PART A

Section 1. The election law is amended by adding a new section 6-170 to read as follows:

14-211. Reports.

14-212. Debates for candidates for statewide office.

14-213. Severability.

§ 14-200. Legislative findings and intent. The legislature finds that reform of New York state's campaign finance system is crucial to improving public confidence in the state's democratic processes and continuing to ensure a government that is accountable to all of the voters of the state regardless of wealth or position. The legislature finds that New
York's current system of campaign finance, with its large contributions to candidates for office and party committees, has created the potential for and the appearance of corruption. The legislature further finds that, whether or not this system creates actual corruption, the appearance of such corruption can give rise to a distrust in government and citizen apathy that undermine the democratic operation of the political process.

The legislature also finds that the high cost of running for office in New York discourages qualified candidates from running for office and creates an electoral system that encourages candidates to spend too much time raising money rather than attending to the duties of their office, representing the needs of their constituents, and communicating with voters.

The legislature amends this chapter creating a new title two to article fourteen of this chapter to reduce the possibility and appearance that special interests exercise undue influence over state officials; to increase the actual and apparent responsiveness of elected officials to all voters; to encourage qualified candidates to run for office; and to reduce the pressure on candidates to spend large amounts of time raising large contributions for their campaigns.

The legislature finds that this article's limitations on contributions further the government's interest in reducing real and apparent corruption and in building trust in government. The legislature finds that the contribution levels are sufficiently high to allow candidates and political parties to raise enough money to run effective campaigns.

In addition, the legislature finds that graduated contribution limitations reflect the campaign needs of candidates for different offices.
The legislature also finds that the system of voluntary public financing furthers the government's interest in encouraging qualified candidates to run for office. The legislature finds that the voluntary public funding program will enlarge the public debate and increase participation in the democratic process. In addition, the legislature finds that the voluntary expenditure limitations and matching fund program reduce the burden on candidates and officeholders to spend time raising money for their campaigns.

Therefore, the legislature declares that these amendments further the important and valid government interests of reducing voter apathy, building confidence in government, reducing the reality and appearance of corruption, and encouraging qualified candidates to run for office, while reducing candidates' and officeholders' fundraising burdens.

The board shall publish a cumulative list of political committees that have registered, including on its webpage, and regularly update it.

2. Only one authorized committee per candidate per elective office sought. Before receiving any contribution or making any expenditure for
a covered election, each candidate shall notify the board as to the
existence of his or her authorized committee that has been approved by
such candidate. Each candidate shall have one and only one authorized
committee per elective office sought. Each authorized committee shall
have a treasurer and is subject to the restrictions found in section
14-112 of this article.

3. (a) Detailed reporting. In addition to each authorized and poli-
tical committee reporting to the board every contribution and loan
received and every expenditure made in the time and manner prescribed by
sections 14-102, 14-104 and 14-108 of this article, each authorized and

each authorized and political committee shall report to the board the

that facilitate compliance with the requirements of this section.

(b) Board review. The board shall review each disclosure report filed
and shall inform authorized and political committees of relevant ques-
tions it has concerning: (i) compliance with requirements of this title
and of the rules issued by the board; and (ii) qualification for receiv-
ing public matching funds pursuant to this title. In the course of this
review, it shall give authorized and political committees an opportunity
to respond to and correct potential violations and give candidates an
opportunity to address questions it has concerning their matchable
contribution claims or other issues concerning eligibility for receiving
public matching funds pursuant to this title. Nothing in this paragraph
shall preclude the chief enforcement counsel from subsequently reviewing such disclosure reports and taking any action otherwise authorized under this title.

(c) Itemization. Contributions that are not itemized in reports filed with the board shall not be matchable.

(d) Option to file more frequently. Participating candidates may file reports of contributions as frequently as once a week on Monday so that their matching funds may be paid at the earliest allowable date.

§ 14-203. Proof of compliance. Authorized and political committees shall maintain such records of receipts and expenditures for a covered election as required by the board. Authorized and political committees shall obtain and furnish to the board any information it may request relating to financial transactions or contributions and furnish such documentation and other proof of compliance with this title as may be requested. In compliance with section 14-108 of this article, authorized and political committees shall maintain copies of such records for a period of five years.

§ 14-204. Eligibility. 1. Terms and conditions. To be eligible for voluntary public financing under this title, a candidate must:

(a) be a candidate in a covered election;

(b) meet all the requirements of law to have his or her name on the ballot;

(c) in the case of a covered general or special election, be opposed by another candidate on the ballot who is not a write-in candidate;
(d) submit a certification in the form of an affidavit, in such form as may be prescribed by the board, that sets forth his or her acceptance of and agreement to comply with the terms and conditions for the provision of such funds in each covered election and such certification shall be submitted at least four months before the election pursuant to a schedule promulgated by the board;

(e) be certified as a participating candidate by the board;

(f) not make, and not have made, expenditures from or use his or her personal funds or property or the personal funds or property jointly held with his or her spouse, or unemancipated children in connection with his or her nomination election or election to a covered office, but may make a contribution to his or her authorized committee in an amount that does not exceed three times the applicable contribution limit from an individual contributor to candidates for the office that he or she is seeking;

(g) meet the threshold for eligibility set forth in subdivision two of this section;

(h) continue to abide by all requirements during the post-election period;

(i) agree not to expend for campaign purposes any portion of any pre-existing funds raised for any public office or party position prior to the first day of the election cycle for which the candidate seeks certification. Nothing in this paragraph shall be construed to limit, in any way, any candidate or public official from expending any portion of pre-existing campaign funds for any lawful purpose other than those related to his or her campaign; and

(j) not have accepted contributions in amounts exceeding the contribution limits set forth for participating candidates in paragraphs a and
b of subdivision one of section 14-114 of this article during the
election cycle for which the candidate seeks certification;

(i) Provided however, that, if a candidate accepted contributions
exceeding such limits before certification, such acceptance shall not
prevent the candidate from being certified by the board if the candidate
immediately pays to the fund or returns to the contributor the portion
of any contribution that exceeded the applicable contribution limit.

(ii) If the candidate is unable to return such funds immediately
because they have already been spent, acceptance of contributions
exceeding the limits shall not prevent the candidate from being certi-
fied by the board if the candidate submits an affidavit agreeing to pay
to the fund all portions of any contributions that exceeded the limit no
later than thirty days before the general election. If a candidate
provides the board with such an affidavit, any disbursement of public
funds to the candidate made under section 14-206 of this title shall be
reduced by no more than twenty-five percent until the total amount owed
by the candidate is repaid.

(iii) Nothing in this section shall be interpreted to require a candi-
date who retains funds raised during a previous election cycle to
forfeit such funds. Funds raised during a previous election cycle may be
retained, but only if the candidate places the funds in escrow.

(iv) Contributions received and expenditures made by the candidate or
an authorized committee of the candidate prior to the effective date of
this title shall not constitute a violation of this title. Unexpended
contributions shall be treated the same as campaign surpluses under
subparagraph (iii) of this paragraph.

2. Threshold for eligibility. (a) The threshold for eligibility for
public funding for participating candidates shall be in the case of:
(i) Governor, not less than six hundred fifty thousand dollars in matchable contributions including at least six thousand five hundred matchable contributions comprised of sums between ten and one hundred seventy-five dollars per contributor, from residents of New York state;

(ii) Lieutenant governor, attorney general, and comptroller, not less than two hundred thousand dollars in matchable contributions including at least two thousand matchable contributions comprised of sums between ten and one hundred seventy-five dollars per contributor, from residents of New York state;

(iv) Member of the assembly, not less than ten thousand dollars in matchable contributions including at least one hundred matchable contributions comprised of sums between ten and one hundred seventy-five dollars per contributor, from residents of the district in which the seat is to be filled.

(b) Any participating candidate meeting the threshold for eligibility in a primary election for one of the foregoing offices shall be deemed to have met the threshold for eligibility for such office in any other subsequent election held in the same calendar year.

(c) The board shall adjust the dollar amount of each threshold for eligibility fixed in this section by the amount of the percentage difference in the consumer price index calculated and published by the board pursuant to paragraph e of subdivision one of section 14-114 of this article to the closest one hundred dollars. Not later than the
first day of March in each such year, the board shall issue a regulation publishing the amount of each such threshold for eligibility. Each threshold for eligibility as so adjusted shall be the threshold for eligibility in effect for any election held before the next such adjustment. The one hundred seventy-five dollar maximum amount for the matchable contributions that funds raised must be comprised of to meet the thresholds for eligibility for candidates fixed in this section shall be adjusted by the amount of percentage difference to the closest one dollar by the board which, not later than the first day of March in each such year, shall issue a regulation publishing such maximum amounts. The one hundred seventy-five dollar maximum amounts as so adjusted shall be in effect for the next election cycle after the year the board publishes the contribution limit adjustment and until the next adjustment pursuant to this paragraph.

§ 14-205. Limits on public financing. The following limitations apply to the total amounts of public funds that may be provided to a participating candidate's authorized committee for an election cycle:

1. In any primary election, receipt of public funds by participating candidates and by their participating committees shall not exceed:
   (i) for governor, the sum of eight million dollars;
   (ii) for lieutenant governor, comptroller or attorney general, the sum of four million dollars;
   (iii) for senator, the sum of three hundred seventy-five thousand dollars;
   (iv) for member of the assembly, the sum of one hundred seventy-five thousand dollars.
2. In any general or special election, receipt of public funds by a participating candidate's authorized committees shall not exceed the following amounts:

Candidates for election to the office of:

- Governor and lieutenant governor (combined): $10,000,000
- Attorney general: $4,000,000
- Comptroller: $4,000,000
- Member of senate: $375,000
- Member of assembly: $175,000

3. No participating candidate for nomination for an office who is not opposed by a candidate on the ballot in a primary election shall be entitled to payment of public matching funds, except that, where there is a contest in such primary election for the nomination of at least one of the two political parties with the highest and second highest number of enrolled members for such office, a participating candidate who is unopposed in the primary election may receive public funds before the primary election, for expenses incurred on or before the date of such primary election, in an amount equal to up to half the sum set forth in paragraph one of this section.

4. Nothing in this section shall be construed to limit the amount of private funds a participating candidate may receive subject to the contribution limits for participating candidates contained in section 14-114 of this article.

5. The board shall adjust the amount of each public funds receipt limit fixed in this section by the amount of the percentage difference in the consumer price index calculated and published by the board pursuant to paragraph e of subdivision one of section 14-114 of this article to the closest one hundred dollars. Not later than the first day of
March in each such year, the board shall issue a regulation publishing
the amount of such limit. Each public fund receipt limit as so adjusted
shall be the public funds receipt limit in effect for any election held
before the next such adjustment.

§ 14-206. Payment of public matching funds. 1. Determination of eligi-
bility. No public matching funds shall be paid to an authorized commit-
tee unless the board determines that the participating candidate has met
the eligibility requirements of this title. Payment shall not exceed the
amounts specified in subdivision two of this section, and shall be made
only in accordance with the provisions of this title. Such payment may
be made only to the participating candidate's authorized committee. No
public matching funds shall be used except as reimbursement or payment
for qualified campaign expenditures actually and lawfully incurred or to
repay loans used to pay qualified campaign expenditures.

2. Calculation of payment. If the threshold for eligibility is met,
the participating candidate's authorized committee shall receive payment
for qualified campaign expenditures of six dollars of public matching
funds for each one dollar of matchable contributions, for the first one
hundred seventy-five dollars of eligible private funds per contributor,
obtained and reported to the board in accordance with the provisions of
this title. The maximum payment of public matching funds shall be limit-
ed to the amounts set forth in section 14-205 of this title for the
covered election.

The board shall adjust the maximum dollar amount for matchable
contributions fixed in this subdivision by the amount of the percentage
difference in the consumer price index calculated by the board pursuant
to paragraph e of subdivision one of section 14-114 of this article to
the closest one dollar. Not later than the first day of March in each
year the board makes the contribution limit adjustment pursuant to para-
paragraph e of subdivision one of section 14-114 of this article, the board
shall issue a regulation publishing the amount of each such maximum
dollar amount. The maximum dollar amount as so adjusted shall be the
maximum dollar amount in effect for the next election cycle after the
year the board publishes such contribution limit adjustment.

3. Timing of payment. The board shall make any payment of public
matching funds to participating candidates as soon as is practicable.
But in all cases, it shall verify eligibility for public matching funds
within four days, excluding weekends and holidays, of receiving a
campaign contribution report filed in compliance with section 14-104 of
this article. Within two days of determining that a candidate for a
covered office is eligible for public matching funds, it shall authorize
payment of the applicable matching funds owed to the candidate. However,
it shall not make any payments of public money earlier than the earliest
dates for making such payments as provided by this title. If any of
such payments would require payment on a weekend or federal holiday,
payment shall be made on the next business day.

4. Electronic funds transfer. The board shall, in consultation with
the office of the comptroller, promulgate rules to facilitate electronic
funds transfers directly from the campaign finance fund into an authorized
committee's bank account.

5. Irregularly scheduled elections. Notwithstanding any other
provision of this title, the board shall promulgate rules to provide for
the prompt issuance of public matching funds to eligible participating
candidates for qualified campaign expenditures in the case of any other
covered election held on a day different from the day originally sched-
uled including special elections. But in all cases, the board shall (a)
within four days, excluding weekends and holidays, of receiving a report of contributions from a candidate for a covered office claiming eligibility for public matching funds verify that candidate's eligibility for public matching funds; and (b) within two days of determining that the candidate for a covered office is eligible for public matching funds, it shall authorize payment of the applicable matching funds owed to the candidate.

§ 14-207. Use of public matching funds; qualified campaign expenditures. 1. Public matching funds provided under the provisions of this title may be used only by an authorized committee for expenditures to further the participating candidate's nomination for election or election, including paying for debts incurred within one year prior to an election to further the participating candidate's nomination for election or election.

2. Such public matching funds may not be used for:

(a) an expenditure in violation of any law;

(b) an expenditure in excess of the fair market value of services, materials, facilities or other things of value received in exchange;

(c) an expenditure made after the candidate has been finally disqualified from the ballot;

(d) an expenditure made after the only remaining opponent of the candidate has been finally disqualified from the general or special election ballot;

(e) an expenditure made by cash payment;

(f) a contribution or loan or transfer made to or expenditure to support another candidate or political committee or party, committee or constituted committee;
(g) an expenditure to support or oppose a candidate for an office other than that which the participating candidate seeks;

(h) gifts, except brochures, buttons, signs and other printed campaign material;

(i) legal fees to defend against a criminal charge;

(j) payments to immediate family members of the participating candidate; or

(k) any expenditure made to challenge the validity of any petition of designation or nomination or any certificate of nomination, acceptance, authorization, declination or substitution.

§ 14-208. Powers and duties of the board. 1. Advisory opinions. The board shall render advisory opinions with respect to questions arising under this title upon the written request of a candidate, an officer of a political committee or member of the public, or upon its own initiative. The board shall promulgate rules regarding reasonable times to respond to such requests. The board shall make public the questions of interpretation for which advisory opinions will be considered by the board and its advisory opinions, including by publication on its webpage with identifying information redacted as the board determines to be appropriate.

2. Public information and candidate education. The board shall develop a program for informing candidates and the public as to the purpose and effect of the provisions of this title, including by means of a webpage. The board shall prepare in plain language and make available educational materials, including compliance manuals and summaries and explanations of the purposes and provisions of this title. The board shall prepare or have prepared and make available materials, including, to the extent
feasible, computer software, to facilitate the task of compliance with
the disclosure and record-keeping requirements of this title.

3. Rules and regulations. The board shall have the authority to
promulgate such rules and regulations and provide such forms as it deems
necessary for the administration of this title.

4. Database. The board shall develop an interactive, searchable
computer database that shall contain all information necessary for the
proper administration of this title including information on contrib-
tutions to and expenditures by candidates and their authorized committee,
independent expenditures in support or opposition of candidates for
covered offices, and distributions of moneys from the fund. Such data-
base shall be accessible to the public on the board's webpage.

5. The board shall work with the chief enforcement counsel to enforce
this section.

§ 14-209. Audits and repayments. 1. Audits. (a) The board shall audit
and examine all matters relating to the proper administration of this
title and shall complete such audit no later than one year after the
election in question. This deadline shall not apply in cases involving
potential campaign-related fraud, knowing and willful violations of
article fourteen of this chapter, or criminal activity.
(b) Every participating candidate for statewide office who receives
public funds under this title shall be audited by the board.
(c) Except as provided in paragraph (b) of this subdivision, the board
shall select not more than fifty percent of all participating candidates
in covered elections for audit through a lottery. A separate lottery
shall be conducted for each office. The board shall select senate and
assembly districts to be audited, auditing every participating candidate
in each selected district, while ensuring that the number of audited
candidates within those districts does not exceed fifty percent of all participating candidates for the relevant office. The lottery for senate and assembly elections shall be weighted to increase the likelihood that a district for the relevant office is audited based on how frequently it has not been selected for auditing during the past three election cycles. The board shall promulgate rules concerning the method of weighting the senate and assembly lotteries, including provisions for the first three election cycles for each office.

(d) The cost of complying with a post-election audit shall be borne by the candidate's authorized committee using public funds, private funds or any combination of such funds. Candidates who run in any primary or general election must maintain a reserve of three percent of the public funds received to comply with the post-election audit.

(e) The board shall issue to each campaign audited a final audit report that details its findings.

2. Repayments. (a) If the board determines that any portion of the payment made to a candidate's authorized committee from the fund was in excess of the aggregate amount of payments that such candidate was eligible to receive pursuant to this title, it shall notify such committee and such committee shall pay to the board an amount equal to the amount of excess payments. Provided, however, that if the erroneous payment was the result of an error by the board, then the erroneous payment will be deducted from any future payment, if any, and if no payment is to be made then neither the candidate nor the committee shall be liable to repay the excess amount to the board. The candidate, the treasurer and the candidate's authorized committee are jointly and severally liable for any repayments to the board.
(b) If the board determines that any portion of the payment made to a candidate's authorized committee from the fund was used for purposes other than qualified campaign expenditures and such expenditures were not approved by the board, it shall notify such committee of the amount so disqualified and such committee shall pay to the board an amount equal to such disqualified amount. The candidate, the treasurer and the candidate's authorized committee are jointly and severally liable for any repayments to the board.

(c) If the total of payments from the fund received by a participating candidate and his or her authorized committee exceed the total campaign expenditures of such candidate and authorized committee for all covered elections held in the same calendar year or for a special election to fill a vacancy, such candidate and committee shall use such excess funds to reimburse the fund for payments received by such authorized committee from the fund during such calendar year or for such special election. Participating candidates shall pay to the board unspent public campaign funds from an election not later than twenty-seven days after all liabilities for the election have been paid and in any event, not later than the day on which the board issues its final audit report for the participating candidate's authorized committee; provided, however, that all unspent public campaign funds for a participating candidate shall be immediately due and payable to the board upon a determination by the board that the participant has delayed the post-election audit. A participating candidate may make post-election expenditures with public funds only for routine activities involving nominal cost associated with winding up a campaign and responding to the post-election audit. Nothing in this title shall be construed to prevent a candidate or his or
her authorized committee from using campaign contributions received from private contributors for otherwise lawful expenditures.

3. Rules and regulations. The board shall promulgate regulations for the certification of the amount of funds payable by the comptroller, from the fund established pursuant to section ninety-two-t of the state finance law, to a participating candidate that has qualified to receive such payment. These regulations shall include the promulgation and distribution of forms on which contributions and expenditures are to be reported, the periods during which such reports must be filed and the verification required. The board shall institute procedures which will make possible payment by the fund within four business days after receipt of the required forms and verifications.

§ 14-210. Enforcement and penalties for violations and other proceedings. 1. Civil penalties. Violations of any provision of this title or rule promulgated pursuant to this title shall be subject to a civil penalty in an amount not in excess of fifteen thousand dollars.

2. Notice of violation and opportunity to contest. The board shall:
(a) determine whether a violation of any provision of this title or rule promulgated hereunder has been committed;
(b) give written notice and the opportunity to contest before an independent hearing officer to each person or entity it has reason to believe has committed a violation;
(c) if appropriate, assess penalties for violations, following such notice and opportunity to contest; and
(d) any formal or informal advisory opinion issued by a majority vote of the commissioners of the state board of elections to a participating candidate in connection with any action under this title, when relied upon in good faith, shall be presumptive evidence that such candidate or
his or her committee did not knowingly or willfully violate the provisions of this title.

3. Criminal conduct. Any person who knowingly and willfully furnishes or submits false statements or information to the board in connection with its administration of this title, shall be guilty of a misdemeanor in addition to any other penalty as may be imposed under this chapter or pursuant to any other law. The chief enforcement counsel shall seek to recover any public matching funds obtained as a result of such criminal conduct.

4. Proceedings as to public financing. (a) The determination of eligibility pursuant to this title and any question or issue relating to payments for campaign expenditures pursuant to this title may be contested in a proceeding instituted in the Supreme court, Albany county, by any aggrieved candidate.

(b) A proceeding with respect to such a determination of eligibility or payment for qualified campaign expenditures pursuant to this chapter shall be instituted within fourteen days after such determination was made. The board shall be made a party to any such proceeding.

(c) Upon the board's failure to receive the amount due from a participating candidate or such candidate's authorized committee after the issuance of written notice of such amount due, as required by this title, the chief enforcement counsel is authorized to institute a special proceeding or civil action in Supreme Court, Albany county, to obtain a judgment for any amounts determined to be payable to the board as a result of an examination and audit made pursuant to this title or to obtain such amounts directly from the candidate or authorized committee after a hearing at the board.
(d) The chief enforcement counsel is authorized to institute a special proceeding or civil action in Supreme Court, Albany county, to obtain a judgment for civil penalties determined to be payable to the board pursuant to this title or to impose such penalty directly after a hearing at the board.

§ 14-211. Reports. The board shall review and evaluate the effect of this title upon the conduct of election campaigns and shall submit a report to the legislature on or before January first, two thousand twenty-one, and every third year thereafter, and at any other time upon the request of the governor and at such other times as the board deems appropriate. These reports shall include:

1. a list of the participating and nonparticipating candidates in covered elections and the votes received by each candidate in those elections;
2. the amount of contributions and loans received, and expenditures made, on behalf of these candidates;
3. the amount of public matching funds each participating candidate received, spent, and repaid pursuant to this title;
4. analysis of the effect of this title on political campaigns, including its effect on the sources and amounts of private financing, the level of campaign expenditures, voter participation, the number of candidates, the candidates' ability to campaign effectively for public office, and the diversity of candidates seeking and elected to office;
and
5. recommendations for amendments to this title, including changes in contribution limits, thresholds for eligibility, and any other features of the system.
§ 14-212. Debates for candidates for statewide office. The board shall promulgate regulations to facilitate debates among participating candidates who seek election to statewide office. Participating candidates are required to participate in one debate before each election for which the candidate receives public funds, unless the participating candidate is running unopposed. Nonparticipating candidates may participate in such debates.

§ 14-213. Severability. If any clause, sentence, subdivision, paragraph, section or part of this title be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, subdivision, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

§ 9. The state finance law is amended by adding a new section 92-t to read as follows:

§ 92-t. New York state campaign finance fund. 1. There is hereby established in the joint custody of the state comptroller and the commissioner of taxation and finance a fund to be known as the New York state campaign finance fund.

2. Such fund shall consist of all revenues received from the New York state campaign finance fund check-off pursuant to subsection (h) of section six hundred fifty-eight of the tax law, from the abandoned property fund pursuant to section ninety-five of this article, from the general fund, and from all other moneys credited or transferred thereto from any other fund or source pursuant to law. Such fund shall also receive contributions from private individuals, organizations, or other persons to fulfill the purposes of the public financing system.
3. Moneys of the fund, following appropriation by the legislature, may be expended for the purposes of making payments to candidates pursuant to title two of article fourteen of the election law and for administrative expenses related to the implementation of article fourteen of the election law. Moneys shall be paid out of the fund by the state comptroller on vouchers certified or approved by the state board of elections, or its duly designated representative, in the manner prescribed by law, not more than five working days after such voucher is received by the state comptroller.

4. Notwithstanding any provision of law to the contrary, if, in any state fiscal year, the state campaign finance fund lacks the amount of money to pay all claims vouchered by eligible candidates and certified or approved by the state board of elections, any such deficiency shall be paid by the state comptroller, from funds deposited in the general fund of the state not more than four working days after such voucher is received by the state comptroller.

5. Commencing in two thousand twenty, if the surplus in the fund on April first of the year after a year in which a governor is elected exceeds twenty-five percent of the disbursements from the fund over the previous four years, the excess shall revert to the general fund of the state.

6. No public funds shall be paid to any participating candidates in a primary election any earlier than thirty days after designating petitions or certificates of nomination have been filed and not later than thirty days after such primary election.

7. No public funds shall be paid to any participating candidates in a general election any earlier than the day after the day of the primary election held to nominate candidates for such election.
8. No public funds shall be paid to any participating candidates in a special election any earlier than the day after the last day to file certificates of party nomination for such special election.

9. No public funds shall be paid to any participating candidate who has been disqualified or whose designating petitions have been declared invalid by the appropriate board of elections or a court of competent jurisdiction until and unless such finding is reversed by a higher court in a final judgment. No payment from the fund in the possession of such a candidate or such candidate's participating committee on the date of such disqualification or invalidation may thereafter be expended for any purpose except the payment of liabilities incurred before such date. All such moneys shall be repaid to the fund.

§ 10. Section 95 of the state finance law is amended by adding a new subdivision 5 to read as follows:

5. (a) As often as necessary, the co-chairs of the state board of elections shall certify the amount such co-chairs have determined necessary to fund estimated payments from the fund established by section ninety-two-t of this article for the primary, general or special election.

(b) Notwithstanding any provision of this section authorizing the transfer of any moneys in the abandoned property fund to the general fund, the comptroller, after receiving amounts sufficient to pay claims against the abandoned property fund, shall, based upon a certification of the state board of elections pursuant to paragraph (a) of this subdivision, and at the direction of the director of the budget, transfer the requested amount from remaining available monies in the abandoned property fund to the campaign finance fund established by section ninety-two-t of this article.
§ 11. Section 658 of the tax law is amended by adding a new subsection (h) to read as follows:

(h) New York state campaign finance fund check-off. (1) For each taxable year beginning on and after January first, two thousand nineteen, every resident taxpayer whose New York state income tax liability for the taxable year for which the return is filed is forty dollars or more may designate on such return that forty dollars be paid into the New York state campaign finance fund established by section ninety-two-t of the state finance law. Where a husband and wife file a joint return and have a New York state income tax liability for the taxable year for which the return is filed is eighty dollars or more, or file separate returns on a single form, each such taxpayer may make separate designations on such return of forty dollars to be paid into the New York state campaign finance fund.

(2) The commissioner shall transfer to the New York state campaign finance fund, established pursuant to section ninety-two-t of the state finance law, an amount equal to forty dollars multiplied by the number of designations.

(3) For purposes of this subsection, the income tax liability of an individual for any taxable year is the amount of tax imposed under this article reduced by the sum of the credits (as shown in his or her return) allowable under this article.

(4) The department shall include a place on every personal income tax return form to be filed by an individual for a tax year beginning on or after January first, two thousand nineteen, for such taxpayer to make the designations described in paragraph one of this subsection. Such return form shall contain a concise explanation of the purpose of such optional designations.
§ 12. Severability. If any clause, sentence, subdivision, paragraph, section or part of title II of article 14 of the election law, as added by section three of this act be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, subdivision, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

§ 13. This act shall take effect immediately; provided, however, all affected candidates will be eligible to participate in voluntary public financing beginning with the 2020 primary election.

PART C

Section 1. Short title. This act shall be known as and may be cited as the "Voter Enfranchisement Modernization Act of 2019 (VEMA)".

§ 2. Declaration of Legislative Intent. The right to vote is a fundamental right, the well-spring of all others, secured by the federal and state constitutions. On-line forms of communication and conducting transactions did not exist at the time New York's paper-based voter registration system was enacted. In the last twenty years, many paper-based processes have migrated to on-line processes, including filing tax returns, applying for social security benefits, routine banking transactions, official communications and purchase transactions of all types. This on-line migration has improved cost efficiency, increased accessibility and provided greater convenience to the public in many contexts. The predominantly paper-based voter registration application process in New York is antiquated and must be supplemented with on-line voter...
registration. To remove unnecessary burdens to the fundamental right of
the people to vote, the State Board of Elections shall establish the
Voter Enfranchisement Modernization Program for the purpose of increas-
ing opportunities for voter registration by any person who is qualified
to be a voter under Article II of the New York State Constitution. This
effort modernizes voter registration and supplements the methods of
voter registration provided under current law.

§ 3. Article 5 of the election law is amended by adding a new title 8
to read as follows:

TITLE VIII

ELECTRONIC PERSONAL VOTER REGISTRATION PROCESS

Section 5-800. Electronic voter registration transmittal system.

5-802. Online voter registration application.

5-804. Failure to provide exemplar signature not to prevent
registration.

§ 5-800. Electronic voter registration transmittal system. In addition
to any other means of voter registration provided for by this chapter,
the state board of elections shall establish and maintain an electronic
voter registration transmittal system through which applicants may apply
to register to vote online. The state board of elections shall elec-
tronically transmit such applications to the applicable board of
elections of each county or the city of New York for filing, processing
and verification consistent with this chapter. In accordance with tech-

ical specifications provided by the state board of elections, each
board of elections shall maintain a voter registration system capable of
receiving and processing voter registration application information,
including electronic signatures, from the electronic voter registration
transmittal system established by the state board of elections. Notwith-
standing any other inconsistent provision of this chapter, applications filed using such system shall be considered filed with the applicable board of elections on the calendar date the application is initially transmitted by the voter through the electronic voter registration transmittal system.

§ 5-802. Online voter registration application. 1. A voter shall be able to apply to register to vote using a personal online voter registration application submitted through the electronic voter registration transmittal system when the voter:

(a) completes an electronic voter registration application promulgated by the state board of elections which shall include all of the voter registration information required by section 5-210 of this article; and

(b) affirm[s], subject to penalty of perjury, by means of electronic or manual signature, that the information contained in the voter registration application is true and that the applicant meets all of the qualifications to become a registered voter; and

(c) consents to the use of an electronic copy of the individual's manual signature that is in the custody of the department of motor vehicles, the state board of elections, or other agency designated by sections 5-211 or 5-212 of this article, as the individual's voter registration exemplar signature, or provides such a signature by direct upload in a manner that complies with the New York state electronic signature and records act and the rules and regulations promulgated by the state board of elections.

2. The board of elections shall provide the personal online voter registration application in any language required by the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10503) in any county in the state.
3. The online voter registration application process shall provide reasonable accommodations to improve accessibility for persons with disabilities, and shall be compatible for use with standard online accessibility assistance tools for persons with visual, physical or perceptive disabilities.

4. The state board of elections shall promulgate rules and regulations for the creation and administration of an online voter registration system pursuant to this section.

§ 5-804. Failure to provide exemplar signature not to prevent registration. 1. If a voter registration exemplar signature is not provided by an applicant who submits a voter registration application pursuant to this title, the local board shall seek to obtain such exemplar signature from the statewide voter registration database, the state board of elections, or a state or local agency designated by section 5-211 or 5-212 of this article.

2. If such exemplar signature is not available from the statewide voter registration database, the state board of elections, or a state or local agency designated by section 5-211 or 5-212 of this article, the local board of elections shall, absent another reason to reject the application, proceed to register and, as applicable, enroll the applicant. Within ten days of such action, the board of elections shall send a standard form promulgated by the state board of elections to the voter whose record lacks an exemplar signature, requiring such voter to submit a signature for identification purposes. The voter shall submit to the board of elections a voter registration exemplar signature by any one of the following methods: in person, by mail with return postage paid provided by the board of elections, by electronic mail, or by electronic upload to the board of elections through the electronic voter registra-
tion transmittal system. If such voter does not provide the required exemplar signature, when the voter appears to vote the voter shall be entitled to vote in the same manner as a voter with a notation indicating the voter's identity has not yet been verified in the manner provided by section 8-302 of this chapter.

§ 4. This act shall take effect on the earlier occurrence of: (i) two years after it shall have become a law; provided, however, the state board of elections shall be authorized to implement necessary rules and regulations and to take steps required to implement this act immediately; or (ii) five days after the date of certification by the state board of elections that the information technology infrastructure to substantially implement this act is functional. Provided, further that the state board of elections shall notify the legislative bill drafting commission upon the occurrence of the enactment of the legislation provided for in this act in order that the commission may maintain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law.

PART D

Section 1. Section 3-400 of the election law is amended by adding a new subdivision 9 to read as follows:

9. Notwithstanding any inconsistent provisions of this article, election inspectors or poll clerks, if any, at polling places for early voting, shall consist of either board of elections employees who shall be appointed by the commissioners of such board or duly qualified indi-
individuals, appointed in the manner set forth in this section. Appointments
to the offices of election inspector or poll clerk in each polling place
for early voting shall be equally divided between the major political
parties. The board of elections shall assign staff and provide the
resources they require to ensure wait times at early voting sites do not
exceed thirty minutes.

§ 2. Section 4-117 of the election law is amended by adding a new
subdivision 1-a to read as follows:

1-a. The notice required by subdivision one of this section shall
include the dates, hours and locations of early voting for the general
and primary election. The board of elections may satisfy the notice
requirement of this subdivision by providing in the notice instructions
to obtain the required early voting information from a website of the
board of elections and providing a phone number to call for such infor-
mation.

§ 3. Subdivision 2 of section 8-100 of the election law, as amended by
chapter 367 of the laws of 2017, is amended to read as follows:

2. Polls shall be open for voting during the following hours: a prima-
ry election from twelve o'clock noon until nine o'clock in the evening,
except in the city of New York and the counties of Nassau, Suffolk,
Westchester, Rockland, Orange, Putnam, Dutchess and Erie, and in such
city or county from six o'clock in the morning until nine o'clock in the
evening; the general election from six o'clock in the morning until nine
o'clock in the evening; a special election called by the governor pursu-
ant to the public officers law, and, except as otherwise provided by
law, every other election, from six o'clock in the morning until nine
o'clock in the evening; early voting hours shall be as provided in
section 8-600 of this article.
§ 4. Subdivision 1 of section 8-102 of the election law is amended by adding a new paragraph (k) to read as follows:

(k) Voting at each polling place for early voting shall be conducted in a manner consistent with the provisions of this article, with the exception of the tabulation and proclamation of election results which shall be completed according to subdivisions eight and nine of section 8-600 of this article.

§ 5. Section 8-104 of the election law is amended by adding a new subdivision 7 to read as follows:

7. This section shall apply on all early voting days as provided for in section 8-600 of this article.

§ 6. Paragraph (b) of subdivision 2 of section 8-508 of the election law, as amended by chapter 200 of the laws of 1996, is amended to read as follows:

(b) The second section of such report shall be reserved for the board of inspectors to enter the name, address and registration serial number of each person who is challenged on the day of election or on any day in which there is early voting pursuant to section 8-600 of this article, together with the reason for the challenge. If no voters are challenged, the board of inspectors shall enter the words "No Challenges" across the space reserved for such names. In lieu of preparing section two of the challenge report, the board of elections may provide, next to the name of each voter on the computer generated registration list, a place for the inspectors of election to record the information required to be entered in such section two, or provide at the end of such computer generated registration list, a place for the inspectors of election to enter such information.
§ 7. Article 8 of the election law is amended by adding a new title to read as follows:

TITLE VI

EARLY VOTING

Section 8-600. Early voting.

8-602. State board of elections; powers and duties for early voting.

§ 8-600. Early voting. 1. Beginning the thirteenth day prior to any general, primary or special election for any public or party office, and ending on and including the second day prior to such general, primary or special election for such public or party office, persons duly registered and eligible to vote at such election shall be permitted to vote as provided in this title. The board of elections shall establish procedures, which shall be consistent with this chapter and the regulations of the state board of elections, to ensure that persons who vote during the early voting period shall not be permitted to vote subsequently in the same election.

2. (a) The board of elections shall designate polling places for early voting in each county, which may include the offices of the board of elections, for persons to vote early pursuant to this section. There shall be so designated at least one early voting polling place for every full increment of fifty thousand registered voters in each county; provided, however, the number of early voting polling places in a county shall not be required to be greater than seven, and a county with fewer than fifty thousand voters shall have at least one early voting polling place.

(b) The board of elections may establish additional polling places for early voting in excess of the minimum number required by this subdivi-
sion for the convenience of eligible voters wishing to vote during the early voting period.

(c) Notwithstanding the minimum number of early voting poll sites otherwise required by this subdivision, for any primary or special election, upon majority vote of the board of elections, the number of early voting sites may be reduced if the board of elections reasonably determines a lesser number of sites is sufficient to meet the needs of early voters.

(d) Polling places for early voting shall be located to ensure, to the extent practicable, that eligible voters have equitable access to such polling places, taking into consideration population density, travel time to the polling place, proximity to other early voting polling places, commonly used transportation routes, public transportation, and such other factors the board of elections deems appropriate. The provisions of section 4-104 of this chapter, except subdivisions four and five of such section, shall apply to the designation of polling places for early voting except to the extent such provisions are inconsistent with this section.

3. Any person permitted to vote early may do so at any polling place for early voting established pursuant to subdivision two of this section in the county where such voter is registered to vote. Provided, however, (i) if it is impractical to provide each polling place for early voting all appropriate ballots for each election to be voted on in the county, or (ii) if permitting such persons to vote early at any polling place established for early voting would make it impractical to ensure that such voter has not previously voted early during such election, the board of elections may designate each polling place for early voting only for those voters registered to vote in a portion of the county to
be served by such polling place for early voting, provided that all
voters in each county shall have one or more polling places at which
they are eligible to vote throughout the early voting period on a
substantially equal basis.

4. (a) Polls shall be open for early voting for at least eight hours
between seven o'clock in the morning and eight o'clock in the evening
each week day during the early voting period.

(b) At least one polling place for early voting shall remain open
until eight o'clock in the evening on at least two week days in each
calendar week during the early voting period. If polling places for
early voting are limited to voters from certain areas pursuant to subdi-
vision three of this section, polling places that remain open until
eight o'clock shall be designated such that any person entitled to vote
early may vote until eight o'clock in the evening on at least two week
days during the early voting period.

(c) Polls shall be open for early voting for at least five hours
between nine o'clock in the morning and six o'clock in the evening on
each Saturday, Sunday and legal holiday during the early voting period.

(d) Nothing in this section shall be construed to prohibit any board
of elections from establishing a greater number of hours for voting
during the early voting period beyond the number of hours required in
this subdivision.

(e) Early voting polling places and their hours of operation for early
voting at a general election shall be designated pursuant to subdivision
one of section 4-104 of this chapter. Notwithstanding the provisions of
subdivision one of section 4-104 of this chapter requiring poll site
designation by May first, early voting polling places and their hours of
operation for early voting for a primary or special election shall be
made not later than forty-five days before such primary or special
election.

5. Each board of elections shall create a communication plan to inform
eligible voters of the opportunity to vote early. Such plan may utilize
any and all media outlets, including social media, and shall publicize:
the location and dates and hours of operation of all polling places for
early voting; an indication of whether each polling place is accessible
to voters with physical disabilities; a clear and unambiguous notice to
voters that if they cast a ballot during the early voting period they
will not be allowed to vote election day; and if polling places for
early voting are limited to voters from certain areas pursuant to subdi-
vision three of this section, the location of the polling places for
early voting serving the voters of each particular city, town or other
political subdivision.

6. The form of paper ballots used in early voting shall comply with
the provisions of article seven of this chapter that are applicable to
voting by paper ballot on election day and such ballot shall be cast in
the same manner as provided for in section 8-312 of this article,
provided, however, that ballots cast during the early voting period
shall be secured in the manner of voted ballots cast on election day and
such ballots shall not be canvassed or examined until after the close of
the polls on election day, and no unofficial tabulations of election
results shall be printed or viewed in any manner until after the close
of polls on election day.

7. Voters casting ballots pursuant to this title shall be subject to
challenge as provided in sections 8-500, 8-502 and 8-504 of this arti-
cle.
8. Notwithstanding any other provisions of this chapter, at the end of each day of early voting, any early voting ballots that have not been scanned because a ballot scanner was not available or because the ballot has been abandoned by the voter at the ballot scanner shall be cast in a manner consistent with section 9-110 of this chapter, except that any ballots that would otherwise be scanned at the close of the polls pursuant to such section shall be scanned at the close of each day's early voting.

9. The board of elections shall secure all ballots and scanners used for early voting from the beginning of the early voting period through the close of the polls of the election on election day. As soon as the polls of the election are closed on election day, and not before, inspectors or board of elections employees shall follow all relevant provisions of article nine of this chapter that are not inconsistent with this section, for canvassing, processing, recording, and announcing results of voting at polling places for early voting, and securing ballots, scanners, and other election materials.

10. This title shall not apply to village elections conducted pursuant to article fifteen and title two of article six of this chapter.

§ 8-602. State board of elections; powers and duties for early voting.

Any rule or regulation necessary for the implementation of the provisions of this title shall be promulgated by the state board of elections provided that such rules and regulations shall include provisions to ensure that ballots cast early, by any method allowed under law, are counted and canvassed as if cast on election day. The state board of elections shall promulgate any other rules and regulations necessary to ensure an efficient and fair early voting process that respects the privacy of the voter. Provided, further, that such
rules and regulations shall require that the voting history record for
each voter be continually updated to reflect each instance of early
voting by such voter.

§ 8. This act shall take effect on the first of January next succeed-
ing the date on which it shall have become a law and shall apply to any
election held 120 days or more after it shall have taken effect.

PART E

Section 1. This part enacts into law major components of legislation
relating to elections. Each component is wholly contained within a
Subpart identified as Subparts A through B. The effective date for each
particular provision contained within such Subpart is set forth in the
last section of such Subpart. Any provision in any section contained
within a Subpart, including the effective date of the Subpart, which
makes a reference to a section "of this act", when used in connection
with that particular component, shall be deemed to mean and refer to the
corresponding section of the Subpart in which it is found. Section three
of this part sets forth the general effective date of this part.

SUBPART A

Section 1. Subdivision 1 of section 1-106 of the election law, as
amended by chapter 700 of the laws of 1977, is amended to read as
follows:

1. All papers required to be filed pursuant to the provisions of this
chapter shall, unless otherwise provided, be filed between the hours of
nine A.M. and five P.M. If the last day for filing shall fall on a
Saturday, Sunday or legal holiday, the next business day shall become
the last day for filing. All papers sent by mail in an envelope post-
marked prior to midnight of the last day of filing shall be deemed time-
ly filed and accepted for filing when received, except that all certif-
icates and petitions of designation or nomination, certificates of
acceptance or declination of such designations or nominations, certif-
icates of authorization for such designations or nominations, certif-
icates of disqualification, certificates of substitution for such desig-
nations or nominations and objections and specifications of objections
to such certificates and petitions required to be filed with the state
board of elections or a board of elections outside of the city of New
York shall be deemed timely filed and accepted for filing if sent by
mail or overnight delivery service pursuant to subdivision three of this
section, and received no later than two business days after the last day
to file such certificates, petitions, objections or specifications.
Failure of the post office or any other person or entity to deliver any
such petition, certificate or objection to such board of elections
outside the city of New York no later than two business days after the
last day to file such certificates, petitions, objections or specifica-
tions shall be a fatal defect. Excepted further that all certificates
and petitions of designation or nomination, certificates of acceptance
or declination of such designations and nominations, certificates of
substitution for such designations or nominations and objections and
specifications of objections to such certificates and petitions required
to be filed with the board of elections of the city of New York must be
actually received by such city board of elections on or before the last
day to file any such petition, certificate or objection and such office
shall be open for the receipt of such petitions, certificates and
§ 2. Subdivision 1 of section 4-104 of the election law, as amended by chapter 180 of the laws of 2005, is amended to read as follows:

1. Every board of elections shall, in consultation with each city, town and village, designate the polling places in each election district in which the meetings for the registration of voters, and for any election may be held. The board of trustees of each village in which general and special village elections conducted by the board of elections are held at a time other than the time of a general election shall submit such a list of polling places for such village elections to the board of elections. A polling place may be located in a building owned by a religious organization or used by it as a place of worship. If such a building is designated as a polling place, it shall not be required to be open for voter registration on any Saturday if this is contrary to the religious beliefs of the religious organization. In such a situation, the board of elections shall designate an alternate location to be used for voter registration. Such polling places must be designated by [May first] March fifteenth, of each year, and shall be effective for one year thereafter. Such a list required to be submitted by a village board of trustees must be submitted at least four months before each general village election and shall be effective until four months before the subsequent general village election. No place in which a business licensed to sell alcoholic beverages for on premises consumption is conducted on any day of local registration or of voting shall be
so designated. If, within the discretion of the board of elections a
particular polling place so designated is subsequently found to be
unsuitable or unsafe or should circumstances arise that make a desig-
nated polling place unsuitable or unsafe, then the board of elections is
empowered to select an alternative meeting place. In the city of New
York, the board of elections shall designate such polling places and
alternate registration places if the polling place cannot be used for
voter registration on Saturdays.

§ 3. Subdivisions 1 and 2 of section 4-106 of the election law, subdi-
vision 2 as amended by chapter 635 of the laws of 1990, are amended to
read as follows:

1. The state board of elections shall, [at least eight months before
each] by February first in the year of each general election, make and
transmit to the board of elections of each county, a certificate stating
each office, except county, city, village and town offices to be voted
for at such election in such county.

2. Each county, city, village and town clerk, [at least eight months
before each] by February first in the year of each general election,
shall make and transmit to the board of elections a certificate stating
each county, city, village or town office, respectively to be voted for
at each such election. Each village clerk, at least five months before
each general village election conducted by the board of elections, shall
make, and transmit to such board, a certificate stating each village
office to be filled at such election.

§ 4. Paragraph b of subdivision 1 of section 4-108 of the election
law, as amended by chapter 117 of the laws of 1985, is amended to read
as follows:
b. Whenever any proposal, proposition or referendum as provided by law is to be submitted to a vote of the people of a county, city, town, village or special district, at an election conducted by the board of elections, the clerk of such political subdivision, at least [thirty-six days] three months prior to the general election at which such proposal, proposition or referendum is to be submitted, shall transmit to each board of elections a certified copy of the text of such proposal, proposition or referendum and a statement of the form in which it is to be submitted. If a special election is to be held, such transmittal shall also give the date of such election.

§ 5. Section 4-110 of the election law, as amended by chapter 434 of the laws of 1984, is amended to read as follows:

§ 4-110. Certification of primary election candidates; state board of elections. The state board of elections, not later than [thirty-six] fifty-five days before a primary election, shall certify to each county board of elections: The name and residence of each candidate to be voted for within the political subdivision of such board for whom a designation has been filed with the state board; the title of the office or position for which the candidate is designated; the name of the party upon whose primary ballot his or her name is to be placed; and the order in which the names of the candidates are to be printed as determined by the state board. Where an office or position is uncontested, such certification shall state such fact.

§ 6. Subdivision 1 of section 4-112 of the election law, as amended by chapter 4 of the laws of 2011, is amended to read as follows:

1. The state board of elections, not later than [thirty-six] fifty-five days before a general election, or fifty-three days before a special election, shall certify to each county board of elections the
name and residence of each candidate nominated in any valid certificate filed with it or by the returns canvassed by it, the title of the office for which nominated; the name of the party or body specified of which he or she is a candidate; the emblem chosen to distinguish the candidates of the party or body; and a notation as to whether or not any litigation is pending concerning the candidacy. Upon the completion of any such litigation, the state board of elections shall forthwith notify the appropriate county boards of elections of the results of such litigation.

§ 7. Section 4-114 of the election law, as amended by chapter 4 of the laws of 2011, is amended to read as follows:

§ 4-114. Determination of candidates and questions; county board of elections. The county board of elections, not later than the [thirty-fifth] fifty-fourth day before the day of a primary or general election, or the fifty-third day before a special election, shall determine the candidates duly nominated for public office and the questions that shall appear on the ballot within the jurisdiction of that board of elections.

§ 8. Subdivision 1 of section 4-117 of the election law, as amended by chapter 3 of the laws of 2018, is amended to read as follows:

1. The board of elections, [between August first and August fifth of each year] not less than sixty-five days nor more than seventy days before the primary election in each year, shall send by mail on which is endorsed such language designated by the state board of elections to ensure postal authorities do not forward such mail but return it to the board of elections with forwarding information, when it cannot be delivered as addressed and which contains a request that any such mail received for persons not residing at the address be dropped back in the mail, a communication, in a form approved by the state board of

Section 1. Section 5-208 of the election law, as added by chapter 659 of the laws of 1994, subdivisions 1, 5 and 8 as amended by chapter 200 of the laws of 1996, is amended to read as follows:

§ 5-208. Transfer of registration and enrollment. 1. The board of elections shall transfer the registration and enrollment of any voter appearing on a statewide voter list pursuant to subdivision one of section 5-614 of this article for whom it receives a notice of change of
address to another address in [the same county or city] New York state, or for any voter who casts a ballot in an affidavit ballot envelope which sets forth such a new address. Such notices shall include, but not be limited to, notices received from any state agency which conducts a voter registration program pursuant to the provisions of sections 5-211 and 5-212 of this title, that the voter has notified such agency of a change of address in [the same city or county] New York state unless the voter has indicated that such change of address is not for voter registration purposes, notices of change of address from the United States Postal Service through the National Change of Address System, any notices of a forwarding address on mail sent to a voter by the board of elections and returned by the postal service, national or state voter registration forms, confirmation mailing response cards, United States Postal Service notices to correspondents of change of address, applications for registration from persons already registered in [such county or city] New York state, or any other notices to correspondents sent to the board of elections by such voters.

2. Upon receipt of such a notice, the board shall compare the signature (if any) and other information with the signature and other information on the registration record on file. If such signature and other information appears to be correct, the board shall change the address of the voter in all the records of such board.

3. If such a notice is received at least twenty days before a primary, special or general election, such change of address must be completed before such election.

4. If such application for registration from a voter already registered in [such county or city] New York state also reflects a change of enrollment, the board of elections shall treat such application as an
application for change of enrollment pursuant to section 5-304 of this article.

5. As soon as practicable, after it transfers a voter's registration, the board of elections shall send the voter, by forwardable first class or return postage guaranteed mail, a notice advising him or her of the transfer in a form which is similar to the notice sent to new registrants pursuant to the provisions of section 5-210 of this title and which has been approved by the state board of elections. If the notice of change of address did not contain the voter's signature, such notice shall include a postage paid return card, in a form prescribed by the state board of elections, on which the voter may notify the board of elections of any correction of address, together with a statement on such notice and on the return card that the voter should return such card only if the address to which the notice was sent is not the voter's current address.

6. If a notice sent pursuant to subdivision five of this section is returned by the postal service as undeliverable and without a forwarding address, the board of elections shall return the registration of such voter to the original address, send such voter a confirmation notice pursuant to the provisions of subdivision one of section 5-712 of this [title] article and place such voter in inactive status.

7. The board of elections shall preserve such notices of change of address for as long as registration records are otherwise required to be preserved or, if the computer readable records maintained by the board of elections include a complete copy of such notice, the board shall preserve the original notice for a period of at least two years or such longer period as the state board of elections may require.
8. If the board of elections receives notice of a change of address within [such city or county] New York state from, or with respect to, a person who it determines is not registered in [such county or city] New York state, it shall forthwith send such person a notice to that effect in a form approved by the state board of elections at the new address set forth in such notice of change of address, together with a voter registration form.

9. The state board of elections shall promulgate regulations as to the procedures for transferring a voter's registration and enrollment from one county to another.

Each such affidavit shall be in a form prescribed by the state board of elections, shall be printed on an envelope of the size and quality used for an absentee ballot envelope, and shall contain an
acknowledgment that the affiant understands that any false statement
made therein is perjury punishable according to law. Such form
prescribed by the state board of elections shall request information
required to register such voter should the county board determine that
such voter is not registered and shall constitute an application to
register to vote. The voter's name and the entries required shall then
be entered without delay and without further inquiry in the fourth
section of the challenge report or in the place provided at the end of
the computer generated registration list, with the notation that the
voter has executed the affidavit hereinabove prescribed, or, if such
person's name appears on the computer generated registration list, the
board of elections may provide a place to make such entry next to his or
her name on such list. The voter shall then, without further inquiry,
be permitted to vote an affidavit ballot provided for by this chapter.
Such ballot shall thereupon be placed in the envelope containing his or
her affidavit, and the envelope sealed and returned to the board of

(b) A person who claims to have moved to a new address within the election district in which he or she is registered to vote shall be permitted to vote in the same manner as other voters unless challenged on other grounds. The inspectors shall enter the names and new addresses of all such persons in either the first section of the challenge report or in the place provided [at the end of] in the computer generated registration list and shall also enter the new address next to such person's address on such computer generated registration list. (d) If an applicant requests assistance in voting and qualifies therefor, the board shall provide assistance as directed by this chapter, and shall without delay either enter such applicant's name and the other entries required in the third section of the challenge report or make an entry next to such applicant's name [on] in the computer generated registration list or in the place provided [at the end of the computer generated] in such registration list.

(e) Whenever a voter presents himself or herself and offers to cast a ballot, and he or she claims to live in the election district in which he or she seeks to vote but no registration poll record can be found for him or her in the poll ledger or his or her name does not appear [on] in the computer generated registration list or his or her signature does not appear next to his or her name [on] in such [computer generated] registration list or his or her registration poll record or the computer generated registration list does not show him or her to be enrolled in
the party in which he or she claims to be enrolled, a poll clerk or election inspector shall consult a map, street finder or other description of all of the polling places and election districts within the political subdivision in which said election district is located and if necessary, contact the board of elections to obtain the relevant information and advise the voter of the correct polling place and election district for the residence address provided by the voter to such poll clerk or election inspector. Thereafter, such voter shall be permitted to vote in said election district only as hereinafter provided:

(i) He or she may present a court order requiring that he or she be permitted to vote. At a primary election, such a court order must specify the party in which the voter is permitted to vote. The voter shall then be permitted to vote in the manner otherwise prescribed for voters whose registration poll records are found in the ledger or whose names are found on the computer generated registration list; or

(ii) He or she may swear to and subscribe an affidavit stating that he or she has duly registered to vote, the address in such election district from which he or she registered, that he or she remains a duly
qualified voter in such election district, that his or her registration
poll record appears to be lost or misplaced or that his or her name
and/or his or her signature was omitted from the computer generated
registration list or that he or she has moved within the county or city
since he or she last registered, the address from which he or she was
previously registered and the address at which he or she currently
resides, and at a primary election, the party in which he or she is
enrolled. The inspectors of election shall offer such an affidavit to

elections, shall be printed on an envelope of the size and quality used
for an absentee ballot envelope, and shall contain an acknowledgment
that the affiant understands that any false statement made therein is
perjury punishable according to law. Such form prescribed by the state
board of elections shall request information required to register such
voter should the county board determine that such voter is not regis-

voter's name and the entries required shall then be entered without
delay and without further inquiry in the fourth section of the challenge
report or in the place provided [at the end of] in the computer gener-

the affidavit hereinabove prescribed, or, if such person's name appears
[on the computer generated] in such registration list, the board of
elections may provide a place to make such entry next to his or her name
[on] in such list. The voter shall then, without further inquiry, be
permitted to vote an affidavit ballot provided for by this chapter. Such
ballot shall thereupon be placed in the envelope containing his or her
affidavit, and the envelope sealed and returned to the board of
elections in the manner provided by this chapter for protested official ballots, including a statement of the number of such ballots.

4. At a primary election, a voter whose registration poll record is in the ledger or computer generated registration list shall be permitted to vote only in the primary of the party in which such record shows [him] the voter to be enrolled unless [he] the voter shall present a court order pursuant to the provisions of subparagraph (i) of paragraph (e) of subdivision three of this section requiring that [he] the voter be permitted to vote in the primary of another party, or unless [he] the voter shall present a certificate of enrollment issued by the board of elections, not earlier than one month before such primary election, pursuant to the provisions of this chapter which certifies that [he] the voter is enrolled in a party other than the one in which such record shows [him] the voter to be enrolled, or unless he or she shall subscribe an affidavit pursuant to the provisions of subparagraph (ii) of paragraph (e) of subdivision three of this section.
