                "Notwithstanding any inconsistent provision
                of law, rule or regulation to the
                contrary, for the period April 1, 2018
                through March 31, 2019, in the event
                federal funding pursuant to title XXI of
                the federal social security act is reduced
                or eliminated on and after October 1,
                2017, the director of the division of the
                budget, in consultation with the
                commissioner of health, shall identify the
                amount of such reduction or elimination
                and notify the temporary president of the

senate and the speaker of the assembly in writing that the federal actions will reduce or eliminate expected funding to New York state by such amount. The director of the division of the budget, in consultation with the commissioner of health, shall determine if programmatic changes are necessary to continue covering eligible children within state-only funding levels, identify available resources or actions, identify specific changes needed to align the child health insurance program with current funding levels, and establish a plan for implementing such changes which may include emergency regulations promulgated by the commissioner of health. Such plan shall be submitted to the legislature prior to its implementation. Provided, however, if this chapter appropriates sufficient additional funds to allow the child health insurance program to continue without modification upon the reduction or elimination of federal funding pursuant to title XXI of the federal social security act, then the provisions of this paragraph shall not apply and shall be considered null and void as of March 31, 2018."
