government, plus the school district's gap elimination adjustment for
two thousand eleven--two thousand twelve as computed pursuant to chapter

further, that such amount shall be expended to support and maintain

§ 2. Section 3614 of the education law, as added by section 4 of part
CCC of chapter 59 of the laws of 2018, is amended to read as follows:

§ 3614. Statement of the total funding allocation. 1. Notwithstanding
any provision of law, rule or regulation to the contrary, commencing
with the two thousand eighteen--two thousand nineteen school year for
school districts which contain at least four schools as reported in the
school report card database produced by the commissioner for the two
thousand sixteen--two thousand seventeen school year and which receive
at least fifty percent of total revenue from state aid as reported in
the fiscal profiles master files report produced by the commissioner
concerning data on school district expenditures and revenues for the two
thousand fifteen--two thousand sixteen school year and for school
districts located in a city with a population of more than one million,
and commencing with the two thousand nineteen--two thousand twenty
school year for school districts containing at least four schools as
reported in the school report card database produced by the commissioner for the two thousand sixteen-two thousand seventeen school year, and commencing with the two thousand twenty-two thousand twenty-one school year for all [other] school districts eligible for an apportionment pursuant to subdivision four of section thirty-six hundred two of this part, such school districts shall annually submit to the commissioner and the director of the budget and shall make publicly available and on the district website a detailed statement of the total funding allocation for each school in the district for the upcoming school budget year [prior to the first day of] on or before the Friday prior to Labor Day of such school year, provided that:

a. Such statements shall be in a statewide uniform form developed by the director of the budget, in consultation with the commissioner, provided that when preparing statements districts shall adhere to and complete the prescribed form accurately and fully, and provided further that the director of the budget shall request in such form only information that is known to, or may be ascertained or estimated by, the district. Provided, further, that each local educational agency shall include in such statement the approach used to allocate funds to each school and that such statement shall include but not be limited to separate entries for each individual school, demographic data for the school, per pupil funding level, source of funds, and uniform decision rules regarding allocation of centralized spending to individual schools from all funding sources.

b. Within [thirty] ninety days of submission of such statement by a school district, the commissioner and director of the budget shall review such statement and determine whether the statement is complete and is in the format required by paragraph a of this subdivision. If
such statement is determined to be complete and in the format required by paragraph a of this subdivision, a written acknowledgement of such shall be sent to the school district. If no determination is made by the commissioner and the director of the budget within [thirty] ninety days of submission of the statement, such statement shall be deemed approved. Should the commissioner or the director of the budget request additional information from the school district to determine completeness, the district shall submit such requested information to the commissioner and the director of the budget within thirty days of such request and the commissioner and the director of the budget's deadline for review and determination shall be extended by [thirty] ninety days from the date of submission of the additional requested information. If the commissioner or director of the budget determine a school district's spending statement to be noncompliant, such school district shall be allowed to submit a revised spending statement at any time.

c. If a school district fails to submit a statement that is complete and in the format required by paragraph a of this subdivision [by the first day] on or before the Friday prior to Labor Day of such school year or if the commissioner or director of the budget determine the school district's spending statement to be noncompliant, a written explanation shall be provided and the school district will have thirty days to cure. If the school district does not cure within thirty days, at the joint direction of the director of the budget and the comptroller of the city in which such school district is situated, or if the city does not have an elected comptroller, the chief financial officer of the city, or for school districts not located in a city, the chief financial officer of the town in which the majority of the school district is situated shall be authorized, at his or her
discretion, to obtain appropriate information from the school district, and shall be authorized to complete such form and submit such statement to the director of the budget and the commissioner for approval in accordance with paragraph b of this subdivision. Where the comptroller or chief financial officer exercises the authority to submit such form, such submission shall occur within sixty days following notification of the school district's failure to cure. Nothing in this paragraph shall preclude a school district from submitting a spending statement for approval by the director of the budget and the commissioner at any time.

2. Nothing in this section shall alter or suspend statutory school district budget and voting or approval requirements.

3. a. For the two thousand nineteen--two thousand twenty school year and thereafter, school districts designated as requiring an equity plan shall submit such plan as defined in this section on or before July first of such school year to the commissioner for his or her approval. Such plan shall specify how the school district will increase per pupil expenditures, from all sources, in underfunded high-need schools under this subdivision within such district above the level at which the school district would have otherwise funded such schools in the current year in order to maintain a level of current services from the base year, including but not limited to contractual salary increases and other continuations. Such plan shall specify how the district will utilize for this purpose an amount at least equal to the product of the equity percentage multiplied by the increase in foundation aid in the current year pursuant to subdivision four of section thirty-six hundred two of this part.

b. On or before May first of the base year, the director of the budget shall produce a list of underfunded high-need schools, as defined in
paragraph c of this subdivision. Provided, however, that the director of
the budget shall exclude from this list schools within district seventy-five of the city school district of New York, schools that are of the
same school type within a district but do not serve any grade levels
that overlap, schools serving only students in prekindergarten, or any
other schools with irregular or outlying properties.

c. In the event that a school district designated as requiring an
equity plan for any such school year has not submitted an equity plan
pursuant to this subdivision that has been approved by the commissioner
by September first of the school year, the commissioner shall develop
such plan for the school district, specifying the increase in per pupil
expenditures required by paragraph a of this subdivision at each underfunded high-need school within the school district, and shall order the
officers of the school district to implement such plan fully and faithfully.

d. For purposes of this subdivision:

(1) "school districts designated as requiring an equity plan" shall
mean any school district that is required to submit a statement under
subdivision one of this section for the base year with an underfunded
high-need school;

(2) "equity percentage" shall mean the product of ten percent multiplied by the number of underfunded high-need schools within the school
district, but shall not exceed: (A) fifty percent for any school
district which receives at least fifty percent of total revenue from
state aid as reported in the fiscal profiles master files report
produced by the commissioner concerning data on school district expendi-
tures and revenues for the two thousand fifteen--two thousand sixteen
school year; and (B) seventy-five percent for any other school district;
"school type" for any school shall mean elementary, middle, high, pre-k only, or K-12, as defined by the commissioner, provided that for purposes of this subdivision, a "middle" school shall include any school with the grade organization of either a middle school or a junior high school, and a "high" school shall include any school with the grade organization of either a senior high school or a junior-senior high school;

"underfunded high-need school" shall mean a school within a school district that has been deemed both a significantly high-need school and a significantly low funded school;

[The commissioner shall certify no payment to a school district based on a claim submitted later than three years after the close of the school year in which such payment was first to be made. For claims for which payment is first to be made in the nineteen hundred ninety-six--ninety-seven school year, the commissioner shall certify no payment to a school district based on a claim submitted later than two years after the close of such school year.] For claims for which payment is first to be made [in the nineteen hundred ninety-seven--ninety-eight] prior to the two thousand eighteen--two thousand nineteen school year [and thereafter], the commissioner shall certify no payment to a school district based on a claim submitted later than one year after the close of such school year. In making such determi-
nation, the commissioner shall consider any comments received by the
local school district, approved private school or board of cooperative
educational services from parents or persons in parental relationship to
the students that would be directly affected by the waiver if granted.

into a successor collective bargaining agreement, provided that notwith-
standing any other provision of law to the contrary, upon expiration of
such term and the entry into a successor collective bargaining agreement
the provisions of this subdivision shall apply; and, provided further,
however, that any assessments used in determining transition scores and
ratings shall be used in determining scores and ratings pursuant to this
section instead of the grades three through eight English language arts
and mathematics state assessments until the entry into a successor
collective bargaining agreement.

Notwithstanding the provisions of this paragraph, a firm incorporated under this section may not have non-licensee owners if the firm's name includes the words "certified public accountant," or "certified public accountants," or the abbreviations "CPA" or "CPAs." Each non-licensee owner of a firm that is incorporated under this section shall be a natural person who actively participates in the business of the firm or its affiliated entities. For purposes of this subdivision, "actively participate" means to provide services to clients or to otherwise individually take part in the day-to-day business or management of the firm. Such a firm shall have attached to its certificate of incorporation a certificate or certificates demonstrating the firm's compliance with this paragraph, in lieu of the certificate or certificates required by subparagraph (ii) of paragraph (b) of this section.

§ 3. Section 1507 of the business corporation law is amended by adding a new paragraph (c) to read as follows:

(c) Any firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article may issue shares to individuals who are authorized by law to practice in this state a profession which such corporation is authorized to practice and who are or have been engaged in the practice of such profession in such corporation or a predecessor entity, or who will engage in the practice of such profession in such corporation within thirty days of the date such shares are issued and may also issue shares to employees of the corporation not licensed as certified public accountants, provided that:

(ii) at least fifty-one percent of the directors are certified public accountants,

(iii) at least fifty-one percent of the officers are certified public accountants,

(iv) the president, the chairperson of the board of directors and the chief executive officer or officers are certified public accountants.

No shareholder of a firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article shall enter into a voting trust agreement, proxy or any other type of agreement vesting in another person, other than another shareholder of the same corporation, the authority to exercise voting power of any or all of his or her shares. All shares issued, agreements made or proxies granted in violation of this section shall be void.

§ 4. Section 1508 of the business corporation law is amended by adding a new paragraph (c) to read as follows:

(c) The directors and officers of any firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article may include individuals who are not licensed to practice public accountancy, provided however that at least fifty-one percent of the directors, at least fifty-one percent of the officers and the president, the chairperson of the board of directors and the chief executive officer or officers are authorized by law to practice in this state a profession which such corporation is authorized to practice, and are
either shareholders of such corporation or engaged in the practice of
their professions in such corporation.

§ 5. Section 1509 of the business corporation law, as amended by chap-
ter 550 of the laws of 2011, is amended to read as follows:

§ 1509. Disqualification of shareholders, directors, officers and
employees.

ing as a professional service corporation pursuant to paragraph (h) of
section fifteen hundred three of this article, who has been rendering
professional service to the public becomes legally disqualified to prac-

with, and financial interests (other than interests as a creditor) in,
such corporation forthwith or as otherwise provided in section 1510 of
this article. All provisions of law regulating the rendering of profes-
sional services by a person elected or appointed to a public office
shall be applicable to a shareholder, director, officer and employee of
such corporation in the same manner and to the same extent as if fully
set forth herein. Such legal disqualification to practice his profession
within this state shall be deemed to constitute an irrevocable offer by
the disqualified shareholder to sell his shares to the corporation,
pursuant to the provisions of section 1510 of this article or of the
certificate of incorporation, by-laws or agreement among the corporation
and all shareholders, whichever is applicable. Compliance with the terms
of such offer shall be specifically enforceable in the courts of this
state. A professional service corporation's failure to enforce compli-
ance with this provision shall constitute a ground for forfeiture of its certificate of incorporation and its dissolution.

§ 6. Paragraph (a) of section 1511 of the business corporation law, as amended by chapter 550 of the laws of 2011, is amended and a new paragraph (c) is added to read as follows:

Nothing herein contained shall be construed to prohibit the transfer of shares by operation of law or by court decree. No transferee of shares by operation of law or court decree may vote the shares for any purpose whatsoever except with respect to corporate action under sections 909 and 1001 of this chapter. The restriction in the preceding sentence shall not apply, however, where such transferee would be eligible to have shares issued to him if he were an employee of the corporation and, if there are other shareholders, a majority of such other shareholders shall fail to redeem the shares so transferred, pursuant to section 1510 of this article, within sixty days of receiving written notice of such transfer. Any sale or transfer, except by operation of law or court decree or except for a corporation having only one shareholder, may be made only after the same shall have been approved by the board of directors, or at a shareholders' meeting specially called for such purpose by such proportion, not less than a majority, of the
outstanding shares as may be provided in the certificate of incorporation or in the by-laws of such professional service corporation. At such shareholders' meeting the shares held by the shareholder proposing to sell or transfer his shares may not be voted or counted for any purpose, unless all shareholders consent that such shares be voted or counted. The certificate of incorporation or the by-laws of the professional service corporation, or the professional service corporation and the shareholders by private agreement, may provide, in lieu of or in addition to the foregoing provisions, for the alienation of shares and may require the redemption or purchase of such shares by such corporation at prices and in a manner specifically set forth therein. The existence of the restrictions on the sale or transfer of shares, as contained in this article and, if applicable, in the certificate of incorporation, by-laws, stock purchase or stock redemption agreement, shall be noted conspicuously on the face or back of every certificate for shares issued by a professional service corporation. Any sale or transfer in violation of such restrictions shall be void.

(c) A firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article, shall purchase or redeem the shares of a non-licensed professional shareholder in the case of his or her termination of employment within thirty days after such termination. sold or transferred to another employee of the corporation pursuant to this article.

§ 7. Paragraph (a) of section 1512 of the business corporation law, as amended by chapter 550 of the laws of 2011, is amended to read as follows:

(a) Notwithstanding any other provision of law, the name of a professional service corporation, including a design professional service corporation and any firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article, may contain any word which, at the time of incorporation, could be used in the name of a partnership practicing a profession which the corporation is authorized to practice, and may not contain any word which could not be used by such a partnership. Provided, however, the name of a professional service corporation may not contain the name of a deceased person unless

43. To pass, in the discretion of the trustees, a resolution authorizing the use of school bus cameras pursuant to section eleven hundred eighteen of the vehicle and traffic law, provided that the trustees may also enter into contracts with a third party for the installation, administration, operation, notice processing, and maintenance of such cameras, and for the sharing of revenue derived from such cameras pursuant to section eleven hundred eighteen of the vehicle and traffic law, provided that the purchase, lease, installation, operation and maintenance, or any other costs associated with such cameras shall not be considered an aidable expense pursuant to section thirty-six hundred twenty-three-a of this chapter.

§ 2. Section 1709 of the education law is amended by adding a new subdivision 43 to read as follows:

43. To pass a resolution, in the discretion of the board, authorizing the use of school bus cameras pursuant to section eleven hundred eighteen of the vehicle and traffic law, provided that the board may also enter into contracts with a third party for the installation, administration, operation, notice processing, and maintenance of such cameras, and for the sharing of revenue derived from such cameras pursuant to
section eleven hundred eighteen of the vehicle and traffic law, provided
that the purchase, lease, installation, operation and maintenance, or
any other costs associated with such cameras shall not be considered an
aidable expense pursuant to section thirty-six hundred twenty-three-a of
this chapter.

§ 3. The vehicle and traffic law is amended by adding a new section
1118 to read as follows:

§ 1118. Owner liability for operator illegally overtaking or passing a
school bus. (a) 1. Notwithstanding any other provision of law, each
board of education or trustees of a school district is hereby authorized
and empowered to adopt and amend a resolution establishing a school bus
safety camera program imposing monetary liability on the owner of a
vehicle for failure of an operator thereof to comply with section eleven
hundred seventy-four of this title. Such program shall empower a board
of education or school district or school bus transportation contractor
that has contracted with such school district to install school bus
safety cameras upon school buses operated by or contracted with such
district.

2. Such program shall utilize necessary technologies to ensure, to the
extent practicable, that photographs produced by such school bus safety
cameras shall not include images that identify the driver, the passen-
gers, or the contents of the vehicle. Provided, however, that no notice
of liability issued pursuant to this section shall be dismissed solely
because a photograph or photographs allow for the identification of the
contents of a vehicle, provided that such school district has made a
reasonable effort to comply with the provisions of this paragraph.

(b) In any school district which has adopted a resolution pursuant to
subdivision (a) of this section, the owner of a vehicle shall be liable
for a penalty imposed pursuant to this section if such vehicle was used
or operated with the permission of the owner, express or implied, in
violation of subdivision (a) of section eleven hundred seventy-four of
this title, and such violation is evidenced by information obtained from
a school bus safety camera; provided however that no owner of a vehicle
shall be liable for a penalty imposed pursuant to this section where the
operator of such vehicle has been convicted of the underlying violation
of subdivision (a) of section eleven hundred seventy-four of this title.
(c) For purposes of this section, "owner" shall have the meaning
provided in article two-B of this chapter. For purposes of this section,
"school bus safety camera" shall mean an automated photo monitoring
device affixed to the outside of a school bus and designated to detect
and store videotape and one or more images of motor vehicles that over-
take or pass school buses in violation of subdivision (a) of section
eleven hundred seventy-four of this title.
(d) No school district or school bus transportation contractor that
has installed cameras pursuant to this section shall access the images
from such cameras but shall provide, pursuant to an agreement with the
appropriate law enforcement agency or agencies, for the proper handling
and custody of such images for the forwarding of such images from such
cameras to a law enforcement agency having jurisdiction in the area in
which the violation occurred for the purpose of imposing monetary
liability on the owner of a motor vehicle for illegally overtaking or
passing a school bus in violation of subdivision (a) of section eleven
hundred seventy-four of this title. After receipt of such images a
police officer shall inspect such videotape and images to determine
whether a violation of subdivision (a) of section eleven hundred seven-
ty-four of this title was committed. Upon such a finding a certificate,
sworn to or affirmed by an officer of such agency, or a facsimile there-
of, based upon inspection of photographs, microphotographs, videotape or
other recorded images produced by a school bus safety camera, shall be
prima facie evidence of the facts contained therein. Any photographs,
microphotographs, videotape or other recorded images evidencing such a
violation shall be available for inspection in any proceeding to adjudi-
cate the liability for such violation.

(e) An owner found liable pursuant to this section for a violation of
subdivision (a) of section eleven hundred seventy-four of this title
shall be liable for a monetary penalty of two hundred fifty dollars.

(e-1) Payment of the monetary penalty imposed by subdivision (e) of
this section shall be payable to the school district. Nothing herein
shall prevent the school district from entering into a memorandum of
understanding with a local law enforcement agency to return a portion of
such penalty received to the local law enforcement agency, provided
however, in no case shall such portion returned to a local law enforce-
ment agency exceed twenty percent of the amount received by the school
district.

(f) An imposition of liability under this section shall not be deemed
a conviction as an operator and shall not be made part of the operating
record of the person upon whom such liability is imposed nor shall it be
used for insurance purposes in the provision of motor vehicle insurance
coverage.

(g) 1. A notice of liability shall be sent by the respective law
enforcement agency by first class mail to each person alleged to be
liable as an owner for a violation of subdivision (a) of section eleven
hundred seventy-four of this title pursuant to this section. Personal
delivery on the owner shall not be required. A manual or automatic
record of mailing prepared in the ordinary course of business shall be prima facie evidence of the facts contained therein.

2. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of subdivision (a) of section eleven hundred seventy-four of this title pursuant to this section, the registration number of the vehicle involved in such violation, the location where such violation took place, the date and time of such violation and the identification number of the camera which recorded the violation or other document locator number.

3. The notice of liability shall contain information advising the person charged of the manner and the time in which he may contest the liability alleged in the notice. Such notice of liability shall also contain a warning to advise the persons charged that failure to contest in the manner and time provided shall be deemed an admission of liability and that a default judgment may be entered thereon.

4. The notice of liability shall be prepared and mailed by the respective law enforcement agency having jurisdiction over the location where the violation occurred.

(h) Adjudication of the liability imposed upon owners by this section shall be by a traffic violations bureau established pursuant to section three hundred seventy of the general municipal law or, if there be none, by the court having jurisdiction over traffic infractions, except that any city which has established or designated an administrative tribunal to hear and determine owner liability established by this article for failure to comply with traffic-control indications shall use such tribunal to adjudicate the liability imposed by this section.

(i) If an owner receives a notice of liability pursuant to this section for any time period during which the vehicle was reported to a
police department as having been stolen, it shall be a valid defense to
an allegation of liability for a violation of subdivision (a) of section
eleven hundred seventy-four of this title pursuant to this section that
the vehicle had been reported to the police as stolen prior to the time
the violation occurred and had not been recovered by such time. For
purposes of asserting the defense provided by this subdivision it shall
be sufficient that a certified copy of the police report on the stolen
vehicle be sent by first class mail to the traffic violations bureau,
court having jurisdiction or parking violations bureau.

(j) Where the adjudication of liability imposed upon owners pursuant
to this section is by an administrative tribunal, traffic violations
bureau, or a court having jurisdiction, an owner who is a lessor of a
vehicle to which a notice of liability was issued pursuant to subdivi-
sion (g) of this section shall not be liable for the violation of subdi-
vision (a) of section eleven hundred seventy-four of this title,
provided that he or she sends to the administrative tribunal, traffic
violations bureau, or court having jurisdiction a copy of the rental,
lease or other such contract document covering such vehicle on the date
of the violation, with the name and address of the lessee clearly legi-
ble, within thirty-seven days after receiving notice from the bureau or
court of the date and time of such violation, together with the other
information contained in the original notice of liability. Failure to
send such information within such thirty-seven day time period shall
render the owner liable for the penalty prescribed by this section.

Where the lessor complies with the provisions of this paragraph, the
lessee of such vehicle on the date of such violation shall be deemed to
be the owner of such vehicle for purposes of this section, shall be
subject to liability for the violation of subdivision (a) of section
eleven hundred seventy-four of this title pursuant to this section and
shall be sent a notice of liability pursuant to subdivision (g) of this
section.

(k) 1. If the owner liable for a violation of subdivision (a) of
section eleven hundred seventy-four of this title pursuant to this
section was not the operator of the vehicle at the time of the
violation, the owner may maintain an action for indemnification against
the operator.

2. Notwithstanding any other provision of this section, no owner of a
vehicle shall be subject to a monetary fine imposed pursuant to this
section if the operator of such vehicle was operating such vehicle with-
out the consent of the owner at the time such operator was found to have
been overtaking or passing a school bus. For purposes of this subdivi-
sion there shall be a presumption that the operator of such vehicle was
operating such vehicle with the consent of the owner at the time such
operator was found to have been overtaking or passing a school bus.

(l) Nothing in this section shall be construed to limit the liability
of an operator of a vehicle for any violation of subdivision (a) of
section eleven hundred seventy-four of this title.

(m) In any school district which adopts a school bus safety camera
program pursuant to subdivision (a) of this section, such school
district shall submit an annual report on the results of the use of its
school bus safety cameras to the governor, the temporary president of
the senate and the speaker of the assembly on or before June first, two
thousand nineteen and on the same date in each succeeding year in which
the demonstration program is operable. Such report shall include, but
not be limited to:
1. a description of the number of buses and routes where school bus safety cameras were used;

2. the aggregate number of annual incidents of violations of subdivision (a) of section eleven hundred seventy-four of this title within the district;

3. the number of violations recorded by school bus safety cameras in the aggregate and on a daily, weekly and monthly basis;

4. the total number of notices of liability issued for violations recorded by such systems;

5. the number of fines and total amount of fines paid after first notice of liability issued for violations recorded by such systems;

6. the number of violations adjudicated and results of such adjudications including breakdowns of dispositions made for violations recorded by such systems;

7. the total amount of revenue realized by such school district from such adjudications;

8. expenses incurred by such school district in connection with the program; and

9. quality of the adjudication process and its results.

(n) It shall be a defense to any prosecution for a violation of subdivision (a) of section eleven hundred seventy-four of this title that such school bus safety cameras were malfunctioning at the time of the alleged violation.

§ 4. Subdivision (c) of section 1174 of the vehicle and traffic law, as amended by chapter 254 of the laws of 2002, is amended to read as follows:

(c) Every person convicted of a violation of subdivision (a) of this section shall: for a first conviction thereof, be punished by a fine of
1 not less than [two hundred fifty] \textit{five hundred} dollars nor more than \\
2 [four] \textit{seven} hundred \textit{fifty} dollars or by imprisonment for not more than \\
3 thirty days or by both such fine and imprisonment; for a conviction of a \\
4 second violation, both of which were committed within a period of three \\
5 years, such person shall be punished by a fine of not less than [six \\
6 hundred] \textit{one thousand} dollars nor more than [seven] \textit{one thousand two} \\
7 hundred fifty dollars or by imprisonment for not more than one hundred \\
8 eighty days or by both such fine and imprisonment; upon a conviction of \\
9 a third or subsequent violation, all of which were committed within a \\
10 period of three years, such person shall be punished by a fine of not \\
11 less than [seven hundred fifty] \textit{one thousand two hundred fifty} dollars \\
12 nor more than one thousand \textit{five hundred} dollars or by imprisonment for \\
13 not more than one hundred eighty days or by both such fine and imprison- \\
14 ment.

laws of 2010, is amended to read as follows:

§ 720. Detention precluded. [1.] The detention of a child shall not be

The setting of the detention shall take into account (a) the proximity to the community in which the person alleged to be or adjudicated as a person in need of supervision lives with such person's parents or to which such person will be discharged, and (b) the existing educational setting of such person and the proximity of such setting to the location of the detention setting.

4. In all other respects, the detention of such a person in a foster care facility shall be subject to the identical terms and conditions for detention as are set forth in this article and in section two hundred thirty-five of this act.

5. (a) The court shall not order or direct detention under this article, unless the court determines that there is no substantial likelihood that the youth and his or her family will continue to benefit from diversion services and that all available alternatives to detention have been exhausted; and

(b) Where the youth is sixteen years of age or older, the court shall not order or direct detention under this article, unless the court
determines and states in its order that special circumstances exist to warrant such detention.

(c) If the respondent may be a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law, the court may direct the respondent to an available short-term safe house as defined in subdivision two of section four hundred forty-seven-a of the social services law as an alternative to detention.

§ 4. Section 727 of the family court act is REPEALED.

§ 5. The section heading and subdivisions (c) and (d) of section 728 of the family court act, subdivision (d) as added by chapter 145 of the laws of 2000, paragraph (i) as added and paragraph (ii) of subdivision (d) as renumbered by section 5 of part E of chapter 57 of the laws of 2005, and paragraph (iii) as amended and paragraph (iv) of subdivision (d) as added by section 10 of subpart B of part Q of chapter 58 of the laws of 2011, are amended to read as follows:

Discharge[,] or release [or detention] by judge after hearing and before filing of petition in custody cases.

(c) An order of release under this section may, but need not, be conditioned upon the giving of a recognizance in accord with [sections seven hundred twenty-four (b)] paragraph (i) of subdivision (b) of section seven hundred twenty-four of this article.

[(d) Upon a finding of facts and reasons which support a detention order pursuant to this section, the court shall also determine and state in any order directing detention:]

(i) that there is no substantial likelihood that the youth and his or her family will continue to benefit from diversion services and that all available alternatives to detention have been exhausted; and
(ii) whether continuation of the child in the child's home would be contrary to the best interests of the child based upon, and limited to, the facts and circumstances available to the court at the time of the hearing held in accordance with this section; and

(iii) where appropriate, whether reasonable efforts were made prior to the date of the court hearing that resulted in the detention order, to prevent or eliminate the need for removal of the child from his or her home or, if the child had been removed from his or her home prior to the court appearance pursuant to this section, where appropriate, whether reasonable efforts were made to make it possible for the child to safely return home; and

(iv) whether the setting of the detention takes into account the proximity to the community in which the person alleged to be or adjudicated as a person in need of supervision lives with such person's parents or to which such person will be discharged, and the existing educational setting of such person and the proximity of such setting to the location of the detention setting.

§ 6. Section 729 of the family court act is REPEALED.

§ 7. Subdivisions (b), paragraph (i) of subdivision (d) and subdivision (f) of section 735 of the family court act, subdivision (b) as amended by chapter 38 of the laws of 2014, paragraph (i) of subdivision (d) as amended by chapter 535 of the laws of 2011 and subdivision (f) as added by section 7 of part E of chapter 57 of the laws of 2005, are amended to read as follows:

persons, concerning the provision of diversion services before any petition may be filed; and

(ii) diligently attempt to prevent the filing of a petition under this article or, after the petition is filed, to prevent the placement of the youth into foster care; and

(iii) assess whether the youth would benefit from residential respite services; and

(iv) assess whether the youth is a sexually exploited child as defined in section four hundred forty-seven-a of the social services law and, if so, whether such youth should be referred to a safe house; and

(v) determine whether alternatives to detention are appropriate to avoid remand of the youth to detention; and

[(v)] (vi) determine whether an assessment of the youth for substance use disorder by an office of alcoholism and substance abuse services certified provider is necessary when a person seeking to file a petition alleges in such petition that the youth is suffering from a substance use disorder which could make the youth a danger to himself or herself or others. Provided, however, that notwithstanding any other provision of law to the contrary, the designated lead agency shall not be required to pay for all or any portion of the costs of such assessment or for any substance use disorder or detoxification services, except in cases where medical assistance for needy persons may be used to pay for all or any portion of the costs of such assessment or services. The office of alcoholism and substance abuse services shall make a list of its certified providers available to the designated lead agency.

(i) providing, at the first contact, information on the availability of or a referral to services in the geographic area where the youth and his or her family are located that may be of benefit in avoiding the
need to file a petition under this article; including the availability, for up to twenty-one days, of a residential respite program, if the youth and his or her parent or other person legally responsible for his or her care agree, and the availability of other non-residential crisis intervention programs such as family crisis counseling or alternative dispute resolution programs or an educational program as defined in section four hundred fifty-eight-l of the social services law.

(f) Efforts to prevent the filing of a petition pursuant to this section may extend until the designated lead agency determines that there is no substantial likelihood that the youth and his or her family will benefit from further attempts. Efforts at diversion pursuant to this section may continue after the filing of a petition where the designated lead agency determines that the youth and his or her family will benefit from further attempts to prevent placement of the youth [from entering foster care] in accordance with section seven hundred fifty-six of this article.

§ 8. Section 739 of the family court act, as amended by chapter 920 of the laws of 1982, subdivision (a) as amended by section 10 of part G of chapter 58 of the laws of 2010, subdivision (c) as added by chapter 145 of the laws of 2000, is amended to read as follows:

§ 739. Release or [detention] referral after filing of petition and prior to order of disposition. [(a)] After the filing of a petition under section seven hundred thirty-two of this part, the court in its discretion may release the respondent [or direct his or her detention]. If the respondent may be a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law, the court may direct the respondent to an available short-term safe house [as an alternative to detention. However, the court shall not
direct detention unless it finds and states the facts and reasons for so finding that unless the respondent is detained there is a substantial probability that the respondent will not appear in court on the return date and all available alternatives to detention have been exhausted.

(b) Unless the respondent waives a determination that probable cause exists to believe that he is a person in need of supervision, no detention under this section may last more than three days (i) unless the court finds, pursuant to the evidentiary standards applicable to a hearing on a felony complaint in a criminal court, that such probable cause exists, or (ii) unless special circumstances exist, in which cases such detention may be extended not more than an additional three days exclusive of Saturdays, Sundays and public holidays.

(c) Upon a finding of facts and reasons which support a detention order pursuant to subdivision (a) of this section, the court shall also determine and state in any order directing detention:

(i) whether continuation of the respondent in the respondent's home would be contrary to the best interests of the respondent based upon, and limited to, the facts and circumstance available to the court at the time of the court's determination in accordance with this section; and

(ii) where appropriate, whether reasonable efforts were made prior to the date of the court order directing detention in accordance with this section, to prevent or eliminate the need for removal of the respondent from his or her home or, if the respondent had been removed from his or her home prior to the court appearance pursuant to this section, where appropriate, whether reasonable efforts were made to make it possible for the respondent to safely return home].
§ 9. Section 741-a of the family court act, as amended by section 3 of part B of chapter 327 of the laws of 2007, is amended to read as follows:

§ 741-a. Notice and right to be heard. The foster parent caring for [the child] a sexually exploited child placed in accordance with section seven hundred fifty-six of this article or any pre-adoptive parent or relative providing care for the respondent shall be provided with notice of any permanency hearing held pursuant to this article by the social services official. Such foster parent, pre-adoptive parent or relative shall have the right to be heard at any such hearing; provided, however, no such foster parent, pre-adoptive parent or relative shall be construed to be a party to the hearing solely on the basis of such notice and right to be heard. The failure of the foster parent, pre-adoptive parent, or relative caring for the child to appear at a permanency hearing shall constitute a waiver of the right to be heard and such failure to appear shall not cause a delay of the permanency hearing nor shall such failure to appear be a ground for the invalidation of any order issued by the court pursuant to this section.

§ 10. Section 747 of the family court act is REPEALED.

§ 11. Section 748 of the family court act is REPEALED.

§ 12. Subdivision (b) of section 749 of the family court act, as amended by chapter 806 of the laws of 1973, is amended to read as follows:

(b) On its own motion, the court may adjourn the proceedings on conclusion of a fact-finding hearing or during a dispositional hearing to enable it to make inquiry into the surroundings, conditions and capacities of the respondent. An [adjournment on the court's motion may not be for a period of more than ten days if the respondent is detained,
in which case not more than a total of two such adjournments may be

granted in the absence of special circumstances. If the respondent is

not detained, an adjournment may be for a reasonable time, but the
total number of adjourned days may not exceed two months.

§ 13. Paragraph (a) of subdivision 2 of section 754 of the family
court act, as amended by chapter 7 of the laws of 1999, subparagraph
(ii) of paragraph (a) as amended by section 20 of part L of chapter 56
of the laws of 2015, is amended to read as follows:

(a) The order shall state the court's reasons for the particular
disposition. If the court places the child in accordance with section
seven hundred fifty-six of this part, the court in its order shall
determine: (i) whether continuation in the child's home would be contra-
ry to the best interest of the child and where appropriate, that reason-
able efforts were made prior to the date of the dispositional hearing
held pursuant to this article to prevent or eliminate the need for
removal of the child from his or her home and, if the child was removed
from his or her home prior to the date of such hearing, that such
removal was in the child's best interest and, where appropriate, reason-
able efforts were made to make it possible for the child to return safe-
ly home. If the court determines that reasonable efforts to prevent or
eliminate the need for removal of the child from the home were not made
but that the lack of such efforts was appropriate under the circum-
stances, the court order shall include such a finding; and (ii) in the
case of a child who has attained the age of fourteen, the services need-
ed, if any, to assist the child to make the transition from foster care
to independent living. [Nothing in this subdivision shall be construed
to modify the standards for directing detention set forth in section
seven hundred thirty-nine of this article.]
§ 14. Section 756 of the family court act, as amended by chapter 920 of the laws of 1982, paragraph (i) of subdivision (a) as amended by chapter 309 of the laws of 1996, the opening paragraph of paragraph (ii) of subdivision (a) as amended by section 11 of part G of chapter 58 of the laws of 2010, subdivision (b) as amended by chapter 7 of the laws of 1999, and subdivision (c) as amended by section 10 of part E of chapter 57 of the laws of 2005, is amended to read as follows:

§ 756. Placement. (a) (i) For purposes of section seven hundred fifty-four of this part, the court may place the child in its own home or in the custody of a suitable relative or other suitable private person [or a commissioner of social services], subject to the orders of the court.

(ii) [Where the child is placed] If the court finds that the respondent is a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law, the court may place the child with the commissioner of the local social services district[, the court] and may direct the commissioner to place the child with an authorized agency or class of authorized agencies, including[[], if the court finds that the respondent is a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law[,] an available long-term safe house. Unless the dispositional order provides otherwise, the court so directing shall include one of the following alternatives to apply in the event that the commissioner is unable to so place the child:

(1) the commissioner shall apply to the court for an order to stay, modify, set aside, or vacate such directive pursuant to the provisions of section seven hundred sixty-two or seven hundred sixty-three of this part; or
(2) the commissioner shall return the child to the family court for a new dispositional hearing and order.

(b) Placements under this section may be for an initial period of twelve months. The court may extend a placement pursuant to section seven hundred fifty-six-a. In its discretion, the court may recommend restitution or require services for public good pursuant to section seven hundred fifty-eight-a of this part in conjunction with an order of placement. For the purposes of calculating the initial period of placement, such placement shall be deemed to have commenced sixty days after the date the child was removed from his or her home in accordance with the provisions of this article. [If the respondent has been in detention pending disposition, the initial period of placement ordered under this section shall be credited with and diminished by the amount of time spent by the respondent in detention prior to the commencement of the placement unless the court finds that all or part of such credit would not serve the best interests of the respondent.

(c) A placement pursuant to this section with the commissioner of social services shall not be directed in any detention facility, but the court may direct detention pending transfer to a placement authorized and ordered under this section for no more than than fifteen days after such order of placement is made. Such direction shall be subject to extension pursuant to subdivision three of section three hundred ninety-eight of the social services law, upon written documentation to the office of children and family services that the youth is in need of specialized treatment or placement and the diligent efforts by the commissioner of social services to locate an appropriate placement.]

§ 15. Section 758-a of the family court act, as amended by chapter 73 of the laws of 1979, subdivision 1 as amended by chapter 4 of the laws

(a) recommend as a condition of placement, or order as a condition of probation or suspended judgment, restitution in an amount representing a fair and reasonable cost to replace the property or repair the damage caused by the [infant] child, not, however, to exceed one thousand dollars. [In the case of a placement, the court may recommend that the infant pay out of his or her own funds or earnings the amount of replacement or damage, either in a lump sum or in periodic payments in amounts set by the agency with which he is placed, and in the case of probation or suspended judgment, the] The court may require that the [infant] child pay out of his or her own funds or earnings the amount of replacement or damage, either in a lump sum or in periodic payments in amounts set by the court; and/or

2. [If the court recommends restitution or requires services for the public good in conjunction with an order of placement pursuant to}
section seven hundred fifty-six, the placement shall be made only to an
authorized agency which has adopted rules and regulations for the super-
vision of such a program, which rules and regulations shall be subject
to the approval of the state department of social services. Such rules
and regulations shall include, but not be limited to provisions (i)
assuring that the conditions of work, including wages, meet the stand-
ards therefor prescribed pursuant to the labor law; (ii) affording
coverage to the child under the workers' compensation law as an employee
of such agency, department or institution; (iii) assuring that the enti-
ty receiving such services shall not utilize the same to replace its
regular employees; and (iv) providing for reports to the court not less
frequently than every six months, unless the order provides otherwise.

3.] If the court requires restitution or services for the public good
[as a condition of probation or suspended judgment], it shall provide
that an agency or person supervise the restitution or services and that
such agency or person report to the court not less frequently than every
six months, unless the order provides otherwise. Upon the written notice
sent by a school district to the court and the appropriate probation
department or agency which submits probation recommendations or reports
to the court, the court may provide that such school district shall
supervise the performance of services for the public good.

[4.] 3. The court, upon receipt of the reports provided for in subdi-
vision two [or three] of this section may, on its own motion or the
motion of any party or the agency, hold a hearing to determine whether
the [placement] condition should be altered or modified.

On receiving a petition under section seven hundred seventy-three of this part, the court may proceed under sections seven hundred thirty-seven, seven hundred thirty-eight or seven hundred thirty-nine of this article with respect to the issuance of a summons or warrant [and sections seven hundred twenty-seven and seven hundred twenty-nine govern questions of detention and failure to comply with a promise to appear]. Due notice of the petition and a copy of the petition shall also be served personally or by mail upon the office of the locality chargeable for the support of the person involved and upon the person involved and his or her parents and other persons.

§ 17. Subdivisions 3, 3-a, 11 and 12 of section 398 of the social services law, subdivision 3 as amended by chapter 419 of the laws of 1987, paragraph (c) of subdivision 3 as amended by section 19 of part E of chapter 57 of the laws of 2005, subdivision 3-a as added by section 1 of subpart B of part G of chapter 57 of the laws of 2012, subdivision 11 as added by chapter 514 of the laws of 1976 and subdivision 12 as amended by section 12 of subpart B of part Q of chapter 58 of the laws of 2011, are amended to read as follows:

3. As to delinquent children [and persons in need of supervision]:
   (a) Investigate complaints as to alleged delinquency of a child.
   (b) Bring such case of alleged delinquency when necessary before the family court.
   (c) Receive within fifteen days from the order of placement as a public charge any delinquent child committed or placed [or person in need of supervision placed] in his or her care by the family court provided, however, that the commissioner of the social services district with whom the child is placed may apply to the state commissioner or his or her designee for approval of an additional fifteen days, upon written
documentation to the office of children and family services that the
youth is in need of specialized treatment or placement and the diligent
efforts by the commissioner of social services to locate an appropriate
placement.

[3-a. As to delinquent children:

(a) (d) (1) Conditionally release any juvenile delinquent placed with
the district to aftercare whenever the district determines conditional
release to be consistent with the needs and best interests of such juve-
nile delinquent, that suitable care and supervision can be provided, and
that there is a reasonable probability that such juvenile delinquent can
be conditionally released without endangering public safety; provided,
however, that such conditional release shall be made in accordance with
the regulations of the office of children and family services, and
provided further that no juvenile delinquent while absent from a facili-
ty or program without the consent of the director of such facility or
program shall be conditionally released by the district solely by reason
of the absence.

(2) It shall be a condition of such release that a juvenile delinquent
so released shall continue to be the responsibility of the social
services district for the period provided in the order of placement.

(3) The social services district may provide clothing, services and
other necessities for any conditionally released juvenile delinquent, as
may be required, including medical care and services not provided to
such juvenile delinquent as medical assistance for needy persons pursu-
ant to title eleven of article five of this chapter.

(4) The social services district, pursuant to the regulations of the
office of children and family services, may cause a juvenile delinquent
to be returned to a facility operated and maintained by the district, or
an authorized agency under contract with the district, at any time within the period of placement, where there is a violation of the conditions of release or a change of circumstances.

(5) Juvenile delinquents conditionally released by a social services district may be provided for as follows:

(i) If, in the opinion of the social services district, there is no suitable parent, relative or guardian to whom a juvenile delinquent can be conditionally released, and suitable care cannot otherwise be secured, the district may conditionally release such juvenile delinquent to the care of any other suitable person; provided that where such suitable person has no legal relationship with the juvenile, the district shall advise such person of the procedures for obtaining custody or guardianship of the juvenile.

(ii) If a conditionally released juvenile delinquent is subject to article sixty-five of the education law or elects to participate in an educational program leading to a high school diploma, he or she shall be enrolled in a school or educational program leading to a high school diploma following release, or, if such release occurs during the summer recess, upon the commencement of the next school term. If a conditionally released juvenile delinquent is not subject to article sixty-five of the education law, and does not elect to participate in an educational program leading to a high school diploma, steps shall be taken, to the extent possible, to facilitate his or her gainful employment or enrollment in a vocational program following release.

[(b)] (e) When a juvenile delinquent placed with the social services district is absent from placement without consent, such absence shall interrupt the calculation of time for his or her placement. Such interruption shall continue until such juvenile delinquent returns to the
facility or authorized agency in which he or she was placed. Provided,
however, that any time spent by a juvenile delinquent in custody from
the date of absence to the date placement resumes shall be credited
against the time of such placement provided that such custody:
(1) was due to an arrest or surrender based upon the absence; or
(2) arose from an arrest or surrender on another charge which did not
culminate in a conviction, adjudication or adjustment.

[(c)] (f) In addition to the other requirements of this section, no
juvenile delinquent placed with a social services district operating an
approved juvenile justice services close to home initiative pursuant to
section four hundred four of this chapter pursuant to a restrictive
placement under the family court act shall be released except pursuant
to section 353.5 of the family court act.

11. In the case of a child who is adjudicated [a person in need of
supervision or] a juvenile delinquent and is placed by the family court
with the [division for youth] office of children and family services and
who is placed by [the division for youth] such office with an authorized
agency pursuant to court order, the social services official shall make
expenditures in accordance with the regulations of the department for
the care and maintenance of such child during the term of such placement
subject to state reimbursement pursuant to section one hundred fifty-
three-k of this [title, or article nineteen-G of the executive law in
applicable cases] article.

12. A social services official shall be permitted to place persons
adjudicated [in need of supervision or] delinquent[, and alleged persons
to be in need of supervision] in detention pending transfer to a place-
ment, in the same foster care facilities as are providing care to desti-
tute, neglected, abused or abandoned children. Such foster care facili-
ties shall not provide care to a youth in the care of a social services official as a convicted juvenile offender.

§ 18. Paragraph (a) of subdivision 1 of section 409-a of the social services law, as amended by chapter 87 of the laws of 1993, subparagraph (i) as amended by chapter 342 of the laws of 2010, and subparagraph (ii) as amended by section 22 of part C of chapter 83 of the laws of 2002, is amended to read as follows:

tion, and the social services official determines that the child is at risk of placement into foster care].

Such finding shall be entered in the child's uniform case record established and maintained pursuant to section four hundred nine-f of this [chapter] article. The commissioner shall promulgate regulations to assist social services officials in making determinations of eligibility for mandated preventive services pursuant to this [subparagraph] paragraph.

Section 1. This Part enacts into law major components of legislation which are necessary to improve the foster care system. Each component is wholly contained within a Subpart identified as Subparts A through B. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes a reference to a section "of this act," when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section three of this Part sets forth the general effective date of this Part.
Section 1. The social services law is amended by adding a new section 462-c to read as follows:

§ 462-c. Appointment of a temporary operator of a foster care program.

1. The office of children and family services shall have the authority to appoint a temporary operator in accordance with this section.

2. For the purposes of this section:

(b) "Office" shall mean the office of children and family services.

(c) "Foster care agency" shall mean an authorized agency as defined in paragraph (a) of subdivision ten of section three hundred seventy-one of this chapter that operates one or more foster care programs.

(d) "Established operator" shall mean a foster care agency.

(e) "Temporary operator" shall mean any foster care agency appointed by the commissioner that:

(i) agrees to provide foster care on a temporary basis in the best interests of the foster care youth served by the established operator;

(ii) has a history of recent compliance with applicable laws, rules, and regulations and a record of providing foster care of good quality, as determined by the commissioner; and

(iii) prior to appointment as temporary operator, develops a plan determined to be satisfactory by the commissioner to address the established operator's deficiencies.

(f) "Local social services district" shall include any local social services district with care and custody or custody and guardianship of a foster care youth placed with the established operator that may be
subject to the appointment of a temporary operator pursuant to this section, as well as the local social services district where the established operator is located.

3. (a) (i) A temporary operator may only be appointed after the established operator has been provided notice of alleged violations and the ability to cure such violations.

(ii) The local social services district shall also be notified of the alleged violations prior to the appointment of a temporary operator.

(iii) If the established operator fails to cure such violations in a timely manner, a temporary operator may be appointed:

(A) where the established operator is unable or unwilling to ensure the proper operation of the foster care program and there exist conditions that have the potential to seriously endanger or jeopardize the health, safety, or welfare of foster care youth; or

(B) when necessary to protect the health, safety or welfare of youth served by the established program.

(iv) If the commissioner determines to appoint a temporary operator, the commissioner shall notify the established operator and the local social services district of his or her intention to appoint a temporary operator to assume sole responsibility for the established operator's operations for a limited period of time.

(v) The appointment of a temporary operator shall be effectuated pursuant to this section, and shall be in addition to any other remedies provided by law.

(b) The established operator may at any time request the commissioner to appoint a temporary operator. Upon receiving such a request, the commissioner may, if he or she determines that such an action is necessary, enter into an agreement with the established operator for the
appointment of a temporary operator to restore or maintain the provision
of services to children and families provided in the foster care
program, until the established operator can resume operations within
the designated time period or other action is taken to suspend, revoke,
or limit the authority of the established operator.

4. (a) A temporary operator appointed pursuant to this section shall
use his or her best efforts to implement the plan deemed satisfactory by
the commissioner to correct or eliminate any concerns regarding health,
safety or welfare of the established operator, and promote the quality
and accessibility of services provided to foster children and their
families in the applicable foster care program.

(b) During the term of appointment, the temporary operator shall have
the authority to direct the staff of the established operator as neces-
sary to appropriately provide care for foster care youth in accordance
with the plan approved by the commissioner. The temporary operator
shall, during this period, provide programs and services for foster
youth in such a manner as to promote the health, safety, and welfare of
the youth by the established operator until either the established oper-
ator can resume operations or until the office revokes the authority of
the established operator to operate a foster care program.

(c) The established operator shall grant the temporary operator access
to the established operator's accounts and records in order to address
any serious health, safety or welfare deficiencies. The temporary opera-
tor shall approve any decision related to an established provider's day
to day operations or the established provider's ability to provide
programs and services for foster youth.

(d) The temporary operator shall not be required to file any bond. No
security interest in any real or personal property comprising the estab-
lished operator, contained within the established operator, or in any fixture of the building or buildings owned by the established operator, shall be impaired or diminished in priority by the temporary operator. Neither the temporary operator nor the office shall engage in any activity that constitutes a confiscation of property.

5. Costs associated with the temporary operator, including compensation, shall be borne by the established operator and follow the financing structure established in accordance with section one hundred fifty-three-k of this chapter as modified by the current aid to localities provisions for the office of children and family services within the department of family assistance. The temporary operator shall be liable in its capacity as temporary operator for injury to persons and property by reason of its operation of such building; no liability shall incur in the temporary operator's personal capacity, except for gross negligence and intentional acts.

6. (a) The initial term of the appointment of the temporary operator shall not exceed ninety days. After ninety days, if the commissioner determines that termination of the temporary operator would cause significant deterioration of the quality of the foster care program run by the established operator or that reappointment is necessary to correct the deficiencies that required the appointment of the temporary operator, the commissioner may authorize additional ninety day terms.

(b) Within fourteen days prior to the termination of each term of the appointment of the temporary operator, the temporary operator shall submit to the commissioner, to the local social services district, and to the established operator a report describing:
(i) the actions taken during the appointment to address the identified
deficiencies, the resumption of operations by the established operator,
or the revocation of authority to operate a foster care program;
(ii) objectives for the continuation of the temporary operatorship if
necessary and a schedule for satisfaction of such objectives; and
(iii) if applicable, the recommended actions for the ongoing provision
of foster care after the temporary operatorship is complete.

(c) The term of the initial appointment and of any subsequent reap-
pointment of a temporary operator in accordance with this section may be
terminated prior to the expiration of the designated term, if the estab-
lished operator and the commissioner agree on a plan of correction and
the implementation of such plan.

7. (a) The commissioner shall, upon making a determination of an
intention to appoint a temporary operator pursuant to this section,
cause the established operator and the local social services district
to be notified of the intention by registered or certified mail
addressed to the principal office of the established operator and the
local social services district. Such notification shall include a
detailed description of the findings underlying the intention to appoint
a temporary operator, and the date and time of a required meeting with
the commissioner within ten business days of the receipt of such
notice. At such meeting, the established operator, and the commissioner
shall have the opportunity to review and discuss all relevant findings.
At such meeting, the commissioner and the established operator shall
attempt to develop a mutually satisfactory plan of correction and sched-
ule for implementation. If a mutually satisfactory plan of correction
and schedule for implementation is developed, the commissioner shall
notify the established operator that the commissioner will abstain from
appointing a temporary operator contingent upon the established operator
remediating the identified deficiencies within the agreed upon time-
frame.

(b) The commissioner shall, upon making a determination of an inten-
tion to appoint a temporary operator pursuant to this section, cause the
temporary president of the senate, and the speaker of the assembly to
receive appropriate and timely notification of the intention to appoint
a temporary operator. Such notification shall include a description of
the findings underlying the intention to appoint a temporary operator,
the identification of the temporary operator when practicable, and the
date of expected transfer of operations. Such notice shall be made as
soon as practicable under the circumstances.

(c) The commissioner, at any time he or she deems necessary, and to
the extent practicable, shall consult and may involve the local social
services district.

(d) Should the commissioner and the established operator be unable to
establish a plan of correction pursuant to this subdivision, or should
the established operator fail to respond to the commissioner's initial
notification, there shall be an administrative hearing on the commis-
sioner's determination to appoint a temporary operator to begin no later
than thirty days from the date of the notice to the established opera-
tor. Any such hearing shall be strictly limited to the issue of whether
the determination of the commissioner to appoint a temporary operator is
supported by substantial evidence. A copy of the decision shall be sent
to the established operator and the local social services district.

(e) If the decision to appoint a temporary operator is upheld such
temporary operator shall be appointed as soon as is practicable and
shall provide appropriate care and services for the foster care youth
as well as take any necessary actions pursuant to the provisions of this
chapter or the regulations of the office of children and family
services.

8. Notwithstanding the appointment of a temporary operator, the estab-
lished operator shall remain obligated for the continued provision of
care and services for the foster care youth. No provision contained in
this section shall be deemed to relieve the established operator or any
other person of any civil or criminal liability incurred, or any duty
imposed by law, by reason of acts or omissions of the established opera-
tor or any other person prior to the appointment of any temporary opera-
tor of the building hereunder; nor shall anything contained in this
section be construed to suspend during the term of the appointment of
the temporary operator of the building any obligation of the estab-
lished operator or any other person for the maintenance and repair of
the building, provision of utility services, payment of taxes or other
operating and maintenance expenses of the building, nor of the estab-
lished operator or any other person for the payment of mortgages or
liens.

§ 2. This act shall take effect immediately.

It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect immediately; provided, however, that the applicable effective date of Subparts A through B of this act shall be as specifically set forth in the last section of such Subparts.

PART N

Section 1. Paragraph (n) of subdivision 1 of section 336 of the social services law, as amended by section 148 of part B of chapter 436 of the laws of 1997, is amended and a new paragraph (o) is added to read as follows:

(n) educational activities pursuant to section three hundred thirty-six-a of this title[.]

(o) time-limited job try-outs as work experience assignments with private for-profit, non-profit and public sector entities that lead to unsubsidized full-time or part-time employment.
§ 2. Subparagraph (iii) of paragraph (e) of subdivision 1 of section 335-b of the social services law, as amended by section 2 of part J of chapter 58 of the laws of 2006, is amended to read as follows:

(iii) In the case of a two-parent family receiving federally funded child care assistance and a parent in the family is not disabled or caring for a severely disabled child, the individual and the other parent in the family are participating in work activities for a total of at least fifty-five hours per week during the month, not fewer than fifty hours of which are attributable to activities described in paragraphs (a) through (h), (l) and (o) of subdivision one of section three hundred thirty-six of this title.

§ 3. Subdivision 2 of section 335-b of the social services law, as amended by chapter 380 of the laws of 2004, is amended to read as follows:

2. Engaged in work for a month shall mean participating in work activities identified in subdivision one of section three hundred thirty-six of this title for the required number of hours specified in this section provided, however, that at least twenty hours of such participation, or thirty hours for two-parent families, or fifty hours for two-parent families receiving federally funded child care as set forth in subparagraph (iii) of paragraph (d) of subdivision one of this section, shall be attributable to the activities described in paragraphs (a) through (h), (l) and (o) of subdivision one of section three hundred thirty-six of this title, or for households without dependent children at least twenty hours of participation shall be attributable to the activities set forth in paragraphs (a) through (h), (l) and (o) of subdivision one of section three hundred thirty-six of this title, and further provided that participation in job search and job readiness
assistance as identified in paragraph (f) of subdivision one of section three hundred thirty-six of this title shall only be determined as engaged in work for a maximum period of six weeks, only four of which may be consecutive as otherwise limited by federal law; and that individuals in all families and in two parent families may be engaged in work for a month by reason of participation in vocational training to the extent allowed by federal law. Any non-graduate student participating or approved by CUNY, SUNY or another degree granting institution, or any other state or local district approved education, training or vocational rehabilitation agency to participate in work-study, or in internships, externships, or other work placements that are part of the curriculum of that student, shall not be unreasonably denied the ability to participate in such programs and each hour of participation shall count toward satisfaction of such student's work activity requirements of this title provided that the district may consider, among other factors, (a) whether the student has voluntarily terminated his or her employment or voluntarily reduced his or her earnings to qualify for public assistance pursuant to subdivision ten of section one hundred thirty-one of this article; (b) whether a comparable job or on the job training position can reasonably be expected to exist in the private, public or not-for-profit sector; (c) that the student has a cumulative C average or its equivalent, which may be waived by the district for undue hardship based on (1) the death of a relative of the student, (2) the personal injury or illness of the student, or (3) other extenuating circumstances; and (d) whether the institution cooperates in monitoring students attendance and performance and reports to the local social services department monthly on each student. Failure of the institution to monitor and report monthly to local social services districts on
attendance and performance of the student's work study, internship, externship or other work placement shall be cause for the department to reasonably deny the student's ability to participate in such programs. Students shall be subject to sanctions equivalent to those associated with failure to adequately satisfy their other required work activities. No [days of total unemployment shall be deemed to occur] benefits shall be payable for any week of total unemployment or partial unemployment beginning with the day on which a claimant, without good cause, refuses to accept an offer of employment for which he or she is reasonably fitted by training and experience, including employment not subject to this article, until he or she has subsequently worked in employment and earned remuneration at least equal to ten times his or her weekly benefit rate. Except that claimants who are not subject to a recall date or who do not obtain employment through a union hiring hall and who are still unemployed after receiving ten weeks of benefits shall be required to accept any employment proffered that such claimants are capable of performing, provided that such employment would result in a wage not less than eighty percent of such claimant’s high calendar quarter wages received in the base period and not substantially less than the prevailing wage for similar work in the locality as provided for in paragraph (d) of this subdivision. No refusal to accept employment shall be deemed without good cause nor shall it disqualify any claimant otherwise eligible to receive benefits if:

Determinations regarding a benefit claim may be reviewed at any time. Any benefits paid to a claimant prior to a determination that the claimant has lost employment as a result of such act shall not be considered to have been accepted by the claimant in good faith. In addition, remuneration paid to the claimant by the affected employer prior to the claimant's loss of employment due to such criminal act may not be utilized for the purpose of establishing entitlement to a subsequent, valid original claim. The provisions of this subdivision shall apply even if the employment lost as a result of such act is not the claimant's last employment prior to the filing of his or her claim.

§ 11-a. Section 11 of this act shall apply to all false statements and representations determined on or after the effective date of this act and all forfeited effective days determined prior to such effective date shall remain in full force and effect for two years from the expiration of the initial determination. constructed, or to be constructed, or any agent or employee thereof, to
refuse to provide services and care in such home or facility to any
individual or to discriminate against any individual in the terms,
conditions, and privileges of such services and care solely because such
individual is a blind person. For purposes of this paragraph, a "blind
person" shall mean a person who is registered as a blind person with the
commission for the visually handicapped and who meets the definition of
a "blind person" pursuant to section three of chapter four hundred
fifteen of the laws of nineteen hundred thirteen entitled "An act to

1. It shall be an unlawful discriminatory practice for any creditor or any officer, agent or employee thereof:

a. In the case of applications for credit with respect to the purchase, acquisition, construction, rehabilitation, repair or maintenance of any housing accommodation, land or commercial space to discriminate against any such applicant because of the race, creed, color, national origin, sexual orientation, gender identity or expression, military status, age, sex, marital status, disability, or familial status of such applicant or applicants or any member, stockholder, director, officer or employee of such applicant or applicants, or of the prospective occupants or tenants of such housing accommodation, land or

f. To discriminate against a married person because such person neither uses nor is known by the surname of his or her spouse.

This paragraph shall not apply to any situation where the use of a surname would constitute or result in a criminal act.

2. Without limiting the generality of subdivision one of this section, it shall be considered discriminatory if, because of an applicant's or class of applicants' race, creed, color, national origin, sexual orientation, gender identity or expression, military status, age, sex, mar-
tal status or disability, or familial status, (i) an applicant or class
of applicants is denied credit in circumstances where other applicants
of like overall credit worthiness are granted credit, or (ii) special
requirements or conditions, such as requiring co-obligors or reapplication upon marriage, are imposed upon an applicant or class of applicants
in circumstances where similar requirements or conditions are not
imposed upon other applicants of like overall credit worthiness.

differences in applicants' overall credit worthiness, which may include
reference to such factors as current income, assets and prior credit
history of such applicants, as well as reference to any other relevant
factually supportable data; provided, however, that no creditor shall
consider, in evaluating the credit worthiness of an applicant, aggregate
statistics or assumptions relating to race, creed, color, national
origin, sexual orientation, gender identity or expression, military
status, sex, marital status or disability, or to the likelihood of any
group of persons bearing or rearing children, or for that reason receiv-

to all the educational programs and courses operated or provided by such
institutions without regard to race, color, sex, religion, creed, mar-
tial status, age, sexual orientation as defined in section two hundred
ninety-two of the executive law, gender identity or expression as
defined in section two hundred ninety-two of the executive law, or
national origin, except that, with regard to religious or denominational
educational institutions, students, otherwise qualified, shall have the
equal opportunity to attend therein without discrimination because of
race, color, sex, marital status, age, sexual orientation as defined in
section two hundred ninety-two of the executive law, gender identity or expression as defined in section two hundred ninety-two of the executive law, or national origin. It is a fundamental American right for members of various religious faiths to establish and maintain educational institutions exclusively or primarily for students of their own religious faith or to effectuate the religious principles in furtherance of which they are maintained. Nothing herein contained shall impair or abridge the right of an independent institution, which establishes or maintains
a policy of educating persons of one sex exclusively, to admit students
of only one sex.

(b) To penalize any individual because he or she has initiated, testi-
fied, participated or assisted in any proceedings under this section.

(c) To accept any endowment or gift of money or property conditioned
upon teaching the doctrine of supremacy of any particular race.

armed forces of the United States in the Persian Gulf conflict: (i) to

to any educational program or course operated or provided by such insti-
tution because of such withdrawal from attendance or because of the

such withdrawal or because of the failure to complete any educational
program or course due to such withdrawal; (iii) to reduce or eliminate
any financial aid award granted to such individual which could not be

fees paid by such individual for any semester, term or quarter not
completed because of such withdrawal or because of the failure to
complete any program or course due to such withdrawal.

(e) It shall not be an unfair educational practice for any educational
institution to use criteria other than race, religion, creed, sex,
color, marital status, age, sexual orientation as defined in section two
hundred ninety-two of the executive law, gender identity or expression
as defined in section two hundred ninety-two of the executive law, or
national origin in the admission of students to such institution or to
any of the educational programs and courses operated or provided by such
institution.

§ 18. Section 485.00 of the penal law, as added by chapter 107 of the
laws of 2000, is amended to read as follows:

§ 485.00 Legislative findings.
The legislature finds and determines as follows: criminal acts involv-
ing violence, intimidation and destruction of property based upon bias
and prejudice have become more prevalent in New York state in recent
years. The intolerable truth is that in these crimes, commonly and
justly referred to as "hate crimes", victims are intentionally selected,
in whole or in part, because of their race, color, national origin,
ancestry, gender, gender identity or expression, religion, religious
practice, age, disability or sexual orientation. Hate crimes do more
than threaten the safety and welfare of all citizens. They inflict on
victims incalculable physical and emotional damage and tear at the very
fabric of free society. Crimes motivated by invidious hatred toward
particular groups not only harm individual victims but send a powerful
message of intolerance and discrimination to all members of the group to
which the victim belongs. Hate crimes can and do intimidate and disrupt
entire communities and vitiate the civility that is essential to healthy
democratic processes. In a democratic society, citizens cannot be
required to approve of the beliefs and practices of others, but must
never commit criminal acts on account of them. Current law does not
adequately recognize the harm to public order and individual safety that
hate crimes cause. Therefore, our laws must be strengthened to provide
clear recognition of the gravity of hate crimes and the compelling
importance of preventing their recurrence.

Accordingly, the legislature finds and declares that hate crimes
should be prosecuted and punished with appropriate severity.

§ 19. Subdivisions 1, 2 and 4 of section 485.05 of the penal law, as
added by chapter 107 of the laws of 2000, are amended to read as
follows:

1. A person commits a hate crime when he or she commits a specified
offense and either:

(a) intentionally selects the person against whom the offense is
committed or intended to be committed in whole or in substantial part
because of a belief or perception regarding the race, color, national
origin, ancestry, gender, gender identity or expression, religion, relig-
ious practice, age, disability or sexual orientation of a person,
regardless of whether the belief or perception is correct, or

(b) intentionally commits the act or acts constituting the offense in
whole or in substantial part because of a belief or perception regarding
the race, color, national origin, ancestry, gender, gender identity or
expression, religion, religious practice, age, disability or sexual
orientation of a person, regardless of whether the belief or perception
is correct.

2. Proof of race, color, national origin, ancestry, gender, gender
identity or expression, religion, religious practice, age, disability or sex-
ual orientation of the defendant, the victim or of both the defendant
and the victim does not, by itself, constitute legally sufficient
evidence satisfying the people's burden under paragraph (a) or (b) of
subdivision one of this section.

4. For purposes of this section:
(a) the term "age" means sixty years old or more;
(b) the term "disability" means a physical or mental impairment that substantially limits a major life activity[.];
(c) the term "gender identity or expression" means a person's actual or perceived gender-related identity, appearance, behavior, expression, or other gender-related characteristic regardless of the sex assigned to that person at birth, including, but not limited to, the status of being transgender.
§ 20. Subdivision 3 of section 240.30 of the penal law, as amended by chapter 188 of the laws of 2014, is amended to read as follows:
3. With the intent to harass, annoy, threaten or alarm another person, he or she strikes, shoves, kicks, or otherwise subjects another person to physical contact, or attempts or threatens to do the same because of a belief or perception regarding such person's race, color, national origin, ancestry, gender, gender identity or expression, religion, religious practice, age, disability or sexual orientation, regardless of whether the belief or perception is correct; or
§ 21. The opening paragraph of section 240.31 of the penal law, as amended by chapter 49 of the laws of 2006, is amended to read as follows:
A person is guilty of aggravated harassment in the first degree when with intent to harass, annoy, threaten or alarm another person, because of a belief or perception regarding such person's race, color, national origin, ancestry, gender, gender identity or expression, religion, religious practice, age, disability or sexual orientation, regardless of whether the belief or perception is correct, he or she:
§ 22. Section 240.00 of the penal law is amended by adding a new subdivision 7 to read as follows:
7. "Gender identity or expression" means a person's actual or perceived gender-related identity, appearance, behavior, expression, or other gender-related characteristic regardless of the sex assigned to that person at birth, including, but not limited to, the status of being transgender.

§ 23. Paragraph (c) of subdivision 7 of section 200.50 of the criminal procedure law, as amended by chapter 7 of the laws of 2007, is amended to read as follows:

(c) in the case of any hate crime, as defined in section 485.05 of the penal law, specifies, as applicable, that the defendant or defendants intentionally selected the person against whom the offense was committed or intended to be committed; or intentionally committed the act or acts constituting the offense, in whole or in substantial part because of a belief or perception regarding the race, color, national origin, ancestry, gender, gender identity or expression, religion, religious practice, age, disability or sexual orientation of a person; and

PART U

Section 1. Subdivision 2 of section 7-108 of the general obligations law is amended by adding a new paragraph (f) to read as follows:
(f) Except in instances where statutes or regulations provide for a lesser payment, fee, deposit or charge, no landlord, lessor, sub-lesser or grantor may demand any payment, fee, deposit, or charge, including, but not limited to, any payment, fee, deposit, or charge that is imposed at the beginning of the tenancy to be used to reimburse the landlord for costs associated with processing a new tenant or that is imposed as an advance payment of rent, used or to be used for any purpose, including a security deposit, in an amount or value in excess of an amount equal to two months' rent, including the first month's rent.

§ 2. This act shall take effect immediately.

PART V

Section 1. Section 300 of the executive law, as amended by chapter 166 of the laws of 2000, is amended to read as follows:

§ 300. Construction. The provisions of this article shall be construed liberally for the accomplishment of the purposes thereof. Judicial interpretations of similarly worded provisions of federal civil rights laws are not controlling. Such interpretations of federal civil rights laws establish a floor below which interpretation of this article cannot fall, rather than a ceiling above which interpretation of this article cannot rise. Nothing contained in this article shall be deemed to repeal any of the provisions of the civil rights law or any other law of this state relating to discrimination because of race, creed, color or national origin; but, as to acts declared unlawful by section two hundred ninety-six of this article, the procedure herein provided shall, while pending, be exclusive; and the final determination therein shall exclude any other state civil action[, civil or criminal,] based on the
same grievance of the individual concerned. If such individual insti-
tutes any action based on such grievance without resorting to the proce-
dure provided in this article, he or she may not subsequently resort to
the procedure herein.

§ 2. Subdivision 21 of section 296 of the executive law, as renumbered
by chapter 536 of the laws of 2010, is renumbered subdivision 22 and a
new subdivision 21 is added to read as follows:

21. Harassment on the basis of any protected characteristic is an
unlawful discriminatory practice in any area of jurisdiction as set
forth in this article. Harassment includes the types of actions that
have been found by the courts to create a hostile environment or a
tangible job detriment. Such actions are an unlawful discriminatory
practice when they result in a person or persons being treated not as
well as others because of a protected characteristic. Harassment is not
limited only to those actions that are severe or pervasive. Harassment
does not include what a reasonable person with the same protected char-
acteristic would consider petty slights or trivial inconveniences.

§ 3. Section 5-336 of the general obligations law, as added by section
1 of subpart D of part KK of chapter 57 of the laws of 2018, is amended
to read as follows:

§ 5-336. Nondisclosure agreements. 1. Notwithstanding any other law to
the contrary, no employer, its officers or employees shall have the
authority to include or agree to include in any settlement, agreement or
other resolution of any claim, the factual foundation for which involves
sexual harassment, any term or condition that would prevent the disclo-
sure of the underlying facts and circumstances to the claim or action
unless the condition of confidentiality is the complainant's preference.

Any such term or condition must be provided to all parties, and the
complainant shall have twenty-one days to consider such term or condition. If after twenty-one days such term or condition is the complainant’s preference, such preference shall be memorialized in an agreement signed by all parties. For a period of at least seven days following the execution of such agreement, the complainant may revoke the agreement, and the agreement shall not become effective or be enforceable until such revocation period has expired.

2. Notwithstanding any other law to the contrary, any provision in a contract or other agreement between an employer or an agent of an employer and any employee or potential employee of that employer entered into on or after January first, two thousand twenty, that prevents the disclosure of factual information related to any future claim of sexual harassment, assault, or discrimination is void or unenforceable unless such provision includes language ensuring that the parties to the agreement still have the right to file a complaint about such factual information with a state or local agency, and testify or otherwise participate in a government investigation.

§ 4. Subdivision 3 of section 201-g of the labor law is renumbered subdivision 4 and a new subdivision 3 is added to read as follows:

3. The department shall consult with the division of human rights to produce and distribute a workplace sexual harassment prevention poster.
   a. Such poster shall include an explanation of sexual harassment consistent with guidance issued by the department in consultation with the division of human rights and information concerning employees’ rights of redress and all available forums for adjudicating complaints.
   b. Every employer shall post such poster or a poster that equals or exceeds the minimum standards of such poster in a conspicuous location.

§ 5. This act shall take effect January 1, 2020.
Section 1. This act shall be known and may be cited as the "pension poaching prevention act".

§ 2. Legislative findings and intent. Nationally, veterans and their family members are often subject to a practice commonly called pension poaching. This troubling practice, as described in recent reports from the Federal Trade Commission, the Federal Government Accountability Office, the United States Department of Veterans Affairs, and several other entities, generally target elderly or disabled veterans and their family members. Pension poaching involves dishonest financial planners, insurance agents, and other professionals luring veterans and their family members to pay substantial funds for veterans' benefits services that the offering entity is unqualified to provide and that can detrimentally impact the future financial situations of the veteran and his or her dependents.

Entities engaging in pension poaching tend to use high-pressure sales tactics directed toward potential customers, falsely guaranteeing benefits for veterans and their families even when the advertising entity lacks the federal accreditation required by law to file such claims and appeals for federal veterans' benefits. Often, they persuade veterans and their family members to abruptly move most or all of their assets to potentially qualify for certain federal veterans benefits, frequently causing veterans and their family members to unwittingly lose control over their assets and adversely affecting the ability of veterans and their families to qualify for Medicaid and other important benefits in the future. These entities frequently charge extremely high fees for
these services, even in matters where federal law expressly prohibits such fees.

Through this legislation, the legislature intends to restrain this harmful and deceptive practice within New York State, providing necessary protections to the men and women of this state who courageously served in our nation's armed forces.

§ 3. The general business law is amended by adding a new section 349-f to read as follows:

§ 349-f. Pension poaching prevention. 1. For purposes of this section:

(a) The term "veteran" means a person who has served on active duty service in the armed forces of the United States, or service in the Army national guard, air national guard, commissioned officer in the public health service, commissioned officer of the national oceanic atmospheric administration or environmental sciences services administration, cadet at a United States armed forces service academy or provisions under 38 U.S.C. § 106, and who has been released from such service under honorable conditions.

(b) The term "veterans' benefits matter" means the preparation, presentation, or prosecution of any claim affecting any person who has filed or expressed an intent to file a claim for any benefit, program, service, commodity, function, or status, entitlement which is determined under the laws and regulations administered by the United States department of veterans affairs or the New York state division of veterans' affairs pertaining to veterans, their dependents, their survivors, and any other party eligible for such benefits.

(b) No entity shall receive compensation for referring any party to another individual to advise or assist this party with any veterans' benefits matter.

(c) Any entity seeking to receive compensation for advising or assisting any party with any veterans' benefits matter shall, before rendering any services, memorialize all terms regarding the party's payment of fees for services rendered in a written agreement, signed by both parties, that adheres to all criteria specified within title 38, section 14.636, of the United States code of federal regulations.

(d) No entity shall receive any fees for any services rendered before the date on which a notice of disagreement is filed with respect to the veteran's case.

(e) No entity shall guarantee, either directly or by implication, that any party is certain to receive specific veterans' benefits or that any party is certain to receive a specific level, percentage, or amount of veterans' benefits.

(f) No entity shall receive excessive or unreasonable fees as compensation for advising or assisting any party with any veterans' benefits matter. The factors articulated within title 38, section 14.636 of the code of federal regulations shall govern determinations of whether a fee is excessive or unreasonable.
3. (a) No entity shall advise or assist for compensation any party with any veterans' benefits matter without clearly providing, at the outset of this business relationship, the following disclosure, both orally and in writing: "this business is not sponsored by, or affiliated with, the United States department of veterans affairs, the New York state division of veterans' affairs, or any other congressionally chartered veterans service organization. Other organizations, including but not limited to the New York state division of veterans' affairs, your local county veterans service agency, and other congressionally chartered veterans service organizations, may be able to provide you with this service free of charge. Products or services offered by this business are not necessarily endorsed by any of these organizations. You may qualify for other veterans' benefits beyond the benefits for which you are receiving services here." The written disclosure must appear in at least twelve-point font and must appear in a readily noticeable and identifiable place in the entity's agreement with the party seeking services. The party must verbally acknowledge understanding of the oral disclosure and must provide his or her signature to represent understanding of these provisions on the document in which the written disclosure appears. The entity offering services must retain a copy of the written disclosure while providing veterans' benefits services for compensation to the party and for at least one year after the date on which this service relationship terminates.

(b) No entity shall advertise for-compensation services in veterans benefits matters without including the following disclosure: "this business is not sponsored by, or affiliated with, the United States department of veterans affairs, the New York state division of veterans' affairs, or any other congressionally chartered veterans service organ-
ization. Other organizations, including but not limited to the New York state division of veterans' affairs, your local county veterans service agency, and other congressionally chartered veterans service organizations, may be able to provide you with these services free of charge. Products or services offered by this business are not necessarily endorsed by any of these organizations. You may qualify for other veterans' benefits beyond the services that this business offers." If the advertisement is printed, including but not limited to advertisements visible to internet users, the disclosure must appear in a readily visible place on the advertisement. If the advertisement is verbal, the spoken statement of the disclosure must be clear and intelligible.

4. (a) Any violation of this section shall constitute a deceptive act in the conduct of business, trade, or commerce, and shall be subject to the provisions of section three hundred forty nine of this article, including any right of action and corresponding penalties described within such section.

(b) If an entity's violation of this section concerns a party who is sixty-five years of age or older, said entity may be liable for supplemental civil penalties as established within, and subject of the terms of, section three hundred forty-nine-c of this article.

5. If any provision of this section or its application to any person or circumstance is ever held invalid, the remainder of this act or the application of its provisions to other persons or circumstances shall remain unaffected.

§ 4. This act shall take effect on the one hundred twentieth day after it shall have become a law.
Section 1. Subdivision 21-f of section 292 of the executive law, as added by chapter 369 of the laws of 2015, is amended to read as follows:

21-f. The term "pregnancy-related condition" means a medical condition related to pregnancy or childbirth that inhibits the exercise of a normal bodily function or is demonstrable by medically accepted clinical or laboratory diagnostic techniques, including but not limited to lactation; provided, however, that in all provisions of this article dealing with employment, the term shall be limited to conditions which, upon the provision of reasonable accommodations, do not prevent the complainant from performing in a reasonable manner the activities involved in the job or occupation sought or held; and provided further, however, that pregnancy-related conditions shall be treated as temporary disabilities for the purposes of this article.

§ 2. This act shall take effect immediately.
