Section 1. This act enacts into law major components of legislation which are necessary to implement the state fiscal plan for the 2016-2017 state fiscal year. Each component is wholly contained within a Part identified as Parts A through HH. The effective date for each particular provision contained within such Part is set forth in the last section of such Part. Any provision in any section contained within a Part, including the effective date of the Part, which makes a reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Part in which it is found. Section three of this act sets forth the general effective date of this act.

PART A

Section 1. Paragraph (a) of subdivision 6 of section 425 of the real property tax law, as amended by chapter 6 of the laws of 2010, and as further amended by subdivision (b) of section 1 of part W of chapter 56 of the laws of 2010, is amended to read as follows:

(a) Generally. All owners of the property who primarily reside thereon and who are not subject to the provisions of subdivision sixteen of this section must jointly file an application for exemption with the assessor on or before the appropriate taxable status date. Such application may be filed by mail if it is enclosed in a postpaid envelope properly addressed to the appropriate assessor, deposited in a post office or official depository under the exclusive care of the United States postal service, and postmarked by the United States postal service on or before the applicable taxable status date. Each such application shall be made on a form prescribed by the commissioner, which shall require the appli-
cant or applicants to agree to notify the assessor if their primary residence changes while their property is receiving the exemption. The assessor may request that proof of residency be submitted with the application. If the applicant requests a receipt from the assessor as proof of submission of the application, the assessor shall provide such receipt. If such request is made by other than personal request, the applicant shall provide the assessor with a self-addressed postpaid envelope in which to mail the receipt.

§ 2. Section 425 of the real property tax law is amended by adding a new subdivision 16 to read as follows:

16. Transition to personal income tax credit. (a) Beginning with assessment rolls used to levy school district taxes for the two thousand sixteen—two thousand seventeen school year, no application for an exemption under this section may be filed or approved unless at least one of the applicants held title to the property on the taxable status date of the assessment roll that was used to levy school district taxes for the two thousand fifteen—two thousand sixteen school year and the property was granted an exemption pursuant to this section on that assessment roll. In the event that an application is submitted to the assessor that cannot be approved due to this restriction, the assessor shall notify the applicant that he or she is required by law to deny the application, but that, in lieu of a STAR exemption, the applicant may claim the personal income tax credit authorized by subsection (eee) of section six hundred six of the tax law if eligible, and that the applicant may contact the department of taxation and finance for further information. The commissioner shall provide a form for assessors to use, at their option, when making this notification. No STAR exemption
may be granted on the basis of an application that is not approvable due to this restriction.

(b) If the owners of a parcel that is receiving the STAR exemption authorized by this section want to claim the personal income tax credit authorized by subsection (eee) of section six hundred six of the tax law in lieu of such exemption, they all must renounce that exemption in the manner provided by section four hundred ninety-six of this chapter, and must pay any required taxes, interest and penalties, on or before December thirty-first of the taxable year for which they want to claim the credit. Any such renunciation shall be irrevocable.

(c) The provisions of this subdivision shall apply to all applications for STAR exemptions beginning with assessment rolls used to levy school district taxes for the two thousand sixteen--two thousand seventeen school year, including those submitted prior to the effective date of this subdivision. If any application was approved prior to the effective date of this subdivision that is not approvable hereunder, such approval shall be deemed void, and the assessor shall provide the applicant with the notice required by paragraph (a) of this subdivision.

§ 3. Subdivision 2 of section 496 of the real property tax law, as added by section 3 of part N of chapter 58 of the laws of 2011, is amended to read as follows:

2. An application to renounce an exemption shall be made on a form prescribed by the commissioner and shall be filed with the county director of real property tax services no later than ten years after the levy of taxes upon the assessment roll on which the renounced exemption appears. The county director, after consulting with the assessor as appropriate, shall compute the total amount owed on account of the renounced exemption as follows:
(a) For each assessment roll on which the renounced exemption appears, the assessed value that was exempted shall be multiplied by the tax rate or rates that were applied to that assessment roll. Interest shall then be added to each such product at the rate prescribed by section nine hundred twenty-four-a of this chapter or such other law as may be applicable for each month or portion thereon since the levy of taxes upon such assessment roll.

(b) The sum of the calculations made pursuant to paragraph (a) of this subdivision with respect to all of the assessment rolls in question shall be determined.

(c) A processing fee of five hundred dollars shall be added to the sum determined pursuant to paragraph (b) of this subdivision, unless the provisions of paragraph (d) of this subdivision are applicable.

(d) If the applicant is renouncing a STAR exemption in order to qualify for the personal income tax credit authorized by subsection (eee) of section six hundred six of the tax law, and no other exemptions are being renounced on the same application, no processing fee shall be applicable.

§ 4. Subdivision 3 of section 520 of the real property tax law, as added by chapter 635 of the laws of 1978, is amended to read as follows:

3. For purposes of any fiscal year or years during which title to such property is transferred, such property shall be deemed to have been omitted and the assessed value thereof shall be entered on the assessment roll to be used for the next tax levy by or for each municipal corporation in which such property is located in the same manner as provided by title three of article five of this chapter with respect to a parcel omitted from the assessment roll of the previous year. A pro rata tax shall be extended against the property for the unexpired
1 portion of each fiscal year. Such real property shall be taxed at the
tax rate or tax rates for the fiscal year during which the transfer
occurred. The amount of tax or taxes levied pursuant to this subdi-
vision shall be deducted from the aggregate amount of taxes to be levied
for the fiscal year immediately succeeding the fiscal year during which
the transfer occurred; provided, however, that where the property is
receiving a school tax relief (STAR) exemption authorized by section
four hundred twenty-five of this chapter, the portion of the tax or
taxes levied that equals the recovered STAR tax savings shall be applied
to reduce the amount of aid payable to the school district under subdi-
vision three of section thirteen hundred six-a of this chapter.

§ 5. Subdivision 5 of section 520 of the real property tax law is
REPEALED.

§ 6. Section 606 of the tax law is amended by adding a new subsection
(eee) to read as follows:

(eee) School tax relief (STAR) credit. (1) Definitions. For purposes
of this subsection:

(A) "Qualified taxpayer" means a resident individual of the state, who
maintained his or her primary residence in this state on December thir-
ty-first of the taxable year, who was an owner of that property on that
date, who cannot receive the STAR exemption on that property either
because (i) he or she is precluded from filing an application for the
STAR exemption on that property pursuant to paragraph (a) of subdivision
sixteen of section four hundred twenty-five of the real property tax
law, or because (ii) he or she has irrevocably renounced his or her
claim to such exemption in conjunction with all other owners pursuant to
paragraph (b) of such subdivision, and who is required or chooses to
file a return under this article.
(B) "Affiliated income" shall mean the combined income of all of the owners of the parcel who resided primarily thereon as of December thirty-first of the taxable year, and of any owners' spouses residing primarily thereon as of such date; provided that the income to be so combined shall be the "adjusted gross income" for the taxable year as reported for federal income tax purposes, or that would be reported as adjusted gross income if a federal income tax return were required to be filed, reduced by distributions, to the extent included in federal adjusted gross income, received from an individual retirement account and an individual retirement annuity.

(C) "Associated fiscal year" means the school district fiscal year that began on July first of the taxable year or, in the case of a city school district that is subject to article fifty-two of the education law, the city fiscal year that began on July first of the taxable year.

(D) "Owner" means:

(i) a person who owns a parcel in fee simple absolute or as a tenant in common, a joint tenant or a tenant by the entirety,

(ii) an owner of a present interest in a parcel under a life estate,

(iii) a vendee in possession under an installment contract of sale,

(iv) a beneficial owner under a trust,

(v) a tenant-stockholder of a cooperative apartment corporation who resides in a portion of real property owned by such cooperative apartment corporation, to the extent represented by his or her share or shares of stock in such corporation as determined by its or their proportional relationship to the total outstanding stock of the corporation, including that owned by the corporation,

(vi) a resident of a farm dwelling that is owned either by a corporation of which the resident is a shareholder, a partnership of which
the resident is a partner, or by a limited liability company of which
the resident is an owner, or
(vii) a resident of a dwelling, other than a farm dwelling, that is
owned by a limited partnership of which the resident is a partner,
provided that the limited partnership that holds title to the property
does not engage in any commercial activity, that the limited partnership
was lawfully created to hold title solely for estate planning and asset
protection purposes, and that the partner or partners who primarily
reside thereon personally pay all of the real property taxes and other
costs associated with the property's ownership.

(E) "Qualifying taxes" means the school district taxes that were
levied upon the taxpayer's primary residence for the associated fiscal
year that were actually paid by the taxpayer during the taxable year;
or, in the case of a city school district that is subject to article
fifty-two of the education law, the combined city and school district
taxes that were levied upon the taxpayer's primary residence for the
associated fiscal year that were actually paid by the taxpayer during
the taxable year. In no case shall the term "qualifying taxes" be
construed to include penalties or interest.

(F) "STAR exemption" means the school tax relief (STAR) exemption
authorized by section four hundred twenty-five of the real property tax
law.

(G) "STAR tax savings" means the tax saving attributable to the STAR
exemption within a portion of a school district, as determined by the
commissioner pursuant to subdivision two of section thirteen hundred
six-a of the real property tax law.

(H) "STAR tax savings figure" means the average of the STAR tax
savings in the various portions of a school district in the associated
1 fiscal year, as determined by the commissioner. Two STAR tax savings
2 figures shall be determined for each school district, one relating to
3 the basic STAR exemption, and the other relating to the enhanced STAR
4 exemption.

(2) Allowance of credit. A qualified taxpayer shall be allowed a cred-
5 it as provided in paragraph three or four of this subsection, whichever
6 is applicable, against the taxes imposed by this article reduced by the
7 credits permitted by this article, provided that the requirements set
8 forth in the applicable subsection are satisfied. If the credit exceeds
9 the tax as so reduced for such year under this article, the excess shall
10 be treated as an overpayment, to be credited or refunded, without inter-
11 est. If a qualified taxpayer is not required to file a return pursuant
12 to section six hundred fifty-one of this article, a qualified taxpayer
13 may nevertheless receive the full amount of the credit to be credited or
14 repaid as an overpayment, without interest.

(3) Determination of basic STAR credit. (A) Beginning with taxable
17 years after two thousand fifteen, a basic STAR credit shall be available
18 to a qualified taxpayer if the affiliated income of the parcel that
19 serves as the taxpayer's primary residence is less than or equal to five
20 hundred thousand dollars.

(B) Subject to the provisions of subparagraph (C) of this paragraph,
22 such basic STAR credit shall be the lesser of:
23 (i) the basic STAR tax savings figure for the school district, or
24 (ii) the taxpayer's qualifying taxes.

(C) If the qualifying taxes paid by the taxpayer constituted only a
26 portion of the total school district taxes that were levied upon the
27 taxpayer's primary residence for the associated fiscal year or, in the
28 case of a city school district that is subject to article fifty-two of
the education law, if the qualifying taxes paid by the taxpayer constituted only a portion of the total combined city and school district taxes that were levied upon the taxpayer's primary residence for the associated fiscal year, the credit allowable to such taxpayer shall be equal to the amount determined pursuant to subparagraph (B) of this paragraph multiplied by the percentage that such portion represents.

(4) Determination of enhanced STAR credit. (A) Beginning with taxable years after two thousand fifteen, an enhanced STAR credit shall be available to a qualified taxpayer where both of the following conditions are satisfied:

(i) All of the owners of the parcel that serves as the taxpayer's primary residence are at least sixty-five years of age as of December thirty-first of the taxable year or, in the case of property owned by a married couple or by siblings, at least one of the owners is at least sixty-five years of age as of that date. The terms "siblings" as used herein shall have the same meaning as set forth in section four hundred sixty-seven of the real property tax law. In the case of property owned by a married couple, one of whom is sixty-five years of age or over, the credit, once allowed, shall not be disallowed because of the death of the older spouse so long as the surviving spouse is at least sixty-two years of age as of December thirty-first of the taxable year.

(ii) The affiliated income of the parcel that serves as the taxpayer's primary residence is less than or equal to the income standard for the taxable year established by the commissioner for the corresponding "income tax year" pursuant to clause (C) of subparagraph (i) of paragraph (b) of subdivision four of section four hundred twenty-five of the real property tax law for purposes of the enhanced STAR exemption.
(B) Subject to the provisions of subparagraph (C) of this paragraph, such credit shall be the lesser of:

(i) the enhanced STAR tax savings figure for the school district, or

(ii) the taxpayer's qualifying taxes.

(C) If the qualifying taxes paid by the taxpayer constituted only a portion of the total school district taxes that were levied upon the taxpayer's primary residence for the associated fiscal year or, in the case of a city school district that is subject to article fifty-two of the education law, if the qualifying taxes paid by the taxpayer constituted only a portion of the total combined city and school district taxes that were levied upon the taxpayer's primary residence for the associated fiscal year, the credit allowable to such taxpayer shall be equal to the amount determined pursuant to subparagraph (B) of this paragraph multiplied by the percentage that such portion represents.

(5) Disqualification. A taxpayer shall not qualify for the credit authorized by this subsection if the parcel that serves as the taxpayer's primary residence received the STAR exemption on the assessment roll upon which school district taxes for the associated fiscal year were levied. Provided, however, that the taxpayer may remove this disqualification by renouncing the exemption and making any required payments by December thirty-first of the taxable year, as provided by subdivision sixteen of section four hundred twenty-five of the real property tax law.

(6) Special cases. (A) In the case of property consisting of a cooperative apartment corporation that is described by paragraph (k) of subdivision two of section four hundred twenty-five of the real property tax law, the amount of the credit allowable with respect to a cooperative apartment shall be equal to sixty percent of the basic STAR tax savings
figure for the school district, or sixty percent of the enhanced STAR
tax savings figure for the school district, whichever is applicable.
Provided, however, that in the case of a cooperative apartment corpo-
ration that is described by subparagraph (iv) of paragraph (k) of subdi-
vision two of section four hundred twenty-five of the real property tax
law, the credit allowable with respect to a cooperative apartment shall
be equal to twenty percent of such figure.

(B) In the case of property consisting of a mobile home that is
described in paragraph (1) of subdivision two of section four hundred
twenty-five of the real property tax law, the amount of the credit
allowable with respect to such mobile home shall be equal to twenty-five
percent of the basic STAR tax savings figure for the school district,
or twenty-five percent of the enhanced STAR tax savings figure for the
school district, whichever is applicable.

(C) In the case of a primary residence that is located in two or more
school districts, the applicable basic or enhanced STAR tax savings
figure shall be determined as follows:

(i) determine the sum of the total school district taxes that were
levied upon the taxpayer's primary residence for the associated fiscal
year by each of the school districts in which the residence is located;
(ii) for each such school district, divide the total school district
taxes that were levied upon the taxpayer's primary residence by that
school district for the associated fiscal year by the sum determined in
clause (i) of this subparagraph. Express the result as a percentage with
two decimal places;
(iii) for each such school district, multiply the percentage deter-
mined in clause (ii) of this subparagraph by the basic or enhanced STAR
tax savings figure, whichever is applicable; and
(iv) add the products determined in clause (iii) of this subparagraph.

(7) Disclosure of incomes. Where the commissioner has denied a taxpayer's claim for the credit authorized by this subsection in whole or in part on the grounds that the affiliated income of the parcel in question exceeds the applicable limit, the commissioner shall have the authority to reveal to that taxpayer the names and incomes of the other taxpayers whose incomes were included in the computation of such affiliated income.

(8) Proof of claim. The commissioner may require a qualified taxpayer to furnish the following information in support of his or her claim for credit under this subsection: affiliated income, the total school district taxes levied on the property for the associated fiscal year or, in the case of a city school district that is subject to article fifty-two of the education law, the total combined city and school district taxes levied on the property for the associated fiscal year, the qualifying taxes paid by the taxpayer, the names and taxpayer identification numbers of all owners of the property and spouses who primarily reside on the property, the parcel identification number and all other information that may be required by the commissioner to determine the credit.

(9) Returns. If a qualified taxpayer is not required to file a return pursuant to section six hundred fifty-one of this article, a claim for a credit may be taken on a return filed with the commissioner within three years from the time it would have been required that a return be filed pursuant to such section had the qualified taxpayer had a taxable year ending on December thirty-first. Returns under this paragraph shall be in such form as shall be prescribed by the commissioner, who shall make available such forms and instructions for filing such returns.
(10) Administration. The provisions of this article, including the provisions of sections six hundred fifty-three, six hundred fifty-eight, and six hundred fifty-nine of this article and the provisions of part six of this article relating to procedure and administration, including the judicial review of the decisions of the commissioner, except so much of section six hundred eighty-seven of this article that permits a claim for credit or refund to be filed after the period provided for in paragraph nine of this subsection and except sections six hundred fifty-seven, six hundred eighty-eight and six hundred ninety-six of this article, shall apply to the provisions of this subsection in the same manner and with the same force and effect as if the language of those provisions had been incorporated in full into this subsection and had expressly referred to the credit allowed or returns filed under this subsection, except to the extent that any such provision is either inconsistent with a provision of this subsection or is not relevant to this subsection. As used in such sections and such part, the term "taxpayer" shall include a qualified taxpayer under this subsection and, notwithstanding the provisions of subsection (e) of section six hundred ninety-seven of this article, where a qualified taxpayer has protested the denial of a claim for credit under this subsection and the time to file a petition for redetermination of a deficiency or for refund has not expired, he or she shall, subject to such conditions as may be set by the commissioner, receive such information (A) that is contained in any return filed under this article by a member of his or her household for the taxable year for which the credit is claimed, and (B) that the commissioner finds is relevant and material to the issue of whether such claim was properly denied.
(11) In the case of a taxpayer who has itemized deductions from federal adjusted gross income, and whose federal itemized deductions include an amount for real estate taxes paid, the New York itemized deduction otherwise allowable under section six hundred fifteen of this chapter shall be reduced by the amount of the credit claimed under this subsection.

§ 7. The opening paragraph of subparagraph (a) of paragraph 2 of subsection (n-1) of section 606 of the tax law, as added by section 1 of subpart B of part C of chapter 20 of the laws of 2015, is amended to read as follows:

(a-2) Notwithstanding any provision of law to the contrary, where a renewal application for the "enhanced" STAR exemption authorized by subdivision four of this section has not been filed on or before the taxable status date, and the owner believes that good cause existed for
the failure to file the renewal application by that date, the owner may, no later than the last day for paying school taxes without incurring interest or penalty, submit a written request to the commissioner asking him or her to extend the filing deadline and grant the exemption. Such request shall contain an explanation of why the deadline was missed, and shall be accompanied by a renewal application, reflecting the facts and circumstances as they existed on the taxable status date. After consulting with the assessor, the commissioner may extend the filing deadline and grant the exemption if the commissioner is satisfied that (i) good cause existed for the failure to file the renewal application by the taxable status date, and that (ii) the applicant is otherwise entitled to the exemption. The commissioner shall mail notice of his or her determination to such owner and the assessor. If the determination states that the commissioner has granted the exemption, the assessor shall thereupon be authorized and directed to correct the assessment roll accordingly, or, if another person has custody or control of the assessment roll, to direct that person to make the appropriate corrections. If the correction is not made before school taxes are levied, the failure to take the exemption into account in the computation of the tax shall be deemed a "clerical error" for purposes of title three of article five of this chapter, and shall be corrected accordingly.

cause existed for the failure to file the renewal application by that
date, the owner may, no later than the last day for paying taxes without
incurring interest or penalty, submit a written request to the assessor
asking him or her to extend the filing deadline and grant the exemption.
Such request shall contain an explanation of why the deadline was
missed, and shall be accompanied by a renewal application, reflecting
the facts and circumstances as they existed on the taxable status date.
The assessor may extend the filing deadline and grant the exemption if
he or she is satisfied that (i) good cause existed for the failure to
file the renewal application by the taxable status date, and that (ii)
the applicant is otherwise entitled to the exemption. The assessor shall
mail notice of his or her determination to the owner. If the determi-
nation states that the assessor has granted the exemption, he or she
shall thereupon be authorized and directed to correct the assessment
roll accordingly, or, if another person has custody or control of the
assessment roll, to direct that person to make the appropriate
corrections. If the correction is not made before taxes are levied, the
failure to take the exemption into account in the computation of the tax
shall be deemed a "clerical error" for purposes of title three of arti-
cle five of this chapter, and shall be corrected accordingly.
§ 3. This act shall take effect on the sixtieth day after it shall
have become a law.

(2) The amount of the credit under this paragraph shall be determined based upon the taxpayer's income as defined in subparagraph (ii) of paragraph (b) of subdivision four of section four hundred twenty-five of
the real property tax law. For the purposes of this paragraph, any
taxpayer under subparagraphs (A) and (B) of this paragraph with income

Twenty-five percent of tax credits shall be allocated to businesses accepted into the program under subdivision four of section three hundred fifty-three of this article and seventy-five percent of tax credits shall be allocated to businesses accepted into the program under subdivision three of section three hundred fifty-three of this article.

Provided, however, if by September thirtieth of a calendar year, the department has not allocated the full amount of credits available in that year to either: (i) businesses accepted into the program under subdivision four of section three hundred fifty-three of this article or (ii) businesses accepted into the program under subdivision three of section three hundred fifty-three of this article, the commissioner may allocate any remaining tax credits to businesses referenced in paragraphs (i) and (ii) of this section as needed; provided, however, that under no circumstances may the aggregate statutory cap for all program years be exceeded. One hundred percent of the unawarded amounts remaining at the end of two thousand twenty-four may be allocated in subsequent years, notwithstanding the fifty percent limitation on any amounts of tax credits not awarded in taxable years two thousand eleven through two thousand twenty-four. Provided, however, no tax credits may be allowed for taxable years beginning on or after January first, two thousand thirty.

§ 2. Subdivision 5 of section 354 of the economic development law, as amended by section 2 of part C of chapter 68 of the laws of 2013, is amended to read as follows:

A participant may claim tax benefits commencing in the first taxable year that the business enterprise receives a certificate of tax credit or the first taxable year listed on its preliminary schedule of benefits, whichever is later. A participant may claim such benefits for the next nine consecutive taxable years, provided that the participant demonstrates to the department that it continues to satisfy the eligibility criteria specified in section three hundred fifty-three of this article and subdivision two of this section in each of those taxable years, and provided that no tax credits may be allowed for taxable years beginning on or after January first, two thousand thirty. If, in any given year, a participant who has satisfied the eligibility criteria specified in section three hundred fifty-three of this article realizes job creation less than the estimated amount, the credit shall be reduced by the proportion of actual job creation to the estimated amount, provided the proportion is at least seventy-five percent of the jobs estimated.

§ 3. Subdivision (b) of section 31 of the tax law, as added by section 7 of part G of chapter 61 of the laws of 2011, is amended to read as follows:

(b) To be eligible for the excelsior jobs program credit, the taxpayer shall have been issued a "certificate of tax credit" by the department of economic development pursuant to subdivision four of section three hundred fifty-four of the economic development law, which certificate shall set forth the amount of each credit component that may be claimed for the taxable year. A taxpayer may claim such credit for ten consecutive taxable years commencing in the first taxable year that the taxpayer receives a certificate of tax credit or the first taxable year listed on its preliminary schedule of benefits, whichever is later.
provided that no tax credits may be allowed for taxable years beginning
on or after January first, two thousand thirty. The taxpayer shall be
allowed to claim only the amount listed on the certificate of tax credit
for that taxable year. Such certificate must be attached to the taxpayer's return. No cost or expense paid or incurred by the taxpayer shall
be the basis for more than one component of this credit or any other tax
credit, except as provided in section three hundred fifty-five of the
economic development law.

§ 4. This act shall take effect immediately.

PART P

Section 1. Subdivision (c) of section 24 of the tax law, as added by
section 1 of part P of chapter 60 of the laws of 2004, is amended to
read as follows:

(c) Cross-references. For application of the credit provided for in
this section, see the following provisions of this chapter:

(2) article 22: section 606: subsection (gg).

§ 2. Subdivision (a) and paragraphs 2, 4, and 5 of subdivision (e) of
section 38 of the tax law, as added by section 1 of part EE of chapter
59 of the laws of 2013, are amended to read as follows:

(a) A taxpayer that is an eligible employer or an owner of an eligible
employer as defined in subdivision (b) of this section shall be eligible
for a credit against the tax imposed under article nine, nine-A, twenty-
[thirty-two] or thirty-three of this article, pursuant to the
provisions referenced in subdivision (e) of this section.

(4) [Article 32: Section 1456, subsection (z)].

(5) Article 33: Section 1511, subdivision (cc).

§ 3. Paragraph (e) of subdivision 1 of section 209 of the tax law, as added by section 5 of part A of chapter 59 of the laws of 2014, is amended to read as follows:

(e) At the end of each year, the commissioner shall review the cumulative percentage change in the consumer price index. The commissioner shall adjust the receipt thresholds set forth in this subdivision if the consumer price index has changed by ten percent or more since January first, two thousand fifteen, or since the date that the thresholds were last adjusted under this subdivision. The thresholds shall be adjusted to reflect that cumulative percentage change in the consumer price index. The adjusted thresholds shall be rounded to the nearest one thousand dollars. As used in this paragraph, "consumer price index" means the consumer price index for all urban consumers (CPI-U) available [form] from the bureau of labor statistics of the United States department of labor. Any adjustment shall apply to tax periods that begin after the adjustment is made.

§ 4. The opening paragraph of paragraph (a) of subdivision 5 of section 210-A of the tax law, as amended by section 23 of part T of chapter 59 of the laws of 2015, is amended to read as follows:

A financial instrument is a "nonqualified financial instrument" if it is not a qualified financial instrument. A qualified financial instrument means a financial instrument that is of a type described in any of clauses (A), (B), (C), (D), (G), (H) or (I) of subparagraph two of this paragraph and that has been marked to market in the taxable year by the taxpayer under section 475 or section 1256 of the internal revenue code. Further, if the taxpayer has in the taxable year marked to market a
financial instrument of the type described in any of the clauses (A), (B), (C), (D), (G), (H) or (I) of subparagraph two of this paragraph, then any financial instrument within that type described in the above specified clause or clauses that has not been marked to market by the taxpayer under section 475 or section 1256 of the internal revenue code is a qualified financial instrument in the taxable year. Notwithstanding the two preceding sentences, (i) a loan secured by real property shall not be a qualified financial instrument, (ii) if the only loans that are marked to market by the taxpayer under section 475 or section 1256 of the internal revenue code are loans secured by real property, then no loans shall be qualified financial instruments, [and] (iii) stock that is investment capital as defined in paragraph (a) of subdivision five of section two hundred eight of this article shall not be a qualified financial instrument, and (iv) stock that generates other exempt income as defined in subdivision six-a of section two hundred eight of this article and that is not marked to market under section 475 or section 1256 of the internal revenue code shall not constitute a qualified financial instrument with respect to the income from that stock that is described in such subdivision six-a. If a corporation is included in a combined report, the definition of qualified financial instrument shall be determined on a combined basis.

§ 5. Paragraph (c) of subdivision 7 of section 210-B of the tax law, as added by section 17 of part A of chapter 59 of the laws of 2014, is amended to read as follows:

(c) Average number of individuals employed full-time. For the purposes of this subdivision, average number of individuals employed full-time shall be computed by adding the number of such individuals employed by the taxpayer at the end of each quarter during each taxable year or
other applicable period and dividing the sum so obtained by the number
of such quarters occurring within such taxable year or other applicable
period; provided however, except that in computing base year employment,
there shall be excluded therefrom any employee with respect to whom a
credit provided for under subdivision [six of this section is] nineteen

as added by section 17 of part A of chapter 59 of the laws of 2014, is
amended to read as follows:
(a) Application of credit. A taxpayer shall be allowed a credit, to be
credited against the tax imposed by this article, equal to the amount of
the special additional mortgage recording tax paid by the taxpayer
pursuant to the provisions of subdivision one-a of section two hundred
fifty-three of this chapter [or] on mortgages recorded. Provided, howev-
er, no credit shall be allowed with respect to a mortgage of real prop-
erty principally improved or to be improved by one or more structures
containing in the aggregate not more than six residential dwelling
units, each dwelling unit having its own separate cooking facilities,
where the real property is located in one or more of the counties
comprising the metropolitan commuter transportation area. Provided
further, however, no credit shall be allowed with respect to a mortgage
of real property principally improved or to be improved by one or more
structures containing in the aggregate not more than six residential
dwelling units, each dwelling unit having its own separate cooking
facilities, where the real property is located in the county of Erie.

45. Order of credits. [(a)] Credits allowable under this article which cannot be carried over and which are not refundable shall be deducted first. [The credit allowable under subdivision six of this section shall be deducted immediately after the deduction of all credits allowable under this article which cannot be carried over and which are not refundable, whether or not a portion of such credit is refundable.] Credits allowable under this article which can be carried over, and carryovers of such credits, shall be deducted next [after the deduction of the credit allowable under subdivision six of this section], and among such credits, those whose carryover is of limited duration shall be deducted before those whose carryover is of unlimited duration. Credits allowable under this article which are refundable [(other than the credit allowable under subdivision six of this section)] shall be deducted last.

§ 8. Paragraph (a) of subdivision 3 of section 210-C of the tax law, as added by section 18 of part A of chapter 59 of the laws of 2014, is amended to read as follows:

(a) Subject to the provisions of paragraph (c) of subdivision two of this section, a taxpayer may elect to treat as its combined group all corporations that meet the ownership requirements described in paragraph (a) of subdivision two of this section (such corporations collectively referred to in this subdivision as the "commonly owned group"). If that election is made, the commonly owned group shall calculate the combined business income, combined capital, and fixed dollar minimum bases of all members of the group in accordance with [paragraph] subdivision four of
this subdivision section, whether or not that business income or business capital is from a single unitary business.

§ 9. Paragraph I of subdivision 1 of section 11-604 of the administrative code of the city of New York, as added by chapter 491 of the laws of 2007, is amended to read as follows:

(b) has no investment capital or income at any time during the taxable year;

(c) has no subsidiary capital or income at any time during the taxable year; and

(d) has gross income, as defined in section sixty-one of the internal revenue code, less than two hundred fifty thousand dollars for the taxable year:

the tax imposed by subdivision one of section 11-603 of this subchapter shall be the greater of the tax on entire net income computed under clause one of subparagraph (a) of paragraph E of this subdivision and the fixed dollar minimum tax specified in clause four of subparagraph (a) of paragraph E of this subdivision.

For purposes of this paragraph, for taxable years beginning before January first, two thousand fifteen, any corporation for which an election under subsection (a) of section six hundred sixty of the tax law is not in effect for the taxable year may elect to treat as entire net income the sum of:
1. (i) entire net income as determined under section two hundred eight of
the tax law; and
2. (ii) any deductions taken for the taxable year in computing federal
taxable income for New York city taxes paid or accrued under this chapter.

§ 10. Subdivision 2 of section 11-651 of the administrative code of
the city of New York, as added by section 1 of part D of chapter 60 of
the laws of 2015, is amended to read as follows:

2. Each reference in the tax law or this code to subchapters two or
three of this chapter, or any of the provisions thereof, shall be deemed
a reference also to this subchapter, and any of the applicable

chapter 60 of the laws of 2015, is amended to read as follows:

1. (i) satisfy the definition of a capital asset under section 1221 of the
internal revenue code at all times the taxpayer owned such stocks during
the taxable year; (ii) are held by the taxpayer for investment for more
than one year; (iii) the dispositions of which are, or would be, treated
by the taxpayer as generating long-term capital gains or losses under
the internal revenue code; (iv) for stocks acquired on or after January
first, two thousand fifteen, at any time after the close of the day in
which they are acquired, have never been held for sale to customers in
the regular course of business; and (v) before the close of the day on
which the stock was acquired, are clearly identified in the taxpayer's
records as stock held for investment in the same manner as required
under section 1236(a)(1) of the internal revenue code for the stock of a dealer in securities to be eligible for capital gain treatment (whether or not the taxpayer is a dealer of securities subject to section 1236), provided, however, that for stock acquired prior to October first, two thousand fifteen that was not subject to section 1236(a) of the internal revenue code, such identification in the taxpayer's records must occur before October first, two thousand fifteen. Stock in a corporation that is conducting a unitary business with the taxpayer, stock in a corporation that is included in a combined report with the taxpayer pursuant to the commonly owned group election in subdivision three of section 11-654.3 of this subchapter, and stock issued by the taxpayer shall not constitute investment capital. For purposes of this subdivision, if the taxpayer owns or controls, directly or indirectly, less than twenty percent of the voting power of the stock of a corporation, that corporation will be presumed to be conducting a business that is not unitary with the business of the taxpayer.

§ 12. Subparagraph 2 of paragraph (a) of subdivision 18 of section 11-654 of the administrative code of the city of New York, as added by section 1 of part D of chapter 60 of the laws of 2015, is amended to read as follows:

(2) The amount determined in this subparagraph is the product of (i) the excess of (A) the tax computed under clause (i) of subparagraph one of paragraph (e) of subdivision one of this section, without allowance of any credits allowed by this section, over (B) the tax so computed, determined as if the corporation had no such distributive share or guaranteed payments with respect to the unincorporated business, and (ii) a fraction, the numerator of which is four and the denominator of which is eight and eighty-five one hundredths, [provided however,] except that in
the case of a financial corporation as defined in clause (i) of subparagraph one of paragraph (e) of subdivision one of this section, such
denominator is nine, and in the case of a taxpayer that is subject to
paragraph (j) or (k) of subdivision one of this section, such denomina-
tor shall be the rate of tax as determined by such paragraph (j) or (k)
for the taxable year; [and,] provided[,] however,[,] that the amounts
computed in subclauses (A) and (B) of clause (i) of this subparagraph
shall be computed with the following modifications:
(A) such amounts shall be computed without taking into account any
carryforward or carryback by the partner of a net operating loss or a
prior net operation loss conversion subtraction;
(B) if, prior to taking into account any distributive share or guaran-
teed payments from any unincorporated business or any net operating loss
carryforward or carryback, the entire net income of the partner is less
than zero, such entire net income shall be treated as zero; and
(C) if such partner's net total distributive share of income, gain,
loss and deductions of, and guaranteed payments from, any unincorporated
business is less than zero, such net total shall be treated as zero. The
amount determined in this subparagraph shall not be less than zero.
§ 13. Subparagraph 1 of paragraph (b) of subdivision 18 of section
11-654 of the administrative code of the city of New York, as added by
section 1 of part D of chapter 60 of the laws of 2015, is amended to
read as follows:
(1) Notwithstanding anything to the contrary in paragraph (a) of this
subdivision, in the case of a corporation that, before the application
of this subdivision or any other credit allowed by this section, is
liable for the tax on business income under clause (i) of subparagraph
one of paragraph (e) of subdivision one of this section, the credit or
the sum of the credits that may be taken by such corporation for a taxable year under this subdivision with respect to an unincorporated business or unincorporated businesses in which it is a partner shall not exceed the tax so computed, without allowance of any credits allowed by this section, multiplied by a fraction the numerator of which is four and the denominator of which is eight and eighty-five one-hundredths [provided, however], except that in the case of a financial corporation as defined in clause (i) of subparagraph one of paragraph (e) of subdivision one of this section, such denominator is nine, and in the case of a taxpayer that is subject to paragraph (j) or (k) of subdivision one of this section, such denominator shall be the rate of tax as determined by such paragraph (j) or (k) for the taxable year. If the credit allowed under this subdivision or the sum of such credits exceeds the product of such tax and such fraction, the amount of the excess may be carried forward, in order, to each of the seven immediately succeeding taxable years and, to the extent not previously taken, shall be allowed as a credit in each of such years. In applying the provisions of the preceding sentence, the credit determined for the taxable year under paragraph (a) of this subdivision shall be taken before taking any credit carryforward pursuant to this paragraph and the credit carryforward attributable to the earliest taxable year shall be taken before taking a credit carryforward attributable to a subsequent taxable year.

§ 14. Subparagraph 8 of paragraph (a) of subdivision 21 of section 11-654 of the administrative code of the city of New York, as added by section 1 of part D of chapter 60 of the laws of 2015, is amended to read as follows:

to the district and to solicit the same.
2. Notwithstanding any other provision of this chapter or of any other
general or special law to the contrary, the receipt of such gifts,
donations and contributions made pursuant to article twenty-five of this
chapter, and any income derived therefrom, shall be disregarded for the
purposes of all apportionments, computations, and determinations of
state aid.
§ 4. The tax law is amended by adding a new section 42 to read as follows:

§ 42. Education scholarship and program tax credit. (a) Definitions. For the purposes of this section, the following terms shall have the same meanings as provided in section twelve hundred ten of the education law: "Authorized Contribution", "Contribution", "Educational program", "Educational scholarship organization", "Eligible pupil", "Local education fund", "Non-public school", "Public education entity", "Public school", "Qualified contribution", "Qualified school", "Scholarship", and "School improvement organization".

(b) Allowance of credit. A taxpayer subject to tax under article nine-A or twenty-two of this chapter shall be allowed an education scholarship and program tax credit against such tax, pursuant to the provisions referenced in subdivision (1) of this section, with respect to qualified contributions made during the taxable year.

(c) Amount of credit. The amount of the credit shall be the lesser of seventy-five per cent of the taxpayer's total qualified contributions or one million dollars. If the taxpayer is a partner in a partnership or shareholder of a New York S corporation, then the cap imposed by the preceding sentence shall be applied at the entity level, so that the aggregate credit allowed to all the partners or shareholders of each such entity in the taxable year does not exceed one million dollars.

(d) Information to be posted on the department's website. Beginning on the sixteenth day of January of each year, the commissioner shall maintain on the department's website a running total of the amount of available credit for which taxpayers may apply pursuant to this section. Additionally, the commissioner shall maintain on the department's website a list of the school improvement organizations, local education
funds and educational scholarship organizations approved to issue
certificates of receipt pursuant to article twenty-five of the education
law. The commissioner shall also maintain on the department's website a
list of public education entities, school improvement organizations,
local education funds and educational scholarship organizations whose
approval to issue certificates of receipt has been revoked, along with
the date of such revocation.

(e) Applications for contribution authorization certificates. Prior to
making a contribution to a public education entity, school improvement
organization, local education fund, or educational scholarship organiza-
tion, the taxpayer shall apply to the department for a contribution
authorization certificate for such contribution. Such application shall
be in the form and manner prescribed by the department. The department
may allow taxpayers to make multiple applications on the same form,
provided that each contribution listed on such application shall be
treated as a separate application and that the department shall issue
separate contribution authorization certificates for each such applica-
tion.

(f) Contribution authorization certificates. 1. Issuance of certif-
icates. The commissioner shall issue contribution authorization certif-
icates in two phases. In phase one, which begins on the first day of
January and ends on the fifteenth day of January, the commissioner shall
accept applications for contribution authorization certificates, but
shall not issue any such certificates. Commencing after the sixteenth
day of January, the commissioner shall issue contribution authorization
certificates for applications received during phase one, provided that
if the aggregate total of the contributions for which applications have
been received during phase one exceeds the amount of the credit cap in
subdivision (h) of this section, phase one of the applications shall be allocated in two steps. In step one, the credit cap shall be divided by the number of applications to determine a base allocation. Each application requesting the base allocation or less shall be approved. In step two, the remaining funds shall be calculated and allocated among the other applications on a dollar pro rata basis. If the credit cap is not exceeded, phase two commences on January sixteenth and ends on November first, during which period the commissioner shall issue contribution authorization certificates on a first-come first-served basis based upon the date the department received the taxpayer's application for such certificate; provided, however, that if on any day the department receives applications requesting contribution authorization certificates for contributions that in the aggregate exceed the amount of the remaining available credit on such day, the authorized contribution amount listed in each contribution authorization certificate shall be the taxpayer's pro-rata share of the remaining available credit. For purposes of determining a taxpayer's pro-rata share of remaining available credit, the commissioner shall multiply the amount of remaining available credit by a fraction, the numerator of which equals the total contribution amount listed on the taxpayer's application and the denominator of which equals the aggregate amount of contributions listed on the applications for contribution authorization certificates received on such day. Contribution authorization certificates for applications received during phase one shall be mailed no later than the fifth day of February. Contribution authorization certificates for applications received during phase two shall be mailed within twenty days of receipt of such applications. Provided, however, that no contribution authorization certificates for applications received during phase two shall be...
issued until all of the contribution authorization certificates for applications received during phase one have been issued.

2. Contribution authorization certificate contents. Each contribution authorization certificate shall state: (i) the date such certification was issued; (ii) the date by which the authorized contribution listed in the certificate must be made, which shall be no later than November thirtieth of the year for which the contribution authorization certificate was issued; (iii) the taxpayer's name and address; (iv) the amount of authorized contributions; (v) the contribution authorization certificate's certificate number; (vi) the name and address of the public education entity, school improvement organization, local education fund or educational scholarship organization for which the taxpayer may make the authorized contribution; and (vii) any other information that the commissioner deems necessary.

3. Notification of the issuance of a contribution authorization certificate. Upon issuance of a contribution authorization certificate, the commissioner shall notify the educational scholarship organization, public education entity, school improvement organization or local education fund of the issuance of the contribution authorization certificate to a taxpayer. Such notification shall include: (i) the taxpayer's name and address; (ii) the date such certificate was issued; (iii) the date by which the authorized contribution listed in the notification must be made by the taxpayer; (iv) the amount of the authorized contribution; (v) contribution authorization certificate; and (vi) any other information that the commissioner deems necessary.

(g) Certificate of receipt. 1. In general. No public education entity, school improvement organization, local education fund, or educational scholarship organization shall issue a certificate of receipt for any
contribution made by a taxpayer unless such public education entity, school improvement organization, local education fund, or educational scholarship organization has been approved to issue certificates of receipt pursuant to article twenty-five of the education law. No public education entity, school improvement organization, local education fund, or educational scholarship organization shall issue a certificate of receipt for a contribution made by a taxpayer unless such public education entity, school improvement organization, local education fund, or educational scholarship organization has received notice from the department that the department issued a credit authorization certificate to the taxpayer for such contribution.

2. Timely contribution. If a taxpayer makes an authorized contribution to the public education entity, school improvement organization, local education fund, or educational scholarship organization set forth on the authorization certificate issued to the taxpayer no later than the date by which such authorized contribution is required to be made, such public education entity, school improvement organization, local education fund, or educational scholarship organization shall, within thirty days of receipt of the authorized contribution, issue to the taxpayer a written certificate of receipt; provided, however, that if the taxpayer contributes an amount that is less than the amount listed on the taxpayer's contribution authorization certificate, the taxpayer shall not be issued a certificate of receipt for such contribution.

3. Certificate of receipt contents. Each certificate of receipt shall state: (i) the name and address of the issuing public education entity, school improvement organization, local education fund, or educational scholarship organization; (ii) the taxpayer's name and address; (iii) the date for each contribution; (iv) the amount of each contribution and
the corresponding contribution authorization certificate number; (v) the
total amount of contributions; and (vi) any other information that the
commissioner deems necessary.

4. Notification to the department of the issuance of a certificate of
receipt. Upon the issuance of a certificate of receipt, the issuing
public education entity, school improvement organization, local educa-
tion fund, or educational scholarship organization shall, within thirty
days of issuing the certificate of receipt, provide the department with
notification of the issuance of such certificate in the form and manner
prescribed by the department.

5. Notification to the department of the non-issuance of a certificate
of receipt. Each public education entity, school improvement organiza-
tion, local education fund, or educational scholarship organization that
received notification from the department pursuant to subdivision (f) of
this section regarding the issuance of a contribution authorization
certificate to a taxpayer shall, within thirty days of the expiration
date for such authorized contribution, provide notification to the
department for each taxpayer that failed to make the authorized contrib-
ution to such public education entity, school improvement organization,
local education fund, or educational scholarship organization in the
form and manner prescribed by the department.

6. Failure to notify the department. Within thirty days of discovery
of the failure of any public education entity, school improvement organ-
ization, local education fund, or educational scholarship organization
to comply with the notification requirements prescribed by paragraphs
four and/or five of this subdivision, the commissioner shall issue a
notice of compliance failure to such entity, program fund or organiza-
tion. Such entity, program fund or organization shall have thirty days
from the date of such notice to make the notifications prescribed by paragraphs four and/or five of this subdivision. Such period may be extended for an additional thirty days upon the request of the entity, program fund or organization. Upon the expiration of the period for compliance set forth in the notice prescribed by this paragraph, the commissioner shall notify the commissioner of education that such entity, program fund or organization failed to make the notifications prescribed by paragraphs four and/or five of this subdivision.

(h) Credit cap. The maximum permitted credits under this section available annually for calendar year two thousand seventeen and all following years to all taxpayers for qualified contributions to public education entities, school improvement organizations, and local education funds shall be twenty million dollars. The maximum permitted credits under this section available annually for calendar year two thousand seventeen and all following years to all taxpayers for qualified contributions to educational scholarship organizations shall be fifty million dollars.

(i) Additions to the credit cap. Unissued certificates of receipt. Any amounts for which the department receives notification of non-issuance of a certificate of receipt shall be added to the cap prescribed in subdivision (h) of this section for the immediately following year.

(j) Other requirements; miscellaneous. Record keeping. Each taxpayer shall, for each taxable year for which the education scholarship and program tax credit provide for under this section is claimed, maintain records of the following information: (i) contribution authorization certificates obtained pursuant to subdivision (f) of this section, and (ii) certificates of receipt obtained pursuant to subdivision (g) of this section.

read as follows:
§ 478-a. Jeopardy assessments. If the commissioner believes that the
collection of any tax will be jeopardized by delay, he or she may deter-

interest and penalties provided by law, against any person liable there-

his or her return is required to be filed. The amount so determined

responsibility, or such other security acceptable to the commissioner,
conditioned upon payment of the amount assessed and interest thereon, or

article seventy-eight of the civil practice law and rules as provided in
section four hundred seventy-eight of this article, such payment to be
made when the assessment or any such reduction thereof becomes final and

proceeding under article seventy-eight of the civil practice law and
rules is commenced as provided in section four hundred seventy-eight of
this article, deposit of the taxes, penalties and interest assessed
shall not be required as a condition precedent to the commencement of
such proceeding. Where a jeopardy assessment is made, any property seized for the collection of the tax shall not be sold: (1) until expiration of the time to apply for a hearing as provided in section four hundred seventy-eight of this article, and (2) if such application is timely filed, until the expiration of the time to file an exception to the determination of the administrative law judge or, if an exception is timely filed, until four months after the tax appeals tribunal has given notice of its decision to the person against whom the assessment is made; provided, however, such property may be sold at any time if such person has failed to attend a hearing of which he or she has been duly notified, or if he or she consents to the sale, or if the commissioner determines that the expenses of conservation and maintenance will greatly reduce the net proceeds, or if the property is perishable.

§ 2. This act shall take effect immediately.

PART X

Section 1. Paragraph 2 of subdivision (e) of section 1105 of the tax law, as amended by section 1 of part Q of chapter 59 of the laws of 2012, is amended to read as follows:

(2) Except as provided in subdivision (r) of section eleven hundred eleven of this part, when occupancy is provided, for a single consideration, with property, services, amusement charges, or any other items, the separate sale of which is not subject to tax under this article, and the rent paid for such occupancy does not qualify for the exemption in subdivision (kk) of section eleven hundred fifteen of this article, the entire consideration shall be treated as rent subject to tax under paragraph one of this subdivision; provided, however, that where the amount
of the rent for occupancy is stated separately from the price of such property, services, amusement charges, or other items, on any sales slip, invoice, receipt, or other statement given the occupant, and such rent is reasonable in relation to the value of such property, services, amusement charges or other items, only such separately stated rent will be subject to tax under paragraph one of this subdivision.

§ 2. Section 1115 of the tax law is amended by adding a new subdivision (kk) to read as follows:

(kk) Rent paid by a room remarketer to an operator that is not a room remarketer for an occupancy that the room remarketer intends to provide to an occupant for rent shall be exempt from the hotel unit fee imposed by section eleven hundred four of this article and the tax imposed by subdivision (e) of section eleven hundred five of this article, provided that such room remarketer furnishes such operator a certificate in such form and containing such information as may be prescribed by the commissioner. The exemption certificate provided for by this subdivision shall be administered by the commissioner in conformity with the rules for exemption or resale certificates in subparagraph (i) of paragraph one of subdivision (c) of section eleven hundred thirty-two of this article.

§ 3. Paragraph 4 of subdivision a of section 11-2502 of the administrative code of the city of New York, as amended by section 4 of part Q of chapter 59 of the laws of 2012, is amended to read as follows:

(4) (i) When occupancy is provided, for a single consideration, with property, services, amusement charges, or any other items, the separate sale of which is not subject to tax under this chapter, and the rent paid for such occupancy does not qualify for the exemption in subdivision 1 of this section, the entire consideration shall be treated as rent subject to tax under paragraph one of this subdivision; provided,
however, that where the amount of the rent for occupancy is stated separately from the price of such property, services, amusement charges or other items on any sales slip, invoice, receipt, or other statement given the occupant and such rent is reasonable in relation to the value of such property, services, amusement charges, or other items, only such separately stated rent will be subject to tax under this subdivision.

(ii) In regard to the collection of tax on occupancies by remarketers, when occupancy is provided, for a single consideration, with property, services, amusement charges, or any other items, whether or not such other items are taxable, the rent portion of the consideration for such sale shall be computed as follows: the total consideration for the sale multiplied by a fraction, the numerator of which shall be the consideration paid to the hotel for the occupancy and the denominator of which shall be the consideration paid to the hotel for the occupancy plus the consideration paid to the providers of the other items being sold, or by any other reasonable method pursuant to which the rent portion of consideration would be no less than the computation of rent portion of consideration under subparagraph (i) of this paragraph. Nothing herein shall be construed to subject to tax or exempt from tax any service or property or amusement charge or other items otherwise subject to tax or exempt from tax under this chapter.

§ 4. Section 11-2502 of the administrative code of the city of New York is amended by adding a new subdivision 1 to read as follows:

such information as may be prescribed by the commissioner of finance.

The operator shall retain such statement and provide it to the commissioner of finance upon request.

§ 5. This act shall take effect immediately and apply to rent paid for occupancies on or after June 1, 2016.

After receiving the certificate of the commissioner with respect to actual credit usage or modification of the same, the comptroller shall forthwith adjust general fund receipts and the revenues to be deposited or disposed of under this article to reflect the difference so certified by the commissioner. The commissioner shall not be liable for any overestimate or underestimate of the amount of the utility credit which has been accrued to reduce tax liability under such section one hundred eighty-six-a. Nor shall the commissioner be liable for any inaccuracy in any certificate with respect to the amount of such credit actually used or any required adjustment with respect to actual credit usage, but the commissioner shall as soon as practicable after discovery of any error adjust the next certification under this section to reflect any such error.

Prior to making deposits as provided in this section, the comptroller shall retain such amount as the commissioner may determine to be necessary, subject to the approval of the director of the budget, for reasonable costs of the department in administering and collecting the taxes deposited pursuant to this section and for refunds and reimbursements with respect to such taxes, out of which the comptroller shall pay any refunds or reimbursements of such taxes to which taxpayers shall be entitled.

for use, distribution, storage or sale in the state or produces,
refines, manufactures or compounds in this state or (ii) if the tax has
not been imposed prior to its sale in this state, which he sells (which
acts shall in regard to motor fuel hereinafter in this article be encom-
passed by the phrase "imported, manufactured or sold"), except when
imported, manufactured or sold under circumstances which preclude the
collection of such tax by reason of the United States constitution and
of the laws of the United States enacted pursuant thereto or when
imported or manufactured by an organization described in paragraph one
or two of subdivision (a) of section eleven hundred sixteen of this
article or a hospital included in the organizations described in para-

the laws of 2015, is amended to read as follows:
(i) Any local law, ordinance or resolution enacted by any city of less than one million or by any county or school district, imposing the taxes authorized by this subdivision, shall, notwithstanding any provision of law to the contrary, exclude from the operation of such local taxes all sales of tangible personal property for use or consumption directly and predominantly in the production of tangible personal property, gas, electricity, refrigeration or steam, for sale, by manufacturing, processing, generating, assembly, refining, mining or extracting; and all sales of tangible personal property for use or consumption predominantly either in the production of tangible personal property, for sale, by farming or in a commercial horse boarding operation, or in both; and all sales of fuel sold for use in commercial aircraft and general aviation; and, unless such city, county or school district elects otherwise, shall omit the provision for credit or refund contained in clause six of subdivision (a) or subdivision (d) of section eleven hundred nineteen of this chapter.

§ 6. Subparagraphs (xii) and (xiii) of paragraph 4 of subdivision (a) of section 1210 of tax law, as amended by section 3 of part Z of chapter 59 of the laws of 2015, are amended and a new subparagraph (xiv) is added to read as follows:

(xii) shall omit, unless such city elects otherwise, the exemption for residential solar energy systems equipment and electricity provided in subdivision (ee) of section eleven hundred fifteen of this chapter; [and] (xiii) shall omit, unless such city elects otherwise, the exemption for commercial solar energy systems equipment and electricity provided in subdivision (ii) of section eleven hundred fifteen of this chapter; and (xiv) shall exclude from the operation of such local taxes all sales of fuel sold for use in commercial aircraft and general
aviation aircraft. Any reference in this chapter or in any local law, ordinance or resolution enacted pursuant to the authority of this article to former subdivisions (n) or (p) of this section shall be deemed to be a reference to clauses (xii) or (xiii) of this paragraph, respectively, and any such local law, ordinance or resolution that provides the exemptions provided in such former subdivisions (n) and/or (p) shall be deemed instead to provide the exemptions provided in clauses (xii) and/or (xiii) of this paragraph.

§ 7. Notwithstanding any law to the contrary, the comptroller is hereby authorized and directed to transfer from the general fund for deposit into the mass transportation operating assistance fund, pursuant to section 88-a of the state finance law and the dedicated mass transportation trust fund, pursuant to section 89-c of the state finance law, upon request of the director of the budget, on or before March 31 of each year, an amount equal to the amount of revenue received by the commissioner of taxation and finance during the state fiscal year from petroleum business taxes imposed pursuant to the authority of section 301-e of the tax law that would have otherwise been directed to such funds pursuant to section 312 of the tax law as such section was in effect on the day before this act became a law.

§ 8. Sections one, two and seven of this act shall take effect April 1, 2017; provided however that sections three, four, five and six of this act shall take effect December 1, 2017; and provided further that if section 19 of part Wl of chapter 109 of the laws of 2006 shall have not expired on or before such date then section four of this act shall take effect on the same date and in the same manner as such chapter of the laws of 2006 takes effect.
Section 1. Subdivision 2 of section 228 of the racing, pari-mutuel wagering and breeding law, as amended by chapter 18 of the laws of 2008, the opening paragraph as amended by chapter 236 of the laws of 2015, is amended to read as follows:

2. The New York state gaming commission shall, as a condition of racing, require any franchised corporation and every other corporation subject to its jurisdiction to withhold one percent of all purses, except that for the franchised corporation, starting on September first, two thousand seven and continuing through August thirty-first, two thousand sixteen, two percent of all purses shall be withheld, and, in the case of the franchised corporation, to pay such sum to the horsemen's organization or its successor that was first entitled to receive payments pursuant to this section in accordance with rules of the commission adopted effective November third, nineteen hundred eighty-three representing at least fifty-one percent of the owners and trainers [utilizing] using the facilities of such franchised corporation, on the condition that such horsemen's organization shall expend [as much as is necessary, but not to exceed] one-half of one percent of such total sum[,] to conduct equine drug testing research and to acquire and maintain the equipment required to [establish a program at a state college within this state with an approved equine science program to] test for the presence of drugs, including but not limited to steroids, in horses at a suitable laboratory, as the gaming commission may determine in its discretion, provided further that the qualified organization shall also, in an amount to be determined by its board of directors, annually include in its expenditures for benevolence programs, funds to support
an organization providing services necessary to backstretch employees, and, in the case of every other corporation, to pay such one percent sum of purses to the horsemen's organization or its successor that was first entitled to receive payments pursuant to this section in accordance with rules of the commission adopted effective May twenty-third, nineteen hundred eighty-six representing at least fifty-one percent of the owners and trainers utilizing the facilities of such corporation.

In either case, any other horsemen's organization may apply to the [board] commission to be approved as the qualified organization to receive payment of the one percent of all purses by submitting to the [board] commission proof of both, that (i) it represents more than fifty-one percent of all the owners and trainers utilizing the same facilities and (ii) the horsemen's organization previously approved as qualified by the [board] commission does not represent fifty-one percent of all the owners and trainers utilizing the same facilities. If the [board] commission is satisfied that the documentation submitted with the application of any other horsemen's organization is conclusive with respect to items (i) and (ii) of this paragraph, it may approve the applicant as the qualified recipient organization.

In the best interests of racing, upon receipt of such an application, the [board] commission may direct the payments to the previously qualified horsemen's organization to continue uninterrupted, or it may direct the payments to be withheld and placed in interest-bearing accounts for a period not to exceed ninety days, during which time the [board] commission shall review and approve or disapprove the application. Funds held in such manner shall be paid to the organization approved by the [board] commission. In no event shall the [board] commission accept more
than one such application in any calendar year from the same horsemen's organization.

The funds authorized to be paid by the [board] commission are to be used exclusively for the benefit of those horsemen racing in New York state through the administrative purposes of such qualified organization, benevolent activities on behalf of backstretch employees, and for the promotion of equine research.

§ 2. Section 902 of the racing, pari-mutuel wagering and breeding law, as amended by chapter 60 of the laws of 1993, subdivision 1 as amended by chapter 15 of the laws of 2010, and subdivision 2 as amended by chapter 18 of the laws of 2008, is amended to read as follows:

The [state racing and wagering board] gaming commission shall promulgate any rules and regulations necessary to implement the provisions of this section, including administrative penalties of loss of purse money, fines, or denial, suspension[,] or revocation of a license for racing drugged horses.

2. Notwithstanding any inconsistent provision of law, all costs and expenses of the [state racing and wagering board] gaming commission for equine drug testing and research shall be paid from an appropriation from the state treasury, on the certification of the [chairman] chair of the [state racing and wagering board] gaming commission, upon the audit and warrant of the comptroller and pursuant to a plan developed by the
Part BB

Section 1. Subdivision 1 of section 236 of the racing, pari-mutuel wagering and breeding law, as amended by chapter 18 of the laws of 2008, is amended to read as follows:

1. Every corporation authorized under this chapter to conduct pari-mutuel betting at a race meeting on races run thereat, except as provided in section two hundred thirty-eight of this article with respect to the franchised corporation, shall distribute all sums deposited in any pari-mutuel pool to the holders of winning tickets therein, providing such tickets be presented for payment before April first of the year following the year of their purchase, less an amount [which] that shall be established and retained by such racing corporation of between fourteen to twenty [per centum] percent of the total deposits in pools resulting
from regular on-track bets and less sixteen to twenty-two [per centum] percent of the total deposits in pools resulting from multiple on-track bets and less twenty to thirty [per centum] percent of the total deposits in pools resulting from exotic on-track bets and less twenty to thirty-six [per centum] percent of the total pools resulting from super exotic on-track bets, plus the breaks. The retention rate to be established is subject to the prior approval of the [racing and wagering board] gaming commission. Such rate may not be changed more than once per calendar quarter to be effective on the first day of the calendar quarter. "Exotic bets" and "multiple bets" shall have the meanings set forth in section five hundred nineteen of this chapter and breaks are hereby defined as [the odd cents over any multiple of ten, or for exotic bets over any multiple of fifty, or for super exotic bets, over any multiple of one hundred, calculated on the basis of one dollar, otherwise payable to a patron provided, however, that effective after October fifteenth, nineteen hundred ninety-four breaks are hereby defined as] the odd cents over any multiple of five for payoffs greater than one dollar five cents but less than five dollars, over any multiple of ten for payoffs greater than five dollars but less than twenty-five dollars, over any multiple of twenty-five for payoffs greater than twenty-five dollars but less than two hundred fifty dollars, or over any multiple of fifty for payoffs over two hundred fifty dollars. "Super exotic bets" shall have the meaning set forth in section three hundred one of this chapter. Of the amount so retained there shall be paid by such corporation to the department of taxation and finance as a reasonable tax by the state for the privilege of conducting pari-mutuel betting on the races run at the race meeting held by such corporation, which tax is hereby levied, the following percentages of the total pool, plus fifty-
five [per centum] percent of the breaks; the applicable rates for regular and multiple bets shall be one and one-half [per centum] percent; the applicable rates for exotic bets shall be six and three-quarter [per centum] percent and the applicable rate for super exotic bets shall be seven and three-quarter [per centum] percent. Effective on and after September first, nineteen hundred ninety-four, the applicable tax rate shall be one [per centum] percent of all wagers, provided that, an amount equal to one-half the difference between the taxation rate for on-track regular, multiple and exotic bets as of December thirty-first, nineteen hundred ninety-three and the rates on such on-track wagers as herein provided shall be used exclusively for purses. Provided, however, that for any twelve-month period beginning on April first in nineteen hundred ninety and any year thereafter, each of the applicable rates set forth above shall be increased by one-quarter of one [per centum] percent on all on-track bets of any such racing corporation that did not expend an amount equal to at least one-half of one [per centum] percent of its on-track bets during the immediately preceding calendar year for enhancements consisting of capital improvements as defined by section two hundred thirty-seven of this article, repairs to its physical plant, structures, and equipment used in its racing or wagering operations as certified by the [state racing and wagering board] gaming commission to the commissioner of taxation and finance no later than eighty days after the close of such calendar year, and five special events at each track in each calendar year, not otherwise conducted in the ordinary course of business, the purpose of which shall be to encourage, attract and promote track attendance and encourage new and continued patronage, which events shall be [approved by the racing and wagering board] subject to the prior approval of the gaming commission for purposes of
this subdivision. In the determination of the amounts expended for such enhancements, the [board] gaming commission may consider the immediately preceding [twelve month] twelve-month calendar period or the average of the two immediately preceding [twelve month] twelve-month calendar periods. Provided further, however, that of the portion of the increased amounts retained by such corporation above those amounts retained in nineteen hundred eighty-four, an amount of such increase shall be distributed to purses in the same proportion as commissions and purses were distributed during nineteen hundred eighty-four as certified by the [board] gaming commission. Such corporation in the second zone shall receive a credit against the daily tax imposed by this subdivision in an amount equal to four-tenths of one [per centum] percent of total daily pools resulting from the simulcast of such corporation's races to licensed facilities operated by regional off-track betting corporations in accordance with section one thousand eight of this chapter, provided however, that sixty [per centum] percent of the amount of such credit shall be used exclusively to increase purses for overnight races conducted by such corporation; and, provided further, that in no event shall such total daily credit exceed four-tenths of one [per centum] percent of the total daily pool of such corporation. [Provided, however, that on and after September first, nineteen hundred ninety-four such credit shall be four-tenths percent of total daily pools resulting from such simulcasting and that in no event shall such total daily credit equal four-tenths percent of the total daily pool of such corporation.] Such corporation shall pay to the New York state thoroughbred breeding and development fund one-half of one [per centum] percent of the total daily on-track pari-mutuel pools from regular, multiple and exotic bets, and three [per centum] percent of super exotic bets. The corporation
shall receive credit as a reduction of the tax by the state for the privilege of conducting pari-mutuel betting for the amounts, except amounts paid from super exotic betting pools, paid to the New York state thoroughbred breeding and development fund after January first, nineteen hundred seventy-eight.

Such corporation shall distribute to purses an amount equal to fifty percent of any compensation it receives from simulcasting or from wagering conducted outside the United States. Such corporation shall pay to the [racing and wagering board] gaming commission as a regulatory fee, which fee is hereby levied, [fifty hundredths] six-tenths of one percent of the total daily on-track pari-mutuel pools of such corporation.

§ 2. Paragraph (d) of subdivision 1 of section 238 of the racing, pari-mutuel wagering and breeding law, as amended by chapter 18 of the laws of 2008, is amended to read as follows:

(d) (i) The pari-mutuel tax rate authorized by paragraph (a) of this subdivision shall be effective so long as a franchised corporation notifies the [racing and wagering board] gaming commission by August fifteenth of each year that such pari-mutuel tax rate is effective of its intent to conduct a race meeting at Aqueduct racetrack during the months of December, January, February, March and April. For purposes of this paragraph such race meeting shall consist of not less than ninety-five days of racing. Not later than May first of each year that such pari-mutuel tax rate is effective, the [racing and wagering board] gaming commission shall determine whether a race meeting at Aqueduct racetrack consisted of the number of days as required by this paragraph. In determining the number of race days, cancellation of a race day because of an act of God[, which] that the [racing and wagering board]
gaming commission approves or because of weather conditions that are unsafe or hazardous which the [racing and wagering board] gaming commission approves shall not be construed as a failure to conduct a race day. Additionally, cancellation of a race day because of circumstances beyond the control of such franchised corporation for which the [racing and wagering board] gaming commission gives approval shall not be construed as a failure to conduct a race day. If the [racing and wagering board] gaming commission determines that the number of days of racing as required by this paragraph have not occurred then the pari-mutuel tax rate in paragraph (a) of this subdivision shall revert to the pari-mutuel tax rates in effect prior to January first, nineteen hundred ninety-five.

(ii) Such franchised corporation shall pay to the [racing and wagering board] gaming commission as a regulatory fee, which fee is hereby levied, [fifty hundredths] six-tenths of one [per centum] percent of the total daily on-track pari-mutuel pools of such franchised corporation.

§ 3. Paragraph d of subdivision 1 of section 318 of the racing, pari-mutuel wagering and breeding law, as amended by section 3 of part B of chapter 59 of the laws of 2005, is amended to read as follows:

d. Every harness racing association or corporation shall pay to the [board] gaming commission as a regulatory fee, which fee is hereby levied, [fifty hundredths] six-tenths of one percent of the total daily on-track pari-mutuel pools of such association or corporation.

§ 4. The opening paragraph and the opening paragraph of subdivision 1 of section 527 of the racing, pari-mutuel wagering and breeding law, the opening paragraph as amended by chapter 18 of the laws of 2008 and the opening paragraph of subdivision 1 as amended by chapter 300 of the laws of 2015, are amended to read as follows:
Each regional corporation conducting off-track betting shall distribute all sums deposited in any pari-mutuel pool through such corporation to the holders of winning tickets therein, providing such tickets be presented for payment prior to April first of the year following the year of their purchase, less an amount that it shall retain at the same rate established by the track accepting wagers from each such regional corporation.

The disposition of the retained commission from pools resulting from regular, multiple or exotic bets, as the case may be, whether placed on races run within a region or outside a region, conducted by racing corporations, harness racing associations or corporations, quarter horse racing associations or corporations or races run outside the state shall be governed by the tables in paragraphs a and b of this subdivision. The rate denominated "state tax" shall represent the rate of a reasonable tax imposed upon the retained commission for the privilege of conducting off-track pari-mutuel betting, which tax is hereby levied and shall be payable in the manner set forth in this section. Each off-track betting corporation shall pay to the [racing and wagering board] gaming commission as a regulatory fee, which fee is hereby levied, [fifty hundredths] six-tenths of one percent of the total daily pools of such corporation.

Each corporation shall also pay twenty [per centum] percent of the breaks derived from bets on harness races and fifty [per centum] percent of the breaks derived from bets on all other races to the agriculture and New York State horse breeding and development fund and to the thoroughbred breeding and development fund, the total of such payments to be apportioned fifty [per centum] percent to each such fund. For the purposes of this section, the New York city, Suffolk, Nassau, and the Catskill regions shall constitute a single region and any thoroughbred
track located within the Capital District region shall be deemed to be
within such single region. A "regional meeting" shall refer to either
harness or thoroughbred meetings, or both, except that a franchised
corporation shall not be a regional track for the purpose of receiving
distributions from bets on thoroughbred races conducted by a thorough-
bred track in the Catskill region conducting a mixed meeting. With the
exception of a harness racing association or corporation first licensed
to conduct pari-mutuel wagering at a track located in Tioga or Saratoga
county after January first, two thousand five, racing corporations first
licensed to conduct pari-mutuel racing after January first, nineteen
hundred eighty-six or a harness racing association or corporation first
licensed to conduct pari-mutuel wagering at a track located in Genesee
County after January first, two thousand five, and quarter horse tracks
shall not be "regional tracks"; if there is more than one harness track
within a region, such tracks shall evenly divide payments made pursuant
to the tables in paragraphs a and b of this subdivision when neither
track is running. In the event a track elects to reduce its retained
percentage from any or all of its pari-mutuel pools, the payments to the
track holding the race and the regional track required by paragraphs a
and b of this subdivision shall be reduced in proportion to such
reduction. Nothing in this section shall be construed to authorize the
conduct of off-track betting contrary to the provisions of section five
hundred twenty-three of this article.

§ 5. Paragraph a of subdivision 1 of section 904 of the racing, pari-
mutuel wagering and breeding law, as amended by chapter 18 of the laws
of 2008, are amended to read as follows:

a. The applicable state tax provided for in paragraphs a and b of
subdivision one of section five hundred twenty-seven of this chapter
shall be one-half [per centum] percent for regular, multiple and exotic bets.
