The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act enacts into law major components of legislation
2 which are necessary to implement the state fiscal plan for the 2016-2017
3 state fiscal year. Each component is wholly contained within a Part
4 identified as Parts A through V. The effective date for each particular
5 provision contained within such Part is set forth in the last section of
6 such Part. Any provision in any section contained within a Part, includ-
7 ing the effective date of the Part, which makes a reference to a section
8 "of this act", when used in connection with that particular component,
9 shall be deemed to mean and refer to the corresponding section of the
10 Part in which it is found. Section three of this act sets forth the
11 general effective date of this act.

12 PART A

13 Section 1. This act shall be known as the "Metropolitan Transportation
14 Authority (MTA) Capital Financing Act of 2016". This act commits the
15 state of New York (state) and the city of New York (city) to fund, over
16 a multi-year period, \$10,828,000,000 in capital costs related to
17 projects contained in the MTA's 2015-2019 capital program (capital
18 program). The state share of \$8,336,000,000 shall consist of
19 \$1,000,000,000 in appropriations first enacted in the 2015-2016 state
20 budget and additional funds sufficient for MTA to pay \$7,336,000,000 of
21 capital costs as provided herein. The city share of \$2,492,000,000 shall
22 consist of \$657,000,000 to be provided by the city from 2015 through
23 2019, and additional funds sufficient for MTA to pay \$1,835,000,000 of
24 capital costs for the capital program. The \$7,336,000,000 of additional
25 funds to be provided by the state may be used by the MTA to pay direct

1 capital costs and/or the state may fund such \$7,336,000,000 of capital
2 costs through financing mechanisms undertaken by the MTA.

3 § 2. (a) The additional funds provided by the state pursuant to
4 section one of this act shall be scheduled and made available to pay for
5 the costs of the capital program after MTA capital resources planned for
6 the capital program, not including additional city and state funds, have
7 been exhausted, or when MTA capital resources planned for the capital
8 program are not available. It is anticipated that state funds shall be
9 required by, and provided to, the MTA in an amount to support
10 \$1,500,000,000 of capital costs in the first year in which planned MTA
11 capital resources are exhausted; \$2,600,000,000 in the second year;
12 \$1,840,000,000 in the third year and \$1,396,000,000 in the fourth year
13 or thereafter.

14 (b) Such funds may be provided to the MTA through direct payments from
15 the state and/or financing mechanisms undertaken by the MTA utilizing
16 aid paid by the state on a schedule sufficient to support the capital
17 costs outlined in this act. The director of the budget (director) shall
18 annually determine the level of funding required to meet the state's
19 commitment and recommend such amounts for inclusion in the executive
20 budget. In making such determination, the director shall consider the
21 availability of MTA capital resources planned for the capital program,
22 the current progress and timing of the MTA capital program, the financ-
23 ing mechanisms employed by the MTA, if any, and any other pertinent
24 factors.

25 (c) State funding amounts, whether direct or in support of a financing
26 mechanism undertaken by the MTA, shall be subject to appropriation with-
27 in applicable annual state budgets; provided, however, that in the event
28 the state does not appropriate the full amount of the funding required

1 pursuant to this act in any year, such action shall not reduce the
2 commitment of the state to fund the full state share specified in
3 section one of this act, with the state fulfilling its aggregate commit-
4 ment in this act no later than state fiscal year 2025-2026 or by the
5 completion of the capital program. In the event that the MTA has
6 exhausted all currently available sources of funding, the MTA may, with
7 the approval of the director, issue anticipation notes or other obli-
8 gations secured solely by the additional funds specified in subdivision
9 (a) of this section and shall provide for capitalized interest thereon.

10 § 3. In order to annually determine the adequacy and pace of the level
11 of state funding in support of the MTA's capital program, and to gauge
12 the availability of MTA capital resources planned for the capital
13 program, the director may request, and the MTA shall provide, periodic
14 reports on the MTA's capital programs and financial activities in a form
15 and on a schedule prescribed by the director.

16 § 4. Subdivision 12 of section 1269 of the public authorities law, as
17 amended by section 1 of part E of chapter 58 of the laws of 2012, is
18 amended to read as follows:

27 dollars [prior to January one, two thousand thirteen; shall not exceed
28 thirty-nine billion five hundred forty-four million prior to January

1 one, two thousand fourteen; and shall not exceed forty-one billion eight
2 hundred seventy-seven million dollars thereafter]. Such aggregate prin-
3 cipal amount of bonds, notes or other obligations or the expenditure
4 thereof shall not be subject to any limitation contained in any other
5 provision of law on the principal amount of bonds, notes or other obli-
6 gations or the expenditure thereof applicable to the authority, the
7 Triborough bridge and tunnel authority or the New York city transit
8 authority. The aggregate limitation established by this subdivision
9 shall not include (i) obligations issued to refund, redeem or otherwise
10 repay, including by purchase or tender, obligations theretofore issued
11 either by the issuer of such refunding obligations or by the authority,
12 the New York city transit authority or the Triborough bridge and tunnel
13 authority, (ii) obligations issued to fund any debt service or other
14 reserve funds for such obligations, (iii) obligations issued or incurred
15 to fund the costs of issuance, the payment of amounts required under
16 bond and note facilities, federal or other governmental loans, security
17 or credit arrangements or other agreements related thereto and the
18 payment of other financing, original issue premiums and related costs
19 associated with such obligations, (iv) an amount equal to any original
20 issue discount from the principal amount of such obligations or to fund
21 capitalized interest, (v) obligations incurred pursuant to section
22 twelve hundred seven-m of this article, (vi) obligations incurred to
23 fund the acquisition of certain buses for the New York city transit
24 authority as identified in a capital program plan approved pursuant to
25 chapter fifty-three of the laws of nineteen hundred ninety-two, (vii)
26 obligations incurred in connection with the leasing, selling or trans-
27 ferring of equipment, and (viii) bond anticipation notes or other obli-
28 gations payable solely from the proceeds of other bonds, notes or other

1 obligations which would be included in the aggregate principal amount
2 specified in the first sentence of this subdivision, whether or not
3 additionally secured by revenues of the authority, or any of its subsid-
4 iary corporations, New York city transit authority, or any of its
5 subsidiary corporations, or Triborough bridge and tunnel authority.

6 § 5. This act shall take effect immediately and shall be deemed to
7 have been in full force and effect on and after April 1, 2016.

8 PART B

9 Section 1. Subdivision 7 of section 1209 of the public authorities
10 law, as amended by chapter 334 of the laws of 2001, is amended to read
11 as follows:

12 7. (a) Except as otherwise provided in this section, all purchase
13 contracts for supplies, materials or equipment involving an estimated
14 expenditure in excess of [fifteen] one hundred thousand dollars and all
15 contracts for public work involving an estimated expenditure in excess
16 of [twenty-five] one hundred thousand dollars shall be awarded by the
17 authority to the lowest responsible bidder after obtaining sealed bids
18 in the manner hereinafter set forth. The aforesaid shall not apply to
19 contracts for personal, architectural, engineering or other professional
20 services. The authority may reject all bids and obtain new bids in the
21 manner provided by this section when it is deemed in the public interest
22 to do so or, in cases where two or more responsible bidders submit iden-
23 tical bids which are the lowest bids, award the contract to any of such
24 bidders or obtain new bids from such bidders. Nothing herein shall obli-
25 gate the authority to seek new bids after the rejection of bids or after
26 cancellation of an invitation to bid. Nothing in this section shall

1 prohibit the evaluation of bids on the basis of costs or savings includ-
2 ing life cycle costs of the item to be purchased, discounts, and
3 inspection services so long as the invitation to bid reasonably sets
4 forth the criteria to be used in evaluating such costs or savings. Life
5 cycle costs may include but shall not be limited to costs or savings
6 associated with installation, energy use, maintenance, operation and
7 salvage or disposal.

8 (b) Section twenty-eight hundred seventy-nine of this chapter shall
9 apply to the authority's acquisition of goods or services of any kind,
10 in the actual or estimated amount of fifteen thousand dollars or more,
11 provided that (i) a contract for [personal] services in the actual or
12 estimated amount of less than [twenty] one hundred thousand dollars
13 shall not require approval by the board of the authority regardless of
14 the length of the period over which the services are rendered, and
15 provided further that a contract for [personal] services in the actual
16 or estimated amount of [twenty] one hundred thousand dollars or more
17 shall require approval by the board of the authority regardless of the
18 length of the period over which the services are rendered unless such a
19 contract is awarded to the lowest responsible bidder after obtaining
20 sealed bids and (ii) the board of the authority may by resolution adopt
21 guidelines that authorize the award of contracts to small business
22 concerns, to service disabled veteran owned businesses certified pursu-
23 ant to article seventeen-B of the executive law, or minority or women-
24 owned business enterprises certified pursuant to article fifteen-A of
25 the executive law, or purchases of goods or technology that are recycled
26 or remanufactured, in an amount not to exceed four hundred thousand
27 dollars without a formal competitive process and without further board
28 approval.

1 § 2. Paragraph (a) of subdivision 8 of section 1209 of the public
2 authorities law, as amended by chapter 725 of the laws of 1993, is
3 amended to read as follows:

4 (a) Advertisement for bids, when required by this section, shall be
5 published [at least once in a newspaper of general circulation in the
6 area served by the authority and] in the procurement opportunities news-
7 letter published pursuant to article four-C of the economic development
8 law provided that, notwithstanding the provisions of article four-C of
9 the economic development law, an advertisement shall only be required
10 when required by this section. Publication [in a newspaper of general
11 circulation in the area served or] in the procurement opportunities
12 newsletter shall not be required if bids for contracts for supplies,
13 materials or equipment are of a type regularly purchased by the authori-
14 ty and are to be solicited from a list of potential suppliers, if such
15 list is or has been developed consistent with the provisions of subdivi-
16 sion eleven of this section. Any such advertisement shall contain a
17 statement of: (i) the time and place where bids received pursuant to any
18 notice requesting sealed bids will be publicly opened and read; (ii) the
19 name of the contracting agency; (iii) the contract identification
20 number; (iv) a brief description of the public work, supplies, materi-
21 als, or equipment sought, the location where work is to be performed,
22 goods are to be delivered or services provided and the contract term;
23 (v) the address where bids or proposals are to be submitted; (vi) the
24 date when bids or proposals are due; (vii) a description of any eligi-
25 bility or qualification requirement or preference; (viii) a statement as
26 to whether the contract requirements may be fulfilled by a subcontract-
27 ing, joint venture, or co-production arrangement; (ix) any other infor-
28 mation deemed useful to potential contractors; and (x) the name,

1 address, and telephone number of the person to be contacted for addi-
2 tional information. At least fifteen business days shall elapse between
3 the first publication of such advertisement or the solicitation of bids,
4 as the case may be, and the date of opening and reading of bids.

5 § 3. Subparagraph (i) of paragraph f of subdivision 9 of section 1209
6 of the public authorities law, as added by chapter 929 of the laws of
7 1986, is amended to read as follows:

8 (i) [The] Except for a contract that is awarded pursuant to this para-
9 graph to the proposer whose proposal is the lowest cost, the authority
10 may award a contract pursuant to this paragraph only after a resolution
11 approved by a two-thirds vote of its members then in office at a public
12 meeting of the authority with such resolution (A) disclosing the other
13 proposers and the substance of their proposals, (B) summarizing the
14 negotiation process including the opportunities, if any, available to
15 proposers to present and modify their proposals, and (C) setting forth
16 the criteria upon which the selection was made.

17 § 4. Subdivision 13 of section 1209 of the public authorities law, is
18 renumbered subdivision 15 and two new subdivisions 13 and 14 are added
19 to read as follows:

20 13. Notwithstanding any other provisions in this section, the authori-
21 ty shall be allowed to use an electronic bidding system that may inform
22 bidders whether their bid is the current low bid, and allow bidders to
23 submit new bids before the date and time assigned for the opening of
24 bids. Such procedure shall not constitute disclosure of bids in
25 violation of section twenty-eight hundred seventy-eight of this chapter.

26 14. Whenever the comptroller, pursuant to subdivision one of section
27 twenty-eight hundred seventy-nine-a of this chapter:

1 (a) intends to subject to his or her approval a contract or contract
2 amendment to be awarded by the authority pursuant to this section, the
3 comptroller shall notify the authority in writing of such determination
4 within forty-five days of having received written notice of such
5 contract or contract amendment either in the authority's annual report
6 or any revised report;

7 (b) has notified the authority in writing that any contract or
8 contract amendment awarded pursuant to this section shall be subject to
9 his or her approval, such contract or contract amendment shall become
10 valid and enforceable without such approval if the comptroller has not
11 approved or disapproved such contract or contract amendment within
12 forty-five days of submission to his or her office.

14 added by chapter 324 of the laws of 1965, is amended to read as follows:

16 exercise of its powers[;], including, notwithstanding any other

18 auction in accordance with guidelines adopted by the authority. Such
19 guidelines shall provide for advertising and such other safeguards as
20 the authority may deem appropriate in the public interest.

21 § 6. Subdivision 3 of section 1204 of the public authorities law, as

23 3. Notwithstanding any provision of law to the contrary, the authority

9 (d) The financing of the implementation and operation of the proposed
10 joint arrangement is feasible; and

11 (e) The proposal provides the best value to the authority and the
12 proposed joint arrangement satisfies any other criteria applied by the
13 authority in ascertaining whether implementation and operation of the
14 proposed joint arrangement is in the interests of the authority.

15 4. (a) Nothing in this section shall be construed to require the
16 authority to accept any unsolicited proposal, make any solicitation or
17 request for competitive proposals, or enter into any agreement with any
18 public or private entity.

19 (b) Nothing in this section shall be deemed to (i) supersede or limit

21 6. In the event a public or private entity materially defaults on its
22 obligations under a joint arrangement, the authority is hereby author-
23 ized to acquire all or any portion of any joint arrangement constructed
24 by or in conjunction with such public entity or private entity, with any
25 damages suffered to the authority as a result of such default being an
26 offset to the compensation provided for the acquisition of the joint
27 arrangement. In the event of such acquisition and notwithstanding any

23 make it impracticable to advertise publicly; an appraisal of the esti-
24 mated fair market value of the property has been made by an independent
25 appraiser and included in the record of the transaction; and the consid-
26 eration received by the authority for the property, including the value
27 of other property exchanged, will not be less than the property's
28 appraised value; or

1 (b) the disposal is made to a government or other public entity, and
2 the terms and conditions of the transfer require that the ownership and
3 use of the property will remain with the government or other public
4 entity, or the disposal is part of a transaction that furthers and is
5 within the authority's purpose or mission and the appraised value of the
6 property and other satisfactory terms of disposal are obtained.

7 6. The authority may, whenever it shall determine that it is in the

14 1. To assure the provision of mass transportation services to the
15 public at adequate levels and at reasonable cost, every city, town,
16 village or county not wholly contained within a city, shall have power
17 to adopt local laws to authorize:

18 a. The acquisition, construction, reconstruction, improvement, equip-
19 ment, maintenance, financing, or operation of one or more mass transpor-
20 tation projects. Such municipal corporation shall have power to occupy

11 furnished to and used and maintained by such privately-owned or operated
12 mass transportation facility.

13 e. The making of unconditional grants of money or property to a public
14 authority providing mass transportation services to all or part of such
15 municipal corporation in order to assist such public authority in meet-

17 consist of borrowed funds and such property has not been acquired by the
18 use of borrowed funds. Such purpose is hereby declared to be county,
19 city, town or village purposes, respectively. The provisions of this
20 paragraph are intended as enabling legislation only and shall not be
21 interpreted as implying that absent their enactment a municipal corpo-
22 ration would lack the power to authorize any such grant; but they shall
23 not be interpreted as an authorization to public authorities generally
24 to accept such grants. The acceptance of any such grant by a public
25 authority shall not operate to make such authority an agency of the
26 municipal corporation making the grant.

16 according to terms it designs or has agreed to by contract. Notwith-
17 standing any other law, the municipal corporation may, in allocating and
18 collecting revenues from the district, make use of one or more methods
19 to capture the value created by a mass transportation capital project,
20 including, but not limited to:

21 (i) tax increment financing, meaning the allocation of an increment of
22 property tax revenues in excess of the amount levied at the time prior
23 to planning of a mass transportation capital project;

24 (ii) a special transportation assessment, meaning a charge imposed
25 upon benefited real property in proportion to the benefit received by

27 not constitute a tax;

1 (iii) a transportation utility fee, meaning a charge imposed in
2 proportion to the benefit received from or the demand imposed on a mass

7 twelve of section one hundred two of the real property tax law;

8 (v) some combination of the above or other methods of gaining revenues
9 that the municipal corporation is empowered to use, provided that the
10 total amount of all taxes, assessments, fees, charges, or rates levied
11 on each parcel or lot under this section shall be limited to a propor-
12 tionate amount as near as possible to the actual benefit which each lot
13 or parcel will derive from the mass transportation capital project;

14 (vi) Within any mass transportation capital project district that a
15 municipal corporation shall designate, any limit or cap to the levy or
16 property taxes or assessment of taxable value shall not apply.

8 authorized entity shall ensure that its procurement record reflects the
9 design-build contract process authorized by this act.

10 § 4. An entity selected by the authorized entity to enter into a
11 design-build contract for the project shall be selected through a two-

15 and such other qualifications the authorized entity deems appropriate
16 which may include but are not limited to project understanding, finan-
17 cial capability and record of past performance. The authorized entity
18 shall evaluate and rate all entities responding to the request for qual-
19 ifications. Based upon such ratings, the authorized entity shall list
20 the entities that shall receive a request for proposals in accordance
21 with subdivision two of this section. To the extent consistent with
22 applicable federal law, the authorized entity shall consider, when
23 awarding any contract pursuant to this section, the participation of:
24 (a) firms certified pursuant to article 15-A of the executive law as

5 proposals for the project to the entities listed pursuant to subdivision
6 one of this section. If such an entity consists of a team of separate
7 entities, the entities that comprise such a team must remain unchanged
8 from the entity as listed pursuant to subdivision one of this section
9 unless otherwise approved by the authorized entity. The request for
10 proposals for the project shall set forth the project's scope of work,
11 and other requirements, as determined by the authorized entity. The
12 request for proposals shall specify the criteria to be used to evaluate
13 the responses and the relative weight of each such criteria. Such crite-
14 ria shall include the proposal's cost, the quality of the proposal's
15 solution, the qualifications and experience of the design-build entity,
16 and other factors deemed pertinent by the authorized entity, which may
17 include, but shall not be limited to, the proposal's project implementa-
18 tion, ability to complete the work in a timely and satisfactory manner,
19 maintenance costs of the completed project, maintenance of traffic
20 approach, and community impact. Any contract awarded pursuant to this

22 the proposal, which, in consideration of these and other specified
23 criteria deemed pertinent to the project, offers the best value to the
24 authorized entity, as determined by the authorized entity. Nothing in
25 this act shall be construed to prohibit the authorized entity from nego-
26 tiating final contract terms and conditions including cost.

27 3. Notwithstanding the foregoing provisions of this section, when any
28 person or entity is debarred for having disregarded obligations to

4 least ten per centum, shall be ineligible to submit a bid on or be
5 awarded any contract authorized by this act while the name of the person
6 or entity is published in the list of debarred contractors pursuant to
7 40 U.S.C. 3144. The department of labor will notify the person or entity
8 immediately of such ineligibility and such person or entity must be
9 afforded the opportunity to appeal to the department of labor.

10 § 5. Any contract entered into pursuant to this act shall include a
11 clause requiring that any professional services regulated by articles
12 145, 147 and 148 of the education law shall be performed and stamped and
13 sealed, where appropriate, by a professional licensed in accordance with
14 such articles.

15 § 6. The construction, demolition, reconstruction, excavation, reha-
16 bilitation, repair, renovation of the project undertaken by the author-
17 ized entity pursuant to this act shall be deemed a "public work" to be

19 law, as well as subject to sections 200, 240, 241 and 242 of the labor
20 law and enforcement of prevailing wage requirements by the New York
21 state department of labor.

22 § 7. A project labor agreement shall be included in the request for
23 proposals for the project, provided that, based upon a study done by or
24 for the authorized entity, the authorized entity determines that its
25 interests are best met by requiring a project labor agreement. The
26 authorized entity shall conduct such a study and the project labor
27 agreement shall be performed consistent with the provisions of section
28 222 of the labor law. If a project labor agreement is not performed on

1 the project; (1) the authorized entity shall not utilize a design-build
2 contract for the project; and (2) sections 101 and 103 of the general
3 municipal law shall apply to the project.

4 § 8. Each contract entered into by the authorized entity pursuant to
5 this act shall comply, whenever practical, with the objectives and goals
6 of minority and women-owned business enterprises pursuant to article
7 15-A of the executive law or, if the project receives federal aid, shall
8 comply with applicable federal requirements for disadvantaged business
9 enterprises.

10 § 9. The project undertaken by the authorized entity pursuant to this
11 act shall be subject to the requirements of article 8 of the environ-
12 mental conservation law, and, where applicable, the requirements of the
13 national environmental policy act.

14 § 10. The submission of a proposal or responses or the execution of a
15 design-build contract pursuant to this act shall not be construed to be
16 a violation of section 6512 of the education law.

17 § 11. Nothing contained in this act shall limit the right or obli-
18 gation of the authorized entity to comply with the provisions of any
19 existing contract, including any existing contract with or for the bene-
20 fit of the holders of the obligations of the authorized entity, or to
21 award contracts as otherwise provided by law.

22 § 12. This act shall take effect immediately.

21 reasons therefor, may suspend the operation of such schedule, but not
22 for a longer period than [one hundred and twenty days] four months

26 proper in a proceeding begun after the rate, charge, form of contract or
27 agreement, rule, regulation, service, general privilege or facility had
28 become effective. If such hearing cannot be concluded within the period

1 of suspension as above stated, the commission may extend the suspension

23 has endured severe punishment or is in danger of suffering serious phys-
24 ical injury; and

25 (d) whether the entity has established protocols to effectuate the
26 appropriate and timely medical treatment of injured persons.

27 § 1007. Licenses; general provisions. 1. Except as otherwise provided
28 in sections one thousand six, one thousand eleven, and one thousand

1 seventeen of this article, with respect to all authorized professional
2 combative sports in this state, all corporations, entities, persons,
3 referees, judges, match-makers, timekeepers, professionals, and their
4 managers, trainers, and seconds shall be licensed by the commission. No
5 such corporation, entity or person shall be permitted to participate,
6 either directly or indirectly, in any authorized professional combative
7 sport, or the holding thereof, or the operation of any training facility
8 providing contact sparring maintained either exclusively or in part for
9 the use of professional boxers or professional mixed martial arts
10 participants, unless such corporation or persons shall have first
11 procured a license from the commission. The commission shall establish
12 by rule and regulation licensing standards for all licensees.

13 2. Every application for a license shall be in a form prescribed by
14 the commission, shall be addressed to the commission, shall be
15 subscribed by the applicant, and affirmed by him or her as true under
16 the penalties of perjury, and shall set forth such facts as the
17 provisions hereof and the rules and regulations of the commission may
18 require.

19 3. (a) The commission shall establish reasonable fees, terms and
20 renewal terms for licenses, permits and other authorizations issued
21 pursuant to this article, provided, however, that all terms, renewal
22 terms and fees in effect pursuant to chapter nine hundred twelve of the
23 laws of nineteen hundred twenty, and any subsequent amendments thereto,
24 immediately prior to the enactment of this article, shall remain fixed
25 at their prior statutory levels for a period of two years from enactment
26 of this article. The commission shall publish all fees, including the
27 mentioned, in a single location on its website. All fees set by the

1 commission pursuant to this section shall be subject to the approval of
2 the director of the budget.

3 (b) With respect to the fees established by the commission pursuant to
4 paragraph (a) of this subdivision, when such fees are payable in
5 relation to authorized combative sports constituting mixed martial arts,
6 the following shall apply:

7 (i) by promoters, for contests held where the seating capacity is not
8 more than two thousand five hundred, the promoter shall pay not more
9 than five hundred dollars;

10 (ii) by promoters, for contests held where the seating capacity is
11 greater than two thousand five hundred, but not more than five thousand,
12 the promoter shall pay not more than one thousand dollars;

14 greater than five thousand, but not more than fifteen thousand, the
15 promoter shall pay not more than one thousand five hundred dollars;

16 (iv) by promoters, for contests held where the seating capacity is
17 greater than fifteen thousand, but not more than twenty-five thousand,
18 the promoter shall pay not more than two thousand five hundred dollars;

20 greater than twenty-five thousand, the promoter shall pay not more than
21 three thousand dollars;

22 (vi) for referees and judges, not more than one hundred dollars;

23 (vii) for professional participants, managers and trainers not more
24 than fifty dollars; and

25 (viii) for chief seconds, not more than forty dollars.

26 4. Any license, temporary work permit or other authorization issued
27 under the provisions of this article may be revoked or suspended by the
28 commission when the licensee, permittee or authorized entity has, in the

1 judgment of the commission, violated any provision of this article, rule
2 or order of the commission, demonstrated conduct detrimental to the
3 interests of authorized combative sports generally or to the public
4 interest, or when the commission deems it to be in the best interests of
5 the health and safety of the licensee.

6 (a) Any licensee who suffered a knockout or technical knockout in a
7 combative sport may, upon the recommendation of the attending commission
8 physician, be suspended by the commission, for a period determined by
9 the commission, and shall forfeit his or her license to the commission
10 during such period. Such license shall not be returned to the licensee
11 until he or she has met all requirements, medical and otherwise, for
12 reinstatement of such license. All such suspensions shall be recorded in
13 his or her license by a commission official.

14 (b) Notwithstanding any other provision of law, if any other state
15 shall revoke a licensee's license to compete in combative sports in that
16 state, then the commission may act to revoke any license issued to such
17 licensee pursuant to the provisions of this article.

18 § 1008. Licenses; judges. 1. Except as otherwise provided in sections
19 one thousand six and one thousand seventeen of this article, only a
20 person licensed by the commission, as a combative sports judge, may
21 judge an authorized professional combative sport within the state. Judg-
22 es for any authorized professional combative sport under the jurisdic-
23 tion of the commission shall be selected by the commission from a list
24 of qualified licensed judges maintained by the commission.

25 2. Any participant in a professional combative sport or his or her
26 manager may protest the assignment of a judge to a contest and the
27 participant or manager may be heard by the commission or its designee if

1 such protest is timely. If the protest is untimely it shall be summarily
2 rejected.

3 3. Each person seeking to be licensed as a judge by the commission
4 shall be required to submit to or provide proof of an eye examination
5 and annually thereafter on the anniversary of the issuance of the
6 license. The commission shall establish continuing education programs
7 and requirements to be completed by licensed judges. Each judge must be
8 certified as having completed a training program as approved by the
9 commission and shall pass an examination approved by the commission.

10 4. Each person seeking a license to judge authorized professional
11 combative sports in the state shall be required to fill out a financial
12 questionnaire certifying under penalty of perjury full disclosure of the
13 judge's financial situation on a questionnaire to be promulgated by the
14 commission. Such questionnaire shall be in a form and manner approved
15 by the commission and shall provide information as to areas of actual or
16 potential conflict of interest as well as appearances of such conflicts,
17 including financial responsibility. Within forty-eight hours of any
18 match, each judge of a professional combative sport shall file with the
19 commission a financial disclosure statement in such form and manner as
20 shall be acceptable to the commission.

21 § 1009. Licenses; entities. 1. (a) Except as otherwise provided in
22 sections one thousand six and one thousand seventeen of this article,
23 only entities licensed by the commission may conduct an authorized
24 professional combative sport within the state. The commission may, in
25 its discretion, issue a license to conduct or hold authorized profes-
26 sional combative sports, subject to the provisions hereof, to any person
27 or corporation duly incorporated, or limited liability company author-
28 ized, under the laws of the state of New York.

1 (b) A prospective licensee must submit to the commission proof that it
2 can furnish suitable premises, as determined by the commission, in which
3 such combative sport is to be held.

4 (c) Upon written application the commission may grant to any entity
5 holding a license issued hereunder, the privilege of holding such a
6 match or exhibition on a specified date in other premises, or in another
7 location, than the premises or location previously approved by the
8 commission, subject however to approval of the commission and the rules
9 and regulations of the commission.

10 2. (a) The commission may, in its discretion and in accordance with
11 regulations adopted by the commission to protect the health and safety
12 of professionals in training, issue a license to operate a training
13 facility providing contact sparring maintained either exclusively or in
14 part for the use of professional combative sports participants. At a
15 minimum, any such regulation shall require:

16 (i) first aid materials to be stored in an accessible location on the
17 premises and for the presence on the premises of a person trained and
18 certified in the use of such materials and procedures for cardio-pulmo-
19 nary resuscitation at all times during which the facility is open for
20 training purposes;

21 (ii) clean and sanitary bathrooms, shower rooms, and locker rooms;

22 (iii) adequate ventilation and lighting of accessible areas of the
23 training facility;

26 facility operator;

27 (v) compliance with state and local fire ordinances;

1 (vi) inspection and approval of surfaces on which training for comba-
2 tive sports will be held; and

3 (vii) establishment of a policy for posting all commission license
4 suspensions and license revocations received from the commission includ-
5 ing provisions for enforcement of such suspensions and revocations by
6 the facility operator.

7 (b) A prospective entity licensee shall submit to the commission proof
8 that it can furnish suitable facilities in which the training is to be
9 conducted, including the making of such training facilities available
10 for inspection by the commission at any time during which training is in
11 progress.

12 § 1010. Licenses; professionals. 1. Except as otherwise provided in
13 sections one thousand six, one thousand eleven and one thousand seven-
14 teen of this article, only persons licensed by the commission shall
15 compete in authorized professional combative sports.

16 2. Any professional applying for a license or renewal of a license to
17 participate in combative sports under this article shall undergo a
18 comprehensive physical examination including clinical neurological exam-
19 inations by a physician approved by the commission. If, at the time of
20 such examination, there is any indication of brain injury, or for any
21 other reason the physician deems it appropriate, the professional shall
22 be required to undergo further neurological examinations by a neurolo-
23 gist including magnetic resonance imaging or other medically equivalent
24 procedures. The commission shall not issue a license to a professional
25 until such examinations are completed and reviewed by the commission.
26 The results of all such examinations herein required shall become a part
27 of the professional's permanent medical record as maintained by the
28 commission. The costs of all such examinations shall be assumed by the

1 applicant or promoter with which the professional boxer or mixed martial
2 arts participant is affiliated, regardless of provider.

3 3. Any professional licensed under this article shall, as a condition
4 of licensure, waive right of confidentiality of medical records relating
5 to treatment of any physical condition which relates to his or her abil-
6 ity to fight. All medical reports submitted to, and all medical records
7 of the medical advisory board or the commission relative to the physical
8 examination or condition of professionals shall be considered confiden-
9 tial, and shall be open to examination only to the commission or its
10 authorized representative, to the licensed professional or manager upon
11 written application to examine said records, or upon the order of a
12 court of competent jurisdiction in an appropriate case.

13 § 1011. Temporary working permits. The commission may issue temporary
14 working permits to professionals, their managers, trainers and seconds.
15 A temporary working permit shall authorize the employment of the holder
16 of such permit to engage in a single authorized professional combative
17 sport at a specified time and place. The commission may require that
18 professionals applying for temporary working permits undergo a physical
19 examination and neurological test or procedure, including magnetic reso-
20 nance imaging or medically equivalent procedure. Temporary working
21 permits shall expire upon the completion of the single authorized
22 professional combative sport and any subsequent evaluations or
23 inspections required by the commission. The fee for such temporary
24 working permit shall be established by the commission pursuant to rule.

25 § 1012. Temporary training facilities. The commission in its judgment
26 may exempt from licensing under this article any training facility
27 providing contact sparring established and maintained on a temporary
28 basis for the purpose of preparing professionals for a specific author-

1 ized combative sport to be conducted, held or given within the state of
2 New York.

3 § 1013. Medical advisory board. 1. The medical advisory board created
4 pursuant to chapter nine hundred twelve of the laws of nineteen hundred
5 twenty, and subsequent amendments thereto is hereby continued without
6 interruption. It shall remain a division of the state athletic commis-
7 sion, and shall consist of nine members to be appointed by the governor.
8 The governor shall designate one of such members as chairperson of the
9 advisory board. The term of a member thereafter appointed, except to
10 fill a vacancy, shall be three years from the expiration of the term of
11 his predecessor. Upon the appointment of a successor to the chairperson
12 of the advisory board, the governor shall designate such successor or
13 other member of the advisory board as chairperson. A vacancy occurring
14 otherwise than by expiration of term, shall be filled by appointment by
15 the governor for the remainder only of the term. Each member of the
16 advisory board shall be duly licensed to practice medicine in the state
17 of New York, and at the time of his or her appointment have had at least
18 five years' experience in the practice of his or her profession. The

20 fixed by the commission within the amount provided by appropriation, and
21 shall be allowed and paid necessary traveling and other expenses
22 incurred by them, respectively, in the performance of their duties here-
23 under.

24 2. The advisory board shall have power and it shall be the duty of the
25 board to prepare and submit to the commission for approval regulations
26 and standards for the physical examination of professionals including,
27 without limitation, pre-fight and post-fight examinations and periodic
28 comprehensive examinations. The board shall continue to serve in an

1 advisory capacity to the commission and from time to time prepare and
2 submit to the commission for approval, such additional regulations and
3 standards of examination as in their judgment will safeguard the phys-
4 ical welfare of professionals licensed by the commission. The advisory
5 board shall recommend to the commission from time to time such qualified
6 physicians, who may be designated and employed by the commission for the
7 purpose of conducting physical examinations of professionals and other
8 services as the rules of the commission shall provide. Such physicians,
9 if so employed, shall receive compensation as fixed by the commission
10 within amounts appropriated therefor. The provisions of section seven-
11 teen of the public officers law shall apply to any physician who:

12 (a) is designated and employed by the commission; and

13 (b) is rendering professional services on behalf of the commission to
14 professionals.

15 3. The advisory board shall develop or recommend appropriate medical
16 education programs for all commission personnel involved in the conduct
17 of authorized combative sports so that such personnel can recognize and
18 act upon evidence of potential or actual adverse medical indications in
19 a participant prior to, during or after the course of a match.

20 4. The advisory board shall review the credentials and performance of
21 each commission physician on an annual basis.

22 5. The advisory board shall advise the commission on any study of
23 equipment, procedures or personnel which will, in their opinion, promote
24 the safety of professionals.

25 § 1014. Regulation of authorized professional combative sports. The
26 commission shall promulgate regulations governing the conduct of author-
27 ized professional combative sports that:

- 1 1. establish parameters and limitations on weights and classes of
2 professionals;

15 ment items utilized by professionals;
- 16 8. establish parameters and standards for rings, combat surfaces and
17 appurtenances thereto; and
- 18 9. establish such other rules and conditions as are necessary to
19 effectuate the commission's purpose.

20 § 1015. Conduct of authorized professional combative sports. 1. All
21 buildings or structures used or intended to be used for conducting
22 authorized professional combative sports shall be properly ventilated
23 and provided with fire exits and fire escapes, and in all manner conform
24 to the laws, ordinances and regulations pertaining to buildings in the
25 city, town or village where situated.

26 2. No person under the age of eighteen years shall participate in any
27 authorized professional combative sports, and no person under sixteen
28 years of age shall be permitted to attend thereat as a spectator,

1 provided, however, that a person under the age of sixteen may be permit-
2 ted to attend as a spectator if accompanied by a parent or guardian.

3 3. Except as otherwise provided in sections one thousand six and one
4 thousand seventeen of this article, at each authorized professional
5 combative sport, except where conducted solely for training purposes,
6 there shall be in attendance a duly licensed referee who shall direct
7 and control the same. There shall also be in attendance, except where
8 conducted solely for training purposes, three duly licensed judges who
9 shall at the termination of each such authorized professional combative
10 sport render their decision. The winner shall be determined in accord-
11 ance with a scoring system prescribed by the commission.

12 4. Except as otherwise provided in sections one thousand six and one
13 thousand seventeen of this article, the commission shall direct an
14 employee of the commission to be present at each place where authorized
15 professional combative sports are to be conducted. Such employee of the
16 commission shall ascertain the exact conditions surrounding such author-
17 ized professional combative sport and make a written report of the same
18 in the manner and form prescribed by the commission. Where authorized
19 professional combative sports are approved to be held in a state or city
20 owned armory, the provision of the military law in respect thereto must
21 be complied with.

22 5. Except as otherwise provided in sections one thousand six and one
23 thousand seventeen of this article, any ring or combat surface must be
24 inspected and approved by the commission prior to the commencement of
25 any authorized professional combative sport.

26 6. Except as otherwise provided in sections one thousand six and one
27 thousand seventeen of this article, all professionals must be examined
28 by a physician designated by the commission before entering the ring or

1 combat surface and each such physician shall immediately file with the
2 commission a written report of such examination. The cost of any such
3 examination, as prescribed by a schedule of fees established by the
4 commission, shall be paid by the corporation conducting the authorized
5 professional combative sport to the commission. It shall be the duty of
6 every person or corporation licensed to conduct an authorized profes-

11 attendance.

12 7. The physician shall terminate any authorized professional combative
13 sport if in the opinion of such physician any professional has received
14 severe punishment or is in danger of serious physical injury. In the
15 event of any serious physical injury, such physician shall immediately
16 render any emergency treatment necessary, recommend further treatment or
17 hospitalization if required, and fully report the entire matter to the
18 commission within twenty-four hours and if necessary, subsequently ther-
19 eafter. Such physician may also require that the injured professional
20 and his or her manager remain in the ring or on the premises or report
21 to a hospital after the contest for such period of time as such physi-
22 cian deems advisable. Any professional licensed under this article
23 rendered unconscious or suffering head trauma as determined by the
24 attending physician shall be immediately examined by the attending
25 commission physician and shall be required to undergo neurological exam-
26 inations by a neurologist including but not limited to magnetic reso-
27 nance imaging or medically equivalent procedure.

1 8. Such physician may enter the ring at any time during an authorized
2 professional combative sport and may terminate the match if in his or
3 her opinion the same is necessary to prevent severe punishment or seri-

5 9. Before a license shall be granted to a person or corporation to
6 conduct an authorized professional combative sport, the applicant shall
7 execute and file with the secretary of state a bond in an amount to be
8 determined by the commission, to be approved as to form and sufficiency
9 of sureties thereon by the secretary of state, conditioned for the
10 faithful performance by said corporation of the provisions of this arti-

12 and approval of said bond the secretary of state shall issue to said
13 applicant a certificate of such filing and approval, which shall be, by
14 said applicant, filed in the office of the commission with its applica-

17 commission may impose upon the delinquent a penalty in the sum of not
18 more than one thousand dollars for each offense, which may be recovered
19 by the attorney general in the name of the people of the state of New
20 York in the same manner as other penalties are recovered by law; any
21 amount so recovered shall be paid into the treasury.

22 10. In addition to the bond required by subdivision nine of this
23 section, each applicant for a license to conduct an authorized profes-

22 ipation in such program and the life-threatening brain injury. Where
23 applicable, professional licensees shall be afforded the option to
24 supplement the premiums for the accident insurance or financial guaran-
25 tee to increase the coverage beyond the minimum limits required by this
26 subdivision. The commission may from time to time, promulgate regu-

1 for the suspension or the revocation of the license of such defaulting
2 entity.

3 12. (a) Every individual, corporation, association or club holding any
4 professional or amateur combative sport, including any professional

12 PART R

13 Section 1. Short title. This act shall be known and may be cited as
14 the "private activity bond allocation act of 2016".

15 § 2. Legislative findings and declaration. The legislature hereby
16 finds and declares that the federal tax reform act of 1986 established a
17 statewide bond volume ceiling on the issuance of certain tax exempt
18 private activity bonds and notes and, under certain circumstances,
19 governmental use bonds and notes issued by the state and its public
20 authorities, local governments, agencies which issue on behalf of local
21 governments, and certain other issuers. The federal tax reform act
22 establishes a formula for the allocation of the bond volume ceiling
23 which was subject to temporary modification by gubernatorial executive
24 order until December 31, 1987. That act also permits state legislatures
25 to establish, by statute, an alternative formula for allocating the
26 volume ceiling. Bonds and notes subject to the volume ceiling require

1 an allocation from the state's annual volume ceiling in order to qualify
2 for federal tax exemption.

3 It is hereby declared to be the policy of the state to maximize the
4 public benefit through the issuance of private activity bonds for the
5 purposes of, among other things, allocating a fair share of the bond
6 volume ceiling upon initial allocation and from a bond reserve to local
7 agencies and for needs identified by local governments; providing hous-
8 ing and promoting economic development; job creation; an economical
9 energy supply; and resource recovery and to provide for an orderly and
10 efficient volume ceiling allocation process for state and local agencies
11 by establishing an alternative formula for making such allocations.

12 § 3. Definitions. As used in this act, unless the context requires
13 otherwise:

18 agency, the state of New York mortgage agency, and any other public
19 benefit corporation or public authority designated by the governor for
20 the purposes of this act.

21 12. "Statewide ceiling" means for any calendar year the highest state
22 ceiling (as such term is used in section 146 of the code) applicable to
23 New York state.

24 13. "Future allocations" means allocations of statewide ceiling for up
25 to two future years.

26 14. "Multi-year housing development project" means a project (a) which
27 qualifies for covered bonds;

28 (b) which is to be constructed over two or more years; and

1 (c) in which at least twenty percent of the dwelling units will be
2 occupied by persons and families of low income.

3 § 4. Local agency set-aside. (a) A set-aside of statewide ceiling for
4 local agencies for any calendar year shall be an amount which bears the
5 same ratio to one-third of the statewide ceiling as the population of
6 the jurisdiction of such local agency bears to the population of the
7 entire state. The commissioner shall administer allocations of such
8 set-aside to local agencies.

9 (b) Any financings or bond issuances that utilize the local agency
10 set-aside authorized by this section and executed by entities or succes-
11 sor entities defined by subdivisions 8 and 9 of section 3 of this act,
12 including entities established pursuant to article 18-A of the general
13 municipal law, and corporations established pursuant to section 1411 of
14 the not-for-profit corporation law and article 12 of the private housing
15 finance law, shall be subject to the provisions of article 1-A of the
16 public authorities law.

17 § 5. State agency set-aside. A set-aside of statewide ceiling for all
18 state agencies for any calendar year shall be one-third of the statewide
19 ceiling. The director shall administer allocations of such set-aside to
20 state agencies and may grant an allocation to any state agency upon
21 receipt of an application in such form as the director shall require.

22 § 6. Statewide bond reserve. One-third of the statewide ceiling is
23 hereby set aside as a statewide bond reserve to be administered by the
24 director. 1. Allocation of the statewide bond reserve among state agen-
25 cies, local agencies and other issuers. The director shall transfer a
26 portion of the statewide bond reserve to the commissioner for allocation
27 to and use by local agencies and other issuers in accordance with the
28 terms of this section. The remainder of the statewide bond reserve may

1 be allocated by the director to state agencies in accordance with the
2 terms of this section.

3 2. Allocation of statewide bond reserve to local agencies or other
4 issuers. (a) Local agencies or other issuers may at any time apply to
5 the commissioner for an allocation from the statewide bond reserve. Such
6 application shall demonstrate:

7 (i) that the requested allocation is required under the code for the
8 interest earned on the bonds to be excluded from the gross income of
9 bondholders for federal income tax purposes;

10 (ii) that the local agency's remaining unused allocation provided
11 pursuant to section four of this act, and other issuer's remaining
12 unused allocation, or any available carryforward will be insufficient
13 for the specific project or projects for which the reserve allocation is
14 requested; and

15 (iii) that, except for those allocations made pursuant to section
16 twelve of this act to enable carryforward elections, the requested allo-
17 cation is reasonably expected to be used during the calendar year, and
18 the requested future allocation is reasonably expected to be used in the
19 calendar year to which the future allocation relates.

20 (b) In reviewing and approving or disapproving applications, the
21 commissioner shall exercise discretion to ensure an equitable distrib-
22 ution of allocations from the statewide bond reserve to local agencies
23 and other issuers. Prior to making a determination on such applications,
24 the commissioner shall notify and seek the recommendation of the presi-
25 dent and chief executive officer of the New York state housing finance
26 agency in the case of an application related to the issuance of multi-
27 family housing or mortgage revenue bonds, and in the case of other

1 requests, such state officers, departments, divisions and agencies as
2 the commissioner deems appropriate.

3 (c) Applications for allocations shall be made in such form and
4 contain such information and reports as the commissioner shall require.

5 3. Allocation of statewide bond reserve to state agencies. The direc-
6 tor may make an allocation from the statewide bond reserve to any state
7 agency. Before making any allocation of statewide bond reserve to state
8 agencies the director shall be satisfied: (a) that the allocation is
9 required under the code for the interest earned on the bonds to be
10 excluded from the gross income of bondholders for federal income tax
11 purposes;

12 (b) that the state agency's remaining unused allocation provided
13 pursuant to section five of this act or any available carryforward will
14 be insufficient to accommodate the specific bond issue or issues for
15 which the reserve allocation is requested; and

16 (c) that, except for those allocations made pursuant to section twelve
17 of this act to enable carryforward elections, the requested allocation
18 is reasonably expected to be used during the calendar year, and the
19 requested future allocation is reasonably expected to be used in the
20 calendar year to which the future allocation relates.

21 § 7. Access to employment opportunities. 1. All issuers shall require
22 that any new employment opportunities created in connection with the
23 industrial or manufacturing projects financed through the issuance of
24 qualified small issue bonds shall be listed with the New York state
25 department of labor and with the one-stop career center established
26 pursuant to the federal workforce investment act (Pub. L. No. 105-220)
27 serving the locality in which the employment opportunities are being
28 created. Such listing shall be in a manner and form prescribed by the

1 commissioner. All issuers shall further require that for any new employ-
2 ment opportunities created in connection with an industrial or manufac-
3 turing project financed through the issuance of qualified small issue
4 bonds by such issuer, industrial or manufacturing firms shall first
5 consider persons eligible to participate in workforce investment act
6 (Pub. L. No. 105-220) programs who shall be referred to the industrial
7 or manufacturing firm by one-stop centers in local workforce investment
8 areas or by the department of labor. Issuers of qualified small issue
9 bonds are required to monitor compliance with the provisions of this
10 section as prescribed by the commissioner.

11 2. Nothing in this section shall be construed to require users of
12 qualified small issue bonds to violate any existing collective bargain-
13 ing agreement with respect to the hiring of new employees. Failure on
14 the part of any user of qualified small issue bonds to comply with the
15 requirements of this section shall not affect the allocation of bonding
16 authority to the issuer of the bonds or the validity or tax exempt
17 status of such bonds.

18 § 8. Overlapping jurisdictions. In a geographic area represented by a
19 county local agency and one or more sub-county local agencies, the allo-
20 cation granted by section four of this act with respect to such area of
21 overlapping jurisdiction shall be apportioned one-half to the county
22 local agency and one-half to the sub-county local agency or agencies.
23 Where there is a local agency for the benefit of a village within the
24 geographic area of a town for the benefit of which there is a local
25 agency, the allocation of the village local agency shall be based on the
26 population of the geographic area of the village, and the allocation of
27 the town local agency shall be based upon the population of the
28 geographic area of the town outside of the village. Notwithstanding the

1 foregoing, a local agency may surrender all or part of its allocation
2 for such calendar year to another local agency with an overlapping
3 jurisdiction. Such surrender shall be made at such time and in such
4 manner as the commissioner shall prescribe.

5 § 9. Ineligible local agencies. To the extent that any allocation of
6 the local agency set-aside would be made by this act to a local agency
7 which is ineligible to receive such allocation under the code or under
8 regulations interpreting the state volume ceiling provisions of the
9 code, such allocation shall instead be made to the political subdivision
10 for whose benefit that local agency was created.

11 § 10. Municipal reallocation. The chief executive officer of any poli-
12 tical subdivision or, if such political subdivision has no chief execu-
13 tive officer, the governing board of the political subdivision for the
14 benefit of which a local agency has been established, may withdraw all
15 or any portion of the allocation granted by section four of this act to
16 such local agency. The political subdivision may then reallocate all or
17 any portion of such allocation, as well as all or any portion of the
18 allocation received pursuant to section nine of this act, to itself or
19 any other issuer established for the benefit of that political subdivi-
20 sion or may assign all or any portion of the allocation received pursu-
21 ant to section nine of this act to the local agency created for its
22 benefit. The chief executive officer or governing board of the political
23 subdivision, as the case may be, shall notify, and receive prior
24 approval from the commissioner before any such reallocation.

25 § 11. Future allocations for multi-year housing development projects.
26 1. In addition to other powers granted under this act, the commissioner
27 is authorized to make the following future allocations of statewide
28 ceiling for any multi-year housing development project for which the

1 commissioner also makes an allocation of statewide ceiling for the
2 current year under this act: (a) to local agencies from the local agen-
3 cy set-aside (but only with the approval of the chief executive officer
4 of the political subdivision to which the local agency set-aside relates
5 or the governing body of a political subdivision having no chief execu-
6 tive officer) and

7 (b) to other issuers from that portion, if any, of the statewide bond
8 reserve transferred to the commissioner by the director. Any future
9 allocation made by the commissioner shall constitute an allocation of
10 statewide ceiling for the future year specified by the commissioner and
11 shall be deemed to have been made on the first day of the future year so
12 specified.

13 2. In addition to other powers granted under this act, the director is
14 authorized to make future allocations of statewide ceiling from the
15 state agency set-aside or from the statewide bond reserve to state agen-
16 cies for any multi-year housing development project for which the direc-
17 tor also makes an allocation of statewide ceiling from the current year
18 under this act, and is authorized to make transfers of the statewide
19 bond reserve to the commissioner for future allocations to other issuers
20 for multi-year housing development projects for which the commissioner
21 has made an allocation of statewide ceiling for the current year. Any
22 such future allocation or transfer of the statewide bond reserve for
23 future allocation made by the director shall constitute an allocation of
24 statewide ceiling or transfer of the statewide bond reserve for the
25 future years specified by the director and shall be deemed to have been
26 made on the first day of the future year so specified.

27 3. (a) If an allocation made with respect to a multi-year housing
28 development project is not used by October fifteenth of the year to

1 which the allocation relates, the allocation with respect to the then
2 current year shall be subject to recapture in accordance with the
3 provisions of section twelve of this act, and in the event of such a
4 recapture, unless a carryforward election by another issuer shall have
5 been approved by the commissioner or a carryforward election by a state
6 agency shall have been approved by the director, all future allocations
7 made with respect to such project pursuant to subdivision one or two of
8 this section shall be canceled.

9 (b) The commissioner and the director shall have the authority to make
10 future allocations from recaptured current year allocations and canceled
11 future allocations to multi-year housing development projects in a
12 manner consistent with the provisions of this act.

13 (c) The commissioner and the director shall establish procedures
14 consistent with the provisions of this act relating to carryforward of
15 future allocations.

16 4. The aggregate future allocations from either of the two succeeding
17 years shall not exceed six hundred fifty million dollars for each such
18 year.

19 § 12. Year end allocation recapture. On or before October first of
20 each year, each state agency shall report to the director and each local
21 agency and each other issuer shall report to the commissioner the amount
22 of bonds subject to allocation under this act that will be issued prior
23 to the end of the then current calendar year, and the amount of the
24 issuer's then total allocation that will remain unused. As of October
25 fifteenth of each year, the unused portion of each local agency's and
26 other issuer's then total allocation as reported and the unallocated
27 portion of the set-aside for state agencies shall be recaptured and
28 added to the statewide bond reserve and shall no longer be available to

1 covered bond issuers except as otherwise provided herein. From October
2 fifteenth through the end of the year, each local agency or other issuer
3 having an allocation shall immediately report to the commissioner and
4 each state agency having an allocation shall immediately report to the
5 director any changes to the status of its allocation or the status of
6 projects for which allocations have been made which should affect the
7 timing or likelihood of the issuance of covered bonds therefor. If the
8 commissioner determines that a local agency or other issuer has overes-
9 timated the amount of covered bonds subject to allocation that will be
10 issued prior to the end of the calendar year, the commissioner may
11 recapture the amount of the allocation to such local agency or other
12 issuer represented by such overestimation by notice to the local agency
13 or other issuer, and add such allocation to the statewide bond reserve.
14 The director may likewise make such determination and recapture with
15 respect to state agency allocations.

16 § 13. Allocation carryforward. 1. No local agency or other issuer
17 shall make a carryforward election utilizing any unused allocation
18 (pursuant to section 146(f) of the code) without the prior approval of
19 the commissioner. Likewise no state agency shall make or file such an
20 election, or elect to issue or carryforward mortgage credit certif-
21 icates, without the prior approval of the director.

22 2. On or before November fifteenth of each year, each state agency
23 seeking unused statewide ceiling for use in future years shall make a
24 request for an allocation for a carryforward to the director, whose
25 approval shall be required before a carryforward election is filed by or
26 on behalf of any state agency. A later request may also be considered by
27 the director, who may file a carryforward election for any state agency
28 with the consent of such agency.

1 3. On or before November fifteenth of each year, each local agency or
2 other issuer seeking unused statewide ceiling for use in future years
3 shall make a request for an allocation for a carryforward to the commis-
4 sioner, whose approval shall be required before a carryforward election
5 is filed by or on behalf of any local or other agency. A later request
6 may also be considered by the commissioner.

7 § 14. New York state bond allocation policy advisory panel. 1. There
8 is hereby created a policy advisory panel and process to provide policy
9 advice regarding the priorities for distribution of the statewide ceil-
10 ing.

11 2. The panel shall consist of five members, one designee being
12 appointed by each of the following: the governor, the temporary presi-
13 dent of the senate, the speaker of the assembly, the minority leader of
14 the senate and the minority leader of the assembly. The designee of the
15 governor shall chair the panel. The panel shall monitor the allocation
16 process through the year, and in that regard, the division of the budget
17 and the department of economic development shall assist and cooperate
18 with the panel as provided in this section. The advisory process shall
19 operate through the issuance of advisory opinions by members of the
20 panel as provided in subdivisions six and seven of this section. A meet-
21 ing may be held at the call of the chair with the unanimous consent of
22 the members.

23 3. (a) Upon receipt of a request for allocation or a request for
24 approval of a carryforward election from the statewide reserve from a
25 local agency or other issuer, the commissioner shall, within five work-
26 ing days, notify the panel of such request and provide the panel with
27 copies of all application materials submitted by the applicant.

1 (b) Upon receipt of a request for allocation or a request for approval
2 of carryforward election from the statewide reserve from a state agency,
3 the director shall, within five working days, notify the panel of such
4 request and provide the panel with copies of all application materials
5 submitted by the applicant.

6 4. (a) Following receipt of a request for allocation from a local
7 agency or other issuer, the commissioner shall notify the panel of a
8 decision to approve or exclude from further consideration such request,
9 and the commissioner shall state the reasons. Such notification shall be
10 made with or after the transmittal of the information specified in
11 subdivision three of this section and at least five working days before
12 formal notification is made to the applicant.

13 (b) Following receipt of a request for allocation from a state agency,
14 the director shall notify the panel of a decision to approve or exclude
15 from further consideration such request, and shall state the reasons.
16 Such notification shall be made with or after the transmission of the
17 information specified in subdivision three of this section and at least
18 five working days before formal notification is made to the state agen-
19 cy.

20 5. The requirements of subdivisions three and four of this section
21 shall not apply to adjustments to allocations due to bond sizing chang-
22 es.

23 6. In the event that any decision to approve or to exclude from
24 further consideration a request for allocation is made within ten work-
25 ing days of the end of the calendar year and in the case of all requests
26 for consent to a carryforward election, the commissioner or director, as
27 is appropriate, shall provide the panel with the longest possible
28 advance notification of the action, consistent with the requirements of

1 the code, and shall, wherever possible, solicit the opinions of the
2 members of the panel before formally notifying any applicant of the
3 action. Such notification may be made by means of telephone communi-
4 cation to the members or by written notice delivered to the Albany
5 office of the appointing authority of the respective members.

6 7. Upon notification by the director or the commissioner, any member
7 of the panel may, within five working days, notify the commissioner or
8 the director of any policy objection concerning the expected action. If
9 three or more members of the panel shall submit policy objections in
10 writing to the intended action, the commissioner or the director shall
11 respond in writing to the objection prior to taking the intended action
12 unless exigent circumstances make it necessary to respond after the
13 action has been taken.

14 8. On or before the first day of July, in any year, the director shall
15 report to the members of the New York state bond allocation policy advi-
16 sory panel on the actual utilization of volume cap for the issuance of
17 bonds during the prior calendar year and the amount of such cap allo-
18 cated for carryforwards for future bond issuance. The report shall
19 include, for each local agency or other issuer and each state agency the
20 initial allocation, the amount of bonds issued subject to the allo-
21 cation, the amount of the issuer's allocation that remained unused, the
22 allocation of the statewide bond reserve, carryforward allocations and
23 recapture of allocations. Further, the report shall include projections
24 regarding private activity bond issuance for state and local issuers for
25 the calendar year, as well as any recommendations for legislative
26 action.

27 § 15. Severability. If any clause, sentence, paragraph, section, or
28 part of this act shall be adjudged by any court of competent jurisdic-

1 tion to be invalid, such judgment shall not affect, impair, or invali-
2 date the remainder thereof, but shall be confined in its operation to
3 the clause, sentence, paragraph, section, or part thereof directly
4 involved in the controversy in which such judgment shall have been
5 rendered.

6 § 16. Chapter 49 of the laws of 2014 is REPEALED.

7 § 17. Section 51 of the public authorities law is amended by adding a
8 new subdivision 6 to read as follows:

9 6. Notwithstanding any other provisions of law, the board shall have
10 the power and it shall be its duty to receive applications for approval
11 for any financing or bond issuances that utilize the local agency set-
12 aside, as authorized by the "private activity bond allocation act of
13 2016", executed by entities or successor entities as defined by subdivi-
14 sions eight and nine of section three of that act, including entities
15 established pursuant to article eighteen-A of the general municipal law,
16 and corporations established pursuant to section fourteen hundred eleven
17 of the not-for-profit corporation law and article twelve of the private
18 housing finance law.

19 § 18. This act shall take effect immediately.

20 PART S

21 Section 1. Section 258-aa and article 25 of the agriculture and
22 markets law are REPEALED.

23 § 2. Section 1 of chapter 174 of the laws of 1968, constituting the
24 New York state urban development corporation act, is amended by adding
25 three new sections 16-x, 16-y and 16-z to read as follows:

1 § 16-x. Dairy promotion act. 1. Declaration of policy. (a) It is here-
2 by declared that the mission of the corporation is to promote a vigorous
3 and growing state economy. In implementing this mission, the corporation
4 has undertaken a vigorous campaign to market the state's assets and, by
5 carrying out the provisions of this section, would further this mission
6 by promoting the state's dairy industry.

7 (b) It is further declared that the continued existence of the state
8 dairy industry, and the continued production of milk on the farms of
9 this state, is of vast economic importance to the state and to the
10 health and welfare of the inhabitants thereof; that it is essential, in
11 order to assure such continued production of milk and its handling and
12 distribution, that prices to producers be such as to return reasonable
13 costs of production, and at the same time to assure an adequate supply
14 of milk and dairy products to consumers at reasonable prices; and to
15 these ends it is essential that consumers and others be adequately
16 informed as to the dietary needs and advantages of milk and dairy
17 products and as to the economies resulting from the use of milk and
18 dairy products, and to command for milk and dairy products, consumer
19 attention and demand consistent with their importance and value. It is
20 further declared that continued decline in the consumption of fluid milk
21 and some other dairy products will jeopardize the production of adequate
22 supplies of milk and dairy products because of increasing surpluses
23 necessarily returning less to producers; and that continued adequate
24 supplies of milk and dairy products is a matter of vital concern as
25 affecting the health and general welfare of the people of this state. It
26 is therefore declared to be the legislative intent and policy of the
27 state:

1 (i) To enable milk producers and others in the dairy industry, with
2 the aid of the state, to more effectively promote the consumption of
3 milk and dairy products,

4 (ii) To provide methods and means for the development of new and
5 improved dairy products, and to promote their use, and

6 (iii) To this end, to eliminate the possible impairment of the
7 purchasing power of the milk producers of this state and to assure an
8 adequate supply of milk for consumers at reasonable prices.

9 2. Definitions. As used in this section the following terms shall have
10 the following meanings:

11 (a) "President" means the president of the corporation.

25 pursuant to the provisions of this section.

1 for or sell the milk of such producers, and is actually performing one
2 or more of these services in the marketing of the milk produced by their
3 members, through the cooperative or through a federation of milk cooper-
4 atives in which the cooperative has membership.

5 (h) "State" means the state of New York.

6 3. Powers and duties of the president. (a) The president shall admin-
7 ister and enforce the provisions of this section. In order to effectuate
8 the declared policy of this section the president, in consultation with
9 the commissioner of agriculture and markets, may, after due notice and
10 hearing, make and issue a dairy promotion order, or orders.

11 (b) Such order or orders shall be issued and amended or terminated in
12 accordance with the following procedures:

13 (i) Before any such order may become effective it must be approved by
14 fifty-one per centum of the producers of milk voting in the referendum
15 for the area to be regulated by such order. Such referendum shall not
16 constitute valid approval unless fifty-one per centum of all milk
17 producers for the area to be regulated vote in the referendum. Producers
18 may vote by individual ballot or through their cooperatives in accord-
19 ance with the following procedures:

20 (A) Cooperatives may submit written approval of such order within a
21 period of one hundred twenty days after the president has announced a
22 referendum on a proposed order, for such producers who are listed and
23 certified to the president as members of such cooperative; provided,
24 however, that any cooperative before submitting such written approval
25 shall give at least sixty days prior written notice to each producer who
26 is its member, of the intention of the cooperative to approve such
27 proposed order, and further provide that if such cooperative does not
28 intend to approve such proposed order, it shall likewise give written

1 notice to each such producer who is its member, of its intention not to
2 approve of such proposed order.

3 (B) Any producer may obtain a ballot from the president so that he or
4 she may register his or her own approval or disapproval of the proposed
5 order.

6 (C) A producer who is a member of a cooperative which has notified him
7 or her of its intent to approve or not to approve of a proposed order,
8 and who obtains a ballot and with such ballot expresses his or her
9 approval or disapproval of the proposed order, shall notify the presi-
10 dent as to the name of the cooperative of which he or she is a member,
11 and the president shall remove such producer's name from the list certi-
12 fied by such cooperative.

13 (D) In order to ensure that all milk producers are informed regarding
14 a proposed order, the president shall notify all milk producers that an
15 order is being considered and that each producer may register his or her
16 approval or disapproval with the president either directly or through
17 his or her cooperative.

18 (E) The president may appoint a referendum advisory committee to
19 assist and advise him or her in the conduct of the referendum. Such
20 committee shall review referendum procedures and the tabulation of
21 results, and shall advise the president of its findings. The final
22 certification of the referendum results shall be made by the president.
23 The committee shall consist of not less than three members, none of whom
24 shall be persons directly affected by the promotion order being voted
25 upon. Two members shall be representatives of general farm organiza-
26 tions which are not directly affected by the order being voted upon. The
27 members of the committee shall not receive a salary but shall be enti-

1 tled to actual and reasonable expenses incurred in the performance of
2 their duties.

3 (ii) The president may, and upon written petition of not less than ten
4 per centum of the producers in the area, either as individuals or
5 through cooperative representation, shall call a hearing to amend or
6 terminate such order, and any such amendment or termination shall be
7 effective only upon approval of fifty-one per centum of the producers of
8 milk for the area regulated participating in a referendum vote as
9 provided pursuant to this paragraph.

10 (c) The president shall administer and enforce any such dairy
11 promotion order while it is in effect, for the purpose of:

12 (i) Encouraging the consumption of milk and dairy products by
13 acquainting consumers and others with the advantages and economy of
14 using more of such products,

15 (ii) Protecting the health and welfare of consumers by assuring an
16 adequate supply of milk and dairy products,

17 (iii) Providing for research programs designed to develop new and
18 improved dairy products,

19 (iv) Providing for research programs designed to acquaint consumers
20 and the public generally with the effects of the use of milk and dairy
21 products on the health of such consumers,

22 (v) Carrying out, in other ways, the declared policy and intent of
23 this section.

24 4. Provisions of dairy promotion orders. Any dairy promotion order or
25 orders may contain, among others, any or all of the following:

26 (a) Provision for levying an assessment against all producers subject
27 to the regulation for the purpose of carrying out the provisions of such
28 order and to pay the cost of administering and enforcing such order. In

1 order to collect any such assessments, provision shall be made for each
2 milk dealer who receives milk from producers to deduct the amount of
3 assessment from moneys otherwise due to producers for the milk so deliv-
4 ered. The rate of such assessment shall not exceed two percent per
5 hundredweight of the gross value of the producers' milk, and there may
6 be credited against any such assessment the amounts per hundredweight
7 otherwise paid by any producer covered by the order by voluntary
8 contribution or otherwise pursuant to any other federal or state milk
9 market order for any similar research promotion or advertising program.
10 Notwithstanding the provisions of paragraph (b) of subdivision three of
11 this section, the president, upon written petition of no less than twen-
12 ty-five percent of producers in the area, either as individuals or
13 through cooperative representation, may call a hearing for the sole
14 purpose of establishing a new rate of assessment hereunder and may
15 submit a proposed change in the rate of assessment to the producers for
16 acceptance or rejection without otherwise affecting the order. The
17 producers in the area may vote on the proposed rate either as individ-
18 uals or through cooperative representation. Notwithstanding the forego-
19 ing provisions of this paragraph and of paragraph (b) of subdivision
20 three of this section, or the provisions of any order promulgated pursu-
21 ant to this section, the rate of assessment, for any period during which
22 a dairy products promotion and research order established pursuant to
23 the federal dairy and tobacco adjustment act of 1983 is in effect, shall
24 not be less than an amount equal to the maximum credit which producers
25 participating in this state's dairy products promotion or nutrition
26 education programs may receive pursuant to subdivision (g) of Sec. 113
27 of said federal act.

1 (b) Provision for payments to organizations engaged in campaigns by
2 advertisements or otherwise, including participation in similar regional
3 or national plans or campaigns to promote the increased consumption of
4 milk and dairy products, to acquaint the public with the dietary advan-
5 tages of milk and dairy products and with the economy of their inclusion
6 in the diet and to command, for milk and dairy products, consumer atten-
7 tion consistent with their importance and value.

8 (c) Provision for payments to institutions or organizations engaged in
9 research leading to the development of new or improved dairy products or
10 research with respect to the value of milk and dairy products in the
11 human diet.

12 (d) Provision for requiring records to be kept and reports to be filed
13 by milk dealers with respect to milk received from producers and with
14 respect to assessments on the milk of such producers.

15 (e) Provision for the auditing of the records of such milk dealers for
16 the purpose of verifying payment of producer assessments.

17 (f) Provision for an advisory board pursuant to subdivision 10 of this
18 section.

19 (g) Provision for the president to retain money collected under any
20 marketing order issued pursuant to this section, to defray the costs and
21 expenses in the administration thereof.

22 (h) Such other provisions as may be necessary to effectuate the
23 declared policies of this section.

24 5. Matters to be considered. In carrying out the provisions of this
25 section and particularly in determining whether or not a dairy promotion
26 order shall be issued, the president, in consultation with the commis-
27 sioner of agriculture and markets, shall take into consideration, among
28 others, facts available to him or her with respect to the following:

1 (a) The total production of milk in the area and the proportion of
2 such milk being utilized in fluid form and in other products,

3 (b) The prices being received for milk by producers in the area,

4 (c) The level of consumption per capita for fluid milk and of other
5 dairy products,

6 (d) The purchasing power of consumers,

7 (e) Other products which compete with milk and dairy products and
8 prices of such products.

9 6. Interstate orders for compacts. The president, in consultation with
10 the commissioner of agriculture and markets, is authorized to confer and
11 cooperate with the legally constituted authorities of other states and
12 of the United States with respect to the issuance and operation of joint
13 and concurrent dairy promotion orders or other activities tending to
14 carry out the declared intent of the act. He or she may join with such
15 other authorities in conducting joint investigations, holding joint
16 hearings and issuing joint or concurrent order or orders complementary
17 to those of the federal government and shall have the authority to
18 employ or designate a joint agent or joint agencies to carry out and
19 enforce such joint, concurrent or supplementary orders.

20 7. Prior assessments. Prior to the effective date of any dairy
21 promotion order as provided in this section, the president may require
22 that cooperative associations which have petitioned for such an order
23 and that have approved of the issuance of such an order, to deposit with
24 the president such amounts as he or she may deem necessary to defray the
25 expense of administering and enforcing such order until such time as the
26 assessments as herein before provided are adequate for that purpose.
27 Such funds shall be received, deposited and disbursed by the president
28 in the same manner as other funds received by him or her pursuant to

1 this section and the president shall reimburse those who paid these
2 prior assessments from other funds received by him or her pursuant to
3 this section.

4 8. Status of funds. Any moneys collected under any market order issued
5 pursuant to this section shall not be deemed to be state funds and shall
6 be deposited in a bank or other depository of the corporation, approved
7 by the president, allocated to each dairy promotion order under which
8 they were collected, and shall be disbursed by the president only for
9 the necessary expenses incurred by the president with respect to each
10 separate order, all in accordance with the rules and regulations of the
11 president. All such expenses shall be audited by the corporation at
12 least annually. Any moneys remaining in such fund allocable to a
13 particular order, after the termination of such order and not required
14 by the president to defray the expenses of operating such order, may in
15 the discretion of the president be refunded on a pro-rata basis to all
16 persons from whom assessments therefor were collected; provided, howev-
17 er, that if the president finds that the amounts so refundable are so
18 small as to make impracticable the computation and refunding of such
19 moneys, the president may use such moneys to defray the expenses
20 incurred by him or her in the promulgation, issuance, administration or
21 enforcement of any other similar dairy promotion order or in the absence
22 of any other such dairy promotion order, the president may pay such
23 moneys to any organization or institution as provided in paragraph (b)
24 or (c) of subdivision four of this section.

25 9. Budget. The president shall prepare a budget for the administration
26 and operating costs and expenses including advertising and sales
27 promotion when required in any dairy promotion order executed hereunder
28 and to provide for the collection of such necessary fees or assessments

1 to defray costs and expenses, in no case to exceed two percent per
2 hundredweight of the gross value of milk marketed by producers in the
3 area covered by the order.

4 10. Advisory board. (a) Any dairy promotion order issued pursuant to
5 this section shall provide for the establishment of an advisory board to
6 advise and assist the president in the administration of such order.
7 This board shall consist of not less than five members and shall be
8 appointed by the president from nominations submitted by producers
9 marketing milk in the area to which the order applies. Nominating proce-
10 dure, qualification, representation, and size of the advisory board
11 shall be prescribed in the order for which such board was appointed.

12 (b) No member of an advisory board shall receive a salary but shall be
13 entitled to his or her actual and reasonable expenses incurred while
14 performing his or her duties as authorized in this section.

15 (c) The duties and responsibilities of the advisory board shall be
16 prescribed by the president and he or she may specifically delegate to
17 the advisory board, by inclusion in the dairy promotion order, all or
18 any of the following duties and responsibilities:

19 (i) The recommendation to the president of administrative rules and
20 regulations relating to the order.

21 (ii) Recommending to the president such amendments to the order as
22 deemed advisable.

23 (iii) The preparation and submission to the president of an estimated
24 budget required for the proper operation of the order.

25 (iv) Recommending to the president methods for assessing producers and
26 methods for collecting the necessary funds.

27 (v) Assisting the president in the collection and assembly of informa-
28 tion and data necessary for the proper administration of the order.

1 (vi) The performance of such other duties in connection with the order
2 as the president shall designate.

3 11. Rules and regulations; enforcement. (a) The president may, with
4 the advice and assistance of the advisory board, make and issue such
5 rules and regulations as may be necessary to effectuate the provisions
6 and intent of this section and to enforce the provisions of any dairy
7 promotion order, all of which shall have the force and effect of law.

8 (b) The president may institute such action at law or in equity as may
9 appear necessary to enforce compliance with any provision of this
10 section, or any rule or regulation, or dairy promotion order committed
11 to his or her administration, and may apply for relief by injunction if
12 necessary to protect the public interest without being compelled to
13 allege or prove that an adequate remedy at law does not exist. Such
14 application shall be made to the supreme court in any district or county
15 provided in the civil practice law and rules, or to the supreme court in
16 the third judicial district.

17 12. Cooperation by the department of agriculture and markets. The
18 president of the corporation may request and receive, within ninety days
19 of such request from the New York state department of agriculture and
20 markets (hereafter referred to in this subdivision as the "department")
21 such assistance, information and cooperation as may be necessary for the
22 corporation to provide services with respect to the administration of
23 the procedures set forth for the issuance, termination or amendment of
24 any dairy promotion order and/or the administration of any such order.
25 The corporation shall retain an amount equal to the expenses incurred by
26 the corporation in performing its duties pursuant to this section and
27 reimburse the department an amount equal to the expenses incurred by the
28 department in supplying such services, subsequent to submission and

1 audit of a voucher therefor. Such reimbursement shall not exceed the
2 total amount of funds collected by the corporation pursuant to this
3 section less the reasonable expenses incurred by the corporation in
4 performing its duties pursuant to this section.

5 13. Indemnification. The state shall defend, indemnify and hold harm-
6 less the corporation, its directors, officers, and employees, from and
7 against any and all claims, demands, causes of action, damages, costs
8 and expenses whatsoever arising directly or indirectly from, or relating
9 to, the administration of a dairy promotion order issued or administered
10 pursuant to this section. In connection with the foregoing, the corpo-
11 ration shall give the state (a) prompt written notice of any action,
12 claim or threat of suit, (b) the opportunity to take over, settle or
13 defend such action, claim or suit at the state's sole expense, and (c)
14 assistance in the defense of any such action at the expense of the
15 state.

16 14. Contractual provisions. The corporation may contract for services
17 with respect to the implementation of this section in accordance with
18 the corporation's policies, procedures and guidelines. Notwithstanding
19 section 2879 of the public authorities law or any other law to the
20 contrary, any such contract may be procured by the corporation on a
21 sole-source basis, and shall not be subject to competitive bid or
22 competitive request for proposal requirements.

23 § 16-y. Marketing of agricultural products. Declaration of policy. (a)
24 It is hereby declared that the mission of the corporation is to promote
25 a vigorous and growing state economy. In implementing this mission, the
26 corporation has undertaken a vigorous campaign to market the state's
27 assets and by carrying out the provisions of this section, would further

1 this mission by promoting the development of markets for agricultural
2 products grown and produced in the state.

3 (b) It is further declared that the marketing of agricultural commod-
4 ities and aquatic products in this state, in excess of reasonable and
5 normal market demands therefor; disorderly marketing of such commod-
6 ities; improper preparation for market and lack of uniform grading and
7 classification of agricultural commodities and aquatic products; unfair
8 methods of competition in the marketing of such commodities and the
9 inability of individual producers to develop new and larger markets for
10 agricultural commodities and aquatic products, result in an unreasonable
11 and unnecessary economic waste of the agricultural wealth of this state.
12 Such conditions and the accompanying waste jeopardize the future contin-
13 ued production of adequate food supplies for the people of this and
14 other states. These conditions vitally concern the health, safety and
15 general welfare of the people of this state.

16 It is therefore declared the legislative purpose and the policy of
17 this state:

18 (i) To enable agricultural producers and aquatic producers of this
19 state, with the aid of the state, more effectively to correlate the
20 marketing of their agricultural commodities and aquatic products with
21 market demands therefor.

22 (ii) To establish orderly, efficient and equitable marketing of agri-
23 cultural commodities and aquatic products.

24 (iii) To provide for uniform grading and proper preparation of agri-
25 cultural commodities and aquatic products for market.

26 (iv) To provide methods and means for the development of new and larg-
27 er markets for agricultural commodities and aquatic products produced in
28 New York.

1 (v) To eliminate or reduce the economic waste in the marketing of
2 agricultural commodities and aquatic products.

28 ships or causes an agricultural commodity to be shipped.

1 (f) "Processor" means any person engaged within this state in process-
2 ing, or in the operation of receiving, grading, packing, canning, freez-
3 ing, dehydrating, fermenting, distilling, extracting, preserving, grind-

5 agricultural product or aquatic product for the purpose of marketing
6 such commodity but shall not include a person engaged in manufacturing
7 from an agricultural commodity or aquatic product another and different
8 product.

9 (g) "Distributor" means any person engaged within this state, in sell-
10 ing, offering for sale, marketing or distributing an agricultural
11 commodity or aquatic product which he or she has purchased or acquired
12 from a producer or other person or which he or she is marketing on
13 behalf of a producer or other person, whether as owner, agent, employee,
14 broker or otherwise, but shall not include a retailer, except such
15 retailer who purchases or acquires from, or handles on behalf of any
16 producer or other person, an agricultural commodity or aquatic product

25 to this section, prescribing rules and regulations governing the market-
26 ing for processing, the distributing, the sale of, or the handling in
27 any manner of any agricultural commodity or aquatic product sold in this
28 state during any specified period or periods.

1 3. Powers and duties of the president. (a) In order to effectuate the
2 declared policy of this section, the president, in consultation with the
3 commissioner of agriculture and markets, may, after due notice and
4 opportunity for hearing, approve marketing agreements, which marketing
5 agreements shall thereupon be binding upon the signatories thereto
6 exclusively.

7 (b) The president may make and issue marketing orders, after due
8 notice and opportunity for hearing, subject to:

9 (i) approval of not less than sixty-six and two-thirds per centum of
10 the producers participating in a referendum in the area affected, or

11 (ii) approval of not less than sixty-five per centum of the producers
12 participating in a referendum vote, in the area affected, and having

15 season by all producers that voted in the referendum, or

16 (iii) approval of not less than fifty-one per centum of the producers

21 may, and upon written petition duly signed by twenty-five per centum of
22 the producers in the area amend or terminate such order after due notice

25 vote.

26 (c) The president shall administer and enforce any marketing order,
27 while it is in effect, to:

12 the collection and retention of such necessary fees to defray such costs
13 and expenses, in no case to exceed five percent of the gross dollar
14 volume of sales or dollar volume of purchases or amounts handled, to be
15 collected from each person engaged in the production, processing,
16 distributing or the handling of any marketable agricultural commodity
17 and aquatic product produced or landed in this state and directly
18 affected by any marketing order issued pursuant to this section for such
19 commodity.

20 (v) Confer and cooperate with the legally constituted authorities of
21 other states and the United States.

22 (d) Any marketing agreement or order issued by the president pursuant
23 to this section may contain any or all of the following:

7 any agricultural commodity, or any grade or grades, size or sizes or
8 quality or portions or combinations of such commodity, may be marketed.

9 (iv) Provisions for the establishment of uniform grading, standards,
10 and inspection of any agricultural commodity delivered by producers or
11 other persons to handlers, processors, distributors or others engaging
12 in the handling thereof, and for the establishment of grading or stand-
13 ards of quality, condition, size, maturity or pack for any agricultural
14 commodity, and the inspection and grading of such commodity in accord-
15 ance with such grading or standards so established; and for provisions
16 that no producer, handler, processor or distributor of any agricultural
17 commodity for which grading or standards are so established may, except
18 as otherwise provided in such marketing agreement or order, sell, offer
19 for sale, process, distribute or otherwise handle any such commodity
20 whether produced within or without this state, not meeting and complying
21 with such established grading or standards. For the purposes of this
22 section, the federal-state inspection service shall perform all
23 inspections made necessary by such provisions.

24 (v) Provisions for the establishment of research programs designed to
25 benefit a specified commodity or New York agriculture in general.

26 (vi) Provisions for the president to retain money collected under any
27 marketing order issued pursuant to this section to defray the costs and
28 expenses in the administration thereof.

1 (vii) Such other provisions as may be necessary to effectuate the
2 declared policies of this section.

3 (viii) Provisions to establish marketing promotion and research
4 programs for aquatic products which may include subparagraphs (i)
5 through (vii) of this paragraph.

6 (e) The president may temporarily suspend the operation of an effec-
7 tive marketing order for a continuing period of not longer than one
8 growing and marketing season, if the purposes of this section are deemed
9 unnecessary during such season.

10 (f) In carrying out the purposes of this section, the president, in
11 consultation with the commissioner of agriculture and markets, shall
12 take into consideration any and all facts available to him or her with
13 respect to the following economic factors:

14 (i) The quantity of such agricultural commodity available for distrib-
15 ution.

16 (ii) The quantity of such agricultural commodity normally required by
17 consumers.

18 (iii) The cost of producing such agricultural commodity.

19 (iv) The purchasing power of consumers.

20 (v) The level of prices of commodities, services and sections which
21 the farmers commonly buy.

22 (vi) The level of prices of other commodities which compete with or
23 are utilized as substitutes for such agricultural commodity.

24 (g) The execution of such marketing agreements shall in no manner
25 affect the issuance, administration or enforcement of any marketing
26 order provided for in this section. The president may issue such market-
27 ing order without executing a marketing agreement or may execute a
28 marketing agreement without issuing a marketing order covering the same

1 commodity. The president, in his or her discretion, may hold a concur-
2 rent hearing upon a proposed marketing agreement and a proposed market-
3 ing order in the manner provided for giving due notice and opportunity
4 for hearing for a marketing order as provided in this section.

5 (h) Prior to the issuance, amendment or termination of any marketing
6 order, the president may require the applicants for such issuance,
7 amendment or termination to deposit with him or her such amount as he or
8 she may deem necessary to defray the expenses of preparing and making
9 effective amending or terminating a marketing order. Such funds shall be
10 received, deposited and disbursed by the president in the same manner as
11 other fees received by him or her under this section and, in the event
12 the application for adoption, amendment or termination of a marketing
13 order is approved in a referendum, the president shall reimburse any
14 such applicant in the amount of any such deposit from any unexpended
15 monies collected under the marketing order affected by such referendum.

16 (i) Any moneys collected by the president pursuant to this section
17 shall not be deemed state funds and shall be deposited in a bank or
18 other depository of the corporation, approved by the president, allo-
19 cated to each marketing order under which they are collected, and shall
20 be disbursed by the president only for the necessary expenses incurred
21 by the president with respect to each such separate marketing order, all
22 in accordance with the rules and regulations of the president. All such
23 expenditures shall be audited by the corporation at least annually. Any
24 moneys remaining in such fund allocable to any particular commodity
25 affected by a marketing order may, in the discretion of the president,
26 be refunded at the close of any marketing season upon a pro-rata basis
27 to all persons from whom assessments therefor were collected or, whenev-
28 er the president finds that such moneys may be necessary to defray the

1 cost of operating such marketing order in a succeeding marketing season,
2 he or she may carry over all or any portion of such moneys into the next
3 such succeeding season. Upon the termination by the president of any
4 marketing order, all moneys remaining and not required by the president
5 to defray the expenses of operating such marketing order, shall be
6 refunded by the president upon a pro-rata basis to all persons from whom
7 assessments therefor were collected; provided, however, that if the
8 president finds that the amounts so refundable are so small as to make
9 impracticable the computation and refunding of such refunds, the presi-
10 dent may use such moneys to defray the expenses incurred by him or her
11 in the formulation, issuance, administration or enforcement of any
12 subsequent marketing order for such commodity.

13 (j) Advisory board. (i) Any marketing order issued pursuant to this
14 section shall provide for the establishment of an advisory board, to
15 consist of not less than five members nor more than nine members, to
16 advise the president in the administration of such marketing order in
17 accordance with its terms and provisions. The members of said board
18 shall be appointed by the president from nominations received from the
19 commodity group for which the marketing order is established. Nominating
20 procedure, qualification, representation and size of the advisory board
21 shall be prescribed in each marketing order for which such board is
22 appointed. Each advisory board shall be composed of such producers and
23 handlers or processors as are directly affected by the marketing order
24 in such proportion of representation as the order shall prescribe. The
25 president may appoint one person who is neither a producer, processor or
26 other handler to represent the department of agriculture and markets,
27 the corporation, or the public generally.

1 (ii) No member of an advisory board shall receive a salary, but each
2 shall be entitled to his or her actual expenses incurred while engaged
3 in performing his or her duties herein authorized.

4 (iii) The duties and responsibilities of each advisory board shall be
5 prescribed by the president, and he or she may specifically delegate to
6 the advisory board, by inclusion in the marketing order, all or any of
7 the following duties and responsibilities:

8 (A) The recommendation to the president of administrative rules and
9 regulations relating to the marketing order.

10 (B) Recommending to the president such amendments to the marketing
11 order as deemed advisable.

12 (C) The preparation and submission to the president of the estimated
13 budget required for the proper operation of the marketing order.

14 (D) Recommending to the president methods for assessing members of the
15 industry and methods for collecting the necessary funds.

16 (E) Assisting the president in the collection and assembling of infor-
17 mation and data necessary to the proper administration of the order.

18 (F) The performance of such other duties in connection with the
19 marketing order as the president shall designate.

20 4. Rules and regulations; enforcement. The president may make and
21 promulgate such rules and regulations as may be necessary to effectuate
22 the provisions and intent of this section and to enforce the provision
23 of any marketing agreement or order, all of which shall have the force
24 and effect of law.

25 The president may institute such action at law or in equity as may
26 appear necessary to enforce compliance with any provision of this
27 section, or any rule or regulation, marketing agreement or order,
28 committed to his or her administration, and in addition may apply for

1 relief by injunction if necessary to protect the public interest without
2 being compelled to allege or prove that an adequate remedy at law does
3 not exist. Such application may be made to the supreme court in any
4 district or county as provided in the civil practice law and rules, or
5 to the supreme court in the third judicial district.

6 5. Cooperation by the department of agriculture and markets. The pres-
7 ident of the corporation may request and receive, within ninety days of
8 such request, from the New York state department of agriculture and
9 markets (hereinafter referred to in this subdivision as the "depart-
10 ment") such assistance, information and cooperation as may be necessary
11 for the corporation to provide services with respect to the adminis-
12 tration of the procedures set forth for the issuance, termination or
13 amendment of any agricultural, commodities or aquatic order and/or the
14 administration of any such order. The corporation shall retain an
15 amount equal to the expenses incurred by the corporation in performing
16 its duties pursuant to this section and reimburse the department an
17 amount equal to the expenses incurred by the department in supplying
18 such services, subsequent to submission and audit of a voucher therefor.
19 Such reimbursement shall not exceed the total amount of funds collected
20 by the corporation pursuant to this section less the reasonable expenses
21 incurred by the corporation in performing its duties pursuant to this
22 section.

23 6. Indemnification. The state shall defend, indemnify and hold harm-
24 less the corporation, its directors, officers, and employees, from and
25 against any and all claims, demands, causes of action, damages, costs
26 and expenses whatsoever arising directly or indirectly from, or relating
27 to, the administration of any agricultural, commodities or aquatic
28 promotion order issued or administered pursuant to this section. In

1 connection with the foregoing, the corporation shall give the state (a)
2 prompt written notice of any action, claim or threat of suit, (b) the
3 opportunity to take over, settle or defend such action, claim or suit at
4 the state's sole expense, and (c) assistance in the defense of any such
5 action at the expense of the state.

6 7. Contractual provisions. The corporation may contract for services
7 with respect to the implementation of this section in accordance with
8 the corporation's policies, procedures and guidelines. Notwithstanding
9 section 2879 of the public authorities law or any other law to the
10 contrary, any such contract may be procured by the corporation on a
11 sole-source basis, and shall not be subject to competitive bid or
12 competitive request for proposal requirements.

13 § 16-z. Marketing orders. The marketing orders, the regulatory
14 provisions relating thereto, set forth in title one of the official
15 compilation of codes, rules and regulations of the state of New York
16 parts 40, 200, 201, 203, 204, and 205, and the contracts relating there-
17 to shall remain in full force and effect until amended or repealed
18 pursuant to the statutory authority set forth in sections 16-x and 16-y
19 of this act except that: (a) such marketing orders, the regulatory
20 provisions relating thereto, and the contracts relating thereto shall be
21 administered by and under the supervision of the president of the corpo-
22 ration as of the effective date of sections 16-x and 16-y of this act;
23 (b) all undisbursed funds under the control of the department of agri-
24 culture and markets shall be transferred to the corporation on or before
25 such effective date; and (c) any assessments due and payable under such
26 marketing orders shall be remitted to the corporation starting 30 days
27 after the effective date of this section.

1 § 3. This act shall take effect on the ninetieth day after it shall
2 have become a law and shall expire and be deemed repealed five years
3 after such date; provided, however, that any assessment due and payable
4 under such marketing orders shall be remitted to the urban development
5 corporation starting 30 days after such effective date.

4 3. The amount of state aid to be allocated to eligible governmental
5 entities pursuant to this article shall be determined by the commission-
6 er as hereinafter provided. The commissioner shall determine the
7 percentage proportion which the authorized expenditures of each individ-
8 ual entity, not exceeding four hundred thousand dollars for each county
9 including municipalities therein, shall bear to the total authorized
10 expenditures of all entities. Such percentage proportion shall then be
11 applied against an amount equal to one-half of the total of the amount
12 received by the state in each preceding program year in vessel registra-
13 tion fees as provided in section twenty-two hundred fifty-one of the
14 vehicle and traffic law, less no more than thirty percent, subject to
15 appropriation, which may be used by the commissioner and the commission-

17 training and equipment, and by the department of environmental conserva-
18 tion, the division of state police and other state agencies, subject to
19 the approval of the commissioner, for the purposes of this article, plus
20 the entire amount received pursuant to subdivision nine of section
21 forty-four of this chapter. The amount thus determined shall constitute
22 the maximum amount of state aid to which each such entity shall be enti-
23 tled; provided, however, that no entity shall receive state aid in an
24 amount in excess of [fifty] twenty-five percent of its authorized
25 expenditures as approved by the commissioner for such program year. The
26 commissioner shall certify to the comptroller the amount thus determined
27 for each eligible local governmental entity as the amount of state aid
28 to be apportioned to such eligible local governmental entity. The allo-

1 cation of state aid to any county, town or village within the Lake
2 George park shall not be reduced because of the allocation of state aid
3 to the Lake George park commission. Of the remaining funds received by
4 the state for the registration of vessels as provided in section twen-
5 ty-two hundred fifty-one of the vehicle and traffic law, no less than
6 six percent shall be made available to the commissioner for the expenses
7 of the office in providing navigation law enforcement training and

9 § 2. This act shall take effect immediately and shall be deemed to
10 have been in full force and effect on and after April 1, 2016.

11 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
12 sion, section or part of this act shall be adjudged by any court of
13 competent jurisdiction to be invalid, such judgment shall not affect,
14 impair, or invalidate the remainder thereof, but shall be confined in
15 its operation to the clause, sentence, paragraph, subdivision, section
16 or part thereof directly involved in the controversy in which such judg-
17 ment shall have been rendered. It is hereby declared to be the intent of
18 the legislature that this act would have been enacted even if such
19 invalid provisions had not been included herein.

20 § 3. This act shall take effect immediately provided, however, that
21 the applicable effective date of Parts A through V of this act shall be
22 as specifically set forth in the last section of such Parts.
