Section three of this act sets forth the general effective date of this act.

PART A

Section 1. Section 14-106 of the election law, as amended by section 3 of subpart C of part H of chapter 55 of the laws of 2014, is amended to read as follows:

§ 14-106. Political communication. The statements required to be filed under the provisions of this article next succeeding a primary, general or special election shall be accompanied by a copy of all broadcast, cable or satellite schedules and scripts, [internet] paid internet or digital, print and other types of advertisements, pamphlets, circulars, flyers, brochures, letterheads and other printed matter purchased or produced, and reproductions of statements or information published to five hundred or more members of a general public audience by computer or other electronic device including but not limited to electronic mail or text message, purchased in connection with such election by or under the authority of the person filing the statement or the committee or the person on whose behalf it is filed, as the case may be. Such copies,
schedules and scripts shall be preserved by the officer with whom or the
board with which it is required to be filed for a period of one year
from the date of filing thereof.

§ 2. Paragraph (a) of subdivision 1 of section 14-107 of the election

2016, is amended to read as follows:

letterheads or (iii) other published statements where such expenditure
is conveyed to five hundred or more members of a general public audience
or in the form of any paid internet or digital advertisement which: (i)

"vote," "oppose," "support," "elect," "defeat," or "reject," which call
for the election or defeat of the clearly identified candidate, (ii)

ballot proposal on or after January first of the year of the election in
which such candidate is seeking office or such proposal shall appear on
the ballot, or (iii) within sixty days before a general or special
election for the office sought by the candidate or thirty days before a
primary election, includes or references a clearly identified candidate.
An independent expenditure shall not include communications where such
candidate, the candidate's political committee or its agents, a party

ture is conveyed to five hundred or more members of a general public
audience that costs one thousand dollars or more in the aggregate or an
independent expenditure in the form of any paid internet or digital
advertisement irrespective of the cost of such expenditure, such commu-
nication shall [clearly] state in a clear and conspicuous manner the
name of the person who paid for, or otherwise published or distributed
the communication and state, with respect to communications regarding
candidates, that the communication was not expressly authorized or
requested by any candidate, or by any candidate's political committee or
any of its agents.

§ 4. The opening paragraph of subdivision 3 of section 14-107 of the
election law, as amended by section 3 of part A of chapter 286 of the
laws of 2016, is amended to read as follows:

register with the state board of elections as a political committee and
as an independent expenditure committee in conformance with this article
provided, however, that no foreign national, government, instrumentality

purpose of making independent expenditures in any state or local
election. Such person shall comply with all disclosure obligations required for political committees by law and shall provide the following additional information upon registration:

§ 5. The election law is amended by adding a new section 14-107-b to read as follows:

§ 14-107-b. Independent expenditure verification. 1. Each television or radio broadcast station, provider of cable or satellite television, or online platform shall make reasonable efforts to ensure that all independent expenditures, as defined in section 14-107 of this article, comply with the requirements of subdivisions two and three of section 14-107 of this article.

2. Each online platform shall maintain and make available online for public inspection in a machine readable format, a complete record of any request to purchase on such online platform any independent expenditure which is made by an independent expenditure committee whose aggregate requests to purchase such communications exceeds five hundred dollars.

3. A record maintained under subdivision two of this section shall contain:

(a) a digital copy of such independent expenditure;

§ 6. This act shall take effect immediately and shall apply to all communications made on or after the sixtieth day next succeeding the date on which it shall have become a law.

PART B

Section 1. Section 5-212 of the election law is REPEALED and a new section 5-212 is added to read as follows:

§ 5-212. Motor vehicle registration. 1. In addition to any other method of voter registration provided for in this article, any qualified person shall be automatically applied for registration and enrollment simultaneously with and upon application for a motor vehicle driver's license, a driver's license renewal or an identification card if such a card is issued by the department of motor vehicles in its normal course of business unless such qualified person declines such application for registration and enrollment at the time of making an application for a motor vehicle driver's license, driver's license renewal or an identifi-
cation card if such card is issued by the department of motor vehicles in its normal course of business.

2. The department of motor vehicles, with the approval of the state board of elections, shall design a form or forms which shall, in addition to eliciting such information as may be required by the department of motor vehicles for a driver's license, a driver's license renewal, a change of address notification or an identification card, serve as an application for registration and enrollment, or a registration necessitated by a change of residence. Only one signature shall be required to meet the certification and attestation needs of the portion of the form pertaining to the application for a driver's license, a driver's license renewal, a change of address notification or an identification card, and the portion of the form pertaining to voter registration and enrollment. The cost of such forms shall be borne by the department of motor vehicles.

3. The voter registration portion of such form shall:
   (a) not require any information that duplicates the information required on the application for the driver license portion and shall require only such additional information as will enable election officials to assess the applicant's eligibility to register to vote, prevent duplicate registration and to administer voter registration and other parts of the election process;
   (b) include a statement of the eligibility requirements for voter registration and shall require the applicant to attest by his or her signature that he or she meets those requirements under penalty of perjury unless such applicant declines such registration;
   (c) inform the applicant, in print identical to that used in the attestation section of the following:
(i) voter eligibility requirements;
(ii) penalties for submission of false registration application;
(iii) that the office where applicant registers shall remain confidential and the information be used only for voter registration purposes;
(iv) if the applicant declines to register, such applicant's declination shall remain confidential and be used only for voter registration purposes;
(d) include a box for the applicant to check to indicate whether the applicant would like to decline to register to vote along with the statement in prominent type, "IF YOU DO NOT CHECK THIS BOX, YOU PROVIDE YOUR SIGNATURE ON THE SPACE PROVIDED BELOW, AND YOU ARE AT LEAST 18 YEARS OF AGE OR OLDER, YOU WILL HAVE PERSONALLY APPLIED TO REGISTER TO VOTE AT THIS TIME."
(e) include a space for the applicant to indicate his or her choice of party enrollment, with a clear alternative provided for the applicant to decline to affiliate with any party;
(f) include the statement, "If you would like help in filling out the voter registration application form, we will help you. The decision whether to seek or accept help is yours. You may fill out the application form in private."
(g) include the statement, "If you believe that someone has interfered with your right to register or decline to register to vote, your right to privacy in deciding whether to register or in applying to register to vote, or your right to choose your own political party or other political preference, you may file a complaint with the state board of elections (address and toll free telephone number)."
(h) include a toll free number at the state board of elections that can be called for answers to registration questions; and
(i) include any other information that is necessary to comply with the
requirements of the National Voter Registration Act.

4. The department of motor vehicles shall transmit that portion of the
form which constitutes the completed application for registration or
change of address form to the appropriate board of elections not later
than ten days after receipt except that all such completed applications
and forms received by such department between the thirtieth and twenty-
fifth day before an election shall be transmitted in such manner and at
such time as to assure their receipt by such board of elections not
later than the twentieth day before such election. All transmittals
shall include original signatures.

5. Completed application forms received by the department of motor
vehicles not later than the twenty-fifth day before the next ensuing
primary, general or special election and transmitted by such department
to the appropriate board of elections so that they are received not
later than the twentieth day before such election shall entitle the
applicant to vote in such election provided the board determines that
the applicant is otherwise qualified.

6. Disclosure of voter registration information, including a declina-
tion to register, by the department of motor vehicles, its agents or
employees, for other than voter registration purposes, shall be deemed
an unwarranted invasion of personal privacy pursuant to the provisions
of subdivision two of section eighty-nine of the public officers law and
shall constitute a violation of this chapter.

7. Application forms shall be processed by the board of elections in
the manner prescribed by section 5-210 of this title or, if the appli-
cant is already registered to vote from another address in such county
or city, in the manner prescribed by section 5-208 of this title. The
board shall send the appropriate notice of approval or rejection as required by either subdivision nine of such section 5-210 or subdivision five of such section 5-208.

8. Strict neutrality with respect to a person's party enrollment shall be maintained and all persons seeking voter registration forms and information shall be advised that government services are not conditioned on being registered to vote.

9. No statement shall be made nor any action taken to discourage the applicant from registering to vote.

10. The department of motor vehicles shall provide to each person who chooses to register to vote the same level of assistance provided to persons in connection with the completion of the agency's requisite information, unless such person refuses such assistance.

11. The state board shall adopt such rules and regulations as may be necessary to carry out the requirements of this section. The board shall also adopt such rules and regulations as may be necessary to require county boards and the department of motor vehicles to provide the state board with such information and data as the board deems necessary to assess compliance with this section and to compile such statistics as may be required by the federal elections commission.

12. The state board shall develop and distribute public information and promotional materials relating to the purposes and implementation of this program.

13. The state board shall prepare and distribute to the department of motor vehicles written instructions as to the implementation of the program and shall be responsible for establishing training programs for employees of the department of motor vehicles involved in such program.
14. The commissioner of motor vehicles shall take all actions which
are necessary and proper for the implementation of this section. The
commissioner of motor vehicles shall designate one person within the
agency as the agency voter registration coordinator who will, under the
direction of the state board of elections, be responsible for the voter
registration program in such agency.

15. Notwithstanding subdivision six of section 5-210 of this title and
any other law to the contrary, an applicant who is less than eighteen
years of age who improperly fails to decline to vote in accordance with
the provisions of this section shall not be guilty of any crime as the
result of the applicant's failure to make such declination.

§ 2. Paragraph (a) of subdivision 2 of section 5-712 of the election
law, as amended by chapter 200 of the laws of 1996, is amended to read
as follows:

(a) The board of elections shall also send a confirmation notice to
every registered voter for whom it receives a notice of change of
address to an address not in such city or county which is not signed by
the voter. Such change of address notices shall include, but not be
limited to, notices of change of address received pursuant to subdivi-
sion eleven of section 5-211 and subdivision [six] four of section 5-212
of this article, notice of change of address from the United States
Postal Service through the National Change of Address System or from any
other agency of the federal government or any agency of any state or
local government and notice of a forwarding address on mail sent to a
voter by the board of elections and returned by the postal service. Such
confirmation notices shall be sent to such new address.

§ 3. Subdivision 5 of section 5-210 of the election law is amended by
adding a new paragraph (n) to read as follows:
(n) The form of application required by section 5-212 of this title shall be deemed to meet the requirements of this section.

§ 4. Subdivision 27 of section 1-104 of the election law is amended to read as follows:

27. The term "personal application" means a signed writing which may be delivered by mailing [or], in person, or electronically.

§ 5. Section 3-400 of the election law is amended by adding a new subdivision 9 to read as follows:

9. Notwithstanding any inconsistent provisions of this article, election inspectors or poll clerks, if any, at polling places for early voting, shall consist of either board of elections employees who shall be appointed by the commissioners of such board or duly qualified individuals, appointed in the manner set forth in this section. Appointments to the offices of election inspector or poll clerk in each polling place for early voting shall be equally divided between the major political parties. The board of elections shall assign staff and provide the resources they require to ensure wait times at early voting sites do not exceed thirty minutes.

§ 6. Section 4-117 of the election law is amended by adding a new subdivision 1-a to read as follows:

1-a. The notice required by subdivision one of this section shall include the dates, hours and locations of early voting for the general and primary election. The board of elections may satisfy the notice requirement of this subdivision by providing in the notice instructions to obtain the required early voting information from a website of the board of elections and providing a phone number to call for such information.
§ 7. Subdivision 2 of section 8-100 of the election law, as amended by chapter 367 of the laws of 2017, is amended to read as follows:

2. Polls shall be open for voting during the following hours: a primary election from twelve o'clock noon until nine o'clock in the evening, except in the city of New York and the counties of Nassau, Suffolk, Westchester, Rockland, Orange, Putnam, Dutchess and Erie, and in such city or county from six o'clock in the morning until nine o'clock in the evening; the general election from six o'clock in the morning until nine o'clock in the evening; a special election called by the governor pursuant to the public officers law, and, except as otherwise provided by law, every other election, from six o'clock in the morning until nine o'clock in the evening; early voting hours shall be as provided in section 8-600 of this article.

§ 8. Subdivision 1 of section 8-102 of the election law is amended by adding a new paragraph (k) to read as follows:

§ 9. Section 8-104 of the election law is amended by adding a new subdivision 7 to read as follows:

7. This section shall apply on all early voting days as provided for in section 8-600 of this article.

§ 10. Paragraph (b) of subdivision 2 of section 8-508 of the election law, as amended by chapter 200 of the laws of 1996, is amended to read as follows:

If no voters are challenged, the board of inspectors shall enter the words "No Challenges" across the space reserved for such names. In lieu of preparing section two of the challenge report, the board of elections may provide, next to the name of each voter on the computer generated registration list, a place for the inspectors of election to record the information required to be entered in such section two, or provide at the end of such computer generated registration list, a place for the inspectors of election to enter such information.

§ 11. Article 8 of the election law is amended by adding a new title 6 to read as follows:

TITLE VI

EARLY VOTING

Section 8-600. Early voting.

§ 8-602. State board of elections; powers and duties for early voting.

§ 8-600. Early voting. 1. Beginning the thirteenth day prior to any general, primary or special election for any public or party office, and ending on and including the second day prior to such general, primary or special election for such public or party office, persons duly registered and eligible to vote at such election shall be permitted to vote as provided in this title. The board of elections of each county and the city of New York shall establish procedures, subject to approval of the state board of elections, to ensure that persons who vote during the
early voting period shall not be permitted to vote subsequently in the
same election.

2. (a) The board of elections of each county or the city of New York
shall designate polling places for early voting in each county, which
may include the offices of the board of elections, for persons to vote
early pursuant to this section. There shall be so designated at least
one early voting polling place for every full increment of fifty thou-
sand registered voters in each county; provided, however, the number of
early voting polling places in a county shall not be required to be
greater than seven, and a county with fewer than fifty thousand voters
shall have at least one early voting polling place.

(b) The board of elections of each county or the city of New York may
establish additional polling places for early voting in excess of the
minimum number required by this subdivision for the convenience of
eligible voters wishing to vote during the early voting period.

(c) Notwithstanding the minimum number of early voting poll sites
otherwise required by this subdivision, for any primary or special
election, upon majority vote of the board of elections, the number of
early voting sites may be reduced if the board of elections reasonably
determines a lesser number of sites is sufficient to meet the needs of
early voters.

(d) Polling places for early voting shall be located to ensure, to the
extent practicable, that eligible voters have adequate equitable access,
taking into consideration population density, travel time to the polling
place, proximity to other locations or commonly used transportation
routes and such other factors the board of elections of the county or
the city of New York deems appropriate. The provisions of section 4-104
of this chapter, except subdivisions four and five of such section,
shall apply to the designation of polling places for early voting except to the extent such provisions are inconsistent with this section.

3. Any person permitted to vote early may do so at any polling place for early voting established pursuant to subdivision two of this section in the county where such voter is registered to vote. Provided, however, (i) if it is impractical to provide each polling place for early voting all appropriate ballots for each election to be voted on in the county, or (ii) if permitting such persons to vote early at any polling place established for early voting would make it impractical to ensure that such voter has not previously voted early during such election, the board of elections may designate each polling place for early voting only for those voters registered to vote in a portion of the county to be served by such polling place for early voting, provided that all voters in each county shall have one or more polling places at which they are eligible to vote throughout the early voting period on a substantially equal basis.

4. (a) Polls shall be open for early voting for at least eight hours between seven o'clock in the morning and eight o'clock in the evening each week day during the early voting period.

(b) At least one polling place for early voting shall remain open until eight o'clock in the evening on at least two week days in each calendar week during the early voting period. If polling places for early voting are limited to voters from certain areas pursuant to subdivision three of this section, polling places that remain open until eight o'clock shall be designated such that any person entitled to vote early may vote until eight o'clock in the evening on at least two week days during the early voting period.
(c) Polls shall be open for early voting for at least five hours
between nine o'clock in the morning and six o'clock in the evening on
each Saturday, Sunday and legal holiday during the early voting period.
(d) Nothing in this section shall be construed to prohibit any board
of elections from establishing a greater number of hours for voting
during the early voting period beyond the number of hours required in
this subdivision.
(e) Early voting polling places and their hours of operation for early
voting at a general election shall be designated by May first of each
year pursuant to subdivision one of section 4-104 of this chapter.
Notwithstanding the provisions of subdivision one of section 4-104 of
this chapter requiring poll site designation by May first, early voting
polling places and their hours of operation for early voting for a
primary or special election shall be made not later than forty-five days
before such primary or special election.
5. Each board of elections shall create a communication plan to inform
eligible voters of the opportunity to vote early. Such plan may utilize
any and all media outlets, including social media, and shall publicize:
the location and dates and hours of operation of all polling places for
early voting; an indication of whether each polling place is accessible
to voters with physical disabilities; a clear and unambiguous notice to
voters that if they cast a ballot during the early voting period they
will not be allowed to vote election day; and if polling places for
early voting are limited to voters from certain areas pursuant to subdi-
vision three of this section, the location of the polling places for
early voting serving the voters of each particular city, town or other
political subdivision.
6. The form of paper ballots used in early voting shall comply with the provisions of article seven of this chapter that are applicable to voting by paper ballot on election day and such ballot shall be cast in the same manner as provided for in section 8-312 of this article, provided, however, that ballots cast during the early voting period shall be secured in the manner of voted ballots cast on election day and such ballots shall not be canvassed or examined until after the close of the polls on election day, and no unofficial tabulations of election results shall be printed or viewed in any manner until after the close of polls on election day.

7. Voters casting ballots pursuant to this title shall be subject to challenge as provided in sections 8-500, 8-502 and 8-504 of this article.

8. Notwithstanding any other provisions of this chapter, at the end of each day of early voting, any early voting ballots that have not been scanned because a ballot scanner was not available or because the ballot has been abandoned by the voter at the ballot scanner shall be cast in a manner consistent with section 9-110 of this chapter, except that any ballots that would otherwise be scanned at the close of the polls pursuant to such section shall be scanned at the close of each day's early voting.

9. The board of elections shall secure all ballots and scanners used for early voting from the beginning of the early voting period through the close of the polls of the election on election day. As soon as the polls of the election are closed on election day, and not before, inspectors or board of elections employees shall follow all relevant provisions of article nine of this chapter that are not inconsistent with this section, for canvassing, processing, recording, and announcing
results of voting at polling places for early voting, and securing
ballots, scanners, and other election materials.

§ 8-602. State board of elections; powers and duties for early voting.
Any rule or regulation necessary for the implementation of the
provisions of this title shall be promulgated by the state board of
elections provided that such rules and regulations shall include
provisions to ensure that ballots cast early, by any method allowed
under law, are counted and canvassed as if cast on election day. The
state board of elections shall promulgate any other rules and regu-
lations necessary to ensure an efficient and fair early voting process
that respects the privacy of the voter. Provided, further, that such
rules and regulations shall require that the voting history record for
each voter be continually updated to reflect each instance of early
voting by such voter.

§ 12. This act shall take effect on the first of January next succeed-
ing the date on which it shall have become a law and shall apply to any
election held 120 days or more after it shall have taken effect;
provided, however that sections one, two, three and four of this act
shall take effect April 1, 2019.

PART C

Section 1. The public officers law is amended by adding a new section
74-b to read as follows:

§ 74-b. Duty of members of the legislature regarding outside employ-
ment. A member of the legislature, who obtains outside employment as
defined in this section, shall request a formal advisory opinion from
the legislative ethics commission pursuant to the provisions of section
eighty of the legislative law on whether the outside employment violates
the provisions of section seventy-four of this article and the commis-
sion shall provide an opinion. For purposes of this section, "outside
employment" means compensation in excess of five thousand dollars per
year, other than compensation provided pursuant to sections five and
five-a of the legislative law, from employment for services rendered or
goods sold during the member's term.

§ 2. Subdivision 1 of section 80 of the legislative law, as amended by
section 9 of part A of chapter 399 of the laws of 2011, is amended to
read as follows:

1. There is established a legislative ethics commission which shall
consist of ten members. Four members shall be members of the
legislature and shall be appointed as follows: one by the temporary
president of the senate, one by the speaker of the assembly, one by the

§ 7. Sections 14-100 through 14-132 of article 14 of the election law are designated title I and a new title heading is added to read as follows:

CAMPAIGN RECEIPTS AND EXPENDITURES

§ 8. Article 14 of the election law is amended by adding a new title II to read as follows:

TITLE II

PUBLIC FINANCING

Section 14-200. Legislative findings and intent.

14-201. Reporting requirements.
§ 14-200. Legislative findings and intent. The legislature finds that reform of New York state's campaign finance system is crucial to improving public confidence in the state's democratic processes and continuing to ensure a government that is accountable to all of the voters of the state regardless of wealth or position. The legislature finds that New York's current system of campaign finance, with its large contributions to candidates for office and party committees, has created the potential for and the appearance of corruption. The legislature further finds that, whether or not this system creates actual corruption, the appearance of such corruption can give rise to a distrust in government and citizen apathy that undermine the democratic operation of the political process.

The legislature also finds that the high cost of running for office in New York discourages qualified candidates from running for office and
creates an electoral system that encourages candidates to spend too much
time raising money rather than attending to the duties of their office,
representing the needs of their constituents, and communicating with
voters.

The legislature amends this chapter creating a new title two to article
fourteen of this chapter to reduce the possibility and appearance
that special interests exercise undue influence over state officials; to
increase the actual and apparent responsiveness of elected officials to
all voters; to encourage qualified candidates to run for office; and to
reduce the pressure on candidates to spend large amounts of time raising
large contributions for their campaigns.

The legislature finds that this article's limitations on contributions
further the government's interest in reducing real and apparent
corruption and in building trust in government. The legislature finds
that the contribution levels are sufficiently high to allow candidates
and political parties to raise enough money to run effective campaigns.
In addition, the legislature finds that graduated contribution limita-
tions reflect the campaign needs of candidates for different offices.

The legislature also finds that the system of voluntary public financ-
ing furthers the government's interest in encouraging qualified candi-
dates to run for office. The legislature finds that the voluntary public
funding program will enlarge the public debate and increase partic-
ipation in the democratic process. In addition, the legislature finds
that the voluntary expenditure limitations and matching fund program
reduce the burden on candidates and officeholders to spend time raising
money for their campaigns.

Therefore, the legislature declares that these amendments further the
important and valid government interests of reducing voter apathy,
building confidence in government, reducing the reality and appearance of corruption, and encouraging qualified candidates to run for office, while reducing candidates' and officeholders' fundraising burdens.

§ 14-201. Reporting requirements. 1. Political committee registration. Political committees as defined pursuant to subdivision one of section 14-100 of this article shall register with the board before making any contribution or expenditure. The board shall publish a cumulative list of political committees that have registered, including on its webpage, and regularly update it.

2. Only one authorized committee per candidate per elective office sought. Before receiving any contribution or making any expenditure for a covered election, each candidate shall notify the board as to the existence of his or her authorized committee that has been approved by such candidate. Each candidate shall have one and only one authorized committee per elective office sought. Each authorized committee shall have a treasurer and is subject to the restrictions found in section 14-112 of this article.
3. (a) Detailed reporting. In addition to each authorized and political committee reporting to the board every contribution and loan received and every expenditure made in the time and manner prescribed by sections 14-102, 14-104 and 14-108 of this article, each authorized and political committee shall also submit disclosure reports on March fifteenth and May fifteenth of each election year reporting to the board every contribution and loan received and every expenditure made. For contributors who make contributions of five hundred dollars or more, each authorized and political committee shall report to the board the occupation, and business address of each contributor, lender, and intermediary. The board shall revise, prepare and post forms on its webpage that facilitate compliance with the requirements of this section.

(b) Board review. The board shall review each disclosure report filed and shall inform authorized and political committees of relevant questions it has concerning: (i) compliance with requirements of this title and of the rules issued by the board; and (ii) qualification for receiving public matching funds pursuant to this title. In the course of this review, it shall give authorized and political committees an opportunity to respond to and correct potential violations and give candidates an opportunity to address questions it has concerning their matchable contribution claims or other issues concerning eligibility for receiving public matching funds pursuant to this title. Nothing in this paragraph shall preclude the chief enforcement counsel from subsequently reviewing such disclosure reports and taking any action otherwise authorized under this title.

(c) Itemization. Contributions that are not itemized in reports filed with the board shall not be matchable.
(d) Option to file more frequently. Participating candidates may file reports of contributions as frequently as once a week on Monday so that their matching funds may be paid at the earliest allowable date.

§ 14-202. Contributions. Recipients of funds pursuant to this title shall be subject to the applicable contribution limits set forth in section 14-114 of this article.

§ 14-203. Proof of compliance. Authorized and political committees shall maintain such records of receipts and expenditures for a covered election as required by the board. Authorized and political committees shall obtain and furnish to the board any information it may request relating to financial transactions or contributions and furnish such documentation and other proof of compliance with this title as may be requested. In compliance with section 14-108 of this article, authorized and political committees shall maintain copies of such records for a period of five years.

§ 14-204. Eligibility. 1. Terms and conditions. To be eligible for voluntary public financing under this title, a candidate must:

(a) be a candidate in a covered election;

(b) meet all the requirements of law to have his or her name on the ballot;

(c) in the case of a covered general or special election, be opposed by another candidate on the ballot who is not a write-in candidate;

(d) submit a certification in the form of an affidavit, in such form as may be prescribed by the board, that sets forth his or her acceptance of and agreement to comply with the terms and conditions for the provision of such funds in each covered election and such certification shall be submitted at least four months before the election pursuant to a schedule promulgated by the board;
(e) be certified as a participating candidate by the board;

(f) not make, and not have made, expenditures from or use his or her personal funds or property or the personal funds or property jointly held with his or her spouse, or unemancipated children in connection with his or her nomination election or election to a covered office, but may make a contribution to his or her authorized committee in an amount that does not exceed three times the applicable contribution limit from an individual contributor to candidates for the office that he or she is seeking;

(g) meet the threshold for eligibility set forth in subdivision two of this section;

(h) continue to abide by all requirements during the post-election period;

(i) agree not to expend for campaign purposes any portion of any pre-existing funds raised for any public office or party position prior to the first day of the election cycle for which the candidate seeks certification. Nothing in this paragraph shall be construed to limit, in any way, any candidate or public official from expending any portion of pre-existing campaign funds for any lawful purpose other than those related to his or her campaign; and

(j) not have accepted contributions in amounts exceeding the contribution limits set forth for participating candidates in paragraphs a and b of subdivision one of section 14-114 of this article during the election cycle for which the candidate seeks certification;

(i) Provided however, that, if a candidate accepted contributions exceeding such limits before certification, such acceptance shall not prevent the candidate from being certified by the board if the candidate
immediately pays to the fund or returns to the contributor the portion of any contribution that exceeded the applicable contribution limit.

(ii) If the candidate is unable to return such funds immediately because they have already been spent, acceptance of contributions exceeding the limits shall not prevent the candidate from being certified by the board if the candidate submits an affidavit agreeing to pay to the fund all portions of any contributions that exceeded the limit no later than thirty days before the general election. If a candidate provides the board with such an affidavit, any disbursement of public funds to the candidate made under section 14-206 of this title shall be reduced by no more than twenty-five percent until the total amount owed by the candidate is repaid.

(iii) Nothing in this section shall be interpreted to require a candidate who retains funds raised during a previous election cycle to forfeit such funds. Funds raised during a previous election cycle may be retained, but only if the candidate places the funds in escrow.

(iv) Contributions received and expenditures made by the candidate or an authorized committee of the candidate prior to the effective date of this title shall not constitute a violation of this title. Unexpended contributions shall be treated the same as campaign surpluses under subparagraph (iii) of this paragraph.

2. Threshold for eligibility. (a) The threshold for eligibility for public funding for participating candidates shall be in the case of:

(i) Governor, not less than six hundred fifty thousand dollars in matchable contributions including at least six thousand five hundred matchable contributions comprised of sums between ten and one hundred seventy-five dollars per contributor, from residents of New York state;

(b) Any participating candidate meeting the threshold for eligibility in a primary election for one of the foregoing offices shall be deemed to have met the threshold for eligibility for such office in any other subsequent election held in the same calendar year.

§ 14-205. Limits on public financing. The following limitations apply to the total amounts of public funds that may be provided to a participating candidate's authorized committee for an election cycle:

1. In any primary election, receipt of public funds by participating candidates and by their participating committees shall not exceed:

   (i) for governor, the sum of eight million dollars;
(ii) for lieutenant governor, comptroller or attorney general, the sum of four million dollars;

(iii) for senator, the sum of three hundred seventy-five thousand dollars;

(iv) for member of the assembly, delegate-at-large to a convention to revise and amend the state constitution, or district delegate to a convention to revise and amend the state constitution, the sum of one hundred seventy-five thousand dollars.

Comptroller $4,000,000

Member of senate $375,000

Member of assembly, delegate-at-large to a convention to revise and amend the state constitution, or district delegate to a convention to revise and amend the state constitution $175,000

3. No participating candidate for nomination for an office who is not opposed by a candidate on the ballot in a primary election shall be entitled to payment of public matching funds, except that, where there is a contest in such primary election for the nomination of at least one of the two political parties with the highest and second highest number of enrolled members for such office, a participating candidate who is unopposed in the primary election may receive public funds before the
primary election, for expenses incurred on or before the date of such
primary election, in an amount equal to up to half the sum set forth in
paragraph one of this section.

§ 14-206. Payment of public matching funds. 1. Determination of eligi-
bility. No public matching funds shall be paid to an authorized commit-
tee unless the board determines that the participating candidate has met
the eligibility requirements of this title. Payment shall not exceed the
amounts specified in subdivision two of this section, and shall be made
only in accordance with the provisions of this title. Such payment may
be made only to the participating candidate's authorized committee. No
public matching funds shall be used except as reimbursement or payment
for qualified campaign expenditures actually and lawfully incurred or to
repay loans used to pay qualified campaign expenditures.

2. Calculation of payment. If the threshold for eligibility is met,
the participating candidate's authorized committee shall receive payment
for qualified campaign expenditures of six dollars of public matching
funds for each one dollar of matchable contributions, for the first one
hundred seventy-five dollars of eligible private funds per contributor,
obtained and reported to the board in accordance with the provisions of
this title. The maximum payment of public matching funds shall be limit-
ed to the amounts set forth in section 14-205 of this title for the
covered election.

3. Timing of payment. The board shall make any payment of public
matching funds to participating candidates as soon as is practicable.
But in all cases, it shall verify eligibility for public matching funds
within four days, excluding weekends and holidays, of receiving a
campaign contribution report filed in compliance with section 14-104 of
this article. Within two days of determining that a candidate for a
covered office is eligible for public matching funds, it shall authorize
payment of the applicable matching funds owed to the candidate. However,
it shall not make any payments of public money earlier than the earliest
dates for making such payments as provided by this title. If any of
such payments would require payment on a weekend or federal holiday,
payment shall be made on the next business day.

4. Electronic funds transfer. The board shall, in consultation with
the office of the comptroller, promulgate rules to facilitate electronic
funds transfers directly from the campaign finance fund into an authorized committee's bank account.

5. Irregularly scheduled elections. Notwithstanding any other
provision of this title, the board shall promulgate rules to provide for
the prompt issuance of public matching funds to eligible participating candidates for qualified campaign expenditures in the case of any other covered election held on a day different from that than originally scheduled including special elections. But in all cases, the board shall (a) within four days, excluding weekends and holidays, of receiving a report of contributions from a candidate for a covered office claiming eligibility for public matching funds verify that candidate's eligibility for public matching funds; and (b) within two days of determining that the candidate for a covered office is eligible for public matching funds, it shall authorize payment of the applicable matching funds owed to the candidate.

§ 14-207. Use of public matching funds; qualified campaign expenditures. 1. Public matching funds provided under the provisions of this title may be used only by an authorized committee for expenditures to further the participating candidate's nomination for election or election, including paying for debts incurred within one year prior to
an election to further the participating candidate's nomination for

2 election or election.

2. Such public matching funds may not be used for:

(a) an expenditure in violation of any law;

(b) an expenditure in excess of the fair market value of services,

materials, facilities or other things of value received in exchange;

(c) an expenditure made after the candidate has been finally disquali-

fied from the ballot;

(d) an expenditure made after the only remaining opponent of the

candidate has been finally disqualified from the general or special

election ballot;

(e) an expenditure made by cash payment;

(f) a contribution or loan or transfer made to or expenditure to

support another candidate or political committee or party, committee or

constituted committee;

(g) an expenditure to support or oppose a candidate for an office

other than that which the participating candidate seeks;

(h) gifts, except brochures, buttons, signs and other printed campaign

material;

(i) legal fees to defend against a criminal charge;

(j) payments to immediate family members of the participating candi-

date; or

(k) any expenditure made to challenge the validity of any petition of

designation or nomination or any certificate of nomination, acceptance,

authorization, declination or substitution.

§ 14-208. Powers and duties of the board. 1. Advisory opinions. The

board shall render advisory opinions with respect to questions arising

under this title upon the written request of a candidate, an officer of
a political committee or member of the public, or upon its own initiative. The board shall promulgate rules regarding reasonable times to respond to such requests. The board shall make public the questions of interpretation for which advisory opinions will be considered by the board and its advisory opinions, including by publication on its webpage with identifying information redacted as the board determines to be appropriate.

2. Public information and candidate education. The board shall develop a program for informing candidates and the public as to the purpose and effect of the provisions of this title, including by means of a webpage. The board shall prepare in plain language and make available educational materials, including compliance manuals and summaries and explanations of the purposes and provisions of this title. The board shall prepare or have prepared and make available materials, including, to the extent feasible, computer software, to facilitate the task of compliance with the disclosure and record-keeping requirements of this title.

3. Rules and regulations. The board shall have the authority to promulgate such rules and regulations and provide such forms as it deems necessary for the administration of this title.

4. Database. The board shall develop an interactive, searchable computer database that shall contain all information necessary for the proper administration of this title including information on contributions to and expenditures by candidates and their authorized committee, independent expenditures in support or opposition of candidates for covered offices, and distributions of moneys from the fund. Such database shall be accessible to the public on the board's webpage.

5. The board shall work with the chief enforcement counsel to enforce this section.
§ 14-209. **Audits and repayments.** 1. Audits. The board shall audit and examine all matters relating to the proper administration of this title and shall complete such audit no later than two years after the election in question. Every candidate who receives public funds under this title shall be audited by the board. The cost of complying with a post-election audit shall be borne by the candidate's authorized committee using public funds, private funds or any combination of such funds. Candidates who run in any primary or general election must maintain a reserve of three percent of the public funds received to comply with the post-election audit. The board shall issue to each campaign audited a final audit report that details its findings.

2. Repayments. (a) If the board determines that any portion of the payment made to a candidate's authorized committee from the fund was in excess of the aggregate amount of payments that such candidate was eligible to receive pursuant to this title, it shall notify such committee and such committee shall pay to the board an amount equal to the amount of excess payments. Provided, however, that if the erroneous payment was the result of an error by the board, then the erroneous payment will be deducted from any future payment, if any, and if no payment is to be made then neither the candidate nor the committee shall be liable to repay the excess amount to the board. The candidate, the treasurer and the candidate's authorized committee are jointly and severally liable for any repayments to the board.

(b) If the board determines that any portion of the payment made to a candidate's authorized committee from the fund was used for purposes other than qualified campaign expenditures and such expenditures were not approved by the board, it shall notify such committee of the amount so disqualified and such committee shall pay to the board an amount
equal to such disqualified amount. The candidate, the treasurer and the
candidate's authorized committee are jointly and severally liable for
any repayments to the board.

(c) If the total of payments from the fund received by a participating
candidate and his or her authorized committee exceed the total campaign
expenditures of such candidate and authorized committee for all covered
elections held in the same calendar year or for a special election to
fill a vacancy, such candidate and committee shall use such excess funds
to reimburse the fund for payments received by such authorized committee
from the fund during such calendar year or for such special election.
Participating candidates shall pay to the board unspent public campaign
funds from an election not later than twenty-seven days after all
liabilities for the election have been paid and in any event, not later
than the day on which the board issues its final audit report for the
participating candidate's authorized committee; provided, however, that
all unspent public campaign funds for a participating candidate shall be
immediately due and payable to the board upon a determination by the
board that the participant has delayed the post-election audit. A
participating candidate may make post-election expenditures with public
funds only for routine activities involving nominal cost associated with
winding up a campaign and responding to the post-election audit. Noth-
ingen in this title shall be construed to prevent a candidate or his or
her authorized committee from using campaign contributions received from
private contributors for otherwise lawful expenditures.

3. Rules and regulations. The board shall promulgate regulations for
the certification of the amount of funds payable by the comptroller,
from the fund established pursuant to section ninety-two-t of the state
finance law, to a participating candidate that has qualified to receive
such payment. These regulations shall include the promulgation and
distribution of forms on which contributions and expenditures are to be
reported, the periods during which such reports must be filed and the
verification required. The board shall institute procedures which will
make possible payment by the fund within four business days after
receipt of the required forms and verifications.

§ 14-210. Enforcement and penalties for violations and other
proceedings. 1. Civil penalties. Violations of any provision of this
title or rule promulgated pursuant to this title shall be subject to a
civil penalty in an amount not in excess of fifteen thousand dollars.

2. Notice of violation and opportunity to contest. The board shall:
(a) determine whether a violation of any provision of this title or
rule promulgated hereunder has been committed;
(b) give written notice and the opportunity to contest before an inde-
pendent hearing officer to each person or entity it has reason to
believe has committed a violation; and
(c) if appropriate, assess penalties for violations, following such
notice and opportunity to contest.

3. Criminal conduct. Any person who knowingly and willfully furnishes
or submits false statements or information to the board in connection
with its administration of this title, shall be guilty of a misdemeanor
in addition to any other penalty as may be imposed under this chapter or
pursuant to any other law. The chief enforcement counsel shall seek to
recover any public matching funds obtained as a result of such criminal
conduct.

4. Proceedings as to public financing. (a) The determination of eligi-
bility pursuant to this title and any question or issue relating to
payments for campaign expenditures pursuant to this title may be
contested in a proceeding instituted in the Supreme court, Albany country, by any aggrieved candidate.

(b) A proceeding with respect to such a determination of eligibility or payment for qualified campaign expenditures pursuant to this chapter shall be instituted within fourteen days after such determination was made. The board shall be made a party to any such proceeding.

(c) Upon the board's failure to receive the amount due from a participating candidate or such candidate's authorized committee after the issuance of written notice of such amount due, as required by this title, the chief enforcement counsel is authorized to institute a special proceeding or civil action in Supreme Court, Albany county, to obtain a judgment for any amounts determined to be payable to the board as a result of an examination and audit made pursuant to this title or to obtain such amounts directly from the candidate or authorized committee after a hearing at the board.

(d) The chief enforcement counsel is authorized to institute a special proceeding or civil action in Supreme Court, Albany county, to obtain a judgment for civil penalties determined to be payable to the board pursuant to this title or to impose such penalty directly after a hearing at the board.

§ 14-211. Reports. The board shall review and evaluate the effect of this title upon the conduct of election campaigns and shall submit a report to the legislature on or before January first, two thousand twenty-one, and every third year thereafter, and at any other time upon the request of the governor and at such other times as the board deems appropriate. These reports shall include:
1. a list of the participating and nonparticipating candidates in covered elections and the votes received by each candidate in those elections;

2. the amount of contributions and loans received, and expenditures made, on behalf of these candidates;

3. the amount of public matching funds each participating candidate received, spent, and repaid pursuant to this title;

4. analysis of the effect of this title on political campaigns, including its effect on the sources and amounts of private financing, the level of campaign expenditures, voter participation, the number of candidates, the candidates' ability to campaign effectively for public office, and the diversity of candidates seeking and elected to office;

and

5. recommendations for amendments to this title, including changes in contribution limits, thresholds for eligibility, and any other features of the system.

§ 14-212. Debates for candidates for statewide office. The board shall promulgate regulations to facilitate debates among participating candidates who seek election to statewide office. Participating candidates are required to participate in one debate before each election for which the candidate receives public funds, unless the participating candidate is running unopposed. Nonparticipating candidates may participate in such debates.

§ 14-213. Severability. If any clause, sentence, subdivision, paragraph, section or part of this title be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, subdivision, paragraph, section or part
thereof directly involved in the controversy in which such judgment shall have been rendered.

§ 9. The state finance law is amended by adding a new section 92-t to read as follows:

§ 92-t. New York state campaign finance fund. 1. There is hereby established in the joint custody of the state comptroller and the commissioner of taxation and finance a fund to be known as the New York state campaign finance fund.

2. Such fund shall consist of all revenues received from the New York state campaign finance fund check-off pursuant to subsection (h) of section six hundred fifty-eight of the tax law, from the abandoned property fund pursuant to section ninety-five of this article, from the general fund, and from all other moneys credited or transferred thereto from any other fund or source pursuant to law. Such fund shall also receive contributions from private individuals, organizations, or other persons to fulfill the purposes of the public financing system.

3. Moneys of the fund, following appropriation by the legislature, may be expended for the purposes of making payments to candidates pursuant to title II of article fourteen of the election law and for administrative expenses related to the implementation of article fourteen of the election law. Moneys shall be paid out of the fund by the state comptroller on vouchers certified or approved by the state board of elections, or its duly designated representative, in the manner prescribed by law, not more than five working days after such voucher is received by the state comptroller.

4. Notwithstanding any provision of law to the contrary, if, in any state fiscal year, the state campaign finance fund lacks the amount of money to pay all claims vouchered by eligible candidates and certified
or approved by the state board of elections, any such deficiency shall be paid by the state comptroller, from funds deposited in the general fund of the state not more than four working days after such voucher is received by the state comptroller.

5. Commencing in two thousand twenty, if the surplus in the fund on April first of the year after a year in which a governor is elected exceeds twenty-five percent of the disbursements from the fund over the previous four years, the excess shall revert to the general fund of the state.

6. No public funds shall be paid to any participating candidates in a primary election any earlier than thirty days after designating petitions or certificates of nomination have been filed and not later than thirty days after such primary election.

7. No public funds shall be paid to any participating candidates in a general election any earlier than the day after the day of the primary election held to nominate candidates for such election.

8. No public funds shall be paid to any participating candidates in a special election any earlier than the day after the last day to file certificates of party nomination for such special election.

9. No payment from the fund in the possession of such a candidate or such candidate's participating committee on the date of such disqualification or invalidation may thereafter be expended for any purpose except the payment of liabilities incurred before such date. All such moneys shall be repaid to the fund.
§ 10. Section 95 of the state finance law is amended by adding a new subdivision 5 to read as follows:

5. (a) As often as necessary, the co-chairs of the state board of elections shall certify the amount such co-chairs have determined necessary to fund estimated payments from the fund established by section ninety-two-t of this article for the primary, general or special election.

(b) Notwithstanding any provision of this section authorizing the transfer of any moneys in the abandoned property fund to the general fund, the comptroller, after receiving amounts sufficient to pay claims against the abandoned property fund, shall, based upon a certification of the state board of elections pursuant to paragraph (a) of this subdivision, and at the direction of the director of the budget, transfer the requested amount from remaining available monies in the abandoned property fund to the campaign finance fund established by section ninety-two-t of this article.

(2) The commissioner shall transfer to the New York state campaign finance fund, established pursuant to section ninety-two-t of the state finance law, an amount equal to forty dollars multiplied by the number of designations.

(3) For purposes of this subsection, the income tax liability of an individual for any taxable year is the amount of tax imposed under this article reduced by the sum of the credits (as shown in his or her return) allowable under this article.

(4) The department shall include a place on every personal income tax return form to be filed by an individual for a tax year beginning on or after January first, two thousand eighteen, for such taxpayer to make the designations described in paragraph one of this subsection. Such return form shall contain a concise explanation of the purpose of such optional designations.

§ 12. Severability. If any clause, sentence, subdivision, paragraph, section or part of title II of article 14 of the election law, as added by section three of this act be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, subdivision, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

§ 13. This act shall take effect immediately; provided, however, all affected candidates will be eligible to participate in voluntary public financing beginning with the 2020 primary election.

Additionally, a copy of the proposed terms of such agreement shall be placed on the website of the applicable public employer, if such websites exist, and within the local public libraries and offices of such public employer, or in the case of collective bargaining agreements
negotiated by the state, on the website of the office of employee relations on such date;

(h) are examination questions or answers which are requested prior to the final administration of such questions.

(i) if disclosed, would jeopardize the capacity of an agency, the state legislature, or an entity that has shared information with an agency or the state legislature to guarantee the security of its information technology assets, such assets encompassing both electronic information systems and infrastructures; or

(j) are photographs, microphotographs, videotape or other recorded images prepared under authority of section eleven hundred eleven-a of the vehicle and traffic law.

(b) a record of votes of each member in every session and every committee and subcommittee meeting in which the member of the senate or assembly votes;

[(b)] (c) a record setting forth the name, public office address, title and salary of every officer or employee of the agency or the state legislature; and

[(c)] (d) a reasonably detailed current list by subject matter of all records in the possession of the agency or state legislature, whether or not available under this article. Each agency and each respective house of the state legislature shall update its subject matter list annually, and the date of the most recent update shall be conspicuously indicated on the list. [Each] The state legislature and each state agency as defined in subdivision four of this section that maintains a website shall post its current list on its website and such posting shall be linked to the website of the committee on open government. Any such agency or part of the state legislature that does not maintain a website shall arrange to have its list posted on the website of the committee on open government.
4. (a) Each state agency or respective house of the state legislature which maintains records containing trade secrets, to which access may be denied pursuant to paragraph (d) of subdivision two of this section, shall promulgate regulations in conformity with the provisions of subdivision five of section eighty-nine of this article pertaining to such records, including, but not limited to the following:

(1) the manner of identifying the records or parts;

(2) the manner of identifying persons within the agency or respective house of the state legislature to whose custody the records or parts will be charged and for whose inspection and study the records will be made available;

(3) the manner of safeguarding against any unauthorized access to the records.

(b) As used in this subdivision the term "agency" or "state agency" means only a state department, board, bureau, division, council, or office and any public corporation the majority of whose members are appointed by the governor.

(d) Each state agency and respective house of the state legislature that maintains a website shall post information related to this article and article six-A of this chapter on its website. Such information shall include, at a minimum, contact information for the persons from whom records of the agency or respective house of the state legislature may be obtained, the times and places such records are available for inspection and copying, and information on how to request records in person, by mail, and, if the agency or respective house of the state
legislature accepts requests for records electronically, by e-mail. This posting shall be linked to the website of the committee on open govern-
ment.

5. (a) An agency and the respective house of the state legislature shall provide records on the medium requested by a person, if the agency or the respective house of the state legislature can reasonably make such copy or have such copy made by engaging an outside professional service. Records provided in a computer format shall not be encrypted.

(b) No agency nor the state legislature shall enter into or renew a contract for the creation or maintenance of records if such contract impairs the right of the public to inspect or copy the agency's or the state legislature's records.

6. (a) Each agency and house of the state legislature shall publish, on its internet website, to the extent practicable, records or portions of records that are available to the public pursuant to the provisions of this article, or which, in consideration of their nature, content or subject matter, are determined by the agency or house of the state legislature to be of substantial interest to the public. Any such records may be removed from the internet website when the agency or house of the state legislature determines that they are no longer of substantial interest to the public. Any such records may be removed from the internet website when they have reached the end of their legal retention period. Guidance on creating records in accessible formats and ensuring their continuing accessibility shall be available from the office of information technology services and the state archives.

(b) The provisions of paragraph (a) of this subdivision shall not apply to records or portions of records the disclosure of which would
constitute an unwarranted invasion of personal privacy in accordance
with subdivision two of section eighty-nine of this article.

(c) The committee on open government shall promulgate guidelines to
effectuate this subdivision.

(d) Nothing in this subdivision shall be construed as to limit or
abridge the power of an agency or house of the state legislature to

provisions of this article prior to a written request or prior to a
frequent request.

§ 3. Section 88 of the public officers law is REPEALED.

of the laws of 2008, subdivision 4 as amended by chapter 22 of the laws
of 2005, paragraph (c) of subdivision 4 as amended by chapter 453 of the
laws of 2017, paragraph (d) of subdivision 4 as added by chapter 487 of
the laws of 2016, subdivision 5 as added and subdivision 6 as renumbered

by chapter 783 of the laws of 1983, subdivision 8 as added by chapter
705 of the laws of 1989, and subdivision 9 as added by chapter 351 of
the laws of 2008, is amended to read as follows:
§ 89. General provisions relating to access to records; certain cases.

The provisions of this section apply to access to all records, except as hereinafter specified:

1. (a) The committee on open government is continued and shall consist of the lieutenant governor or the delegate of such officer, the secretary of state or the delegate of such officer, whose office shall act as secretariat for the committee, the commissioner of the office of general services or the delegate of such officer, the director of the budget or the delegate of such officer, and seven other persons, none of whom shall hold any other state or local public office except the representative of local governments as set forth herein, to be appointed as follows: five by the governor, at least two of whom are or have been representatives of the news media, one of whom shall be a representative of local government who, at the time of appointment, is serving as a duly elected officer of a local government, one by the temporary president of the senate, and one by the speaker of the assembly. The persons appointed by the temporary president of the senate and the speaker of the assembly shall be appointed to serve, respectively, until the expiration of the terms of office of the temporary president and the speaker to which the temporary president and speaker were elected. The four persons presently serving by appointment of the governor for fixed terms shall continue to serve until the expiration of their respective terms. Thereafter, their respective successors shall be appointed for terms of four years. The member representing local government shall be appointed for a term of four years, so long as such member shall remain a duly elected officer of a local government. The committee shall hold no less than two meetings annually, but may meet at any time. The members of the
committee shall be entitled to reimbursement for actual expenses incurred in the discharge of their duties.

(b) The committee shall:

i. furnish to any agency and to each house of the state legislature advisory guidelines, opinions or other appropriate information regarding this article;

ii. furnish to any person advisory opinions or other appropriate information regarding this article;

iii. promulgate rules and regulations with respect to the implementation of subdivision one and paragraph (c) of subdivision three of section eighty-seven of this article;

iv. request from any agency and from either house of the state legislature such assistance, services and information as will enable the committee to effectively carry out its powers and duties;

v. develop a form, which shall be made available on the internet, that may be used by the public to request a record; and

vi. report on its activities and findings regarding this article and article seven of this chapter, including recommendations for changes in the law, to the governor and the legislature annually, on or before December fifteenth.

2. (a) The committee on [public access to records] open government may promulgate guidelines regarding deletion of identifying details or withholding of records otherwise available under this article to prevent unwarranted invasions of personal privacy. In the absence of such guidelines, an agency and the respective house of state legislature may delete identifying details when it makes records available.

(b) An unwarranted invasion of personal privacy includes, but shall not be limited to:
i. disclosure of employment, medical or credit histories or personal references of applicants for employment;

ii. disclosure of items involving the medical or personal records of a client or patient in a medical facility;

iii. sale or release of lists of names and addresses if such lists would be used for solicitation or fund-raising purposes;

iv. disclosure of information of a personal nature when disclosure would result in economic or personal hardship to the subject party and such information is not relevant to the work of the agency or respective house of the state legislature requesting or maintaining it;

v. disclosure of information of a personal nature reported in confidence to an agency or to the state legislature and not relevant to the ordinary work of such agency or the state legislature;

vi. information of a personal nature contained in a workers' compensation record, except as provided by section one hundred ten-a of the workers' compensation law; [or]

vii. disclosure of electronic contact information, such as an e-mail address or a social network username, that has been collected from a taxpayer under section one hundred four of the real property tax law; or

viii. disclosure of communications of a personal nature between legislators and their constituents.

(c) Unless otherwise provided by this article, disclosure shall not be construed to constitute an unwarranted invasion of personal privacy pursuant to paragraphs (a) and (b) of this subdivision:

i. when identifying details are deleted;

ii. when the person to whom a record pertains consents in writing to disclosure;
iii. when upon presenting reasonable proof of identity, a person seeks access to records pertaining to him or her; or

iv. when a record or group of records relates to the right, title or interest in real property, or relates to the inventory, status or characteristics of real property, in which case disclosure and providing copies of such record or group of records shall not be deemed an unwarranted invasion of personal privacy, provided that nothing herein shall be construed to authorize the disclosure of electronic contact information, such as an e-mail address or a social network username, that has been collected from a taxpayer under section one hundred four of the real property tax law.

2-a. Nothing in this article shall permit disclosure which constitutes an unwarranted invasion of personal privacy as defined in subdivision two of this section if such disclosure is prohibited under section ninety-six of this chapter.

3. (a) Each entity subject to the provisions of this article, within five business days of the receipt of a written request for a record reasonably described, shall make such record available to the person requesting it, deny such request in writing or furnish a written acknowledgement of the receipt of such request and a statement of the approximate date, which shall be reasonable under the circumstances of the request, when such request will be granted or denied, including, where appropriate, a statement that access to the record will be determined in accordance with subdivision five of this section. Neither an agency nor the state legislature shall [not] deny a request on the basis that the request is voluminous or that locating or reviewing the requested records or providing the requested copies is burdensome because the agency or respective house of the state legislature lacks
sufficient staffing or on any other basis if the agency or respective house of the state legislature may engage an outside professional service to provide copying, programming or other services required to provide the copy, the costs of which the agency may recover pursuant to paragraph (c) of subdivision one of section eighty-seven of this article. An agency or respective house of the state legislature may require a person requesting lists of names and addresses to provide a written certification that such person will not use such lists of names and addresses for solicitation or fund-raising purposes and will not sell, give or otherwise make available such lists of names and addresses to any other person for the purpose of allowing that person to use such lists of names and addresses for solicitation or fund-raising purposes. If an agency or respective house of the state legislature determines to grant a request in whole or in part, and if circumstances prevent disclosure to the person requesting the record or records within twenty business days from the date of the acknowledgement of the receipt of the request, the agency or respective house of the state legislature shall state, in writing, both the reason for the inability to grant the request within twenty business days and a date certain within a reasonable period, depending on the circumstances, when the request will be granted in whole or in part. Upon payment of, or offer to pay, the fee prescribed therefor, the entity shall provide a copy of such record and certify to the correctness of such copy if so requested, or as the case may be, shall certify that it does not have possession of such record or that such record cannot be found after diligent search. Nothing in this article shall be construed to require any entity to prepare any record not possessed or maintained by such entity except the records specified in subdivision three of section eighty-seven [and subdivision three of
section eighty-eight] of this article. When an agency or the respective
house of the state legislature has the ability to retrieve or extract a
record or data maintained in a computer storage system with reasonable
effort, it shall be required to do so. When doing so requires less
employee time than engaging in manual retrieval or redactions from non-
electronic records, the agency and respective house of the state legis-
lature shall be required to retrieve or extract such record or data
electronically. Any programming necessary to retrieve a record main-
tained in a computer storage system and to transfer that record to the
medium requested by a person or to allow the transferred record to be
read or printed shall not be deemed to be the preparation or creation of
a new record.

(b) All entities shall, provided such entity has reasonable means
available, accept requests for records submitted in the form of elec-
tronic mail and shall respond to such requests by electronic mail, using
forms, to the extent practicable, consistent with the form or forms
developed by the committee on open government pursuant to subdivision
one of this section and provided that the written requests do not seek a
response in some other form.

4. (a) Except as provided in subdivision five of this section, any
person denied access to a record may within thirty days appeal in writ-
ing such denial to the head, chief executive or governing body of the
entity, or the person therefor designated by such head, chief executive,
or governing body, who shall within ten business days of the receipt of
such appeal fully explain in writing to the person requesting the record
the reasons for further denial, or provide access to the record sought.
In addition, each agency or the respective house of the state legisla-
ture shall immediately forward to the committee on open government a
copy of such appeal when received by the agency or such house and the
ensuing determination thereon. Failure by an agency or respective house
of the state legislature to conform to the provisions of subdivision
three of this section shall constitute a denial.

(b) Except as provided in subdivision five of this section, a person
denied access to a record in an appeal determination under the
provisions of paragraph (a) of this subdivision may bring a proceeding
for review of such denial pursuant to article seventy-eight of the civil
practice law and rules. In the event that access to any record is denied
pursuant to the provisions of subdivision two of section eighty-seven of
this article, the agency or respective house of the state legislature
involved shall have the burden of proving that such record falls within
the provisions of such subdivision two. Failure by an agency or respec-
tive house of the state legislature to conform to the provisions of
paragraph (a) of this subdivision shall constitute a denial.

(c) The court in such a proceeding: (i) may assess, against such agen-
cy involved, reasonable attorney's fees and other litigation costs
reasonably incurred by such person in any case under the provisions of
this section in which such person has substantially prevailed, and when
the agency failed to respond to a request or appeal within the statutory
time; and (ii) shall assess, against such agency involved, reasonable
attorney's fees and other litigation costs reasonably incurred by such
person in any case under the provisions of this section in which such
person has substantially prevailed and the court finds that the agency
had no reasonable basis for denying access.

(d) (i) Appeal to the appellate division of the supreme court must be
made in accordance with subdivision (a) of section fifty-five hundred
thirteen of the civil practice law and rules.
(ii) An appeal from an agency or respective house of the state legislature taken from an order of the court requiring disclosure of any of all records sought:

(A) shall be given preference;

(B) shall be brought on for argument on such terms and conditions as the presiding justice may direct, upon application of any party to the proceedings; and

(C) shall be deemed abandoned if the agency or respective house of the state legislature fails to serve and file a record and brief within sixty days after the date of service upon the petitioner of the notice of appeal, unless consent to further extension is given by all parties, or unless further extension is granted by the court upon such terms as may be just and upon good cause shown.

5. (a) (1) A person acting pursuant to law or regulation who, subsequent to the effective date of this subdivision, submits any information to any state agency or to the respective house of the state legislature may, at the time of submission, request that the agency or such house provisionally except such information from disclosure under paragraph (d) of subdivision two of section eighty-seven of this article. Where the request itself contains information which if disclosed would defeat the purpose for which the exception is sought, such information shall also be provisionally excepted from disclosure.

(1-a) A person or entity who submits or otherwise makes available any records to any agency or a house of the state legislature, may, at any time, identify those records or portions thereof that may contain critical infrastructure information, and request that the agency or house of the state legislature that maintains such records except such information from disclosure under subdivision two of section eighty-seven of
this article. Where the request itself contains information which if disclosed would defeat the purpose for which the exception is sought, such information shall also be provisionally excepted from disclosure.

(2) The request for an exception shall be in writing, shall specifically identify which portions of the record are the subject of the request for exception and shall state the reasons why the information should be provisionally excepted from disclosure. Any such request for an exception shall be effective for a five-year period from the agency's or respective house of the state legislature's receipt thereof. Provided, however, that not less than sixty days prior to the expiration of the then current term of the exception request, the submitter may apply to the agency or respective house of the state legislature for a two-year extension of its exception request. Upon timely receipt of a request for an extension of an exception request, an agency or respective house of the state legislature may either (A) perform a cursory review of the application and grant the extension should it find any justification for such determination, or (B) commence the procedure set forth in paragraph (b) of this subdivision to make a final determination granting or terminating such exception.

(3) Information submitted as provided in subparagraphs one and one-a of this paragraph shall be provisionally excepted from disclosure and be maintained apart by the agency and the respective house of the state legislature from all other records until the expiration of the submitter's exception request or fifteen days after the entitlement to such exception has been finally determined or such further time as ordered by a court of competent jurisdiction.

(b) [On the] During the effective period of an exception request under this subdivision, on the initiative of the agency or either house of the
state legislature at any time, or upon the request of any person for a record excepted from disclosure pursuant to this subdivision, the agency or respective house of the state legislature shall:

(1) inform the person who requested the exception of the agency's or such house's intention to determine whether such exception should be granted or continued;

(2) permit the person who requested the exception, within ten business days of receipt of notification from the agency or respective house of the state legislature, to submit a written statement of the necessity for the granting or continuation of such exception;

(3) within seven business days of receipt of such written statement, or within seven business days of the expiration of the period prescribed for submission of such statement, issue a written determination granting, continuing or terminating such exception and stating the reasons therefor; copies of such determination shall be served upon the person, if any, requesting the record, the person who requested the exception, and the committee on [public access to records] open government.

(c) A denial of an exception from disclosure under paragraph (b) of this subdivision may be appealed by the person submitting the information and a denial of access to the record may be appealed by the person requesting the record in accordance with this subdivision:

(1) Within seven business days of receipt of written notice denying the request, the person may file a written appeal from the determination of the agency or the respective house of the state legislature with the head of the agency or respective house of the state legislature, the chief executive officer or governing body or their designated representatives.
(2) The appeal shall be determined within ten business days of the receipt of the appeal. Written notice of the determination shall be served upon the person, if any, requesting the record, the person who requested the exception and the committee on open government. The notice shall contain a statement of the reasons for the determination.

(d) A proceeding to review an adverse determination pursuant to paragraph (c) of this subdivision may be commenced pursuant to article seventy-eight of the civil practice law and rules. Such proceeding, when brought by a person seeking an exception from disclosure pursuant to this subdivision, must be commenced within fifteen days of the service of the written notice containing the adverse determination provided for in subparagraph two of paragraph (c) of this subdivision. The proceeding shall be given preference and shall be brought on for argument on such terms and conditions as the presiding justice may direct, not to exceed forty-five days. Appeal to the appellate division of the supreme court must be made in accordance with law, and must be filed within fifteen days after service by a party upon the appellant of a copy of the judgment or order appealed from and written notice of its entry. An appeal taken from an order of the court requiring disclosure shall be given preference and shall be brought on for argument on such terms and conditions as the presiding justice may direct, not to exceed sixty days. This action shall be deemed abandoned when the party requesting an exclusion from disclosure fails to serve and file a record and brief within thirty days after the date of the notice of appeal. Failure by the party requesting an exclusion from disclosure to serve and file a record and brief within the allotted time shall result in the dismissal of the appeal.
(e) The person requesting an exception from disclosure pursuant to this subdivision shall in all proceedings have the burden of proving entitlement to the exception.

(f) Where the agency or the respective house of the state legislature denies access to a record pursuant to paragraph [(d) of] (b) of this subdivision in conjunction with subdivision two of section eighty-seven of this article, the agency or respective house of the state legislature shall have the burden of proving that the record falls within the provisions of such exception.

(g) Nothing in this subdivision shall be construed to deny any person access, pursuant to the remaining provisions of this article, to any record or part excepted from disclosure upon the express written consent of the person who had requested the exception.

(h) As used in this subdivision the term "agency" or "state agency" means only a state department, board, bureau, division, council or office and any public corporation the majority of whose members are appointed by the governor.

(i) As used in this subdivision the term "state legislature" means the legislature as defined in subdivision two of section eighty-six of this article.

6. Nothing in this article shall be construed to limit or abridge any otherwise available right of access at law or in equity of any party to records.

7. Nothing in this article shall require the disclosure of the home address of an officer or employee, former officer or employee, or of a retiree of a public employees' retirement system; nor shall anything in this article require the disclosure of the name or home address of a beneficiary of a public employees' retirement system or of an applicant
for appointment to public employment; provided however, that nothing in
this subdivision shall limit or abridge the right of an employee organ-
ization, certified or recognized for any collective negotiating unit of
an employer pursuant to article fourteen of the civil service law, to
obtain the name or home address of any officer, employee or retiree of
such employer, if such name or home address is otherwise available under
this article.

8. Any person who, with intent to prevent the public inspection of a
record pursuant to this article, willfully conceals or destroys any such
record shall be guilty of a violation.

9. When records maintained electronically include items of information
that would be available under this article, as well as items of informa-
tion that may be withheld, an agency or respective house of the state
legislature in designing its information retrieval methods, whenever
practicable and reasonable, shall do so in a manner that permits the
segregation and retrieval of available items in order to provide maximum
public access.

and rules, subdivision (u) as relettered by chapter 100 of the laws of

§ 8. Section 70-0113 of the environmental conservation law is REPEALED.

§ 9. Subdivision 4 of section 308 of the county law is REPEALED.
