PART A

Section 1. Paragraph 16 of subsection (1) of section 3221 of the insurance law, as added by chapter 554 of the laws of 2002, is amended to read as follows:

(16) (A) Every group or blanket policy [which provides coverage for prescription drugs shall include coverage for the cost of contraceptive drugs or devices approved by the federal food and drug administration or generic equivalents approved as substitutes by such food and drug administration under the prescription of a health care provider legally authorized to prescribe under title eight of the education law. The coverage required by this section shall be included in policies and certificates only through the addition of a rider.]

(A) [that is issued, amended, renewed, effective or delivered on or after January first, two thousand nineteen, shall provide coverage for all of the following services and contraceptive methods:}
(1) All FDA-approved contraceptive drugs, devices, and other products. This includes all FDA-approved over-the-counter contraceptive drugs, devices, and products as prescribed or as otherwise authorized under state or federal law. The following applies to this coverage:

(a) where the FDA has approved one or more therapeutic and pharmaceutical equivalent, as defined by the FDA, versions of a contraceptive drug, device, or product, a group or blanket policy is not required to include all such therapeutic and pharmaceutical equivalent versions in its formulary, so long as at least one is included and covered without cost-sharing and in accordance with this paragraph;

(b) if the covered therapeutic and pharmaceutical equivalent versions of a drug, device, or product are not available or are deemed medically inadvisable a group or blanket policy shall provide coverage for an alternate therapeutic and pharmaceutical equivalent version of the contraceptive drug, device, or product without cost-sharing;

(C) Except as otherwise authorized under this paragraph, a group or blanket policy shall not impose any restrictions or delays on the coverage required under this paragraph.

(D) Benefits for an enrollee under this paragraph shall be the same for an enrollee's covered spouse or domestic partner and covered nonspouse dependents.

(E) Notwithstanding any other provision of this subsection, a religious employer may request a contract without coverage for federal food and drug administration approved contraceptive methods that are contrary to the religious employer's religious tenets. If so requested, such contract shall be provided without coverage for contraceptive methods. The notice shall also advise the certificateholders of the additional premium for such coverage.

[(C)] (G) Nothing in this paragraph shall be construed as authorizing a group or blanket policy which provides coverage for prescription drugs to exclude coverage for prescription drugs prescribed for reasons other than contraceptive purposes.

Except as otherwise authorized under this clause, a contract shall not impose any restrictions or delays on the coverage required under this clause. However, where the FDA has approved one or more therapeutic and pharmaceutical equivalent, as defined by the FDA, versions of a contraceptive drug, device, or product, a contract is not required to include all such therapeutic and pharmaceutical equivalent versions in its formulary, so long as at least one is included and covered without cost-sharing and in accordance with

Notwithstanding any inconsistent provision of law, the provision of a twelve-month supply of contraceptives under the Medicaid program shall not apply to emergency contraception. A prescription for contraceptives, with the exception of a prescription for emergency contraception, may be filled twelve times within one year from the date the prescriber initiated the prescription.
No person shall be compelled or coerced to accept such services or supplies.
