall have the authority to promulgate such rules and regulations and provide such forms as it deems necessary for the administration of this title.
4. Database. The board shall develop an interactive, searchable computer database that shall contain all information necessary for the proper administration of this title including information on contributions to and expenditures by candidates and their authorized committee, independent expenditures in support or opposition of candidates for covered offices, and distributions of moneys from the fund. Such database shall be accessible to the public on the board's webpage.

5. The board shall work with the chief enforcement counsel to enforce this section.

§ 14-209. Audits and repayments. 1. Audits. The board shall audit and examine all matters relating to the proper administration of this title and shall complete such audit no later than two years after the election in question. Every candidate who receives public funds under this title shall be audited by the board. The cost of complying with a post-election audit shall be borne by the candidate's authorized committee using public funds, private funds or any combination of such funds. Candidates who run in any primary or general election must maintain a reserve of three percent of the public funds received to comply with the post-election audit. The board shall issue to each campaign audited a final audit report that details its findings.

2. Repayments. (a) If the board determines that any portion of the payment made to a candidate's authorized committee from the fund was in excess of the aggregate amount of payments that such candidate was eligible to receive pursuant to this title, it shall notify such committee and such committee shall pay to the board an amount equal to the amount of excess payments. Provided, however, that if the erroneous payment was the result of an error by the board, then the erroneous payment will be deducted from any future payment, if any, and if no
payment is to be made then neither the candidate nor the committee shall
be liable to repay the excess amount to the board. The candidate, the
treasurer and the candidate's authorized committee are jointly and
severely liable for any repayments to the board.

(b) If the board determines that any portion of the payment made to a
candidate's authorized committee from the fund was used for purposes
other than qualified campaign expenditures and such expenditures were
not approved by the board, it shall notify such committee of the amount
so disqualified and such committee shall pay to the board an amount
equal to such disqualified amount. The candidate, the treasurer and the
candidate's authorized committee are jointly and severely liable for
any repayments to the board.

(c) If the total of payments from the fund received by a participating
candidate and his or her authorized committee exceed the total campaign
expenditures of such candidate and authorized committee for all covered
elections held in the same calendar year or for a special election to
fill a vacancy, such candidate and committee shall use such excess funds
to reimburse the fund for payments received by such authorized committee
from the fund during such calendar year or for such special election.
Participating candidates shall pay to the board unspent public campaign
funds from an election not later than twenty-seven days after all
liabilities for the election have been paid and in any event, not later
than the day on which the board issues its final audit report for the
participating candidate's authorized committee; provided, however, that
all unspent public campaign funds for a participating candidate shall be
immediately due and payable to the board upon a determination by the
board that the participant has delayed the post-election audit. A
participating candidate may make post-election expenditures with public
funds only for routine activities involving nominal cost associated with winding up a campaign and responding to the post-election audit. Nothing in this title shall be construed to prevent a candidate or his or her authorized committee from using campaign contributions received from private contributors for otherwise lawful expenditures.

3. Rules and regulations. The board shall promulgate regulations for the certification of the amount of funds payable by the comptroller, from the fund established pursuant to section ninety-two-t of the state finance law, to a participating candidate that has qualified to receive such payment. These regulations shall include the promulgation and distribution of forms on which contributions and expenditures are to be reported, the periods during which such reports must be filed and the verification required. The board shall institute procedures which will make possible payment by the fund within four business days after receipt of the required forms and verifications.

§ 14-210. Enforcement and penalties for violations and other proceedings. 1. Civil penalties. Violations of any provision of this title or rule promulgated pursuant to this title shall be subject to a civil penalty in an amount not in excess of fifteen thousand dollars.

2. Notice of violation and opportunity to contest. The board shall:

(a) determine whether a violation of any provision of this title or rule promulgated hereunder has been committed;

(b) give written notice and the opportunity to contest before an independent hearing officer to each person or entity it has reason to believe has committed a violation; and

(c) if appropriate, assess penalties for violations, following such notice and opportunity to contest.
3. Criminal conduct. Any person who knowingly and willfully furnishes or submits false statements or information to the board in connection with its administration of this title, shall be guilty of a misdemeanor in addition to any other penalty as may be imposed under this chapter or pursuant to any other law. The chief enforcement counsel shall seek to recover any public matching funds obtained as a result of such criminal conduct.

4. Proceedings as to public financing. (a) The determination of eligibility pursuant to this title and any question or issue relating to payments for campaign expenditures pursuant to this title may be contested in a proceeding instituted in the Supreme court, Albany county, by any aggrieved candidate.

(b) A proceeding with respect to such a determination of eligibility or payment for qualified campaign expenditures pursuant to this chapter shall be instituted within fourteen days after such determination was made. The board shall be made a party to any such proceeding.

(c) Upon the board's failure to receive the amount due from a participating candidate or such candidate's authorized committee after the issuance of written notice of such amount due, as required by this title, the chief enforcement counsel is authorized to institute a special proceeding or civil action in Supreme Court, Albany county, to obtain a judgment for any amounts determined to be payable to the board as a result of an examination and audit made pursuant to this title or to obtain such amounts directly from the candidate or authorized committee after a hearing at the board.

(d) The chief enforcement counsel is authorized to institute a special proceeding or civil action in Supreme Court, Albany county, to obtain a judgment for civil penalties determined to be payable to the board.
pursuant to this title or to impose such penalty directly after a hearing at the board.

§ 14-211. Reports. The board shall review and evaluate the effect of this title upon the conduct of election campaigns and shall submit a report to the legislature on or before January first, two thousand twenty, and every third year thereafter, and at any other time upon the request of the governor and at such other times as the board deems appropriate. These reports shall include:

1. a list of the participating and nonparticipating candidates in covered elections and the votes received by each candidate in those elections;

2. the amount of contributions and loans received, and expenditures made, on behalf of these candidates;

3. the amount of public matching funds each participating candidate received, spent, and repaid pursuant to this title;

4. analysis of the effect of this title on political campaigns, including its effect on the sources and amounts of private financing, the level of campaign expenditures, voter participation, the number of candidates, the candidates' ability to campaign effectively for public office, and the diversity of candidates seeking and elected to office;

and

5. recommendations for amendments to this title, including changes in contribution limits, thresholds for eligibility, and any other features of the system.

§ 14-212. Debates for candidates for statewide office. The board shall promulgate regulations to facilitate debates among participating candidates who seek election to statewide office. Participating candidates are required to participate in one debate before each election for
which the candidate receives public funds, unless the participating
candidate is running unopposed. Nonparticipating candidates may partic-
ipate in such debates.

§ 14-213. Severability. If any clause, sentence, subdivision, para-
graph, section or part of this title be adjudged by any court of compe-
tent jurisdiction to be invalid, such judgment shall not affect, impair
or invalidate the remainder thereof, but shall be confined in its opera-
tion to the clause, sentence, subdivision, paragraph, section or part
thereof directly involved in the controversy in which such judgment
shall have been rendered.

§ 9. The state finance law is amended by adding a new section 92-t to
read as follows:

§ 92-t. New York state campaign finance fund. 1. There is hereby
established in the joint custody of the state comptroller and the
commissioner of taxation and finance a fund to be known as the New York
state campaign finance fund.

2. Such fund shall consist of all revenues received from the New York
state campaign finance fund check-off pursuant to subsection (h) of
section six hundred fifty-eight of the tax law, from the abandoned prop-
erty fund pursuant to section ninety-five of this article, from the
general fund, and from all other moneys credited or transferred thereto
from any other fund or source pursuant to law. Such fund shall also
receive contributions from private individuals, organizations, or other
persons to fulfill the purposes of the public financing system.

3. Moneys of the fund, following appropriation by the legislature, may
be expended for the purposes of making payments to candidates pursuant
to title II of article fourteen of the election law and for administra-
tive expenses related to the implementation of article fourteen of the
elected law. Moneys shall be paid out of the fund by the state comp-
troller on vouchers certified or approved by the state board of
elections, or its duly designated representative, in the manner
prescribed by law, not more than five working days after such voucher is
received by the state comptroller.

4. Notwithstanding any provision of law to the contrary, if, in any
state fiscal year, the state campaign finance fund lacks the amount of
money to pay all claims vouchered by eligible candidates and certified
or approved by the state board of elections, any such deficiency shall
be paid by the state comptroller, from funds deposited in the general
fund of the state not more than four working days after such voucher is
received by the state comptroller.

5. Commencing in two thousand nineteen, if the surplus in the fund on
April first of the year after a year in which a governor is elected
exceeds twenty-five percent of the disbursements from the fund over the
previous four years, the excess shall revert to the general fund of the
state.

6. No public funds shall be paid to any participating candidates in a
primary election any earlier than thirty days after designating
petitions or certificates of nomination have been filed and not later
than thirty days after such primary election.

7. No public funds shall be paid to any participating candidates in a
genral election any earlier than the day after the day of the primary
election held to nominate candidates for such election.

8. No public funds shall be paid to any participating candidates in a
special election any earlier than the day after the last day to file
certificates of party nomination for such special election.
9. No public funds shall be paid to any participating candidate who has been disqualified or whose designating petitions have been declared invalid by the appropriate board of elections or a court of competent jurisdiction until and unless such finding is reversed by a higher court in a final judgment. No payment from the fund in the possession of such a candidate or such candidate's participating committee on the date of such disqualification or invalidation may thereafter be expended for any purpose except the payment of liabilities incurred before such date. All such moneys shall be repaid to the fund.

§ 10. Section 95 of the state finance law is amended by adding a new subdivision 5 to read as follows:

5. (a) As often as necessary, the co-chairs of the state board of elections shall certify the amount such co-chairs have determined necessary to fund estimated payments from the fund established by section ninety-two of this article for the primary, general or special election.

(b) Notwithstanding any provision of this section authorizing the transfer of any moneys in the abandoned property fund to the general fund, the comptroller, after receiving amounts sufficient to pay claims against the abandoned property fund, shall, based upon a certification of the state board of elections pursuant to paragraph (a) of this subdivision, and at the direction of the director of the budget, transfer the requested amount from remaining available monies in the abandoned property fund to the campaign finance fund established by section ninety-two of this article.

§ 11. Section 658 of the tax law is amended by adding a new subsection (h) to read as follows:
(h) New York state campaign finance fund check-off. (1) For each taxable year beginning on and after January first, two thousand sixteen, every resident taxpayer whose New York state income tax liability for the taxable year for which the return is filed is forty dollars or more may designate on such return that forty dollars be paid into the New York state campaign finance fund established by section ninety-two-t of the state finance law. Where a husband and wife file a joint return and have a New York state income tax liability for the taxable year for which the return is filed is eighty dollars or more, or file separate returns on a single form, each such taxpayer may make separate designations on such return of forty dollars to be paid into the New York state campaign finance fund.

(2) The commissioner shall transfer to the New York state campaign finance fund, established pursuant to section ninety-two-t of the state finance law, an amount equal to forty dollars multiplied by the number of designations.

(3) For purposes of this subsection, the income tax liability of an individual for any taxable year is the amount of tax imposed under this article reduced by the sum of the credits (as shown in his or her return) allowable under this article.

(4) The department shall include a place on every personal income tax return form to be filed by an individual for a tax year beginning on or after January first, two thousand sixteen, for such taxpayer to make the designations described in paragraph one of this subsection. Such return form shall contain a concise explanation of the purpose of such optional designations.

§ 12. Severability. If any clause, sentence, subdivision, paragraph, section or part of title II of article 14 of the election law, as added
by section three of this act be adjudged by any court of competent
jurisdiction to be invalid, such judgment shall not affect, impair or
invalidate the remainder thereof, but shall be confined in its operation
to the clause, sentence, subdivision, paragraph, section or part thereof
directly involved in the controversy in which such judgment shall have
been rendered.

§ 13. This act shall take effect immediately; provided, however, all
affected candidates will be eligible to participate in voluntary public
financing beginning with the 2018 primary election.

of each public corporation shall promulgate uniform rules and regu-
lations for all agencies in such public corporation pursuant to such
general rules and regulations as may be promulgated by the committee on open government in conformity with the provisions of this article, pertaining to the administration of this article.

(b) Each agency and each house of the state legislature shall promulgate rules and regulations, in conformity with this article and applicable rules and regulations promulgated pursuant to the provisions of paragraph (a) of this subdivision, and pursuant to such general rules and regulations as may be promulgated by the committee on open government in conformity with the provisions of this article, pertaining to the availability of records and procedures to be followed, including, but not limited to:

i. the times and places such records are available;

ii. the persons from whom such records may be obtained; and

iii. the fees for copies of records which shall not exceed twenty-five cents per photocopy not in excess of nine inches by fourteen inches, or the actual cost of reproducing any other record in accordance with the provisions of paragraph (c) of this subdivision, except when a different fee is otherwise prescribed by statute.

(c) In determining the actual cost of reproducing a record, an agency and the state legislature may include only:

i. an amount equal to the hourly salary attributed to the lowest paid employee of an agency or employee of the respective house of the state legislature who has the necessary skill required to prepare a copy of the requested record;

ii. the actual cost of the storage devices or media provided to the person making the request in complying with such request;

iii. the actual cost to the agency or to the respective house of the state legislature of engaging an outside professional service to prepare
a copy of a record, but only when an agency's or respective house of the state legislature's information technology equipment is inadequate to prepare a copy, if such service is used to prepare the copy; and

iv. preparing a copy shall not include search time or administrative costs, and no fee shall be charged unless at least two hours of agency or respective house of the state legislature employee time is needed to prepare a copy of the record requested. A person requesting a record shall be informed of the estimated cost of preparing a copy of the record if more than two hours of an agency or respective house of the state legislature employee's time is needed, or if an outside professional service would be retained to prepare a copy of the record.

2. Each agency and the respective house of the state legislature shall, in accordance with its published rules, make available for public inspection and copying all records, except that such agency and the respective house of the state legislature may deny access to records or portions thereof that:

   (a) are specifically exempted from disclosure by state or federal statute;

   (b) if disclosed would constitute an unwarranted invasion of personal privacy under the provisions of subdivision two of section eighty-nine of this article;

   (c) if disclosed would impair present or imminent contract awards or collective bargaining negotiations provided, however, that the proposed terms of an agreement between a public employer and an employee organization, as those terms are defined in article fourteen of the civil service law, that require ratification by members of the employee organization or by the public employer, where applicable, or approval of such provisions by the appropriate legislative body as required by section

the public no later than when such proposed terms are sent to members of
the employee organization for ratification, when such terms are
presented to the employer for ratification, where applicable, or when
the provisions of such agreement requiring approval by the appropriate
legislative body pursuant to section two hundred four-a of the civil
service law are submitted to such body, whichever date is earliest.
Additionally, a copy of the proposed terms of such agreement shall be
placed on the website of the applicable public employer, if such
websites exist, and within the local public libraries and offices of
such public employer, or in the case of collective bargaining agreements
negotiated by the state, on the website of the office of employee
relations on such date;

tive house of the state legislature by a commercial enterprise or
derived from information obtained from a commercial enterprise and which
if disclosed would cause substantial injury to the competitive position
of the subject enterprise;
(e) are compiled for law enforcement purposes and which, if disclosed,
would:
  i. interfere with law enforcement investigations or judicial
  proceedings;

        tion;
  iii. identify a confidential source or disclose confidential informa-
           tion relating to a criminal investigation; or
  iv. reveal criminal investigative techniques or procedures, except
      routine techniques and procedures;
(f) if disclosed could endanger critical infrastructure or the life or safety of any person;

(g) are inter-agency or intra-agency materials which are not:

i. statistical or factual tabulations or data;

ii. instructions to staff that affect the public;

iii. final agency policy or determinations;

iv. external audits, including but not limited to audits performed by the comptroller and the federal government; or

(i) if disclosed, would jeopardize the capacity of an agency, the state legislature, or an entity that has shared information with an agency or the state legislature to guarantee the security of its information technology assets, such assets encompassing both electronic information systems and infrastructures; or

(j) are photographs, microphotographs, videotape or other recorded images prepared under authority of section eleven hundred eleven-a of the vehicle and traffic law.
(k) are photographs, microphotographs, videotape or other recorded images prepared under authority of section eleven hundred eleven-b of the vehicle and traffic law.

(o) are photographs, microphotographs, videotape or other recorded images prepared under authority of section eleven hundred eleven-d of the vehicle and traffic law.

3. Each agency and the respective house of the state legislature shall maintain:

(a) a record of the final vote of each member in every agency or state legislature proceeding in which the member votes;

(b) a record of votes of each member in every session and every committee and subcommittee meeting in which the member of the senate or assembly votes;

[(b)] (c) a record setting forth the name, public office address, title and salary of every officer or employee of the agency or the state legislature; and
[(c)] (d) a reasonably detailed current list by subject matter of all records in the possession of the agency or state legislature, whether or not available under this article. Each agency and each respective house of the state legislature shall update its subject matter list annually, and the date of the most recent update shall be conspicuously indicated on the list. [Each] The state legislature and each state agency as defined in subdivision four of this section that maintains a website shall post its current list on its website and such posting shall be linked to the website of the committee on open government. Any such agency or part of the state legislature that does not maintain a website shall arrange to have its list posted on the website of the committee on open government.

4. (a) Each state agency or respective house of the state legislature which maintains records containing trade secrets, to which access may be denied pursuant to paragraph (d) of subdivision two of this section, shall promulgate regulations in conformity with the provisions of subdivision five of section eighty-nine of this article pertaining to such records, including, but not limited to the following:

(1) the manner of identifying the records or parts;

(2) the manner of identifying persons within the agency or respective house of the state legislature to whose custody the records or parts will be charged and for whose inspection and study the records will be made available;

(3) the manner of safeguarding against any unauthorized access to the records.

(b) As used in this subdivision the term "agency" or "state agency" means only a state department, board, bureau, division, council or
office and any public corporation the majority of whose members are
appointed by the governor.

(c) As used in this subdivision the term "state legislature" means the
legislature as defined in subdivision two of section eighty-six of this
article.

(d) Each state agency and respective house of the state legislature
that maintains a website shall post information related to this article
and article six-A of this chapter on its website. Such information shall
include, at a minimum, contact information for the persons from whom
records of the agency or respective house of the state legislature may
be obtained, the times and places such records are available for
inspection and copying, and information on how to request records in
person, by mail, and, if the agency or respective house of the state
legislature accepts requests for records electronically, by e-mail. This
posting shall be linked to the website of the committee on open govern-
ment.

5. (a) An agency and the respective house of the state legislature
shall provide records on the medium requested by a person, if the agency
or the respective house of the state legislature can reasonably make
such copy or have such copy made by engaging an outside professional
service. Records provided in a computer format shall not be encrypted.

(b) No agency nor the state legislature shall enter into or renew a
contract for the creation or maintenance of records if such contract
impairs the right of the public to inspect or copy the agency's or the
state legislature's records.

6. (a) Each agency and house of the state legislature shall publish,
on its internet website, to the extent practicable, records or portions
of records that are available to the public pursuant to the provisions
of this article, or which, in consideration of their nature, content or
subject matter, are determined by the agency or house of the state
legislature to be of substantial interest to the public. Any such
records may be removed from the internet website when the agency or
house of the state legislature determines that they are no longer of
substantial interest to the public. Any such records may be removed from
the internet website when they have reached the end of their legal
retention period. Guidance on creating records in accessible formats and
ensuring their continuing accessibility shall be available from the
office for technology and the state archives.

(b) The provisions of paragraph (a) of this subdivision shall not
apply to records or portions of records the disclosure of which would
constitute an unwarranted invasion of personal privacy in accordance
with subdivision two of section eighty-nine of this article.

(c) The committee on open government shall promulgate guidelines to
effectuate this subdivision.

(d) Nothing in this subdivision shall be construed as to limit or
abridge the power of an agency or house of the state legislature to
publish records on its internet website that are subject to the
provisions of this article prior to a written request or prior to a
frequent request.

§ 3. Section 88 of the public officers law is REPEALED.

the laws of 1977, paragraph (a) of subdivision 1 as amended by chapter
33 of the laws of 1984, paragraph (b) of subdivision 1 as amended by
chapter 182 of the laws of 2006, subdivision 2 as amended by section 11
of part U of chapter 61 of the laws of 2011, subdivision 2-a as added by
chapter 652 of the laws of 1983, subdivision 3 as amended by chapter 223
of the laws of 2008, subdivision 4 as amended by chapter 22 of the laws
of 2005, paragraph (c) of subdivision 4 as amended by chapter 492 of the
laws of 2006, subdivision 5 as added and subdivision 6 as renumbered by
chapter 890 of the laws of 1981, paragraph (a) of subdivision 5 as
amended by chapter 403 of the laws of 2003, paragraph (d) of subdivision
5 as amended by chapter 339 of the laws of 2004, subdivision 7 as added
by chapter 783 of the laws of 1983, subdivision 8 as added by chapter
705 of the laws of 1989, and subdivision 9 as added by chapter 351 of
the laws of 2008, is amended to read as follows:

§ 89. General provisions relating to access to records; certain cases.
The provisions of this section apply to access to all records, except as
hereinafter specified:

1. (a) The committee on open government is continued and shall consist
of the lieutenant governor or the delegate of such officer, the secre-
tary of state or the delegate of such officer, whose office shall act as
secretariat for the committee, the commissioner of the office of general
services or the delegate of such officer, the director of the budget or
the delegate of such officer, and seven other persons, none of whom
shall hold any other state or local public office except the represen-
tative of local governments as set forth herein, to be appointed as
follows: five by the governor, at least two of whom are or have been
representatives of the news media, one of whom shall be a representative
of local government who, at the time of appointment, is serving as a
duly elected officer of a local government, one by the temporary presi-
dent of the senate, and one by the speaker of the assembly. The persons
appointed by the temporary president of the senate and the speaker of
the assembly shall be appointed to serve, respectively, until the expi-
ration of the terms of office of the temporary president and the speaker
to which the temporary president and speaker were elected. The four
persons presently serving by appointment of the governor for fixed terms
shall continue to serve until the expiration of their respective terms.
Thereafter, their respective successors shall be appointed for terms of
four years. The member representing local government shall be appointed
for a term of four years, so long as such member shall remain a duly
elected officer of a local government. The committee shall hold no less
than two meetings annually, but may meet at any time. The members of the
committee shall be entitled to reimbursement for actual expenses
incurred in the discharge of their duties.

(b) The committee shall:

i. furnish to any agency and to each house of the state legislature
advisory guidelines, opinions or other appropriate information regarding
this article;

ii. furnish to any person advisory opinions or other appropriate
information regarding this article;

iii. promulgate rules and regulations with respect to the implementa-
tion of subdivision one and paragraph (c) of subdivision three of
section eighty-seven of this article;

iv. request from any agency and from either house of the state legis-
lature such assistance, services and information as will enable the
committee to effectively carry out its powers and duties;

v. develop a form, which shall be made available on the internet, that
may be used by the public to request a record; and

vi. report on its activities and findings regarding this article and
article seven of this chapter, including recommendations for changes in
the law, to the governor and the legislature annually, on or before
December fifteenth.
2. (a) The committee on public access to records may promulgate guidelines regarding deletion of identifying details or withholding of records otherwise available under this article to prevent unwarranted invasions of personal privacy. In the absence of such guidelines, an agency and the respective house of state legislature may delete identifying details when it makes records available.

(b) An unwarranted invasion of personal privacy includes, but shall not be limited to:

i. disclosure of employment, medical or credit histories or personal references of applicants for employment;

ii. disclosure of items involving the medical or personal records of a client or patient in a medical facility;

iii. sale or release of lists of names and addresses if such lists would be used for solicitation or fund-raising purposes;

iv. disclosure of information of a personal nature when disclosure would result in economic or personal hardship to the subject party and such information is not relevant to the work of the agency or respective house of the state legislature requesting or maintaining it;

v. disclosure of information of a personal nature reported in confidence to an agency or to the state legislature and not relevant to the ordinary work of such agency or the state legislature;

vi. information of a personal nature contained in a workers' compensation record, except as provided by section one hundred ten-a of the workers' compensation law; [or]

vii. disclosure of electronic contact information, such as an e-mail address or a social network username, that has been collected from a taxpayer under section one hundred four of the real property tax law[.]
viii. disclosure of communications of a personal nature between legislators and their constituents.

(c) Unless otherwise provided by this article, disclosure shall not be construed to constitute an unwarranted invasion of personal privacy pursuant to paragraphs (a) and (b) of this subdivision:

i. when identifying details are deleted;

ii. when the person to whom a record pertains consents in writing to disclosure;

iii. when upon presenting reasonable proof of identity, a person seeks access to records pertaining to him or her; or

iv. when a record or group of records relates to the right, title or interest in real property, or relates to the inventory, status or characteristics of real property, in which case disclosure and providing copies of such record or group of records shall not be deemed an unwarranted invasion of personal privacy, provided that nothing herein shall be construed to authorize the disclosure of electronic contact information, such as an e-mail address or a social network username, that has been collected from a taxpayer under section one hundred four of the real property tax law.

2-a. Nothing in this article shall permit disclosure which constitutes an unwarranted invasion of personal privacy as defined in subdivision two of this section if such disclosure is prohibited under section ninety-six of this chapter.

3. (a) Each entity subject to the provisions of this article, within five business days of the receipt of a written request for a record reasonably described, shall make such record available to the person requesting it, deny such request in writing or furnish a written acknowledgement of the receipt of such request and a statement of the
approximate date, which shall be reasonable under the circumstances of
the request, when such request will be granted or denied, including,
where appropriate, a statement that access to the record will be deter-
mined in accordance with subdivision five of this section. [An] Neither
an agency nor the state legislature shall [not] deny a request on the
basis that the request is voluminous or that locating or reviewing the
requested records or providing the requested copies is burdensome
because the agency or respective house of the state legislature lacks
sufficient staffing or on any other basis if the agency or respective
house of the state legislature may engage an outside professional
service to provide copying, programming or other services required to
provide the copy, the costs of which the agency or respective house of
the state legislature may recover pursuant to paragraph (c) of subdivi-
sion one of section eighty-seven of this article. An agency or respec-
tive house of the state legislature may require a person requesting
lists of names and addresses to provide a written certification that
such person will not use such lists of names and addresses for solicita-
tion or fund-raising purposes and will not sell, give or otherwise make
available such lists of names and addresses to any other person for the
purpose of allowing that person to use such lists of names and addresses
for solicitation or fund-raising purposes. If an agency or respective
house of the state legislature determines to grant a request in whole or
in part, and if circumstances prevent disclosure to the person request-
ing the record or records within twenty business days from the date of
the acknowledgement of the receipt of the request, the agency or respec-
tive house of the state legislature shall state, in writing, both the
reason for the inability to grant the request within twenty business
days and a date certain within a reasonable period, depending on the
circumstances, when the request will be granted in whole or in part. Upon payment of, or offer to pay, the fee prescribed therefor, the entity shall provide a copy of such record and certify to the correctness of such copy if so requested, or as the case may be, shall certify that it does not have possession of such record or that such record cannot be found after diligent search. Nothing in this article shall be construed to require any entity to prepare any record not possessed or maintained by such entity except the records specified in subdivision three of section eighty-seven [and subdivision three of section eighty-eight] of this article. When an agency or the respective house of the state legislature has the ability to retrieve or extract a record or data maintained in a computer storage system with reasonable effort, it shall be required to do so. When doing so requires less employee time than engaging in manual retrieval or redactions from non-electronic records, the agency and respective house of the state legislature shall be required to retrieve or extract such record or data electronically. Any programming necessary to retrieve a record maintained in a computer storage system and to transfer that record to the medium requested by a person or to allow the transferred record to be read or printed shall not be deemed to be the preparation or creation of a new record.

(b) All entities shall, provided such entity has reasonable means available, accept requests for records submitted in the form of electronic mail and shall respond to such requests by electronic mail, using forms, to the extent practicable, consistent with the form or forms developed by the committee on open government pursuant to subdivision one of this section and provided that the written requests do not seek a response in some other form.
4. (a) Except as provided in subdivision five of this section, any person denied access to a record may within thirty days appeal in writing such denial to the head, chief executive or governing body of the entity, or the person therefor designated by such head, chief executive, or governing body, who shall within ten business days of the receipt of such appeal fully explain in writing to the person requesting the record the reasons for further denial, or provide access to the record sought. In addition, each agency or the respective house of the state legislature shall immediately forward to the committee on open government a copy of such appeal when received by the agency or such house and the ensuing determination thereon. Failure by an agency or respective house of the state legislature to conform to the provisions of subdivision three of this section shall constitute a denial.

(b) Except as provided in subdivision five of this section, a person denied access to a record in an appeal determination under the provisions of paragraph (a) of this subdivision may bring a proceeding for review of such denial pursuant to article seventy-eight of the civil practice law and rules. In the event that access to any record is denied pursuant to the provisions of subdivision two of section eighty-seven of this article, the agency or respective house of the state legislature involved shall have the burden of proving that such record falls within the provisions of such subdivision two. Failure by an agency or respective house of the state legislature to conform to the provisions of paragraph (a) of this subdivision shall constitute a denial.

(c) (i) The court in such a proceeding may assess, against such agency or the respective house of the state legislature involved, reasonable attorneys' fees and other litigation costs reasonably
incurred by such person, in any case under the provisions of this section in which such person has substantially prevailed[, when:

i. the agency had no reasonable basis for denying access; or

ii.] and the agency failed to respond to a request or appeal within the statutory time.

(ii) The court in such proceeding shall assess, against such agency or the respective house of the state legislature involved, reasonable attorneys' fees and other litigation costs reasonably incurred by such person, in any case under the provisions of this section in which such person has substantially prevailed and the court finds that the agency denied access in clear disregard of the exceptions to rights of access in section eighty-seven of this article and had no reasonable basis for denying access.

(d) Appeal to the appellate division of the supreme court must be made in accordance with law, and must be filed within thirty days after service by a party upon the appellant of a copy of the judgment or order appealed from and written notice of its entry. Notwithstanding any provision of law, rule or regulation to the contrary, an appeal taken from an order of the court under this section shall be given preference, shall be brought on for argument on such terms and conditions as the presiding justice may direct upon application of any party to the proceeding, and shall be deemed not timely filed when a party fails to serve and file a record and brief within sixty days after the date of the notice of appeal. The clerk or a justice may grant reasonable enlargements of time to perfect or to serve and file a brief upon stipulation of the parties, or, for cause where a party establishes a reasonable ground why there cannot or could not be compliance with the time limits prescribed by this subdivision. Failure by a party to serve and
file a record and brief within the allotted time, subject to any
enlargements of time granted by a clerk or justice, shall result in the
dismissal of the appeal.

5. (a) (1) A person acting pursuant to law or regulation who, subse-
quent to the effective date of this subdivision, submits any information
to any state agency or to the respective house of the state legislature
may, at the time of submission, request that the agency or such house
provisionally except such information from disclosure under paragraph
(d) of subdivision two of section eighty-seven of this article. Where
the request itself contains information which if disclosed would defeat
the purpose for which the exception is sought, such information shall
also be provisionally excepted from disclosure.

(1-a) A person or entity who submits or otherwise makes available any
records to any agency or a house of the state legislature, may, at any
time, identify those records or portions thereof that may contain crit-
ical infrastructure information, and request that the agency or house of
the state legislature that maintains such records except such informa-
tion from disclosure under subdivision two of section eighty-seven of
this article. Where the request itself contains information which if
disclosed would defeat the purpose for which the exception is sought,
such information shall also be provisionally excepted from disclosure.

(2) The request for an exception shall be in writing, shall specif-
ically identify which portions of the record are the subject of the
request for exception and shall state the reasons why the information
should be provisionally excepted from disclosure. Any such request for
an exception shall be effective for a five-year period from the agency's
or respective house of the state legislature's receipt thereof.

Provided, however, that not less than sixty days prior to the expiration
of the then current term of the exception request, the submitter may apply to the agency or respective house of the state legislature for a two-year extension of its exception request. Upon timely receipt of a request for an extension of an exception request, an agency or respective house of the state legislature may either (A) perform a cursory review of the application and grant the extension should it find any justification for such determination, or (B) commence the procedure set forth in paragraph (b) of this subdivision to make a final determination granting or terminating such exception.

(3) Information submitted as provided in subparagraphs one and one-a of this paragraph shall be provisionally excepted from disclosure and be maintained apart by the agency and the respective house of the state legislature from all other records until the expiration of the submitter's exception request or fifteen days after the entitlement to such exception has been finally determined or such further time as ordered by a court of competent jurisdiction.

(b) [On the] During the effective period of an exception request under this subdivision, on the initiative of the agency or either house of the state legislature at any time, or upon the request of any person for a record excepted from disclosure pursuant to this subdivision, the agency or respective house of the state legislature shall:

(1) inform the person who requested the exception of the agency's or such house's intention to determine whether such exception should be granted or continued;

(2) permit the person who requested the exception, within ten business days of receipt of notification from the agency or respective house of the state legislature, to submit a written statement of the necessity for the granting or continuation of such exception;
(3) within seven business days of receipt of such written statement, or within seven business days of the expiration of the period prescribed for submission of such statement, issue a written determination granting, continuing or terminating such exception and stating the reasons therefor; copies of such determination shall be served upon the person, if any, requesting the record, the person who requested the exception, and the committee on [public access to records] open government.

(c) A denial of an exception from disclosure under paragraph (b) of this subdivision may be appealed by the person submitting the information and a denial of access to the record may be appealed by the person requesting the record in accordance with this subdivision:

(1) Within seven business days of receipt of written notice denying the request, the person may file a written appeal from the determination of the agency or the respective house of the state legislature with the head of the agency or respective house of the state legislature, the chief executive officer or governing body or their designated representatives.

(2) The appeal shall be determined within ten business days of the receipt of the appeal. Written notice of the determination shall be served upon the person, if any, requesting the record, the person who requested the exception and the committee on [public access to records] open government. The notice shall contain a statement of the reasons for the determination.

(d) A proceeding to review an adverse determination pursuant to paragraph (c) of this subdivision may be commenced pursuant to article seventy-eight of the civil practice law and rules. Such proceeding, when brought by a person seeking an exception from disclosure pursuant to this subdivision, must be commenced within fifteen days of the service
of the written notice containing the adverse determination provided for
in subparagraph two of paragraph (c) of this subdivision. The proceeding
shall be given preference and shall be brought on for argument on such
terms and conditions as the presiding justice may direct, not to exceed
forty-five days. Appeal to the appellate division of the supreme court
must be made in accordance with law, and must be filed within fifteen
days after service by a party upon the appellant of a copy of the judgment or order appealed from and written notice of its entry. An appeal
taken from an order of the court requiring disclosure shall be given
preference and shall be brought on for argument on such terms and condi-
tions as the presiding justice may direct, not to exceed sixty days.
This action shall be deemed abandoned when the party requesting an
exclusion from disclosure fails to serve and file a record and brief
within thirty days after the date of the notice of appeal. Failure by
the party requesting an exclusion from disclosure to serve and file a
record and brief within the allotted time shall result in the dismissal
of the appeal.
(e) The person requesting an exception from disclosure pursuant to
this subdivision shall in all proceedings have the burden of proving
entitlement to the exception.
(f) Where the agency or the respective house of the state legislature
denies access to a record pursuant to paragraph [(d) of] (b) of this
subdivision in conjunction with subdivision two of section eighty-seven
of this article, the agency or respective house of the state legislature
shall have the burden of proving that the record falls within the
provisions of such exception.
(g) Nothing in this subdivision shall be construed to deny any person
access, pursuant to the remaining provisions of this article, to any
1 record or part excepted from disclosure upon the express written consent
2 of the person who had requested the exception.

3 (h) As used in this subdivision the term "agency" or "state agency"
4 means only a state department, board, bureau, division, council or
5 office and any public corporation the majority of whose members are
6 appointed by the governor.

7 (i) As used in this subdivision the term "state legislature" means the
8 legislature as defined in subdivision two of section eighty-six of this
9 article.

6. Nothing in this article shall be construed to limit or abridge any
11 otherwise available right of access at law or in equity of any party to
12 records.

7. Nothing in this article shall require the disclosure of the home
14 address of an officer or employee, former officer or employee, or of a
15 retiree of a public employees' retirement system; nor shall anything in
16 this article require the disclosure of the name or home address of a
17 beneficiary of a public employees' retirement system or of an applicant
18 for appointment to public employment; provided however, that nothing in
19 this subdivision shall limit or abridge the right of an employee organ-
20 ization, certified or recognized for any collective negotiating unit of
21 an employer pursuant to article fourteen of the civil service law, to
22 obtain the name or home address of any officer, employee or retiree of

The office of court administration shall issue its final determination within three days of receiving the request. Notwithstanding any other provision of law or any professional disciplinary rule to the contrary, the disclosure of the identity of any client or customer in response to this question shall not constitute professional misconduct or a ground for disciplinary action of any kind, or form the basis for any civil or criminal cause of action or proceeding. § 6. Subdivision 4 of section 73-a of the public officers law, as amended by section 5 of part A of chapter 399 of the laws of 2011, is amended to read as follows:

4. A reporting individual who knowingly and wilfully fails to file an annual statement of financial disclosure or who knowingly and wilfully with intent to deceive makes a false statement or gives information which such individual knows to be false on such statement of financial disclosure filed pursuant to this section shall be subject to a civil penalty in an amount not to exceed forty thousand dollars and additionally such violation may be punishable as a class A misdemeanor. A person who knowingly and wilfully fails to respond to the commission, fails to provide information requested, or otherwise refuses to cooperate in the conduct of a review of an annual statement of financial disclosure conducted pursuant to section ninety-four of the executive law may be subject to a civil penalty not to exceed forty thousand dollars. Assessment of a civil penalty hereunder shall be made by the joint commission on public ethics or by the legislative ethics commission, as the case may be, with respect to persons subject to their respective jurisdictions. The joint commission on public ethics acting pursuant to subdivision fourteen of section ninety-four of the executive law or the legislative ethics commission acting pursuant to [subdivision eleven of section eighty] paragraph (a) of subdivision nine of section eighty of the legislative law, as the case may be, may, in lieu of or in addition to a civil penalty, refer a violation to the appropriate prosecutor [and upon such conviction, but only after such referral, such violation shall be punishable as a class A misdemeanor]. A civil penalty for false filing may not be imposed hereunder in the event a [category of] "value" or "amount" reported hereunder is incorrect unless such
reported information is falsely understated. [Notwithstanding any other provision of law to the contrary, no other penalty, civil or criminal may be imposed for a failure to file, or for a false filing, of such statement, except that the appointing authority may impose disciplinary action as otherwise provided by law.] The joint commission on public ethics and the legislative ethics commission shall each be deemed to be an agency within the meaning of article three of the state administrative procedure act and shall adopt rules governing the conduct of adjudicatory proceedings and appeals relating to the assessment of the civil penalties herein authorized. Such rules, which shall not be subject to the approval requirements of the state administrative procedure act, shall provide for due process procedural mechanisms substantially similar to those set forth in such article three but such mechanisms need not be identical in terms or scope. Assessment of a civil penalty shall be final unless modified, suspended or vacated within thirty days of imposition and upon becoming final shall be subject to review at the instance of the affected reporting individual in a proceeding commenced against the joint commission on public ethics or the legislative ethics commission, pursuant to article seventy-eight of the civil practice law and rules.

§ 7. Paragraph (a) of subdivision 9 of section 80 of the legislative law, as amended by section 9 of part A of chapter 399 of the laws of 2011, is amended to read as follows:

(a) An individual subject to the jurisdiction of the commission with respect to the imposition of penalties who knowingly and intentionally violates the provisions of subdivisions two through five-a, seven, eight, twelve, fourteen or fifteen of section seventy-three of the public officers law or a reporting individual who knowingly and wilfully
fails to file an annual statement of financial disclosure or who knowingly and willfully with intent to deceive makes a false statement or gives information which such individual knows to be false on such statement of financial disclosure filed pursuant to section seventy-three-a of the public officers law, or who solicits, requests, commands, importunes, or intentionally aids another person to engage in any of the above-mentioned conduct, or who knowingly and willfully fails to respond to the joint commission on public ethics, fails to provide information requested, or otherwise refuses to cooperate in the conduct of a review of an annual statement of financial disclosure conducted pursuant to section ninety-four of the executive law shall be subject to a civil penalty in an amount not to exceed forty thousand dollars and the value of any gift, compensation or benefit received as a result of such violation. Any such individual who knowingly and intentionally violates the provisions of [paragraph a, b, c, d, e, g, or i of] subdivision three of section seventy-four of the public officers law, or who solicits, requests, commands, importunes, or intentionally aids another person to engage in any of the above-mentioned conduct, shall be subject to a civil penalty in an amount not to exceed ten thousand dollars and the value of any gift, compensation or benefit received as a result of such violation. Assessment of a civil penalty hereunder shall be made by the commission with respect to persons subject to its jurisdiction. In assessing the amount of the civil penalties to be imposed, the commission shall consider the seriousness of the violation, the amount of gain to the individual and whether the individual previously had any civil or criminal penalties imposed pursuant to this section, and any other factors the commission deems appropriate. For a violation of this section, other than for conduct which constitutes a violation of subdi-
vision twelve, fourteen or fifteen of section seventy-three or section seventy-four of the public officers law, the legislative ethics commission may, in lieu of or in addition to a civil penalty, refer a violation to the appropriate prosecutor [and upon such conviction, but only after such referral, such violation shall be punishable as a class A misdemeanor]. Where the commission finds sufficient cause, it shall refer such matter to the appropriate prosecutor. A civil penalty for false filing may not be imposed hereunder in the event a category of "value" or "amount" reported hereunder is incorrect unless such reported information is falsely understated. [Notwithstanding any other provision of law to the contrary, no other penalty, civil or criminal may be imposed for a failure to file, or for a false filing, of such statement, or a violation of subdivision six of section seventy-three of the public officers law, except that the appointing authority may impose disciplinary action as otherwise provided by law.] The legislative ethics commission shall be deemed to be an agency within the meaning of article three of the state administrative procedure act and shall adopt rules governing the conduct of adjudicatory proceedings and appeals taken pursuant to a proceeding commenced under article seventy-eight of the civil practice law and rules relating to the assessment of the civil penalties herein authorized. Such rules, which shall not be subject to the promulgation and hearing requirements of the state administrative procedure act, shall provide for due process procedural mechanisms substantially similar to those set forth in such article three but such mechanisms need not be identical in terms or scope. Assessment of a civil penalty shall be final unless modified, suspended or vacated within thirty days of imposition, with respect to the assessment of such penalty, or unless such denial of request is reversed within such time
period, and upon becoming final shall be subject to review at the instance of the affected reporting individuals in a proceeding commenced against the legislative ethics commission, pursuant to article seventy-eight of the civil practice law and rules.

§ 8. Paragraph (n) of subdivision 9 of section 94 of the executive law, as added by section 6 of part A of chapter 399 of the laws of 2011, are amended to read as follows:

(n) Promulgate guidelines for the commission to conduct a program of random reviews, to be carried out in the following manner: (i) annual statements of financial disclosure shall be selected for review in a manner pursuant to which the identity of any particular person whose statement is selected is unknown to the commission and its staff prior to its selection; (ii) such review shall include a preliminary examination of the selected statement for internal consistency, a comparison with other records maintained by the commission, including previously filed statements and requests for advisory opinions, and examination of relevant public information; (iii) upon completion of the preliminary examination, the commission shall determine whether further inquiry is warranted, whereupon it shall notify the reporting individual in writing that the statement is under review, advise the reporting individual of the specific areas of inquiry, and provide the reporting individual with the opportunity to provide any relevant information related to the specific areas of inquiry, request supporting documentation (if a person cannot obtain documents requested by the commission, or such documents do not exist, the person must sign a statement based on knowledge and belief that such documents are unavailable or do not exist), and the opportunity to file amendments to the selected statement on forms provided by the commission; and (iv) if thereafter sufficient cause
exists, the commission shall take additional actions, as appropriate and consistent with law.

§ 9. Paragraph (b) of subdivision 9-a of section 94 of the executive law, as added by section 6 of part A of chapter 399 of the laws of 2011, is amended to read as follows:

(b) [Except as otherwise required or provided by law,] Unless otherwise required herein, confidential information, including testimony received or any other information obtained by a commissioner or staff of the commission during the course of an investigation, shall not be disclosed by any such individual to any person or entity outside the commission [during the pendency of any matter. Any confidential communication to any person or entity outside the commission related to the matters before the commission may occur only as authorized by the commission] except as authorized by the commission or in response to a court order or a subpoena lawfully issued by a federal, state or local law enforcement agency.

§ 10. Paragraph (a) of subdivision 13 of section 94 of the executive law, as amended by section 6 of part A of chapter 399 of the laws of 2011, is amended to read as follows:

(a) Investigations. If the commission receives a sworn complaint alleging a violation of section seventy-three, seventy-three-a, or seventy-four of the public officers law, section one hundred seven of the civil service law or article one-A of the legislative law by a person or entity subject to the jurisdiction of the commission including members of the legislature and legislative employees and candidates for member of the legislature, or if a reporting individual has filed a statement which reveals a possible violation of these provisions, or if the commission determines on its own initiative to investigate a possi-
ble violation, the commission shall notify the individual in writing, describe the possible or alleged violation of such laws and provide the person with a fifteen day period in which to submit a written response setting forth information relating to the activities cited as a possible or alleged violation of law. The commission shall, within [forty-five] sixty calendar days after a complaint or a referral is received or an investigation is initiated on the commission's own initiative, vote on whether to commence a full investigation of the matter under consideration to determine whether a substantial basis exists to conclude that a violation of law has occurred. In lieu of such vote, the commission may vote to adjourn a matter until the next scheduled meeting of the commission or, upon the request of a law enforcement agency, the commission may vote to defer a determination on whether to commence an investigation pending the outcome of a criminal proceeding. The staff of the joint commission shall provide to the members prior to such vote information regarding the likely scope and content of the investigation, and a subpoena plan, to the extent such information is available. Such investigation shall be conducted if at least eight members of the commission vote to authorize it. Where the subject of such investigation is a member of the legislature or a legislative employee or a candidate for member of the legislature, at least two of the eight or more members who so vote to authorize such an investigation must have been appointed by a legislative leader or leaders from the major political party in which the subject of the proposed investigation is enrolled if such person is enrolled in a major political party. Where the subject of such investigation is a state officer or state employee, at least two of the eight or more members who so vote to authorize such an investigation must have been appointed by the governor and lieutenant governor. Where
the subject of such investigation is a statewide elected official or a
direct appointee of such an official, at least two of the eight or more
members who so vote to authorize such an investigation must have been
appointed by the governor and lieutenant governor and be enrolled in the
major political party in which the subject of the proposed investigation
is enrolled, if such person is enrolled in a major political party.

§ 11. Subdivision 14 of section 94 of the executive law, as amended by
section 6 of part A of chapter 399 of the laws of 2011, is amended to
read as follows:

14. An individual subject to the jurisdiction of the commission who
knowingly and intentionally violates the provisions of subdivisions two
through five-a, seven, eight, twelve or fourteen through seventeen of
section seventy-three of the public officers law, section one hundred
seven of the civil service law, or a reporting individual who knowingly
and wilfully fails to file an annual statement of financial disclosure
or who knowingly and wilfully with intent to deceive makes a false
statement or fraudulent omission or gives information which such indi-
vidual knows to be false on such statement of financial disclosure filed
pursuant to section seventy-three-a of the public officers law, or who
solicits, requests, commands, importunes, or intentionally aids another
person to engage in any of the above-mentioned conduct, or who knowingly
and wilfully fails to respond to the commission, fails to provide infor-
mation requested, or otherwise refuses to cooperate in the conduct of a
review of an annual statement of financial disclosure conducted pursuant
to this section, shall be subject to a civil penalty in an amount not to
exceed forty thousand dollars and the value of any gift, compensation or
benefit received as a result of such violation. An individual who know-
ingly and intentionally violates the provisions of [paragraph a, b, c,
d, e, g, or i of subdivision three of section seventy-four of the public officers law, or who solicits, requests, commands, importunes, or intentionally aids another person to engage in any of the above-mentioned conduct, shall be subject to a civil penalty in an amount not to exceed ten thousand dollars and the value of any gift, compensation or benefit received as a result of such violation. An individual or entity subject to the jurisdiction of the commission who knowingly and willfully violates article one-A of the legislative law, or who solicits, requests, commands, importunes, or intentionally aids another person or entity to engage in any of the above-mentioned conduct, shall be subject to civil penalty as provided for in that article. Except with respect to members of the legislature and legislative employees, assessment of a civil penalty hereunder shall be made by the commission with respect to persons subject to its jurisdiction. With respect to a violation of any law other than sections seventy-three, seventy-three-a, and seventy-four of the public officers law, where the commission finds sufficient cause by a vote [held in the same manner as set forth in paragraph (b) of subdivision thirteen of this section], it shall refer such matter to the appropriate prosecutor for further investigation. In assessing the amount of the civil penalties to be imposed, the commission shall consider the seriousness of the violation, the amount of gain to the individual and whether the individual previously had any civil or criminal penalties imposed pursuant to this section, and any other factors the commission deems appropriate. Except with respect to members of the legislature and legislative employees, for a violation of this subdivision, other than for conduct which constitutes a violation of section one hundred seven of the civil service law, subdivisions twelve or fourteen through seventeen of section seventy-three or section seventy-four
of the public officers law or article one-A of the legislative law, the
commission may, in lieu of or in addition to a civil penalty, refer a
violation to the appropriate prosecutor [and upon such conviction, such
violation shall be punishable as a class A misdemeanor]. A civil penalty
for false filing may not be imposed hereunder in the event a category of
"value" or "amount" reported hereunder is incorrect unless such reported

of law to the contrary, no other penalty, civil or criminal may be
imposed for a failure to file, or for a false filing, of such statement,
or a violation of subdivision six of section seventy-three of the public
officers law, except that the appointing authority may impose discipli-

violations of this subdivision to the appointing authority for discipli-
nary action as otherwise provided by law. The commission shall be deemed
to be an agency within the meaning of article three of the state admin-

adjudicatory proceedings and appeals taken pursuant to a proceeding
commenced under article seventy-eight of the civil practice law and

process procedural mechanisms substantially similar to those set forth
in article three of the state administrative procedure act but such
mechanisms need not be identical in terms or scope. Assessment of a
civil penalty or commission denial of such a request shall be final
unless modified, suspended or vacated within thirty days of imposition,
with respect to the assessment of such penalty, or unless such denial of
request is reversed within such time period, and upon becoming final
shall be subject to review at the instance of the affected reporting
individuals in a proceeding commenced against the commission, pursuant
to article seventy-eight of the civil practice law and rules.

2. The department of motor vehicles, with the approval of the state board of elections, shall design a form or forms which shall, in addition to eliciting such information as may be required by the department of motor vehicles for a driver's license, a driver's license renewal, a change of address notification or an identification card, serve as an application for registration and enrollment, or a registration necessitated by a change of residence. Only one signature shall be required to meet the certification and attestation needs of the portion of the form pertaining to the application for a driver's license, a driver's license renewal, a change of address notification or an identification card, and the portion of the form pertaining to voter registration and enrollment.

The cost of such forms shall be borne by the department of motor vehicles.

3. The voter registration portion of such form shall:

(a) not require any information that duplicates the information required on the application for the driver license portion and shall require only such additional information as will enable election office-
cials to assess the applicant's eligibility to register to vote, prevent
duplicate registration and to administer voter registration and other
parts of the election process;

(b) include a statement of the eligibility requirements for voter
registration and shall require the applicant to attest by his or her
signature that he or she meets those requirements under penalty of
perjury unless such applicant declines such registration;

attestation section of the following:

tion shall remain confidential and be used only for voter registration
purposes;

applicant would like to decline to register to vote along with the
statement in prominent type, "IF YOU DO NOT CHECK THIS BOX, YOU PROVIDE
YOUR SIGNATURE ON THE SPACE PROVIDED BELOW, AND YOU ARE AT LEAST 18
YEARS OF AGE OR OLDER, YOU WILL HAVE PERSONALLY APPLIED TO REGISTER TO
VOTE AT THIS TIME."

party enrollment, with a clear alternative provided for the applicant to
decline to affiliate with any party;

voter registration application form, we will help you. The decision
whether to seek or accept help is yours. You may fill out the application form in private.

(g) include the statement, "If you believe that someone has interfered with your right to register or decline to register to vote, your right to privacy in deciding whether to register or in applying to register to vote, or your right to choose your own political party or other political preference, you may file a complaint with the state board of elections (address and toll free telephone number)."

All transmittals shall include original signatures.

5. Completed application forms received by the department of motor vehicles not later than the twenty-fifth day before the next ensuing primary, general or special election and transmitted by such department to the appropriate board of elections so that they are received not later than the twentieth day before such election shall entitle the applicant to vote in such election provided the board determines that the applicant is otherwise qualified.
6. Disclosure of voter registration information, including a declination to register, by the department of motor vehicles, its agents or employees, for other than voter registration purposes, shall be deemed an unwarranted invasion of personal privacy pursuant to the provisions of subdivision two of section eighty-nine of the public officers law and shall constitute a violation of this chapter.

7. Application forms shall be processed by the board of elections in the manner prescribed by section 5-210 of this title or, if the applicant is already registered to vote from another address in such county or city, in the manner prescribed by section 5-208 of this title. 10. The department of motor vehicles shall provide to each person who chooses to register to vote the same level of assistance provided to persons in connection with the completion of the agency's requisite information, unless such person refuses such assistance.

11. The state board shall adopt such rules and regulations as may be necessary to carry out the requirements of this section. The board shall also adopt such rules and regulations as may be necessary to require county boards and the department of motor vehicles to provide the state board with such information and data as the board deems necessary to
assess compliance with this section and to compile such statistics as may be required by the federal elections commission.

12. The state board shall develop and distribute public information and promotional materials relating to the purposes and implementation of this program.

13. The state board shall prepare and distribute to the department of motor vehicles written instructions as to the implementation of the program and shall be responsible for establishing training programs for employees of the department of motor vehicles involved in such program.

14. The commissioner of motor vehicles shall take all actions which are necessary and proper for the implementation of this section. The commissioner of motor vehicles shall designate one person within the agency as the agency voter registration coordinator who will, under the direction of the state board of elections, be responsible for the voter registration program in such agency.

15. TITLE VI

EARLY VOTING

Section 8-600. Early voting.
8-602. State board of elections; powers and duties for early voting.

§ 8-600. Early voting. 1. Beginning the thirteenth day prior to any general, primary or special election for any public or party office, and ending on and including the second day prior to such general, primary or special election for such public or party office, persons duly registered and eligible to vote at such election shall be permitted to vote as provided in this title. The board of elections of each county and the city of New York shall establish procedures, subject to approval of the state board of elections, to ensure that persons who vote during the early voting period shall not be permitted to vote subsequently in the same election.

2. (a) The board of elections of each county or the city of New York shall designate polling places for early voting in each county, which may include the offices of the board of elections, for persons to vote early pursuant to this section. There shall be so designated at least one early voting polling place for every full increment of fifty thousand registered voters in each county; provided, however, the number of early voting polling places in a county shall not be required to be greater than seven, and a county with fewer than fifty thousand voters shall have at least one early voting polling place.

   (b) The board of elections of each county or the city of New York may establish additional polling places for early voting in excess of the minimum number required by this subdivision for the convenience of eligible voters wishing to vote during the early voting period.

   (c) Notwithstanding the minimum number of early voting poll sites otherwise required by this subdivision, for any primary or special election, upon majority vote of the board of elections, the number of
early voting sites may be reduced if the board of elections reasonably
determines a lesser number of sites is sufficient to meet the needs of
early voters.

(d) Polling places for early voting shall be located to ensure, to the
extent practicable, that eligible voters have adequate equitable access,
taking into consideration population density, travel time to the polling
place, proximity to other locations or commonly used transportation
routes and such other factors the board of elections of the county or
the city of New York deems appropriate. The provisions of section 4-104
of this chapter, except subdivisions four and five of such section,
shall apply to the designation of polling places for early voting except
to the extent such provisions are inconsistent with this section.

3. Any person permitted to vote early may do so at any polling place
for early voting established pursuant to subdivision two of this section
in the county where such voter is registered to vote. Provided, however,

(i) if it is impractical to provide each polling place for early voting
all appropriate ballots for each election to be voted on in the county,
or (ii) if permitting such persons to vote early at any polling place
established for early voting would make it impractical to ensure that
such voter has not previously voted early during such election, the
board of elections may designate each polling place for early voting
only for those voters registered to vote in a portion of the county to
be served by such polling place for early voting, provided that all
voters in each county shall have one or more polling places at which
they are eligible to vote throughout the early voting period on a
substantially equal basis.
4. (a) Polls shall be open for early voting for at least eight hours between seven o'clock in the morning and eight o'clock in the evening each week day during the early voting period.

(b) At least one polling place for early voting shall remain open until eight o'clock in the evening on at least two week days in each calendar week during the early voting period. If polling places for early voting are limited to voters from certain areas pursuant to subdivision three of this section, polling places that remain open until eight o'clock shall be designated such that any person entitled to vote early may vote until eight o'clock in the evening on at least two week days during the early voting period.

(c) Polls shall be open for early voting for at least five hours between nine o'clock in the morning and six o'clock in the evening on each Saturday, Sunday and legal holiday during the early voting period.

(d) Nothing in this section shall be construed to prohibit any board of elections from establishing a greater number of hours for voting during the early voting period beyond the number of hours required in this subdivision.

(e) Early voting polling places and their hours of operation for early voting at a general election shall be designated by May first of each year pursuant to subdivision one of section 4-104 of this chapter. Notwithstanding the provisions of subdivision one of section 4-104 of this chapter requiring poll site designation by May first, early voting polling places and their hours of operation for early voting for a primary or special election shall be made not later than forty-five days before such primary or special election.

5. Each board of elections shall create a communication plan to inform eligible voters of the opportunity to vote early. Such plan may utilize
any and all media outlets, including social media, and shall publicize:
the location and dates and hours of operation of all polling places for
early voting; an indication of whether each polling place is accessible
to voters with physical disabilities; a clear and unambiguous notice to
voters that if they cast a ballot during the early voting period they
will not be allowed to vote election day; and if polling places for
early voting are limited to voters from certain areas pursuant to subdi-
vision three of this section, the location of the polling places for
early voting serving the voters of each particular city, town or other
political subdivision.

6. The form of paper ballots used in early voting shall comply with
the provisions of article seven of this chapter that are applicable to
voting by paper ballot on election day and such ballot shall be cast in
the same manner as provided for in section 8-312 of this article,
provided, however, that ballots cast during the early voting period
shall be secured in the manner of voted ballots cast on election day and
such ballots shall not be canvassed or examined until after the close of
the polls on election day, and no unofficial tabulations of election
results shall be printed or viewed in any manner until after the close
of polls on election day.

7. Voters casting ballots pursuant to this title shall be subject to
challenge as provided in sections 8-500, 8-502 and 8-504 of this arti-
cle.

8. Notwithstanding any other provisions of this chapter, at the end of
each day of early voting, any early voting ballots that have not been
scanned because a ballot scanner was not available or because the ballot
has been abandoned by the voter at the ballot scanner shall be cast in a
manner consistent with section 9-110 of this chapter, except that any
ballots that would otherwise be scanned at the close of the polls pursuant to such section shall be scanned at the close of each day's early voting.

9. The board of elections shall secure all ballots and scanners used for early voting from the beginning of the early voting period through the close of the polls of the election on election day. As soon as the polls of the election are closed on election day, and not before, inspectors or board of elections employees shall follow all relevant provisions of article nine of this chapter that are not inconsistent with this section, for canvassing, processing, recording, and announcing results of voting at polling places for early voting, and securing ballots, scanners, and other election materials.

§ 8-602. State board of elections; powers and duties for early voting.

Any rule or regulation necessary for the implementation of the provisions of this title shall be promulgated by the state board of elections provided that such rules and regulations shall include provisions to ensure that ballots cast early, by any method allowed under law, are counted and canvassed as if cast on election day. The state board of elections shall promulgate any other rules and regulations necessary to ensure an efficient and fair early voting process that respects the privacy of the voter. Provided, further, that such rules and regulations shall require that the voting history record for each voter be continually updated to reflect each instance of early voting by such voter.

§ 12. This act shall take effect on the first of January next succeeding the date on which it shall have become a law and shall apply to any election held 120 days or more after it shall have taken effect;
provided, however that sections one, two, three and four of this act shall take effect on April 1, 2017.

PART G

Section 1. The New York state comptroller, or his or her designee, the attorney general of the state of New York, or his or her designee, the chief information officer of the office of information technology services, or his or her designee and the commissioner of general services, or his or her designee, are hereby directed to review, examine and make recommendations concerning the feasibility of assigning a single identifying code to contractors, vendors and other payees to track such entities and expenditures.
