

Higher Education - Miscellaneous

Mission

New York's 529 College Savings Program enables individuals to invest in college, deferred from federal and state income tax. Students may use the investment to pay for college tuition, certain room-and-board expenses, fees, books, supplies and other higher education expenses.

Organization and Staffing

New York's 529 Savings Program is jointly administered by the Higher Education Services Corporation (HESC) and the Office of the State Comptroller (OSC). Administrative expenses continue to be supported by an annual fee from the vendors who manage the program. Fees received support a program director, investment staff, administrative assistance and legal support provided by OSC.

Budget Highlights

The FY 2019 Executive Budget provides \$675,000 for the Higher Education Services Corporation and the Office of the State Comptroller to jointly administer the College Choice Tuition Savings Program aligned with program spending over the past several years.

Program Highlights

As of September 2017, New York's 529 College Savings Program includes \$26 billion in assets under management and approximately 977,000 account participants.
