The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

c) The several amounts specified in this chapter as capital projects reappropriations, or so much thereof as shall be sufficient to accomplish the purpose of the appropriations, as appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects, being the undisbursed and/or unexpended balances of the prior year's appropriations, are reappropriated and unless otherwise amended or repealed in part or total in this chapter shall continue to be available for the same purposes as the prior appropriations or as otherwise amended for the fiscal year beginning April 1, 2018.

The capital projects reappropriations contained in this chapter may be amended by repealing the items set forth in brackets and by adding thereto the underscored material. Certain reappropriations in this chapter are shown using abbreviated text, with three leader dots (an ellipsis) followed by three spaces (... ) used to indicate where existing law that is being continued is not shown. However, unless a change is clear-
ly indicated by the use of brackets [ ] for deletions and underscores _ for additions, the purpose, amounts, funding source and all other aspects pertinent to each item of appropriation shall be as last appro-

For the purpose of complying with section 25 of the state finance law, the year, chapter and section of the last act reappropriating a former original appropriation or any part thereof is, unless otherwise indi-
cated, chapter 54, section 1, of the laws of 2017.

d) No moneys appropriated by this chapter shall be available for payment until a certificate of approval has been issued by the director of the budget, who shall file such certificate with the department of audit and control, the chairperson of the senate finance committee and the chairperson of the assembly ways and means committee.

e) The appropriations contained in this chapter shall be available for the fiscal year beginning on April 1, 2018 except as otherwise noted.

Notwithstanding any provision of law this appropriation shall be allocated only pursuant to a plan setting forth an itemized list of projects with the amount to be received by each, or the methodology for allocating such appropriation. Such plan shall be subject to the approval of the temporary president of the senate and the director of the budget and thereafter shall be included in a resolution calling for the expenditure of such monies, which resolution must be approved by a majority vote of all members elected to the senate upon a roll call vote.

(30051450) ... 67,000,000 ...................... (re. $67,000,000)

The appropriation made by chapter 54, section 1, of the laws of 2012, is hereby amended and reappropriated to read:

Advances for alterations and improvements to various facilities for capital critical maintenance, including but not limited to capital design, construction, acquisition, reconstruction, rehabilitation, and equipment; for health and safety, preservation of facilities, program improvement or program change, environmental protection, energy conservation, accreditation, facilities for the physically disabled, preventative maintenance and related projects, including costs incurred prior to April 1, 2012, and subject to a plan developed and submitted annually by the city university of New York and approved by the director of the budget, and which may include, but not be limited to, projects in the following schedule. Notwithstanding any other law to the contrary, all or a portion of the amounts hereby appropriated may be suballocated or transferred to the dormitory authority of the state of New York for such purpose.

For preliminary planning for the renovation of Brooklyn College's Roosevelt Hall ........... 2,500
For the City College Marshak Building, provided however that subdivision (b) of section 6281 of the education law, as amended by chapter 1081 of the laws of 1969, shall apply to the dormitory authority and/or the city university construction fund, as the letting agency, unless, in its discretion, it deter-
mines to utilize a project labor agreement for all work performed in the renovation of the Marshak science building, the city college science facility and the new science research center at City College, which means a prehire collective bargaining agree-
ment between the agency and a labor organization establish-
ing the labor organization as the collective bargaining representative for all persons
who will perform work pursuant to all contracts for the construction, reconstruction, rehabilitation or improvement of facilities, and which provides that only contractors and subcontractors who sign a prenegotiated agreement with the labor organization can perform project work, when the record supporting the decision to enter into such an agreement establishes that it is justified by the interests underlying the competitive bidding laws ...................... 10,000

For matching grants for Governors Island .................. 15,000

For university-wide critical maintenance or capital improvement costs at senior and community colleges including but not limited to: costs attributable to the findings of condition surveys for health and safety; preservation of facilities and access for the physically disabled; code compliance; emergencies; asbestos removal; energy conservation; fire alarms, sprinklers, electrical distribution and heating and cooling system requirements; and other similar campus-wide and systemwide needs, provided however that subdivision (b) of section 6281 of the education law, as amended by chapter 1081 of the laws of 1969, shall apply to the dormitory authority and/or the city university construction fund, as the letting agency, unless, in its discretion, it determines to utilize a project labor agreement for all work performed in the renovation of the Marshak science building, the city college science facility and the new science research center at City College, which means a prehire collective bargaining agreement between the agency and a labor organization establishing the labor organization as the collective bargaining representative for all persons who will perform work pursuant
By chapter 53, section 1, of the laws of 2004, as added by chapter 55, section 4, of the laws of 2004:

Altered and improvements to various facilities including services and expenses, capital design, construction, acquisition, reconstruction, rehabilitation and equipment; for health and safety, preservation of facilities, new facilities, program improvement or program change, environmental protection, energy conservation, accreditation, facilities for the physically disabled, preventive maintenance and related projects, including costs incurred prior to April 1, 2004, and subject to a plan submitted annually by the city university of New York and approved by the director of the budget (30060450) ... 20,000,000 ......................... (re. $3,489,000)

The appropriation made by chapter 53, section 1, of the laws of 2004, as amended by chapter 162, section 2, of the laws of 2005, is hereby amended and reappropriated to read:

An advance for alterations and improvements to various facilities including services and expenses, capital design, construction, acquisition, reconstruction, rehabilitation and equipment; for health and safety, preservation of facilities, new facilities, program improvement or program change, environmental protection, energy conservation, accreditation, facilities for the physically disabled, and related projects, including costs incurred prior to April 1, 2004, and which may include, but not be limited to, projects in the following schedule. Notwithstanding any other law to the contrary, all or a portion of the amounts hereby appropriated may be suballocated or transferred to the dormitory authority of the state of New York for such purpose (30030450) ...................... 1,095,000,000 ....................... The appropriation made by chapter 53, section 1, of the laws of 2013, to the office of prekindergarten through grade twelve education program, general fund, local assistance account - 10000, is hereby transferred and reappropriated to the non-public school health and safety equipment projects (CCP), capital projects funds - other, capital project fund, health and safety purpose:
For services and expenses of Safety Equipment for Nonpublic Schools (11SE1301) ... 4,500,000 ............................ (re. $885,000)
By chapter 54, section 1, of the laws of 2017:

For payment of the costs of capital projects undertaken by or on behalf of school districts for the acquisition of smart schools classroom technology to be loaned to children attending a nonpublic school located in the school district, except a nonpublic school to which tuition is paid under articles 85 or 89 of the education law, in accordance with the requirements of section 755 of the education law and guidelines developed by the commissioner of education, in connection with the smart schools investment plans first submitted to the education department prior to April 15, 2017 and approved by the smart schools review board pursuant to subdivision 16 of section 3641 of the education law.

Each school district shall be eligible to receive an allocation from the funds appropriated herein equal to the product of the enrollment of all such nonpublic schools in the 2014-15 school year multiplied by the per pupil amount, provided that the liability of the state and the amount to be distributed or otherwise expended by the state to provide such loans shall be limited to the amount appropriated herein. The per pupil amount shall equal the quotient of (i) the amount budgeted by such school district in its approved smart schools investment plan for servers, wireless access points and other portable connectivity devices to be acquired as part of a school connectivity project, divided by (ii) the total public and nonpublic school enrollment in such school district in the 2014-15 school year.

Provided further that no school district shall be eligible to receive an allocation to support the loan of smart schools classroom technology in an aggregate amount greater than $250 multiplied by the nonpublic school enrollment in the 2014-15 school year.

Notwithstanding paragraph b of subdivision 16 of section 3641 of the education law, the commissioner of education shall distribute funds appropriated pursuant to this paragraph upon approval of an application made by the school district. Requests to the school district for loan of smart schools classroom technology to be acquired with the funds appropriated herein shall be made in accordance with the requirements of subdivision 3 of section 755 of the education law (11NP1708) ...

SAFETY AND SECURITY PROJECTS FOR AT RISK FACILITIES (CCP)

By chapter 54, section 1, of the laws of 2017:

For competitive grants to provide safety and security projects at nonpublic schools, community centers and day care facilities at risk of hate crimes or attacks because of their ideology, beliefs or mission. Provided that an assessment of facilities at risk may include, but not be limited to, considerations of the vulnerabilities of the organization based on its location and membership, and the potential consequences of a hate crime or attack at the facility. The amount appropriated herein may be transferred or suballocated to the division of homeland security and emergency services to accomplish the intent of this appropriation (11HS1708) ...

... 25,000,000 ................................... (re. $25,000,000)
By chapter 53, section 1, of the laws of 2009:

SMART SCHOOLS BOND ACT (CCP)

By chapter 54, section 1, of the laws of 2014:

The sum of $2,000,000,000, or so much thereof as may be necessary and
available, is hereby appropriated from the smart schools bond fund
as established by section 97-oooo of the state finance law in
accordance with the provisions of such section, for payment to the
capital projects fund in order to reimburse such fund for disburse-
ments certified by the state comptroller as bondable under the
provisions of the smart schools bond act of 2014.

The director of the budget is hereby authorized to designate to the
state comptroller specific appropriations made from the capital
projects fund for purposes for which smart schools bond fund expend-
itures are authorized. The state comptroller shall at the commence-
ment of each month certify to the director of the budget, the chair-
man of the senate finance committee, and the chairman of the
assembly ways and means committee, the amounts disbursed from the
appropriations so designated by the director of the budget from the
capital projects fund for such purposes for the month preceding such
certification and such certifications shall not exceed in the aggre-
gate the moneys hereby appropriated. A copy of each such certificate
shall also be delivered to departments, agencies and public authori-
ties to which such capital projects fund appropriations are made
available.

Notwithstanding the provisions of any general or special law, no
moneys shall be available from the smart schools bond fund until a
certificate of approval of availability shall have been issued by
the director of the budget, and a copy of such certificate of
approval filed with the state comptroller, the chairman of the
senate finance committee and the chairman of the assembly ways and
means committee. Such certificate may be amended from time to time
by the director of the budget, and a copy of each such amendment
shall be filed with the state comptroller, the chairman of the
senate finance committee and the chairman of the assembly ways and
means committee (11SS1410) ... 2,000,000,000 .. (re. $2,000,000,000)

SMART SCHOOLS IMPLEMENTATION (CCP)

By chapter 54, section 1, of the laws of 2014:

For payment of the costs of capital projects undertaken by or on
behalf of school districts as part of such school districts' smart
schools investment plans as approved by the smart schools review
board pursuant to the smart schools bond act of 2014 and subdivi-
sion 16 of section 3641 of the education law, both enacted as legis-
lation submitted by the governor pursuant to article VII of the New
York constitution, to be reimbursed from bond fund proceeds for
acquisition or installation of educational technology equipment or
for design, planning, site acquisition, construction, reconstruction
or rehabilitation of pre-kindergarten classroom space; instructional
space to replace transportable classroom units, or for high-tech
school safety and security projects.
Costs of such smart schools projects may include but not be limited to interactive whiteboards; computer servers; desktop, laptop and tablet computers; grants for high-speed broadband and wireless internet connectivity for schools and communities within the school district for enhanced educational opportunity; classroom space to accommodate pre-kindergarten programs; instructional space to replace transportable classroom units; and high-tech school safety and security projects. Pursuant to school districts' approved smart schools investment plans, all or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority.

No part of this appropriation shall be made available prior to approval of the smart schools bond act of 2014 by the voters at the general election to be held in November of 2014 (11SR14ED) ......... 2,000,000,000 ........................................ (re. $1,933,070,000)

SMART SCHOOLS SPECIAL EDUCATION PROJECTS (CCP)

Capital Projects Funds - Other
Capital Projects Fund
Educational Purpose

By chapter 54, section 1, of the laws of 2014:
For payment of the costs of capital projects undertaken by or on behalf of special act school districts, state-supported schools for the blind and deaf and approved private special education schools, pursuant to investment plans approved by the smart schools review board established by subdivision 16 of section 3641 of the education law, for acquisition or installation of educational technology equipment. Costs of such projects may include but not be limited to interactive whiteboards; computer servers; desktop, laptop and tablet computers; and high-speed broadband and wireless Internet connectivity; design, planning, site acquisition, construction, reconstruction or rehabilitation of instructional space to replace transportable classroom units; and high-tech school safety and security projects. This appropriation shall be made available to the same extent as funds are authorized and made available pursuant to the smart schools bond act of 2014 (110014ED) ...................... 5,000,000 ........................................ (re. $4,968,000)

ADMINISTRATION (CCP) ......................................... 17,000,000

ENVIRONMENT AND RECREATION (CCP) ............................ 300,000,000

For employee fringe benefits and indirect costs related to employees paid from department capital projects funds and capital accounts (09FG1850) .......... 17,000,000

For services and expenses of projects and purposes authorized by section 92-s of the state finance law to receive funding from the solid waste account in accordance with a programmatic and financial plan to be approved by the director of the budget, including suballocation to other state departments and agencies, according to the following:

Non-hazardous landfill closure projects, including $300,000 for Essex county under an agreement with the department of environmental conservation and $150,000 for Hamilton county under an agreement with the department of environmental conservation (09LC18ER) .......................... 700,000

Municipal waste reduction or recycling projects, and $2,000,000 of such amount shall be made available for municipalities and not-for-profit food banks for projects for food donation and the recycling of food scraps (09MR18ER) ................... 14,000,000

Secondary materials regional marketing assistance (09SM18ER) ............... 500,000

Pesticide program, not less than $200,000 of which shall be for activities related to Long Island pesticide pollution prevention (09PD18ER) .......................... 1,800,000
Notwithstanding any law to the contrary, for the payment of the costs associated with environmental justice projects and programs, including but not limited to: monitoring of air quality; education and outreach; not more than $1,000,000 for the connect kids program facilitating access by title 1 schools to outdoor recreational activities, public lands and parks; improvements to environmental quality; or environmental job training, in environmental justice, inner city and underserved communities, and which are undertaken by the state, or on behalf of the state by municipalities or not-for-profit corporations; and $3,000,000 of such amount shall be made available for community impact and job training grants; including $500,000 of such amount shall be made available to a not-for-profit organization for the purpose of awarding grants on a competitive basis to community groups to build the capacity of such groups, provided that up to ten percent may be made available for administrative costs and/or technical assistance. Community impact and job training grants shall be in or providing benefit to environmental justice communities in an amount of up to $100,000 for community groups and any Indian nation or tribe recognized by the state or the United States with a reservation wholly or partly within the boundaries of New York state, or any combination thereof for projects that address an community's exposure to multiple environmental harms and risks, including lead exposure and shall include implementation, studies, including air monitoring, to investigate the environment, or related public health issues of the community, research that will be used to expand the knowledge or understanding of the affected community and ways to improve the resiliency of the affected community. The results of the investigation shall be disseminated to members of the affected community. Community groups eligible for funding must provide services within the same community as the location of the environmental and/or related public health issues to be addressed by the project. Such groups shall be primarily focused on addressing the environmental and/or related public health issues of the residents of the affected community and shall be comprised primarily of members of the affected community; and $350,000 for the college of environmental science and forestry center for native peoples and the environment (09EJ18ER) ......................... 8,000,000
Notwithstanding any law to the contrary, for assessment and recovery of any natural resource damages (09RD18ER) ............... 2,025,000
Notwithstanding any law to the contrary, for the pollution prevention institute, and including $100,000 for the department to contract with the Northeast waste management officials' association for the Interstate Chemicals Clearinghouse (09PP18ER). 4,000,000
Environmental health for assessments, testing and actions including but not limited to abatement to address suspected human exposure to chemical, physical and microbiological agents, including contaminants in drinking water; including up to $500,000 for the CleanSweepNY program; and $1,000,000 to the State University of New York at Stony Brook, directly or through its research foundation, to support research development and any associated testing or pilot projects towards the treatment of water to remove 1,4-dioxane; and $2,000,000 for children's environmental health centers, including school and community childhood lead exposure assessment conducted by such centers and not more than $625,000 for programs to expand and improve access to local, fresh, nutritional food to nutritionally underserved neighborhoods in New York State through the Fresh Connect Program (09EH18ER) .................... 6,500,000
Brownfield opportunity area grants as authorized pursuant to section 970-r of the general municipal law (09018ER) ....... 2,000,000
For services and expenses of projects and purposes authorized by section 92-s of the state finance law to receive funding from the parks, recreation and historic preservation account in accordance with a programmatic and financial plan to be approved by the director of the budget, including suballocation to other state departments and agencies, according to the following:
Local waterfront revitalization programs, notwithstanding any law to the contrary, not less than, $10,000,000 for waterfront revitalization projects which are in or primarily serve areas where demographic and other relevant data for such areas demonstrate that the areas are densely populated and have sustained physical deterioration, decay, neglect, or disinvestment, or where a substantial proportion of the residential population is of low income or is otherwise disadvantaged and is underserved with respect to the existing recreational opportunities in the area including up to $2,000,000 for updates to existing local waterfront revitalization program plans to mitigate...

future physical climate risks; and includ-
ing $1,000,000 for Adirondack
infrastructure and environmental
improvements for the towns of Long Lake,
North Hudson, Minerva, Indian Lake and
Newcomb and $200,000 for the Niagara River
greenway commission (09WR18ER) .......... 16,000,000

Parks, recreation and historic preservation
projects, notwithstanding any law to the
contrary, not less than, $10,000,000 for
municipal parks projects which are in or
primarily serve areas where demographic
and other relevant data for such areas
demonstrate that the areas are densely
populated and have sustained physical
deterioration, decay, neglect or dis-in-
vestment or where a substantial proportion
of the residential population is of low
income or is otherwise disadvantaged and
is underserved with respect to the exist-
ing recreational opportunities in the
area; and including $250,000 for Tivoli
Park; $500,000 for the Hudson River Valley
Trail Grants; $700,000 to the Lake George
Park Commission for facilities
construction; $120,000 to the State
University of New York college of
environmental science and forestry and
$180,000 to Paul Smith's College for the
support of the Adirondack Park
interpretive centers (09MP18ER) .......... 20,000,000

Notwithstanding any law to the contrary, for
state parks and land and easement infras-
structure, access and stewardship projects
which shall include capital projects: (i)
on state parks and state lands pursuant to
sections 54-0303 and 56-0307 of the envi-
ronmental conservation law; (ii) on state
parks or state owned lands and easements
under the jurisdiction of the department
of environmental conservation or the
office of parks, recreation and historic
preservation for access opportunities for
people with disabilities; access to the
State Forest Preserve, State reforesta-
tion, Wildlife Management areas and
conservation easement lands; recreational
trail construction and maintenance; Cats-
kill and Adirondack camp ground improve-
ments to public access and sanitation
facilities; environmental education;
facility improvements; archeological,
historic, cultural and natural resource
surveys, forest health surveys, inter-
pretation, and inventories, and response to
forest pests including southern pine
beetle; Forest Preserve and state forest

DEPARTMENT OF ENVIRONMENTAL CONSERVATION

CAPITAL PROJECTS  2018-19

For rehabilitation and improvements of various department facilities and systems including personal service and fringe benefits and indirect costs in accordance with a programmatic and financial plan to be approved by the director of the budget including suballocation to other state departments and agencies (09RI1851) ....... 18,000,000

SOLID AND HAZARDOUS WASTE MANAGEMENT (CCP) ............... 122,000,000

For payment by the state, as reimbursement or as an advance from responsible parties or volunteers for remedial and monitoring work at sites contaminated with hazardous waste. No portion of this appropriation shall be available for expenditure until a party or parties either responsible for a site or volunteering to cleanup a site have entered into an agreement with the commissioner of the department of environmental conservation or the commissioner's designee, and which agreement is approved by the director of the budget, providing for repayment to the state of an amount equal to the amount disbursed from this appropriation. A copy of such agreement shall be filed with the state comptroller, the chairman of the senate finance committee and chairman of the assembly ways and means committee. Notwithstanding any other provision of law to the contrary, the comptroller is authorized to repay settlements or advances for specified remedial and monitoring projects from this fund with monies of the hazardous waste remedial fund received for such projects pursuant to consent orders and agreements to address sites contaminated with hazardous waste. The director of the budget shall certify to the comptroller the specific portions of this appropriation for which monies have been received pursuant to such consent orders and agreements (09AD18F7) ....... 16,000,000

For payment of the state share of the costs of hazardous waste site remediation
projects, in accordance with title 13 of article 27 of the environmental conservation law and section 97-b of the state finance law, for projects, and for payment of state costs associated with the remediation of offsite contamination at significant threat sites as provided for in section 27-1411 of the environmental conservation law, including personal service and fringe benefits of the departments of environmental conservation, health and law and including suballocations to the departments of health and law and including costs incidental and appurtenant thereto, provided that a portion of such amount may be available for environmental restoration projects in accordance with title 5 of article 56 of the environmental conservation law. None of this appropriation may be expended for any purposes authorized in title 12 of article 27 of the environmental conservation law (09HB18F7) ...................... 100,000,000

Capital Projects Funds - Other
Hazardous Waste Remedial Fund
Hazardous Waste Remediation Oversight and Assistance Account
Hazardous Waste Purpose

For the personal services and fringe benefits of the department of environmental conservation including suballocation to the department of health related to the brownfield cleanup program pursuant to title 14 of article 27 of the environmental conservation law and the voluntary cleanup program including costs incurred prior to April 1, 2018 (09BC18F7) ........ 6,000,000

ENVIRONMENT AND RECREATION (CCP)

Capital Projects Funds - Other

Environmental Protection Fund

Environment and Recreation Purpose

By chapter 54, section 1, of the laws of 2017:

For services and expenses of projects and purposes authorized by section 92-s of the state finance law to receive funding from the solid waste account in accordance with a programmatic and financial plan to be approved by the director of the budget, including suballocation to other state departments and agencies, according to the following:

Non-hazardous landfill closure projects, including $300,000 for Essex county under an agreement with the department of environmental conservation and $150,000 for Hamilton county under an agreement with the department of environmental conservation (09LC17ER) ...... 700,000 ............................ (re. $700,000)

Municipal waste reduction or recycling projects, and $2,000,000 of such amount shall be made available for municipalities and not-for-profit food banks for projects for food donation and the recycling of food scraps (09MR17ER) ... 14,000,000 ........................ (re. $13,658,000)

Secondary materials regional marketing assistance (09SM17ER) ...... 500,000 ............................ (re. $500,000)

Pesticide program, not less than $200,000 of which shall be for activities related to Long Island pesticide pollution prevention (09PD17ER) ... 1,500,000 ........................ (re. $1,500,000)

Notwithstanding any law to the contrary, for the payment of the costs associated with environmental justice projects and programs, including but not limited to: monitoring of air quality; education and outreach; no more than $500,000 for the community garden grant program; not more than $1,000,000 for the connect kids program facilitating access by title 1 schools to outdoor recreational activities, public lands and parks; improvements to environmental quality; or environmental job training, in environmental justice, inner city and underserved communities, and which are undertaken by the state, or on behalf of the state by municipalities or not-for-profit corporations; and $3,000,000 of such amount shall be made available for community impact and job training grants; including $500,000 of such amount shall be made available to a not-for-profit organization for the purpose of awarding grants on a competitive basis to community groups to build the capacity of such groups, provided that up to ten percent may be made available for administrative costs and/or technical assistance. Community impact and job training grants shall be in or affecting environmental

justice communities in an amount of up to $100,000 for community
groups for projects that address an environmental justice
community's exposure to multiple environmental harms and risks,
including lead exposure and shall include implementation, studies,
including air monitoring, to investigate the environment, or related
public health issues of the community, research that will be used to
expand the knowledge or understanding of the affected community and
ways to improve the resiliency of the affected community. The
results of the investigation shall be disseminated to members of the
affected community. Community groups eligible for funding shall be
located in the same area as the environmental and/or related public
health issues to be addressed by the project. Such groups shall be
primarily focused on addressing the environmental and/or related
public health issues of the residents of the affected community and
shall be comprised primarily of members of the affected community
(09EJ17ER) ... 8,000,000 ......................... (re. $8,000,000)
Notwithstanding any law to the contrary, for assessment and recovery
of any natural resource damages (09RD17ER) .......................
3,235,000 ........................................ (re. $3,235,000)
Notwithstanding any law to the contrary, for the pollution prevention
institute, and including $100,000 for the department to contract
with the Northeast waste management officials' association for the
Interstate Chemicals Clearing house (09PP17ER) ..................
4,000,000 ........................................ (re. $4,000,000)
Environmental health for assessments, testing and actions including
but not limited to abatement to address suspected human exposure to
chemical, physical and microbiological agents, including
contaminants in drinking water; including up to $500,000 for the
CleanSweepNY program; and $1,000,000 to the State University of New
York at Stony Brook, directly or through its research foundation, to
support research development and any associated testing or pilot
projects towards the treatment of water to remove 1,4-dioxane; and
$500,000 to land banks to assist with lead abatement; and $2,000,000
for children's environmental health centers, including school and
community childhood lead exposure assessment conducted by such
centers and not more than $625,000 for programs to expand and
improve access to local, fresh, nutritional food to nutritionally
underserved neighborhoods in New York State through the Fresh
Connect Program (09EH17ER) ... 6,500,000 ........ (re. $6,500,000)
Brownfield opportunity area grants as authorized pursuant to section
970-r of the general municipal law (09BO17ER) .....................
2,000,000 ........................................ (re. $2,000,000)
For services and expenses of projects and purposes authorized by
section 92-s of the state finance law to receive funding from the
parks, recreation and historic preservation account in accordance
with a programmatic and financial plan to be approved by the
director of the budget, including suballocation to other state
departments and agencies, according to the following:
Local waterfront revitalization programs, notwithstanding any law to
the contrary, not less than, $10,000,000 for waterfront
revitalization projects which are in or primarily serve areas where
demographic and other relevant data for such areas demonstrate that
the areas are densely populated and have sustained physical
deterioration, decay, neglect, or disinvestment, or where a
substantial proportion of the residential population is of low
income or is otherwise disadvantaged and is underserved with respect
to the existing recreational opportunities in the area including up
to $2,000,000 for updates to existing local waterfront
revitalization program plans to mitigate future physical climate
risks; and including $660,000 for Adirondack infrastructure and
environmental improvements for the towns of Minerva, Indian Lake and
DEPARTMENT OF ENVIRONMENTAL CONSERVATION

CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

Newcomb and $200,000 for the Niagara River greenway commission (09WR17ER) ... 16,000,000 .................. (re. $16,000,000)

Parks, recreation and historic preservation projects, notwithstanding any law to the contrary, not less than, $10,000,000 for municipal parks projects which are in or primarily serve areas where demographic and other relevant data for such areas demonstrate that the areas are densely populated and have sustained physical deterioration, decay, neglect or disinvestment or where a substantial proportion of the residential population is of low income or is otherwise disadvantaged and is underserved with respect to the existing recreational opportunities in the area; and including $250,000 for Tivoli Park, $1,000,000 for the Ulster County rail trail pursuant to initiation of a public planning process; and $1,000,000 to the city of New York for the East River Esplanade 107th Street Pier (09MP17ER) ... 20,000,000 ...... (re. $20,000,000)

Notwithstanding any law to the contrary, for state parks and land and easement infrastructure, access and stewardship projects which shall include capital projects: (i) on state parks and state lands pursuant to sections 54-0303 and 56-0307 of the environmental conservation law; (ii) on state parks or state owned lands and easements under the jurisdiction of the department of environmental conservation or the office of parks, recreation and historic preservation for access opportunities for people with disabilities; access to the State Forest Preserve, State reforestation, Wildlife Management areas and conservation easement lands; recreational trail construction and maintenance; Catskill and Adirondack camp ground improvements to public access and sanitation facilities; environmental education; facility improvements; archeological, historic, cultural and natural resource surveys, forest health surveys, interpretation, and inventories, and response to forest pests including southern pine beetle; Forest Preserve and state forest unit management planning; invasive species management; conservation easement public recreation planning; habitat restoration and enhancement; state fish hatchery improvements; state tree nursery improvements; water access facilities and safety improvements; public beach facility development and improvement; public access improvements at day use areas; state historic site exterior restoration; and cabin area and camping facility development, restoration and reconstruction; (iii) $1,000,000 for Belleayre Mountain ski center projects; (iv) $500,000 from the public access and stewardship allocation to Parks & Trails New York for the purpose of awarding grants on a competitive basis to local parks and department of environmental conservation friends groups, provided that up to ten percent of such amount may be made available for administrative costs and/or technical assistance; and $250,000 for the Hudson River Valley Trail Grants (09ST17ER) ............... 30,000,000 .................. (re. $29,139,000)

Notwithstanding subdivision 7 of section 92-s of the state finance law or any other law to the contrary, for services and expenses of the Hudson River Park Trust for projects related to the development of the Hudson River Park consistent with provisions of chapter 592 of the laws of 1998, including but not limited to utility infrastructure improvements; provided, however, such funds shall not be available for suballocation to any public benefit corporation or public authority with the exception of the Hudson River Park Trust and shall be available solely for the liabilities incurred by the Hudson River Park Trust or by other state departments or agencies on behalf of the Hudson River Park Trust on or after April 1, 1999. Provided further that, the comptroller is hereby authorized and directed to release monies to the Hudson River Park Trust in amounts set forth in a schedule approved by the director of the budget (09HR17ER) ... 3,200,000 ....................... (re. $3,200,000)
Notwithstanding any law to the contrary, for zoos, botanical gardens and aquaria program (09ZB17ER) $15,000,000 (re. $15,000,000)

Notwithstanding any other provisions of law, for the administration of the programs of section 79-b of the navigation law (09NV17ER) $2,000,000 (re. $6,000)

For services and expenses of projects and purposes authorized by section 92-s of the state finance law to receive funding from the open space account in accordance with a programmatic and financial plan to be approved by the director of the budget, including suballocation to other state departments and agencies, according to the following:

Costs related to the acquisition of the following properties: Atlantic Coast, Long Island Sound, Long Island South Shore Estuary Reserve, Peconic Pinelands Maritime Reserve Projects, Central Pine Barrens, Western Suffolk/Nassau Special Groundwater Protection Areas, Mott Haven-Port Morris Waterfront, Bronx River Greenway, Inner City/Underserved Community Parks, Long Pond, Staten Island Greenbelt, Staten Island Bluebelt, Staten Island Wet Woods, Great Swamp, Plutarch/Black Creek Wetlands Complex, New York Highlands, Shawangunk Mountains Region, Delaware River Highlands, Hudson River Corridor/Hudson River Estuary and Greenway Trail/ Hudson River School Art Trail, Hudson Valley/New York City Foodshed, Catskill Unfragmented Forest, Catskill River and Road Corridors, New York City Watershed Lands, Taconic Ridge/Harlem Valley, Albany Pine Bush, Five Rivers Environmental Education Center, Lake George watershed, Lake Champlain watershed, Boeselager forestry, Rensselaer Plateau, Oomsdale Farm and Surrounding Landscape, Turtle Conservation Sites, Region 4 Rail Trail Projects, Susquehanna River Valley Corridor, Saratoga County, Hudson River Projects, Folkensby Park, Washington County, Rome Sand Plains, Black Creek Watershed, Tug Hill Core Forests and Headwater Streams, Nelson Swamp, State Park Battlefields, Genny Green Trail/Link Trail, Onondaga Escarpment, State Parks Greenbelt/Tompkins County, Cattaraugus Creek and tributaries, Northern Montezuma Wetlands, Genesee River Corridor, Seneca Army Depot Conservation Area, Lake Erie Tributary Gorges, Buffalo River Watershed, Catharine Valley Complex, High-Tor/Bristol Hills/Bare Hill State Unique Area, Lake Ontario and Lake Erie Shorelines, Islands and Niagara River, Long Island Trails and Greenways, Bronx Harlem Greenway, Harbor Herons Wildlife Complex, Schunnemunk Mountain/Moodna Creek/Woodcock Mountain/Hudson Highlands Connectivity Project, Helderbergs, and Finger Lakes Shorelines and Riparian Zones, Hand Hollow Conservation Area, Northern Flow River Corridors, Black River Valley Corridor, Fort Drum Army Compatible Use Buffer Project, Herkimer Home Viewshed, Inman Gulf, Massawepie Mire, Moose River Corridor, St. Lawrence River Islands, Shoreline and Wetlands, Southern Skaneateles Lake Forest and Shoreline, Salmon River Corridor, Emerald Necklace, Riparian Buffers, Coastline and Wetland Protection Projects Aimed at Reducing the Impacts of Storms, Storm Surges and Flooding on Human and Natural Communities, Long Distance Trail Corridors, Statewide Small Projects, State Forest, Unique Area Wildlife Management Area Protection, Working Forest Lands, State Park and State Historic Site Protection, (a) notwithstanding any law to the contrary, $1,000,000 from the land acquisition allocation for urban forestry projects provided that no less than $500,000 shall be made available for such programs in cities and towns with populations of 65,000 or more; (b) notwithstanding any law to the contrary, $2,500,000 from the land acquisition allocation to the land trust alliance for the purpose of awarding grants on a competitive basis to local land trusts, provided that up to ten percent of such amount may be made available for administrative costs and/or technical assistance; (c) notwithstanding any law to the contrary, not less than $3,000,000
for land acquisition in department of environmental conservation regions 1, 2 and 3 (09LA17ER) ... 36,349,000 ..... (re. $36,349,000)
Albany Pine Bush Preserve Commission, with $50,000 to the city of Schenectady for the Woodlawn Preserve (09AP17ER) .................
2,675,000 .................................................. (re. $2,675,000)
Long Island Central Pine Barrens Planning (09LP17ER) .................
2,000,000 .................................................. (re. $2,000,000)
Long Island South Shore Estuary Reserve (09SE17ER) .................
900,000 .................................................. (re. $900,000)
Agricultural non-point source abatement and control projects,
notwithstanding any law to the contrary, (a) $1,000,000 shall be
made available for services and expenses of the Cornell University
Integrated Pest Management program; and (b) $500,000 shall be made
available to the Cornell Cooperative Extension of Suffolk County for
nutrient management planning and implementation activities
(09AN17ER) ... 17,000,000 ..................................... (re. $17,000,000)
Non-agricultural non-point source abatement and control projects
notwithstanding any law to the contrary, $550,000 of such amount
shall be made available for Cornell community integrated pest
management (09NP17ER) ... 7,000,000 .................. (re. $7,000,000)
Agriculture and farmland protection activities, notwithstanding any
law to the contrary, up to $1,000,000 shall be made available to the
tug hill tomorrow land trust for army compatible use buffer program
projects around Fort Drum, and up to $87,000 shall be made available
to Cornell University for services and expenses of land
classification, agriculture district mapping and master list of soils (09FP17ER) ... 20,000,000 .................. (re. $20,000,000)
Biodiversity stewardship and research; including funding for public
New York universities to conduct field studies and research on
biodiversity issues and up to $500,000 of this amount to support
pollinator diversity, up to $300,000 of which may be allocated to
Cornell University, including research related to the potential
adverse impacts of pesticides such as neonicitinoids, pursuant to a
contract with the department of agriculture and markets, including
the development of bee husbandry best management practices such as
pest and pathogen controls; creating diversity of pollinator
habitats; research to understand, prevent and recover from
pollinator losses; and outreach and education (09BD17ER) ...........
1,000,000 .................................................. (re. $1,000,000)
Notwithstanding any law to the contrary, for the Hudson River Estuary
Management Plan prepared pursuant to section 11-0306 of the
environmental conservation law, $1,000,000 of which shall be for the
Mohawk river action plan (09HE17ER) ..........................
5,500,000 .................................................. (re. $5,500,000)
Notwithstanding any law to the contrary, for the Finger Lakes-Lake
Ontario Watershed Protection Alliance (09PL17ER) .................
2,279,000 .................................................. (re. $2,279,000)
Notwithstanding any law to the contrary, to the Erie County Soil and
Water Conservation District for the Lake Erie Watershed Protection
Alliance (09LE17ER) ... 250,000 ...................... (re. $250,000)
Notwithstanding any law to the contrary, for the state share of costs
of wastewater treatment improvement projects undertaken by
municipalities to upgrade municipal systems to meet stormwater,
combined sewer overflow, sanitary sewer overflow and wastewater
treatment discharge requirements with priority given to systems that
are in violation of title 8 of article 17 of the environmental
conservation law and aquatic habitat restoration projects undertaken
by municipalities and not-for-profit corporations for aquatic
habitat restoration projects as defined in subdivision 1 of section
56-0101 of the environmental conservation law; including up to
$3,000,000 to Suffolk county to provide a 50 percent match for a
program developed in consultation with the department for research,
DEPARTMENT OF ENVIRONMENTAL CONSERVATION

CAPITAL PROJECTS - REAPPROPRIATIONS  2018-19

development and pilot projects to develop cost effective methods to
address nitrogen and pathogen loading from septic system or cesspool
at the state university of Stony Brook directly or through its
research foundation and $1,500,000 for Suffolk county for sewer
improvement projects; and including $5,000,000 for Nassau county for
the Bay park wastewater treatment plant outfall pipe, associated
conveyance systems, nitrogen abatement treatment works, ocean
outfall and/or connections, including up to $400,000 from such
amount for testing of monitoring wells in Nassau County and
including $250,000 from such amount to the Long Island regional
planning council for services and expenses related to the Long
Island Nitrogen Action Plan; and including $1,000,000 to maximize
the availability of drug collection programs for communities
throughout the state, including for the purchase and distribution of
tamper proof drug collection boxes, and other federally approved
drug collection programs provided that participating in the
department of environmental conservation's self-audit program shall
not be required; and including $5,000,000 to update source water
assessment plans and develop associated water protection programs
some or all of which may be allocated to the United States
Geological Survey or the New England Interstate Water Pollution
Control Commission; and including up to $500,000 for the removal and
appropriate disposal of firefighting foam containing regulated
perfluoronated compounds from municipal fire and emergency response
departments; and $1,000,000 for activities related to the cleanup of
Scjaquada Creek (09WQ17ER) ... 20,250,000 ....... (re. $20,250,000)
Notwithstanding any law to the contrary for New York ocean and Great
Lakes ecosystem conservation projects, consistent with the policy
articulated in article 14 of the environmental conservation law;
including $200,000 to Suffolk county for the Peconic Bay Estuary
Program and including $60,000 for the Great Lakes commission; and
including $250,000 for the Long Island Commission for aquifer
protection (09GL17ER) ... 15,000,000 ............. (re. $14,940,000)
Notwithstanding any law to the contrary, for the implementation of the
recommendations of the invasive species task force prepared pursuant
to chapter 324 of the laws of 2003 and for the purposes set forth in
chapter 674 of the laws of 2007 including not less than $450,000 for
Lake George, provided that not less than $6,050,000 be made
available for invasive species eradication, including but not
limited to southern pine beetle, including up to $500,000 to Cornell
University for the control of hemlock wooly adelgid and including
grants related to the control and management of invasive species.
Such funding for grants shall be provided on a competitive basis in
consultation with the New York Invasive Species Council (09IS17ER)
... 13,000,000 ................................... (re. $12,953,000)
Notwithstanding any law to the contrary, for Soil and Water
Conservation District activities as authorized for reimbursement and
funding in section 11-a of the soil and water conservation districts
law (09SW17ER) ... 9,000,000 ......................... (re. $9,000,000)
Notwithstanding any law to the contrary, for Agricultural Waste
Management projects, including up to $700,000 to Cornell University,
in consultation with the department, to continue implementing the
dairy acceleration program (09AW17ER) ..............................
1,500,000 ............................................................ (re. $1,500,000)
For services and expenses of projects and purposes authorized by
section 92-s of the state finance law to receive funding from the
climate change mitigation and adaptation account in accordance with
a programmatic and financial plan to be approved by the director of
the budget, including suballocation to other state departments and
agencies, according to the following:
DEPARTMENT OF ENVIRONMENTAL CONSERVATION
CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

Notwithstanding any law to the contrary, to address greenhouse gas emissions outside of the power sector including but not limited to demonstration projects, community engagement and applied research related to the transportation sector or methane and other short-lived climate pollutant sources (09GG17ER) ......................... 1,700,000 ......................................... (re. $1,700,000)

Notwithstanding any law to the contrary, for the department of environmental conservation to fund climate adaptation projects and to provide up to $750,000 to support municipalities incorporation of guidance developed under the community risk and resiliency act into their local planning and ordinances (09SV17ER) ..................... 750,000 ............................................. (re. $750,000)

Notwithstanding any law to the contrary, smart growth program state assistance payments, provided on a competitive basis, to counties, cities, towns, or villages to establish, update or implement comprehensive plans in a manner consistent with smart growth; provided, however, that up to 25 percent of such payments may be awarded to not-for-profit organizations for such purposes (09SG17ER) ... 2,000,000 ..................................... (re. $2,000,000)

Notwithstanding any law to the contrary, for the New York state soil and water conservation committee in conjunction with the department of agriculture and markets to develop a pilot climate resilient farms program consistent with agriculture and markets law article 11-a, agricultural environmental management program including up to $400,000 for the Cornell Soil Health Program for research and education to improve soil resiliency to climate variations and mitigate greenhouse gas emissions by carbon sequestration; and up to $50,000 in consultation with the department of taxation and finance, the department of agriculture and markets and the empire state development corporation, for the study of incentives for carbon sequestering farming practices which may include tax credits and grants and systems or methods of quantifying carbon sequestration for such incentives (09CR17ER) ... 2,500,000 ...... (re. $2,500,000)

Climate smart communities projects pursuant to title 15 of article 54 of the environmental conservation law including clean vehicle projects; notwithstanding any law to the contrary, including $500,000 for a resiliency planting program; and including $500,000 to implement easily replicated renewable energy projects, including solar arrays, heat pumps, and wind turbines across the state in public low income housing in suburban, urban, and rural areas with the goal of advancing employment opportunities for individuals living in environmental justice communities and individuals who have been discharged from state correctional facilities or local jails (09CS17ER) ... 12,000,000 ........................ (re. $12,000,000)

By chapter 55, section 1, of the laws of 2016:
For services and expenses of projects and purposes authorized by section 92-s of the state finance law to receive funding from the solid waste account in accordance with a programmatic and financial plan to be approved by the director of the budget, including suballocation to other state departments and agencies, according to the following:
Non-hazardous landfill closure projects, including $300,000 for Essex county under an agreement with the department of environmental conservation and $150,000 for Hamilton county under an agreement with the department of environmental conservation (09LC16ER) ...... 750,000 ............................................. (re. $250,000)
Municipal waste reduction or recycling projects, and $3,000,000 of such amount shall be made available through the household hazardous waste state assistance program including, but not limited to, those items defined in subdivision 5 of section 27-2601 of the environ-
DEPARTMENT OF ENVIRONMENTAL CONSERVATION

CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

mental conservation law (09MR16ER) .................................................
14,000,000 ........................................ (re. $4,552,000)
Secondary materials regional marketing assistance including productive
recovery programs and energy conservation services projects
(09SM16ER) ... 1,000,000 ........................................ (re. $1,000,000)
Pesticide program, not less than $200,000 of which shall be for activ-
ities related to Long Island pesticide pollution prevention
(09PD16ER) ... 1,200,000 ........................................ (re. $200,000)
Notwithstanding any law to the contrary, for the payment of the costs
associated with environmental justice projects and programs, includ-
ing but not limited to: monitoring of air quality; education and
outreach; not more than $500,000 for the Connect Kids program facil-
ilitating access to Title 1 schools to outdoor recreational activ-
ities, public lands and parks; improvements to environmental quali-
ity; or environmental job training, in environmental justice, inner
city and underserved communities, and which are undertaken by the
state, or on behalf of the state by municipalities or not-for-profit
corporations; and $2,000,000 of such amount shall be made available
for community impact and job training grants. Community impact and
job training grants shall be in or affecting environmental justice
communities in an amount of up to $50,000 for community groups for
projects that address an environmental justice community's exposure
to multiple environmental harms and risks, including lead exposure
and shall include implementation, studies, including air monitoring,
to investigate the environment, or related public health issues of
the community, research that will be used to expand the knowledge or
understanding of the affected community and ways to improve the
resiliency of the affected community. The results of the investiga-
tion shall be disseminated to members of the affected community.
Community groups eligible for funding shall be located in the same
area as the environmental and/or related public health issues to be
addressed by the project. Such groups shall be primarily focused on
addressing the environmental and/or related public health issues of
the residents of the affected community and shall be comprised
primarily of members of the affected community (09EJ16ER) ...
7,000,000 ........................................ (re. $6,372,000)
Notwithstanding any law to the contrary, for assessment and recovery
of any natural resource damages (09RD16ER) ............................
1,950,000 ........................................ (re. $1,950,000)
Notwithstanding any law to the contrary, for the pollution prevention
institute (09PP16ER) ... 4,000,000 ........................................ (re. $1,013,000)
Environmental health for assessments, testing and actions including
but not limited to abatement to address suspected human exposure to
chemical, physical and microbiological agents, including contam-
inants in drinking water; and $2,000,000 for children's environ-
mental health centers, including school and community childhood lead
exposure assessment conducted by such centers (09EH16ER) ...........
3,000,000 ........................................ (re. $3,000,000)
Brownfield opportunity area grants as authorized pursuant to section
970-r of the general municipal law (09BO16ER) ............................
2,000,000 ........................................ (re. $2,000,000)
For services and expenses of projects and purposes authorized by
section 92-s of the state finance law to receive funding from the
parks, recreation and historic preservation account in accordance
with a programmatic and financial plan to be approved by the direc-
tor of the budget, including suballocation to other state depart-
ments and agencies, according to the following:
Local waterfront revitalization programs, notwithstanding any law to
the contrary, not less than, $10,000,000 for waterfront revitaliza-
tion projects which are in or primarily serve areas where demograph-
ic and other relevant data for such areas demonstrate that the areas
are densely populated and have sustained physical deterioration,

of the residential population is of low income or is otherwise
disadvantaged and is underserved with respect to the existing recre-
ational opportunities in the area including up to $2,000,000 for
updates to existing local waterfront revitalization program plans to
mitigate future physical climate risks; and including $660,000 for
Adirondack infrastructure and environmental improvements for the
towns of Minerva, Indian Lake and Newcomb and $200,000 for the
Niagara River greenway commission and including $150,000 for
Hammonds Cove dredging projects; and $1,000,000 to the city of New
York for the East River Esplanade 107th Street pier (09WR16ER) ...

16,000,000 ........................................... (re. $15,580,000)

Notwithstanding any law to the contrary, for state parks and land and
easement infrastructure, access and stewardship projects which shall
include capital projects: (i) on state parks and state lands pursuant
to sections 54-0303 and 56-0307 of the environmental conserva-
tion law; (ii) on state parks or state owned lands and easements
under the jurisdiction of the department of environmental conserva-
tion or the office of parks, recreation and historic preservation
for access opportunities for people with disabilities; access to the
State Forest Preserve, State reforestation, Wildlife Management
areas and conservation easement lands; recreational trail
construction and maintenance; Catskill and Adirondack camp ground
improvements to public access and sanitation facilities; environ-
mental education; facility improvements; archeological, historic,
cultural and natural resource surveys, forest health surveys, inter-
pretation, and inventories, and response to forest pests; Forest
Preserve and state forest unit management planning; invasive species
management; conservation easement public recreation planning; habi-
tat restoration and enhancement; state fish hatchery improvements;
state tree nursery improvements; water access facilities and safety
improvements; public beach facility development and improvement;
public access improvements at day use areas; state historic site
exterior restoration; and cabin area and camping facility develop-
ment, restoration and reconstruction; (iii) $500,000 for Belleayre
Mountain ski center projects; (iv) $500,000 from the public access
and stewardship allocation to Parks & Trails New York for the
purpose of awarding grants on a competitive basis to local parks' friends groups, provided that up to ten percent of such amount may
be made available for administrative costs and/or technical assist-
ance; and $250,000 for the Hudson River Valley Trail Grants Program
and including $200,000 to SUNY ESP for an updated assessment of the
state's deer population (09ST16ER) ..........................

28,000,000 ........................................... (re. $18,530,000)

Notwithstanding subdivision 7 of section 92-s of the state finance law
or any other law to the contrary, for services and expenses of the
Hudson River Park Trust for projects related to the development of
the Hudson River Park consistent with provisions of chapter 592 of the laws of 1998; provided, however, such funds shall not be available for suballocation to any public benefit corporation or public authority with the exception of the Hudson River Park Trust and shall be available solely for the liabilities incurred by the Hudson River Park Trust or by other state departments or agencies on behalf of the Hudson River Park Trust on or after April 1, 1999. Provided further that, the comptroller is hereby authorized and directed to release monies to the Hudson River Park Trust in amounts set forth in a schedule approved by the director of the budget (09HR16ER) ... 2,500,000 ............................................... (re. $2,500,000) Notwithstanding any law to the contrary, for zoos, botanical gardens and aquaria program (09ZB16ER) ... 15,000,000 ..... (re. $1,342,000) For services and expenses of projects and purposes authorized by section 92-s of the state finance law to receive funding from the open space account in accordance with a programmatic and financial plan to be approved by the director of the budget, including suballocation to other state departments and agencies, according to the following:

DEPARTMENT OF ENVIRONMENTAL CONSERVATION
CAPITAL PROJECTS - REAPPROPRIATIONS  2018-19

Lands, State Park and State Historic Site Protection, (a) notwithstanding any law to the contrary, $1,000,000 from the land acquisition allocation for urban forestry projects provided that no less than $500,000 shall be made available for such programs in cities and towns with populations of 65,000 or more; (b) notwithstanding any law to the contrary, $2,000,000 from the land acquisition allocation to the land trust alliance for the purpose of awarding grants on a competitive basis to local land trusts, provided that up to ten percent of such amount may be made available for administrative costs and/or technical assistance; (c) notwithstanding any law to the contrary, not less than $3,000,000 for land acquisition in department of environmental conservation regions 1, 2 and 3; $500,000 for a resiliency planting program (09LA16ER) ............... 40,000,000 ....................................... (re. $28,986,000)

Albany Pine Bush Preserve Commission, with $50,000 to the city of Schenectady for the Woodlawn Preserve (09AP16ER) ............... 2,675,000 ........................................... (re. $554,000)

Long Island Central Pine Barrens Planning (09LP16ER) ............... 1,800,000 ........................................... (re. $916,000)

Long Island South Shore Estuary Reserve (09SE16ER) ............... 900,000 ............................................. (re. $350,000)

Agricultural non-point source abatement and control projects, notwithstanding any law to the contrary, (a) $1,000,000 shall be made available for services and expenses of the Cornell University Integrated Pest Management program; and (b) $500,000 shall be made available to the Cornell Cooperative Extension of Suffolk County for nutrient management planning and implementation activities (09AN16ER) ... 19,000,000 ........................ (re. $17,947,000)

Non-agricultural non-point source abatement and control projects notwithstanding any law to the contrary, $550,000 of such amount shall be made available for Cornell community integrated pest management and including $250,000 to the county of Rockland for the development of a long-term water conservation strategy (09NP16ER) ... 8,000,000 ........................ (re. $7,150,000)

Agriculture and farmland protection activities, notwithstanding any law to the contrary, $1,000,000 shall be made available to the tug hill tomorrow land trust for army compatible use buffer program projects around Fort Drum, and $70,000 shall be made available to Cornell University for services and expenses of land classification and master list of soils (09FP16ER) .................. 20,000,000 ........................ (re. $19,938,000)

Biodiversity stewardship and research; notwithstanding any law to the contrary, any or all of this amount shall be used for the New York state landowner incentive program to offer grants awarded on a competitive basis to landowners for the implementation of habitat conservation plans and up to $500,000 of this amount to support pollinator diversity, including the development of bee husbandry best management practices such as pest and pathogen controls; creating diversity of pollinator habitats; research to understand, prevent and recover from pollinator losses; and outreach and education (09BD16ER) ... 1,000,000 ........................ (re. $929,000)

Notwithstanding any law to the contrary, for the Hudson River Estuary Management Plan prepared pursuant to section 11-0306 of the environmental conservation law, $800,000 of which shall be for the Mohawk river action plan (09HE16ER) ... 5,000,000 ........ (re. $3,085,000)

Notwithstanding any law to the contrary, for the Finger Lakes-Lake Ontario Watershed Protection Alliance (09FL16ER) ............... 2,279,000 ................................. (re. $1,494,000)

Notwithstanding any law to the contrary, to the Erie County Soil and Water Conservation District for the Lake Erie Watershed Protection Alliance (09LE16ER) ... 250,000 ................................. (re. $250,000)
Notwithstanding any law to the contrary, for the state share of costs of wastewater treatment improvement projects undertaken by municipalities to upgrade municipal systems to meet stormwater, combined sewer overflow, sanitary sewer overflow and wastewater treatment discharge requirements with priority given to systems that are in violation of title 8 of article 17 of the environmental conservation law and aquatic habitat restoration projects undertaken by municipalities and not-for-profit corporations for aquatic habitat restoration projects as defined in subdivision 1 of section 56-0101 of the environmental conservation law; including up to $3,000,000 to Suffolk county to provide a 50 percent match for a program developed in consultation with the department for research, development and pilot projects to develop cost effective methods to address nitrogen and pathogen loading from septic system or cesspool effluent or other sources or to support such efforts without a match at the state university of Stony Brook directly or through its research foundation and $1,500,000 for Suffolk county for sewer improvement projects; and including $5,000,000 for Nassau county for the Bay park wastewater treatment plant outfall pipe, associated conveyance systems, nitrogen abatement treatment works, ocean outfall and/or connections; including $1,000,000 to maximize the availability of drug collection programs for communities throughout the state, including to local law enforcement agencies for the purchase and distribution of tamper proof drug collection boxes, and other federally approved drug collection programs, and including $750,000 for the city of Corning Denison Park stormwater outfall pipe (09WQ16ER) ... 20,000,000 ........................ (re. $19,441,000)

Notwithstanding any law to the contrary for New York ocean and Great Lakes ecosystem conservation projects, consistent with the policy articulated in article 14 of the environmental conservation law; including $200,000 to Suffolk county for the Peconic Bay Estuary Program (09GL16ER) ... 15,000,000 ........................ (re. $11,801,000) Notwithstanding any law to the contrary, for the implementation of the recommendations of the invasive species task force prepared pursuant to chapter 324 of the laws of 2003 and for the purposes set forth in chapter 674 of the laws of 2007 including not less than $450,000 for Lake George, provided that not less than $5,550,000 be made available for invasive species eradication, including but not limited to southern pine beetle, emerald ash borer, and hydrilla and including grants related to the control and management of invasive species. Such funding for grants shall be provided on a competitive basis in consultation with the New York Invasive Species Council (09IS16ER) ... 12,000,000 ........................ (re. $11,550,000) Notwithstanding any law to the contrary, for Agricultural Waste Management projects (09AW16ER) ... 1,500,000 ...... (re. $1,353,000) Notwithstanding any law to the contrary, for a public waterway reconstruction program to be established and administered by the department of state, at the request of any county, city, town, village or other governmental entity, for projects to dredge, clear, and repair public waterways, according to best practices, that allow for proactively managing public waterways. Funds appropriated herein shall provide fifty percent reimbursement to such localities for authorized expenditures (09DR16ER) ... 1,000,000 ........ (re. $1,000,000) Notwithstanding any law to the contrary, and within amounts appropriated, for a free water testing pilot program to be established and administered by the department of health, or pursuant to contracts with laboratories, within one hundred and twenty days whereby, at the request of any individual, public water system, or school district, the department shall cause to be provided to such individual, public water system, or school district a container or containers for the collection of a sample of drinking water and the means to forward such sample to a laboratory to be tested for contam-

inants. The results of such test shall be forwarded to the individual, public water system, or school district by the laboratory as soon as practicable (09WT16ER) ........................................... 1,500,000 ......................................... (re. $1,335,000)

For services and expenses of projects and purposes authorized by section 92-s of the state finance law to receive funding from the climate change mitigation and adaptation account in accordance with a programmatic and financial plan to be approved by the director of the budget, including suballocation to other state departments and agencies, according to the following:

Notwithstanding any law to the contrary, to address greenhouse gas emissions outside of the power sector including but not limited to the development of inventories, demonstration projects and applied research related to the transportation sector or methane sources (09GG16ER) ... 1,000,000 ......................... (re. $1,000,000)

Notwithstanding any law to the contrary, smart growth program state assistance payments, provided on a competitive basis, to counties, cities, towns, or villages to establish, update or implement comprehensive plans in a manner consistent with smart growth; provided, however, that up to 25 percent of such payments may be awarded to not-for-profit organizations for such purposes (09SG16ER) ........ 2,000,000 ......................................... (re. $1,950,000)

Notwithstanding any law to the contrary for the New York state soil and water conservation committee in conjunction with the department of agriculture and markets to develop a pilot climate resilient farms program consistent with agriculture and markets law article 11-a, agricultural environmental management program (09CR16ER) ..... 2,500,000 ................................................. (re. $2,500,000)

Climate smart communities projects pursuant to title 15 of article 5 of the environmental conservation law (09CS16ER) ................... 14,000,000 ....................................... (re. $13,895,000)

By chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2017:

Notwithstanding any law to the contrary, to conduct state vulnerability assessments (09SV16ER) ... 2,500,000 ........... (re. $2,468,000)

By chapter 54, section 1, of the laws of 2015:

For services and expenses of projects and purposes authorized by section 92-s of the state finance law to receive funding from the parks, recreation and historic preservation account in accordance with a programmatic and financial plan to be approved by the director of the budget, including suballocation to other state departments and agencies, according to the following:

Local waterfront revitalization programs, notwithstanding any law to the contrary, not less than, $6,250,000 for waterfront revitalization projects which are in or primarily serve areas where demographic and other relevant data for such areas demonstrate that the areas are densely populated and have sustained physical deterioration, decay, neglect, or disinvestment, or where a substantial proportion of the residential population is of low income or is otherwise disadvantaged and is underserved with respect to the existing recreational opportunities in the area; and provided further this appropriation shall not be construed to restrict the use of any additional monies for such projects including $250,000 for Flood Smart communities, and $250,000 for Schuyler County Soil and Water Conservation District (09WR15ER) ... 12,500,000 ........ (re. $12,211,000)

Parks, recreation and historic preservation projects, notwithstanding any law to the contrary, not less than, $7,875,000 for municipal parks projects which are in or primarily serve areas where demographic and other relevant data for such areas demonstrate that the areas are densely populated and have sustained physical deteri-

Notwithstanding any law to the contrary, for the implementation of the recommendations of the invasive species task force prepared pursuant to chapter 324 of the laws of 2003 and for the purposes set forth in chapter 674 of the laws of 2007 including not less than $450,000 for Lake George, provided that not less than $1,000,000 be made available for invasive species eradication, and including grants related to the control and management of invasive species. Such funding for grants shall be provided on a competitive basis in consultation with the New York Invasive Species Council (09IS15ER) ................... 5,850,000 ......................................... (re. $3,615,000)

Notwithstanding any law to the contrary, for Soil and Water Conservation District activities as authorized for reimbursement and funding in section 11-a of the soil and water conservation districts law; including $500,000 for the New York State Soil and Water Conservation Committee in conjunction with the Department of Agriculture and Markets to develop a pilot climate resilient farms program consistent with agriculture and markets law article 11-a, agricultural environmental management program (09SW15ER) ............... 5,275,000 ............................................ (re. $55,000)

Notwithstanding any law to the contrary, for Agricultural Waste Management projects (09AW15ER) ... 1,500,000 ...... (re. $1,217,000)
DEPARTMENT OF ENVIRONMENTAL CONSERVATION

CAPITAL PROJECTS - REAPPROPRIATIONS  2018-19

By chapter 54, section 1, of the laws of 2015, as amended by chapter 54, section 1, of the laws of 2017:

For services and expenses of projects and purposes authorized by section 92-s of the state finance law to receive funding from the solid waste account in accordance with a programmatic and financial plan to be approved by the director of the budget, including suballocation to other state departments and agencies, according to the following:

Non-hazardous landfill closure projects (09LC15ER) ................... 250,000 ............................................. (re. $250,000)

Municipal waste reduction or recycling projects (09MR15ER) ........... 7,500,000 ........................................... (re. $164,000)

Secondary materials regional marketing assistance and energy conservation services projects (09SM15ER) ... 1,000,000 ... (re. $1,000,000)

Pesticide program, not less than $200,000 of which shall be for activities related to Long Island pesticide pollution prevention (09PD15ER) ... 1,200,000 ............................ (re. $127,000)

Notwithstanding any law to the contrary, for community impact research grants. Such grants shall be in or affecting environmental justice communities in an amount of up to $50,000 for community groups for projects that address an environmental justice community's exposure to multiple environmental harms and risks. Such projects shall include studies, including air monitoring, to investigate the environment, or related public health issues of the community, research that will be used to expand the knowledge or understanding of the affected community and ways to improve the resiliency of the affected community. The results of the investigation shall be disseminated to members of the affected community. Community groups eligible for funding shall be located in the same area as the environmental and/or related public health issues to be addressed by the project. Such groups shall be primarily focused on addressing the environmental and/or related public health issues of the residents of the affected community and shall be comprised primarily of members of the affected community, $100,000 of which shall be made available to the city of Buffalo for lead inspection kits in zip codes of northeast Buffalo previously designated by the Erie County department of health as "communities of concern" where children are at exceptionally high risk for lead poisoning (09EJ15ER) .................. 1,100,000 ............................................. (re. $1,100,000)

Notwithstanding any law to the contrary, for assessment and recovery of any natural resource damages (09RD15ER) ......................... 1,000,000 ........................................... (re. $654,000)

Notwithstanding any law to the contrary, for the pollution prevention institute (09PP15ER) ... 3,250,000 ................ (re. $2,844,000)

By chapter 54, section 1, of the laws of 2014:

For services and expenses of projects and purposes authorized by section 92-s of the state finance law to receive funding from the solid waste account in accordance with a programmatic and financial plan to be approved by the director of the budget, including suballocation to other state departments and agencies, according to the following:

Non-hazardous landfill closure projects (09LC14ER) ................... 250,000 ............................................. (re. $250,000)

Municipal waste reduction or recycling projects (09MR14ER) ........... 7,000,000 ........................................... (re. $168,000)

Secondary materials regional marketing assistance and energy conservation services projects (09SM14ER) ... 1,000,000 ... (re. $1,000,000)

Pesticide program, not less than $200,000 of which shall be for activities related to Long Island pesticide pollution prevention (09PD14ER) ... 1,200,000 ............................ (re. $19,000)
DEPARTMENT OF ENVIRONMENTAL CONSERVATION

palities to upgrade municipal systems to meet stormwater, combined sewer overflow, sanitary sewer overflow and wastewater treatment discharge requirements with priority given to systems that are in violation of title 8 of article 17 of the environmental conservation law and aquatic habitat restoration projects undertaken by municipalities and not-for-profit corporations for aquatic habitat restoration projects as defined in subdivision 1 of section 56-0101 of the environmental conservation law; including $4,000,000 to be distributed to municipalities pursuant to a competitive grants process for natural infrastructure projects designed to mitigate the impacts of floods, storm surge, and other effects of climate change (09WQ13ER) ... 6,945,000 ...................... (re. $6,185,000)

Notwithstanding any law to the contrary, for New York ocean and Great Lakes ecosystem conservation projects, consistent with the policy articulated in article 14 of the environmental conservation law (09GL13ER) ... 4,750,000 ...................... (re. $3,278,000)

Notwithstanding any law to the contrary, for the implementation of the recommendations of the invasive species task force prepared pursuant to chapter 324 of the laws of 2003 and for the purposes set forth in chapter 674 of the laws of 2007 including not less than $100,000 for Lake George, provided that not less than $1,000,000 be made available for invasive species eradication, and including grants related to the control and management of invasive species. Such funding for grants shall be provided on a competitive basis in consultation with the New York Invasive Species Council (09IS13ER) ................... 4,600,000 ......................................... (re. $2,730,000)

For services and expenses of projects and purposes authorized by section 92-s of the state finance law to receive funding from the solid waste account in accordance with a programmatic and financial plan to be approved by the director of the budget, including suballocation to other state departments and agencies, according to the following:

Secondary materials regional marketing assistance and energy conservation services projects (09SM12ER) ... 1,000,000 ... (re. $1,000,000)

Notwithstanding any law to the contrary, for assessment and recovery of any natural resource damages (09RD12ER) ......................... 175,000 ............................................. (re. $175,000)

For services and expenses of projects and purposes authorized by section 92-s of the state finance law to receive funding from the parks, recreation and historic preservation account in accordance with a programmatic and financial plan to be approved by the director of the budget, including suballocation to other state departments and agencies, according to the following:

Local waterfront revitalization programs, notwithstanding any law to the contrary, not less than, $5,750,000 for waterfront revitalization projects which are in or primarily serve areas where demographic and other relevant data for such areas demonstrate that the areas are densely populated and have sustained physical deterioration, decay, neglect, or disinvestment, or where a substantial proportion of the residential population is of low income or is otherwise disadvantaged and is underserved with respect to the existing recreational opportunities in the area; and provided further this appropriation shall not be construed to restrict the use of any additional monies for such projects; including $60,000 for Jefferson and St. Lawrence; and $400,000 for Niagara and Erie Waterfront Revitalization (09WR12ER) ... 11,500,000 ...................... (re. $10,212,000)

Parks, recreation and historic preservation projects, notwithstanding any law to the contrary, not less than, $6,500,000 for municipal
parks projects which are in or primarily serve areas where demo-
graphic and other relevant data for such areas demonstrate that the
areas are densely populated and have sustained physical deterio-
ration, decay, neglect or disinvestment or where a substantial
portion of the residential population is of low income or is
otherwise disadvantaged and is underserved with respect to the
existing recreational opportunities in the area; including $425,000
for Buffalo - area parks; and $300,000 for Niagara and Erie Historic
Preservation (09MP12ER) ... 13,000,000 ............ (re. $4,899,000)
Notwithstanding any law to the contrary, for state parks and land and
easement infrastructure, access and stewardship projects which shall
include capital projects: (i) on state parks and state owned lands
acquired pursuant to sections 54-0303 and 56-0307 of the environ-
mental conservation law; (ii) on state parks or state owned lands
and easements under the jurisdiction of the department of environ-
mental conservation or the office of parks, recreation and historic
preservation for access opportunities for people with disabilities;
access to the State Forest Preserve; State reforestation, Wildlife
Management areas and conservation easement lands; recreational trail
construction and maintenance; Catskill and Adirondack campground
improvements to public access and sanitation facilities; environ-
mental education; conservation education facility improvements;
archeological, historic, cultural and natural resource surveys,
forest health surveys, interpretation, and inventories; Forest
Preserve and state forest unit management planning; conservation
easement public recreation planning; habitat restoration and
enhancement; state fish hatchery improvements; water access facili-
ties and safety improvements; public beach facility development and
improvement; public access improvements at day use areas; state
historic site exterior restoration; and cabin area and camping
facility development, restoration and reconstruction; and (iii)
$500,000 for Belleayre Mountain ski center projects (09ST12ER) ..... 16,000,000 ........................................ (re. $1,793,000)
Notwithstanding subdivision 7 of section 92-s of the state finance law
or any other law to the contrary, for services and expenses of the
Hudson River Park Trust for projects related to the development of
the Hudson River Park consistent with provisions of chapter 592 of
the laws of 1998; provided, however, such funds shall not be avail-
able for suballocation to any public benefit corporation or public
authority with the exception of the Hudson River Park Trust and
shall be available solely for the liabilities incurred by the Hudson
River Park Trust or by other state departments or agencies on behalf
of the Hudson River Park Trust and shall be available solely for the
liabilities incurred by the Hudson River Park Trust or by other
state departments or agencies on behalf of the Hudson River Park
Trust on or after April 1, 1999. Provided further that, the comp-
troller is hereby authorized and directed to release monies to the
Hudson River Park Trust in amounts set forth in a schedule approved
by the director of the budget (09HR12ER) ...........................
3,000,000 ........................................... (re. $3,000,000)
For services and expenses of projects and purposes authorized by
section 92-s of the state finance law to receive funding from the
open space account in accordance with a programmatic and financial
plan to be approved by the director of the budget, including subal-
location to other state departments and agencies, according to the
following:
Costs related to the acquisition of the following properties: Atlantic
Coast, Long Island Sound Coastal Area, Long Island South Shore
Estuary Reserve, Peconic Pine lands Maritime Reserve Projects,
Central Pine Barrens, Hudson River projects, Western Suffolk/Nassau
Special Groundwater Protection Areas, Inner City/Underserved Commu-
nity Parks, Long Pond/Butler Woods, Staten Island Greenbelt, Staten
Island Bluebelt, Staten Island Wet Woods, Great Swamp, Neversink Highlands, Plutarch/Black Creek Wetlands Complex, New York Highlands, Northern Putnam Greenway, Shawangunk Mountains, Catskill Mountain/Delaware River Region, Beaverkill/Willowemoc, Hudson River Estuary/Greenway/Quadricentennial Legacy Trail Corridor, Catskill Unfragmented Forest, Catskill River and Road Corridors, Long Path, New York City Watershed Lands, Taconic Ridge/Harlem Valley, Albany Pine Bush, Five Rivers Environmental Education Center, Batten Kill Watershed-Saratoga National Historic Park Viewshed, Washington County Agricultural Lands-Saratoga National Historic Park Viewshed, Lake George watershed, Lake Champlain watershed, Boeselager forest, Catskill River and Road corridor, Rensselaer plateau, Oomsdale Farm and Surrounding Landscape, Hudson River Gorge, Susquehanna River Valley Corridor, Lake Champlain Shoreline and Wetlands, Saratoga County, State Forest and Wildlife Management Area Protection, Pollensby Park, Undeveloped Lake George Shore, Whitney Park, Finch Woodlands, Washington County, Washington County Grasslands, Recreational Trail Linkages and Networks, Rome Sand Plains, Black Creek Watershed, Portaferry Lake, Tug Hill Core Forests and Headwater Streams, Tioga County Park Opportunities, Nelson Swamp, Clark Reservation State Park, State Parks Greenbelt/Tompkins County, Cattaraugus Creek and tributaries, Northern Montezuma Wetlands, Lake Erie Tributary Gorges, Two Rivers State Park, Buffalo River Watershed, Braddock Bay, Catharine Valley Complex, Genesee Greenway/Recreationway, Hi Tor/Bristol Hills, Allegany State Park, Great Lakes Shorelines and Niagara River, Long Distance Trail Corridors, Statewide Small Projects, Working Forest Lands, State Park and State Historic Site Protection, (a) notwithstanding any law to the contrary, $500,000 from the land acquisition allocation for urban forestry projects provided that no less than $250,000 shall be made available for such programs in cities and towns with populations of 65,000 or more; (b) notwithstanding any law to the contrary, $1,575,000 from the land acquisition allocation to the land trust alliance for the purpose of awarding grants on a competitive basis to local land trusts, provided that up to ten percent of such amount may be made available for administrative costs and/or technical assistance.

Notwithstanding any law to the contrary, for state assistance payments, pursuant to a smart growth program, provided on a competitive basis, to counties, cities, towns, or villages to establish, update or implement comprehensive plans in a manner consistent with smart growth; provided, however, that up to 25 percent of such payments may be awarded to not-for-profit organizations for such purposes.

Notwithstanding any law to the contrary, for the state share of costs of wastewater treatment improvement projects undertaken by municipalities to upgrade municipal systems to meet stormwater, combined sewer overflow, sanitary sewer overflow and wastewater treatment discharge requirements with priority given to systems that are in violation of title 8 of article 17 of the environmental conservation

Lakes ecosystem conservation projects, consistent with the policy
articulated in article 14 of the environmental conservation law
(09GL12ER) ... 4,728,000 ........................................ (re. $2,491,000)
Notwithstanding any law to the contrary, for the implementation of the
recommendations of the invasive species task force prepared pursuant
to chapter 324 of the laws of 2003 and for the purposes set forth in
chapter 674 of the laws of 2007 including not less than $100,000 for
Lake George, provided that not less than $1,000,000 be made avail-
able for invasive species eradication, and including grants related
to the control and management of invasive species. Such funding for
grants shall be provided on a competitive basis in consultation with
the New York Invasive Species Council (09IS12ER) ................... 3,400,000 ......................................... (re. $2,605,000)
By chapter 54, section 1, of the laws of 2011:
For services and expenses of projects and purposes authorized by
section 92-s of the state finance law to receive funding from the
solid waste account in accordance with a programmatic and financial
plan to be approved by the director of the budget, including subal-
location to other state departments and agencies, according to the
following:
Non-hazardous landfill closure projects (09LC11ER) ............... 600,000 ............................................... (re. $15,000)
Secondary materials regional marketing assistance and energy conserva-
tion services projects (09SM11ER) ... 1,000,000 ... (re. $1,000,000)
Notwithstanding any law to the contrary, for assessment and recovery
of any natural resource damages (09RD11ER) ....................... 200,000 ............................................... (re. $20,000)
For services and expenses of projects and purposes authorized by
section 92-s of the state finance law to receive funding from the
parks, recreation and historic preservation account in accordance
with a programmatic and financial plan to be approved by the direc-
tor of the budget, including suballocation to other state depart-
ments and agencies, according to the following:
Local waterfront revitalization programs, notwithstanding any law to
the contrary, not less than, $5,750,000 for waterfront revitaliza-
tion projects which are in or primarily serve areas where demograph-
ic and other relevant data for such areas demonstrate that the areas
are densely populated and have sustained physical deterioration,
decay, neglect, or disinvestment, or where a substantial proportion
of the residential population is of low income or is otherwise
disadvantaged and is underserved with respect to the existing recre-
ational opportunities in the area; and provided further this appro-
priation shall not be construed to restrict the use of any addi-
tional monies for such projects, $100,000 for Hoyt Lake; $300,000
for Buffalo Waterfront; and $225,000 for Niagara River Greenway
(09WR11ER) ... 11,500,000 ........................................ (re. $9,476,000)
Parks, recreation and historic preservation projects, notwithstanding

14 By chapter 55, section 1, of the laws of 2006, as added by chapter 108, section 5, of the laws of 2006:
15 For services and expenses of projects and purposes authorized by
16 section 92-s of the state finance law to receive funding from the
17 parks, recreation and historic preservation account in accordance
18 with a programmatic and financial plan to be approved by the direc-
19 tor of the budget, including suballocation to other state depart-
20 ments and agencies, including: (a) notwithstanding subdivision 7 of
21 section 92-s of the state finance law or any other law to the
22 contrary, $5,000,000 for services and expenses of the Hudson River
23 Park Trust for projects related to the development of the Hudson
24 River Park consistent with provisions of chapter 592 of the laws of
25 1998; provided, however, such funds shall not be available for
26 suballocation to any public benefit corporation or public authority
27 with the exception of the Hudson River Park Trust and shall be
28 available solely for the liabilities incurred by the Hudson River
29 Park Trust or by other state departments or agencies on behalf of
30 the Hudson River Park Trust and shall be available solely for the
31 liabilities incurred by the Hudson River Park Trust or by other
32 state departments or agencies on behalf of the Hudson River Park
33 Trust on or after April 1, 1999. Provided further that, the com-
34 troller is hereby authorized and directed to release monies to the
35 Hudson River Park Trust in amounts set forth in a schedule approved
36 by the director of the budget; (b) notwithstanding any law to the
37 contrary, $15,000,000 for state parks and land infrastructure, access
38 and stewardship projects which shall include capital projects: (i)
39 on state parks and state owned lands acquired pursuant to sections 54-0303 and 56-0307 of the environmental conservation law or (ii) on state parks or state owned lands under the jurisdic-
40 tion of the department of environmental conservation or the office of parks, recreation and historic preservation for access opportu-
41 nities for people with disabilities; access to the State Forest Preserve; recreational trail construction and maintenance; Catskill and Adirondack campground improvements to public access and sanita-
42 tion facilities; conservation education facility improvements; archeological, historic, cultural and natural resource surveys, interpretation, and inventories; Forest Preserve and state forest unit management planning; habitat restoration and enhancement; state fish hatchery improvements; water access facilities and safety improvements; public beach facility development and improvement; public access improvements at day use areas; state historic site exterior restoration; and cabin area and camping facility develop-
43 ment, restoration and reconstruction; and (iii) $750,000 from such
44 amount for Belleayre Mountain ski center projects; (c) notwithstand-
45 ing any law to the contrary, $5,000,000 for historic barns program;
46 (d) notwithstanding any law to the contrary, $7,500,000 for zoos, botanical gardens and aquaria program; (e) notwithstanding any law to the contrary, not less than, $6,750,000 for waterfront revitali-
47 zation projects which are in or primarily serve areas where demo-
graphic and other relevant data for such areas demonstrate that the areas are densely populated and have sustained physical deterioration, decay, neglect, or disinvestment, or where a substantial proportion of the residential population is of low income or is otherwise disadvantaged and is underserved with respect to the existing recreational opportunities in the area; and provided further this section shall not be construed to restrict the use of any additional monies for such projects; (f) notwithstanding any law to the contrary, not less than $5,118,000 for municipal parks projects which are in or primarily serve areas where demographic and other relevant data for such areas demonstrate that the areas are densely populated and have sustained physical deterioration, decay, neglect or disinvestment or where a substantial proportion of the residential population is of low income or is otherwise disadvantaged and is underserved with respect to the existing recreational opportunities in the area; and provided further this section shall not be construed to restrict the use of any additional monies for such projects and not less than $1,500,000 for the Albany Pine Bush Preserve Discovery Center; (g) notwithstanding any law to the contrary, $7,250,000 from the waterfront revitalization allocation for the Beacon Institute including $5,000,000 for the development of the upper satellite center associated with the Beacon Institute located on the Troy waterfront; and (h) notwithstanding any law to the contrary, $1,000,000 for waterfront revitalization and riverfront development projects in the county of Rensselaer and $300,000 for Sea Cliff, $300,000 for the town of Huntington, $100,000 for Laurel Hollow, $100,000 for Asharoken, $100,000 for Lloyd Harbor and $100,000 for Bayville; provided that such state assistance payment shall not be construed to restrict the use of any additional monies for such project or be considered a state assistance payment or other assistance for the purposes of title 11 of article 54 of the environmental conservation law and title 3 of article 56 of the environmental conservation law; and provided further, however that such state assistance payment shall reduce the total cost of such project for purposes of calculating eligibility for further state assistance payments (09E306ER) ... 79,970,000 ..... 47 By chapter 55, section 1, of the laws of 2005, as added by chapter 62,
48 section 4, of the laws of 2005:
49 For services and expenses of projects and purposes authorized by
50 section 92-s of the state finance law to receive funding from the
51 parks, recreation and historic preservation account in accordance
52 with a programmatic and financial plan to be approved by the direc-
53 tor of the budget, including suballocation to other state depart-
54 ments and agencies, including: (a) notwithstanding subdivision 7 of
55 section 92-s of the state finance law or any other law to the
56 contrary, $5,000,000 for services and expenses of the Hudson River
57 Park Trust for projects related to the development of the Hudson
58 River Park consistent with provisions of chapter 592 of the laws of
59 1998; provided, however, such funds shall not be available for
60 suballocation to any public benefit corporation or public authority
61 with the exception of the Hudson River Park Trust and shall be
62 available solely for the liabilities incurred by the Hudson River
63 Park Trust or by other state departments or agencies on behalf of
64 the Hudson River Park Trust and shall be available solely for the
65 liabilities incurred by the Hudson River Park Trust or by other
66 state departments or agencies on behalf of the Hudson River Park
67 Trust on or after April 1, 1999. Provided further that, the comp-
troller is hereby authorized and directed to release monies to the
Hudson River Park Trust in amounts set forth in a schedule approved
by the director of the budget; (b) notwithstanding any law to the
contrary, $6,500,000 for state parks and land infrastructure and
stewardship projects which shall include capital projects: (i) on
state parks and state owned lands acquired pursuant to sections
54-0303 and 56-0307 of the environmental conservation law or (ii) on
state parks or state owned lands under the jurisdiction of the
department of environmental conservation or the office of parks,
recreation and historic preservation for access opportunities for
people with disabilities; access to the State Forest Preserve;
recreational trail construction and maintenance; Catskill and
Adirondack campground improvements to public access and sanitation
facilities; conservation education facility improvements; archeologi-
cal, historic, cultural and natural resource surveys, interpreta-
tion, and inventories; Forest Preserve unit management planning;
habitat restoration and enhancement; water access facilities; public
beach facility development and improvement; public access improve-
ments at day use areas; state historic site exterior restoration;
and cabin area and camping facility development, restoration and
reconstruction; and include seven hundred fifty thousand dollars
from such amount for Belleayre Mountain ski center projects; (c)
notwithstanding any law to the contrary, $750,000 for historic barns
program; (d) notwithstanding any law to the contrary, $6,000,000 for
zoos, botanical gardens and aquaria program; (e) notwithstanding any
law to the contrary not less than, $3,563,000 for waterfront revi-
talization projects which are in or primarily serve areas where
demographic and other relevant data for such areas demonstrate that
the areas are densely populated and have sustained physical deteri-
oration, decay, neglect, or disinvestment, or where a substantial
proportion of the residential population is of low income or is
otherwise disadvantaged and is underserved with respect to the
existing recreational opportunities in the area; and provided
further this section shall not be construed to restrict the use of
any additional monies for such projects; (f) notwithstanding any law
to the contrary, not less than, $3,579,000 for municipal parks
projects which are in or primarily serve areas where demographic and
other relevant data for such areas demonstrate that the areas are
densely populated and have sustained physical deterioration, decay,
neglect or disinvestment or where a substantial proportion of the
residential population is of low income or is otherwise disadvan-
taged and is underserved with respect to the existing recreational
opportunities in the area; and provided further this section shall
not be construed to restrict the use of any additional monies for such projects; (g) notwithstanding any law to the contrary,
$1,000,000 from the waterfront revitalization allocation for the
rivers and estuaries center on the Hudson; and (h) notwithstanding
any law to the contrary, $1,000,000 for waterfront revitalization
and riverfront development projects in the county of Rensselaer and
$500,000 for Oyster Bay and $500,000 for the town of Huntington;
provided that such state assistance payment shall not be construed
to restrict the use of any additional monies for such project or be
considered a state assistance payment or other assistance for the
purposes of title 11 of article 54 of the environmental conservation
law and title 3 of article 56 of the environmental conservation law;
and provided further, however that such state assistance payment
shall reduce the total cost of such project for purposes of calcu-
lating eligibility for further state assistance payments (09B3O5ER)

For services and expenses related to restoration projects, replacement acquisition projects or combinations thereof resulting from successful natural resource damages claims. No portion of this appropriation shall be available for projects for which recovered funds have not been received including suballocation to the department of health and the office of parks, recreation and historic preservation (09449451) ... 23,503,000 ........................... (re. $504,000)

PURE WATERS BOND FUND (CCP)

The sum of two hundred sixty-three million thirty-five thousand nine hundred sixty-one dollars ($263,035,961) or so much thereof as may be necessary, is hereby appropriated from the proceeds of the sale
of bonds authorized pursuant to the provisions of chapter one
hundred and seventy-six of the laws of nineteen hundred sixty-five
known as the "Pure Waters Bond Act" for payment to the capital
projects fund as created by section ninety-three of the state
finance law for disbursements from such fund pursuant to appropri-
atations for the payment of the non-municipal share of the cost of
construction of sewage treatment works in the manner and to the
extent specified in section 17-1903 of the environmental conserva-
tion law. Such disbursements are hereinafter referred to as "Pure
Waters disbursements."
The director of the budget is hereby authorized to designate to the
state comptroller appropriations made from the capital projects fund
for purposes for which pure waters expenditures are authorized. The
state comptroller shall at the commencement of each month certify to
the director of the budget, the chairman of the senate finance
committee, and the chairman of the assembly ways and means commit-
tee, the amounts disbursed from the appropriations designated by the
director of the budget from the capital construction fund for pure
waters disbursements for the month preceding such certification.
Such certifications shall not exceed in aggregate the moneys appro-
priated thereof from the capital projects fund. A copy of each such
certification shall also be delivered to the public officer of the
respective state department to which such capital projects fund
appropriations are made available (01354910) ...... (re. $20,568,000)

SOLID AND HAZARDOUS WASTE MANAGEMENT (CCP)

Capital Projects Funds - Other
Capital Projects Fund
Hazardous Waste Purpose

By chapter 54, section 1, of the laws of 2017:
For payment by the state, as reimbursement or as an advance from
responsible parties or volunteers for remedial and monitoring work
at sites contaminated with hazardous waste. No portion of this
appropriation shall be available for expenditure until a party or
parties either responsible for a site or volunteering to cleanup a
site have entered into an agreement with the commissioner of the
department of environmental conservation or the commissioner's
designee, and which agreement is approved by the director of the
budget, providing for repayment to the state of an amount equal to
the amount disbursed from this appropriation. A copy of such
agreement shall be filed with the state comptroller, the chairman of
the senate finance committee and chairman of the assembly ways and
means committee.

Notwithstanding any other provision of law to the contrary, the comp-
troller is authorized to repay settlements or advances for
specified remedial and monitoring projects from this fund with
monies of the hazardous waste remedial fund received for such
projects pursuant to consent orders and agreements to address sites
contaminated with hazardous waste.

The director of the budget shall certify to the comptroller the
specific portions of this appropriation for which monies have been
received pursuant to such consent orders and agreements (09AD17F7)
... 16,000,000 ....................................... (re. $16,000,000)

By chapter 55, section 1, of the laws of 2016:
For payment by the state, as reimbursement or as an advance from
responsible parties or volunteers for remedial and monitoring work
at sites contaminated with hazardous waste. No portion of this
appropriation shall be available for expenditure until a party or
parties either responsible for a site or volunteering to cleanup a
site have entered into an agreement with the commissioner of the
department of environmental conservation or the commissioner's
designee, and which agreement is approved by the director of the
budget, providing for repayment to the state of an amount equal to
the amount disbursed from this appropriation. A copy of such agree-
ment shall be filed with the state comptroller, the chairman of the
senate finance committee and chairman of the assembly ways and means
committee.

Notwithstanding any other provision of law to the contrary, the comp-
troller is authorized to repay settlements or advances for specified
remedial and monitoring projects from this fund with monies of the
hazardous waste remedial fund received for such projects pursuant to consent orders and agreements to address sites contaminated with hazardous waste.

The director of the budget shall certify to the comptroller the specific portions of this appropriation for which monies have been received pursuant to such consent orders and agreements (09AD16F7) ...

By chapter 54, section 1, of the laws of 2015:
For payment by the state, as reimbursement or as an advance from responsible parties or volunteers for remedial and monitoring work at sites contaminated with hazardous waste. No portion of this appropriation shall be available for expenditure until a party or parties either responsible for a site or volunteering to cleanup a site have entered into an agreement with the commissioner of the department of environmental conservation or the commissioner's designee, and which agreement is approved by the director of the budget, providing for repayment to the state of an amount equal to the amount disbursed from this appropriation. A copy of such agreement shall be filed with the state comptroller, the chairman of the senate finance committee and chairman of the assembly ways and means committee.

Notwithstanding any other provision of law to the contrary, the comptroller is authorized to repay settlements or advances for specified remedial and monitoring projects from this fund with monies of the hazardous waste remedial fund received for such projects pursuant to consent orders and agreements to address sites contaminated with hazardous waste.

By chapter 55, section 1, of the laws of 2008, as amended by chapter 55, section 1, of the laws of 2010:
For payment by the state, as reimbursement or as an advance from responsible parties for remedial and monitoring work at inactive hazardous waste disposal sites or from volunteers for the voluntary cleanup of contaminated brownfield sites. No portion of this appropriation shall be available for expenditure until a party or parties either responsible for a site or volunteering to cleanup a site have entered into an agreement with the commissioner of the department of environmental conservation or the commissioner's designee, and which agreement is approved by the director of the budget, providing for repayment to the state of an amount equal to the amount disbursed from this appropriation. A copy of such agreement shall be filed with the state comptroller, the chairman of the senate finance committee and chairman of the assembly ways and means committee.

Notwithstanding any other provision of law to the contrary, the comptroller is authorized to repay settlements or advances for specified inactive hazardous waste remedial projects and voluntary cleanup projects from this fund with monies of the hazardous waste remedial fund received for such projects pursuant to inactive hazardous waste site remediation consent orders and voluntary cleanup agreements. The director of the budget shall certify to the comptroller the specific portions of this appropriation for which monies have been received pursuant to such consent orders and voluntary cleanup agreements (09AD08F7) ...

| In addition to other purposes allowed by law, such funds may be used for the purpose of acquiring land and making improvements thereon; for the purpose of constructing new structures or purchasing existing structures and making improvements thereon; and for the purchase of resource recovery equipment and source separation equipment as such terms are defined in section 51-0903 of the environmental conservation law. Notwithstanding the provisions of subdivision 1 of section 51-0905 of the environmental conservation law, this project for the Town of Brookhaven is hereby deemed to be eligible for a payment of the funds herein appropriated for eligible project costs .................................. 6,250
| Total .................................. | 6,250 |

The appropriation made by chapter 54, section 1, of the laws of 1985, as amended by chapter 54, section 1, of the laws of 2002, is hereby amended and reappropriated to read:

For the state share of the cost of municipal solid waste management projects, including the payment of liabilities incurred prior to April one, nineteen hundred eighty-five, in accordance with the following schedule and with the provisions of title nine of article fifty-one of the environmental conservation law, including costs incidental and appurtenant thereto, hereinafter referred to as "Municipal Solid Waste Management Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for municipal solid waste management expenditures approved for municipal solid waste...
management projects in accordance with section 51-0905 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget.

The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee and the chairman of the assembly ways and means committee the amounts expended from this appropriation for "Municipal Solid Waste Management Disbursements" for each approved project for the month preceding such certification (09108556) ...................... [7,812,000] 7,687,000 ...................... (re. $32,000)

WATER RESOURCES (CCP)

Capital Projects Funds - Other
Capital Projects Fund
Flood Control Purpose

By chapter 54, section 1, of the laws of 2017:
For various new and existing flood protection projects including the state share of federal sponsored flood control projects, and the maintenance of existing flood control projects; for coastal erosion hazard area mapping of the state's Atlantic Ocean and Great Lakes coastlines and the state share of costs associated with matching federal funds for a state-wide flood plain map modernization program; for the state share of costs associated with the installation and/or reinstallation, upgrade, monitoring and maintenance of a statewide network of stream flow gauges, including personal service, non-personal service, fringe benefits and indirect costs, including suballocation to other state departments and agencies (09FL1763) ... 2,000,000 ................. (re. $2,000,000)
For an advance payment by the state for the local costs of various shore protection projects. No portion of this appropriation shall be available until the respective municipality has entered into an agreement with the commissioner of the department of environmental conservation, and such agreement is approved by the director of the budget (09AD1763) ... 3,000,000 ................. (re. $3,000,000)

By chapter 55, section 1, of the laws of 2016:
For various new and existing flood protection projects including the state share of federal sponsored flood control projects, and the maintenance of existing flood control projects; for coastal erosion hazard area mapping of the state's Atlantic Ocean and Great Lakes coastlines and the state share of costs associated with matching federal funds for a state-wide flood plain map modernization program; for the state share of costs associated with the installation and/or reinstallation, upgrade, monitoring and maintenance of a statewide network of stream flow gauges, including personal service, non-personal service, fringe benefits and indirect costs, including suballocation to other state departments and agencies (09FL1663) ... 2,250,000 ......................................... (re. $2,250,000)
For an advance payment by the state for the local costs of various shore protection projects. No portion of this appropriation shall be available until the respective municipality has entered into an agreement with the commissioner of the department of environmental conservation, and such agreement is approved by the director of the budget (09AD1663) ... 3,000,000 ................. (re. $3,000,000)

By chapter 54, section 1, of the laws of 2015:
For an advance payment by the state for the local costs of various shore protection projects. No portion of this appropriation shall be available until the respective municipality has entered into an agreement with the commissioner of the department of environmental conservation, and such agreement is approved by the director of the budget (09AD1563) ... 3,000,000 ................. (re. $3,000,000)
By chapter 54, section 1, of the laws of 2014:
For various new and existing flood protection projects including the
state share of federal sponsored flood control projects, and the
maintenance of existing flood control projects; for coastal erosion
hazard area mapping of the state's Atlantic Ocean and Great Lakes
costlines and the state share of costs associated with matching
federal funds for a statewide flood plain map modernization program;
for the state share of costs associated with the installation and/or
reinstallation, upgrade, monitoring and maintenance of a statewide
network of stream flow gauges, including personal service, nonper-
sonal service, fringe benefits and indirect costs, including subal-
location to other state departments and agencies (09FL1463) ........ 1,000,000 ........................................... (re. $675,000)

By chapter 54, section 1, of the laws of 2013:
For various new and existing flood protection projects including the
state share of federal sponsored flood control projects, and the
maintenance of existing flood control projects; for coastal erosion
hazard area mapping of the state's Atlantic Ocean and Great Lakes
costlines and the state share of costs associated with matching
federal funds for a statewide flood plain map modernization program;
for the state share of costs associated with the installation and/or
reinstallation, upgrade, monitoring and maintenance of a statewide
network of stream flow gauges, including personal service, nonper-
sonal service, fringe benefits and indirect costs, including subal-
location to other state departments and agencies (09FL1363) ........ 500,000 ............................................. (re. $500,000)

By chapter 54, section 1, of the laws of 2012:
For the state's share including personal service, nonpersonal service,
fringe benefits and indirect costs of various shore protection
projects including suballocation to other state departments and
agencies (09W11263) ... 1,000,000 .................... (re. $1,000,000)
For various new and existing flood protection projects including the
state share of federal sponsored flood control projects, and the
maintenance of existing flood control projects; for coastal erosion
hazard area mapping of the state's Atlantic Ocean and Great Lakes
costlines and the state share of costs associated with matching
federal funds for a statewide flood plain map modernization program;
for the state share of costs associated with the installation and/or
reinstallation, upgrade, monitoring and maintenance of a statewide
network of stream flow gauges, including personal service, nonper-
sonal service, fringe benefits and indirect costs, including subal-
location to other state departments and agencies (09FL1263) ........ 5,000,000 ........................................... (re. $991,000)

By chapter 54, section 1, of the laws of 2011:
For the state's share including personal services, fringe benefits and
indirect costs of various shore protection projects including subal-
location to other state departments and agencies (09W11163) ........ 1,000,000 ........................................... (re. $1,000,000)
For various new and existing flood protection projects including the
state share of federal sponsored flood control projects, and the
maintenance of existing flood control projects including personal
services and fringe benefits, including suballocation to other state
departments and agencies (09FL1163) ........................ 1,000,000 ........................................... (re. $1,000,000)
For services and expenses for the state share of costs associated with
matching federal funds for a statewide flood plain map modernization
program, including suballocation to other state departments and
agencies (09FP1163) ... 834,000 ..................... (re. $834,000)
By chapter 55, section 1, of the laws of 2010:
For various new and existing flood protection projects including the state share of federal sponsored flood control projects, and the maintenance of existing flood control projects including personal services and fringe benefits, including suballocation to other state departments and agencies (09FL1063) $1,000,000 (re. $1,000,000)

For services and expenses for the state share of costs associated with matching federal funds for a statewide flood plain map modernization program, including suballocation to other state departments and agencies (09FP1063) $834,000 (re. $834,000)

By chapter 55, section 1, of the laws of 2009:
For the state's share including personal services, fringe benefits and indirect costs of various shore protection projects including sublocation to other state departments and agencies (09W10963) $1,000,000 (re. $1,000,000)

For various new and existing flood protection projects including the state share of federal sponsored flood control projects, and the maintenance of existing flood control projects including personal services and fringe benefits, including suballocation to other state departments and agencies (09FL0963) $1,000,000 (re. $331,000)

For services and expenses for the state share of costs associated with matching federal funds for a statewide flood plain map modernization program, including suballocation to other state departments and agencies (09FP0963) $834,000 (re. $834,000)

By chapter 55, section 1, of the laws of 2008:
For the state's share including personal services, fringe benefits and indirect costs of various shore protection projects including sublocation to other state departments and agencies (09W10863) $50,000 (re. $22,000)

For services and expenses for the state share of costs associated with matching federal funds for a statewide flood plain map modernization program, including suballocation to other state departments and agencies (09FP0863) $834,000 (re. $95,000)

By chapter 55, section 1, of the laws of 2007:
For various dam safety projects (09FD0763) $300,000 (re. $261,000)

By chapter 55, section 1, of the laws of 2006:
For the state's share including personal services, fringe benefits and indirect costs of various shore protection projects including sublocation to other state departments and agencies (09W10663) $797,000 (re. $537,000)

For services and expenses for the state share of costs associated with matching federal funds for a statewide flood plain map modernization program, including suballocation to other state departments and agencies (09FP0663) $834,000 (re. $145,000)

By chapter 55, section 1, of the laws of 2005:
For the state's share including personal services, fringe benefits and indirect costs of various shore protection projects including sublocation to other state departments and agencies (09W10563) $800,000 (re. $800,000)

By chapter 55, section 1, of the laws of 2004:
For the state's share including personal services, fringe benefits and indirect costs of various shore protection projects including sublocation to other state departments and agencies (09W10463) $1,000,000 (re. $1,000,000)

For payment by the state, as an advance, of shore protection projects including Shinnecock Inlet, coastal erosion of Coney Island, coastal erosion of Westhampton, West of Shinnecock, Orchard Beach and Suffolk county's share of the costs of a coastal erosion project at Westhampton Beach.

No portion of this appropriation shall be available for the county's share of project costs until the county has entered into an agreement with the commissioner of the department of environmental conservation, and which agreement is approved by the director of the division of the budget, providing for repayment to the state of an amount equal to the amount disbursed from this appropriation. A copy of such agreement shall be filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee

$4,050,000 ........................................... (re. $318,000)

Capital Projects Funds - Other
Capital Projects Fund
Water Resources Purpose

By chapter 54, section 1, of the laws of 2017:

An advance for costs incurred relating to work required for the safety of dams and other structures impounding water, to be reimbursed in accordance with section 15-0507 of the environmental conservation law

$500,000 .......................... (re. $500,000)

For payment of a portion of the state's match for federal capitalization grants for the water pollution control revolving fund

$35,000,000 ........................ (re. $35,000,000)

For services and expenses including personal service, fringe benefits, and nonpersonal service for the water pollution control revolving fund and related water quality activities including suballocation to other state departments and agencies

$3,500,000 ............................. (re. $3,500,000)

For services and expenses including personal service, fringe benefits, and nonpersonal service for the Excelsior Conservation Corps program including suballocation to other state departments and agencies

$200,000 .............................. (re. $200,000)

The appropriation made by chapter 54, section 1, of the laws of 2017, is hereby amended and reappropriated to read:

For the state's share of shore protection or [costal] coastal erosion projects, including the Army Corp of Engineers South Shore of Staten Island Project

$151,000,000 ....... (re. $151,000,000)

The sum of $2,500,000,000 is hereby appropriated for the capital costs of clean water infrastructure projects, including services, expenses, and indirect costs, as follows: not less than $1,000,000,000 to the environmental facilities corporation for projects authorized by the New York state water infrastructure improvement act of 2017; not less than $150,000,000 to the environmental facilities corporation for New York state intermunicipal water infrastructure projects pursuant to section 1285-s of the public authorities law; not less than $245,000,000 for water quality improvement projects, including nonagricultural nonpoint source abatement and control projects, municipal wastewater treatment projects, and municipal separate storm sewer system projects, and including up to $25,000,000 of such amount for projects for the proper management of road salt; up to $50,000,000 for green infrastructure projects; $110,000,000 for land acquisition projects for source water protection pursuant to title 33 of article 15 of the environmental conservation law, including suballocation to
the department of agriculture and markets; up to $50,000,000 for
suballocation to the department of agriculture and markets for state
assistance payments, services, and expenses to soil and water
conservation districts for the cost of water quality protection
projects awarded on a competitive basis prioritizing financial need
and hardship, intended to assist concentrated animal feeding
operations; up to $130,000,000 for [transfer to the hazardous waste
remedial fund for] the remediation of sites pursuant to titles 12
and 13 of article 27 of the environmental conservation law and
consistent with the provisions of section 97-b of the state finance
law, provided however that no more than $25,000,000 of such
appropriation may be expended for investigation, mitigation and
remediation of solid waste sites; not less than $20,000,000 for
suballocation to the department of health for replacement of lead
drinking water service lines pursuant to section 1114 of the public
health law; $200,000,000 for New York City for water quality
projects located within the New York City watershed; not less than
$75,000,000 to the environmental facilities corporation for a
program to upgrade or replace septic systems and cesspools pursuant
to section 1285-u of the public authorities law; up to $10,000,000
to the environmental facilities corporation for water infrastructure
emergency assistance pursuant to section 1285-t of the public
authorities law; $100,000,000 to the environmental facilities
corporation to support municipal water quality infrastructure
programs which may otherwise not qualify for state support, or may
require additional state support; and up to $10,000,000 for the
development of information technology systems related to water
quality pursuant to section 3-0315 of the environmental conservation
law including suballocation to the department of health (09CW1757).

By chapter 55, section 1, of the laws of 2016:
An advance for costs incurred relating to work required for the safety
of dams and other structures impounding water, to be reimbursed in
accordance with section 15-0507 of the environmental conservation
law (09DA1657) ... 500,000 ......................... (re. $500,000)
For payment of a portion of the state's match for federal capitaliza-
tion grants for the water pollution control revolving fund
(09RF1657) ... 35,000,000 ....................... (re. $35,000,000)
For services and expenses including personal service, fringe benefits,
and nonpersonal service for the Excelsior Conservation Corps program
including suballocation to other state departments and agencies
(09CC1657) ... 200,000 .............................. (re. $200,000)
The sum of $200,000,000 is hereby appropriated over a multi-year peri-
od for the capital costs of water quality infrastructure projects as
authorized by the New York state water infrastructure improvement
act of 2015. Up to $100,000,000 shall be available from this appro-
priation in state fiscal year 2016-17, with no less than $10,000,000
available for water quality infrastructure projects for compliance
with environmental and public health laws and regulations related to
water quality; and up to an additional $100,000,000 shall be avail-
able in state fiscal year 2017-18, with no less than $10,000,000
available for water quality infrastructure projects for compliance
with environmental and public health laws and regulations related to
water quality. All or a portion of the funds may be suballocated or
transferred to any department, agency, or public authority
(09WW1657) ... 200,000,000 ...................... (re. $200,000,000)

CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

The moneys appropriated herein may be suballocated to all state departments and agencies. Further, moneys herein appropriated may be suballocated only to public authorities and public benefit corporations specifically authorized by paragraph (1) of subdivision one of section 56-0303 of the environmental conservation law to enter into contracts for state assistance payments for the state share of costs for clean water projects, provided however, that moneys herein appropriated pursuant to paragraph (i) of subdivision one of section 56-0303 of the environmental conservation law for state facility projects may be suballocated to any public authority or public benefit corporation.

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for clean water quality projects in accordance with title 3 of article 56 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget.

The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for "Clean Water Project Disbursements" for the month preceding such certification (09BA9757) ... 101,000,000 ....................... (re. $4,000,000)

DEPARTMENT OF ENVIRONMENTAL CONSERVATION

CAPITAL PROJECTS - REAPPROPRIATIONS  2018-19

Municipal parks projects and historic preservation and heritage area projects .......... 5,000
--------------------------------
Total ........................................ 101,000

By chapter 55, section 1, of the laws of 1997, as amended by chapter 55, section 1, of the laws of 1998:
For state assistance payments for the state share of the costs of clean water projects in accordance with the provisions of title 3 of article 56 of the environmental conservation law for project costs, including costs incidental and appurtenant thereto and for payment of reimbursements to the clean water/clean air implementation fund for services and expenses of state departments and agencies, including fringe benefits, hereinafter referred to as "Clean Water Project Disbursements". The moneys appropriated herein may be suballocated to all state departments and agencies. Further, moneys herein appropriated may be suballocated only to public authorities and public benefit corporations specifically authorized by paragraph (1) of subdivision one of section 56-0303 of the environmental conservation law to enter into contracts for state assistance payments for the state share of costs for clean water projects, provided however, that moneys herein appropriated pursuant to paragraph (i) of subdivision one of section 56-0303 of the environmental conservation law for state facility projects may be suballocated to any public authority or public benefit corporation.

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for clean water quality projects in accordance with title 3 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of budget. The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for "Clean Water Project Disbursements" for the month preceding such certification (09B29757) ... 10,000,000 ....................... (re. $504,000)

By chapter 413, section 27, of the laws of 1996, as amended by chapter 55, section 1, of the laws of 1997:
For state assistance payments for the state share of the costs of clean water projects in accordance with the provisions of title 3 of article 56 of the environmental conservation law for project costs, including costs incidental and appurtenant thereto and for payment of reimbursements to the clean water/clean air implementation fund for services and expenses of state departments and agencies, including fringe benefits, hereinafter referred to as "Clean Water Project Disbursements". The moneys appropriated herein may be suballocated to the environmental facilities corporation, other state departments, agencies, and public authorities.

Notwithstanding the provisions of any general or special law, moneys hereby appropriated shall be available for clean water quality projects in accordance with title 3 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget. The state comptroller at the commencement of each month shall certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for
"Clean Water Project Disbursements" for the month preceding such certification (09BA9657) ... $75,000,000 ............ (re. $2,681,000)

WATER RESOURCES - EQBA (CCP)

Capital Projects Funds - Other
Water Resources Purpose

By chapter 54, section 1, of the laws of 1981, as amended by chapter 54, section 1, of the laws of 2002:

For the state share of the costs of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1981, in accordance with the provisions of title three of article fifty-one of the environmental conservation law as amended for projects included in the following schedule, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget. The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification (01387057) ... $27,190,300 ............ (re. $604,000)

By chapter 54, section 3, of the laws of 1977, as amended by chapter 54, section 1, of the laws of 2002:

The state share of the cost of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1977, in accordance with the provisions of title three of article fifty-one of the environmental conservation law as amended for projects included in the following schedule, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget.

The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts expended from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification.

By chapter 54, section 1, of the laws of 1975, as amended by chapter 54, section 1, of the laws of 2002, for:

- The state share of the cost of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1975, in accordance with the provisions of title three of article fifty-one of the environmental conservation law as amended for projects included in the following schedule, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget.

The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance

By chapter 55, section 1, of the laws of 2003:

For water resources purposes, shall be available for the state share of the costs of water quality improvement projects, as defined in section 56-0101 of the environmental conservation law, to implement the Long Island Sound Comprehensive Conservation Management Plan consistent with paragraph (b) of subdivision 1 of section 56-0303 of the environmental conservation law, and to implement wastewater treatment improvement projects in small upstate communities (09650357) ... 8,168,000 ...................... (re. $543,000)

By chapter 54, section 1, of the laws of 2002:

For water resources purposes, shall be available for the state share of the costs of water quality improvement projects, as defined in section 56-0101 of the environmental conservation law, to implement the Long Island Sound Comprehensive Conservation Management Plan
consistent with paragraph (b) of subdivision 1 of section 56-0303 of
the environmental conservation law, and to implement wastewater
treatment improvement projects in small upstate communities
(09650257) ... 4,900,000 ......................... (re. $668,000)

By chapter 54, section 1, of the laws of 1990, as amended by chapter 54,
section 1, of the laws of 2002:
For the state share of the costs of construction of water quality
improvement projects, including the payment of liabilities incurred
prior to April 1, 1990, in accordance with the provisions of title 3
of article 51 of the environmental conservation law as amended, to
provide state matching funds for projects scheduled to receive
construction grants from federal fiscal years 1989 and 1990 funds,
including costs incidental and appurtenant thereto, hereinafter
referred to as "Water Quality Improvement Disbursements."
Notwithstanding the provisions of any general or special law, the
moneys hereby appropriated shall be available for water quality
improvement expenditures for eligible water quality improvement
projects as defined by section 51-0303 of the environmental conser-
vation law upon the issuance of a certificate of approval of avail-
ability by the director of the division of the budget. No such
certificates of approval of availability shall be issued for or
include funds for projects which have not received a federal grant
for the construction of sewage treatment related facilities.
Notwithstanding the provisions of any general or special law, the
amounts hereby appropriated shall have all disbursements reimbursed
from the Pure Waters Bond Act proceeds authorizations and are
contingent upon the partial repeal of existing capital projects fund
authorizations elsewhere in this chapter. The state comptroller
shall at the commencement of each month certify to the director of
the division of the budget, the commissioner of environmental
conservation, the chairman of the senate finance committee, and the
chairman of the assembly ways and means committee the amounts
disbursed from this appropriation for Water Quality Improvement
Disbursements for the month preceding such certification (09019057)
... 4,609,600 ......................... (re. $1,466,000)

By chapter 54, section 1, of the laws of 1988, as amended by chapter 55,
section 1, of the laws of 2003:
For the state share of the costs of construction of water quality
improvement projects, including the payment of liabilities incurred
prior to April 1, 1988, in accordance with the provisions of title 3
of article 51 of the environmental conservation law as amended, to
provide a reserve to supplement or fund additional phases of
projects previously appropriated and scheduled on or after May 12,
1965.
Notwithstanding the provisions of any general or special law, the
moneys hereby appropriated shall be available for water quality
improvement expenditures for any project scheduled in appropriation
bills on or after May 12, 1965.
Notwithstanding the provisions of any general or special law, the
amounts hereby appropriated shall be made available from the Pure
Waters Bond Act authorizations and are contingent upon the repeal of
existing authorizations elsewhere in this chapter.
Notwithstanding the provisions of any general or special law, the
moneys hereby appropriated shall not be made available until the
director of the division of the budget issues a certificate of
approval of availability with a schedule of approved and previously
authorized projects for which such funds shall be used. No such
certificates of approval of availability shall be issued for or
include funds for projects which have not received a federal grant
for the construction of sewage treatment related facilities. The
state comptroller shall at the commencement of each month certify to
the director of the division of the budget, the commissioner of
environmental conservation, the chairman of the senate finance
committee, and the chairman of the assembly ways and means committee
the amounts disbursed from this appropriation for Water Quality
Improvement Disbursements for the month preceding such certification
(09P28857) ... 11,690,000 ........................... (re. $718,000)

By chapter 54, section 1, of the laws of 1984, as amended by chapter 55,
section 1, of the laws of 2006:
For the state share of the costs of construction of water quality
improvement projects, including the payment of liabilities incurred
prior to April one, nineteen hundred eighty-four, in accordance with
the provisions of title three of article fifty-one of the environ-
mental conservation law as amended, for projects previously appro-
priated and scheduled on or after April one, nineteen hundred seven-
ty-two.
Notwithstanding the provisions of any general or special law, the
moneys hereby appropriated shall be available for water quality
improvement expenditures for any project scheduled in appropriation
bills on or after April one, nineteen hundred seventy-two.
Notwithstanding the provisions of any general or special law, the
amounts hereby appropriated shall be made available from the Pure
Water Bond Act authorizations and are contingent upon the repeal of
existing authorizations elsewhere in this chapter.
Notwithstanding the provisions of any general or special law, the
moneys hereby appropriated shall not be made available until the
director of the division of the budget issues a certificate of
approval of availability with a schedule of approved and previously
authorized projects for which such funds shall be used. No such
certificates of approval of availability shall be issued for or
include funds for projects which have not received a federal grant
for the construction of sewage treatment related facilities
(09178457) ... 56,869,200 ........................... (re. $913,000)

By chapter 79, section 14, of the laws of 1970, as amended by chapter
55, section 1, of the laws of 2006:
Notwithstanding the provisions of chapter 657 of the laws of 1982 to
the contrary, the sum of two hundred eighty million nine hundred
thirty-four thousand dollars ($280,934,000), or so much thereof as
may be necessary, is hereby appropriated from the Capital Projects
Fund to the department of environmental conservation for the payment
of the nonmunicipal share of the cost of construction of sewage
treatment works in the manner and to the extent specified in section
17-1903 of the Environmental Conservation Law.
Notwithstanding the provisions of any general or special law, no part
of this appropriation made hereby shall be available until a certif-
icate of approval of availability shall have been issued by the
director of the budget and a copy of such certificate filed with the
state comptroller, the chairman of the senate finance committee and
the chairman of the assembly ways and means committee.
Such certificate may be amended from time to time by the director of
the budget and a copy of each such amendment shall be filed with the
state comptroller, the chairman of the senate finance committee and
the chairman of the assembly ways and means committee (01385357) ...
272,873,100 ........................... (re. $1,101,000)

By chapter 177, section 5, of the laws of 1965, as amended by chapter
55, section 1, of the laws of 2003:
The sum of two hundred eighty-six million three hundred thirty-four
thousand dollars ($286,334,000), or so much thereof as may be neces-
sary, is hereby appropriated from the Capital Projects Fund to the
DEPARTMENT OF ENVIRONMENTAL CONSERVATION

Youth Facilities Improvement Fund
Program Improvement or Program Change Purpose

The appropriation made by chapter 54, section 1, of the laws of 2017, is hereby amended and reappropriated to read:
For payment of the cost of land acquisition, construction, reconstruction, rehabilitation and improvements, including the
preparation of designs, plans, specifications and estimates, for new
and existing capital projects and programs including, but not
limited to, preparation of plans, administration, maintenance and
improvement of existing facilities of any state agency, new
facilities, energy conservation, environmental protection or
improvement, health and safety, preservation of facilities,
accreditation and program improvement or program changes associated
with the raising the age of juvenile jurisdiction, including to the
extent feasible, the reuse of a facility of any state agency or a
new facility, provided, however, that expenditures from this
appropriation are pursuant to [a] chapter 59 of the laws of 2017 and
no expenditures may be made from this appropriation until a plan of
projects has been approved by the director of the budget.
Notwithstanding any other provision of law to the contrary, money
hereby appropriated may be suballocated or transferred to the
department of corrections and community supervision or any other
agency for expenses related to this program (25RA1708) ..........

accordance with the terms and conditions
established by the homeless housing and
assistance corporation.

Notwithstanding any inconsistent provision
of law, up to two percent of the appropriation
for any fiscal year may be used to
pay for technical assistance in support of
project development and operation, support
services development, architecture and
engineering, legal services and financial
services and may be provided by individ-
uals and not-for-profit or business corpo-
rations. No funds shall be expended from
this appropriation until the director of
the budget has approved a financial plan
submitted by the office of temporary and
disability assistance on behalf of the
homeless housing and assistance program in
such detail as required by the budget
director (270318G5) ...................... 58,000,000

For the development of permanent, emergency
and transitional housing for persons with
AIDS in accordance with article 2-A of the
social services law including the payment
of liabilities prior to April 1, 2018;
provided, however, that if an insufficient
number of viable proposals for persons
with AIDS are received, the balance of
funding can be used for the development of
permanent, emergency and transitional
housing for other priority need popu-
lations as determined by the commissioner
of the office of temporary and disability
assistance and approved by the director of
the budget. Notwithstanding any incon-
sistent provision of law, up to two
percent of the appropriation for any
fiscal year may be used to pay for techni-
cal assistance in support of project
development and operation, support
services development, architecture and
engineering, legal services and financial
services and may be provided by individ-
uals and not-for-profit or business corpo-
rations (270818G5) ...................... 5,000,000

ALL PAYERS CLAIMS DATABASE (CCP) | 10,000,000 |

Capital Project Funds - Other
Capital Projects Fund
Program Improvement/Change Purpose

For grants, services and expenses related to the establishment of an all payers claim database, including but not limited to technology, equipment, software, personal service, fringe benefits, and indirect costs. For purposes of the program, all such activities are deemed to constitute a capital expenditure. No expenditures related to this appropriation shall be made without a plan, prepared by the commissioner of health and approved by the director of the budget, detailing sufficient resources are available to support such expenditures (12AP1808) | 10,000,000 |

HEALTH CARE FACILITY TRANSFORMATION PROGRAM (CCP) | 425,000,000 |

Capital Project Funds - Other
Capital Projects Fund
Health Care System Improvement Purpose

For payments and grants to support health care facility transformation statewide. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for the purposes that strengthen and protect continued access to health care services in communities. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation activities including, merger, consolidation, acquisition or other activities intended to: create financially sustainable systems of care; preserve or expand essential
health care services; modernize obsolete facility physical plants and infrastructure; foster participation in value based payments arrangements, including but not limited to contracts with managed care plans and accountable care organizations; increase the quality of resident care or experience in residential health care facilities; or improve health information technology infrastructure, including telehealth, to strengthen the acute, post-acute and long-term care continuum. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider criteria including, but not limited to:

(a) The extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;

(b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;

(c) The geographic distribution of funds;

(d) The relationship between the proposed project and identified community need;

(e) The extent to which the applicant has access to alternative financing;

(f) The extent to which the proposed project furthers the development of primary care and other outpatient services;

(g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;

(h) The extent to which the applicant has engaged the community affected by the proposed project and the manner in which community engagement has shaped such project; and

(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health
committees, until such time as the
department determines that the projects
that receive funding pursuant to this
appropriation are substantially complete.
Such reports shall be submitted no later
than sixty days after the close of the
quarter, and shall include, for each
award, the name of the applicant, a
description of the project or purpose, the
amount of the award, disbursement date,
and status of achievement of process and
performance metrics and milestones
pursuant to subdivision 6 of section 2825-
f of the public health law.

Within amounts appropriated herein, a
minimum of $45,000,000 shall be made
available for grant awards to residential
health care facilities, up to $20,000,000
of the amount designated by this
appropriation for community-based health
care providers may be made available for
grant awards made pursuant to section 461-
l of the social services law, for up to a
total of 500 new assisted living program
beds in those counties where there is one
or no assisted living program providers,
pursuant to criteria to be determined by
the commissioner and a minimum of
$60,000,000 shall be made available for
grant awards to community-based health
care providers which shall be defined as a
diagnostic and treatment center licensed
or granted an operating certificate under
article 28 of the public health law, a
mental health clinic licensed or granted
an operating certificate under article 31
of the mental hygiene law, a substance use
disorder treatment clinic licensed or
granted an operating certificate under
article 32 of the mental hygiene law, a
primary care provider, a home care
provider certified or licensed pursuant to
article 36 of the public health law, or an
assisted living program approved by the
department of health pursuant to section
461-l of the social services law.

The dormitory authority may issue bonds for
such purposes up to the amount
appropriated herein. No expenditures may
be made from this appropriation to a
facility until a facility specific plan
has been submitted to the department of
health and has been approved by the
director of the budget (12SW18HE) ....... 425,000,000

Federal Capital Projects Fund
Water Resources Purpose
For federal grants for the safe drinking water revolving fund (12021857) .......... 70,000,000
For services and expenses of the state revolving funds program (12DW1857) ....... 7,000,000
All or a portion of the disbursements made pursuant to the reappropriations made hereinafter from the capital projects fund may be eligible for reimbursement from proceeds of bonds issued by the dormitory authority. The dormitory authority and the department of health shall report quarterly to the director of the budget the amounts expended from appropriations which are eligible for reimbursement from the proceeds of the bonds. The director of the budget shall review these reports and then certify to the comptroller amounts expended from these appropriations which are reimbursable from bond proceeds. Until such time as the dormitory authority determines that amounts expended from these appropriations are not reimbursable from bond proceeds, all such expenditures shall be considered to be reimbursable from bond proceeds.

CAPITAL RESTRUCTURING FINANCING PROGRAM FOR HEALTH CARE AND RELATED FACILITIES (CCP)

The appropriation made by chapter 54, section 1, of the laws of 2014, is hereby amended and reappropriated to read:
An advance for payments and grants establishing the capital restructuring financing program for health care and related facilities licensed pursuant to public health law or mental hygiene law, including general hospitals, nursing homes, clinics, residential health care facilities, diagnostic and treatment centers, and clinics licensed pursuant to the public health law or the mental hygiene law, assisted living programs, primary care providers, and home care providers certified or licensed pursuant to article thirty-six of this chapter and other primary care providers, to support capital projects that will improve the quality, financial viability, and efficiency of the health care delivery system in New York state, including necessary support to facilitate restructuring, closures, conversions and consolidations within the health care delivery system including funding intended to maintain facility viability, provided, however, that no expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget. Up to $75,000,000 of this appropriation may be suballocated to the state university of New York, provided however that these funds shall be used for eligible project costs of the ambulatory care integration project awarded to upstate university hospital pursuant to request for applications number 1504100252 and in accordance with an agreement between the department of health and the state university construction fund and approved by the director of the budget (12CR14HE) .................

1,200,000,000 ........................................ (re. $1,189,313,000)

HEALTH CARE FACILITY TRANSFORMATION PROGRAM (CCP)

The appropriation made by chapter 54, section 1, of the laws of 2017, to the program improvement/change purpose, is hereby transferred and reappropriated to the health care system improvement purpose:
For payments and grants to support health care facility transformation statewide for capital, non-operational works. Notwithstanding section 163 of the state finance law or any other provision of law
DEPARTMENT OF HEALTH  
CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

to the contrary, this appropriation may be used to fund payments and
or grants made by the commissioner of health in his or her sole
discretion, without a competitive bid or request for proposal
process, to eligible applicants as determined by the commissioner of
health for purposes in support of essential health care services.
Such purposes may include debt retirement and capital projects or
non-capital projects that facilitate health care transformation,
including mergers, consolidation, acquisition or other corporate
restructuring activities intended to create a financially
sustainable system of care that promotes a patient-centered model of
health care delivery or preserves or expands essential health care
services. Grants shall not be available to support general operating
expenses.
The commissioner and the president of the dormitory authority of the
state of New York shall enter into an agreement, subject to the
approval of the director of the budget, and subject to section 1680-
r of the public authorities law, for the purposes of awarding,
distributing, and administering the funds made available pursuant to
this appropriation.
In determining awards for eligible applicants under this
appropriation, the commissioner of health shall consider
stakeholder, community, and legislative input pursuant to
subdivision 4-a of section 2825-e of the public health law criteria
including, but not limited to:
(a) the extent to which the proposed project will contribute to the
integration of health care services or the long term sustainability
of the applicant or preservation of essential health services in the
community or communities served by the applicant;
(b) The extent to which the proposed project or purpose is aligned
with delivery system reform incentive payment ("DSRIP") program
goals and objectives;
(c) Consideration of geographic distribution of funds;
(d) The relationship between the proposed project and identified
community need;
(e) The extent to which the applicant has access to alternative
financing;
(f) The extent that the proposed project furthers the development of
primary care and other outpatient services;
(g) The extent to which the proposed project benefits medicaid
enrollees and uninsured individuals;
(h) The extent to which the applicant has engaged the community
affected by the proposed capital project and the manner in which
community engagement has shaped such capital project; and
(i) The extent to which the proposed project addresses potential risk
to patient safety and welfare.
Notwithstanding any inconsistent provision of law to the contrary, and
upon approval of the director of the budget, the commissioner of
health may award up to $300,000,000 of the funds made available
pursuant to this appropriation for unfunded project applications
submitted in response to the request for applications number
1607010255 issued by the department on July 20, 2016 pursuant to
section 2825-d of the public health law.
The department shall provide a report on a quarterly basis to the
chairs of the senate finance, assembly ways and means, and senate
health and assembly health committees. Such reports shall be
submitted no later than 60 days after the close of the quarter, and
shall include, for each award, the name of the applicant, a
description of the project or purpose, the amount of the award,
disbursement date, and status of achievement of process and
performance metrics and milestones pursuant to subdivision 5 of
section 2825-e of the public health law.
Within amounts appropriated herein, the director of the budget is authorized to make a determination to fund up to $200,000,000 for grant awards which are not eligible to be funded with the proceeds of bonds issued pursuant to section 1680-r of the public authorities law.

Within amounts appropriated herein, $50,000,000 shall be made available for grant awards to Montefiore medical center, and a minimum of $75,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article 28 of the public health law, a mental health clinic licensed or granted an operating certificate under article 31 of the mental hygiene law, an alcohol and substance abuse treatment clinic licensed or granted an operating certificate under article 32 of the mental hygiene law, a primary care provider, or a home care provider certified or licensed pursuant to article 36 of public health law.

The dormitory authority may issue bonds for such purposes up to the amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget (12SW17HE) ..................................

By chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2017:

For payments and grants to support health care facility transformation statewide for capital, non-operational works. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and grants made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for purposes in support of essential health care services. Such purposes may include renovating or replacing inefficient or outdated facilities as part of a merger, consolidation, acquisition or other significant corporate restructuring activity that is part of an overall transformation plan intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery aimed at improving the overall health and well-being of a community. Eligible applicants shall be those deemed by the commissioner to be a provider that fulfills or will fulfill a health care need for acute inpatient, outpatient, primary, home care or residential health care services in a community. The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation. In determining awards for eligible applicants under this appropriation, the commissioner of health and the president of the authority shall consider criteria including, but not limited to:

(a) the extent to which the proposed capital project will contribute to the integration of health care services and long term sustain-ability of the applicant or preservation of essential health services in the community or communities served by the applicant;
(b) the extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
(c) consideration of geographic distribution of funds;
(d) the relationship between the proposed capital project and identi-
Department of Health

Capital Projects - Reappropriations 2018-19

(e) the extent to which the applicant has access to alternative financing;
(f) the extent that the proposed capital project furthers the development of primary care and other outpatient services;
(g) the extent to which the proposed capital project benefits medicaid enrollees and uninsured individuals;
(h) the extent to which the applicant has engaged the community affected by the proposed capital project and the manner in which community engagement has shaped such capital project; and
(i) the extent to which the proposed capital project addresses potential risk to patient safety and welfare.

Disbursement of awards made pursuant to this appropriation shall be conditioned on the awardee achieving certain process and performance metrics and milestones as determined in the sole discretion of the commissioner. Such metrics and milestones shall be structured to ensure that the health care transformation and provider sustainability goals of the project are achieved, and such metrics and milestones shall be included in grant disbursement agreements or other contractual documents as required by the commissioner.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, senate health and assembly health committees. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 5 of section 2825-b of the public health law. Within amounts appropriated herein, up to $5,000,000 may be made available for the purchase of mammography equipped vehicles, and a minimum of $30,000,000 shall be made available for community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article twenty-eight of the public health law, a mental health clinic licensed or granted an operating certificate under article thirty-one of the mental hygiene law, an alcohol and substance abuse treatment clinic licensed or granted an operating certificate under article thirty-two of the mental hygiene law, primary care providers, or a home care provider certified or licensed pursuant to article 36 of the Public Health Law.

The dormitory authority may issue bonds for such purposes in an amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget (12SW16HE) ...

By chapter 54, section 1, of the laws of 2015:

For payments and grants to support health care facility transformation within the county of Kings, for capital, non-operational works serving communities whose residents are experiencing significant levels of health care disparities, health care needs and other risk factors. Funding will be awarded in the discretion of the commissioner of health, without a competitive bid or request for proposal process, for purposes in support of essential health care services. Such purposes may include renovating or replacing inefficient or outdated facilities as part of a merger, consolidation, acquisition or other significant corporate restructuring activity intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery aimed at improving the overall health and well-being of a community. The dormitory authority may issue bonds for such purposes in an amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the
DEPARTMENT OF HEALTH

CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

Department of health and has been approved by the director of the budget (12BK15HE) ... 700,000,000 ............... (re. $700,000,000) 

For payments and grants to support health care facility transformation within the county of Oneida, for capital, non-operational works. Funding will be awarded in the discretion of the commissioner of health in support of projects located in the largest population center in Oneida County, without a competitive bid or request for proposal process, for the purpose of consolidating multiple licensed health care facilities into an integrated system of acute inpatient, outpatient primary and other health care services. The dormitory authority may issue bonds for such purposes in an amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget (12UT15HE) ... 300,000,000 ............... (re. $300,000,000)

LABORATORIES AND RESEARCH (CCP)

ACCESS TO HOME PROGRAM (CCP) | 1,000,000 |

For allocation as follows: For contract with eligible applicants to provide financial assistance for the actual costs of an access to home program pursuant to article XXV of the private housing finance law (08051807) | 1,000,000 |

AFFORDABLE HOUSING CORPORATION (CCP) | 26,000,000 |

For allocation as follows: For deposit in the affordable housing development account created pursuant to section 59-b of the private housing finance law for the purposes of carrying out the provisions of article XIX of the private housing finance law. No funds shall be expended from this appropriation until the director of the budget has approved a financial plan submitted by the affordable housing corporation in such detail as required by the director of the budget. Up to 5 percent of the funds appropriated herein may be used for administrative purposes (08011807) | 26,000,000 |

HOMES FOR WORKING FAMILIES PROGRAM (CCP) | 14,000,000 |

For allocation as follows: For deposit in the housing trust fund account created pursuant to section 59-a of the private housing finance law and subject to the provisions of article XVIII of the private housing finance law for the purpose of
maximizing the state's utilization of federal low income housing tax credits in conjunction with the issuance of tax exempt bonds used to finance affordable housing construction. Up to 5 percent of the funds appropriated herein may be used for administrative purposes (08031807) 14,000,000

HOUSING OPPORTUNITIES PROGRAM FOR THE ELDERLY (CCP) 1,400,000

For allocation as follows: For contracts with not-for-profit corporations or municipalities to provide state financial assistance to administer emergency home repairs programs which provide grants and loans in an amount not to exceed $10,000 per unit for the cost of correcting any condition which poses a threat to the life, health or safety of a low income elderly homeowner. No funds shall be expended from this appropriation until the director of the budget has approved a financial plan submitted by the housing trust fund corporation on behalf of the housing opportunities for the elderly program in such detail as required by the director of the budget. Up to 5 percent of the funds appropriated herein may be used for administrative purposes (08081803) 1,400,000

HOUSING PROGRAM (CCP) 132,000,000

In support of a comprehensive, statewide multi-year housing program. Spending authorized by this appropriation shall be subject to the same reporting requirements as the 2016-17 and 2017-18 state fiscal year housing program (CCP). Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated or transferred to any state department, agency, or public authority for the purposes stated herein. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (CCP), funds appropriated herein shall be made available for the purpose of providing capital subsidies for the development of 6,000 or more supportive housing units
throughout the state over the next five years, as determined by a competitive selection process (08111807) ............. 132,000,000

HOUSING PROGRAM (CCP)

Capital Projects Funds - Other
Dedicated Infrastructure Investment Fund
Infrastructure Investment Account
New Facilities Purpose
By chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2017:

In support of a comprehensive, statewide multi-year housing program.

The commissioner shall provide, in electronic excel format or as requested by the Legislature, an annual report to the director of the budget, the speaker of the Assembly, and the temporary president of the Senate, on or before July 1 of each year, that summarizes the activities undertaken pursuant to the funding made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp). Such annual report shall be cumulative and shall include an itemized list of each project utilizing funds appropriated by the 2016-17 and 2017-18 state fiscal year housing program (ccp), including a brief description of the project, street address, county, awardee, total budget, amount of capital subsidy appropriated by the housing program (ccp), relevant section of the housing program (ccp), bonded or cash, amount of each additional public funding source, funding program, number of units, area median income requirements if applicable, month and year construction will commence, projected date of occupancy, and project phase (in development, engineering, construction, complete, defunded). Such annual report shall continue to be provided until such time as the final disbursement of funds appropriated in the 2016-17 and 2017-18 state fiscal year housing program (ccp) has occurred.

Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than $344,000,000 for the period April 1, 2016, through and past March 31, 2017, and not more than an additional $246,000,000 for the period April 1, 2017 through and past March 31, 2018 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process.

2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.

3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.

4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.

5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn

DIVISION OF HOUSING AND COMMUNITY RENEWAL
CAPITAL PROJECTS - REAPPROPRIATIONS  2018-19
between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.

6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $146,000,000 shall be made available for the purpose of substantial or moderate rehabilitation of site-specific multi-family rental housing currently under a regulatory agreement or extended use agreement with the division of housing and community renewal or another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $75,000,000 shall be made available for the purpose of providing capital subsidies to preserve and improve Mitchell-Lama properties in the state.

8. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of site-specific multi-family rental housing currently owned by public housing authorities outside of New York city. The distribution of any funds which the division of housing and community renewal or other appropriate state agencies or authorities authorizes to be used as part of a federal housing program, shall require the division of housing and community renewal to monitor and ensure that any affected public housing tenants are properly informed regarding participation in the federal housing program and that appropriate documents related to participation in such federal housing program are made publicly available and are posted on each applicable housing authority's website in a timely manner to properly inform such public housing authority tenants. The residents of public housing that receives and uses such funds to participate in such federal program shall be provided a uniform lease agreement that provides, at a minimum, terms and conditions consistent with those found in the public housing lease they had prior to the public housing having received any such funds. Public housing authorities that receive and use such funds shall be required to: provide resident education, which shall include comprehensive information about any anticipated changes to the public housing; provide language assistance to residents with limited English proficiency; recognize the right of residents to form a resident organization; require resident participation funding commensurate to the funding that was being allocated to residents already; develop a set of procedures for resident grievances and lease termination proceedings that apply to residents following the use of such funds, which shall be consistent with any existing procedures, can provide stronger resident protections, and conform with any other applicable federal rules and/or regulations. In cases when there is a property manager other than the public housing authority that receives these funds, then such property manager shall be required to take actions including, but not limited to, providing clear and accessible information to residents before, during, and after becoming the property manager; provide language assistance to residents with limited English proficiency; and recognize a legitimate resident organization as the residents' representative, invite such resident organization to all resident engagements, and meet regularly with the resident organization to discuss emerging property-wide issues.

9. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $62,500,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of buildings of 5 to 40 units.
10. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $41,475,000 shall be made available for the purpose of promoting home ownership among families of low and moderate income for whom there are few affordable home ownership alternatives in the private market, and to stimulate the development, stabilization, and preservation of New York communities.

11. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $13,000,000 shall be made available for the purposes of mobile and manufactured home replacement program pursuant to chapter 54 of the laws of 2016.

12. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $10,000,000 shall be made available for the purpose of stimulating reinvestment in properties located within mixed-used commercial districts located in urban, small town, and rural areas of the state pursuant to article XXVI of the private housing finance law.

13. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $200,000,000 shall be made available, pursuant to a plan approved by the director of the budget, in consultation with the New York city housing authority chair and the dormitory authority of the state of New York, for the purpose of capital projects and other improvements related to housing developments owned or operated by the New York city housing authority.

14. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $100,000,000 shall be made available for the preservation, restoration or creation of affordable housing units in a city having a population of one million or more, one hundred percent of which shall be affordable to households that earn up to sixty percent of the area median income adjusted for family size. Priority shall be given to applicants incorporated pursuant to the not-for-profit corporation law, with prior experience in community development projects with at least a fifty-one percent controlling interest in such project. Not-for-profits shall strive to develop projects utilizing state or city-owned land and such utilization shall be prioritized in the agency review of such project (08101607) .......

Such annual report shall continue to be provided until such time as the final disbursement of funds appropriated in the 2016-17 and 2017-18 state fiscal year housing program (ccp) has occurred.

Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than $303,384,000 for the period April 1, 2017 through and past March 31, 2018, not more than an additional $354,715,000 for the period April 1, 2018 through and past March 31, 2019, not more than an additional $359,565,000 for the period April 1, 2019 through and past March 31, 2020, and not more than an additional $365,811,000 for the period April 1, 2020 through and past March 31, 2021 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $950,000,000 shall be made available for the purpose of providing
DIVISION OF HOUSING AND COMMUNITY RENEWAL

CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process.

2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.

3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.

4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.

5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.

6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $146,000,000 shall be made available for the purpose of substantial or moderate rehabilitation of site-specific multi-family rental housing currently under a regulatory agreement or extended use agreement with the division of housing and community renewal or another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $75,000,000 shall be made available for the purpose of providing capital subsidies to preserve and improve Mitchell-Lama properties in the state.

8. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of site-specific multi-family rental housing currently owned by public housing authorities outside of New York city. The distribution of any funds which the division of housing and community renewal or other appropriate state agencies or authorities authorizes to be used as part of a federal housing program, shall require the division of housing and community renewal to monitor and ensure that any affected public housing tenants are properly informed regarding participation in the federal housing program and that appropriate documents related to participation in such federal housing program are made publicly available and are posted on each applicable housing authority's website in a timely manner to properly inform such public housing authority tenants. The residents of public housing that receives and uses such funds to participate in such federal program shall be provided a uniform lease agreement that provides, at a minimum, terms and conditions consistent with those found in the public housing lease they had prior to the public housing having received any such funds. Public housing authorities that receive and use such funds shall be
required to: provide resident education, which shall include compre-
hensive information about any anticipated changes to the public
housing; provide language assistance to residents with limited
English proficiency; recognize the right of residents to form a
resident organization; require resident participation funding
commensurate to the funding that was being allocated to residents
already; develop a set of procedures for resident grievances and
lease termination proceedings that apply to residents following the
use of such funds, which shall be consistent with any existing
procedures, can provide stronger resident protections, and conform
with any other applicable federal rules and/or regulations. In cases
when there is a property manager other than the public housing
authority that receives these funds, then such property manager
shall be required to take actions including, but not limited to,
providing clear and accessible information to residents before,
during, and after becoming the property manager; provide language
assistance to residents with limited English proficiency; and recog-
nize a legitimate resident organization as the residents' represen-
tative, invite such resident organization to all resident engage-
ments, and meet regularly with the resident organization to discuss
emerging property-wide issues.

9. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$62,500,000 shall be made available for the purpose of substantial
or moderate rehabilitation and/or the demolition and replacement
through new construction of buildings of 5 to 40 units.

10. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$41,475,000 shall be made available for the purpose of promoting
home ownership among families of low and moderate income for whom
there are few affordable home ownership alternatives in the private
market, and to stimulate the development, stabilization, and preser-
vation of New York communities.

11. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$13,000,000 shall be made available for the purposes of mobile and
manufactured home replacement program pursuant to chapter 54 of the
laws of 2016.

12. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$10,000,000 shall be made available for the purpose of stimulating
reinvestment in properties located within mixed-used commercial
districts located in urban, small town, and rural areas of the state
pursuant to article XXVI of the private housing finance law.

13. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$200,000,000 shall be made available, pursuant to a plan approved by
the director of the budget, in consultation with the New York city
housing authority chair and the dormitory authority of the state of
New York, for the purpose of capital projects and other improvements
related to housing developments owned or operated by the New York
city housing authority.

14. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$100,000,000 shall be made available for the preservation, restora-
tion or creation of affordable housing units in a city having a
population of one million or more, one hundred percent of which
shall be affordable to households that earn up to sixty percent of
the area median income adjusted for family size. Priority shall be
given to applicants incorporated pursuant to the not-for-profit
corporation law, with prior experience in community development
projects with at least a fifty-one percent controlling interest in
such project. Not-for-profits shall strive to develop projects utilizing state or city-owned land and such utilization shall be prioritized in the agency review of such project (08111607) .........

IMPROVEMENT AND REHABILITATION OF HUDSON RIVER PARK (CCP). 50,000,000

For services and expenses of the Hudson River park trust for projects related to the development of the Hudson River park (29HR1806) 50,000,000
By chapter 55, section 1, of the laws of 2009:
For an advance by the state for the New York city costs of the Hudson River Park project, and provided that the comptroller is authorized and directed to release moneys to the Hudson River Park Trust in amounts set forth in a schedule approved by the director of the budget, and provided further that no portion of this appropriation shall be available until New York city has entered into an agreement with the chairman of the Hudson River Park Trust, and such agreement is approved by the director of the budget. Such agreement shall require New York city to repay to the state an amount equal to the amount disbursed from this appropriation within 90 days after being notified by the state of the disbursement of the appropriation by the Hudson River Park Trust to its vendors. Such agreement shall further provide that in the event amounts disbursed from this appropriation are not repaid within such period, the director of the budget shall certify the amount not repaid to the comptroller, and the comptroller shall, to the extent not otherwise prohibited by law or state covenant, withhold such amount from the next succeeding payment of per capita assistance to be apportioned to New York city subject to the following limitations: prior to withholding amounts due the state from the city, the comptroller shall pay in full any amount due the state of New York municipal bond bank agency, on account of the city's obligation to such agency; the city university construction fund pursuant to the provisions of the city university construction fund act; the New York city housing development corporation, pursuant to the provisions of the New York city housing development corporation act (article XII of the private housing finance law); the transit construction fund, pursuant to the provisions of title 9-a of article 5 of the public authorities law; pursuant to section 92-e of the state finance law, any amounts necessary for payments to holders of bonds or notes as certified by the municipal assistance corporation for the city of New York created under article 10 of the public authorities law; and the dormitory authority of the state of New York, pursuant to section 1680-B of the public authorities law (29NY09A3) .................... 7,000,000 ............................................ (re. $82,000)

By chapter 55, section 1, of the laws of 2008:
For an advance by the state for the New York city costs of the Hudson River Park project, and provided that the comptroller is authorized and directed to release moneys to the Hudson River Park Trust in amounts set forth in a schedule approved by the director of the budget, and provided further that no portion of this appropriation shall be available until New York city has entered into an agreement with the chairman of the Hudson River Park Trust, and such agreement is approved by the director of the budget. Such agreement shall require New York city to repay to the state an amount equal to the amount disbursed from this appropriation within 90 days after being notified by the state of the disbursement of the appropriation by the Hudson River Park Trust to its vendors. Such agreement shall further provide that in the event amounts disbursed from this appropriation are not repaid within such period, the director of the budget shall certify the amount not repaid to the comptroller, and the comptroller shall, to the extent not otherwise prohibited by law or state covenant, withhold such amount from the next succeeding payment of per capita assistance to be apportioned to New York city.
subject to the following limitations: prior to withholding amounts
due the state from the city, the comptroller shall pay in full any
amount due the state of New York municipal bond bank agency, on
account of the city's obligation to such agency; the city university
construction fund pursuant to the provisions of the city university
construction fund act; the New York city housing development corpo-
ration, pursuant to the provisions of the New York city housing
development corporation act (article XII of the private housing
finance law); the transit construction fund, pursuant to the
provisions of title 9-a of article 5 of the public authorities law;
pursuant to section 92-e of the state finance law, any amounts
necessary for payments to holders of bonds or notes as certified by
the municipal assistance corporation for the city of New York
created under article 10 of the public authorities law; and the
dormitory authority of the state of New York, pursuant to section
1680-B of the public authorities law (29NY08A3) ..................

COMMUNITY MENTAL HEALTH FACILITIES (CCP) | 61,722,000 |

State aid to municipalities and other public and not-for-profit agencies for acquisition, rehabilitation, and/or improvements to existing community mental health facilities as required to address code violations, health and safety issues, and/or structural/mechanical deficiencies. Notwithstanding any inconsistent provision of law, within the amounts hereby appropriated, the commissioner of the office of mental health may provide state aid grants of up to 100 per centum of reasonable capital costs associated with the acquisition, rehabilitation, and/or improvements (501118A4) | 6,000,000 |

Mental Health Facilities Capital Improvement Fund | Infrastructure Purpose |
For the acquisition of property, construction and rehabilitation of new facilities and/or relocation of existing community mental health facilities under the auspice of municipalities and other public and not-for-profit agencies, approved by the commissioner of the office of mental health, pursuant to article 41 of the mental hygiene law. Additionally, this appropriation may be used for payment of personal service and nonpersonal service, including fringe benefits related to the administration of the community capital program provided by the office of mental health for new and reappropriated community capital projects. Upon request of the commissioner of mental health and approval by the director of the budget, this appropriation may be transferred to the dormitory authority of the state of New York (500118A4) | 5,722,000 |
For the acquisition of property, construction, and rehabilitation of new facilities, for purposes of developing residential crisis programs, which may include the renovation of existing community mental health facilities for such purposes, under the auspice of municipalities and other public and not-for-profit agencies, approved by the commissioner of the office of mental health, pursuant to article 41 of the mental hygiene law (50CR18A4) ............ 50,000,000

NON-BONDABLE PROJECTS (CCP) ........................................ 1,000,000

For transfer to the Mental Hygiene Capital Improvement Fund for reimbursement of the non-bondable cost of projects for community facilities authorized by appropriations or reappropriations funded from the Mental Hygiene Capital Improvement Fund including liabilities incurred prior to April 1, 2018 or for payment to the dormitory authority of the state of New York for defeasance of bonds. Upon request of the commissioner of mental health and approval by the director of the budget, this appropriation may be transferred to the dormitory authority of the state of New York (500418NB) ........................................ 1,000,000

STATE MENTAL HEALTH FACILITIES (CCP) ......................... 361,750,000

For payment of the cost of land acquisition, construction, reconstruction, rehabilitation and improvements, including the preparation of designs, plans, specifications and estimates, for new, existing, and reappropriated capital projects and programs, including, but not limited to, preparation of plans, administration, maintenance and improvement of existing facilities, new facilities, energy conservation, environmental protection or improvement, health and safety, preservation of facilities, accreditation and program improvement or program changes, maintenance and operation of various facilities and systems including personal services, fringe benefits, and indirect
costs; provided, however, that no expendi-
tures may be made from this appropriation
until a comprehensive plan of projects has
been approved by the director of the budget. Additionally, this appropriation may
be used for payment to the design and
construction management account of the
centralized services fund of the New York
state office of general services or to the
dormitory authority of the state of New
York for the purpose of preparation and
review of plans, specifications, esti-
mates, services, construction management
and supervision, inspection, studies,
appraisals, surveys, testing and environ-
mental impact statements for new, existing
and reappropriated capital projects and
programs. Upon request of the commissioner
of mental health and approval by the
director of the budget, this appropriation
may be transferred to the dormitory
authority of the state of New York.
Furthermore, upon approval of the director
of the budget, funds from this appropri-
ation may be suballocated or transferred
to any department, agency, or public
authority (50IS18A4) ..................... 86,750,000

Capital Projects Funds - Other
Mental Hygiene Facilities Capital Improvement Fund
Infrastructure Purpose

For payment of the cost of land acquisition,
construction, reconstruction, rehabili-
tation and improvements, including the
preparation of designs, plans, specifica-
tions and estimates, for new, existing and
reappropriated capital projects and
programs including, but not limited to,
preparation of plans, administration,
maintenance and improvement of existing
facilities, new facilities, energy conser-
vation, environmental protection or
improvement, health and safety, preserva-
tion of facilities, accreditation and
program improvement or program changes;
provided, however, that no expenditures
may be made from this appropriation until
a comprehensive plan of projects has been
approved by the director of the budget.
This appropriation may be used for payment of
personal service and nonpersonal service, including fringe benefits, and
indirect cost recovery, related to the
administration of the capital projects and
programs provided by the office of mental
health. Additionally, this appropriation
may be used for payment to the design and
construction management account of the
centralized services fund of the New York

By chapter 1, section 8, of the laws of 1965, as amended by chapter 54,
section 1, of the laws of 2011:
(1) The payment of all claims for personal injury, death or property
damage for which the New York State Medical Care Facilities Finance
Agency or the facilities development corporation or the dormitory
authority might be liable occurring upon, in or about any projects
covered by the Agreement of Lease entered into by the facilities
development corporation, the department of mental hygiene and the
New York State Medical Care Facilities Finance Agency under date of
October 1, 1987 as from time to time amended and supplemented and
any and all penalties, costs, including attorneys' fees, claims,
demands and causes of action due directly or indirectly to the use,
disuse, misuse or interest in such projects; (2) in the case of
damage, loss or destruction of any such project, or any part of any
such project, the payment of the costs of repairing, restoring,
rebuiltng or replacing the same in accordance with the obligations
of the facilities development corporation so to do from the proceeds
of insurance under the provisions of paragraph (b) of section 3.04
of the Agreement of Lease; and (3) payments to the New York State
Medical Care Facilities Finance Agency of moneys at the times and in
the amounts that annual rentals would be due with respect to each
project during such time or times as each such project may be
damaged or destroyed and not available for use by the department of
mental hygiene in accordance with the terms of the Agreement of
Lease.
Notwithstanding the provisions of any general or special law, the
facilities development corporation may assign to the New York State
Medical Care Facilities Finance Agency all or any portion of the
moneys hereby appropriated for the purposes hereinabove set forth.
Notwithstanding the foregoing, in the event the appropriation is
insufficient to cover the losses, upon notification from the Facili-
ties Development Corporation, the director of the division of the
budget shall submit a request for additional appropriations to cover
the additional losses. Upon approval by the director of the budget,
funds from this appropriation may be transferred to the office for
people with developmental disabilities and the office of alcoholism
and substance abuse services for payment to the dormitory authority
of the state of New York (00638103) ... 4,000,000 . (re. $2,425,000)

1 COMMUNITY AND INSTITUTIONAL SERVICES PROGRAM (CCP)

    Capital Projects Funds - Other
    Capital Projects Fund
    Infrastructure Purpose

    By chapter 54, section 1, of the laws of 2017:
    For acquisition, alterations, improvements, and preservation of
    various community program and institutional program facilities,
    including, but not limited to, rehabilitation projects, health and
    safety projects, fire safety projects and other capital and
    administrative costs related to this purpose. For state aid, to
    municipalities and other public and not-for-profit agencies,
    including the payment of liabilities incurred prior to April 1, 2017
    for up to 100 per centum of the net cost of feasibility studies,
    property options, capital renovations, acquisition of property,
    construction, rehabilitation and capital costs incidental and
    appurtenant to facilities required to be licensed pursuant to
    article 16, as defined in the mental hygiene law, and for services
    and expenses related to the maintenance and improvement inclusive of
    fire safety and life safety upgrades of voluntary not-for-profit
    provider operated community residential and day service programs and
    environmental modifications and adaptive technology services at
    voluntary not-for-profit provider operated community residential
    facilities, certified family care homes and private residences, as a
    loan and/or grant to family care providers, for payment to other
    public housing agencies, including municipal, county, state and
    federal housing agencies, public benefit corporations or
    authorities, or private corporations and for capital development,
    improvements and alterations of residential housing or day program
    alternatives not currently defined in the mental hygiene law.
    Notwithstanding section 163 of the state finance law, section 142 of
    the economic development law, and article 41 of the mental hygiene
    law, the commissioner of the office for people with developmental
    disabilities may make the funds appropriated herein available as
    state aid, a loan or a grant, pursuant to terms and conditions
    established by the commissioner of the office for people with
    developmental disabilities, to cover a portion of the development
    costs of private, public and/or non-profit organizations, including
    corporations and partnerships established pursuant to the private
    housing finance law and/or any other statutory provisions. Further,
    the office for people with developmental disabilities shall have a
    lien on the real property developed with such state aid, loans or
    grants, which shall be in the amount of the loan or grant, for a
    maximum term of 30 years, or other longer term consistent with the
    requirements of another regulatory agency. Upon request of the
    commissioner of the office for people with developmental
    disabilities and approval by the director of the budget, the funds
    appropriated herein may be suballocated or transferred to any other
    public housing agencies, including municipal, county, state and
    federal housing agencies, public benefit corporations or
    authorities, or private corporations, provided, however, that no
    expenditures may be made from this appropriation until a
    comprehensive plan of projects has been approved by the director of
    the budget (510117A4) ............ 21,000,000 ..... (re. $18,791,000)

erty damage for which the New York State Medical Care Facilities
Finance Agency, the facilities development corporation, or the
dormitory authority of the state of New York might be liable occur-
ing upon, in or about any projects covered by the Agreement of
Lease entered into by the facilities development corporation, the
department of mental hygiene and the New York State Medical Care
Facilities Finance Agency under date of October 1, 1987 as from time
to time amended and supplemented and any and all penalties, costs,
including attorneys' fees, claims, demands and causes of action due
directly or indirectly to the use, disuse, misuse or interest in
such projects; (2) in the case of damage, loss or destruction of any
such project, or any part of any such project, the payment of the
costs of repairing, restoring, rebuilding or replacing the same in
accordance with the obligations of the facilities development corpo-
ration so to do from the proceeds of insurance under the provisions
of paragraph (b) of section 3.04 of the Agreement of Lease; and (3)
payments to the New York State Medical Care Facilities Finance Agen-
cy of moneys at the times and in the amounts that annual rentals
would be due with respect to each project during such time or times
as each such project may be damaged or destroyed and not available
for use by the department of mental hygiene in accordance with the
terms of the Agreement of Lease.

Notwithstanding the provisions of any general or special law, the
facilities development corporation may assign to the New York State
Medical Care Facilities Finance Agency all or any portion of the
moneys hereby appropriated for the purposes hereinabove set forth.

Notwithstanding the foregoing, in the event the appropriation is
insufficient to cover the losses, upon notification from the facili-
ties development corporation, the director of the budget shall
submit a request for additional appropriations to cover the addi-
tional losses. Upon approval by the director of the budget, funds
from this appropriation may be transferred to the office of mental
health and the office of alcoholism and substance abuse services for
payment to the dormitory authority of the state of New York for the
preparation of plans purpose (S1WC1230) ............................. 2,000,000 .......................... (re. $2,000,000)

Preparation of Plans Purpose

The appropriation made by chapter 54, section 1, of the laws of 2017, is
hereby amended and reappropriated to read:

For payment to the design and construction management account of the
centralized services fund of the New York state office of general
services or to the dormitory authority for the purpose of
preparation and review of plans, specifications, estimates, services, construction management and supervision, inspection, studies, appraisals, surveys, testing and environmental impact statements for new and existing projects associated with the institutional services program and the community services program. Upon the request of the commissioner of the office for people with developmental disabilities and the approval of the director of the budget, this appropriation may be suballocated or transferred to the
dormitory authority of the state of New York. Upon approval by the
director of the budget, funds from this appropriation may be
transferred to the office of mental health and the office of
alcoholism and substance abuse services for payment to the dormitory
authority of the state of New York for the preparation of plans
purpose (S1F11730) ...... 7,000,000 ...................... (re. $7,000,000)

The appropriation made by chapter 55, section 1, of the laws of 2016, is
hereby amended and reappropriated to read:

For payment to the design and construction management account of the
centralized services fund of the New York state office of general
services or to the dormitory authority for the purpose of prepara-
tion and review of plans, specifications, estimates, services, construction management and supervision, inspection, studies, appraisals, surveys, testing and environmental impact statements for new and existing projects associated with the institutional services
program and the community services program. Upon the request of the
commissioner of the office for people with developmental disabili-
ties and the approval of the director of the budget, this appropri-
ation may be suballocated or transferred to the dormitory authority
of the state of New York. Upon approval by the director of the
budget, funds from this appropriation may be transferred to the
office of mental health and the office of alcoholism and substance
abuse services for payment to the dormitory authority of the state
of New York for the preparation of plans purpose (S1F11630) .......
7,000,000 ........................................ (re. $7,000,000)

The appropriation made by chapter 54, section 1, of the laws of 2015, is
hereby amended and reappropriated to read:

For payment to the design and construction management account of the
centralized services fund of the New York state office of general
services or to the dormitory authority for the purpose of prepara-
tion and review of plans, specifications, estimates, services, construction management and supervision, inspection, studies, appraisals, surveys, testing and environmental impact statements for new and existing projects associated with the institutional services
program and the community services program. Upon the request of the
commissioner of the office for people with developmental disabili-
ties and the approval of the director of the budget, this appropri-

TRIBOROUGH BRIDGE AND TUNNEL AUTHORITY

The appropriation made by chapter 314, section 30, of the laws of 1981, as amended by chapter 54, section 1, of the laws of 2017, is hereby amended and reappropriated to read:

Advance for: The sum of thirty-six million dollars ($36,000,000), or so much thereof as may be necessary, is hereby appropriated as an
advance from the capital projects fund to the Triborough bridge and
tunnel authority for replacements of the authority's insurance
reserve and operating contingency reserve for the period beginning
appropriation shall be made available and paid only if the Tribor-
ough bridge and tunnel authority's insurance reserve and operating
contingency reserve is needed for the purposes for which the
reserves were created.
Notwithstanding the provisions of any general or special law, no part
of any such appropriation shall be available for the purposes desig-
nated until a certificate of approval of availability shall have
been issued by the director of the budget, and a copy of such
certificate filed with the state comptroller, the chairman of the
senate finance committee and the chairman of the assembly ways and
means committee. Such certificate may be amended from time to time
subject to the approval of the director of the budget, and a copy of
each such amendment shall be filed with the state comptroller, the
chairman of the senate finance committee and the chairman of the
assembly ways and means committee (03310912) ...... (re. $36,000,000)

State Park Infrastructure Fund

In accordance with Section 97-mm of the state finance law, all funds
received and designated by the commissioner of parks, recreation and
historic preservation to the credit of SPIF, shall be directed to
state park infrastructure projects including engineering services
costs.

A portion of the amounts included within these appropriations, subject
to the approval of the director of the budget, may be made available
to the New York State Office of General Services for payment to the
design and construction management account of the centralized
services fund of the New York State Office of General Services, to
accomplish the purpose of these appropriations. All or a portion of
the disbursements made pursuant to the following appropriations may
be repaid from proceeds of bonds issued by the environmental facili-

GENERAL MAINTENANCE AND IMPROVEMENTS (CCP)

Capital Projects Funds - Other
Capital Projects Fund
Administration Purpose

By chapter 53, section 1, of the laws of 1998, as amended by chapter 53, section 3, of the laws of 2016:

Advance for campus core component projects including services and expenses for alterations and improvements to various facilities, capital design including the cost of services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; underground utilities; acquisition of property and operation of parking facilities; construction, reconstruction and rehabilitation; construction management and supervision; appraisals, surveys, testing and environmental impact statements; equipment costs; and the payment of liabilities incurred prior to April 1, 1998 (28F898C1) ....... 947,326,000 ....... (re. $4,553,000)

Advance for campus technology/campus development component projects including services and expenses for alterations and improvements to various facilities, capital design including the cost of services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; underground utilities; acquisition of property; construction, reconstruction and rehabilitation; construction management and supervision; appraisals, surveys, testing and environmental impact statements; equipment costs; including not more than $8,467,000 for design, construction and development of a health and wellness center at Alfred Ceramics, provided, however that any previous allocation from this appropriation for the center for ceramic education at Alfred Ceramics shall be deemed repealed and the payment of liabilities incurred prior to April 1, 1998 (28F698C1) ...... 187,038,000 .... (re. $2,911,000)

Advance for systemwide component projects including services and expenses for alterations and improvements to various facilities, capital design including the cost of services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; underground utilities; acquisition of property and operation of parking facilities; construction, reconstruction and rehabilitation; construction management and supervision; appraisals, surveys, testing and environmental impact statements; equipment costs; and the payment of liabilities incurred prior to April 1, 1998 (28F498C1) ....... 73,125,000 ................. (re. $1,744,000)

Advance for campus improvement/quality of life component projects including services and expenses for alterations and improvements to various facilities, capital design including the cost of services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; underground utilities; acquisition of property and operation of parking facilities; construction, reconstruction and rehabilitation; construction management and supervision; appraisals, surveys, testing and environmental impact statements; equipment costs for state university educational facility projects; and the payment of liabilities incurred prior to April 1, 1998 (28F398C1) ...... 45,120,000 ............... (re. $1,726,000)

Advance for the hospital facility program including services and expenses for alterations and improvements to various facilities, capital design including the cost of services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; underground utilities; acquisition of property and operation of parking facilities; construction,
The appropriation made by chapter 54, section 1, of the laws of 2017, to the preservation of facilities purpose, is hereby transferred and reappropriated to the program improvement or program change purpose:

For services and expenses of SUNY hospitals for alterations, improvements, services and expenses, and new facilities, including costs incurred prior to April 1, 2017 subject to a plan developed by the state university and approved by the director of the budget (28FI1708) ... 100,000,000 ...................... (re. $100,000,000)

- Capital Projects Fund
  - Program Improvement or Program Change Purpose

### By chapter 54, section 1, of the laws of 2015:
- For services and expenses of studies, site acquisitions, planning, design, construction, reconstruction, renovation, and equipment necessary to establish a school of pharmacy at the State University of New York at Binghamton. Amounts appropriated herein shall be in addition to $25,000,000 appropriated in the urban development corporation projects budget (28F21508) $25,000,000 (re. $24,524,000)
By chapter 54, section 1, of the laws of 2014:
Advances for the cost of studies, site acquisitions, planning, design, construction, reconstruction, renovation, and equipment necessary to establish a school of pharmacy at the State University of New York at Binghamton (28F11408) ... 10,000,000 ........... (re. $2,921,000)

By chapter 54, section 1, of the laws of 2013:
Advances for the design and construction of an emerging technology and entrepreneurial complex, as identified and approved by the governor and the chancellor of the State of New York pursuant to the NY-SUNY 2020 challenge grant program for the State University of New York at Albany, including but not limited to services and expenses, service agreements or service contracts and memoranda of understanding; for capital design including the cost of services provided by private firms, including preparation of designs, plans, specifications and estimates; for property acquisition, and facility construction or reconstruction and equipment; claims, emergencies and remediation of environmental hazards (28201308) ... 88,000,000 .. (re. $88,000,000)

By chapter 54, section 1, of the laws of 2012, as amended by chapter 54, section 1, of the laws of 2013:
Advances for the relocation and construction of a medical school and biomedical sciences facility, as identified and approved by the governor and the chancellor of the State of New York pursuant to the NY-SUNY 2020 challenge grant program for the State University of New York at Buffalo, including but not limited to services and expenses, service agreements or service contracts and memoranda of understanding; for capital design including the cost of services provided by private firms, including preparation of designs, plans, specifications and estimates; for property acquisition, and facility construction or reconstruction and equipment; claims, emergencies and remediation of environmental hazards. Notwithstanding any inconsistent provision of law to the contrary, the State University Construction Fund is hereby authorized to enter into a service agreement to transfer $25,000,000 of this appropriation to University at Buffalo-affiliated entities for design, construction, property acquisition and equipment costs related to the relocation and construction of the medical school and biomedical sciences facility and related facilities (28201208) .................................. 215,000,000 ...................................... (re. $11,047,000)

By chapter 53, section 1, of the laws of 2008:
Advances to SUNY hospitals for alterations, improvements services and expenses, and new facilities, including costs incurred prior to April 1, 2008 subject to a plan developed by the State University and approved by the director of the budget (28PH0808) ............ 450,000,000 ................................. (re. $156,337,000)

STATE UNIVERSITY OF NEW YORK
(APPROPRIATED TO THE STATE UNIVERSITY CONSTRUCTION FUND)

CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

1 Expansion of Administration
   Complex .................................. 17,600
2 Traditional and Alternative
3 Notwithstanding any inconsis-
   tent provision of law to the
4 contrary, the state univer-
5 sity construction fund is
6 authorized to enter into a
7 service agreement to transfer
8 up to $6,000,000 in state
9 university capital construction
10 funds to Bio-Bat, Inc., to be
11 administered by The Research
12 Foundation of State University
13 of New York, for the construc-
14 tion, reconstruction, rehabil-
15 itation and redevelopment of
16 energy sources development at
17 the Brooklyn Army Terminal
18 biotechnology commercial and
19 research center. Bio-Bat, Inc.,
20 or its designee is authorized
21 to construct, reconstruct,
22 rehabilitate and redevelop
23 energy sources for such facil-
24 ity using funds transferred
25 from the state university
26 construction fund to Bio-Bat,
27 Inc. ............................. 6,000
28 Buffalo College
29 Renovate/Addition Science
30 Building - Phase I ............... 45,000
31 Renovate/Addition Science
32 Building - Phase II ............... 48,262
33 Buffalo University
34 UB Gateway & Urban Technology
35 Incubator Phases I, II, III
36 Downtown. Notwithstanding
37 any inconsistent
38 provision of law to the
39 contrary, the State University
40 Construction Fund is hereby
41 authorized to enter into a
42 service agreement to transfer
43 up to $32,000,000 of this
44 appropriation in
45 State University capital
46 construction funds to the Buffalo
47 2020 Development Corporation for
48 the purpose of constructing,
49 acquiring, or creating a
50 Clinical/Translational Research
51 facility on the downtown
52 campus, an incubator facility
53 on the downtown campus, the UB
54 Gateway project, and reimbursing
55 the University at Buffalo
56 Foundation for property
57 acquisition for the Educational
58 Opportunity Center and the UB
59 Gateway project, provided,
that all contracts for the
construction of any such
facilities shall require compliance
with the provisions of
section two hundred twenty of
the labor law and shall be subject
to article XV-a of the executive
law ............................... 32,000
Construct Clinical/Transitional
Research Facility - Ph III.
Notwithstanding any inconsistent
provision of law to the contrary,
the State University Construction
Fund is hereby authorized to enter
into a service agreement to transfer
up to $100,000,000 of this
appropriation to the Buffalo 2020
Development Corporation for the
purpose of constructing, acquiring,
or creating a Clinical/Translational
Research facility and an incubator
facility on the downtown campus,
provided, that all contracts for
the construction of any such
facilities shall require compliance
with the provisions of section two
hundred twenty of the labor law and
shall be subject to article XV-a of
the executive law ................. 100,000
UB Gateway, Phase IV.
Notwithstanding any law to the
contrary, the State University
Construction Fund is hereby
authorized to enter into a service
agreement to transfer up to $6,000,000
of this appropriation to the Buffalo
2020 Development Corporation for the
purpose of constructing or creating
the UB Gateway project, and
reimbursing the University at
Buffalo Foundation for property
acquisition for the Educational
Opportunity Center and the UB
Gateway project, provided, however
that to the extent any portion of
such appropriation is utilized for
construction purposes, all contracts
for the construction of such facilities
shall require compliance with
the provisions of section two
hundred twenty of the labor law and
shall be subject to article XV-a of
the executive law .................. 6,000
Canton
Center for Athletics/Recreational

The appropriation made by chapter 53, section 1, of the laws of 2006, as amended by chapter 54, section 1, of the laws of 2012, to the administration purpose, is hereby transferred and reappropriated to the program improvement or program change purpose and amended to read:

An advance for the state share of financial assistance to community colleges for alterations and improvements to various facilities including service contracts, memorandum of understanding, capital design, construction, acquisition, reconstruction, rehabilitation, equipment and personal service costs; for health and safety, preservation of facilities, new facilities, program improvement or program change, environmental protection, energy conservation, accreditation, facilities for the physically disabled and related projects including costs incurred prior to April 1, 2006 subject to a plan submitted by the SUNY trustees and approved by the director of the budget. Notwithstanding any other law to the contrary, all or a portion of the amounts hereby appropriated may be suballocated or transferred to the state university construction fund or the dormitory authority of the state of New York for such purposes.

46 Omnibus and Transit Purpose
47
49 For state aid to municipal corporations for
50 the preparation of designs, plans, spec-
51 ifications and estimates, for the acquisi-
52 tion, construction, reconstruction, and
53 improvement of mass transportation capital
54 projects including the acquisition of real
55 property, for other mass transportation
56 projects including local transportation
57 planning studies. Notwithstanding any
58 inconsistent provisions of law, the state
59 share of such projects shall be 50 percent
60 of the non-federal share, but in no event
61 shall the state share exceed 10 percent of
62 project costs.
Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses. The state share of such reimbursement shall be 50 percent of the non-federal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval. Such certificate shall report the federally authorized level of financial assistance (17OM1829) ............................... 18,500,000

For the payment of the costs of mass transportation capital projects and facilities including replacement of buses meeting federal standards for replacement, related bus equipment and the acquisition, design and construction, including engineering

28 For capital grants to municipalities under
29 the municipal streets and highways program
30 for repayment of eligible costs of federal
31 aid municipal street and highway projects
32 pursuant to section 15 of chapter 329 of
33 the laws of 1991, as added by section 9 of
34 chapter 330 of the laws of 1991, as
35 amended. The department of transportation
36 shall provide such information to the
37 municipalities as may be necessary to
38 maintain the federal tax exempt status of
39 any bonds, notes, or other obligations
40 issued by such municipalities to provide
41 for the non-federal share of the cost of
42 projects pursuant to chapter 330 of the
43 laws of 1991 or section 80-b of the high-
44 way law (17MA1821) ............... 39,700,000
45 For capital grants to municipalities under
46 the consolidated local street and highway
47 improvement program:
48 The sum of $379,300,000 to counties, cities,
49 towns and villages for reimbursement of
50 eligible costs of local highway and bridge
51 projects pursuant to sections 16 and 16-a
52 of chapter 329 of the laws of 1991, as
53 added by section 9 of chapter 330 of the
54 laws of 1991, as amended. For the purposes
55 of computing allocations to munici-
56 palities, the amount distributed pursuant
57 to section 16 of chapter 329 of the laws
58 of 1991 shall be deemed to be
59 $125,540,000. The amount distributed
60 pursuant to section 16-a of chapter 329 of
61 the laws of 1991 shall be deemed to be
DEPARTMENT OF TRANSPORTATION
CAPITAL PROJECTS 2018-19

$253,760,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 86.579 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 86.579 percent of the funding level to be deemed distributed to each municipality under this subdivision shall be reduced in equal proportion.

The sum of $58,797,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be $19,460,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $39,337,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 13.421 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 13.421 percent of the funding level to be deemed distributed to each municipality under this paragraph shall be reduced in equal proportion. To the extent that the total of remaining payment allocations calculated herein varies from $58,797,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal $58,797,000.

Payments shall be made on the fifteenth day of June, September, December and March (17CH1821) ............................... 438,097,000
All or a portion of the disbursements made pursuant to the reappropriations made hereinafter from the dedicated highway and bridge trust fund may be repaid from the proceeds of bonds and notes issued pursuant to chapter 56 of the laws of 1993.

ACCELERATED CAPACITY AND TRANSPORTATION IMPROVEMENTS FUND (CCP)

Capital Projects Funds - Other
Accelerated Capacity and Transportation Improvements Fund
Bond Proceeds Purpose

By chapter 54, section 1, of the laws of 1989, as amended by chapter 55, section 1, of the laws of 1996:
The sum of $2,530,000,000, or so much thereof as may be necessary and available, is hereby appropriated from the accelerated capacity and transportation improvements fund as established by section 77 of the state finance law in accordance with the provisions of such section for payment to the capital projects fund in order to reimburse such fund for disbursements certified by the state comptroller as bondable under the provisions of section 50 of chapter 261 of the laws of 1988.
The director of the budget is hereby authorized to designate to the state comptroller specific appropriations made from the capital projects fund for purposes for which accelerated capacity and transportation improvements fund expenditures are authorized. The state comptroller shall at the commencement of each month certify to the director of the budget, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee, the amounts disbursed from the appropriations so designated by the director of the budget from the capital projects fund for such purposes for the month preceding such certification and such certifications shall not exceed in the aggregate the moneys hereby appropriated. A copy of each such certificate shall also be delivered to state departments and agencies to which such capital projects fund appropriations are made available.
Notwithstanding the provisions of any general or special law, no moneys shall be available from the accelerated capacity and transportation improvements fund until a certificate of approval of availability shall have been issued by the director of the budget, and a copy of such certificate of approval filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee. Such certificate may be amended from time to time by the director of the budget, and a copy of each such amendment shall be filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee (71258910) ................

Aviation Purpose

By chapter 54, section 1, of the laws of 1990:
For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law, and to the department of transportation for the preparation of designs, plans, specifications and estimates, for the contract engineering services provided by private firms, and for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to
DEPARTMENT OF TRANSPORTATION
CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

the provisions of the rebuild New York through transportation infrastructure renewal bond act of 1983, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations including payment of liabilities incurred prior to April 1, 1990. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval. Such certification shall report the amount of the federally authorized level of financial assistance (17239014) ... 2,800,000 ..................... (re. $10,000)

By chapter 54, section 1, of the laws of 1989, for:
For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law, and to the department of transportation for the preparation of designs, plans, specifications and estimates, for the contract engineering services provided by private firms, and for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the provisions of the rebuild New York through transportation infrastructure renewal bond act of 1983, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations including payment of liabilities incurred prior to April 1, 1989. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the amount of federally authorized level of financial assistance (17238914) ... 2,800,000 ..................... (re. $3,000)

By chapter 54, section 1, of the laws of 1988, as amended by chapter 262, section 1, of the laws of 1989:
For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law, and to the department of transportation for the preparation of designs, plans, specifications and estimates, for the contract engineering services provided by private firms, and for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the provisions of the rebuild New York through transportation infrastructure renewal bond act of 1983, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations including payment of liabilities incurred prior to April 1, 1988. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.
Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance (17238814) ...

10,400,000 ........................................... (re. $52,000)

By chapter 54, section 1, of the laws of 1987:
For state aid to municipal corporations and to the department of transportation for the preparation of designs, plans, specifications and estimates, for the contract engineering services provided by private firms, and for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the provisions of the rebuild New York through transportation infrastructure renewal bond act of 1983, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations including payment of liabilities incurred prior to April 1, 1987. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance (17168714) ...

3,900,000 .................... (re. $183,000)

By chapter 54, section 1, of the laws of 1986, as amended by chapter 54, section 3, of the laws of 1988:
For state aid to municipal corporations and to the department of transportation for the preparation of designs, plans, specifications and estimates, for the contract engineering services provided by private firms, and for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the provisions of the rebuild New York through transportation infrastructure renewal bond act of 1983, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations including payment of liabilities incurred prior to April one, nineteen eighty-six. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance (17238614) ...

5,100,000 .................... (re. $110,000)

By chapter 54, section 1, of the laws of 1986, as amended by chapter 54, section 3, of the laws of 1987:
For payment of the costs, including the payment of liabilities incurred prior to April one, nineteen hundred eighty-six, for the preparation of designs, plans, specifications and estimates, for the construction, reconstruction, and improvement of airport or aviation capital projects, including infrastructure improvements at Stewart airport, for the costs of real property acquisition, contract engi-
neering services provided by private firms, and other expenses
related thereto, pursuant to the transportation capital facilities
development act of nineteen hundred sixty-seven, notwithstanding any
inconsistent provisions of law.
No funds shall be allocated that are directly related to a private
facility until the commissioner of transportation enters into a
written agreement, subject to the approval of the director of the
budget, with such private entity providing that such entity is
committed to locate its facilities at Stewart airport and has
arranged financing for the costs of construction of such facilities.
Funds shall not be allocated from this appropriation for infrastruc-
ture improvements or other development purposes not directly related
to a private facility until the commissioner of transportation has
provided the director of the budget with the following projections
to support any such allocation of funds: (a) effect on Stewart
airport net operating revenues; (b) effect on new jobs for the state
of New York; and (c) effect on net revenues of amortization of state
capital expenditures.
The commissioner of transportation shall secure and use any federal
funds which are or may become available for the purposes of this
appropriation. Any such funds shall be used to reduce the state's
share of project costs for which federal funds become available
(17A18614) ... 19,500,000 .................... (re. $134,000)

By chapter 54, section 1, of the laws of 1985, as amended by chapter 54,
section 3, of the laws of 1988:
For state aid to municipal corporations for the acquisition,
construction, reconstruction, and improvement of airport or aviation
capital projects, including the acquisition of real property, pursu-
ant to the transportation capital facilities development act of
nineteen hundred sixty-seven notwithstanding any inconsistent
provisions of law, in accordance with the schedule set forth below.
The moneys hereby appropriated are to be made available for payment
of state aid to municipal corporations including payment of liabil-
ities incurred prior to April one, nineteen hundred eighty-five, as
defined in the transportation capital facilities development act of
nineteen hundred sixty-seven. The items shown in the project sched-
ule below shall be for projects with a common purpose and may be
interchanged without limitation subject to the approval of the
director of the division of the budget.
Prior to requesting approval of a certificate of approval of avail-
ability for the moneys hereby appropriated, the commissioner shall
certify that each airport or aviation project progressed under the
program categories listed in the schedule below has received federal
approval and the federally authorized level of financial assistance
(17158514) ... ..... 3,700,000 .................... (re. $726,000)

By chapter 54, section 1, of the laws of 1984:
For state aid to municipal corporations for the acquisition,
construction, reconstruction, and improvement of airport or aviation
capital projects, including the acquisition of real property, pursu-
ant to the transportation capital facilities development act of
nineteen hundred sixty-seven notwithstanding any inconsistent
provisions of law, in accordance with the schedule set forth below.
The moneys hereby appropriated are to be made available for payment
of state aid to municipal corporations including payment of liabil-
ities incurred prior to April one, nineteen hundred eighty-four, as
defined in the transportation capital facilities development act of
nineteen hundred sixty-seven.
Prior to requesting approval of a certificate of approval of avail-
ability for the moneys hereby appropriated, the commissioner shall
certify that each airport or aviation project progressed under the
program categories listed in the schedule below has received federal
approval and the federally authorized level of financial assistance
(17178414) ........................................ (re. $313,000)

REPUBLIC AND STEWART AIRPORTS

By chapter 54, section 7, of the laws of 1973, as transferred by chapter
370, section 3, of the laws of 1982, and as amended by chapter 54,
section 3, of the laws of 1986:
To the department of transportation, notwithstanding the provisions of
title one of chapter seven hundred seventeen of the laws of nineteen
hundred sixty-seven, as amended, or of any agreements entered into
pursuant to such provisions (which agreements shall no longer be
applicable to such projects), for one hundred percentum of the net
project cost of the acquisition, construction, reconstruction and
improvement, with expected federal aid as indicated, of airport or
aviation capital projects in accordance with the schedule set forth
below, including the completion of those of the said projects
already commenced, which amount shall be available for the payment
of liabilities incurred prior to April 1, 1971, provided that as to
any project in the foregoing schedule which has not heretofore been
authorized by the legislature in an appropriation act, no certif-
icate of approval of availability shall be issued until the commis-
sioner of transportation has delivered to the director of the budget
his certification that such project is consistent with the
provisions of subdivision 1 of section 15 of the transportation law.
The amount hereby appropriated is in addition to and supplemental to
the amounts heretofore expended from the capital construction fund
as part of the "net project cost" as set forth in the schedule
below:

AIRPORT OR AVIATION CAPITAL PROJECTS

Notwithstanding the provisions of any general or special law, no part
of any such appropriation shall be available for the purposes desig-
nated until a certificate of approval of availability shall have
been issued by the director of the budget and a copy of such certif-
icate filed with the state comptroller, the chairman of the senate
finance committee and the chairman of the assembly ways and means
committee. Such certificate may be amended from time to time subject
to the approval of the director of the budget and a copy of each such amendment shall be filed with the state comptroller, the chair- man of the senate finance committee and the chairman of the assembly ways and means committee.

The moneys hereby appropriated, when made available pursuant to a certificate of approval of availability, issued by the director of the budget, shall be paid from the capital construction fund on the audit and warrant of the state comptroller on vouchers approved by the commissioner of transportation or his duly designated officer (02412614) ... 4,205,000 ................. (re. $837,000)

AIRPORT OR AVIATION PROGRAM--BONDABLE (CCP)

By chapter 54, section 1, of the laws of 1991:

For state aid to municipal corporations, private airports as author- ized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the transportation capital facilities development act of 1967 notwithstanding any inconsistent provisions of law, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations, private airports as author- ized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, including payment of liabilities incurred prior to April 1, 1991, as defined in the transportation capital facilities develop- ment act of 1967. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Prior to requesting approval of a certificate of approval of avail- ability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance. No funds shall be allocated for projects at Stewart Airport that are directly related to a private facility until the commissioner of transportation enters into a written agreement, subject to the approval of the director of the budget, with such private entity providing that such entity is committed to locate its facilities at Stewart airport and has arranged financing for the costs of construction of such facilities.

Funds shall not be allocated for projects at Stewart airport from this appropriation for infrastructure improvements or other development purposes not directly related to a private facility until the commissioner of transportation has provided the director of the budget with the following projections to support any such allocation of funds: (a) effect on Stewart airport net operating revenues; (b) effect on new jobs for the state of New York; and (c) effect on net revenues of amortization of state capital expenditures. It is acknowledged that funds provided herein pursuant to the transporta- tion capital facilities development act of 1967 are made available by repealing a portion of an appropriation for the payment of the state's share to the Niagara frontier transportation authority for construction, reconstruction, and improvement of airport or aviation
capital projects at Buffalo international airport. It is the intent of the legislature that the repeal of such funds appropriated to the Niagara frontier transportation authority does not void the state's commitment to provide alternative state share funding sources to the authority to complete the airport or aviation capital projects at Buffalo international airport as originally provided by chapter 54, section 1, of the laws of 1982, as amended by chapter 54, section 3, of the laws of 1988. It is further the intent of the legislature that such alternative state share funding be provided to the authority no later than March 31, 1993 (17439114) .........................

Capital Projects Funds - Other
Miscellaneous Capital Projects Fund
Aviation Purpose

By chapter 54, section 1, of the laws of 2012:

For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the cost of projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property and liabilities incurred prior to April 1, 2012.

Prior to requesting approval of a certificate of approval of availability for the moneys appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program, other than state owned airports, has received federal approval and the federally authorized level of financial assistance. Funds from this appropriation may also be utilized for grants to municipal corporations and private airports for the cost of projects authorized by section 14-l of the transportation law, including the acquisition of real property and liabilities incurred prior to April 1, 2012; provided, however, that funds available for this purpose shall not exceed the amount by which $3,000,000 exceeds the sum of the amount in such state fiscal year necessary for the state share of federal projects provided pursuant to section 14-h of the transportation law and the amount in such state fiscal year required for payment of the costs of projects at Stewart and Republic Airports, upon certification by the commissioner of transportation at the end of the calendar year (17241214) ... 3,000,000 ............... (re. $163,000)

By chapter 55, section 1, of the laws of 2008:

For payment of costs related to Stewart Airport, including but not limited to environmental remediation; acquisition, construction, reconstruction, demolition and improvement of capital projects; acquisition of real property and facilities; projects related to passenger, cargo, and commercial development; acquisition of equipment; funding of operating needs; and for liabilities incurred prior to April 1, 2008 (17RA0814) ... 4,000,000 ............ (re. $4,000,000)

By chapter 55, section 1, of the laws of 2006:

For payment of costs related to municipal, private, state owned and public authority airports and aviation facilities, including but not limited to environmental remediation; acquisition, construction,
reconstruction, demolition and improvement of capital projects; acquisition of real property and facilities; projects related to passenger, cargo, and commercial development; acquisition of equipment; funding of operating needs; and for liabilities incurred prior to April 1, 2006.

The items shown in the schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the budget (17RA0614) ...

5,300,000 ................................................ (re. $831,000)

By chapter 55, section 1, of the laws of 1999, as amended by chapter 108, section 5, of the laws of 2006:

For payment of costs related to Stewart International Airport including, but not limited to, acquisition of real property and facilities; construction, reconstruction, demolition and improvement of capital facilities; and payment of liabilities incurred prior to April 1, 1999. Notwithstanding any inconsistent provision of law, of amounts appropriated herein, $1,000,000 shall be made available to labor organizations for training programs (17RA9914) ............

17,500,000 ........................................ (re. $1,097,000)

For the payment of the costs of capital projects as set forth in a memorandum of understanding among the governor, the majority leader of the senate, and the speaker of the assembly (17RD9914) ........

4,500,000 ................................................... (re. $1,500,000)

For expenses and payments incurred in implementation of the airport improvement and revitalization program (17RE9914) ...........

2,500,000 ............................................... (re. $69,000)

By chapter 55, section 1, of the laws of 1999, as amended by chapter 295, part A, section 1, of the laws of 2001:

For the payment of the costs of operating and capital projects including, but not limited to, acquisition of real property and facilities; construction, reconstruction, demolition and improvement of capital facilities; and payment of liabilities incurred prior to April 1, 1999 (17RB9914) ....... 2,500,000 ............... AMERICAN RECOVERY AND REINVESTMENT ACT (CCP)

Capital Projects Funds - Federal
Federal Capital Projects Fund
American Recovery and Reinvestment Act Purpose

By chapter 55, section 1, of the laws of 2009:

For Transit Capital Assistance funded by Title 12 of the American Recovery and Reinvestment Act of 2009. Funds appropriated herein shall be subject to all applicable reporting and accountability requirements contained in such act.

For the payment of the costs of mass transportation capital projects and facilities including replacement of buses meeting federal standards for replacement, related bus equipment and the acquisition, design and construction, including engineering and consulting costs, of mass transit bus garages or other mass transportation projects and facilities, including liabilities incurred prior to April 1, 2009 (170509FS) ... 26,300,000 .................... (re. $3,085,000)

By chapter 55, section 1, of the laws of 2009, as amended by chapter 54, section 1, of the laws of 2013:

For Highway Infrastructure Investment funded by Title 12 of the American Recovery and Reinvestment Act of 2009. Funds appropriated herein shall be subject to all applicable reporting and accountability requirements contained in such act.
For the payment of eligible costs, including but not limited to construction, reconstruction, replacement, improvement, reconditioning, rehabilitation, preservation, related appurtenances, equipment, facilities, the acquisition of real property and interests therein, the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements, including the payment of liabilities incurred prior to April 1, 2009.

For payment of engineering services, including reimbursements to the dedicated highway and bridge trust fund, including but not limited to personal services, nonpersonal services and fringe benefits, for activities including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements, including the payment of liabilities incurred prior to April 1, 2009 (170309FS) .................................. 950,700,000 ...................................... (re. $27,099,000)

For Capital Assistance for High Speed Rail Corridors and Intercity Passenger Rail Service funded by Title 12 of the American Recovery and Reinvestment Act of 2009. Funds appropriated herein shall be subject to all applicable reporting and accountability requirements contained in such act.

For the payment of eligible costs, including but not limited to construction, reconstruction, replacement, improvement, reconditioning, rehabilitation, preservation, related appurtenances, equipment, facilities, the acquisition of real property and interests therein, the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements, including the payment of liabilities incurred prior to April 1, 2009.

For payment of engineering services, including reimbursements to the dedicated highway and bridge trust fund, including but not limited to personal services, nonpersonal services and fringe benefits, for activities including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements, including the payment of liabilities incurred prior to April 1, 2009 (170409FS) .................................. 600,000,000 ................................. (re. $120,951,000)

AVIATION (CCP)

Capital Projects Funds - Other
Transportation Capital Facilities Bond Fund
Bond Proceeds Purpose

By chapter 54, section 9, of the laws of 1981, as amended by chapter 55, section 1, of the laws of 2008:

The sum of $17,305,787, or so much thereof as may be necessary is hereby appropriated from the transportation capital facilities bond fund pursuant to the provisions of chapter seven hundred fifteen of the laws of nineteen hundred sixty-seven, known as the "Transportation Capital Facilities Bond Act", for payment to the capital projects fund for disbursements from such fund pursuant to appropriations for the acquisition, construction, reconstruction and improvement of any airport or aviation capital facility and of any capital equipment used in connection therewith, by the State, any county, city, town, village, special transportation district, public benefit corporation or other public corporation, or two or more of the foregoing acting jointly in accordance with the provisions of
DEPARTMENT OF TRANSPORTATION
CAPITAL PROJECTS - REAPPROPRIATIONS  2018-19

the transportation capital facilities development act and as herein-
after referred to as "airport or aviation capital project bond
disbursements."
Notwithstanding the provisions of any general or special law, no
moneys shall be available from the transportation capital facilities
bond fund until a certificate of approval of availability shall have
been issued by the director of the division of the budget, and a
copy of such certificate filed with the state comptroller, the
chairman of the senate finance committee and the chairman of the
assembly ways and means committee. Such certificate may be amended
from time to time by the director of the division of the budget and
a copy of each such amendment shall be filed with the state comp-
troller, the chairman of the senate finance committee and the chair-
man of the assembly ways and means committee.
The director of the division of the budget is hereby authorized to
designate to the state comptroller specific appropriations made from
the capital projects fund for purposes for which airport or aviation
capital project bond expenditures are authorized. The state comp-
troller shall, at the commencement of each month, certify to the
director of the division of the budget, the chairman of the senate
finance committee and the chairman of the assembly ways and means
committee, the amounts disbursed from the appropriations designated
by the director of the division of the budget from the capital
projects fund for these disbursements pursuant to appropriations
from such fund for such purposes for the month preceding such
certification and such certifications shall not exceed in the aggre-
gate the moneys hereby appropriated (03025510) .................
17,305,787 ........................................ (re. $3,329,000)

CANALS AND WATERWAYS - BONDABLE (CCP)

Capital Projects Funds - Other
Capital Projects Fund - Infrastructure Renewal (Bondable)
Canals and Waterways Purpose

By chapter 54, section 1, of the laws of 1988, as amended by chapter 54,
section 3, of the laws of 1991:
For the preparation of designs, plans, specifications and estimates,
for the contract engineering services provided by private firms, for
the acquisition of property, reconstruction and improvement of dams,
canal locks, embankments and related structures and facilities on
the state barge canal system, including the payment of liabilities
incurred prior to April 1, 1988, pursuant to the rebuild New York
through transportation infrastructure renewal bond act of 1983.
The moneys hereby appropriated, when made available pursuant to a
certificate of approval of availability issued by the director of
the budget, shall be made available in accordance with the schedule
shown below. The items shown in the project schedule below shall be
for projects with a common purpose and may be interchanged without
limitation subject to the approval of the director of the division
of the budget (17328816) ... ...... 2,823,657 ...... (re. $158,000)

By chapter 54, section 1, of the laws of 1987, as amended by chapter 54,
section 3, of the laws of 1989:
For the preparation of designs, plans, specifications and estimates,
for the contract engineering services provided by private firms, for
the acquisition of property, reconstruction and improvement of dams,
canal locks, embankments and related structures and facilities on
the state barge canal system, including the payment of liabilities
incurred prior to April 1, 1987, pursuant to the rebuild New York
through transportation infrastructure renewal bond act of 1983.
DEPARTMENT OF TRANSPORTATION

By chapter 54, section 1, of the laws of 2012:
For payment by the state of the federal share of the cost, including payment of liabilities incurred prior to April 1, 2012, of construction, reconstruction, alteration and rehabilitation of airport and aviation facilities at Republic airport, including the
cost of acquisition of real property, the acquisition of equipment  
and other related incidental expenses thereto and for the federal  
share of consultant services in carrying out federally approved  
aviation studies.

Within the amount appropriated herein, authorization is granted to the  
department of transportation to enter into all necessary contracts  
and agreements, subject to the approval of the director of the budg-
et, to carry out the purposes of this appropriation.

Prior to requesting a certificate of approval of availability for any  
of the moneys authorized herein, the commissioner of transportation  
shall certify to the director of the budget that the federal govern-  
ment has agreed to finance the federal share of the project. Howev-
er with the approval of the director of the budget, projects may be  
designed prior to federal approval upon the written assurance by the  
commissioner of transportation that federal funds are likely to be  
forthcoming (17521214) ... 6,000,000 .............. (re. $6,000,000)

By chapter 54, section 1, of the laws of 2011:
For payment by the state of the federal share of the cost, including  
payment of liabilities incurred prior to April 1, 2011, of  
construction, reconstruction, alteration and rehabilitation of  
airport and aviation facilities at Republic airport, including the  
cost of acquisition of real property, the acquisition of equipment  
and other related incidental expenses thereto and for the federal  
share of consultant services in carrying out federally approved  
aviation studies.

Within the amount appropriated herein, authorization is granted to the  
department of transportation to enter into all necessary contracts  
and agreements, subject to the approval of the director of the budg-
et, to carry out the purposes of this appropriation.

Prior to requesting a certificate of approval of availability for any  
of the moneys authorized herein, the commissioner of transportation  
shall certify to the director of the budget that the federal govern-  
ment has agreed to finance the federal share of the project. Howev-
er with the approval of the director of the budget, projects may be  
designed prior to federal approval upon the written assurance by the  
commissioner of transportation that federal funds are likely to be  
forthcoming (17521114) ... 6,000,000 .............. (re. $5,487,000)

By chapter 55, section 1, of the laws of 2010:
For payment by the state of the federal share of the cost, including  
payment of liabilities incurred prior to April 1, 2010, of  
construction, reconstruction, alteration and rehabilitation of  
airport and aviation facilities at Republic airport, including the  
cost of acquisition of real property, the acquisition of equipment  
and other related incidental expenses thereto and for the federal  
share of consultant services in carrying out federally approved  
aviation studies.

Within the amount appropriated herein, authorization is granted to the  
department of transportation to enter into all necessary contracts  
and agreements, subject to the approval of the director of the budg-
et, to carry out the purposes of this appropriation.

Prior to requesting a certificate of approval of availability for any  
of the moneys authorized herein, the commissioner of transportation  
shall certify to the director of the budget that the federal govern-  
ment has agreed to finance the federal share of the project. Howev-
er with the approval of the director of the budget, projects may be  
designed prior to federal approval upon the written assurance by the

Capital Projects Funds - Other

Capital Projects Fund

Omnibus and Transit Purpose

By chapter 54, section 1, of the laws of 2017:

For state aid to municipal corporations for the preparation of
designs, plans, specifications and estimates, for the acquisition,
construction, reconstruction, and improvement of mass transportation
capital projects including the acquisition of real property, for
other mass transportation projects including local transportation
planning studies. Notwithstanding any inconsistent provisions of
law, the state share of such projects shall be 50 percent of the
non-federal share, but in no event shall the state share exceed 10
percent of project costs.

Notwithstanding any other provision of law, the commissioner of
transportation shall make available directly to the City of New York
(City) an amount commensurate with the state share of (i) federal
funds previously awarded to the City and reallocated to the
metropolitan transportation authority (MTA), and (ii) the federally
authorized level of financial assistance transferred by resolution
of the metropolitan planning organization (MPO) to the metropolitan
transportation authority (MTA) and credited to the City by the MTA
for capital expenses.

The state share of such reimbursement shall be 50 percent of the non-
federal share of the federally authorized level of financial
assistance transferred to the MTA, but in no event shall the state
share exceed 10 percent of project costs. Prior to requesting
reimbursement for projects progressed by the MTA on behalf of the
City, the City shall certify to the commissioner of transportation
that each eligible project progressed under this provision is
federally eligible and that the match amount requested does not
exceed the state share of the federally authorized level of
financial assistance. In addition, the City must provide an
application to the commissioner of transportation certifying that
the work to be funded under the project has been performed and that
the City has reimbursed the MTA for 100 percent of the match amount
for the project. Upon such application, the commissioner of
transportation shall review and approve eligible activities for
reimbursement.

Prior to requesting approval of a certificate of approval of
availability for the moneys hereby appropriated, the commissioner of
transportation shall certify that each omnibus project progressed
under the program has received federal approval.

Such certificate shall report the federally authorized level of
financial assistance (17OM1729) ... 18,500,000 ... (re. $18,500,000)

By chapter 55, section 1, of the laws of 2016:

For state aid to municipal corporations for the preparation of
designs, plans, specifications and estimates, for the acquisition,
construction, reconstruction, and improvement of mass transportation
capital projects including the acquisition of real property, for
other mass transportation projects including local transportation
planning studies. Notwithstanding any inconsistent provisions of
law, the state share of such projects shall be 50 percent of the
non-federal share, but in no event shall the state share exceed 10
percent of project costs.
Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the nonfederal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval. Such certificate shall report the federally authorized level of financial assistance (17OM1629) ... 18,500,000 ........ (re. $18,500,000)

By chapter 53, section 1, of the laws of 2015, as amended by chapter 55, section 1, of the laws of 2016:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the non-federal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the nonfederal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be
funded under the project has been performed and that the City has
reimbursed the MTA for 100 percent of the match amount for the
project. Upon such application, the commissioner of transportation
shall review and approve eligible activities for reimbursement.
Prior to requesting approval of a certificate of approval of avail-
ability for the moneys hereby appropriated, the commissioner of
transportation shall certify that each omnibus project progressed
under the program has received federal approval.
Such certificate shall report the federally authorized level of finan-
cial assistance (17OM1529) ... 18,500,000 ........ (re. $18,500,000)

By chapter 53, section 1, of the laws of 2014, as amended by chapter 55,
section 1, of the laws of 2016:
For state aid to municipal corporations for the preparation of
designs, plans, specifications and estimates, for the acquisition,
construction, reconstruction, and improvement of mass transportation
capital projects including the acquisition of real property, for
other mass transportation projects including local transportation
planning studies. Notwithstanding any inconsistent provisions of
law, the state share of such projects shall be 50 percent of the
nonfederal share, but in no event shall the state share exceed 10
percent of project costs.
Notwithstanding any other provision of law, the commissioner of trans-
portation shall make available directly to the City of New York
(City) an amount commensurate with the state share of (i) federal
funds previously awarded to the City and reallocated to the metro-
politan transportation authority (MTA), and (ii) the federally
authorized level of financial assistance transferred by resolution
of the metropolitan planning organization (MPO) to the metropolitan
transportation authority (MTA) and credited to the City by the MTA
for capital expenses.
The state share of such reimbursement shall be 50 percent of the
nonfederal share of the federally authorized level of financial
assistance transferred to the MTA, but in no event shall the state
share exceed 10 percent of project costs. Prior to requesting
reimbursement for projects progressed by the MTA on behalf of the
City, the City shall certify to the commissioner of transportation
that each eligible project progressed under this provision is feder-
ally eligible and that the match amount requested does not exceed
the state share of the federally authorized level of financial
assistance. In addition, the City must provide an application to
the commissioner of transportation certifying that the work to be
funded under the project has been performed and that the City has
reimbursed the MTA for 100 percent of the match amount for the
project. Upon such application, the commissioner of transportation
shall review and approve eligible activities for reimbursement.
Prior to requesting approval of a certificate of approval of avail-
ability for the moneys hereby appropriated, the commissioner of
transportation shall certify that each omnibus project progressed
under the program has received federal approval.
Such certificate shall report the federally authorized level of finan-
cial assistance (17OM1429) ... 18,500,000 ........ (re. $13,431,000)
The appropriation made by chapter 54, section 1, of the laws of 2013, as
amended by chapter 55, section 1, of the laws of 2016, is hereby
amended and reappropriated to read:
For state aid to municipal corporations for the preparation of
designs, plans, specifications and estimates, for the acquisition,
construction, reconstruction, and improvement of mass transportation
capital projects including the acquisition of real property, for
other mass transportation projects including local transportation
planning studies. Notwithstanding any inconsistent provisions of
Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the nonfederal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval.

Such certificate shall report the federally authorized level of financial assistance (17OM1329) ......................................... 17,740,294 .................................................. (re. $7,205,000)

The appropriation made by chapter 54, section 1, of the laws of 2012, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the nonfederal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the nonfederal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation...
that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval. Such certificate shall report the federally authorized level of financial assistance (17OM1229) ... [18,500,000] 11,709,313 ............. (re. $5,008,000)

The appropriation made by chapter 54, section 1, of the laws of 2011, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the nonfederal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval. Such certificate shall report the federally authorized level of financial assistance (17OM0729) ... [19,000,000] 3,272,225 ............. (re. $2,807,000)

The appropriation made by chapter 55, section 1, of the laws of 2006, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the nonfederal share, but in no event shall the state share exceed 10 percent of project costs.
Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the non-federal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval. Such certificate shall report the federally authorized level of financial assistance.

The appropriation made by chapter 55, section 1, of the laws of 2005, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies and liabilities incurred prior to April 1, 2005. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the non-federal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses. The state share of such reimbursement shall be 50 percent of the non-federal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an applica-
tion to the commissioner of transportation certifying that the work
to be funded under the project has been performed and that the City
has reimbursed the MTA for 100 percent of the match amount for the
project. Upon such application, the commissioner of transportation
shall review and approve eligible activities for reimbursement.
Prior to requesting approval of a certificate of approval of avail-
ability for the moneys hereby appropriated, the commissioner of
transportation shall certify that each omnibus project progressed
under the program has received federal approval. Such certificate
shall report the federally authorized level of financial assistance
(17OM0529) ... [24,000,000] 772,717 .................. (re. $759,000)
For state aid to municipal corporations for the preparation of
designs, plans, specifications and estimates, for the acquisition,
construction, reconstruction, and improvement of mass transportation
capital projects including the acquisition of real property, for
other mass transportation projects including local transportation
planning studies. Notwithstanding any inconsistent provisions of
law, the state share of such projects shall be 50 percent of the
nonfederal share, but in no event shall the state share exceed 10
percent of project costs.
Notwithstanding any other provision of law, the commissioner of trans-
portation shall make available directly to the City of New York
(City) an amount commensurate with the state share of (i) federal
funds previously awarded to the City and reallocated to the metro-
politan transportation authority (MTA), and (ii) the federally
authorized level of financial assistance transferred by resolution
of the metropolitan planning organization (MPO) to the metropolitan
transportation authority (MTA) and credited to the City by the MTA
for capital expenses. The state share of such reimbursement shall be
50 percent of the non-federal share of the federally authorized
level of financial assistance transferred to the MTA, but in no
event shall the state share exceed 10 percent of project costs.
Prior to requesting reimbursement for projects progressed by the MTA
on behalf of the City, the City shall certify to the commissioner of
transportation that each eligible project progressed under this
provision is federally eligible and that the match amount requested
does not exceed the state share of the federally authorized level of
financial assistance. In addition, the City must provide an applica-
tion to the commissioner of transportation certifying that the work
to be funded under the project has been performed and that the City
has reimbursed the MTA for 100 percent of the match amount for the
project. Upon such application, the commissioner of transportation
shall review and approve eligible activities for reimbursement.
Prior to requesting approval of a certificate of approval of avail-
ability for the moneys hereby appropriated, the commissioner of
transportation shall certify that each omnibus project progressed
under the program has received federal approval. Such certificate
shall report the federally authorized level of financial assistance
(17OM0529) ... [17,000,000] 406,613 .................. (re. $325,000)
The appropriation made by chapter 55, section 1, of the laws of 2004, as
amended by chapter 55, 1, of the laws of 2016, is hereby amended and
reappropriated to read:
For state aid to municipal corporations for the preparation of
designs, plans, specifications and estimates, for the acquisition,
construction, reconstruction, and improvement of mass transportation
capital projects including the acquisition of real property, for
other mass transportation projects including local transportation
planning studies and liabilities incurred prior to April 1, 2004.
Notwithstanding any inconsistent provisions of law, the state share of
such projects shall be 50 percent of the non-federal share, but in
no event shall the state share exceed 10 percent of project costs.
Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval. Such certificate shall report the federally authorized level of financial assistance.

The appropriation made by chapter 55, section 1, of the laws of 2003, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies and liabilities incurred prior to April 1, 2003.

The appropriation made by chapter 55, section 1, of the laws of 2002, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies and liabilities incurred prior to April 1, 2002.

The appropriation made by chapter 55, section 1, of the laws of 2001, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies and liabilities incurred prior to April 1, 2001.

The appropriation made by chapter 55, section 1, of the laws of 2000, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies and liabilities incurred prior to April 1, 2000.

The appropriation made by chapter 55, section 1, of the laws of 1999, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies and liabilities incurred prior to April 1, 1999.
The appropriation made by chapter 55, section 1, of the laws of 1998, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies and liabilities incurred prior to April 1, 1998 (17OM9829) ... ..... [10,489,000] 380,078 ........... (re. $380,000)

The appropriation made by chapter 55, section 1, of the laws of 1997, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies and liabilities incurred prior to April 1, 1997 (17OM9729) ... ..... [10,489,000] 434,519 ........... (re. $434,000)

The appropriation made by chapter 55, section 1, of the laws of 1996, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property and liabilities incurred prior to April 1, 1996 (17OM9629) ... ..... [12,200,000] 487,483 ........................ (re. $487,000)

The appropriation made by chapter 54, section 1, of the laws of 1994, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property and liabilities incurred prior to April 1, 1994 (17OM9429) ... ..... [19,427,000] 9,075,757 ........................ (re. $8,664,000)

The appropriation made by chapter 54, section 1, of the laws of 1993, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property and liabilities incurred prior to April 1, 1993 (17OM9329) ... ..... [11,052,000] 4,181,445 ........................ (re. $3,359,000)

The appropriation made by chapter 54, section 1, of the laws of 1986, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects notwithstanding any inconsistent provisions of law, including the acquisition of real property and liabilities incurred prior to April one, nineteen hundred eighty-six (17OS8629) ... ..... [9,700,000] 641,834 ........................ (re. $641,000)

Capital Projects Fund
Mass Transportation and Rail Freight Purpose

RAIL AND RAPID TRANSIT

By chapter 369, section 2, of the laws of 1979, as amended by chapter 54, section 3, of the laws of 1988, for:
The acquisition, construction, reconstruction, establishment, improvement and rehabilitation of urban, commuter and intercity rail passenger and rapid transit systems and rail freight capital facilities, for the acquisition of real property and interests in real property required or expected to be required therefor, and for any capital equipment to be used in connection therewith, including all costs incidental thereto in accordance with the following schedule:
(01395012) ... .................................... (re. $148,000)
The commissioner of transportation shall prepare and submit to the governor as part of his annual budget request submission a report which shall make findings and recommendations with respect to the state's intercity rail passenger service and rail service energy conservation programs. Such report shall include, in addition to any other information the commissioner shall determine appropriate, the following: (a) the impact and effectiveness of the state's programs to continue and preserve rail passenger and rail freight services, including federal and state operating subsidy payments actually made and projected to be made during each of the two next succeeding state fiscal years; and (b) the development of operating, pricing and fare guidelines and standards of service and equipment and facility maintenance standards that may be applied in evaluating the cost and quality of service on those rail lines receiving state and/or federal operating and/or capital assistance.

Capital Projects Funds - Other
Capital Projects Fund
Non-MTA Capital Purpose

By chapter 54, section 1, of the laws of 2017:
For the payment of the costs of mass transportation capital projects and facilities including replacement of buses meeting federal standards for replacement, related bus equipment and the acquisition, design and construction, including engineering and consulting costs, of mass transit bus garages or other mass transportation projects and facilities approved by the commissioner of transportation in a program of projects. Such funding may be part of a total project of which a portion is federally funded but shall not be used in substitution for the required non-federal matching

Notwithstanding the provisions of section 89-b of the state finance law, for the construction and improvement of passenger and rail freight projects including, but not limited to, the acquisition, construction, reconstruction, improvement or rehabilitation of any railroad capital facility and any capital improvement used in connection herewith, for contractual agreements entered into for
rail  passenger service, and for the acquisition of real property or
interests in real property required or expected to be required
therefor (17150641) ... 20,000,000 ................. (re. $3,317,000)

By chapter 55, section 1, of the laws of 2005:
Notwithstanding the provisions of section 89-b of the state finance
law, for the construction and improvement of passenger and rail
freight projects including, but not limited to, the acquisition, construction, reconstruction, improvement or rehabilitation of any railroad capital facility and any capital improvement used in connection herewith, for contractual agreements entered into for rail passenger service, and for the acquisition of real property or interests in real property required or expected to be required therefor (17150541) ... 20,000,000 ................. (re. $532,000)

By chapter 55, section 1, of the laws of 2004:
Notwithstanding the provisions of section 89-b of the state finance law, for the construction and improvement of passenger and rail freight projects including, but not limited to, the acquisition, construction, reconstruction, improvement or rehabilitation of any railroad capital facility and any capital improvement used in connection herewith, for contractual agreements entered into for rail passenger service, and for the acquisition of real property or interests in real property required or expected to be required therefor (17150441) ... 20,000,000 ................. (re. $3,466,000)

By chapter 55, section 1, of the laws of 2003:
Notwithstanding the provisions of section 89-b of the state finance law, for the construction and improvement of passenger and rail freight projects including, but not limited to, the acquisition, construction, reconstruction, improvement or rehabilitation of any railroad capital facility and any capital improvement used in connection herewith, for contractual agreements entered into for rail passenger service, and for the acquisition of real property or interests in real property required or expected to be required therefor (17150341) ... 20,000,000 ................. (re. $1,851,000)

By chapter 55, section 1, of the laws of 2000:
For the construction and improvement of passenger and rail freight projects including, but not limited to, the acquisition, construction, reconstruction, improvement or rehabilitation of any railroad capital facility and any capital improvement used in connection herewith, and for the acquisition of real property or interests in real property required or expected to be required therefore (17150041) ... 10,000,000 ................. (re. $557,000)

By chapter 55, section 1, of the laws of 1999, as amended by chapter 295, part A, section 1, of the laws of 2001:
For the state share of the construction and improvement of rail freight facilities identified by the department of transportation in a rail freight capital needs survey, including, but not limited to, the acquisition, construction, reconstruction, improvement or rehabilitation of any railroad capital facility and any capital improvement used in connection herewith, and for the acquisition of real property or interests in real property required or expected to be required therefore, in accordance with the following schedule. Project costs funded from this appropriation shall not exceed 80 percent of total project costs. In addition, projects to be funded from this appropriation shall comply with eligibility criteria established in program guidelines to be issued by the commissioner of transportation.
DEPARTMENT OF TRANSPORTATION

CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the budget (17159941) ...

13,000,000 ........................................ (re. $538,000)

Capital Projects Funds - Federal
Federal Capital Projects Fund
Mass Transportation and Rail Freight Purpose

RAIL AND RAPID TRANSIT

By chapter 54, section 1, of the laws of 1993, as added by chapter 259, section 4, of the laws of 1993:
For payment of the federal share of high speed ground transportation projects including high speed conventional rail, very high speed rail and magnetic levitation systems. The moneys hereby appropriated shall be used for the federal share of costs of any program aspect including, but not limited to, research, development, study, demonstration, implementation, operation, real property acquisition, construction, reconstruction, improvement and rehabilitation of any capital facility (17419312) ...

20,000,000 ........................................ (re. $12,309,000)

RAIL SERVICE PRESERVATION

By chapter 257, section 8, of the laws of 1975, as amended by chapter 54, section 5, of the laws of 1982:
The sum of fifty million dollars ($50,000,000) or so much thereof as may be necessary to accomplish the purpose designated, is hereby appropriated to the department of transportation from the capital projects fund in accordance with section ninety-three of the state finance law for payment by the state of the share of the federal government for acquisition, construction, reconstruction, improvement or rehabilitation by the state or a municipality of any railroad capital facility and any capital equipment used in connection therewith and for branch line operation and maintenance costs pursuant to the provisions of section fourteen-d or article ten-a of the transportation law (01393212) ...

(re. $7,264,000)

MASS TRANSPORTATION AND RAIL FREIGHT--BONDABLE (CCP)

Capital Projects Funds - Other
Capital Projects Fund - Infrastructure Renewable (Bondable)
Mass Transportation and Rail Freight Purpose

RAIL AND RAPID TRANSIT

By chapter 998, section 4, of the laws of 1983, as amended by chapter 54, section 3, of the laws of 1984:
For the cost of the preparation of designs, plans, specifications and estimates and for the acquisition of property and rehabilitation projects, for railroad capital facilities, mass transportation capital projects, excluding projects of the New York city transit authority, its subsidiaries, and the commuter railroads under the jurisdiction of the metropolitan transportation authority, notwithstanding any inconsistent provisions of law provided however that all such costs shall be made pursuant to the provisions of the rebuild New York through transportation infrastructure renewal bond act of 1983 and such costs shall be reimbursed from the infrastructure renewal bond fund (03064812) .................. (re. $178,000)
DEPARTMENT OF TRANSPORTATION
CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

1. Capital Projects Funds - Other
2. Capital Projects Fund - Infrastructure Renewable (Bondable)
3. Omnibus and Transit Bondable Purpose

By chapter 54, section 1, of the laws of 1990:
For payment to the department of transportation pursuant to the
provisions of the rebuild New York through transportation infra-
structure renewal bond act of 1983, for state aid to the Niagara
Frontier Transportation Authority for the preparation of designs,
plans, specifications and estimates, for the acquisition,
construction, reconstruction and improvement of mass transportation
capital projects including the acquisition of real property and
liabilities incurred prior to April 1, 1990 (17199040) ..............
1,840,000 ............................................ (re. $18,000)

By chapter 54, section 1, of the laws of 1988:
For payment to the department of transportation pursuant to the
provisions of the rebuild New York through transportation infra-
structure renewal bond act of 1983, for state aid to municipal corpo-
rations for the preparation of designs, plans, specifications and
estimates, for the acquisition, construction, reconstruction and
improvement of mass transportation capital projects including the
acquisition of real property and liabilities incurred prior to April
1, 1988, in accordance with the schedule shown below. The items
shown in the project schedule below shall be for projects with a
common purpose and may be interchanged without limitation subject to
the approval of the director of the budget. Prior to requesting approval of a certificate of approval of avail-
ability for the moneys hereby appropriated, the commissioner of
transportation shall certify that each project progressed under the
program listed in the schedule below has received federal approval
and the federally authorized level of financial assistance
(17198840) ... ..... 10,045,000 ................... (re. $859,000)

By chapter 54, section 1, of the laws of 1986:
For payment to the department of transportation pursuant to the
provisions of the rebuild New York through transportation infra-
structure renewal bond act of 1983, notwithstanding any inconsistent
provisions of law: (1) on behalf of the Niagara Frontier Transporta-
tion Authority to the extent needed to match federal funds to
finance the state share of construction of the Buffalo light rail
rapid transit (LRRT) project including the acquisition of real prop-

By chapter 54, section 1, of the laws of 1984, as amended by chapter 54,
section 3, of the laws of 1986:
For payment to the department of transportation pursuant to the
provisions of the rebuild New York through transportation infra-
structure renewal bond act of 1983, notwithstanding any inconsistent
provisions of law: (1) on behalf of the Niagara Frontier Transporta-
tion Authority to the extent needed to match federal funds to
finance the state share of construction of the Buffalo light rail
rapid transit (LRRT) project including the acquisition of real prop-

NEW YORK WORKS (CCP)

Capital Projects Funds - Other
Capital Projects Fund
Aviation Purpose

By chapter 54, section 1, of the laws of 2017:
For state aid to municipal corporations and private airports as authorized by section 14-h of the transportation law and for payment of the cost of projects at Stewart and Republic airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property and liabilities incurred prior to April 1, 2017. Prior to requesting approval of a certificate of approval of availability
for moneys appropriated, the commissioner of transportation shall
certify that each airport or aviation project progressed under the
program, other than state owned airports, has received federal
approval and the federally authorized level of financial assistance.
Funds from this appropriation may also be utilized for grants to
municipal corporations and private airports for the cost of projects
authorized by section 14-l of the transportation law, including the
acquisition of real property and liabilities incurred prior to April
1, 2017 (17551714) ... 12,500,000 ............... (re. $12,500,000)

For additional state aid to municipal corporations and private
airports as authorized by section 14-h of the transportation law and
for payment of the cost of projects at Stewart and Republic
airports, for the acquisition, construction, reconstruction, and
improvement of airport or aviation capital projects, including the
acquisition of real property and liabilities incurred prior to April
1, 2017. Prior to requesting approval of a certificate of approval
of availability for moneys appropriated, the commissioner of
transportation shall certify that each airport or aviation project
progressed under the program, other than state owned airports, has
received federal approval and the federally authorized level of
financial assistance. Funds from this appropriation may also be
utilized for grants to municipal corporations and private airports
for the cost of projects authorized by section 14-l of the
transportation law, including the acquisition of real property and
liabilities incurred prior to April 1, 2017 (17561714) .............
10,000,000 ........................................ (re. $10,000,000)

By chapter 55, section 1, of the laws of 2016:
For state aid to municipal corporations and private airports as
authorized by section 14-h of the transportation law and for payment
of the cost of projects at Stewart and Republic airports, for the
acquisition, construction, reconstruction, and improvement of
airport or aviation capital projects, including the acquisition of
real property and liabilities incurred prior to April 1, 2016. Prior
to requesting approval of a certificate of approval of availability
for moneys appropriated, the commissioner of transportation shall
certify that each airport or aviation project progressed under the
program, other than state owned airports, has received federal
approval and the federally authorized level of financial assistance.
Funds from this appropriation may also be utilized for grants to
municipal corporations and private airports for the cost of projects
authorized by section 14-l of the transportation law, including the
acquisition of real property and liabilities incurred prior to April
1, 2016 (17551614) ... 12,500,000 ............... (re. $12,500,000)

For state aid to municipal corporations, public authorities or public
benefit corporations, except a bi-state authority, and other owners
of public-use airports located in counties or cities with a popu-
lation of less than one million; for projects related to passenger
air service, cargo service, and commercial development, including
but not limited to the acquisition of real property; preparation of
designs, plans, specifications and estimates; environmental impact
statements; construction; construction management and supervision;
the contract services provided by private firms; demolition; recon-
struction; and improvement of airport or aviation-related facili-
ties. Eligible project costs may also include measures to enhance
connections to airports through roadway redesign; increased parking;
Improved public transportation service; and liabilities incurred
prior to April 1, 2016 (17AC1614) ......................... (re. $199,977,000)
1 By chapter 54, section 1, of the laws of 2015:
2 For state aid to municipal corporations and private airports as
3 authorized by section 14-h of the transportation law and for payment
4 of the cost of projects at Stewart and Republic airports, for the
5 acquisition, construction, reconstruction, and improvement of
6 airport or aviation capital projects, including the acquisition of
7 real property and liabilities incurred prior to April 1, 2015.
8 Prior to requesting approval of a certificate of approval of avail-
9 ability for moneys appropriated, the commissioner of transportation
10 shall certify that each airport or aviation project progressed under
11 the program, other than state owned airports, has received federal
12 approval and the federally authorized level of financial assistance.
13 Funds from this appropriation may also be utilized for grants to
14 municipal corporations and private airports for the cost of projects
15 authorized by section 14-l of the transportation law, including the
16 acquisition of real property and liabilities incurred prior to April
17 1, 2015 (17551514) ... 10,000,000 .................... (re. $9,964,000)
18
19 By chapter 54, section 1, of the laws of 2014:
20 For state aid to municipal corporations and private airports as
21 authorized by section 14-h of the transportation law and for payment
22 of the cost of projects at Stewart and Republic airports, for the
23 acquisition, construction, reconstruction, and improvement of
24 airport or aviation capital projects, including the acquisition of
25 real property and liabilities incurred prior to April 1, 2014.
26 Prior to requesting approval of a certificate of approval of avail-
27 ability for moneys appropriated, the commissioner of transportation
28 shall certify that each airport or aviation project progressed under
29 the program, other than state owned airports, has received federal
30 approval and the federally authorized level of financial assistance.
31 Funds from this appropriation may also be utilized for grants to
32 municipal corporations and private airports for the cost of projects
33 authorized by section 14-l of the transportation law, including the
34 acquisition of real property and liabilities incurred prior to April
35 1, 2014 (17551414) ... 10,000,000 .................... (re. $6,986,000)
36
37 By chapter 54, section 1, of the laws of 2013:
38 For state aid to municipal corporations and private airports as
39 authorized by section 14-h of the transportation law and for payment
40 of the cost of projects at Stewart and Republic airports, for the
41 acquisition, construction, reconstruction, and improvement of
42 airport or aviation capital projects, including the acquisition of
43 real property and liabilities incurred prior to April 1, 2013.
44 Prior to requesting approval of a certificate of approval of avail-
45 ability for moneys appropriated, the commissioner of transportation
46 shall certify that each airport or aviation project progressed under
47 the program, other than state owned airports, has received federal
48 approval and the federally authorized level of financial assistance.
49 Funds from this appropriation may also be utilized for grants to
50 municipal corporations and private airports for the cost of projects
51 authorized by section 14-l of the transportation law, including the
52 acquisition of real property and liabilities incurred prior to April
53 1, 2013 (17551314) ... 10,000,000 .................... (re. $3,708,000)

this appropriation may include but shall not be limited to
construction, reconstruction, reconditioning and preservation, and
the acquisition of property, and for engineering services, including
personal services, nonpersonal services, fringe benefits, and the
contract services provided by private firms, and including but not
limited to the preparation of designs, plans, specifications and
estimates; construction management and supervision; and appraisals,
surveys, testing and environmental impact statements for transporta-
tion projects (17LA1622) ... 150,000,000 ........ (re. $149,833,000)

For the payment of the costs, which shall be reimbursed from bond
proceeds, including the payment of liabilities incurred prior to
April 1, 2016, of state and local bridges, including work appurten-
ant and ancillary thereto. Project costs funded from this appropri-
ation may include but shall not be limited to construction, recon-
struction, reconditioning and preservation, and the acquisition of
property, and for engineering services, including personal services,
nonpersonal services, fringe benefits, and the contract services
provided by private firms, and including but not limited to the
preparation of designs, plans, specifications and estimates; construc-
tion management and supervision; and appraisals, surveys,
testing and environmental impact statements for transportation
projects (17BR1622) ... 150,000,000 ................ (re. $131,763,000)

By chapter 54, section 1, of the laws of 2015:
For the payment of the costs, which shall be reimbursed from bond
proceeds, including the payment of liabilities incurred prior to
April 1, 2015, of state highways, parkways, bridges, the New York
State Thruway, Indian reservation roads, and facilities, including
work appurtenant and ancillary thereto. Project costs funded from
this appropriation may include but shall not be limited to
construction, reconstruction, reconditioning and preservation, and
the acquisition of property, and for engineering services, including
personal services, nonpersonal services, fringe benefits, and the
contract services provided by private firms, and including but not
limited to the preparation of designs, plans, specifications and
estimates; construction management and supervision; and appraisals,
surveys, testing and environmental impact statements for transporta-
tion projects (17JS1522) ... 200,000,000 .......... (re. $53,821,000)

For the payment of the costs, which shall be reimbursed from bond
proceeds, including the payment of liabilities incurred prior to
April 1, 2015, of state highways, parkways, bridges, the New York
State Thruway, Indian reservation roads, and facilities, including
work appurtenant and ancillary thereto. Project costs funded from
this appropriation may include but shall not be limited to
construction, reconstruction, reconditioning and preservation, and
the acquisition of property, and for engineering services, including
personal services, nonpersonal services, fringe benefits, and the
contract services provided by private firms, and including but not
limited to the preparation of designs, plans, specifications and
estimates; construction management and supervision; and appraisals,
surveys, testing and environmental impact statements for transporta-
tion projects (17LA1522) ... 100,000,000 ........... (re. $84,145,000)

For the payment of the costs, which shall be reimbursed from bond
proceeds, including the payment of liabilities incurred prior to
April 1, 2015, of state and local bridges, including work appurten-
ant and ancillary thereto. Project costs funded from this appropri-
ation may include but shall not be limited to construction, recon-
struction, reconditioning and preservation, and the acquisition of
property, and for engineering services, including personal services,
nonpersonal services, fringe benefits, and the contract services
provided by private firms, and including but not limited to the
preparation of designs, plans, specifications and estimates;

Capital Projects Funds - Other

Dedicated Highway and Bridge Trust Fund

Industrial Access Purpose
By chapter 55, section 1, of the laws of 2004, as amended by chapter 55, section 1, of the laws of 2010:

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 2004. For the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed $1,000,000. All projects must be approved by the director of the budget prior to the obligation of the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for receiving of assistance including but not limited to the number of jobs created or maintained by the transportation improvement. Notwithstanding any inconsistent provision of law, the commissioner of transportation may waive the requirement to repay 40 percent of the cost of a project provided that private funds are dedicated to the cost of such industrial access project and related economic development for at least 40 percent of the total cost of the industrial access project and related economic development and the industrial access portion of such project's cost is greater than $2,000,000.

(17060479) ... 5,400,000 ....................... (re. $1,972,000)

By chapter 55, section 1, of the laws of 2003:

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 2003. For the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed $1,000,000. All projects must be approved by the director of the budget prior to the obligation of the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for
receiving of assistance including but not limited to the number of
jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of
transportation may waive the requirement to repay 40 percent of the
cost of a project provided that private funds are dedicated to the
cost of such industrial access project and related economic develop-
ment for at least 40 percent of the total cost of the industrial
access project and related economic development and the industrial
access portion of such project's cost is greater than $2,000,000
(17060379) ... 9,000,000 .......................... (re. $3,140,000)

By chapter 55, section 1, of the laws of 2002:
For the construction or improvement of highway, bridge and rail
freight projects related to industrial access, including the acqui-
sition of property and the payment of liabilities incurred prior to
April 1, 2002. For the payment of reimbursements to the engineering
services fund for the cost of the contract services provided by
private firms, including but not limited to the preparation of
designs, plans, specifications and estimates; construction manage-
ment and supervision; and appraisals, surveys, testing and environ-
mental impact statements for transportation projects. No funds shall
be allocated for such purposes until the commissioner of transporta-
tion enters into an agreement subject to the approval of the direc-
tor of the budget with any public or private entity for the repay-
ment of 40 percent of each project's costs disbursed from such
funds. Such agreement shall require repayment within 5 years of the
date of acceptance of the project by the department of transporta-
tion except that the repayment may occur over a period of up to 10
years when total project costs exceed $1,000,000. All projects must
be approved by the director of the budget prior to the obligation of
the moneys so appropriated.
The moneys so appropriated shall be made available pursuant to rules
and regulations promulgated by the commissioner of transportation
establishing the maximum amount of assistance to be provided for
each project and the information that must be provided by the entity
requesting assistance, establishing criteria for providing assist-
ance from the moneys so appropriated and including standards for
receiving of assistance including but not limited to the number of
jobs created or maintained by the transportation improvement.
Notwithstanding any inconsistent provision of law, the commissioner of
transportation may waive the requirement to repay 40 percent of the
cost of a project provided that private funds are dedicated to the
cost of such industrial access project and related economic develop-
ment for at least 40 percent of the total cost of the industrial
access project and related economic development and the industrial
access portion of such project's cost is greater than $2,000,000
(17060279) ... 9,000,000 ............................ (re. $291,000)
For the construction or improvement of highway, bridge and rail
freight projects related to industrial access, including the acqui-
sition of property and the payment of liabilities incurred prior to
April 1, 2002. For the payment of reimbursements to the engineering
services fund for the cost of the contract services provided by
private firms, including but not limited to the preparation of
designs, plans, specifications and estimates; construction manage-
ment and supervision; and appraisals, surveys, testing and environ-
mental impact statements for transportation projects. No funds shall
be allocated for such purposes until the commissioner of transporta-
tion enters into an agreement subject to the approval of the direc-
tor of the budget with any public or private entity for the repay-
ment of 40 percent of each project's costs disbursed from such
funds. Such agreement shall require repayment within 5 years of the
date of acceptance of the project by the department of transporta-
tion except that the repayment may occur over a period of up to 10
years when total project costs exceed $1,000,000. All projects must
be approved by the director of the budget prior to the obligation of
the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules
and regulations promulgated by the commissioner of transportation
establishing the maximum amount of assistance to be provided for
each project and the information that must be provided by the entity
requesting assistance, establishing criteria for providing assistance
from the moneys so appropriated and including standards for
receiving of assistance including but not limited to the number of
jobs created or maintained by the transportation improvement.

For the payment of the costs of projects from this appropriation as
set forth in a memorandum of understanding between the majority
leader of the senate and the speaker of the assembly or their design-
nee.

Notwithstanding any inconsistent provision of law, the commissioner of
transportation may waive the requirement to repay 40 percent of the
cost of a project provided that private funds are dedicated to the
cost of such industrial access project and related economic develop-
ment for at least 40 percent of the total cost of the industrial
access project and related economic development and the industrial
access portion of such project's cost is greater than $2,000,000
(17070279) ... 6,000,000 ......................... (re. $6,000,000)

By chapter 55, section 1, of the laws of 2000:

For the construction or improvement of highway, bridge and rail
freight projects related to industrial access, including the acqui-
sition of property and the payment of liabilities incurred prior to
April 1, 2000. For the payment of reimbursements to the engineering
services fund for the cost of the contract services provided by
private firms, including but not limited to the preparation of
designs, plans, specifications and estimates; construction manage-
ment and supervision; and appraisals, surveys, testing and environ-
mental impact statements for transportation projects. No funds shall
be allocated for such purposes until the commissioner of transporta-
tion enters into an agreement subject to the approval of the direc-
tor of the budget with any public or private entity for the repay-
ment of 40 percent of each project's costs disbursed from such
funds. Such agreement shall require repayment within 5 years of the
date of acceptance of the project by the department of transporta-
tion except that the repayment may occur over a period of up to 10
years when total project costs exceed $1,000,000. All projects must
be approved by the director of the budget prior to the obligation of
the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules
and regulations promulgated by the commissioner of transportation
establishing the maximum amount of assistance to be provided for
each project and the information that must be provided by the entity
requesting assistance, establishing criteria for providing assistance
from the moneys so appropriated and including standards for
receiving of assistance including but not limited to the number of
jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of
transportation may waive the requirement to repay 40 percent of the
cost of a project provided that private funds are dedicated to the
cost of such industrial access project and related economic develop-
ment for at least 40 percent of the total cost of the industrial
access project and related economic development and the industrial
access portion of such project's cost is greater than $2,000,000

DEPARTMENT OF TRANSPORTATION

CAPITAL PROJECTS - REAPPROPRIATIONS  2018-19

By chapter 55, section 1, of the laws of 1999:

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 1999. For the payment of reimbursements to the engineering services fund for the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed $1,000,000. All projects must be approved by the director of the budget prior to the obligation of the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for receiving of assistance including but not limited to the number of jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of transportation may waive the requirement to repay 40 percent of the cost of a project provided that private funds are dedicated to the cost of such industrial access project and related economic development for at least 40 percent of the total cost of the industrial access project and related economic development and the industrial access portion of such project's cost is greater than $2,000,000.

By chapter 55, section 1, of the laws of 1999, as amended by chapter 55, section 1, of the laws of 2000:

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 1999. For the payment of reimbursements to the engineering services fund for the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed $1,000,000. All projects must be approved by the director of the budget prior to the obligation of the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity
requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for receiving of assistance including but not limited to the number of jobs created or maintained by the transportation improvement.

For the payment of the costs of projects from this appropriation as set forth in a memorandum of understanding between the majority leader of the senate and the speaker of the assembly or their designees.

Notwithstanding any inconsistent provision of law, the commissioner of transportation may waive the requirement to repay 40 percent of the cost of a project provided that private funds are dedicated to the cost of such industrial access project and related economic development for at least 40 percent of the total cost of the industrial access project and related economic development and the industrial access portion of such project's cost is greater than $2,000,000

(17079979) ... 10,000,000 ......................... (re. $1,574,000)

By chapter 55, section 1, of the laws of 1998:

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 1998. For the payment of reimbursements to the engineering services fund for the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed $1,000,000. CAPITAL PROJECTS - REAPPROPRIATIONS  2018-19

Ities for which the responsibility is vested with the state department of transportation including work appurtenant and ancillary thereto, the cost of administrative services of the department of transportation and the cost of services provided by private firms; including the costs of preventive maintenance on state roads and bridges as defined in paragraph (a) of subdivision 1 of section 10-d of the highway law for contractual preventive maintenance services provided by private firms; and including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision, and appraisals, surveys, testing and environmental impact statements for transportation projects. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, preventive maintenance, and the acquisition of property.

With the approval of the director of the budget, the commissioner of transportation is authorized to enter into agreements with any municipality to finance local bridge projects through state nonfederally aided highway funds appropriated herein when the use of federal aid funds for such local bridge projects would not be cost effective and the federal aid and state matching funds saved as a result of the use of nonfederal aid funds for local bridge projects are made available for bridge projects on the state highway system. The total amount of non-federally aided highway funds made available for local bridge projects from this appropriation shall not exceed $2,500,000 in state fiscal year 2009-10.

The items shown in the schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the budget (17020922) ..............

sonal services, fringe benefits and the contractual services
provided by private firms (17049922) ...................................
346,818,000 .................................................. (re. $596,000)

By chapter 55, section 1, of the laws of 1998, as amended by chapter 55,
section 1, of the laws of 2003:
For the payment of the costs, including the payment of liabilities
incurred prior to April 1, 1998, of state highways, parkways, bridg-
es, the New York State Thruway, Indian reservation roads, and facili-
ties for which the responsibility is vested with the state depart-
ment of transportation including work appurtenant and ancillary
thereto and the payment of reimbursements to the engineering
services fund for the cost of administrative services of the depart-
ment of transportation and the cost of services provided by private
firms, including but not limited to the preparation of designs,
plans, specifications and estimates; construction management and
supervision; and appraisals, surveys, testing and environmental
impact statements for transportation projects (17029822) ...........
1,165,139,000 .................................................... (re. $6,034,000)
For the payment of costs, including the payment of liabilities
incurred prior to April 1, 1998, of preventive maintenance on state
roads and bridges as defined in paragraph (a) of subdivision 1 of
section 10-d of the highway law including personal services, nonper-
sonal services, fringe benefits and the contractual services
provided by private firms (17049822) ...................................
345,011,000 .................................................. (re. $2,153,000)

By chapter 55, section 1, of the laws of 1997, as amended by chapter 55,
section 1, of the laws of 2007:
For the payment of the costs, including the payment of liabilities
incurred prior to April 1, 1997, of state highways, parkways, bridg-
es, the New York State Thruway, Indian reservation roads, and facili-
ties for which the responsibility is vested with the state depart-
ment of transportation including work appurtenant and ancillary
thereto and the payment of reimbursements to the engineering
services fund for the cost of administrative services of the depart-
ment of transportation and the cost of services provided by private
firms, including but not limited to the preparation of designs,
plans, specifications and estimates; construction management and
supervision; and appraisals, surveys, testing and environmental
impact statements for transportation projects. Project costs funded
from this appropriation may include but shall not be limited to
construction, reconstruction, reconditioning and preservation, and
the acquisition of property.
With the approval of the director of the budget, the commissioner of
transportation is authorized to enter into agreements with any muni-
cipality to finance local bridge projects through state nonfederally
aided highway funds appropriated herein when the use of federal aid
funds for such local bridge projects would not be cost effective and
the federal aid and state matching funds saved as a result of the
use of nonfederal aid funds for local bridge projects are made
available for bridge projects on the state highway system. The total
amount of non-federally aided highway funds made available for local
bridge projects from this appropriation shall not exceed $2,500,000
in state fiscal year 1997-98 (17029722) .........................
915,748,000 .................................. (re. $4,213,000)

By chapter 55, section 1, of the laws of 1997, as amended by chapter 55,
section 1, of the laws of 2007:
For the payment of costs, including the payment of liabilities
incurred prior to April 1, 1997, of preventive maintenance on state
roads and bridges as defined in paragraph (a) of subdivision 1 of
section 10-d of the highway law including personal services, nonper-
sonal services, fringe benefits and the contractual services
provided by private firms.
The items shown in the project schedule below shall be for projects
with a common purpose and may be interchanged without limitation
subject to the approval of the director of the budget (17049722)
... ..... 278,668,000 ........................... (re. $1,872,000)

By chapter 55, section 1, of the laws of 1996, as amended by chapter
295, part A, section 1, of the laws of 2001:
For the payment of the costs, including the payment of liabilities
incurred prior to April 1, 1996, of state highways, parkways, bridg-
es, the New York State Thruway, Indian reservation roads, and facil-
ities for which the responsibility is vested with the state depart-
ment of transportation including work appurtenant and ancillary
thereto and the payment of reimbursements to the engineering
services fund for the cost of administrative services of the depart-
ment of transportation and the cost of services provided by private
firms, including but not limited to the preparation of designs,
plans, specifications and estimates; construction management and
supervision; and appraisals, surveys, testing and environmental
impact statements for transportation projects (17029622) ... ..... 779,430,000 .............................. (re. $952,000)

By chapter 54, section 1, of the laws of 1995, as amended by chapter 55,
section 1, of the laws of 2003:
For the payment of the costs, including the payment of liabilities
incurred prior to April 1, 1995, of state highways, parkways, bridg-
es, the New York State Thruway, Indian reservation roads, and facil-
ities for which the responsibility is vested with the state depart-
ment of transportation including work appurtenant and ancillary
thereto and the payment of reimbursements to the engineering
services fund for the cost of administrative services of the depart-
ment of transportation and the cost of services provided by private
firms, including but not limited to the preparation of designs,
plans, specifications and estimates; construction management and
supervision; and appraisals, surveys, testing and environmental
impact statements for transportation projects. Project costs funded
from this appropriation may include but shall not be limited to
construction, reconstruction, reconditioning and preservation, and
the acquisition of property.
With the approval of the director of the budget, the commissioner of
transportation is authorized to enter into agreements with any muni-
cipality to finance local bridge projects through state nonfederally
aided highway funds appropriated herein when the use of federal aid
funds for such local bridge projects would not be cost effective and

Bronx line through the Town of Pelham, Westchester County (17369321)
... 1,150,000 ......................... (re. $1,150,000)

OTHER TRANSPORTATION AID (CCP)

Capital Projects Funds - Other
Capital Projects Fund
Highway Aid Purpose

By chapter 54, section 1, of the laws of 2017:

For capital grants to municipalities under the municipal streets and
highways program for repayment of eligible costs of federal aid
municipal street and highway projects pursuant to section 15 of
chapter 329 of the laws of 1991, as added by section 9 of chapter
330 of the laws of 1991, as amended. The department of
transportation shall provide such information to the municipalities
as may be necessary to maintain the federal tax exempt status of any
bonds, notes, or other obligations issued by such municipalities to
provide for the non-federal share of the cost of projects pursuant
to chapter 330 of the laws of 1991 or section 80-b of the highway
law (17MA1721) ... 39,700,000 ................... (re. $39,595,000)

For capital grants to municipalities under the consolidated local
street and highway improvement program:
The sum of $379,300,000 to counties, cities, towns and villages for
reimbursement of eligible costs of local highway and bridge projects
pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991,
as added by section 9 of chapter 330 of the laws of 1991, as
amended. For the purposes of computing allocations to
municipalities, the amount distributed pursuant to section 16 of
chapter 329 of the laws of 1991 shall be deemed to be $125,540,000.
The amount distributed pursuant to section 16-a of chapter 329 of
the laws of 1991 shall be deemed to be $253,760,000. Notwithstanding
the provisions of any general or special law, the amounts deemed
distributed in accordance with section 16 of chapter 329 of the laws
of 1991 shall be adjusted so that such amounts will not be less than
86.579 percent of the "funding level" as defined in subdivision 5 of
section 10-c of the highway law for each such municipality. In order
to achieve the objectives of section 16 of chapter 329 of the laws
of 1991, to the extent necessary, the amounts in excess of 86.579
percent of the funding level to be deemed distributed to each
municipality under this subdivision shall be reduced in equal
proportion.
The sum of $58,797,000 to municipalities for reimbursement of eligible
costs of local highway and bridge projects pursuant to sections 16
and 16-a of chapter 329 of the laws of 1991, as added by section 9
of chapter 330 of the laws of 1991, as amended. For the purposes of
calculating allocations to municipalities, the amount distributed
pursuant to section 16 of chapter 329 of the laws of 1991 shall be
depended to be $19,460,000. The amount distributed pursuant to section
16-a of chapter 329 of the laws of 1991 shall be deemed to be
$39,337,000. Notwithstanding the provisions of any general or
special law, the amounts deemed distributed in accordance with
section 16 of chapter 329 of the laws of 1991 shall be adjusted so
that such amounts will not be less than 13.421 percent of the
"funding level" as defined in subdivision 5 of section 10-c of the
highway law for each such municipality. In order to achieve the
objectives of section 16 of chapter 329 of the laws of 1991, to the
extent necessary, the amounts in excess of 13.421 percent of the
funding level to be deemed distributed to each municipality under
this paragraph shall be reduced in equal proportion. To the extent
that the total of remaining payment allocations calculated herein
varies from $58,797,000, the payment amounts to each locality shall be
adjusted by a uniform percentage so that the total payments equal
$58,797,000.
Payments shall be made on the fifteenth day of June, September,
December and March (17CH1721) ... 438,097,000 ... (re. $436,906,000)
For capital grants to municipalities for extreme winter
recovery:
The sum of $65,000,000 to municipalities for reimbursement of eligible
costs of local highway and bridge projects pursuant to section 16-a
of chapter 329 of the laws of 1991, as added by section 9 of chapter
330 of the laws of 1991, as amended. For the purposes of computing
allocations to municipalities, the amount distributed pursuant to
section 16-a of chapter 329 of the laws of 1991 shall be deemed to
be $65,000,000. To the extent that the total of payment allocations
calculated herein varies from $65,000,000, the payment amounts to
each locality shall be adjusted by a uniform percentage so that the
total payments equal $65,000,000.
Payments shall be made on the fifteenth day of June, September,
December and March (17EW1721) ... 65,000,000 ..... (re. $64,242,000)

By chapter 55, section 1, of the laws of 2016:
For capital grants to municipalities under the municipal streets and
highways program for repayment of eligible costs of federal aid
municipal street and highway projects pursuant to section 15 of
chapter 329 of the laws of 1991, as added by section 9 of chapter
330 of the laws of 1991, as amended. The department of transporta-
tion shall provide such information to the municipalities as may be
necessary to maintain the federal tax exempt status of any bonds,
notes, or other obligations issued by such municipalities to provide
for the non-federal share of the cost of projects pursuant to chap-
ter 330 of the laws of 1991 or section 80-b of the highway law
(17MA1621) ... 39,700,000 ....................... (re. $39,700,000)
For capital grants to municipalities under the consolidated local street and highway improvement program:

The sum of $379,300,000 to counties, cities, towns and villages for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be $125,540,000. For capital grants to municipalities for extreme winter recovery:

The sum of $40,000,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to section 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing
allocations to municipalities, the amount distributed pursuant to
section 16-a of chapter 329 of the laws of 1991 shall be deemed to
be $40,000,000. To the extent that the total of payment allocations
calculated herein varies from $40,000,000, the payment amounts to
each locality shall be adjusted by a uniform percentage so that the
total payments equal $40,000,000.
Payments shall be made on the fifteenth day of June, September, Decem-
ber and March (17EW1421) ... 40,000,000 ............... (re. $794,000)

By chapter 54, section 1, of the laws of 2014, as amended by chapter 54,
section 1, of the laws of 2015:
For capital grants to municipalities pursuant to annual program
authorizations enacted and effective prior to April 1, 2014 under
the municipal streets and highways program for repayment of eligible
costs of federal aid municipal street and highway projects pursuant
to section 15 of chapter 329 of the laws of 1991, as added by
section 9 of chapter 330 of the laws of 1991, as amended. The
department of transportation shall provide such information to the
municipalities as may be necessary to maintain the federal tax
exempt status of any bonds, notes, or other obligations issued by
such municipalities to provide for the non-federal share of the cost
of projects pursuant to chapter 330 of the laws of 1991 or section
80-b of the highway law (17MR1421).................................
217,097,000 ...................................... (re. $76,551,000)
For capital grants to municipalities pursuant to annual program
authorizations enacted and effective prior to April 1, 2014, in
relation to the consolidated local street and highway improvement
program in section 10-c of the highway law and sections 16 and 16-a
 provision of law contained in such annual program authorization,
payments pursuant to this appropriation shall be made from the state
capital projects fund.
Payments shall be made on the fifteenth day of June, September, Decem-
ber and March (17CR1421) ... 110,803,000 ............ (re. $2,137,000)
For capital grants to municipalities pursuant to annual program
authorizations enacted and effective prior to April 1, 2014, in
relation to the multi-modal program in section 14-k of the transpor-
tation law. Notwithstanding any contrary provision of law contained
in such annual program authorization, payments pursuant to this
appropriation shall be made from the state capital projects fund
(17MM1421) ... 47,123,000 ......................... (re. $41,394,000)

The items in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget (17198515) ... ........................................ (re. $3,000)

PRIORITY BOND ACT PROJECTS (CCP)
Capital Projects Funds - Other
Capital Projects Fund - Infrastructure Renewal (Bondable)
Priority Bond Act Purpose

By chapter 54, section 1, of the laws of 1984, as amended by chapter 259, section 6, of the laws of 1993:
For the costs pursuant to the provisions of the rebuild New York through transportation infrastructure renewal bond act of 1983, of the cost of capital projects to be reimbursed from bond fund proceeds for the improvement of highways, parkways, commuter parking facilities, and other highway facilities including bridges, other structures, and appurtenances.
Project costs funded from this appropriation may include, but shall not necessarily be limited to, preliminary planning and feasibility studies; survey and design; acquisition of property, construction, reconstruction, reconditioning and preservation; the contract engineering services provided by private firms. No expenditures shall be
made from this appropriation for personal services and expenses
other than consulting services.

The items in the schedule below are projects with a common purpose and
as such, may be interchanged without limitation.

Notwithstanding any other provision of the law, the commissioner of
transportation is authorized to acquire all necessary land not on
the state highway system for the purpose of highway projects at the
request of the locality under whose jurisdiction the project is
constructed or reconstructed.

Funds from this appropriation may be made available for the payment of
liabilities incurred prior to April one, nineteen hundred eighty-four but not for the payment of liabilities incurred prior to Novem-
ber eight, nineteen hundred eighty-three (17288424) ............ (re. $7,056,000)

RAIL FREIGHT (CCP)

Capital Projects Funds - Other
Capital Projects Fund
Mass Transportation and Rail Freight Purpose

By chapter 54, section 2, of the laws of 1992:

For advance payment of the Port Authority of New York and New Jersey's
share of the cost of acquisition and construction of the South Bronx
oak point link subject to a written repayment agreement entered into
by the Authority and the commissioner of transportation and approved
by the director of the budget, such repayment agreement to include a
repayment schedule which states the date or dates on which the
authority will be notified of advance payments made and the date or
dates on which the advance shall be repaid to the state and such
other terms and conditions as determined by the director of the
budget. The authority shall reimburse the State of New York in full
for all moneys advanced by the state from this appropriation within
30 days of the date of such notification (17779212) ................
64,050,000 ....................................... (re. $17,433,000)

For advance payment of the city of New York's share of the cost of
acquisition and construction of the South Bronx oak point link
subject to a written repayment agreement entered into by the city of
New York and the commissioner of transportation and approved by the
director of the budget, such repayment agreement to include a repay-
ment schedule which states the date or dates on which the city will
be notified of advance payments made and the date or dates on which
the advance shall be repaid to the state and such other terms and
conditions as determined by the director of the budget. The commis-
sioner of transportation, or such other person as the commissioner
shall designate, shall notify the city of New York in accordance
with a schedule to be determined in the repayment agreement of
payments made from this appropriation for the construction of the
South Bronx oak point link. The city of New York shall reimburse the
state of New York in full for all moneys advanced by the state from
this appropriation within 30 days of the date of such notification.

In the event that the city shall fail to make payment to the state for
any payment due and owing in accordance with the repayment agreement
entered into by the commissioner and the city of New York, the
commissioner or such other person as the commissioner shall desig-
nate shall certify to the state comptroller the amount due and owing
the state at the end of each period as specified in the repayment
agreement for which such amounts have been advanced by the state
from this appropriation and the state comptroller shall withhold an
equivalent amount from the next succeeding state aid allocated to
the city from highway aid, the motor fuel tax and the motor vehicle
registration fee distributed pursuant to section 10-c of the highway
law, or per capita local assistance pursuant to section 54 of the state finance law subject to the following limitations: prior to withholding amounts due the state from the city, the comptroller shall pay in full any amount due the state of New York municipal bond bank agency, on account of the city's obligation to such agency; the city university construction fund, pursuant to the provisions of the city university construction fund act, the New York City Housing Development Corporation, pursuant to the provisions of the New York City Housing Development Corporation act (article 12 of the private housing finance law); the transit construction fund, pursuant to the provisions of title 9-a of article 5 of the public authorities law; and, pursuant to section 92-e of the state finance law, any amounts necessary for payments to holders of bonds or notes as certified by the municipal assistance corporation for the city of New York created under article 10 of the public authorities law. The comptroller shall give the director of the budget notification of any such payment. Such amount or amounts so withheld by the state comptroller shall be used for the repayment of the state advances hereby authorized. When such amount or amounts are received by the state, it shall credit such amounts against any amounts due and owing by the city on whose account such was withheld and paid (17789212) ... 18,210,000 ................ (re. $3,927,000)

The appropriation made by chapter 54, section 1, of the laws of 1992, as amended by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:

For payment of the state share of the cost of acquisition and construction of the South Bronx Oak Point Link subject to agreements entered into by the commissioner of transportation with the Port Authority of New York and New Jersey and the City of New York and approved by the director of the budget, and to remove clearance restrictions north of Highbridge Yard (17OP9212) ................. [11,040,000] 1,291,890 .................. (re. $1,291,000)

Capital Projects Fund - Infrastructure Renewal (Bondable)
Rail Service Preservation Purpose

By chapter 54, section 1, of the laws of 1985, as amended by chapter 54, section 3, of the laws of 1992:

For payment of the state share of the costs of the acquisition, construction, reconstruction, improvement or rehabilitation of any railroad capital facility and any capital improvement used in connection therewith, for the acquisition of real property or interests in real property required or expected to be required therefor, pursuant to the provisions of the Rebuild New York Through the Transportation Infrastructure Renewal Bond Act of 1983, notwithstanding any inconsistent provisions of law, and pursuant to the provisions of section fourteen-d of the transportation law, as the commissioner may elect for the purpose of improving freight service, and including all costs incidental thereto in accordance with the following schedule.

The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget (17148541) ... ...... 21,000,000 ................ (re. $120,000)
By chapter 54, section 8, of the laws of 1980, as amended by chapter 55, section 1, of the laws of 1996:
The sum of four hundred million dollars ($400,000,000) or so much thereof as may be necessary is hereby appropriated from the rail preservation and development fund pursuant to the energy conservation through improved transportation bond act of nineteen hundred seventy-nine for payment to the capital projects fund for disbursements from such fund pursuant to an appropriation for acquisition, construction, reconstruction, establishment, improvement and rehabilitation of urban, commuter and intercity rail passenger and rapid transit systems and rail freight capital facilities, for the acquisition of real property and interests in real property required or expected to be required therefor and for any capital equipment to be used in connection therewith, including all costs incidental thereto.

Notwithstanding the provisions of any general or special law, no moneys shall be available from the rail preservation and development fund until a certificate of approval of availability shall have been issued by the director of the budget, and a copy of such certificate filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee. Such certificate may be amended from time to time by the director of the budget, and a copy of each such amendment shall be filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee. The director of the budget is hereby authorized to designate to the state comptroller specific appropriations made from the projects fund for purposes for which rail preservation and development fund expenditures are authorized. The state comptroller shall at the commencement of each month certify to the director of the budget, the chairman of the senate finance committee and the chairman of the assembly ways and means committee, the amounts disbursed from the appropriations designated by the director of the budget from the capital projects fund for these disbursements pursuant to appropriations from such fund for such purposes for the month preceding such certification and such certifications shall not exceed in the aggregate the moneys hereby appropriated ($149,000,000) .......

By chapter 50, section 1, of the laws of 1980, as amended by chapter 55, section 1, of the laws of 1996:
The sum of one hundred million dollars ($100,000,000) or so much thereof as may be necessary is hereby appropriated from the rail preservation and development fund pursuant to the energy conservation through improved transportation bond act of nineteen hundred seventy-nine for payment to the local assistance account for disbursements from such fund pursuant to an appropriation for the reconstruction, improvement, reconditioning and preservation of highways and bridges of the state highway system, for the acquisition of real property and interest in real property required or expected to be required therefor by any county, city, town or village, or two or more of the foregoing acting jointly.

Notwithstanding the provisions of any general or special law, no moneys shall be available from the rail preservation and development fund until a certificate of approval of availability shall have been issued by the director of the budget, and a copy of such certificate filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee. Such certificate may be amended from time to time by the director of the budget, and a copy of each such amendment shall be filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee. The director of the budget is hereby authorized to designate to the state comptroller specific appropriations made from the projects fund for purposes for which rail preservation and development fund expenditures are authorized. The state comptroller shall at the commencement of each month certify to the director of the budget, the chairman of the senate finance committee and the chairman of the assembly ways and means committee, the amounts disbursed from the appropriations designated by the director of the budget from the capital projects fund for these disbursements pursuant to appropriations from such fund for such purposes for the month preceding such certification and such certifications shall not exceed in the aggregate the moneys hereby appropriated ($149,000,000) .......

REBUILD AND RENEW NEW YORK TRANSPORTATION (CCP)

Capital Projects Funds - Other
Rebuild and Renew New York Transportation Fund
Bond Proceeds Purpose

By chapter 55, section 1, of the laws of 2005:
The sum of $2,900,000,000, or so much thereof as may be necessary and
available, is hereby appropriated from the rebuild and renew New
York transportation fund as established by section 97-eeee of the
state finance law in accordance with the provisions of such section,
for payment to the capital projects fund in order to reimburse such
fund for disbursements certified by the state comptroller as bonda-
able under the provisions of the rebuild and renew New York transpor-
tation bond act of 2005.
The director of the budget is hereby authorized to designate to the
state comptroller specific appropriations made from the capital
projects fund for purposes for which rebuild and renew New York
transportation fund expenditures are authorized. The state comp-
troller shall at the commencement of each month certify to the
director of the budget, the chairman of the senate finance commit-
tee, and the chairman of the assembly ways and means committee, the
amounts disbursed from the appropriations so designated by the
director of the budget from the capital projects fund for such
purposes for the month preceding such certification and such certifi-
cations shall not exceed in the aggregate the moneys hereby appro-
priated. A copy of each such certificate shall also be delivered to
state departments and agencies to which such capital projects fund
appropriations are made available.
Notwithstanding the provisions of any general or special law, no
moneys shall be available from the rebuild and renew New York trans-
portation fund until a certificate of approval of availability shall
have been issued by the director of the budget, and a copy of such
certificate of approval filed with the state comptroller, the chair-
man of the senate finance committee and the chairman of the assembly
ways and means committee. Such certificate may be amended from time
to time by the director of the budget, and a copy of each such
amendment shall be filed with the state comptroller, the chairman of
the senate finance committee and the chairman of the assembly ways
and means committee (17010510) ..............................

CAPITAL PROJECTS - REAPIPPROPRIATIONS 2018-19

By chapter 54, section 1, of the laws of 1991:
For the costs, pursuant to the provisions of the accelerated capacity
and transportation improvements of the nineties bond act, of capital
projects, advanced with or without federal aid, to be reimbursed
from bond fund proceeds for the improvement of state highways, thru-
ways and other highway facilities including bridges, other struc-
tures, and appurtenances.

For 80 percent of the costs of capital local bridge projects advanced
pursuant to the provisions of the accelerated capacity and transpor-
tation improvements of the nineties bond act. The remaining 20
percent share of project costs shall be paid by the municipality
under whose jurisdiction the project is constructed, reconstructed
or rehabilitated.

Project costs funded from this appropriation may include, but shall
not be limited to, construction, reconstruction, reconditioning and
preservation, and the acquisition of property.

For the payment of reimbursements to the engineering services fund for
the cost of the engineering services of the department of transpor-
tation, including fringe benefits, and the contract services
provided by private firms, for activities including but not limited
to the preparation of designs, plans, specifications and estimates;
construction management and supervision; and appraisals, surveys,
testing and environmental impact statements for transportation
projects.

Notwithstanding any other provision of law, the commissioner of trans-
portation is authorized to acquire any necessary land not on the
state highway system for the purpose of local bridge projects
financed through this appropriation at the request of the locality
under whose jurisdiction the project is constructed, reconstructed
or rehabilitated.

The items shown in the project schedule below shall be for projects
with a common purpose and may be interchanged without limitation
subject to the approval of the director of the division of the budg-
et.

Funds from this appropriation may be made available for the payment of
liabilities incurred prior to April 1, 1991 (17F19122) ................
660,400,000 .................................................................. (re. $7,119,000)

For the costs, pursuant to the provisions of the accelerated capacity
and transportation improvements of the nineties bond act, of capital
projects, advanced with or without federal aid, to be reimbursed
from bond fund proceeds for the improvement of state highways, thru-
ways and other highway facilities including bridges, other struc-
tures, and appurtenances.

Project costs funded from this appropriation may include, but shall
not be limited to, construction, reconstruction, reconditioning and
preservation, and the acquisition of property.

For the payment of reimbursements to the engineering services fund for
the cost of the engineering services of the department of transpor-
tation, including fringe benefits, and the contract services
provided by private firms, for activities including but not limited
to the preparation of designs, plans, specifications and estimates;
construction management and supervision; and appraisals, surveys,
testing and environmental impact statements for transportation
projects.

Notwithstanding any other provision of law, the commissioner of trans-
portation is authorized to acquire any necessary land not on the
state highway system for the purpose of local bridge projects
financed through this appropriation at the request of the locality
under whose jurisdiction the project is constructed, reconstructed
or rehabilitated.
The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Funds from this appropriation may be made available for the payment of liabilities incurred prior to April 1, 1991 (17F19122) ... ........

1,716,000 .......................................................... (re. $1,716,000)

By chapter 54, section 1, of the laws of 1990, as amended by chapter 947, section 6, of the laws of 1990:

For the costs, pursuant to the provisions of the accelerated capacity and transportation improvements of the nineties bond act, of capital projects to be reimbursed from bond fund proceeds for the improvement of state highways, thruways and other highway facilities including bridges, other structures, and appurtenances.

Notwithstanding any other provisions of law, the New York State Thruway shall be considered a state highway for the purposes of this appropriation. Prior to the approval of a certificate of approval of availability for projects advanced by the New York State Thruway Authority, the director of the budget shall approve a repayment agreement between the department of transportation and the New York State Thruway Authority. The state comptroller is hereby authorized and directed to deposit repayments from the Thruway Authority pursuant to such agreement to the credit of the capital projects fund.

For 80 percent of the costs of capital local bridge projects advanced pursuant to the provisions of the accelerated capacity and transportation improvements of the nineties bond act. The remaining 20 percent share of project costs shall be paid by the municipality under whose jurisdiction the project is constructed, reconstructed or rehabilitated.

Project costs funded from this appropriation may include, but shall not be limited to, construction, reconstruction, reconditioning and preservation, and the acquisition of property.

For the payment of reimbursements to the engineering services fund for the cost of the engineering services of the department of transportation, including fringe benefits, and the contract services provided by private firms, for activities including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects.

Notwithstanding any other provision of law, the commissioner of transportation is authorized to acquire any necessary land not on the state highway system for the purpose of local bridge projects financed through this appropriation at the request of the locality under whose jurisdiction the project is constructed, reconstructed or rehabilitated.

The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Funds from this appropriation may be made available for the payment of liabilities incurred prior to April 1, 1990 (17F19022) ... ........

617,900,000 .......................................................... (re. $2,586,000)

By chapter 54, section 1, of the laws of 1989:

For the costs, pursuant to the provisions of the accelerated capacity and transportation improvements of the nineties bond act of 1988, of capital projects to be reimbursed from bond fund proceeds for the improvement of state highways, and other highway facilities including bridges, other structures, and appurtenances.
For 80 percent of the costs of capital local bridge projects advanced pursuant to the provisions of the accelerated capacity and transportation improvements of the nineties bond act of 1988. The remaining 20 percent share of project costs shall be paid by the municipality under whose jurisdiction the project is constructed, reconstructed or rehabilitated. Project costs funded from this appropriation may include, but shall not be limited to, construction, reconstruction, reconditioning and preservation, and the acquisition of property. For the payment of reimbursements to the engineering services fund for the cost of the engineering services of the department of transportation, including fringe benefits, and the contract services provided by private firms, for activities including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. 715,219,000 ........................................... (re. $838,000)

By chapter 261, section 57, of the laws of 1988, as amended by chapter 54, section 3, of the laws of 1989: The sum of four hundred seventy million dollars ($470,000,000), is hereby appropriated from the capital projects fund to the department of transportation for the cost of state highway capital projects advanced with or without federal aid including bridges, other structures and appurtenances and municipal bridge improvements advanced pursuant to the accelerated capacity and transportation improvements of the nineties bond act. This appropriation shall be reimbursed from proceeds from the issuance of bonds pursuant to section fifty of chapter 261, of the laws of nineteen hundred eighty-eight. Project costs funded from this appropriation may include, but shall not be limited to, preliminary planning and feasibility studies; survey and design; acquisition of property; construction, reconstruction, capacity improvement, replacement, reconditioning and preservation; the supervision and inspection thereof; and the cost of engineering services provided by private firms. No expenditure shall be made from this appropriation for personal services and expenses other than consulting services. Notwithstanding the provisions of any general or special law, no moneys shall be available from the accelerated capacity and transportation improvements fund until a certificate of approval of availability shall have been issued by the director of the budget, and a copy of such certificate filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee. Such certificate may be amended from time to time by the director of the budget, and a copy of each such amendment shall be filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee (17658811) ......................... (re. $1,369,000)
DEPARTMENT OF TRANSPORTATION
CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

SMALL AND MINORITY AND WOMEN OWNED SMALL BUSINESS ASSISTANCE (CCP)

Capital Projects Funds - Other
Capital Projects Fund
Mass Transit Purpose

By chapter 54, section 1, of the laws of 1993, as amended by chapter 55, section 1, of the laws of 2016:
For services and expenses of a bonding guarantee assistance program for transportation-related purposes pursuant to section 1838 of the public authorities law enacted pursuant to chapter 56 of the laws of 1993. The director of the budget may apportion all or a portion of these funds to the job development authority (17BG93MT) ............ 3,500,000 ......................................... (re. $3,500,000)
For services and expenses of a revolving fund for working capital loans to small and minority and women-owned firms engaged in transportation construction and reconstruction projects. The director of the budget may apportion all or a portion of these funds to the urban development corporation (17WC93MT) ......................... 1,500,000 ......................................... (re. $1,500,000)

Capital Projects Funds - Other
Dedicated Highway and Bridge Trust Fund
Non-Federal Aided Highway Purpose

By chapter 54, section 1, of the laws of 1993, as amended by chapter 259, section 4, of the laws of 1993:
For services and expenses of a bonding guarantee assistance program for transportation related purposes pursuant to section 1838 of the public authorities law enacted pursuant to chapter 56 of the laws of 1993. For payment to the Onondaga County Industrial Development Agency for design and installation of new trackage and station platforms, track realignment, track rehabilitation, track removal, and other related work, including bridgework and right-of-way purchases for the Syracuse Intermodal Center ......................... 1,500,000

For payment to the Onondaga County Industrial Development Agency for services and expenses of the Syracuse Intermodal Center including but not limited to construction ...... 400,000

For payment to the Central New York Regional Transportation Authority for services and expenses of the Syracuse Intermodal Center including but not limited to rail improvements .......................... 300,000
By chapter 55, section 1, of the laws of 2009:
For the costs, pursuant to the rebuild and renew New York transportation bond act of 2005 and article 22 of the transportation law, of capital projects to be reimbursed from bond fund proceeds for the planning and design, construction, reconstruction, replacement, improvement, reconditioning, rehabilitation and preservation, including the acquisition of real property and interests therein required or expected to be required in connection therewith, of airports and aviation facilities, equipment and related projects exclusive of those airports and facilities under the jurisdiction of the port authority of New York and New Jersey or operated by the state of New York.

Costs may include highways and bridges either on or off the state highway system necessary or reasonably expected to be necessary as a project component or incidental to projects otherwise authorized herein and by the rebuild and renew New York transportation bond act of 2005.
For payment of engineering services, including reimbursements to the dedicated highway and bridge trust fund of the department of transportation, including but not limited to personal services, nonpersonal services, fringe benefits, and the contract services provided by private firms, for activities including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation.
For the payment of liabilities incurred prior to April 1, 2009 (17030914) ... 16,400,000 ......................... (re. $2,394,000)

By chapter 55, section 1, of the laws of 2008:
For the costs, pursuant to the rebuild and renew New York transportation bond act of 2005 and article 22 of the transportation law, of capital projects to be reimbursed from bond fund proceeds for the planning and design, construction, reconstruction, replacement, improvement, reconditioning, rehabilitation and preservation, including the acquisition of real property and interests therein required or expected to be required in connection therewith, of airports and aviation facilities, equipment and related projects exclusive of those airports and facilities under the jurisdiction of the port authority of New York and New Jersey or operated by the state of New York.
Costs may include highways and bridges either on or off the state highway system necessary or reasonably expected to be necessary as a project component or incidental to projects otherwise authorized herein and by the rebuild and renew New York transportation bond act of 2005.
For payment of engineering services, including reimbursements to the dedicated highway and bridge trust fund of the department of transportation, including but not limited to personal services, nonpersonal services, fringe benefits, and the contract services provided by private firms, for activities including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation.
For the payment of liabilities incurred prior to April 1, 2008 (17030814) ... 15,000,000 ......................... (re. $3,742,000)
By chapter 55, section 1, of the laws of 2007:

For the costs, pursuant to the rebuild and renew New York transportation bond act of 2005 and article 22 of the transportation law, of capital projects to be reimbursed from bond fund proceeds for the planning and design, construction, reconstruction, replacement, improvement, reconditioning, rehabilitation and preservation, including the acquisition of real property and interests therein required or expected to be required in connection therewith, of airports and aviation facilities, equipment and related projects exclusive of those airports and facilities under the jurisdiction of the port authority of New York and New Jersey or operated by the state of New York. Costs may include highways and bridges either on or off the state highway system necessary or reasonably expected to be necessary as a project component or incidental to projects otherwise authorized herein and by the rebuild and renew New York transportation bond act of 2005.

For payment of engineering services, including reimbursements to the dedicated highway and bridge trust fund of the department of transportation, including but not limited to personal services, nonpersonal services, fringe benefits, and the contract services provided by private firms, for activities including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation.

For the payment of liabilities incurred prior to April 1, 2007 (17030714) ... 15,000,000 ........................... (re. $1,776,000)

By chapter 55, section 1, of the laws of 2006:

For the costs, pursuant to the rebuild and renew New York transportation bond act of 2005 and article 22 of the transportation law, of capital projects to be reimbursed from bond fund proceeds for the planning and design, construction, reconstruction, replacement, improvement, reconditioning, rehabilitation and preservation, including the acquisition of real property and interests therein required or expected to be required in connection therewith, of airports and aviation facilities, equipment and related projects exclusive of those airports and facilities under the jurisdiction of the port authority of New York and New Jersey or operated by the state of New York.

Costs may include highways and bridges either on or off the state highway system necessary or reasonably expected to be necessary as a project component or incidental to projects otherwise authorized herein and by the rebuild and renew New York transportation bond act of 2005.

For payment of engineering services, including reimbursements to the dedicated highway and bridge trust fund of the department of transportation, including but not limited to personal services, nonpersonal services, fringe benefits, and the contract services provided by private firms, for activities including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation.

For the payment of liabilities incurred prior to April 1, 2006 (17030614) ... 15,000,000 ........................... (re. $636,000)

By chapter 55, section 1, of the laws of 2005:

For the costs, pursuant to the rebuild and renew New York transportation bond act of 2005 and article 22 of the transportation law, of capital projects to be reimbursed from bond fund proceeds for the planning and design, construction, reconstruction, replacement, improvement, reconditioning, rehabilitation and preservation, including the acquisition of real property and interests therein
required or expected to be required in connection therewith, of
airports and aviation facilities, equipment and related projects
exclusive of those airports and facilities under the jurisdiction of
the port authority of New York and New Jersey or operated by the
state of New York.

The funds made available through this appropriation shall be utilized
for the payment of the costs of eligible projects in accordance with
a memorandum of understanding entered into between the governor, the
majority leader of the senate and the speaker of the assembly, or
their designees, pursuant to article 22 of the transportation law.

Costs may include highways and bridges either on or off the state
highway system necessary or reasonably expected to be necessary as a
project component or incidental to projects otherwise authorized
herein and by the rebuild and renew New York transportation bond act
of 2005.

For engineering services of the department of transportation, includ-
ing personal services, nonpersonal services, fringe benefits and the
contract services provided by private firms, including, but not
limited to, the preparation of designs, plans, specifications and
estimates; construction management and supervision; and appraisals,
surveys, testing and environmental impact statements for transporta-
tion.

No part of this appropriation shall be made available for the payment
of liabilities incurred prior to the approval of the rebuild and
renew New York transportation bond act of 2005 by the voters at the
general election to be held in November of 2005 (17030514) ..........
15,000,000 ........................................ (re. $1,486,000)

Capital Projects Funds - Other
Capital Projects Fund - Rebuild and Renew (Bondable)
Canals and Waterways Purpose

By chapter 55, section 1, of the laws of 2009:
For the costs, pursuant to the provisions of the rebuild and renew New
York transportation bond act of 2005 and article 22 of the transpor-
tation law, of capital projects to be reimbursed from bond fund
proceeds for the planning and design, construction, reconstruction,
replacement, improvement, reconditioning, rehabilitation and preser-
vation, including the acquisition of real property and interests
therein required or expected to be required in connection therewith,
of: the canal system and appurtenances thereto; moveable bridges
that cross over the canal system; and pedestrian and/or bicycle
trails, pathways and bridges serving transportation needs. Costs may
include highways and bridges either on or off the state highway
system necessary or reasonably expected to be necessary as a project
component or incidental to projects otherwise authorized herein and
by the rebuild and renew New York transportation bond act of 2005.

For payment of engineering services, including reimbursements to the
dedicated highway and bridge trust fund of the department of trans-
portation, including but not limited to personal services, nonper-
sonal services, fringe benefits, and the contract services provided
by private firms, for activities including but not limited to the
preparation of designs, plans, specifications and estimates;
construction management and supervision; and appraisals, surveys,
testing and environmental impact statements for transportation
projects, and to the canal corporation for the cost of the engineer-
ing services of the corporation or the thruway authority, including
fringe benefits, and the contract services provided by private
firms, for activities including but not limited to the preparation
of designs, plans, specifications and estimates; construction
management and supervision; and appraisals, surveys, testing and
environmental impact statements for transportation projects.

CAPITAL PROJECTS - REAPPROPRIATIONS  2018-19

For the payment of liabilities incurred prior to April 1, 2007
(17040715) ... 27,000,000 ......................... (re. $1,739,000)

By chapter 55, section 1, of the laws of 2006:
For the costs, pursuant to the provisions of the rebuild and renew New
York transportation bond act of 2005 and article 22 of the transpor-
tation law, of capital projects to be reimbursed from bond fund
proceeds for the planning and design, construction, reconstruction,
replacement, improvement, reconditioning, rehabilitation and preser-
vation, including the acquisition of real property and interests
therein required or expected to be required in connection therewith,
of: intercity passenger rail and freight rail facilities and equip-
ment; ports, marine terminals and marine transportation facilities
exclusive of those under the jurisdiction of the port authority of
New York and New Jersey or the canal corporation; and intermodal
passenger and freight facilities and equipment.

Costs may include highways and bridges either on or off the state
highway system necessary or reasonably expected to be necessary as a
project component or incidental to projects otherwise authorized
herein and by the rebuild and renew New York transportation bond act
of 2005.

For payment of engineering services, including reimbursements to the
dedicated highway and bridge trust fund of the department of trans-
portation, including but not limited to personal services, nonper-
sonal services, fringe benefits, and the contract services provided
by private firms, for activities including but not limited to the
preparation of designs, plans, specifications and estimates;
construction management and supervision; and appraisals, surveys,
testing and environmental impact statements for transportation.

For the payment of liabilities incurred prior to April 1, 2006
(17040615) ... 27,000,000 ......................... (re. $1,783,000)

By chapter 55, section 1, of the laws of 2005:
For the costs, pursuant to the provisions of the rebuild and renew New
York transportation bond act of 2005 and article 22 of the transpor-
tation law, of capital projects to be reimbursed from bond fund
proceeds for the planning and design, construction, reconstruction,
replacement, improvement, reconditioning, rehabilitation and preser-
vation, including the acquisition of real property and interests
therein required or expected to be required in connection therewith,
of: intercity passenger rail and freight rail facilities and equip-
ment; ports, marine terminals and marine transportation facilities
exclusive of those under the jurisdiction of the port authority of
New York and New Jersey or the canal corporation; and intermodal
passenger and freight facilities and equipment.

Costs may include highways and bridges either on or off the state
highway system necessary or reasonably expected to be necessary as a
project component or incidental to projects otherwise authorized
herein and by the rebuild and renew New York transportation bond act
of 2005.

For engineering services of the department of transportation, includ-
ing personal services, nonpersonal services, fringe benefits and the
contract services provided by private firms, including, but not
limited to, the preparation of designs, plans, specifications and
estimates; construction management and supervision; and appraisals,
surveys, testing and environmental impact statements for transporta-
tion.

The funds made available through this appropriation shall be utilized
for the payment of the costs of eligible projects in accordance with
a memorandum of understanding entered into between the governor, the
majority leader of the senate and the speaker of the assembly, or
their designees, pursuant to article 22 of the transportation law.
No part of this appropriation shall be made available for the payment of liabilities incurred prior to the approval of the rebuild and renew New York transportation bond act of 2005 by the voters at the general election to be held in November of 2005 (17040515) ......... 27,000,000 ........................................ (re. $3,406,000)

TRANSPORTATION INFRASTRUCTURE RENEWAL BOND FUND (CCP)

Capital Projects Funds - Other
Transportation Infrastructure Renewal Bond Fund
Bond Proceeds Purpose

By chapter 54, section 1, of the laws of 1993, as amended by chapter 55, section 1, of the laws of 1996:
The sum of $810,000, or so much thereof as may be necessary, is hereby appropriated from the transportation infrastructure renewal fund as established by section 74 of the state finance law in accordance with the provisions of section 7 of chapter 836 of the laws of 1983 for payment, notwithstanding the provisions of any law, to the capital projects fund, in order to reimburse such fund for disbursements certified by the state comptroller as bondable under the provisions of the rebuild New York through transportation infrastructure renewal bond act of 1983 for payment from the port, marine terminal, canal and waterway account.
The director of the budget is hereby authorized to designate to the state comptroller specific appropriations made from the capital projects fund for purposes for which transportation infrastructure renewal fund expenditures are authorized. The state comptroller shall at the commencement of each month certify to the director of the budget, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee, the amounts disbursed from the appropriations so designated by the director of the budget from the capital projects fund for such purposes for the month preceding such certification and such certification shall not exceed in the aggregate the moneys hereby appropriated. A copy of each such certificate shall also be delivered to state departments and agencies to which such capital projects fund appropriations are made available.
Notwithstanding the provisions of any general or special law, no moneys shall be available from the transportation infrastructure renewal fund until a certificate of availability shall have been issued by the director of the budget, and a copy of such certificate of approval filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee. Such certificate may be amended from time to time by the director of the budget, and a copy of each such amendment shall be filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee (71119310) ... 810,000 .......... (re. $637,000)

By chapter 54, section 1, of the laws of 1989, as amended by chapter 55, section 1, of the laws of 1996:
The sum of $2,800,000, or so much thereof as may be necessary, is hereby appropriated from the transportation infrastructure renewal fund as established by section 74 of the state finance law in accordance with the provisions of section 7 of chapter 836 of the laws of 1983 for payment, notwithstanding the provisions of any law, to the capital projects fund, in order to reimburse such funds for disbursements certified by the state comptroller as bondable under the provisions of the rebuild New York through transportation infrastructure renewal bond act of 1983 (71A58910) ................. 2,800,000 ........................................ (re. $2,800,000)
By chapter 54, section 1, of the laws of 1988, as amended by chapter 55, section 1, of the laws of 1996:

The sum of $116,580,000 or so much thereof as may be necessary, is hereby appropriated from the transportation infrastructure renewal bond fund as established by section 74 of the state finance law in accordance with the provisions of section 7 of chapter 836 of the laws of 1983 for payment, notwithstanding the provisions of any law, to the capital projects fund, in order to reimburse such funds for disbursements certified by the state comptroller as bondable under the provisions of the rebuild New York through transportation infrastructure renewal bond act of 1983 (71A58810) ..................

116,580,000 .............................................. (re. $25,712,000)

(re. $167,863,000)
The sum of $150,000,000 is hereby appropriated for the regional economic development council initiative. [Funds appropriated herein shall be available during the 2016-17 and 2017-18 state fiscal years for services and expenses, loans, and grants.] Funding will be pursuant to a plan developed by the chief executive officer of the New York state urban development corporation and based in part on a competitive selection process among the regional economic development councils and will support initiatives based on anticipated economic development benefits. Such moneys will be awarded by the New York state urban development corporation at its discretion. Notwithstanding section 40 of the state finance law or any provision of the law to the contrary, this appropriation shall lapse on September 15, 2018.

The sum of $30,000,000 is hereby appropriated for additional upstate revitalization initiative projects. Funds appropriated herein shall be for services and expenses, loans, grants, workforce development, business and tourism plan development, costs associated with program administration, and the payment of personal services, nonpersonal services and contract services provided by private firms to support economic development projects. Funding will be pursuant to a plan developed by the chief executive officer of the New York state urban development corporation and will support initiatives based on anticipated job creation and economic development benefits. Funds shall not be available from this appropriation for projects within regions that were Upstate Revitalization Initiative 2015 Best Plan Awardees or eligible to receive funding from the Buffalo Regional Innovation Cluster Program. Such moneys will be awarded by the New York state urban development corporation at its discretion.

The sum of $20,000,000 is hereby appropriated for services and expenses of Oakdale merge on Sunrise Highway (NYS Rte. 27 and NYS Rte. 27-A over the Connetquot River) to conduct a multi-year study and complete the process of widening bridges and roads to accommodate traffic flow. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority.

Western New York Economic Development Projects

By chapter 54, section 1, of the laws of 2015:
The sum of $2,223,000 is hereby appropriated for services and expenses
related to the retention of professional football in Western New
York, including the payment of liabilities incurred prior to April
1, 2015. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority (91031509) ... 2,223,000 ................... (re. $95,000)

By chapter 54, section 1, of the laws of 2014:
The sum of $680,000,000 is hereby appropriated for the Buffalo regional innovation cluster. Funds appropriated herein shall be for services and expenses, loans, grants, workforce development, business and tourism plan development, and the payment of personal services, nonpersonal services and contract services provided by private firms to support economic development projects within the city of Buffalo or surrounding environs, including the payment of liabilities incurred prior to April 1, 2014. Provided however, that up to $33,000,000 is provided to Western NY STAMP. No monies for Western NY STAMP shall be disbursed prior to approval by the chief executive officer of the New York state urban development corporation of a business plan that identifies regionally significant projects, as defined in economic development law, article 17, section 352, subdivision 14, at Western NY STAMP. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority (91131409) .......... 680,000,000 ..................................... (re. $251,246,000)

The sum of $2,195,000 is hereby appropriated for services and expenses related to the retention of professional football in Western New York, including the payment of liabilities incurred prior to April 1, 2014. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority (91151409) ... 2,195,000 ................... (re. $28,000)

Capital Projects Funds - Other
Capital Projects Fund
Regional Development Purpose

By chapter 54, section 1, of the laws of 2011, as amended by chapter 54, section 1, of the laws of 2013:
The sum of $130,550,000 is hereby appropriated for the regional economic development council initiative. Funds appropriated herein shall be available for services and expenses, loans, and grants. Funding will be pursuant to a plan developed by the chair of the New York state urban development corporation and based in part on a competitive selection process among the regional economic development councils and will support initiatives based on anticipated economic development benefits. Such moneys will be awarded by the New York state urban development corporation at its discretion. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority (910211A3) ... 130,550,000 ....................... authority (91311709) ... 400,000,000 .................. (re. $399,000,000)

The sum of $320,000,000 is hereby appropriated for services and
expenses, loans, grants, and costs associated with program
administration of a life sciences initiative which shall include but
not be limited to investments in agricultural biotechnology,
biogenerics, bioinformatics, biomedical engineering,
biopharmaceuticals, academic medical centers, biotechnology,
chemical synthesis, chemistry technology, medical diagnostics,
genomics, medical image analysis, marine biology, medical devices,
medical nanotechnology, natural product pharmaceuticals, proteomics,
regenerative medicine, RNA interference, stem cell research, medical
and neurological clinical trials, health robotics and veterinary
science. Eligible costs of such initiative may include but not be
limited to laboratory space, equipment, technology, research and
development, venture capital investments and other costs in support
of a comprehensive life sciences cluster strategy, including the
payment of liabilities incurred prior to April 1, 2017, provided,
however, that the total annual amount in venture capital investments
made from this appropriation shall not exceed $10,000,000 annually.
In addition, the sum of $20,000,000 shall be available from this
appropriation for bioscience research labs and academic medical
centers. Funding will be pursuant to a plan developed by the chief
executive officer of the New York state urban development
corporation which shall take into consideration regional balance and
anticipated job retention, job creation and regional economic
development benefits (91321709) .......................... (re. $20,000,000)

UPSTATE REVITALIZATION (CCP)

Capital Projects Funds - Other
Dedicated Infrastructure Investment Fund
Infrastructure Investment Account
Upstate Revitalization Purpose

By chapter 54, section 1, of the laws of 2015:

The sum of $1,500,000,000 is hereby appropriated for the upstate revitalization initiative. Funds appropriated herein shall be for services and expenses, loans, grants, workforce development, business and tourism plan development, costs associated with program administration, and the payment of personal services, nonpersonal services and contract services provided by private firms to support economic development projects, including the payment of liabilities incurred prior to April 1, 2015. Funding will be pursuant to a plan developed by the chief executive officer of the New York state urban development corporation and based on a competitive selection process among the regional economic development councils (R.E.D.C's) and will support initiatives based on anticipated job creation and economic development benefits. Such moneys will be awarded by the New York state urban development corporation at its discretion. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority (910115UR) ... 1,500,000,000 ................. (re. $1,320,760,000)
For the comprehensive construction programs, purposes and projects as herein specified in accordance with the following:

For services and expenses related to the acquisition and development of technology, including but not limited to equipment, software and services (35011808) | 20,000,000 |
By chapter 54, section 1, of the laws of 2015:
For services and expenses related to the acquisition and development
of technology, including but not limited to equipment, software and
services (35011508) ... 60,000,000 ............... (re. $51,536,000)
By chapter 54, section 1, of the laws of 2017:

The sum of $10,000,000 is hereby appropriated for payments and grants to eligible nonprofit arts and cultural organizations for the arts and cultural facilities improvement program. Such program shall provide for targeted investment for capital projects in such eligible arts or cultural facilities to improve the quality, efficiency, and accessibility of arts and cultural organizations that benefit New Yorkers. Provided that such investments may include, but are not limited to: renovations or expansions of space that is open to the public; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; technology and other equipment that will benefit the public; and accessibility renovations.

Funding from this appropriation shall be made available through a competitive process that shall include representatives from state agencies to be determined by the director of the budget and the guidelines for the program and competitive process shall also ensure that such funding is made available for uses throughout the state and takes into account regional distribution, and shall be subject to the approval of the director of the budget. Such representatives from state agencies shall include, but not be limited to, the New York state council on the arts, and for purposes of this appropriation shall also include the dormitory authority of the state of New York. Notwithstanding any inconsistent provision of law, the dormitory authority shall be authorized to administer this program and designated state agencies shall provide all necessary assistance.

Notwithstanding any inconsistent provision of law, all or a portion of the funds appropriated herein may be suballocated or transferred to any department, agency, or public authority (ACNP1708) ............. 10,000,000 ........................................ (re. $10,000,000)
The appropriation made by chapter 55, section 2, of the laws of 1997, as amended by chapter 54, section 1, of the laws of 2011, is hereby amended and reappropriated to read:

The sum of $423,500,000 is hereby appropriated, in accordance with chapter 432 of the laws of 1997 establishing the community enhancement facilities assistance program, for community enhancement facilities assistance projects. Eligible community enhancement facilities assistance project(s) shall include, but not be limited to economic development projects to be located within the county of Nassau ($15,000,000), provided that the allocation made available to the Governor, as authorized by paragraph one of the memorandum of understanding governing administration of the community enhancement facilities assistance program, shall be reduced by $1,500,000 to $140,166,666.

[No moneys of the state in the state treasury or any of its funds shall be available for payments pursuant to this appropriation.] Funding for community enhancement facilities assistance projects may be provided from the proceeds of bonds or notes issued in accordance with chapter 432 of the laws of 1997 authorizing the issuance of bonds and notes for community enhancement facilities projects. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority.
By chapter 55, section 1, of the laws of 2004, as transferred by chapter 54, section 1, of the laws of 2012:
For services and expenses of the following purposes, pursuant to a memorandum of understanding to be executed by the governor, the temporary president of the senate and the speaker of the assembly:
the Empire Opportunity Fund, as established pursuant to Part T of chapter 84 of the laws of 2002; Rebuilding the Empire State Through Opportunities in Regional Economies (RESTORE) New York, as established pursuant to Part T of chapter 84 of the laws of 2002; and the Community Capital Assistance Program, as established pursuant to Part T of chapter 84 of the laws of 2002, provided that the allocation made available to the governor, as authorized by paragraph one of the memorandum of understanding governing administration of the above named programs, shall be reduced by $6,675,000 to $118,325,000.
Notwithstanding any other inconsistent provision of law, none of the funds appropriated hereto, as delineated in the below project schedule, may be interchanged among project purposes. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority. Notwithstanding any other inconsistent provision of law, this appropriation may not be disbursed prior to the enactment of an appropriation for the expenditure from the community projects fund and the execution of a memorandum of understanding for the allocation and transfer of funds into various accounts pursuant to section 99-d of the state finance law (71E404A3) ... 243,325,000 ................... NONPROFIT INFRASTRUCTURE CAPITAL INVESTMENT PROGRAM (CCP)

Capital Projects Funds - Other
Capital Projects Fund - Authority Bonds
Preservation of Facilities Purpose

By chapter 54, section 1, of the laws of 2017:

The sum of $20,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investment for capital projects in such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of nonprofit human services organizations that serve New Yorkers. Provided that such investments include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of space used for direct program services; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; and accessibility renovations. Provided further that such eligible nonprofit human services organizations are those which provide direct services to New Yorkers through state contracts, state authorized payments, and/or state payment rates. Provided further that nothing herein shall preclude a nonprofit human services organization that is otherwise eligible and that is located in publicly owned property from receiving a grant as long as such purpose and project would be otherwise eligible and such grant is not used for building or property maintenance or improvements, structural maintenance or improvements, or building systems maintenance or improvements. Funding from this appropriation shall be made available through a competitive process that shall include representatives from multiple state agencies to be determined by the director of the budget and the guidelines for the program and competitive process and such process shall also ensure that such funding is made available for uses throughout the state, and shall be subject to the approval of the director of the budget. Provided further that such proposals submitted by eligible nonprofit human services organizations shall include, at a minimum, the following: the amount of funds requested in relation to the size and scope of the proposed project and the number of clients who will benefit; a detailed description of the project, including projected costs including the sources and uses of funds, project completion timeline, and funds necessary at each stage of project completion; the extent to which the proposed project reflects a necessary improvement or upgrade to continue to serve the nonprofit human services organization's target population, or a population they would be able to serve if such improvements or upgrades were made; a statement that as of the effective date of this chapter, construction had not begun and equipment had not been purchased for such project; and if applicable, a statement whether the project has received all necessary regulatory approvals or can demonstrate a reasonable expectation that such approvals will be secured. Such representatives from state agencies shall include, but not be
limited to, the Office of Children and Family Services, the Office of Temporary and Disability Assistance, the Office for People with Developmental Disabilities, the Office of Mental Health, and for purposes of this appropriation, shall also include the Dormitory Authority of the State of New York and, notwithstanding any inconsistent provision of law, the Dormitory Authority shall be authorized to administer this program. All or a portion of the funds appropriated herein may be suballocated or transferred to any department, agency, or public authority (92NP1703) ................. 20,000,000 ....................................... (re. $20,000,000) 

By chapter 55, section 1, of the laws of 2016: The sum of $50,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investment for capital projects in such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of nonprofit human services organizations that serve New Yorkers. Provided that such investments include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of space used for direct program services; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; and accessibility renovations. Provided further that such proposals submitted by eligible nonprofit human services organizations shall include, at a minimum, the following: the amount of funds requested in relation to the size and scope of the proposed project and the number of clients who will benefit; a detailed description of the project, including projected costs including the sources and uses of funds, project completion timeline, and funds necessary at each stage of project completion; the extent to which the proposed project reflects a necessary improvement or upgrade to continue to serve the nonprofit human services organization’s target population, or a population they would be able to serve if such improvements or upgrades were made; a statement that as of the effective date of this chapter, construction had not begun and equipment had not been purchased for such project; and if applicable, a statement whether the project has received all necessary regulatory approvals or can demonstrate a reasonable expectation that such approvals will be secured. Such representatives from state agencies shall include, but not be limited to, the Office of Children and Family Services, the Office of Temporary and Disability Assistance, the Office for People with Developmental Disabilities, the Office of Mental Health, and for purposes of this appropriation, shall also include the Dormitory Authority of the State of New York and, notwithstanding any inconsistent provision of law, the Dormitory Authority shall be authorized to administer this program. All or a portion of the funds appropriated herein may be suballocated or transferred to any department, agency, or public authority (92NP1503) ... 50,000,000 ....................... (re. $50,000,000)
By chapter 55, section 1, of the laws of 2005, as amended by chapter 54, section 1, of the laws of 2011:

For services and expenses of the regional economic development program pursuant to a memorandum of understanding to be executed by the governor, the temporary president of the senate, and the speaker of the assembly, provided that the allocation made available to the governor, as authorized by paragraph one of the memorandum of understanding governing administration of the regional economic development program, shall be reduced by $250,000 to $42,610,000.

All or a portion of the funds appropriated hereby may be suballocated to any department, agency, or public authority (ED0005RE) .........

89,750,000 ............................................... (re. $13,049,000)
CAPITAL PROJECTS FUNDS - OTHER

In support of a comprehensive, multi-year capital program for capital improvements on Roosevelt Island, to be administered by the Roosevelt Island operating corporation, established by chapter 899 of the laws of 1984. Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. No funds shall be expended, suballocated, disbursed or transferred from this appropriation until the director of the budget has approved a spending plan submitted by the Roosevelt Island operating corporation in such detail as required by the director of the budget.

NEW YORK STATE SPECIAL INFRASTRUCTURE ACCOUNT (CCP)

Capital Projects Funds - Other
Dedicated Infrastructure Investment Fund
Infrastructure Investment Account
Special Infrastructure Purpose

By chapter 54, section 1, of the laws of 2017:
For services and expenses, loans, grants, and costs associated with program administration, of projects and purposes authorized by section 93-b of the state finance law to receive funding from the dedicated infrastructure investment fund - infrastructure investment account, including the payment of liabilities incurred prior to April 1, 2017; provided however, that loans or grants under this appropriation to a private corporation, association or enterprise shall only be made or given by a public corporation or authority. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority, according to the following:
To prepare for, prevent, deter, or respond to acts of terrorism; natural or man-made disasters, including severe weather events; risks to public safety, health, and/or other emergencies (93SC17SP) ... 100,000,000 ........................... (re. $77,655,000)

By chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2017:
For services and expenses, loans, grants, and costs associated with program administration, of projects and purposes authorized by section 93-b of the state finance law to receive funding from the dedicated infrastructure investment fund - infrastructure investment account, including the payment of liabilities incurred prior to April 1, 2016; provided however, that loans or grants under this appropriation to a private corporation, association or enterprise shall only be made or given by a public corporation or authority. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority, according to the following:
Thruway stabilization program, for the payment of costs related to the New NY bridge and bridge-related transportation improvements, and for other costs of the thruway authority including, but not limited to, its core capital program, for the purposes of principal, interest, and related expenses, and/or for retiring or defeasing bonds previously issued by the New York State Thruway Authority, including any accrued interest or other expenses related thereto. Costs may include, but not be limited to, construction, reconstruction, reconditioning and preservation, including work appurtenant and ancillary thereto, may include the acquisition of property, and may include engineering services, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; appraisals, surveys, testing and environmental impact statements; personal services, nonpersonal services, fringe and indirect costs and the services provided by private firms (930616SP) ... 700,000,000 ....... (re. $700,000,000)
Transportation infrastructure and facilities in the five-year department of transportation plan for 2015-16 through 2019-20, for the payment of costs, including the payment of liabilities incurred prior to April 1, 2016, of transportation infrastructure projects, including but not limited to, state and local roads and bridges, airport, freight and passenger rail, port and transit projects or multi-modal facilities, including work appurtenant and ancillary thereto. Project costs funded from this appropriation may include but shall not be limited to, construction, reconstruction, reconditioning and preservation, the acquisition of property, and engineering services, including personal services, nonpersonal services, fringe benefits, the contract services provided by private firms, and reimbursements to the dedicated highway and bridge trust fund and capital projects funds, for activities including but not limited to, the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation infrastructure projects. Notwithstanding section 93 of the state finance law or any other law, rule or regulation to the contrary, all or a portion of the funds appropriated herein may be (i) interchanged, (ii) suballocated to the Department of Transportation, or (iii) transferred from this appropriation to any other capital projects appropriation or appropriations of the Department of Transportation (931316SP) ... 200,000,000 ............ (re. $113,155,000)
The sum of $170,000,000 is hereby appropriated for additional upstate revitalization initiative projects. Funds appropriated herein shall be for services and expenses, loans, grants, workforce development, business and tourism plan development, costs associated with program administration, and the payment of personal services, nonpersonal services and contract services provided by private firms to support economic development projects. Funding will be pursuant to a plan developed by the chief executive officer of the New York state urban development corporation and will support initiatives based on anticipated job creation and economic development benefits. Funds shall not be available from this appropriation for projects within regions that were Upstate Revitalization Initiative 2015 Best Plan Awardees or eligible to receive funding from the Buffalo Regional Innovation Cluster Program. Such moneys will be awarded by the New York state urban development corporation at its discretion (931216SP) ......... 170,000,000 ..................................... (re. $170,000,000)
The sum of $85,000,000 is hereby appropriated for services and expenses, loans, grants, and costs associated with economic development or infrastructure projects (931416SP) ......................... 85,000,000 ....................................... (re. $85,000,000)
Notwithstanding any inconsistent provision of law, the sum of $1,000,000,000 is hereby appropriated for services and expenses, grants and loans associated with the Jacob Javits Convention Center expansion project (931516SP) ....................................... 1,000,000,000 ................................... (re. $951,480,000)
For services and expenses related to the empire state poverty reduction initiative. Funds appropriated herein shall be made available for sixteen local anti-poverty task forces in municipalities, or a borough, with high rates of poverty as determined by the U.S. Census Bureau's 2010-14 American Community Survey Five-year Estimate: Albany, the Bronx, Binghamton, Buffalo, Elmira, Hempstead, Jamestown, Newburgh, Niagara Falls, Oneonta, Oswego, Rochester, Syracuse, Troy, Utica and Watertown. Provided that, except in municipalities where a state-funded anti-poverty task force or initiative already exists and is receiving or has received state funding for such purpose, the mayor of each municipality, or in the case of...
the Bronx, the borough president, will select a not-for-profit organization that provides services in the municipality, or in the case of the Bronx, the borough, to serve as the local coordinator of each such local task force. Provided further that, except in municipalities where a state-funded antipoverty task force or initiative already exists and is receiving or has received funding, each such task force shall make efforts to be comprised of, but not limited to, the following members: representatives from municipal, county, and/or state government; individuals who have lived in or currently live in households in poverty; individuals and advocates representing local not-for-profit and community organizations; representatives from local school districts; and representatives from local social services districts. Of the funds appropriated herein, the amount available for each local anti-poverty task force shall be determined based on the number of people in each municipality, or a borough, who are living in poverty as determined by the U.S. Census Bureau’s 2010-14 American Community Survey Five-year Estimate. Provided that each local anti-poverty task force shall be eligible to receive funding in the following amounts: municipalities with fewer than 5,000 individuals in poverty shall each be eligible to receive $500,000; municipalities with between 5,000 and 10,000 individuals in poverty shall each be eligible to receive $1,000,000; municipalities with between 10,000 and 40,000 individuals in poverty shall each be eligible to receive $1,500,000; and municipalities, or a borough, with more than 40,000 individuals in poverty shall each be eligible to receive $2,750,000. Funds appropriated herein shall be available to support the work of each anti-poverty task force and such work shall be divided into two phases. During the first phase, the mayor of the municipality, or in the case of the Bronx, the borough president, will select a not-for-profit organization that has demonstrated successful performance working with community stakeholders and achieving objectives specified herein, to coordinate the local antipoverty task force. The not-for-profit organization serving as coordinator will assemble the antipoverty task force using the criteria outlined above. Provided further that, with guidance and oversight of the commissioner of the office of temporary and disability assistance, each local antipoverty task force shall use data to identify high need issues and neighborhoods within the municipality, or in the case of the Bronx, the borough; identify problems that are common in neighborhoods throughout the municipality, or in the case of the Bronx, the borough; receive input from local residents; use data and resident input to select one or more focus areas related to either one or more issues or one or more neighborhoods; and develop a plan for how funding will be targeted toward the identified issues or neighborhoods. Such focus areas may include, but are not limited to childhood poverty and homelessness. Activities included in such plan may include, but are not limited to: providing public assistance recipients opportunities to participate in enhanced work activities that either provide recognized credentialing or enhanced career readiness or job training for better linkage to potential employment; assisting families in poverty through services provided to parents and children; and addressing chronic homelessness or housing insecurity. Such plan must include measurable objectives and a timeframe for completion and shall be submitted for approval to the commissioner of the office of temporary and disability assistance. Of the total amount made available to each anti-poverty task force, the lesser of $300,000 or 20 percent of the total award may be used to carry out planning and administration, provided however, that the amount used for planning and administration may exceed such limitation if such amount is

CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

approved by the commissioner of the office of temporary and disability assistance as part of the plan required herein. Upon receiving approval from the commissioner of the office of temporary and disability assistance, each such anti-poverty task force shall commence the second phase of its work, which will support the implementation of the plan developed during the first phase. Funding appropriated herein shall be made available to the not-for-profit organization serving as coordinator and its use shall be restricted to purposes or initiatives that do not necessitate ongoing state financial support. Such anti-poverty task forces shall be encouraged to secure match funding from private sector and foundation sources to supplement the funds appropriated herein and provided further that any funding provided from this appropriation shall not be used to supplant funding for programs already in existence. Such funds may be made available pursuant to a plan approved by the director of the budget (931A16SP) ... 25,000,000 ................. (re. $23,720,000)

Notwithstanding any inconsistent provision of law, in support of a comprehensive statewide multi-year housing program to prevent and address homelessness across the State, funds appropriated herein may be used in conjunction with other resources made available as part of the state fiscal year 2016-17 and 2017-18 local assistance, capital and state operations budget to support various programs to support homeless individuals and youth or individuals and youth at risk of becoming homeless, including but not limited to, a statewide multiagency supportive housing program to provide housing and support services for vulnerable New Yorkers including but not limited to seniors, veterans, victims of domestic violence, formerly incarcerated individuals, individuals diagnosed with HIV/AIDS and homeless individuals with copresenting health conditions, eligible services to runaway and homeless youth, and for services to meet the emergency needs of homeless individuals and families (931116SP) ... 50,000,000 ....................................... (re. $49,948,000)

Municipal consolidation competition, for payments for capital and other expenses related to the implementation of: consolidations, dissolutions, mergers, or other permanent changes in governing structures; shared services, cooperation agreements, or other efficiencies; or other actions that reduce operational costs or property tax burdens on a permanent basis, as selected through a competitive application process developed by the secretary of state (931016SP) ... 20,000,000 ................................... (re. $20,000,000)

By chapter 54, section 1, of the laws of 2015, as amended by chapter 55, section 1, of the laws of 2016:

For services and expenses, loans, grants, and costs associated with program administration, of projects and purposes authorized by section 93-b of the state finance law to receive funding from the dedicated infrastructure investment fund - infrastructure investment account, including the payment of liabilities incurred prior to April 1, 2015; provided however, that loans or grants under this appropriation to a private corporation, association or enterprise shall only be made or given by a public corporation or authority; and provided further however, notwithstanding the foregoing, and notwithstanding section 163 of the state finance law or any other law to the contrary, grants may also be given under this appropriation by the department of agriculture and markets to farm owners and related industries, not for profit conservation organizations and local governments to protect, maintain, develop and grow farm, agricultural and related industries located in the southern tier and

CAPITAL PROJECTS - REAPPROPRIATIONS 2018-19

hudson valley, as defined by the commissioner of agriculture and markets. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority, according to the following:

New NY broadband initiative, to support the development of infrastructure to bring high-speed internet access to unserved and underserved regions throughout the state, and to support the development of other telecommunications infrastructure; provided however that priority shall be given to projects that bring high-speed internet access to unserved areas of the state, public libraries, and educational opportunity centers; provided further that the New York state urban development corporation shall submit a report before June 30, 2016 to the director of the division of the budget, the temporary president of the senate, the speaker of the assembly, the minority leader of the senate and the minority leader of the assembly detailing: (a) the total amount of public funds committed by this program annually; (b) total amount of private funds committed annually and, if applicable, the amount of such funds that has been invested by such parties; (c) the location of each area receiving investments under this program and the goals for each such area; (d) planned future investments by both public and private parties; and (e) such other information as the corporation deems necessary (930115SP) ...

Municipal restructuring, for payments to local governments, school districts, and other municipal entities for capital and other expenses related to the implementation of local government and school district shared services, cooperation agreements, mergers, and other actions that reduce operational costs and related property tax burdens on a permanent basis, as selected through an application process developed by the secretary of state, provided, however, that school districts' expenditures of the funds appropriated herein shall not be eligible for aid under any provision of the education law; for payments related to a downtown revitalization program designed and executed by the department of state and the division of housing and community renewal for transformative housing, economic development, transportation and community projects including those designed to increase the property tax base, of which up to $500,000 may be made available to fund projects consistent with the purposes of the healthy food / healthy communities initiative pursuant to section 16-s of the urban development corporation act, provided such projects are included in a strategic plan submitted for funding under the downtown revitalization program; and for payments of grants, awards, and aid provided through the local government efficiency grant program, the citizen empowerment tax credit, local government citizens reorganization empowerment grant program, and the local government performance and efficiency program, as authorized by section 54 of the state finance law (930215SP) ...........

Grants to essential health care providers shall be available upon determination of the commissioner of health without a competitive bid or request for proposal process to support debt retirement and capital projects or non-capital projects that facilitate health care transformation, including mergers, consolidation, acquisition, or other significant corporate restructuring activities intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery. Grants shall not be available to support general operating expenses. For purposes of this appropriation, an essential health care provider is a hospital or hospital system that, in the discretion of the commissioner of health, offers health services within a defined and isolated
geographic region where such services would otherwise be unavailable to the population of such region (930315SP) .........................
355,000,000 .................................................. (re. $186,650,000)
The sum of $19,500,000 is hereby appropriated to support a community health care revolving capital fund as authorized by section twenty-eight hundred fifteen-a of the public health law (93H215SP) .......
19,500,000 .................................................. (re. $19,500,000)
For the acquisition of information technology systems, electronic health records, billing systems, or other hardware as well as any other infrastructure costs associated with the inclusion of behavioral health services in the medicaid managed care benefit package. Such funds shall be available to not-for-profit agencies licensed, certified or approved by the office of mental health, the office for alcoholism and substance abuse services, or the office for people with developmental disabilities. A portion of these funds may be used to support training and technical assistance during the transition period (93H315SP) ... 10,000,000 ............... (re. $504,000)
To prepare for, prevent, deter, or respond to acts of terrorism; natural or man-made disasters, including severe weather events; risks to public safety, health, and/or other emergencies. Of the amounts appropriated herein, $10,000,000 shall be available for grants to local governments and local law enforcement agencies to support the provision of safety and other related equipment. Such funds shall be allocated pursuant to a plan prepared by the commissioner of criminal justice services in consultation with the superintendent of state police and approved by the director of the budget (930415SP) ... 150,000,000 ....................... (re. $11,398,000)
Penn station access, for the payment of costs of the metropolitan transportation authority or metro-north commuter railroad company for capital projects to link the metro-north commuter railroad directly to Penn Station and to improve transportation access along its corridor, including construction of new stations in the Bronx, including but not limited to planning and design, acquisition, construction, reconstruction, replacement, improvement, reconditioning, rehabilitation and preservation, including the acquisition of real property and interests therein required or expected to be required in connection therewith, for commuter railroad facilities and related equipment (930515SP) .......................................................... 250,000,000 ................................... (re. $250,000,000)
Thruway stabilization program, for the payment of costs related to the New NY bridge and bridge-related transportation improvements, and for other costs of the thruway authority including, but not limited to, its core capital program. Costs may include, but not be limited to, construction, reconstruction, reconditioning and preservation, including work appurtenant and ancillary thereto, may include the acquisition of property, and may include engineering services, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; appraisals, surveys, testing and environmental impact statements; personal services, nonpersonal services, fringe and indirect costs; and the services provided by private firms. Provided, however that funds shall not be made available from this appropriation unless the New York state thruway authority has submitted a plan to the Governor, the Speaker of the Assembly and the President Pro Tempore of the Senate that describes the portions of funding appropriated herein that will be used for costs related to the New NY Bridge, bridge-related transportation improvements and the Thruway core capital program. In addition, the authority shall annually provide, on or before July first of each year, a report detailing the amount of funding from this appropriation used for each project
funded in the previous calendar year and the total amount of funding
from this appropriation spent on each project up to the end of the
previous calendar year (930615SP) ................................

$1,285,000,000 ........................................ (re. $290,373,000)

For services and expenses, loans, grants, and costs associated with
transformative economic development projects. $150,000,000 is
authorized for such projects to be reviewed, evaluated and approved
by the New York state urban development corporation, including but
not limited to those listed in the schedule below. A proposed
project must demonstrate that the investment of public funds will
catalyze private investment resulting in significant economic devel-
opment reflected in the creation of temporary and permanent jobs,
the growth of the commercial and residential tax base or an enhance-
ment of the environment and quality of life for residents of Nassau
or Suffolk County. The items shown in the schedule below shall be
for projects with a common purpose and may be interchanged without
limitation subject to the approval of the director of the budget
(930715SP) ... 150,000,000 ..................... (re. $147,750,000)

STATE AND MUNICIPAL FACILITIES PROGRAM (CCP)

Capital Projects Funds - Other
Capital Projects Fund
State and Municipal Facilities Purpose

By chapter 54, section 1, of the laws of 2017, as amended by chapter 61, section 1 of part K, of the laws of 2017:

For payment of the capital costs of construction, improvement, rehabilitation or reconstruction of facilities owned by eligible entities; the acquisition of capital facilities and assets by eligible entities, including fixed capital assets; the acquisition by eligible entities of equipment and other capital assets, including vehicles, in support of health, safety, technology, or innovation; the acquisition by an eligible entity of capital assets with a useful life of not less than ten years purchased for the sole purpose of preserving and protecting infrastructure that is owned, controlled or appurtenant to an eligible entity, including but not limited to heavy duty road maintenance and construction vehicles, pavers, snow plows, street sweepers and heavy duty fire, emergency response and law enforcement vehicles; economic development projects sponsored by the state or municipal corporations, as defined in section 2 of the general municipal law, that will create or retain jobs in New York state as certified by the commissioner of the department of economic development; or environmental projects sponsored by the state or municipal corporations as defined in section 2 of the general municipal law. Eligible entities shall consist of the state; municipal corporations as defined in section 2 of the general municipal law; water and sewer districts; the Metropolitan Transportation Authority; a college or university established pursuant to section 352 of the education law, section 6203 of the education law or section 6302 of the education law; an independent not-for-profit institution of higher education as defined in subdivision 2 of section 6401 of the education law; public school districts; public housing authorities; public libraries and library systems chartered by the regents of the state of New York or established by an act of the legislature; public park conservancies or not for profit corporations organized for the purpose of investing in parks owned by the state or municipal corporations, as defined in section 2 of the general municipal law; not for profit fire districts, fire commissions, fire companies, fire departments, volunteer rescue and ambulance squads; and special act school districts, schools for the blind and deaf and other students with disabilities subject to article 85 of the education law, and private schools for students with disabilities authorized pursuant to chapter 853 of the laws of 1976.

Costs may include, but shall not be limited to engineering services, construction, project management, right-of-way acquisition, and work appurtenant and ancillary thereto. No funds from this appropriation may be used as a required match or be considered a local share to other state programs or to leverage state aid or grants including but not limited to the apportionment of aid under the education law.

Notwithstanding any provision of law to the contrary, funds
appropriated herein may, subject to the approval of the director of
the budget, be (i) interchanged, (ii) transferred from this
appropriation to any other appropriation of any state department,
agency or public benefit corporation, or (iii) suballocated to any
other state department, agency or public benefit corporation, to
achieve this purpose. Notwithstanding the foregoing, any limitations
contained therein or any other inconsistent provision of law, funds
from this appropriation shall also be available, including for
payment of liabilities incurred or payments made prior to April 1,
2017, (i) for any purpose, individual, or entity authorized under
the Lake Ontario-St. Lawrence Seaway flood relief and recovery grant
program established pursuant to a chapter of the laws of 2017,
subject to the approval of the director of the budget, and (ii) for
payment of the costs of other storm recovery and mitigation
projects, not to exceed 10,000,000 dollars in the aggregate to
municipalities and special districts in (a) the counties of
Chautauqua, Cattaraugus and Allegany for damages sustained as a
result of a severe storm and flooding which occurred July 14 and 15,
2015, in an amount not less than 6,800,000 dollars or (b) the county
of Monroe for damages resulting from a severe storm which occurred
March 8 and 9, 2017, in an amount not to exceed 2,000,000 dollars
subject to the approval of the director of the budget (SM0117SM) ...
398,500,000 ..................................... (re. $398,500,000)

By chapter 55, section 1, of the laws of 2016, as amended by chapter 54,
section 1, of the laws of 2017:
For payment of the capital costs of construction, improvement, reha-
bilitation or reconstruction of facilities owned by eligible enti-
ties; the acquisition of capital facilities and assets by eligible
entities, including fixed capital assets; the acquisition by eligi-
ble entities of equipment and other capital assets, including vehi-
cles, in support of health, safety, technology, or innovation; the
acquisition by an eligible entity of capital assets with a useful
life of not less than ten years purchased for the sole purpose of
preserving and protecting infrastructure that is owned, controlled
or appurtenant to an eligible entity, including but not limited to
heavy duty road maintenance and construction vehicles, pavers, snow
plows, street sweepers and heavy duty fire, emergency response and
law enforcement vehicles; economic development projects sponsored by
the state or municipal corporations, as defined in section 2 of the
general municipal law, that will create or retain jobs in New York
state as certified by the commissioner of the department of economic
development; or environmental projects sponsored by the state or
municipal corporations as defined in section 2 of the general munic-
ipal law. Eligible entities shall consist of the state; municipal
corporations as defined in section 2 of the general municipal law;
water and sewer districts; the Metropolitan Transportation Authori-
ty; a college or university established pursuant to section 352 of
the education law, section 6203 of the education law or section 6302
of the education law; an independent not-for-profit institution of
higher education as defined in subdivision 2 of section 6401 of the
education law; public school districts; public housing authorities;
public libraries and library systems chartered by the regents of the
state of New York or established by an act of the legislature;
public park conservancies or not for profit corporations organized
for the purpose of investing in parks owned by the state or municip-
al corporations, as defined in section 2 of the general municipal
law; and not for profit fire districts, fire commissions, fire
companies, fire departments, volunteer rescue and ambulance squads;
and special act school districts, schools for the blind and deaf and
other students with disabilities subject to article 85 of the educa-
tion law, and private schools for students with disabilities author-
ized pursuant to chapter 853 of the laws of 1976. Costs may include,
but shall not be limited to engineering services, construction,
project management, right-of-way acquisition, and work appurtenant
and ancillary thereto. No funds from this appropriation may be used
as a required match or be considered a local share to other state
programs or to leverage state aid or grants including but not limited
to the apportionment of aid under the education law. Notwith-
standing any provision of law to the contrary, funds appropriated
herein may, subject to the approval of the director of the budget,
be (i) interchanged, (ii) transferred from this appropriation to any
other appropriation of any state department, agency or public bene-
fit corporation, or (iii) suballocated to any other state depart-
ment, agency or public benefit corporation, to achieve this purpose
(SM0116SM) ... 385,000,000 ...................... (re. $341,426,000)

By chapter 54, section 1, of the laws of 2015, as amended by chapter 54,
section 1, of the laws of 2017:
For payment of the capital costs of construction, improvement, reha-
bilitation or reconstruction of facilities owned by eligible enti-
ties; the acquisition of capital facilities and assets by eligible
entities, including fixed capital assets; the acquisition by eligi-
bile entities of equipment and other capital assets, including vehi-
cles, in support of health, safety, technology, or innovation; the
acquisition by an eligible entity of capital assets with a useful
life of not less than ten years purchased for the sole purpose of
preserving and protecting infrastructure that is owned, controlled
or appurtenant to an eligible entity, including but not limited to
heavy duty road maintenance and construction vehicles, pavers, snow
plows, street sweepers and heavy duty fire, emergency response and
law enforcement vehicles; economic development projects sponsored by
the state or municipal corporations, as defined in section 2 of the
general municipal law, that will create or retain jobs in New York
state as certified by the commissioner of the department of economic
development; or environmental projects sponsored by the state or
municipal corporations as defined in section 2 of the general munic-
ipal law. Eligible entities shall consist of the state; municipal
corporations as defined in section 2 of the general municipal law;
water and sewer districts; the Metropolitan Transportation Authori-
ty; a college or university established pursuant to section 352 of
the education law, section 6203 of the education law or section 6302
of the education law; an independent not-for-profit institution of
higher education as defined in subdivision 2 of section 6401 of the
education law; public school districts; public housing authorities;
public libraries and library systems chartered by the regents of the
state of New York or established by an act of the legislature;
public park conservancies or not for profit corporations organized
for the purpose of investing in parks owned by the state or munici-
pal corporations, as defined in section 2 of the general municipal
law; and not for profit fire districts, fire commissions, fire
companies, fire departments, volunteer rescue and ambulance squads;
and special act school districts, schools for the blind and deaf and
other students with disabilities subject to article 85 of the educa-
tion law, and private schools for students with disabilities author-
ized pursuant to chapter 853 of the laws of 1976. Costs may include,
but shall not be limited to engineering services, construction,
project management, right-of-way acquisition, and work appurtenant
and ancillary thereto. No funds from this appropriation may be used
as a required match or be considered a local share to other state
programs or to leverage state aid or grants including but not limited to the apportionment of aid under the education law. Notwithstanding any provision of law to the contrary, funds appropriated herein may, subject to the approval of the director of the budget, be (i) interchanged, (ii) transferred from this appropriation to any other appropriation of any state department, agency or public benefit corporation, or (iii) suballocated to any other state department, agency or public benefit corporation, to achieve this purpose (SM0115SM) ... 385,000,000 ....................... (re. $261,801,000)

By chapter 54, section 1, of the laws of 2014, as amended by chapter 54, section 1, of the laws of 2017:
For payment of the capital costs of construction, improvement, rehabilitation or reconstruction of facilities owned by eligible entities; the acquisition of capital facilities and assets by eligible entities, including fixed capital assets; the acquisition by eligible entities of equipment and other capital assets, including vehicles, in support of health, and safety, technology, or innovation; the acquisition by an eligible entity of capital assets with a useful life of not less than ten years purchased for the sole purpose of preserving and protecting infrastructure that is owned, controlled or appurtenant to an eligible entity, including but not limited to heavy duty road maintenance and construction vehicles, pavers, snowplows, street sweepers and heavy duty fire, emergency response and law enforcement vehicles; economic development projects sponsored by the state or municipal corporations, as defined in section 2 of the general municipal law, that will create or retain jobs in New York state as certified by the commissioner of the department of economic development; or environmental projects sponsored by the state or municipal corporations as defined in section 2 of the general municipal law. Eligible entities shall consist of the state; municipal corporations as defined in section 2 of the general municipal law; water and sewer districts; the Metropolitan Transportation Authority; a college or university established pursuant to section 352 of the education law, section 6203 of the education law or section 6302 of the education law; an independent not-for-profit institution of higher education as defined in subdivision 2 of section 6401 of the education law; public school districts; public housing authorities; public libraries and library systems chartered by the regents of the state of New York or established by an act of the legislature; public park conservancies or not for profit corporations organized for the purpose of investing in parks owned by the state or municipal corporations, as defined in section 2 of the general municipal law; and not for profit fire districts, fire commissions, fire companies, fire departments, volunteer rescue and ambulance squads; and special act school districts, schools for the blind and deaf and other students with disabilities subject to article 85 of the education law, and private schools for students with disabilities authorized pursuant to chapter 853 of the laws of 1976. Costs may include, but shall not be limited to engineering services, construction, project management, right-of-way acquisition, and work appurtenant and ancillary thereto. No funds from this appropriation may be used as a required match or be considered a local share to other state programs or to leverage state aid or grants including but not limited to the apportionment of aid under the education law. Notwithstanding any provision of law to the contrary, funds appropriated herein may, subject to the approval of the director of the budget, be (i) interchanged, (ii) transferred from this appropriation to any other appropriation of any state department, agency or public benefit corporation, or (iii) suballo-
By chapter 54, section 1, of the laws of 2013, as amended by chapter 54, section 1, of the laws of 2017:

#### WORLD TRADE CENTER PROGRAM (CCP)

- **Capital Projects Funds - Federal**
  - Federal Capital Projects Fund
  - Federal Aid Highways Purpose

By chapter 50, section 1, of the laws of 2006:

- To the department of transportation for the federal share of transportation projects related to service in Lower Manhattan related to the September 11, 2001 attack on the New York City World Trade Center, including but not limited to construction, reconstruction, reconditioning and preservation of highways, bridges, ferry and other transportation facilities; the acquisition of property; payment for engineering services including, but not limited to costs of personal services, non-personal services and fringe benefits of the department of transportation, and contract services provided by private firms; appraisals, surveys, testing, and environmental impact statements for transportation projects; the payment of liabilities incurred prior to April 1, 2006 and any other transportation costs incurred as part of the recovery from the attack on the World Trade Center. The funds appropriated hereby shall be used in accordance with applicable federal transportation statutes and regulations and may be suballocated for transportation purposes (2CWT0620) ......... 265,000,000 (re. $37,623,000)

By chapter 50, section 1, of the laws of 2002:

- To the department of transportation for the federal share of transportation projects related to service in Lower Manhattan related to the September 11, 2001 attack on the New York City World Trade Center, including but not limited to construction, reconstruction, reconditioning and preservation of highways, bridges, ferry and other transportation facilities; the acquisition of property; payment for engineering services including, but not limited to costs of personal services, non-personal services and fringe benefits of the department of transportation, and contract services provided by private firms; appraisals, surveys, testing, and environmental impact statements for transportation projects; the payment of liabilities incurred prior to April 1, 2002 and any other transportation costs incurred as part of the recovery from the attack on the World Trade Center. The funds appropriated hereby shall be used in accordance with applicable federal transportation statutes and regulations and may be suballocated for transportation purposes to the Metropolitan Transportation Authority.
