§ 2. This act shall take effect immediately.

PART D

Section 1. Subparagraph (iv) of paragraph (a) of subdivision 1 of section 210 of the tax law, as amended by section 12 of part A of chapter 59 of the laws of 2014, is amended to read as follows:
(iv) for taxable years beginning before January first, two thousand sixteen, if the business income base is not more than two hundred ninety thousand dollars the amount shall be six and one-half percent of the business income base; if the business income base is more than two hundred ninety thousand dollars but not over three hundred ninety thousand dollars the amount shall be the sum of (1) eighteen thousand eight hundred fifty dollars, (2) seven and one-tenth percent of the excess of the business income base over two hundred ninety thousand dollars but not over three hundred ninety thousand dollars and (3) four and thirty-five hundredths percent of the excess of the business income base over three hundred fifty thousand dollars but not over three hundred ninety thousand dollars. For taxable years beginning on or after January first, two thousand twenty-one the amount shall be four percent of the taxpayer's business income base.

§ 2. Paragraph (d) of subdivision 1 of section 210-B of the tax law, as amended by section 31 of part T of chapter 59 of the laws of 2015, is amended to read as follows:

(d) Except as otherwise provided in this paragraph, the credit allowed under this subdivision for any taxable year shall not reduce the tax due for such year to less than the fixed dollar minimum amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of credit allowable under this subdivision for any taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit allowed for a taxable year commencing prior to January first, nineteen hundred eighty-seven and not deductible in such taxable year may be carried over to the following year or years and may be deducted from the taxpayer's tax for such year or years but in no
event shall such credit be carried over to taxable years commencing on
or after January first, two thousand two, and any amount of credit
allowed for a taxable year commencing on or after January first, nine-
teen hundred eighty-seven and not deductible in such year may be carried
over to the fifteen taxable years next following such taxable year and
may be deducted from the taxpayer's tax for such year or years. In lieu
of such carryover, any such taxpayer which qualifies as a new business
under paragraph (f) of this subdivision or a taxpayer that qualifies as
an eligible farmer for purposes of paragraph (b) of subdivision eleven
of this section may elect to treat the amount of such carryover as an
overpayment of tax to be credited or refunded in accordance with the
provisions of section ten hundred eighty-six of this chapter, provided,
however, the provisions of subsection (c) of section ten hundred eight-
y-eight of this chapter notwithstanding, no interest shall be paid ther-
on.

§ 3. Paragraph 5 of subsection (a) of section 606 of the tax law, as
amended by chapter 170 of the laws of 1994, is amended to read as
follows:

(5) If the amount of credit allowable under this subsection for any
taxable year shall exceed the taxpayer's tax for such year, the excess
allowed for a taxable year commencing prior to January first, nineteen
hundred eighty-seven may be carried over to the following year or years
and may be deducted from the taxpayer's tax for such year or years, but
in no event shall such credit be carried over to taxable years commencing on or after January first, nineteen hundred ninety-seven, and any
amount of credit allowed for a taxable year commencing on or after Janu-
ary first, nineteen hundred eighty-seven and not deductible in such year
may be carried over to the ten taxable years next following such taxable
year and may be deducted from the taxpayer's tax for such year or years.

In lieu of carrying over any such excess, a taxpayer who qualifies as an
owner of a new business for purposes of paragraph ten of this subsection
or a taxpayer who qualifies as an eligible farmer for purposes of para-
graph two of subsection (n) of this section may, at his option, receive
such excess as a refund. Any refund paid pursuant to this paragraph
shall be deemed to be a refund of an overpayment of tax as provided in
section six hundred eighty-six of this article, provided, however, that
no interest shall be paid thereon.

§ 4. Paragraph 39 of subsection (c) of section 612 of the tax law, as
added by section 1 of part Y of chapter 59 of the laws of 2013, is
amended to read as follows:

into federal adjusted gross income, but not less than zero, for taxable
years beginning after two thousand thirteen, an amount equal to three
and three-quarters percent of the net items of income, gain, loss and
deduction attributable to such business or farm entering into federal
adjusted gross income, but not less than zero, for taxable years begin-
ing after two thousand fourteen, [and] an amount equal to five percent
of the net items of income, gain, loss and deduction attributable to
such business or farm entering into federal adjusted gross income, but
not less than zero, for taxable years beginning after two thousand
fifteen, and an amount equal to fifteen percent of the net items of
income, gain, loss and deduction attributable to such business or farm
entering into federal adjusted gross income, but not less than zero, for
taxable years beginning after two thousand twenty. For the purposes of
this paragraph, the term small business shall mean a sole proprietor or
a farm business who employs one or more persons during the taxable year
and who has net business income or net farm income of less than two
hundred fifty thousand dollars.
§ 5. Paragraph 1 of subsection (c) of section 1085 of the tax law, as
amended by section 4 of part KK of chapter 59 of the laws of 2018, is
amended to read as follows:
(1) If any taxpayer, except a New York S corporation as defined in
subdivision one-A of section two hundred eight of this chapter, fails to
file a declaration of estimated tax under article nine-A of this chap-
ter, or fails to pay all or any part of an amount which is applied as an
installment against such estimated tax, it shall be deemed to have made
an underpayment of estimated tax. There shall be added to the tax for
the taxable year an amount at the underpayment rate set by the commis-
sioner pursuant to section one thousand ninety-six of this article, or
if no rate is set, at the rate of seven and one-half percent per annum
upon the amount of the underpayment for the period of the underpayment
but not beyond the fifteenth day of the fourth month following the close
of the taxable year. Provided, however, that, for taxable years begin-
ing on or after January first, two thousand seventeen and before Janu-
ary first, two thousand eighteen, no amount shall be added to the tax
with respect to the portion of such tax related to the amount of any
interest deductions directly or indirectly attributable to the amount
included in exempt CFC income pursuant to subparagraph (ii) of paragraph
(b) of subdivision six-a of section two hundred eight of this chapter or
the forty percent reduction of such exempt CFC income in lieu of inter-
est attribution if the election described in paragraph (b) of subdivi-
The amount of the underpayment shall be, with respect to any installment of estimated tax computed on the basis of either the preceding year's tax or the second preceding year's tax, the excess of the amount required to be paid over the amount, if any, paid on or before the last day prescribed for such payment or, with respect to any other installment of estimated tax, the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to ninety-one percent of the tax shown on the return for the taxable year (or if no return was filed, ninety-one percent of the tax for such year) over the amount, if any, of the installment paid on or before the last day prescribed for such payment. In any case in which there would be no underpayment if "eighty percent" were substituted for "ninety-one percent" each place it appears in this subsection, the addition to the tax shall be equal to seventy-five percent of the amount otherwise determined. No underpayment shall be deemed to exist with respect to a declaration or installment otherwise due on or after the termination of existence of the taxpayer.

§ 6. This act shall take effect immediately; provided however that sections two and three of this act shall apply to property acquired by purchase on or after January 1, 2021, and section five of this act shall apply to taxable years beginning on or after January 1, 2020.

PART E

Section 1. Paragraph 1 of subsection (aa) of section 606 of the tax law, as amended by section 1 of part P of chapter 61 of the laws of 2005, is amended to read as follows:

In order to qualify for such credit, the taxpayer's premium payment must be for the purchase of or for continuing coverage under a long-term care insurance policy that qualifies for such credit pursuant to section one thousand one hundred seventeen of the insurance law. If the amount of the credit allowable under this subsection for any taxable year shall exceed the taxpayer's tax for such year, the excess may be carried over to the following year or years and may be deducted from the taxpayer's tax for such year or years.

§ 2. This act shall take effect immediately and apply to taxable years beginning on or after January 1, 2020.

In making the determination of whether a
taxpayer may be eligible for such credit, the commissioner shall use such data as may be appropriate and available, including, but not limited to, data available from the United States Department of Treasury, Internal Revenue Service and New York state income tax returns for preceding tax years.

(B) If the department determines that the taxpayer is eligible to receive the credit provided under this subsection but has not claimed such credit on his or her return, the department, at its discretion, may compute the taxpayer's liability and allow the credit, and, if applicable, issue any refund for the allowable credit amount provided under this subsection. Any refund paid pursuant to this subparagraph shall be deemed to be a refund of an overpayment of tax as provided in section six hundred eighty-six of this article, provided, however, that no interest shall be paid thereon.

§ 613. New York deduction of a resident individual. The New York deduction of a resident individual shall be his New York standard
deduction unless he elects to deduct his New York itemized deduction under the conditions set forth in section six hundred fifteen of this article. If an individual taxpayer has elected to deduct his New York itemized deduction computed pursuant to section six hundred fifteen of this article, but the department determines that the New York standard deduction allowable pursuant to section six hundred fourteen of this article is greater, the department may recompute the taxpayer's tax liability pursuant to section six hundred eleven of this article using the New York standard deduction provided in section six hundred fourteen of this article. The department will notify the taxpayer of any adjustment to the election.

§ 4. Subdivision (d) of section 11-1706 of the administrative code of the city of New York is amended by adding a new paragraph 5 to read as follows:

(5) If the state commissioner of taxation and finance determines that the taxpayer is eligible to receive the credit provided under this subdivision but has not claimed such credit on his or her return, the state commissioner of taxation and finance, at his or her discretion, may compute and issue any refund for the allowable credit amount provided under this subdivision. Any refund paid pursuant to this paragraph shall be deemed to be a refund of an overpayment of tax as provided in section 11-1786 of this title, provided, however, that no interest shall be paid thereon.

§ 5. This act shall take effect immediately.

PART G

technology at an end user's site, or (ii) the production of products or
development of technologies that would produce only marginal and incre-
mental energy savings or environmental benefits ancillary to the core
function of the product or technology.

§ 2. Subdivision 1 of section 353 of the economic development law, as
amended by section 2 of part K of chapter 59 of the laws of 2017, is
amended to read as follows:

office operation;

(f) in the creation or expansion of back office operations in the
state;
(g) in a distribution center;

economic growth and development in this state as established by the
commissioner in regulations promulgated pursuant to this article. In
promulgating such regulations the commissioner shall include job and

(k) as a life sciences company; or
(l) as a company operating in one of the industries listed in para-
graphs (b) through (e) of this subdivision and engaging in a green
project as defined in section three hundred fifty-two of this article.
§ 3. Subdivision 5 of section 354 of the economic development law, as
amended by section 4 of part K of chapter 59 of the laws of 2017, is
amended to read as follows:
5. A participant may claim tax benefits commencing in the first taxa-
ble year that the business enterprise receives a certificate of tax
credit or the first taxable year listed on its preliminary schedule of
benefits, whichever is later. A participant may claim such benefits for
the next nine consecutive taxable years, provided that the participant
demonstrates to the department that it continues to satisfy the eligibility criteria specified in section three hundred fifty-three of this article and subdivision two of this section in each of those taxable years, and provided that no tax credits may be allowed for taxable years beginning on or after January first, two thousand [thirty] fifty. If, in any given year, a participant who has satisfied the eligibility criteria specified in section three hundred fifty-three of this article realizes job creation less than the estimated amount, the credit shall be reduced by the proportion of actual job creation to the estimated amount, provided the proportion is at least seventy-five percent of the jobs estimated.

§ 4. Subdivisions 1, 2 and 3 of section 355 of the economic development law, subdivisions 1 and 2 as amended by section 4 of part G of chapter 61 of the laws of 2011, and subdivision 3 as amended by section 1 of part YY of chapter 59 of the laws of 2017, are amended to read as follows:

1. Excelsior jobs tax credit component. A participant in the excelsior jobs program shall be eligible to claim a credit for each net new job it creates in New York state. [The] In a project that is not a green project, the amount of such credit per job shall be equal to the product of the gross wages paid and up to 6.85 percent. In a green project, the amount of such credit per job shall be equal to the product of the gross wages paid and up to 7.5 percent.

2. Excelsior investment tax credit component. A participant in the excelsior jobs program shall be eligible to claim a credit on qualified investments. [The] In a project that is not a green project, the credit shall be equal to two percent of the cost or other basis for federal income tax purposes of the qualified investment. In a green project,
the credit shall be equal to five percent of the cost or other basis for federal income tax purposes of the qualified investment. A participant may not claim both the excelsior investment tax credit component and the investment tax credit set forth in subdivision [twelve] one of section two hundred [ten] ten-B, subsection (a) of section six hundred six, the former subsection (i) of section fourteen hundred fifty-six, or subdivision (q) of section fifteen hundred eleven of the tax law for the same property in any taxable year, except that a participant may claim both the excelsior investment tax credit component and the investment tax credit for research and development property. In addition, a taxpayer who or which is qualified to claim the excelsior investment tax credit component and is also qualified to claim the brownfield tangible property credit component under section twenty-one of the tax law may claim either the excelsior investment tax credit component or such tangible property credit component, but not both with regard to a particular piece of property. A credit may not be claimed until a business enterprise has received a certificate of tax credit, provided that qualified investments made on or after the issuance of the certificate of eligibility but before the issuance of the certificate of tax credit to the business enterprise, may be claimed in the first taxable year for which the business enterprise is allowed to claim the credit. Expenses incurred prior to the date the certificate of eligibility is issued are not eligible to be included in the calculation of the credit.

3. Excelsior research and development tax credit component. A participant in the excelsior jobs program shall be eligible to claim a credit equal to fifty percent of the portion of the participant's federal research and development tax credit that relates to the participant's research and development expenditures in New York state during the taxa-
ble year; provided however, if not a green project, the excelsior research and development tax credit shall not exceed six percent of the qualified research and development expenditures attributable to activities conducted in New York state, or, if a green project, the excelsior research and development tax credit shall not exceed eight percent of the research and development expenditures attributable to activities conducted in New York state. If the federal research and development credit has expired, then the research and development expenditures relating to the federal research and development credit shall be calculated as if the federal research and development credit structure and definition in effect in two thousand nine were still in effect. Notwithstanding any other provision of this chapter to the contrary, research and development expenditures in this state, including salary or wage expenses for jobs related to research and development activities in this state, may be used as the basis for the excelsior research and development tax credit component and the qualified emerging technology company facilities, operations and training credit under the tax law.

§ 5. Section 359 of the economic development law, as amended by section 5 of part K of chapter 59 of the laws of 2017, is amended to read as follows:

§ 359. Cap on tax credit. [The total amount of tax credits listed on certificates of tax credit issued by the commissioner for any taxable year may not exceed the limitations set forth in this section.] One-half of any amount of tax credits not awarded for a particular taxable year [in years two thousand eleven through two thousand twenty-four] may be used by the commissioner to award tax credits in another taxable year.

Twenty-five percent of tax credits shall be allocated to businesses accepted into the program under subdivision four of section three hundred fifty-three of this article and seventy-five percent of tax credits shall be allocated to businesses accepted into the program under subdivision three of section three hundred fifty-three of this article.

Provided, however, if by September thirtieth of a calendar year, the department has not allocated the full amount of credits available in that year to either: (i) businesses accepted into the program under subdivision four of section three hundred fifty-three of this article or (ii) businesses accepted into the program under subdivision three of section three hundred fifty-three of this article, the commissioner may allocate any remaining tax credits to businesses referenced in this paragraph as needed; provided, however, that under no circumstances may the aggregate statutory cap for all program years be exceeded. One hundred percent of the unawarded amounts remaining at the end of two thousand [twenty-four] thirty-nine may be allocated in subsequent years, notwithstanding the fifty percent limitation on any amounts of tax credits not awarded in taxable years two thousand eleven through two thousand [twenty-four] thirty-nine. Provided, however, no tax credits may be allowed for taxable years beginning on or after January first, two thousand [thirty] fifty.

§ 6. Subdivision (b) of section 31 of the tax law, as amended by section 6 of part K of chapter 59 of the laws of 2017, is amended to read as follows:
(b) To be eligible for the excelsior jobs program credit, the taxpayer shall have been issued a "certificate of tax credit" by the department of economic development pursuant to subdivision four of section three hundred fifty-four of the economic development law, which certificate shall set forth the amount of each credit component that may be claimed for the taxable year. A taxpayer may claim such credit for ten consecutive taxable years commencing in the first taxable year that the taxpayer receives a certificate of tax credit or the first taxable year listed on its preliminary schedule of benefits, whichever is later, provided that no tax credits may be allowed for taxable years beginning on or after January first, two thousand [thirty] fifty. The taxpayer shall be allowed to claim only the amount listed on the certificate of tax credit for that taxable year. Such certificate must be attached to the taxpayer's return. No cost or expense paid or incurred by the taxpayer shall be the basis for more than one component of this credit or any other tax credit, except as provided in section three hundred fifty-five of the economic development law.

§ 7. This act shall take effect immediately.

PART M

Section 1. Paragraph 2 of subdivision (a) of section 24 of the tax law, as amended by section 4 of part Q of chapter 57 of the laws of 2010, is amended to read as follows:

(2) The amount of the credit shall be the product (or pro rata share of the product, in the case of a member of a partnership) of [thirty] twenty-five percent and the qualified production costs paid or incurred in the production of a qualified film, provided that: (i) the qualified
production costs (excluding post production costs) paid or incurred which are attributable to the use of tangible property or the performance of services at a qualified film production facility in the production of such qualified film equal or exceed seventy-five percent of the production costs (excluding post production costs) paid or incurred which are attributable to the use of tangible property or the performance of services at any film production facility within and without the state in the production of such qualified film, and (ii) except with respect to a qualified independent film production company or pilot, at least ten percent of the total principal photography shooting days spent in the production of such qualified film must be spent at a qualified film production facility. However, if the qualified production costs (excluding post production costs) which are attributable to the use of tangible property or the performance of services at a qualified film production facility in the production of such qualified film is less than three million dollars, then the portion of the qualified production costs attributable to the use of tangible property or the performance of services in the production of such qualified film outside of a qualified film production facility shall be allowed only if the shooting days spent in New York outside of a film production facility in the production of such qualified film equal or exceed seventy-five percent of the total shooting days spent within and without New York outside of a film production facility in the production of such qualified film. The credit shall be allowed for the taxable year in which the production of such qualified film is completed. However, in the case of a qualified film that receives funds from additional pool 2, no credit shall be claimed before the later of (1) the taxable year the production of the qualified film is complete, or (2) the taxable year immediately
following the allocation year for which the film has been allocated
credit by the governor's office for motion picture and television devel-
opment. If the amount of the credit is at least one million dollars but
less than five million dollars, the credit shall be claimed over a two
year period beginning in the first taxable year in which the credit may
be claimed and in the next succeeding taxable year, with one-half of the
amount of credit allowed being claimed in each year. If the amount of
the credit is at least five million dollars, the credit shall be claimed
over a three year period beginning in the first taxable year in which
the credit may be claimed and in the next two succeeding taxable years,
with one-third of the amount of the credit allowed being claimed in each
year.

§ 2. Paragraph 2 of subdivision (a) of section 24 of the tax law, as
amended by section 4 of part Q of chapter 57 of the laws of 2010, is
amended to read as follows:

(2) The amount of the credit shall be the product (or pro rata share
of the product, in the case of a member of a partnership) of thirty
percent and the qualified production costs paid or incurred in the
production of a qualified film, provided that: (i) the qualified
production costs (excluding post production costs) paid or incurred
which are attributable to the use of tangible property or the perform-
ance of services at a qualified film production facility in the
production of such qualified film equal or exceed seventy-five percent
of the production costs (excluding post production costs) paid or
incurred which are attributable to the use of tangible property or the
performance of services at any film production facility within and with-
out the state in the production of such qualified film, and (ii) except
with respect to a qualified independent film production company or
pilot, at least ten percent of the total principal photography shooting
days spent in the production of such qualified film must be spent at a
qualified film production facility. However, if the qualified production
costs (excluding post production costs) which are attributable to the
use of tangible property or the performance of services at a qualified
film production facility in the production of such qualified film is
less than three million dollars, then the portion of the qualified
production costs attributable to the use of tangible property or the
performance of services in the production of such qualified film outside
of a qualified film production facility shall be allowed only if the
shooting days spent in New York outside of a film production facility in
the production of such qualified film equal or exceed seventy-five
percent of the total shooting days spent within and without New York
outside of a film production facility in the production of such quali-
fied film. The credit shall be allowed for the taxable year in which the
production of such qualified film is completed. However, in the case of
a qualified film that receives funds from additional pool 2, no credit
shall be claimed before the later of (1) the taxable year the production
of the qualified film is complete, or (2) the first taxable year begin-
ned immediately after the allocation year for which the
film has been allocated credit by the governor's office for motion
picture and television development. If the amount of the credit is at
least one million dollars but less than five million dollars, the credit
shall be claimed over a two year period beginning in the first taxable
year in which the credit may be claimed and in the next succeeding taxa-
ble year, with one-half of the amount of credit allowed being claimed in
each year. If the amount of the credit is at least five million dollars,
first taxable year in which the credit may be claimed and in the next
two succeeding taxable years, with one-third of the amount of the credit
allowed being claimed in each year.

million dollars. A "qualified film", with the exception of a television

(2) The amount of the credit shall be the product (or pro rata share of the product, in the case of a member of a partnership) of twenty-five percent and the qualified post production costs paid in the production of a qualified film at a qualified post production facility located within the metropolitan commuter transportation district as defined in section twelve hundred sixty-two of the public authorities law or thirty percent and the qualified post production costs paid in the production of a qualified film at a qualified post production facility located elsewhere in the state.

§ 5-a. Paragraph 5 of subdivision (a) of section 24 of the tax law, as amended by section 1 of part 59 of the laws of 2019, is amended to read as follows:

(5) For the period two thousand fifteen through two thousand twenty-four, in addition to the amount of credit established in paragraph two of this subdivision, a taxpayer shall be allowed a credit equal to the product (or pro rata share of the product, in the case of a member of a partnership) of ten percent and the amount of wages or salaries paid to individuals directly employed (excluding those employed as writers, directors, music directors, producers and performers, including
background actors with no scripted lines) by a qualified film production
company or a qualified independent film production company for services
performed by those individuals in one of the counties specified in this
paragraph in connection with a qualified film with a minimum budget of
five hundred thousand dollars. For purposes of this additional credit,
the services must be performed in one or more of the following counties:
Albany, Allegany, Broome, Cattaraugus, Cayuga, Chautauqua, Chemung,
Chenango, Clinton, Columbia, Cortland, Delaware, Dutchess, Erie, Essex,

Livingston, Madison, Monroe, Montgomery, Niagara, Oneida, Onondaga,
Ontario, Orange, Orleans, Oswego, Otsego, Putnam, Rensselaer, Saratoga,
Schenectady, Schoharie, Schuyler, Seneca, St. Lawrence, Steuben, Sullivan,
Tioga, Tompkins, Ulster, Warren, Washington, Wayne, Wyoming, or
Yates. The aggregate amount of tax credits allowed pursuant to the
authority of this paragraph shall be five million dollars each year
during the period two thousand fifteen through two thousand twenty-
four of the annual allocation made available to the program
pursuant to paragraph four of subdivision (e) of this section. Such
aggregate amount of credits shall be allocated by the governor's office
for motion picture and television development among taxpayers in order
of priority based upon the date of filing an application for allocation
of film production credit with such office. If the total amount of
allocated credits applied for under this paragraph in any year exceeds
the aggregate amount of tax credits allowed for such year under this
paragraph, such excess shall be treated as having been applied for on
the first day of the next year. If the total amount of allocated tax
credits applied for under this paragraph at the conclusion of any year
is less than five million dollars, the remainder shall be treated as
part of the annual allocation made available to the program pursuant to paragraph four of subdivision (e) of this section. However, in no event may the total of the credits allocated under this paragraph and the credits allocated under paragraph five of subdivision (a) of section thirty-one of this article exceed five million dollars in any year during the period two thousand fifteen through two thousand twenty-five.

§ 5-b. Paragraph 4 of subdivision (e) of section 24 of the tax law, as amended by chapter 683 of the laws of 2019, is amended to read as follows:

(4) Additional pool 2 - The aggregate amount of tax credits allowed in subdivision (a) of this section shall be increased by an additional four hundred twenty million dollars in each year starting in two thousand ten through two thousand twenty-five provided however, seven million dollars of the annual allocation shall be available for the empire state film post production credit pursuant to section thirty-one of this article in two thousand thirteen and two thousand fourteen, twenty-five million dollars of the annual allocation shall be available for the empire state film post production credit pursuant to section thirty-one of this article in each year starting in two thousand fifteen through two thousand twenty-five and five million dollars of the annual allocation shall be made available for the television writers' and directors' fees and salaries credit pursuant to section twenty-four-b of this article in each year starting in two thousand twenty through two thousand twenty-five. This amount shall be allocated by the governor's office for motion picture and television development among taxpayers in accordance with subdivision (a) of this section. If the commissioner of economic development determines that the
aggregate amount of tax credits available from additional pool 2 for the
empire state film production tax credit have been previously allocated,
and determines that the pending applications from eligible applicants
for the empire state film post production tax credit pursuant to section
thirty-one of this article is insufficient to utilize the balance of
unallocated empire state film post production tax credits from such
pool, the remainder, after such pending applications are considered,
shall be made available for allocation in the empire state film tax
credit pursuant to this section, subdivision twenty of section two
hundred ten-B and subsection (gg) of section six hundred six of this
chapter. Also, if the commissioner of economic development determines
that the aggregate amount of tax credits available from additional pool
2 for the empire state film post production tax credit have been previ-
ously allocated, and determines that the pending applications from
eligible applicants for the empire state film production tax credit
pursuant to this section is insufficient to utilize the balance of unal-
located film production tax credits from such pool, then all or part of
the remainder, after such pending applications are considered, shall be
made available for allocation for the empire state film post production
credit pursuant to this section, subdivision thirty-two of section two
hundred ten-B and subsection (qq) of section six hundred six of this
chapter. The governor's office for motion picture and television devel-
opment must notify taxpayers of their allocation year and include the
allocation year on the certificate of tax credit. Taxpayers eligible to
claim a credit must report the allocation year directly on their empire
state film production credit tax form for each year a credit is claimed
and include a copy of the certificate with their tax return. In the case
of a qualified film that receives funds from additional pool 2, no
empire state film production credit shall be claimed before the later of
the taxable year the production of the qualified film is complete, or
the taxable year immediately following the allocation year for which the
film has been allocated credit by the governor's office for motion
picture and television development.

§ 6. This act shall take effect immediately; provided, however, that
the amendments made by sections one, three and five of this act shall
apply to applications that are filed with the governor's office for
motion picture and television development on or after April 1, 2020.

PART N

Section 1. Subdivision 13 of section 1901 of the real property tax law
is amended by adding a new paragraph (c) to read as follows:
(c) Notwithstanding any provision of law to the contrary, the govern-
ing body of a municipal corporation that has adopted the provisions of
paragraph (c) of subdivision one of section five hundred eighty-one of
this chapter relating to converted condominium units is authorized to
adopt a local law or, in the case of a school district, a resolution,
providing that such converted condominium units shall be classified in
the homestead class for purposes of taxes levied by such municipal
corporation.

§ 2. This act shall take effect immediately.

PART O

Section 1. The tax law is amended by adding a new section 171-w to
read as follows:
§ 171-w. State support for the local enforcement of past-due property taxes. 1. Legislative findings. The legislature finds that local governments have limited means to enforce the collection of past-due property taxes. The legislature further finds that it is appropriate for the state to support the local enforcement of past-due property taxes by authorizing the commissioner to administer a program to disallow STAR credits and exemptions to delinquent property owners based on information reported to him or her by municipal officials.

2. Definitions. For the purposes of this section:

(a) "Delinquent property owner" means a STAR recipient whose primary residence is subject to past-due property taxes.

(b) "Past-due property taxes" means property taxes that have been levied upon a property owner's primary residence that remain unpaid one year after the last date on which they could have been paid without interest, or where such taxes are payable in installments, those taxes that remain unpaid one year after the last date on which the final installment could have been paid without interest.

(c) "STAR credit" means the personal income tax credit authorized by subsection (eee) of section six hundred six of this chapter.

(d) "STAR exemption" means the exemption from real property taxation authorized by section four hundred twenty-five of the real property tax law.

(e) "STAR recipient" means a property owner who is registered to receive the STAR credit in relation to his or her primary residence, or whose primary residence is receiving the STAR exemption.

3. STAR tax payment requirement; generally. Notwithstanding any provision of law to the contrary, a property owner whose primary residence is subject to past-due property taxes shall not be allowed to
receive a STAR credit or STAR exemption unless the past-due property taxes are paid in full on or before a date specified by the commission-
er.

4. Commissioner's authority. The commissioner is hereby authorized to develop a program to support the local enforcement of past-due property taxes by disallowing STAR credits and STAR exemptions to delinquent property owners. The commissioner shall establish procedures for the administration of this program, which shall include the following provisions:

(a) The procedures by which municipal officials shall report past-due property taxes and property tax payments to the department.

(b) The procedures by which the department shall notify delinquent property owners of the impending disallowance of their STAR credits or exemptions due to past-due property taxes.

(c) The date by which delinquent property owners must pay their past-due property taxes in full in order to avoid disallowance of their STAR credits or exemptions.

(d) The procedures by which the commissioner shall disallow STAR credits and notify assessors of the disallowance of STAR exemptions if past-due property taxes are not paid in full by the specified date.

(e) Such other procedures as the commissioner shall deem necessary to carry out the provisions of this section.

5. Municipal reports. The commissioner's procedures regarding municipal reporting shall be subject to the following provisions:

(a) The commissioner may request and shall be entitled to receive from any municipal corporation of the state, or any agency or official thereof, such data as the commissioner deems necessary to effectuate the purposes of this section. Such information shall be submitted to the
department at such time and in such manner as the commissioner may direct.

(b) In lieu of requiring municipal officials to submit their reports directly to the department, the commissioner may, in his or her discretion, require that such reports be submitted to the county director of real property tax services, who shall integrate the reports into a single file and submit it to the department at such time and in such manner as the commissioner may direct. Provided, that where the commissioner institutes such a procedure, he or she may exclude cities with one hundred twenty-five thousand inhabitants or more, so that information about past-due property taxes and property tax payments in such a city shall be reported directly to the department by a designated city official at such time and in such manner as the commissioner may direct.

(c) Reports and other records prepared pursuant to this section shall not be subject to the provisions of article six of the public officers law.

6. Notification of delinquent property owners. The commissioner's procedures regarding the notification of delinquent property owners shall be subject to the following provisions:

(a) The department shall notify a delinquent property owner by regular mail at least thirty days prior to the date by which his or her past-due property taxes must be paid in full in order to avoid disallowance of his or her STAR credit or exemption.

(b) Such notice shall include a statement that the property owner's STAR credit or exemption will be disallowed unless his or her past-due property taxes are paid in full by the date specified in the notice.
(c) To the extent practicable, such notice shall provide contact information for the local official or officials to whom the past-due property taxes may be paid.

(d) Such notice shall further state that the property owner's right to protest the disallowance of the STAR credit or exemption is limited to raising issues that constitute a "mistake of fact" as defined in subdivision nine of this section.

(e) Such notice may include such other information as the commissioner may deem necessary.

7. Timely payment of past-due property taxes. If a delinquent property owner pays his or her past-due property taxes in full on or before the date specified in such notice, the official receiving such payment shall so notify the department at such time and in such manner as prescribed by the commissioner. The property owner shall then be permitted to receive the STAR credit or exemption that would have been disallowed if timely payment had not been made. However, if the department does not learn of the payment until after it has already directed an assessor to deny a STAR exemption to a delinquent property owner, then in lieu of directing the exemption to be restored, the department may remit to the property owner payment in an amount that will reimburse the property owner for the increase in his or her school tax bill that is directly attributable to the lost STAR exemption.

8. Failure to make timely payment. (a) If the past-due taxes are not paid on or before the date specified in the notice that had been sent to the delinquent property owner, his or her STAR credit or STAR exemption shall be disallowed in accordance with the procedures established by the commissioner.
(b) The delinquent property owner shall be permanently ineligible for any STAR credit or exemption that has been disallowed, even if the past-due property taxes are subsequently paid in full. The property owner shall not be eligible to participate in the STAR program again as long as the property is subject to past-due property taxes.

(c) Upon payment of the past-due property taxes in full, the official receiving such payment shall notify the department at such time and in such manner as may be prescribed by the commissioner. The commissioner shall then proceed as follows:

(i) If the property owner had previously been receiving the STAR credit, the commissioner shall allow the property owner to resume his or her participation in the STAR credit program on a prospective basis, if otherwise eligible, effective with the first taxable year commencing after such payment.

(ii) If the property owner had previously been receiving the STAR exemption, the commissioner shall allow the property owner to participate in the STAR credit program on a prospective basis, if otherwise eligible, effective with the first taxable year commencing after such payment. The property owner shall not be allowed back into the STAR exemption program.

9. Mistake of fact. Notwithstanding any other provision of law, a disallowance of a STAR credit or STAR exemption pursuant to this section may only be challenged before the department on the grounds of a mistake of fact as defined in this subdivision. The taxpayer will have no right to commence a court action, administrative proceeding or any other form of legal recourse against an assessor, county director of real property tax services or other local official regarding such disallowance. For the purposes of this subdivision, "mistake of fact" is limited to claims
that: (i) the individual notified is not the taxpayer at issue; or (ii) the past-due property taxes were satisfied before the date specified in the notice described in subdivision six of this section. However, nothing in this subdivision is intended to limit a taxpayer from seeking relief from joint and several liability pursuant to section six hundred fifty-four of this chapter to the extent that he or she is eligible pursuant to that subdivision or establishing to the department that the enforcement of the underlying property taxes has been stayed by the filing of a petition pursuant to the Bankruptcy Code of 1978 (Title Eleven of the United States Code).

10. Assessors. (a) Notwithstanding any provision of law to the contrary, the department may disclose to assessors such information as the commissioner deems necessary to ensure that the STAR exemptions of delinquent property owners are disallowed as required by this section.

(b) Notwithstanding any provision of law to the contrary, an assessor shall be authorized and directed to deny a STAR exemption to a delinquent property owner upon being directed by the department to do so. If an assessor should receive such a directive after the applicable assessment roll has been filed, the assessor or other official having custody and control of that roll shall be authorized and directed to remove such exemption from such roll prior to the levy of school taxes, without regard to the provisions of title three of article five of the real property tax law or any comparable laws governing the correction of administrative errors on assessment rolls and tax rolls.

11. Recovery of STAR benefits in certain cases. The commissioner may establish procedures to be followed in cases where a STAR credit or exemption was inadvertently or erroneously provided to a delinquent property owner who was sent the notice required by subdivision six of
this section, and whose past-due property taxes were not paid in full by
the date specified in the notice. Such procedures shall include, but not
be limited to, (a) applying the improperly received STAR credit or
exemption as an offset against future STAR credits or against other
personal income tax credits or personal income tax refunds to which the
delinquent property owner would otherwise be entitled, and (b) pursuing
any of the other remedies that are available to enforce a personal
income tax debt under article twenty-two of this chapter.

§ 2. This act shall take effect immediately.

PART P

Section 1. Section 1530 of the real property tax law is amended by
adding a new subdivision 1-a to read as follows:
1-a. In the event that a director of real property tax services,
appointed pursuant to the provisions of this section, is unable to
perform the duties of the office of director of real property tax
services or the office becomes vacant, the appointing authority may by
resolution designate or appoint an acting director of real property tax
services. Where an acting director of real property tax services is
designated or appointed pursuant to this section, the appointing author-
ity shall notify the commissioner within fifteen days of making such
designation or appointment. The acting director of real property tax
services shall function as director of real property tax services until
such time as the director of real property tax services is able to
resume the position or until a replacement is appointed. In the event an
acting director of real property tax services functions as director of
real property tax services for more than six months, then such acting
director of real property tax services shall be required to meet the minimum qualification standards required by this title for persons appointed to the office of director of real property tax services.

§ 2. This act shall take effect immediately.

PART Q

Section 1. Paragraph i of subdivision 1-e of section 333 of the real property law, as amended by section 5 of part X of chapter 56 of the laws of 2010 and as further amended by subdivision (d) of section 1 of part W of chapter 56 of the laws of 2010, is amended to read as follows:

i. A recording officer shall not record or accept for record any conveyance of real property affecting land in New York state unless accompanied by either (A) a transfer report form prescribed by the commissioner of taxation and finance [or in lieu thereof, confirmation from the commissioner that the required data has been reported to it pursuant to paragraph vii of this subdivision,] and the fee prescribed pursuant to subdivision three of this section, or (B) a receipt issued by the commissioner of taxation and finance pursuant to section fourteen hundred twenty-three of the tax law that confirms the electronic submission of a consolidated real property transfer form and payment of the associated taxes and fees.

§ 2. Paragraph v of subdivision 1-e of section 333 of the real property law, as amended by section 5 of part X of chapter 56 of the laws of 2010 and as further amended by section 1 of part W of chapter 56 of the laws of 2010, is amended to read as follows:

v. (1) The provisions of this subdivision shall not operate to invalidate any conveyance of real property where one or more of the items
designated as subparagraphs one through eight of paragraph ii of this subdivision, have not been reported or which has been erroneously reported, nor affect the record contrary to the provisions of this subdivision, nor impair any title founded on such conveyance or record.

(2) Subject to the provisions of section fourteen hundred twenty-three of the tax law, such form shall contain an affirmation as to the accuracy of the contents made both by the transferor or transferors and by the transferee or transferees. Provided, however, that if the conveyance of real property occurs as a result of a taking by eminent domain, tax foreclosure, or other involuntary proceeding such affirmation may be made only by either the condemnor, tax district, or other party to whom the property has been conveyed, or by that party's attorney. The affirmations required by this paragraph shall be made in the form and manner prescribed by the commissioner, provided that notwithstanding any provision of law to the contrary, affirmants may be allowed, but shall not be required, to sign such affirmations electronically.

§ 3. Paragraphs vii and viii of subdivision 1-e of section 333 of the real property law are REPEALED.

§ 4. Subdivision 3 of section 333 of the real property law, as amended by section 2 of part JJ of chapter 56 of the laws of 2009 and as further amended by section 1 of part W of chapter 56 of the laws of 2010, is amended to read as follows:

3. The recording officer of every county and the city of New York shall impose a fee of two hundred fifty dollars, or in the case of a transfer involving qualifying residential or farm property as defined by paragraph iv of subdivision one-e of this section, a fee of one hundred twenty-five dollars, for every real property transfer reporting form
submitted for recording as required under subdivision one-e of this section. In the city of New York, the recording officer shall impose a fee of one hundred dollars for each real property transfer tax form filed in accordance with chapter twenty-one of title eleven of the administrative code of the city of New York, except where a real property transfer reporting form is also submitted for recording for the transfer as required under subdivision one-e of this section. The recording officer shall deduct nine dollars from such fee and remit the remainder of the revenue collected to the commissioner of taxation and finance every month for deposit into the general fund. The amount duly deducted by the recording officer shall be retained by the county or by the city of New York. Provided, however, that the recording officer shall not impose such a fee where the conveyance is accompanied by a receipt issued by the commissioner of taxation and finance pursuant to section fourteen hundred twenty-three of the tax law that confirms the electronic submission of a consolidated real property transfer form and payment of the associated taxes and fees.

§ 5. Subdivision (c) of section 1407 of the tax law, as amended by chapter 61 of the laws of 1989, is amended to read as follows:

(c) Every recording officer designated to act as such agent shall retain, from the real estate transfer tax which he or she collects, the sum of one dollar for each of the first five thousand conveyances accepted for recording and for which he or she has issued a documentary stamp or metering machine stamp or upon which instrument effecting the conveyance he or she has noted payment of the tax or that no tax is due, pursuant to any other method for payment of the tax provided for in the regulations of the commissioner of taxation and finance, during each annual period commencing on the first day of August and ending on the
next succeeding thirty-first day of July and seventy-five cents for each conveyance in excess of five thousand accepted for recording and for which he or she has issued such a stamp or upon which instrument effecting the conveyance he or she has noted payment of the tax or that no tax is due, pursuant to such other method, during such annual period. Such fee shall be payable even though the stamp issued or such notation shows that no tax is due. Such a fee paid to the register of the city of New York shall belong to the city of New York and such a fee paid to a recording officer of a county outside such city shall belong to such officer's county. With respect to any other agents designated to act pursuant to subdivision (a) of this section, the commissioner of taxation and finance shall have the power to provide, at his or her discretion, for payment of a fee to such agent, in such manner and amount and subject to such limitations as he or she may determine, but any such fee for any annual period shall not be greater than the sum of one dollar for each of the first five thousand conveyances for which such agent has issued a documentary stamp or metering machine stamp or upon which instrument effecting the conveyance he or she has noted payment of the tax or that no tax is due, pursuant to any other method for payment of the tax provided for in the regulations of the commissioner of taxation and finance, during such annual period and seventy-five cents for each conveyance in excess of five thousand for which such agent has issued such a stamp or upon which instrument effecting the conveyance such agent has noted payment of the tax or that no tax is due, pursuant to such other method, during such annual period. Provided, however, that where the recording officer is provided with a receipt issued by the commissioner pursuant to section fourteen hundred twenty-three of this article that confirms the electronic submission of a
consolidated real property transfer form and payment of the associated
taxes and fees, the recording officer shall neither collect such tax nor
impose such fee.

§ 6. Subdivision (b) of section 1409 of the tax law, as added by chap-
ter 61 of the laws of 1989, is amended to read as follows:

(b) Subject to the provisions of section fourteen hundred twen-
ty-three of article, the return shall be signed by both the grantor and
the grantee. Where a conveyance has more than one grantor or more than
one grantee, the return shall be signed by all of such grantors and
grantees. Where any or all of the grantors or any or all of the grantees
have failed to sign a return, it shall be accepted as a return if signed
by any one of the grantors or by any one of the grantees. Provided,
however, those not signing the return shall not be relieved of any
liability for the tax imposed by this article and the period of limita-
tions for assessment of tax or of additional tax shall not apply to any
such party.

§ 7. Subdivision (b) of section 1410 of the tax law, as added by chap-
ter 61 of the laws of 1989, is amended to read as follows:

(b) A recording officer shall not record an instrument effecting a
conveyance unless either (i) the return required by section fourteen
hundred nine of this article has been filed and the real estate transfer
tax due, if any, shall have been paid as provided in this section, or
(ii) the instrument is accompanied by a receipt issued by the commis-
sioner pursuant to section fourteen hundred twenty-three of this article
that confirms the electronic submission of a consolidated real property
transfer form and payment of the associated taxes and fees.

§ 8. The tax law is amended by adding a new section 1423 to read as
follows:
§ 1423. Modernization of real property transfer reporting. (a) Notwithstanding any provision of law to the contrary, the commissioner is hereby authorized to implement a system for the electronic collection of data relating to transfers of real property. In connection therewith, the commissioner may combine the two forms referred to in paragraph (i) of this subdivision into a consolidated real property transfer form to be filed with him or her electronically; provided:

(i) The two forms that may be so combined are the real estate transfer tax return required by section fourteen hundred nine of this article, and the real property transfer report required by subdivision one-e of section three hundred thirty-three of the real property law. However, the commissioner shall continue to maintain both such return and such report as separate forms, so that a party who prefers not to file a consolidated real property transfer form with the commissioner electronically shall have the option of filing both such return and such report with the recording officer, as otherwise provided by law. Under no circumstances shall a consolidated real property transfer form be filed with, or accepted by, the recording officer.

(ii) Notwithstanding the provisions of section fourteen hundred eighteen of this article, any information appearing on a consolidated real property transfer form that is required to be included on the real property transfer report required by subdivision one-e of section three hundred thirty-three of the real property law shall be subject to public disclosure.

(iii) When a consolidated real property transfer form is electronically submitted to the department by either the grantor or grantee, the act of submitting such form shall be deemed to be the signing of the return as required by paragraph (v) of subdivision one-e of the real
property law or subdivision (b) of section fourteen hundred nine of this article, and the requirement that all the grantors and grantees shall sign the return shall not apply. However, the fact that a grantor or grantee has not electronically submitted the form shall not relieve that grantor or grantee of any liability for the tax imposed by this article.

(b) When a consolidated real property transfer form is filed with the commissioner electronically pursuant to this section, the real estate transfer tax imposed under this article, and the fee that would otherwise be retained by the recording officer pursuant to subdivision three of section three hundred thirty-three of the real property law, shall be paid to the commissioner therewith. The commissioner shall retain on behalf of the recording officer the portion of such tax that would otherwise have been retained by the recording officer pursuant to subdivision (c) of section fourteen hundred seven of this article, and the portion of such fee that would otherwise have been retained by the recording officer pursuant to subdivision three of section three hundred thirty-three of the real property law. The moneys so retained by the commissioner on behalf of the recording officer, hereinafter referred to as the recording officer's fees, shall be deposited daily with such responsible banks, banking houses, or trust companies as may be designated by the state comptroller. Of the recording officer's fees so deposited, the comptroller shall retain in the comptroller's hands such amount as the commissioner may determine to be necessary for refunds or reimbursements of such fees collected or received pursuant to this section, out of which the comptroller shall pay any refunds or reimbursements of such fees to which persons shall be entitled under the provisions of this section. The comptroller, after reserving such refund and reimbursement fund shall, on or before the twelfth day of each
month, pay to the appropriate recording officers an amount equal to the
recording officer's fees reserved on their behalf. Provided, however,
that the commissioner is authorized to request that the comptroller
refrain from making such a payment of such fees to a recording officer
until the commissioner has certified to the comptroller that the record-
ing officer has supplied the commissioner with the liber and page
numbers of the recorded instruments that gave rise to such fees.

(c) The system for the electronic submission of consolidated real
property transfer forms shall be designed so that upon the successful
electronic filing of such a form and the payment of the associated taxes
and fees, the party submitting the same shall be provided with an elec-
tronic receipt in a form prescribed by the commissioner that confirms
such filing and payment. Such party may file a printed copy of such
receipt with the recording officer when offering the associated instru-
ment for recording, in lieu of submitting to the recording officer the
return, report, tax and fee that would otherwise have been required
under this article and subdivisions one-e and three of section three
hundred thirty-three of the real property law. The recording officer
shall retain such receipt for a minimum of three years, unless otherwise
directed by the commissioner, and shall provide a copy thereof to the
commissioner for inspection upon his or her request.

(d) Upon recording the instrument to which the consolidated real prop-
erty transfer form pertains, the recording officer shall provide the
commissioner with the liber and page thereof at such time and in such
manner as the commissioner shall prescribe.

(e) The provisions of this section shall not be applicable within a
city or county that has implemented its own electronic system for the
recording of deeds, the filing of the real estate transfer tax returns
and the real property transfer reports prescribed by the commissioner, and the payment of the associated taxes and fees, unless such city or county should agree to allow the system implemented by the commissioner pursuant to this section to be used therein.

§ 9. This act shall take effect immediately.

PART R

Section 1. Section 19 of the public lands law, as amended by chapter 449 of the laws of 2016, is amended to read as follows:

No fee, interest, penalty or expense shall be added to or accrue on any assessment against state lands, nor shall such lands be sold therefor; but such assessments shall, if confirmed and uncontested, be paid and discharged out of any moneys appropriated therefor. All sales of state lands for unpaid taxes or assessments for local improvements or purposes are void. All taxes and assessments legally made on state lands, and all legal rents or charges thereon, shall be audited by the comptroller and paid out of the treasury. 3. Such state aid shall be payable upon application to the state comp-
troller by the chief fiscal officer of the taxing authority which quali-
fies for aid pursuant to this section. The application shall be made on
a form prescribed by such comptroller and shall contain such information
as such comptroller shall require. On or before January fifteenth the
comptroller, in consultation with the [board of real property services]
department of taxation and finance and other agencies as may be appro-
priate, shall submit to the governor and the legislature an annual
accounting of state aid paid pursuant to this section during the preced-

before the department. If a taxpayer is dissatisfied with the depart-

§ 489-o. Final determination of railroad ceiling; certificate. 1. After the hearing provided for in section four hundred eighty-nine-n of this title, the commissioner shall finally determine the railroad ceiling for the railroad real property of each railroad company situated in each assessing unit. Whenever upon complaint the commissioner shall revise the local reproduction cost of a railroad company in an assessing unit, [it] he or she shall revise the railroad ceiling therefor to reflect such revision, but [it] he or she shall not, on account of such revision, modify any other determination with respect to the railroad ceilings for such railroad company for such year. Notwithstanding the fact that no complaint shall have been filed with respect to a tentative determination of a railroad ceiling, the commissioner shall give effect to any special equalization rate established, pursuant to subdivision two

upon complaint the [state board] commissioner shall revise the local

she shall revise the appropriate railroad ceiling to reflect such
revision, but [it] he or she shall not, on account of such revision,
modify any other determination with respect to the railroad ceilings for
such railroad company for such year. Notwithstanding the fact that no
complaint shall have been filed with respect to a tentative determi-

effect to any special equalization rate established pursuant to subdivi-

the final determination of the railroad ceiling.

2. Not later than ten days before the last date prescribed by law for
the levy of taxes, the [state board] commissioner shall file a certif-

the serious condition;
(c) the patient is under the practitioner's continuing care for the
serious condition; and

treatments, the patient is likely to receive therapeutic or palliative
benefit from the primary or adjunctive treatment with medical use of
cannabis for the serious condition.

2. The certification shall include: (a) the name, date of birth and
address of the patient; (b) a statement that the patient has a serious
condition and the patient is under the practitioner's care for the seri-
ous condition; (c) a statement attesting that all requirements of subdi-

until a specified date. The practitioner may state in the certification
that, in the practitioner's professional opinion, the patient is termi-

dies.

3. In making a certification, the practitioner may consider any
approved form of medical cannabis the patient should consume, including
the method of consumption and any particular strain, variety, and quan-

appropriate dosage. The practitioner may state in the certification any
recommendation or limitation the practitioner makes, in his or her
professional opinion, concerning the appropriate form or forms of
medical cannabis and dosage.

4. Every practitioner shall consult the prescription monitoring
program registry prior to making or issuing a certification, for the
purpose of reviewing a patient's controlled substance history. For

consult the prescription monitoring program registry on his or her
behalf, provided that such designation is in accordance with section
thirty-three hundred forty-three-a of the public health law.

5. The practitioner shall give the certification to the certified
patient, and place a copy in the patient's health care record.

6. If a certified patient wishes to change or terminate his or her designated caregiver, for whatever reason, the certified patient shall notify the office as soon as practicable. The office shall issue a notification to the designated caregiver that their registration card is invalid and must be promptly destroyed. The newly designated caregiver must comply with all requirements set forth in this section.

7. If the certification so provides, the registry identification card shall contain any recommendation or limitation by the practitioner as to the form or forms of medical cannabis or dosage for the certified patient.

8. The office shall issue separate registry identification cards for certified patients and designated caregivers as soon as reasonably practicable after receiving and approving a complete application under this section, unless it determines that the application is incomplete, factually inaccurate, or fails to satisfy any applicable regulation, in which case it shall promptly notify the applicant.

9. If the application of a certified patient designates an individual as a designated caregiver who is not authorized to be a designated caregiver, that portion of the application shall be denied by the office but that shall not affect the approval of the balance of the application.

adult-use cannabis product sold by a retail dispensary for less than the
minimum markup allowed in regulation, shall be unlawful.

13. No adult-use retail dispensary may engage in the home delivery or
retail delivery of adult-use cannabis products unless they are specif-
ically approved and licensed to do so, or have contracted with a third-
party home delivery licensee. All home delivery operations must be sepa-
rately approved and licensed by the office and must comply with minimum
application, licensing and operation requirements required by the office
in regulation.

(l) fails to satisfy any other advertising or marketing rule or regulations promulgated by the office related to marketing or advertising.

3. The office shall promulgate guidelines prohibiting all marketing strategies and implementation including, but not limited to, branding, packaging, labeling, location of cannabis retailers, and advertisements that are designed to:

4. The office shall promulgate guidelines requiring that:

(a) all advertisements and marketing accurately and legibly identify the licensee responsible for its content and contain recognizable and legible warnings associated with cannabis use; and

(b) any broadcast, cable, radio, print and digital communication advertisements only be placed where the audience is reasonably expected to be twenty-one years of age or older, as determined by reliable, up-to-date audience composition data. The burden of proving this requirement lies with the party that has paid for or facilitated the advertisement.

5. The office shall establish procedures to review and enforce all advertising and marketing requirements.

§ 84. Minority, women-owned businesses and disadvantaged farmers; social and economic equity plan. 1. The office shall implement a social and economic equity plan that actively promotes racial, ethnic, and gender diversity in the adult-use cannabis industry and prioritizes applicants who qualify as a minority and women-owned business, social equity applicant, or disadvantaged farmer and which positively impacts areas that have been harmed through disproportionate enforcement of the war on drugs.

3. "Used for human consumption" means intended by the manufacturer or distributor to be: (a) used for human consumption for its cannabinoid content; or (b) used in, on or by the human body for its cannabinoid content.

It shall not include "medical cannabis" as defined in subdivision twenty-eight of section three of this chapter.

5. "Hemp extract" means all derivatives, extracts, cannabinoids, isomers, acids, salts, and salts of isomers derived from hemp, used or intended for human consumption, for its cannabinoid content, with a

§ 91. Rulemaking authority. The board may make regulations pursuant to this article for the processing, distribution, marketing, transportation and sale of cannabinoid hemp and hemp extracts used for human consumption, which may include, but not be limited to:

§ 92. Cannabinoid hemp processor license. 1. Persons processing cannabinoid hemp or hemp extract used for human consumption, whether in intermediate or final form, shall be required to obtain a cannabinoid hemp processor license from the department.
2. A cannabinoid hemp processor license authorizes one or more specific activities related to the processing of cannabinoid hemp into products used for human consumption, whether in intermediate or final form, and the distribution or sale thereof by the licensee. Nothing herein shall prevent a cannabinoid hemp processor from processing, extracting and processing hemp products not to be used for human consumption.

3. Persons authorized to grow hemp pursuant to article twenty-nine of the agriculture and markets law are not authorized to engage in processing of cannabinoid hemp or hemp extract without first being licensed as a cannabinoid hemp processor under this article.

This article also shall not apply to hemp, cannabinoid hemp, hemp extracts or products derived therefrom that have been deemed generally recognized as safe pursuant to federal law.

§ 94. Cannabinoid license applications. 1. Persons shall apply for a license under this article by submitting an application upon a form supplied by the office, providing all the relevant requested information, verified by the applicant or an authorized representative of the applicant.

2. A separate license shall be required for each facility at which processing or retail sales are conducted; however, an applicant may submit one application for separate licensure at multiple locations.

3. Each applicant shall remit with its application the fee for each requested license, which shall be a reasonable fee.

§ 95. Information to be requested in applications for licenses. 1. The executive director may specify the manner and form in which an application shall be submitted to the office for licensure under this article.

2. The executive director shall prescribe what relevant information shall be included on an application for licensure under this article.

Such information may include, but is not limited to: information about the applicant's identity; ownership and investment information, including the corporate structure; evidence of good moral character; financial statements; information about the premises to be licensed; information about the activities to be licensed; and any other relevant information prescribed by the executive director.
3. All license applications shall be signed by the applicant if an individual, by a managing partner if a limited liability company, by an officer if a corporation, or by all partners if a partnership. Each person signing such application shall verify it as true under the penalties of perjury.

5. If there be any change, after the filing of the application or the granting, modification or renewal of a license, in any of the material facts required to be set forth in such application, a supplemental statement giving notice of such change, duly verified, shall be filed with the office within ten days after such change. Failure to do so, if willful and deliberate, may be grounds for revocation of the license.

§ 96. Fees. The office may charge licensees a reasonable license fee. Such fee may be based on the activities permitted by the license, the amount of cannabinoid hemp or hemp extract to be processed or extracted by the licensee, the gross annual receipts of the licensee for the previous license period, or any other factors reasonably deemed appropriate by the office.

3. The applicant shall furnish evidence of his, her or its ability to comply with all applicable state and local laws, rules and regulations.

4. If the executive director is not satisfied that the applicant should be issued a license, the executive director shall notify the applicant in writing of the specific reason or reasons for denial.

5. No license pursuant to this article may be issued to an individual under the age of eighteen years.

§ 98. License renewal. 1. Each license, issued pursuant to this article, may be renewed upon application therefor by the licensee and the payment of the reasonable fee for such license as specified by this article.

2. In the case of applications for renewals, the office may dispense with the requirements of such statements as it deems unnecessary in view of those contained in the application made for the original license.

3. The office shall provide an application for renewal of any license issued under this article not less than ninety days prior to the expiration of the current license.

4. The office may only issue a renewal license upon receipt of the specified renewal application and renewal fee from a licensee if, in addition to the selection criteria set out in this article, the licensee's license is not under suspension and has not been revoked.

§ 99. Form of license. Licenses issued pursuant to this article shall specify:

1. The name and address of the licensee;
2. The activities permitted by the license;
3. The land, buildings and facilities that may be used for the licensed activities of the licensee;
4. A unique license number issued by the office to the licensee; and
5. Such other information as the office shall deem necessary to assure compliance with this chapter.

§ 100. Transferability; amendment to license; change in ownership or control. 1. Licenses issued under this article are not transferable, absent written consent of the office.
2. Upon application of a licensee, a license may be amended to add or delete permitted activities.
3. A license shall become void by a change in ownership, substantial corporate change or change of location without prior written approval of the office. The board may make regulations allowing for certain types of changes in ownership without the need for prior written approval.

§ 101. Granting, suspending or revoking licenses. After due notice and an opportunity to be heard, which process shall be established by rules and regulations, the office may decline to grant a new license, impose conditions or limits with respect to the grant of a license, modify an existing license or decline to renew a license, and may suspend or revoke a license already granted after due notice and an opportunity to be heard, as established by rules and regulations, whenever the executive director finds that:
1. A material statement contained in an application is or was false or misleading;
2. The applicant or licensee, or a person in a position of management and control thereof or of the licensed activity, does not have good moral character, necessary experience or competency, adequate facili-
ties, equipment, process controls, or security to process, distribute, transport or sell cannabinoid hemp, hemp extract or products derived therefrom;

3. After appropriate notice and opportunity, the applicant or licensee has failed or refused to produce any records or provide any information required by this article or the regulations promulgated pursuant thereto;

4. The licensee has conducted activities outside of those activities permitted on its license; or

5. The applicant or licensee, or any officer, director, partner, or any other person exercising any position of management or control thereof or of the licensed activity has willfully failed to comply with any of the provisions of this article or regulations under it and other laws of this state applicable to the licensed activity.

§ 102. Record keeping and tracking. Every licensee shall keep, in such form as the executive director may direct, such relevant records as may be required pursuant to regulations under this article.

§ 103. Packaging and labeling of cannabinoid hemp and hemp extract. 1. Cannabinoid hemp processors shall be required to provide appropriate label warning to consumers, and restricted from making unapproved label claims, as determined by the office, concerning the potential impact on or benefit to human health resulting from the use of cannabinoid hemp, hemp extract and products derived therefrom for human consumption, which labels shall be affixed to those products when sold, pursuant to rules and regulations that the office may adopt.

2. The office may, by rules and regulations, require processors to establish a code, including, but not limited to QR code, for labels and establish methods and procedures for determining, among other things,
serving sizes or dosages for cannabinoid hemp, hemp extract and products
derived therefrom, active cannabinoid concentration per serving size,
number of servings per container, and the growing region, state or coun-
try of origin if not from the United States. Such rules and regulations
may require an appropriate fact panel that incorporates data regarding
serving sizes and potency thereof.

3. The packaging, sale, or possession of products derived from canna-
binoid hemp or hemp extract used for human consumption not labeled or
offered in conformity with regulations under this section shall be
grounds for the seizure or quarantine of the product, the imposition of
a civil penalty against a processor or retailer, and the suspension,
revocation or suspension of a license, in accordance with this article.

§ 104. Processing of cannabinoid hemp and hemp extract. 1. No process-
or shall sell or agree to sell or deliver in the state any cannabinoid
hemp, hemp extract or product derived therefrom, used for human consump-
tion, except in sealed containers containing quantities in accordance
with size standards pursuant to rules adopted by the office. Such
containers shall have affixed thereto such labels as may be required by
the rules of the office.

2. Processors shall take such steps necessary to ensure that the
cannabinoid hemp or hemp extract used in their processing operation has
only been grown with pesticides that are registered by the department of
environmental conservation or that specifically meet the United States
environmental protection agency registration exemption criteria for
minimum risk, used in compliance with rules, regulations, standards and
guidelines issued by the department of environmental conservation for
pesticides.
3. All cannabinoid hemp, hemp extract and products derived therefrom used for human consumption shall be extracted and processed in accordance with good manufacturing processes for the product category pursuant to Part 117 or Part 111 of title 21 of the code of federal regulations, as may be defined, modified and decided upon by the office, provided that such rules shall be in conformity to the extent practicable with neighboring states.

4. As necessary to protect human health, the office shall have the authority to: (a) regulate and prohibit specific ingredients, excipients or methods used in processing cannabinoid hemp, hemp extract and products derived therefrom; and (b) prohibit, or expressly allow, certain products or product classes derived from cannabinoid hemp or hemp extract, to be processed.

§ 105. Laboratory testing. Every cannabinoid hemp processor shall contract with an independent commercial laboratory to test the hemp extract and products produced by the licensed processor. The executive director, in consultation with the commissioner of the department of health, shall establish the necessary qualifications or certifications required for such laboratories used by licensees. The board is authorized to issue rules and regulations consistent with this article establishing the testing required, the reporting of testing results and the form for reporting such laboratory testing results. The office has authority to require licensees to submit any cannabinoid hemp, hemp extract or product derived therefrom, processed or offered for sale within the state, for testing. This section shall not obligate the office, in any way, to perform any testing on hemp, cannabinoid hemp, hemp extract or product derived therefrom. The office shall be author-
ized to establish consortia or cooperative agreements with neighboring states to effectuate this section.

§ 106. New York hemp product. The office may establish and adopt official grades and standards for cannabinoid hemp, hemp extract and products derived therefrom, as he or she may deem advisable, which are produced for sale in this state and, from time to time, may amend or modify such grades and standards.

§ 107. Penalties. Notwithstanding the provision of any law to the contrary, the failure to comply with a requirement of this article, or a regulation thereunder, may be punishable by a civil penalty of not more than one thousand dollars for a first violation; not more than five thousand dollars for a second violation within three years; and not more than ten thousand dollars for a third violation and each subsequent violation thereafter, within three years.

§ 108. Hemp workgroup. The executive director, in consultation with the commissioner of the department of agriculture and markets and the commissioner of health, may appoint a New York state hemp and hemp extract workgroup, composed of growers, researchers, producers, processors, manufacturers and trade associations, to make recommendations for the industrial hemp and cannabinoid hemp programs, state, regional, and federal policies and policy initiatives, and opportunities for the promotion and marketing of cannabinoid hemp and hemp extract as consistent with federal and state laws, rules and regulations.

§ 109. Prohibitions. 1. Except as authorized by the United States food and drug administration, the processing of cannabinoid hemp or hemp extract used for human consumption is prohibited within the state unless the processor is licensed under this article.
2. Cannabinoid hemp and hemp extracts used for human consumption and grown or processed outside the state shall not be distributed or sold at retail within the state, unless they meet all standards established for cannabinoid hemp under state law and regulations.

3. The retail sale of cannabinoid hemp is prohibited in this state unless the retailer is licensed under this article.

§ 110. Special use permits. The office shall have the authority to issue temporary permits for carrying on any activity related to cannabinoid hemp, hemp extract and products derived therefrom, licensed under this article. The executive director may set reasonable fees for such permits, to establish the periods during which such permits are valid, and to make rules and regulations to implement this section.

§ 111. Severability. If any provision of this article or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this article which can be given effect without the invalid provision or application, and to this end the provisions of this article are declared to be severable.

ARTICLE 6

GENERAL PROVISIONS

Section 125. General prohibitions and restrictions.

126. License to be confined to premises licensed; premises for which no license shall be granted; transporting cannabis.

127. Protections for the use of cannabis; unlawful discriminations prohibited.

128. Registrations and licenses.

129. Laboratory testing permit.
§ 125. General prohibitions and restrictions.  1. No person shall cultivate, process, or distribute for sale or sell at wholesale or retail any cannabis, adult-use cannabis product, medical cannabis or cannabinoid hemp within the state without obtaining the appropriate registration, license, or permit therefor required by this chapter.

  2. No registered organization, licensee, or permittee shall sell, or agree to sell or deliver in this state any cannabis or cannabinoid hemp for the purposes of resale to any person who is not duly registered, licensed or permitted pursuant to this chapter to sell such product, at wholesale or retail, as the case may be, at the time of such agreement and sale.
3. No registered organization, licensee, or permittee shall employ, or permit to be employed, or shall allow to work, on any premises registered or licensed for retail sale hereunder, any person under the age of eighteen years in any capacity where the duties of such person require or permit such person to sell, dispense or handle cannabis.

4. No registered organization, licensee, or permittee shall sell, deliver or give away, or cause, permit or procure to be sold, delivered or given away any adult-use cannabis, cannabis product, medical cannabis or cannabinoid hemp on credit unless authorized by the executive director; except that a registered organization, licensee or permittee may accept third party credit cards for the sale of any cannabis, cannabis product, medical cannabis or cannabinoid hemp for which it is registered, licensed or permitted to dispense or sell to patients or cannabis consumers. This includes, but is not limited to, any consignment sale of any kind.

5. No registered organization, licensee, or permittee shall cease to be operated as a bona fide or legitimate premises within the contemplation of the registration, license, or permit issued for such premises, as determined within the judgment of the office.

6. No registered organization, licensee, or permittee shall refuse, nor any person holding a registration, license, or permit refuse, nor any officer or director of any corporation or organization holding a registration, license, or permit refuse, to appear and/or testify under oath at an inquiry or hearing held by the office, with respect to any matter bearing upon the registration, license, or permit, the conduct of any people at the licensed premises, or bearing upon the character or fitness of such registrant, licensee, or permittee to continue to hold
any registration, license, or permit. Nor shall any of the above offer false testimony under oath at such inquiry or hearing.

7. No registered organization, licensee, or permittee shall engage, participate in, or aid or abet any violation or provision of this chapter, or the rules or regulations of the office.

8. The proper conduct of registered, licensed, or permitted premises is essential to the public interest. Failure of a registered organization, licensee, or permittee to exercise adequate supervision over the registered, licensed, or permitted location poses a substantial risk not only to the objectives of this chapter but imperils the health, safety, and welfare of the people of this state. It shall be the obligation of each person registered, licensed, or permitted under this chapter to ensure that a high degree of supervision is exercised over any and all conduct at any registered, licensed, or permitted location at any and all times in order to safeguard against abuses of the privilege of being registered, licensed, or permitted, as well as other violations of law, statute, rule, or regulation. Persons registered, licensed, or permitted shall be held strictly accountable for any and all violations that occur upon any registered, licensed, or permitted premises, and for any and all violations committed by or permitted by any manager, agent or employee of such registered, licensed, or permitted person.

9. It shall be unlawful for any person, partnership or corporation operating a place for profit or pecuniary gain, with a capacity for the assemblage of twenty or more persons to permit a person or persons to come to the place of assembly for the purpose of cultivating, processing, distributing, or retail distribution or sale of cannabis on said premises. This includes, but is not limited, to, cannabis that is either provided by the operator of the place of assembly, his agents, servants
or employees, or cannabis that is brought onto said premises by the
person or persons assembling at such place, unless an appropriate regis-
tration, license, or permit has first been obtained from the office of
cannabis management by the operator of said place of assembly.

10. As it is a privilege under the law to be registered, licensed, or
permitted to cultivate, process, distribute, traffic, or sell cannabis,
the office may impose any such further restrictions upon any registrant,
licensee, or permittee in particular instances as it deems necessary to
further state policy and best serve the public interest. A violation or
failure of any person registered, licensed, or permitted to comply with
any condition, stipulation, or agreement, upon which any registration,
license, or permit was issued or renewed by the office shall subject the
registrant, licensee, or permittee to suspension, cancellation, revoca-
tion, and/or civil penalties as determined by the office.

11. No adult-use cannabis or medical cannabis may be imported to, or
exported out of, New York state by a registered organization, licensee
or person holding a license and/or permit pursuant to this chapter,
until such time as it may become legal to do so under federal law.
Should it become legal to do so under federal law, the board is granted
the power to promulgate such rules and regulations as it deems necessary
to protect the public and the policy of the state.

12. No registered organization, licensee or any of its agents, serv-
ants or employees shall peddle any cannabis product, medical cannabis or
cannabinoid hemp from house to house by means of a truck or otherwise,
where the sale is consummated and delivery made concurrently at the
residence or place of business of a cannabis consumer. This subdivision
shall not prohibit the delivery by a registered organization to certi-
fied patients or their designated caregivers, pursuant to article three of this chapter.

13. No licensee shall employ any canvasser or solicitor for the purpose of receiving an order from a certified patient, designated caregiver or cannabis consumer for any cannabis product, medical cannabis or cannabinoid hemp at the residence or place of business of such patient, caregiver or consumer, nor shall any licensee receive or accept any order, for the sale of any cannabis product, medical cannabis or cannabinoid hemp which shall be solicited at the residence or place of business of a patient, caregiver or consumer. This subdivision shall not prohibit the solicitation by a distributor of an order from any licensee at the licensed premises of such licensee.

14. No premises registered, licensed, or permitted by the office shall:

(a) permit or allow any gambling on the premises;

(b) permit or allow the premises to become disorderly;

(c) permit or allow the use, by any person, of any fireworks or other pyrotechnics on the premises; or

(d) permit or allow to appear as an entertainer, on any part of the premises registered, licensed, or permitted, any person under the age of eighteen years.

§ 126. License to be confined to premises licensed; premises for which no license shall be granted; transporting cannabis. 1. A registration, license, or permit issued to any person, pursuant to this chapter, for any registered, licensed, or permitted premises shall not be transferable to any other person, to any other location or premises, or to any other building or part of the building containing the licensed premises except in the discretion of the office. All privileges granted by any...
registration, license, or permit shall be available only to the person therein specified, and only for the premises licensed and no other except if authorized by the office. Provided, however, that the provisions of this section shall not be deemed to prohibit an application or request for approval for a registration or license as provided for in this chapter. A violation of this section shall subject the registration, license, or permit to revocation for cause.

2. Where a registration or license for premises has been revoked, the office in its discretion may refuse to accept an application from, or issue a registration, license, or permit under this chapter to, any individual, business, or entity connected to the revoked registration or license, or for such premises or for any part of the building containing such premises and connected therewith.

3. In determining whether to issue such a proscription against granting any registration, license, or permit for such five-year period, in addition to any other factors deemed relevant to the office, the office shall, in the case of a license revoked due to the illegal sale of cannabis to a minor, determine whether the proposed subsequent licensee has obtained such premises through an arm's length transaction, and, if such transaction is not found to be an arm's length transaction, the office shall deny the issuance of such license.

4. For purposes of this section, "arm's length transaction" shall mean a sale of a fee of all undivided interests in real property, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, or any part thereof, in the open market, between an informed and willing buyer and seller where neither is under any compulsion to participate in the transaction, unaffected by any unusual conditions indicating a reasonable possibility that the sale
was made for the purpose of permitting the original licensee to avoid the effect of the revocation. The following sales shall be presumed not to be arm's length transactions unless adequate documentation is provided demonstrating that the sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, was not conducted, in whole or in part, for the purpose of permitting the original licensee to avoid the effect of the revocation:

(a) a sale between relatives;
(b) a sale between related companies or partners in a business; or
(c) a sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, affected by other facts or circumstances that would indicate that the sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, is entered into for the primary purpose of permitting the original licensee to avoid the effect of the revocation.

5. No registered organization, licensee or permittee shall transport cannabis products or medical cannabis except in vehicles owned and operated by such registered organization, licensee or permittee, or hired and operated by such registered organization, licensee or permittee from a trucking or transportation company permitted and registered with the office.

6. No common carrier or person operating a transportation facility in this state, other than the United States government, shall receive for transportation or delivery within the state any cannabis products or medical cannabis unless the shipment is accompanied by copy of a bill of lading, or other document, showing the name and address of the consignor, the name and address of the consignee, the date of the shipment,
§ 127. Protections for the use of cannabis; unlawful discriminations prohibited. 1. No person, registered organization, licensee or permittee, or agent or contractor of a registered organization, licensee or permittee shall be subject to arrest, prosecution, or penalty in any manner, or denied any right or privilege, including but not limited to civil liability or disciplinary action by a business or occupational or professional licensing board or office, solely for conduct permitted under this chapter. For the avoidance of doubt, the appellate division of the supreme court of the state of New York, and any disciplinary or character and fitness committees established by them are occupational and professional licensing boards within the meaning of this section. State or local law enforcement agencies shall not cooperate with or provide assistance to the government of the United States or any agency thereof in enforcing the federal controlled substances act, 21 U.S.C. et seq., solely for actions consistent with this chapter, except pursuant to an order of a court of competent jurisdiction.

2. No school or landlord may refuse to enroll or lease to and may not otherwise penalize a person solely for conduct allowed under this chapter, except as exempted:

(a) if failing to do so would cause the school or landlord to lose a monetary or licensing related benefit under federal law or regulations;

(b) if the institution has adopted a code of conduct prohibiting cannabis use on the basis of religious belief; or

(c) if a property is registered with the New York smoke-free housing registry, it is not required to permit the smoking of cannabis products on its premises.
3. For the purposes of medical care, including organ transplants, a certified patient's authorized use of medical cannabis must be considered the equivalent of the use of any other medication under the direction of a practitioner and does not constitute the use of an illicit substance or otherwise disqualify a registered qualifying patient from medical care.

4. An employer may implement policies prohibiting the use or possession of cannabis in accordance with section two hundred one-d of the labor law, provided such policies are in writing as part of an established workplace policy, uniformly applied to all employees, and the employer gives prior written notice of such policies to employees.

5. An employer may take disciplinary or adverse employment action against an employee, including termination of employment, for violating an established workplace policy adopted under subdivision four of this section, or if the results of a drug test administered in accordance with applicable state and local law demonstrate that the employee was impaired by or under the influence of cannabis while in the workplace or during the performance of work. For the purposes of this subdivision, a drug test that solely yields a positive result for cannabis metabolites shall not be construed as proof that an employee is under the influence of or impaired by cannabis unless the test yields a positive result for active tetrahydrocannabinol, delta-9-tetrahydrocannabinol, delta-8-tetrahydrocannabinol, or other active cannabinoid found in cannabis which causes impairment.

6. Nothing in this chapter permits any person to undertake any task under the influence of cannabis when doing so would constitute negligence or professional malpractice, jeopardize workplace safety, or to operate, navigate or be in actual physical control of any motor vehicle.
or other transport vehicle, aircraft, motorboat, machinery or equipment, or firearms under the influence of cannabis.

7. A person currently under parole, probation or other state supervision, or released on bail awaiting trial may not be punished or otherwise penalized for conduct allowed under this chapter.

§ 128. Registrations and licenses. 1. No registration or license shall be transferable or assignable except that notwithstanding any other provision of law, the registration or license of a sole proprietor converting to corporate form, where such proprietor becomes the sole stockholder and only officer and director of such new corporation, may be transferred to the subject corporation if all requirements of this chapter remain the same with respect to such registration or license as transferred and, further, the registered organization or licensee shall transmit to the office, within ten days of the transfer of license allowable under this subdivision, on a form prescribed by the office, notification of the transfer of such license.

2. No registration or license shall be pledged or deposited as collateral security for any loan or upon any other condition; and any such pledge or deposit, and any contract providing therefor, shall be void.

3. Licenses issued under this chapter shall contain, in addition to any further information or material to be prescribed by the rules of the office, the following information:

(a) name of the person to whom the license is issued;

(b) kind of license and what kind of traffic in cannabis is thereby permitted;

(c) description by street and number, or otherwise, of licensed premises; and
(d) a statement in substance that such license shall not be deemed a property or vested right, and that it may be revoked at any time pursuant to law.

§ 129. Laboratory testing permit. 1. The executive director, in consultation with the commissioner of health, shall approve and permit one or more independent cannabis testing laboratories to test medical cannabis, adult-use cannabis and/or cannabinoid hemp.

2. To be permitted as an independent cannabis laboratory, a laboratory must apply to the office, on a form and in a manner prescribed by the office, and must demonstrate the following to the satisfaction of the executive director:

   (a) the owners and directors of the laboratory are of good moral character;

   (b) the laboratory and its staff has the skills, resources and expertise needed to accurately and consistently perform testing required for adult-use cannabis, medical cannabis and/or cannabinoid hemp;

   (c) the laboratory has in place and will maintain adequate policies, procedures, and facility security to ensure proper: collection, labeling, accessioning, preparation, analysis, result reporting, disposal and storage of adult-use cannabis, medical cannabis and/or cannabinoid hemp;

   (d) the laboratory is physically located in New York state except for laboratories only testing cannabinoid hemp or as authorized in regulation; and

   (e) the laboratory meets the requirements prescribed by this chapter and by regulation.

3. The owner of a laboratory testing permit under this section shall not hold a registration or license in any category of this chapter and shall not have any direct or indirect ownership interest in such regis-
tered organization or licensee. No board member, officer, manager, owner, partner, principal stakeholder or member of a registered organization or licensee under this chapter, or such person's immediate family member, shall have an interest or voting rights in any laboratory testing permittee.

4. The office shall require that the permitted laboratory report testing results to the office in a manner, form and timeframe as determined by the executive director.

5. The board is authorized to promulgate regulations, requiring permitted laboratories to perform certain tests and services.

6. The executive director is authorized to enter into contracts or memoranda of understanding with any other state for the purposes of aligning laboratory testing requirements or establishing best practices in testing of cannabis.

§ 130. Special use permits. The office is hereby authorized to issue the following kinds of permits for carrying on activities consistent with the policy and purpose of this chapter with respect to cannabis. The executive director has the authority to set fees for all permits issued pursuant to this section, to establish the periods during which permits are authorized.

1. Industrial cannabis permit - to purchase cannabis for use in the manufacture and sale of any of the following, when such cannabis is not otherwise suitable for consumption purposes, namely: (a) apparel, energy, paper, and tools; (b) scientific, chemical, mechanical and industrial products; or (c) any other industrial use as determined by the executive director in regulation.

2. Nursery permit - to produce clones, immature plants, seeds, and other agricultural products used specifically for the planting, propa-

adult-use cultivators, registered organizations, and certified patients

sale of any cannabis products and/or medical cannabis, as a repre sen-
tative of a registered organization or licensee under this chapter.

4. Broker's permit - to act as a broker in the purchase and sale of
cannabis products and/or medical cannabis for a fee or commission, for
or on behalf of a person authorized to cultivate, process, distribute or
dispense cannabis products, medical cannabis or hemp cannabis within the
state.

5. Trucking permit - to allow for the trucking or transportation of
cannabis products and/or medical cannabis by a person other than a
registered organization or licensee under this chapter.

6. Warehouse permit - to allow for the storage of cannabis, cannabis
products, or medical cannabis at a location not otherwise registered or
licensed by the office.

7. Delivery permit - to authorize licensed adult-use cannabis dispen-
saries or third-parties to deliver adult-use cannabis and cannabis
products directly to cannabis consumers.

8. Temporary retail cannabis permit - to authorize the retail sale of
adult-use cannabis to cannabis consumers, for a limited purpose or dura-
tion.

9. Caterer's permit - to authorize the service of cannabis products at
a function, occasion or event in a hotel, restaurant, club, ballroom or
other premises, which shall authorize within the hours fixed by the
office, during which cannabis may lawfully be sold or served on the
premises in which such function, occasion or event is held.
10. Packaging permit - to authorize a licensed cannabis distributor to sort, package, label and bundle cannabis products from one or more registered organizations or licensed processors, on the premises of the licensed cannabis distributor or at a warehouse for which a permit has been issued under this section.

11. Miscellaneous permits - to purchase, receive or sell cannabis, cannabis products or medical cannabis, or receipts, certificates, contracts or other documents pertaining to cannabis, cannabis products, or medical cannabis, or to provide specialized or certified ancillary services to support the implementation and purpose of this chapter, in cases not expressly provided for by this chapter, when in the judgment of the office it would be appropriate and consistent with the policy and purpose of this chapter.

§ 132. Municipal control and preemption. 1. The provisions of article four of this chapter, authorizing the cultivation, processing, distribution and sale of adult-use cannabis to cannabis consumers, shall not be applicable to a county, or city having a population of one hundred thousand or more residents, which adopts a local law, ordinance or resolution by a majority vote of its governing body, to completely prohibit the establishment or operation of one or more types of licenses contained in article four of this chapter, within the jurisdiction of such county or city.

2. Except as provided for in subdivision one of this section, all counties, towns, cities and villages are hereby preempted from adopting any rule, ordinance, regulation or prohibition pertaining to the operation or licensure of registered organizations, adult-use cannabis licenses or cannabinoid hemp licenses. However, counties, cities, towns and villages, as applicable, may pass ordinances or regulations govern-
ing the hours of operation and location of licensed adult-use cannabis retail dispensaries, provided such ordinances or regulations do not make the operation of such licensed retail dispensaries unreasonably impracticable.

3. Local rules, ordinances, regulations or prohibitions enacted by a county, city, town, or village shall not require an adult-use cannabis applicant or licensee to enter into a community host agreement or pay any consideration to the municipality other than reasonable zoning and permitting fees.

4. Notwithstanding subdivision one of this section, adult-use cannabis, medical cannabis and cannabinoid hemp farming and farm operations, on land located within an agricultural district, shall be deemed an approved activity under the relevant county, city, town, or village land use or zoning ordinances, rules, or regulations, inclusive of all necessary ancillary farm operations as permitted by license pursuant to this chapter.

§ 133. Office to be necessary party to certain proceedings. The office shall be made a party to all actions and proceedings affecting in any manner the possession, ownership or transfer of a registration, license or permit to operate within a municipality; to all injunction proceedings; and to all other civil actions or proceedings which in any manner affect the enjoyment of the privileges or the operation of the restrictions provided for in this chapter.

§ 134. Penalties for violation of this chapter. 1. Any person who cultivates for sale or sells cannabis, cannabis products, medical cannabis or cannabinoid hemp without having an appropriate registration, license or permit therefor, or whose registration, license, or permit has been revoked, surrendered or cancelled, upon first conviction there-
of shall be guilty of a misdemeanor, punishable by a fine not more than
five thousand dollars per violation, per day, and upon second conviction
thereof shall be guilty of a class A misdemeanor punishable by a fine
not more than ten thousand dollars per violation, per day, or a sentence
of imprisonment not to exceed thirty days and upon all subsequent
convictions thereof shall be an E felony punishable by a fine not more
than twenty-five thousand dollars per violation, per day or a sentence
of imprisonment not to exceed one year.

2. Any registered organization or licensee, whose registration or
license has been suspended pursuant to the provisions of this chapter,
who sells cannabis, cannabis products, medical cannabis or cannabinoid
hemp during the suspension period, upon conviction thereof shall be
guilty of an A misdemeanor, punishable punished by a fine of not more
than five thousand dollars per violation, per day.

3. Any person who shall make any false statement in the application
for or renewal of a registration, license or a permit under this chapter
shall be guilty of a misdemeanor, and upon conviction thereof shall be
punishable by a fine of not more than five thousand dollars.

4. Any violation by any person of any provision of this chapter for
which no punishment or penalty is otherwise provided shall be a misde-
meanor.

5. Nothing in this section shall prohibit the office from suspending,
revoking, or denying a license, permit, registration, or application in
addition to the penalties prescribed herein.

§ 135. Revocation of registrations, licenses and permits for cause;
procedure for revocation or cancellation. 1. Any registration, license
or permit issued pursuant to this chapter may be revoked, cancelled,
suspended and/or subjected to the imposition of a civil penalty for
cause, and must be revoked for the following causes:
(a) the registered organization, licensee, permittee or his or her
agent or employee has sold any illegal cannabis on the premises regis-
tered, licensed or permitted;
(b) for transferring, assigning or hypothecating a registration,
license or permit without prior written approval of the office;
(c) for failing to follow testing requirements prescribed under this
chapter or falsifying testing results;
(d) for knowingly distributing cannabis products to persons under
twenty-one years of age;
(e) for diverting, inverting or trafficking in cannabis to or from an
illegal and unlicensed, registered, or permitted source in violation of
this chapter; or
(f) for any other violation established in regulation which poses an
imminent and substantial threat to public health, public safety, or the
integrity of the state's cannabis regulatory structure.
2. Notwithstanding the issuance of a registration, license or permit
by way of renewal, the office may revoke, cancel or suspend such regis-
tration, license or permit and/or may impose a civil penalty against any
holder of such registration, license or permit, as prescribed by this
section, for causes or violations occurring during a license period
which occurred prior to the issuance of such registration, license or
permit.
3. (a) As used in this section, the term "for cause" shall also
include the existence of a sustained and continuing pattern of miscon-
duct, failure to adequately prevent diversion or disorder on or about
the registered, licensed or permitted premises, or in the area in front
of or adjacent to the registered or licensed premises, or in any parking
lot provided by the registered organization or licensee for use by
registered organization or licensee's patrons, which, in the judgment of
the office, adversely affects or tends to affect the protection, health,
welfare, safety, or repose of the inhabitants of the area in which the
registered or licensed premises is located, or results in the licensed
premises becoming a focal point for police attention, or is offensive to
public decency.

(b) (i) As used in this section, the term "for cause" shall also
include deliberately misleading the authority:

(A) as to the nature and character of the business to be operated by
the registered organization, licensee or permittee; or

(B) by substantially altering the nature or character of such business
during the registration or licensing period without seeking appropriate
approvals from the office.

(ii) As used in this subdivision, the term "substantially altering the
nature or character" of such business shall mean any significant alter-
ation in the scope of business activities conducted by a registered
organization, licensee or permittee that would require obtaining an
alternate form of registration, license or permit.

4. As used in this chapter, the existence of a sustained and continu-
ing pattern of misconduct, failure to adequately prevent diversion or
disorder on or about the premises may be presumed upon the third inci-
dent reported to the office by a law enforcement agency, or discovered
by the office during the course of any investigation, of misconduct,
diversion or disorder on or about the premises or related to the opera-
tion of the premises.
5. The denial, revocation, or suspension of any application, license, permit, or registration issued to or submitted by a person, business, or entity may also be grounds for the denial, suspension, or revocation of any and all other licenses, permits, or registrations applied for by, or issued to said person, business, or entity if the executive director determines it necessary to protect public health and safety or that the person, business, and/or entities involved no longer possess the good moral character required to participate in the cannabis industry.

6. Any registration, license or permit issued by the office pursuant to this chapter may be revoked, cancelled or suspended and/or be subjected to the imposition of a monetary penalty in the manner prescribed by this section.

7. The office may on its own initiative, or on complaint of any person, institute proceedings to revoke, cancel or suspend any adult-use cannabis retail dispensary license or adult-use cannabis on-site consumption license and may impose a civil penalty against the licensee after a hearing at which the licensee shall be given an opportunity to be heard. Such hearing shall be held in such manner and upon such notice as may be prescribed by regulation.

8. All other registrations, licenses or permits issued under this chapter may be revoked, cancelled, suspended and/or made subject to the imposition of a civil penalty by the office after a hearing to be held in such manner and upon such notice as may be prescribed in regulation by the executive director.

9. Notwithstanding any other provision of this chapter, the office may: (a) revoke or refuse to issue any class or type of license, permit, or registration if it determines that failing to do so would conflict with any federal law or guidance pertaining to regulatory, enforcement
and other systems that states, businesses, or other institutions may implement to mitigate the potential for federal intervention or enforcement. This provision shall not be construed to prohibit the overall implementation and administration of this chapter on account of the federal classification of marijuana or cannabis as a schedule I substance or any other federal prohibitions or restrictions; and

(b) the board may adopt rules and regulations based on federal guidance, provided those rules and regulations are designed to comply with federal guidance and mitigate federal enforcement against the registrations, licenses, or permits issued under this chapter, or the cannabis industry as a whole. This may include regulations which permit the sharing of licensee, registrant, or permit holder information with designated banking or financial institutions, provided these regulations are designed to aid cannabis industry participants' access to banking and financial services.

§ 136. Lawful actions pursuant to this chapter. 1. Contracts related to the operation of registered organizations, licenses and permits under this chapter shall be lawful and shall not be deemed unenforceable on the basis that the actions permitted pursuant to the registration, license or permit are prohibited by federal law.

2. The following actions are not unlawful as provided under this chapter, shall not be an offense under any state or local law, and shall not result in any civil fine, seizure, or forfeiture of assets against any person acting in accordance with this chapter:

(a) Actions of a registered organization, licensee, or permittee, or the employees or agents of such registered organization, licensee or permittee, as permitted by this chapter and consistent with rules and
regulations of the office, pursuant to a valid registration, license or permit issued by the office.

(b) Actions of those who allow property to be used by a registered organization, licensee, or permittee, or the employees or agents of such registered organization, licensee or permittee, as permitted by this chapter and consistent with rules and regulations of the office, pursuant to a valid registration, license or permit issued by the office.

(c) Actions of any person or entity, their employees, or their agents providing a service to a registered organization, licensee, permittee or a potential registered organization, licensee, or permittee, as permitted by this chapter and consistent with rules and regulations of the office, relating to the formation of a business.

(d) The purchase, possession, or consumption of cannabis, medical cannabis and cannabinoid hemp, as permitted by this chapter and consistent with rules and regulations of the office, obtained from a validly registered, licensed or permitted retailer.

§ 137. Review by courts. 1. The following actions by the office shall be subject to review by the supreme court in the manner provided in article seventy-eight of the civil practice law and rules:

(a) refusal by the office to issue a registration, license, or a permit;

(b) the revocation, cancellation or suspension of a registration, license, or permit by the office;

(c) the failure or refusal by the office to render a decision upon any completed application for a license, registration or permit, or hearing submitted to or held by the office within sixty days after such submission of a completed application or hearing;
(d) the transfer by the office of a registration, license, or permit to any other entity or premises, or refusal by the office to approve such a transfer; and

(e) refusal to approve a corporate change in stockholders, stockholdings, officers or directors.

2. No stay shall be granted pending the determination of such matter except on notice to the office and only for a period of less than thirty days. In no instance shall a stay be granted where the office has issued a summary suspension of a registration, license, or permit for the protection of the public health, safety, and welfare.

§ 138. Illicit cannabis. 1. "Illicit cannabis" means and includes any cannabis product or medical cannabis owned, cultivated, distributed, bought, sold, packaged, rectified, blended, treated, fortified, mixed, processed, warehoused, possessed or transported, on which any tax required to have been paid under any applicable state law has not been paid; or any adult-use cannabis or medical cannabis product the form, packaging, or content of which is not permitted by the office, as applicable.

2. Any person who shall knowingly possess or have under his or her control any illicit cannabis is guilty of a misdemeanor.

3. Any person who shall knowingly barter or exchange with, or sell, give or offer to sell or to give another any illicit cannabis is guilty of a class A misdemeanor.

4. Any person who shall possess or have under his or her control or transport any illicit cannabis with intent to barter or exchange with, or to sell or give to another the same or any part thereof is guilty of a class A misdemeanor. Such intent is presumptively established by proof that the person knowingly possessed or had under his or her control one
or more ounces, or an equivalent amount as determined by the executive
director in regulation, of illicit cannabis. This presumption may be
rebutted.

5. Any person who, being the owner, lessee, or occupant of any room,
shed, tenement, booth or building, float or vessel, or part thereof,
knowingly permits the same to be used for the cultivation, processing,
distribution, purchase, sale, warehousing, transportation, or storage of
any illicit cannabis, is guilty of a misdemeanor.

§ 139. Injunction for unlawful manufacturing, sale, distribution, or
consumption of cannabis. 1. If any person shall engage or participate
or be about to engage or participate in the cultivation, production,
distribution, traffic, or sale of cannabis products, medical cannabis or
cannabinoid hemp in this state without obtaining the appropriate regis-
tration, license, or permit therefor, or shall traffic in cannabis
products, medical cannabis or cannabinoid hemp contrary to any provision
of this chapter, or otherwise unlawfully, or shall traffic in illicit
cannabis or, operating either a place for profit or pecuniary gain, or a
not-for-profit basis, with a capacity for the assemblage of twenty or
more persons, shall permit a person or persons to come to such place of
assembly for the purpose of consuming cannabis products without having
the appropriate license or permit therefor, the office may present a
verified petition or complaint to a justice of the supreme court at a
special term of the supreme court of the judicial district in which such
city, village or town is situated, for an order enjoining such person
engaging or participating in such activity or from carrying on such
business. Such petition or complaint shall state the facts upon which
such application is based. Upon the presentation of the petition or
complaint, the justice or court may grant an order temporarily restrain-
ing any person from continuing to engage in conduct as specified in the
petition or complaint, and shall grant an order requiring such person to
appear before such justice or court at or before a special term of the
supreme court in such judicial district on the day specified therein,
not more than ten days after the granting thereof, to show cause why
such person should not be permanently enjoined from engaging or partic-
ipating in such activity or from carrying on such business, or why such
person should not be enjoined from carrying on such business contrary to
the provisions of this chapter. A copy of such petition or complaint and
order shall be served upon the person, in the manner directed by such
order, not less than three days before the return day thereof. On the
day specified in such order, the justice or court before whom the same
is returnable shall hear the proofs of the parties and may, if deemed
necessary or proper, take testimony in relation to the allegations of
the petition or complaint. If the justice or court is satisfied that
such person is about to engage or participate in the unlawful traffic in
cannabis, medical cannabis or cannabinoid hemp or has unlawfully culti-
vated, processed, or sold cannabis products, medical cannabis or canna-
binoid hemp without having obtained a registration or license or contra-
ry to the provisions of this chapter, or has trafficked in illicit
cannabis, or, is operating or is about to operate such place for profit
or pecuniary gain, with such capacity, and has permitted or is about to
permit a person or persons to come to such place of assembly for the
purpose of consuming cannabis products without having such appropriate
license, an order shall be granted enjoining such person from thereafter
engaging or participating in or carrying on such activity or business,
and allowing for the seizure of such illicit cannabis without limit. If,
after the entry of such an order in the county clerk's office of the
county in which the principal place of business of the corporation or partnership is located, or in which the individual so enjoined resides or conducts such business, and the service of a copy thereof upon such person, or such substituted service as the court may direct, such person, partnership or corporation shall, in violation of such order, cultivate, process, distribute or sell cannabis products, medical cannabis or cannabinoid hemp, or illicit cannabis, or permit a person or persons to come to such place of assembly for the purpose of consuming cannabis products, such activity shall be deemed a contempt of court and be punishable in the manner provided by the judiciary law, and, in addition to any such punishment, the justice or court before whom or which the petition or complaint is heard, may, in his or its discretion, order the seizure and forfeiture of any cannabis products and any fixtures, equipment and supplies used in the operation or promotion of such illegal activity and such property shall be subject to forfeiture pursuant to law. Costs upon the application for such injunction may be awarded in favor of and against the parties thereto in such sums as in the discretion of the justice or court before whom or which the petition or complaint is heard may seem proper.

2. The owner, lessor and lessee of a building, erection or place where cannabis products, medical cannabis or cannabinoid hemp is unlawfully cultivated, processed, distributed, sold, consumed or permitted to be unlawfully cultivated, processed, distributed, sold or consumed may be made a respondent or defendant in the proceeding or action.

3. The gift or transfer of cannabis in conjunction with the transfer of any money, consideration or value, or another item or any other services in an effort to evade laws, licensing, permitting, and regis-
§ 140. Persons forbidden to traffic cannabis; certain officials not to be interested in manufacture or sale of cannabis products. 1. The following are forbidden to traffic in cannabis:

(a) Except as provided in subdivision one-a of this section, a person who has been convicted of a felony, unless subsequent to such conviction such person shall have received an executive pardon therefor removing this disability, a certificate of good conduct granted by the department of corrections and community supervision, or a certificate of relief from disabilities granted by the department of corrections and community supervision or a court of this state pursuant to the provisions of article twenty-three of the correction law to remove the disability under this section because of such conviction;

(b) A person under the age of twenty-one years;

(c) A person who is not a citizen of the United States or an alien lawfully admitted for permanent residence in the United States;

(d) A partnership or a corporation, unless each member of the partnership, or each of the principal officers and directors of the corporation, is a citizen of the United States or an alien lawfully admitted for permanent residence in the United States, not less than twenty-one years of age, and has not been convicted of any felony, or if so convicted has received, subsequent to such conviction, an executive pardon therefor removing this disability a certificate of good conduct granted by the department of corrections and community supervision, or a certificate of relief from disabilities granted by the department of corrections and community supervision or a court of this state pursuant to the provisions of article twenty-three of the correction law to
remove the disability under this section because of such conviction;
provided however that a corporation which otherwise conforms to the
requirements of this section and chapter may be licensed if each of its
principal officers and more than one-half of its directors are citizens
of the United States or aliens lawfully admitted for permanent residence
in the United States; and provided further that a corporation organized

officer may, without a warrant, arrest a person, in case of a violation
of subdivision one of section eleven hundred ninety-two of this article,
if such violation is coupled with an accident or collision in which such
person is involved, which in fact has been committed, though not in the
police officer's presence, when the officer has reasonable cause to
believe that the violation was committed by such person.
(b) Field testing. Every person operating a motor vehicle which has
been involved in an accident or which is operated in violation of any of
the provisions of this chapter shall, at the request of a police offi-
cer, submit to a breath test and/or oral/bodily fluid to be administered
by the police officer, and/or to an evaluation by a drug recognition
expert or advance roadside impairment detection enforcement certified

or drug or drugs, the police officer may request such operator to submit
to a chemical test or an evaluation conducted by a drug recognition
expert or advance roadside impairment detection enforcement certified
officer in the manner set forth in subdivision two of this section.
2. Chemical and drug recognition tests. (a) When authorized. Any
person who operates a motor vehicle in this state shall be deemed to
have given consent to an evaluation conducted by a drug recognition
expert or advance roadside impairment detection enforcement certified
officer or any portion thereof and/or a chemical test of one or more of
the following: breath, blood, urine, or saliva, for the purpose of
determining the alcoholic and/or drug content of the blood provided that
such test is administered by or at the direction of a police officer
with respect to a chemical test of breath, urine or saliva or, with
respect to a chemical test of blood, at the direction of a police offi-

(1) having reasonable grounds to believe such person to have been
operating in violation of any subdivision of section eleven hundred

been placed under arrest for any such violation; or having reasonable
grounds to believe such person to have been operating in violation of section eleven hundred ninety-two-a of this article and within two hours after the stop of such person for any such violation,

(2) within two hours after a breath test and/or oral/bodily fluid, or an evaluation conducted by a drug recognition expert or advance roadside impairment detection enforcement certified officer, as provided in paragraph (b) of subdivision one of this section, indicates that alcohol and/or drug or drugs, has been consumed by such person and in accordance with the rules and regulations established by the police force of which the officer is a member;

(3) for the purposes of this paragraph, "reasonable grounds" to believe that a person has been operating a motor vehicle after having consumed alcohol in violation of section eleven hundred ninety-two-a, or alcohol and/or drug or drugs in violation of any other section of eleven hundred ninety-two, of this article shall be determined by viewing the totality of circumstances surrounding the incident which, when taken together, indicate that the operator was driving in violation of such subdivision. Such circumstances may include any visible or behavioral indication of alcohol and/or drug or drugs consumption by the operator, the existence of an open container containing or having contained an alcoholic beverage and/or drug or drugs in or around the vehicle driven by the operator, the odor of cannabis or burnt cannabis, or any other evidence surrounding the circumstances of the incident which indicates that the operator has been operating a motor vehicle after having consumed alcohol and/or drug or drugs at the time of the incident; or

(4) notwithstanding any other provision of law to the contrary, no person under the age of twenty-one shall be arrested for an alleged violation of section eleven hundred ninety-two-a of this article.
However, a person under the age of twenty-one for whom a chemical test or an evaluation conducted by a drug recognition expert or advance roadside impairment detection enforcement certified officer is authorized pursuant to this paragraph may be temporarily detained by the police solely for the purpose of requesting or administering such chemical test whenever arrest without a warrant for a petty offense would be authorized in accordance with the provisions of section 140.10 of the criminal procedure law or paragraph (a) of subdivision one of this section.

(b) Report of refusal. (1) If: (A) such person having been placed under arrest; or (B) after a breath test indicates the presence of alcohol and/or drug or drugs in the person's system; or (C) with regard to a person under the age of twenty-one, there are reasonable grounds to believe that such person has been operating a motor vehicle after having consumed alcohol in violation of section eleven hundred ninety-two-a of this article; and having thereafter been requested to submit to such chemical test or an evaluation conducted by a drug recognition expert or advance roadside impairment detection enforcement certified officer and having been informed that the person's license or permit to drive and any non-resident operating privilege shall be immediately suspended and subsequently revoked, or, for operators under the age of twenty-one for whom there are reasonable grounds to believe that such operator has been operating a motor vehicle after having consumed alcohol in violation of section eleven hundred ninety-two-a of this article, shall be revoked for refusal to submit to such chemical test or any portion thereof, or an evaluation conducted by a drug recognition expert or advance roadside impairment detection enforcement certified officer or any portion thereof, whether or not the person is found guilty of the charge for which such person is arrested or detained, refuses to submit to such chemical
test or any portion thereof, or an evaluation conducted by a drug recognition expert or advance roadside impairment detection enforcement certified officer or any portion thereof, unless a court order has been granted pursuant to subdivision three of this section, the test shall not be given and a written report of such refusal shall be immediately made by the police officer before whom such refusal was made. Such report may be verified by having the report sworn to, or by affixing to such report a form notice that false statements made therein are punishable as a class A misdemeanor pursuant to section 210.45 of the penal law and such form notice together with the subscription of the deponent shall constitute a verification of the report.

(2) The report of the police officer shall set forth reasonable grounds to believe such arrested person or such detained person under the age of twenty-one had been driving in violation of any subdivision of section eleven hundred ninety-two or eleven hundred ninety-two-a of this article, that said person had refused to submit to such chemical test, or an evaluation conducted by a drug recognition expert or advance roadside impairment detection enforcement certified officer or any portion thereof, and that no chemical test or evaluation conducted by a drug recognition expert or advance roadside impairment detection enforcement certified officer was administered pursuant to the requirements of subdivision three of this section. The report shall be presented to the court upon arraignment of an arrested person, provided, however, in the case of a person under the age of twenty-one, for whom a test was authorized pursuant to the provisions of subparagraph two or three of paragraph (a) of this subdivision, and who has not been placed under arrest for a violation of any of the provisions of section eleven hundred ninety-two of this article, such report shall be forwarded to
the commissioner within forty-eight hours in a manner to be prescribed
by the commissioner, and all subsequent proceedings with regard to
refusal to submit to such chemical test by such person shall be as set
forth in subdivision three of section eleven hundred ninety-four-a of
this article.

(3) For persons placed under arrest for a violation of any subdivision
of section eleven hundred ninety-two of this article, the license or
permit to drive and any non-resident operating privilege shall, upon the
basis of such written report, be temporarily suspended by the court
without notice pending the determination of a hearing as provided in
paragraph (c) of this subdivision. Copies of such report must be trans-
mitted by the court to the commissioner and such transmittal may not be
waived even with the consent of all the parties. Such report shall be
forwarded to the commissioner within forty-eight hours of such arraign-
ment.

(4) The court or the police officer, in the case of a person under the
age of twenty-one alleged to be driving after having consumed alcohol,
shall provide such person with a scheduled hearing date, a waiver form,
and such other information as may be required by the commissioner. If a
hearing, as provided for in paragraph (c) of this subdivision, or subdi-
vision three of section eleven hundred ninety-four-a of this article, is
waived by such person, the commissioner shall immediately revoke the
license, permit, or non-resident operating privilege, as of the date of
receipt of such waiver in accordance with the provisions of paragraph
(d) of this subdivision.

(c) Hearings. Any person whose license or permit to drive or any non-
resident driving privilege has been suspended pursuant to paragraph (b)
of this subdivision is entitled to a hearing in accordance with a hear-
ing schedule to be promulgated by the commissioner. If the department
fails to provide for such hearing fifteen days after the date of the
arraignment of the arrested person, the license, permit to drive or
non-resident operating privilege of such person shall be reinstated
pending a hearing pursuant to this section. The hearing shall be limited
to the following issues: (1) did the police officer have reasonable
grounds to believe that such person had been driving in violation of any
subdivision of section eleven hundred ninety-two of this article; (2)
did the police officer make a lawful arrest of such person; (3) was such
person given sufficient warning, in clear or unequivocal language, prior
to such refusal that such refusal to submit to such chemical test or any
portion thereof or an evaluation conducted by a drug recognition expert
or advance roadside impairment detection enforcement certified officer
or any portion thereof, would result in the immediate suspension and
subsequent revocation of such person's license or operating privilege
whether or not such person is found guilty of the charge for which the
arrest was made; and (4) did such person refuse to submit to such chemi-
cal test or any portion thereof or an evaluation conducted by a drug
recognition expert or advance roadside impairment detection enforcement
certified officer or any portion thereof. If, after such hearing, the
hearing officer, acting on behalf of the commissioner, finds on any one
of said issues in the negative, the hearing officer shall immediately
terminate any suspension arising from such refusal. If, after such hear-
ing, the hearing officer, acting on behalf of the commissioner finds all
of the issues in the affirmative, such officer shall immediately revoke
the license or permit to drive or any non-resident operating privilege
in accordance with the provisions of paragraph (d) of this subdivision.
A person who has had a license or permit to drive or non-resident oper-
ating privilege suspended or revoked pursuant to this subdivision may
appeal the findings of the hearing officer in accordance with the
provisions of article three-A of this chapter. Any person may waive the
right to a hearing under this section. Failure by such person to appear
for the scheduled hearing shall constitute a waiver of such hearing,
provided, however, that such person may petition the commissioner for a
new hearing which shall be held as soon as practicable.

(d) Sanctions. (1) Revocations. a. Any license which has been revoked
pursuant to paragraph (c) of this subdivision shall not be restored for
at least one year after such revocation, nor thereafter, except in the
discretion of the commissioner. However, no such license shall be
restored for at least eighteen months after such revocation, nor there-
after except in the discretion of the commissioner, in any case where
the person has had a prior revocation resulting from refusal to submit
to a chemical test or an evaluation conducted by a drug recognition
expert or advance roadside impairment detection enforcement certified
officer or any portion thereof, or has been convicted of or found to be
in violation of any subdivision of section eleven hundred ninety-two or
section eleven hundred ninety-two-a of this article not arising out of
the same incident, within the five years immediately preceding the date
of such revocation; provided, however, a prior finding that a person
under the age of twenty-one has refused to submit to a chemical test
pursuant to subdivision three of section eleven hundred ninety-four-a of
this article shall have the same effect as a prior finding of a refusal
pursuant to this subdivision solely for the purpose of determining the
length of any license suspension or revocation required to be imposed
under any provision of this article, provided that the subsequent
offense or refusal is committed or occurred prior to the expiration of
the retention period for such prior refusal as set forth in paragraph
(k) of subdivision one of section two hundred one of this chapter.

b. Any license which has been revoked pursuant to paragraph (c) of
this subdivision or pursuant to subdivision three of section eleven

Except as otherwise provided, any person whose license, permit to drive, or any non-resident operating privilege is revoked pursuant to the provisions of this section shall also be liable for a civil penalty in the amount of five hundred dollars except that if such revocation is a second or subsequent revocation pursuant to this section issued within a five year period, or such person has been convicted of a violation of any subdivision of section eleven hundred ninety-two of this article within the past five years not arising out of the same incident, the civil penalty shall be in the amount of seven hundred fifty dollars. Any person whose license is revoked pursuant to the provisions of this section based upon a finding of refusal to submit to a chemical test while operating a commercial motor vehicle shall also be liable for a civil penalty of five hundred fifty dollars except that if such person has previously been found to have refused a chemical test or an evaluation conducted by a drug recognition expert or advance roadside impairment detection enforcement certified officer or any portion thereof pursuant to this section while operating a commercial motor vehicle or has a prior conviction of any of the following offenses while operating a commercial motor vehicle: any violation of section eleven hundred ninety-two of this article; any violation of subdivision two of

(2) a. either such person operated the vehicle in violation of any subdivision of section eleven hundred ninety-two of this article, or b. a breath and/or oral/bodily fluid test administered by a police officer in accordance with paragraph (b) of subdivision one of this section indicates that alcohol has been consumed by such person; and

(3) such person has been placed under lawful arrest; and

(4) such person has refused to submit to a chemical test or any portion thereof, requested in accordance with the provisions of paragraph (a) of subdivision two of this section or is unable to give consent to such a test.
(c) Reasonable cause; definition. of any subdivision of section eleven hundred ninety-two of this article
and, after being placed under lawful arrest such person refused to
submit to a chemical test or any portion thereof, in accordance with the
provisions of this section or is unable to give consent to such a test

providing information in support of the application. Such oath or oaths
and all of the remaining communication must be recorded, either by means
of a voice recording device or verbatim stenographic or verbatim long-

with the court within seventy-two hours of the issuance of the court
order. If the longhand notes are taken, the judge shall subscribe a copy
and file it with the court within twenty-four hours of the issuance of
the order.
(4) If the court is satisfied that the requirements for the issuance of a court order pursuant to the provisions of paragraph (b) of this subdivision have been met, it may grant the application and issue an order requiring the accused to submit to a chemical test to determine the alcoholic and/or drug content of his blood and ordering the withdrawal of a blood sample in accordance with the provisions of paragraph (a) of subdivision four of this section. When a judge or justice determines to issue an order to compel submission to a chemical test based on an oral application, the applicant therefor shall prepare the order in accordance with the instructions of the judge or justice. In all cases the order shall include the name of the issuing judge or justice, the name of the applicant, and the date and time it was issued. § 35. Section 490 of the tax law, as added by chapter 90 of the laws
of 2014, is amended to read as follows:
§ 490. [Definitions] Excise tax on medical cannabis. 1. (a) [All
definitions of terms applicable to title five-A of article thirty-three
of the public health law shall apply to this article.] For purposes of
this article, the terms "medical cannabis," "registered organization,"
"certified patient," and "designated caregiver" shall have the same
definitions as in section three of the cannabis law.
(b) As used in this section, where not otherwise specifically defined
and unless a different meaning is clearly required "gross receipt" means
the amount received in or by reason of any sale, conditional or other-
wise, of medical [marihuana] cannabis or in or by reason of the furnish-
ing of medical [marihuana] cannabis from the sale of medical [marihuana]
cannabis provided by a registered organization to a certified patient or
designated caregiver. Gross receipt is expressed in money, whether paid
in cash, credit or property of any kind or nature, and shall be deter-
mined without any deduction therefrom on account of the cost of the
service sold or the cost of materials, labor or services used or other
costs, interest or discount paid, or any other expenses whatsoever.
"Amount received" for the purpose of the definition of gross receipt, as
the term gross receipt is used throughout this article, means the amount
charged for the provision of medical [marihuana] cannabis.
2. There is hereby imposed an excise tax on the gross receipts from the sale of medical [marihuana] cannabis by a registered organization to a certified patient or designated caregiver, to be paid by the registered organization, at the rate of seven percent. The tax imposed by this article shall be charged against and be paid by the registered organization and shall not be added as a separate charge or line item on any sales slip, invoice, receipt or other statement or memorandum of the price given to the retail customer.

3. The commissioner may make, adopt and amend rules, regulations, procedures and forms necessary for the proper administration of this article.

4. Every registered organization that makes sales of medical [marihuana] cannabis subject to the tax imposed by this article shall, on or before the twentieth date of each month, file with the commissioner a return on forms to be prescribed by the commissioner, showing its receipts from the retail sale of medical [marihuana] cannabis during the preceding calendar month and the amount of tax due thereon. Such returns shall contain such further information as the commissioner may require. Every registered organization required to file a return under this section shall, at the time of filing such return, pay to the commissioner the total amount of tax due on its retail sales of medical [marihuana] cannabis for the period covered by such return. If a return is not filed when due, the tax shall be due on the day on which the return is required to be filed.

5. Whenever the commissioner shall determine that any moneys received under the provisions of this article were paid in error, he may cause the same to be refunded, with interest, in accordance with such rules and regulations as he may prescribe, except that no interest shall be
allowed or paid if the amount thereof would be less than one dollar. Such interest shall be at the overpayment rate set by the commissioner pursuant to subdivision twenty-sixth of section one hundred seventy-one of this chapter, or if no rate is set, at the rate of six percent per annum, from the date when the tax, penalty or interest to be refunded was paid to a date preceding the date of the refund check by not more than thirty days. Provided, however, that for the purposes of this subdivision, any tax paid before the last day prescribed for its payment shall be deemed to have been paid on such last day. Such moneys received under the provisions of this article which the commissioner shall determine were paid in error, may be refunded out of funds in the custody of the comptroller to the credit of such taxes provided an application therefor is filed with the commissioner within two years from the time the erroneous payment was made.

6. The provisions of article twenty-seven of this chapter shall apply to the tax imposed by this article in the same manner and with the same force and effect as if the language of such article had been incorporated in full into this section and had expressly referred to the tax imposed by this article, except to the extent that any provision of such article is either inconsistent with a provision of this article or is not relevant to this article.

7. All taxes, interest and penalties collected or received by the commissioner under this article shall be deposited and disposed of pursuant to the provisions of section one hundred seventy-one-a of this chapter, provided that an amount equal to one hundred percent collected under this article less any amount determined by the commissioner to be reserved by the comptroller for refunds or reimbursements shall be paid by the comptroller to the credit of the medical [marihuana] cannabis
trust fund established by section eighty-nine-h of the state finance law.

8. A registered organization that dispenses medical [marihuana] cannabis shall provide to the department information on where the medical [marihuana] cannabis was dispensed and where the medical [marihuana] cannabis was manufactured. A registered organization that obtains [marihuana] cannabis from another registered organization shall obtain from such registered organization information on where the medical [marihuana] cannabis was manufactured.

§ 36. Section 491 of the tax law, as added by chapter 90 of the laws of 2014, subdivision 1 as amended by section 1 of part II of chapter 60 of the laws of 2016, is amended to read as follows:

§ 491. Returns to be secret. 1. Except in accordance with proper judicial order or as in this section or otherwise provided by law, it shall be unlawful for the commissioner, any officer or employee of the department, or any officer or person who, pursuant to this section, is permitted to inspect any return or report or to whom a copy, an abstract or a portion of any return or report is furnished, or to whom any information contained in any return or report is furnished, or any person engaged or retained by such department on an independent contract basis or any person who in any manner may acquire knowledge of the contents of a return or report filed pursuant to this article to divulge or make known in any manner the contents or any other information relating to the business of a distributor, owner or other person contained in any return or report required under this article. The officers charged with the custody of such returns or reports shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the state.
department of health] office of cannabis management, or the commissioner
in an action or proceeding under the provisions of this chapter or on behalf of the state or the commissioner in any other action or proceeding involving the collection of a tax due under this chapter to which the state or the commissioner is a party or a claimant or on behalf of any party to any action or proceeding under the provisions of this article, when the returns or the reports or the facts shown thereby are directly involved in such action or proceeding, or in an action or proceeding relating to the regulation or taxation of medical [marihuana] cannabis on behalf of officers to whom information shall have been supplied as provided in subdivision two of this section, in any of which events the court may require the production of, and may admit in evidence so much of said returns or reports or of the facts shown thereby as are pertinent to the action or proceeding and no more. Nothing herein shall be construed to prohibit the commissioner, in his or her discretion, from allowing the inspection or delivery of a certified copy of any return or report filed under this article or of any information contained in any such return or report by or to a duly authorized officer or employee of the [state department of health] office of cannabis management; or by or to the attorney general or other legal representatives of the state when an action shall have been recommended or commenced pursuant to this chapter in which such returns or reports or the facts shown thereby are directly involved; or the inspection of the returns or reports required under this article by the comptroller or duly designated officer or employee of the state department of audit and control, for purposes of the audit of a refund of any tax paid by a registered organization or other person under this article; nor to prohibit the delivery to a registered organization, or a duly authorized
representative of such registered organization, a certified copy of any
return or report filed by such registered organization pursuant to this
article, nor to prohibit the publication of statistics so classified as
to prevent the identification of particular returns or reports and the
items thereof. This section shall also not be construed to prohibit the
disclosure, for tax administration purposes, to the division of the
budget and the office of the state comptroller, of information aggre-
gated from the returns filed by all the registered organizations making
sales of, or manufacturing, medical [marihuana] cannabis in a specified
county, whether the number of such registered organizations is one or
more. Provided further that, notwithstanding the provisions of this
subdivision, the commissioner may, in his or her discretion, permit the
proper officer of any county entitled to receive an allocation, follow-
ing appropriation by the legislature, pursuant to this article and
section eighty-nine-h of the state finance law, or the authorized repre-
sentative of such officer, to inspect any return filed under this arti-
cle, or may furnish to such officer or the officer's authorized repre-

(b) "Cannabis" means all parts of a plant of the genus cannabis, whether growing or not; the seeds thereof; the resin extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds or resin. For purposes of this article, cannabis does not include medical cannabis or hemp as defined in section three of the cannabis law.

(d) "Cannabis trim" means all parts of a plant of the genus cannabis other than cannabis flowers that have been harvested, dried, and cured, and prior to any processing whereby the plant material is transformed into a concentrate, including, but not limited to, concentrated cannabis, or an edible or topical product containing cannabis and other ingredients.

(f) "Cultivator" has the same meaning as described in subdivisions one and two of section sixty-eight of the cannabis law.

(g) "Illicit cannabis" means and includes any adult-use cannabis product or medical cannabis on which any tax required to have been paid under this chapter has not been paid; or any adult-use cannabis or medical cannabis product, the form, packaging, or content of which is not permitted by the office of cannabis management, as applicable.

(m) "Wet cannabis" means a whole plant of the genus cannabis that has been harvested and weighed within two hours of harvesting and has not undergone any processing, including, but not limited to drying, curing, trimming or increasing the ambient temperature in the room in which such plant is held.

§ 493. Imposition of tax. (a) There is hereby imposed and shall be paid a tax on the cultivation of the following: (1) cannabis flower at the rate of one dollar per dry weight gram; (2) cannabis trim at the rate of twenty-five cents per dry-weight gram; and (3) wet cannabis at the rate of fourteen cents per gram. This tax shall be paid by the person to whom such flower, trim, or wet cannabis has been sold or transferred and shall accrue at the time of such sale or transfer. Where a person who processes or distributes cannabis flower, cannabis trim, or wet cannabis is licensed under the cannabis law as a microbusiness, cooperative or registered organization, such person shall be liable for the tax imposed by this subdivision.

(b) In addition to the tax imposed by subdivision (a) of this section, there is hereby imposed a tax on the sale or transfer of adult-use cannabis products by any person to a retail dispensary at the rate of twenty percent of the amount charged by such person for such adult-use cannabis products, which shall accrue at the time of such sale or transfer. Where the retail dispensary is operated by a person licensed under the cannabis law as a registered organization, such tax shall be paid by the retail dispensary at the rate of twenty percent of the price charged to the retail customer and shall accrue at the time of such sale.
(c) In addition to the taxes imposed by subdivisions (a) and (b) of this section, there is hereby imposed a tax on the sale or transfer of adult-use cannabis products by any person to a retail dispensary at the rate of two percent of the amount charged by such person for such adult-use cannabis products, which shall accrue at the time of such sale or transfer. The tax imposed by this subdivision shall be in trust for and on account of a city having a population of one million or more, or a county, other than a county wholly within such a city, in which the retail dispensary is located. Where the retail dispensary is operated by a person licensed under the cannabis law as a registered organization, such tax shall be paid by the retail dispensary at the rate of two percent of the price charged to the retail customer.

(d) It shall be presumed that all adult-use cannabis products within the state are subject to tax until the contrary is established, and the burden of proof that the taxes imposed by subdivisions (a), (b), and (c) of this section have been paid shall be upon the person in possession thereof where such person holds any license under the cannabis law. Every person holding a license under the cannabis law who possesses adult-use cannabis products upon which such taxes have not been paid shall be liable for the payment of such taxes, and the failure of such person to produce to the commissioner or his or her authorized representative upon demand an invoice for any adult-use cannabis products in his or her possession shall be presumptive evidence that the tax thereon has not been paid and that such person is liable for the tax thereon, unless evidence of such invoice or payment is later produced.

(e) Notwithstanding any other provision of law to the contrary, the taxes imposed by article twenty of this chapter shall not apply to any product subject to tax under this article.
§ 494. Registration and renewal. (a) Every person to whom cannabis flower, cannabis trim or wet cannabis is sold or transferred, and every person licensed as a microbusiness, cooperative or registered organization under the cannabis law must file with the commissioner a properly completed application for a certificate of registration before engaging in business. In order to apply for such certificate of registration, such person must first be in possession of a valid license from the office of cannabis management. An application for a certificate of registration must be submitted electronically, on a form prescribed by the commissioner, and must be accompanied by a non-refundable application fee of six hundred dollars. A certificate of registration shall not be assignable or transferable and shall be destroyed immediately upon such person ceasing to do business as specified in such certificate, or in the event that such business never commenced.

(b) The commissioner shall refuse to issue a certificate of registration to any applicant and shall revoke the certificate of registration of any such person who does not possess a valid license from the office of cannabis management. The commissioner may refuse to issue a certificate of registration to any applicant where such applicant: (1) has a past-due liability as that term is defined in section one hundred seventy-one-v of this chapter; (2) has had a certificate of registration under this article, a license from the office of cannabis management, or any license or registration provided for in this chapter revoked within one year from the date on which such application was filed; (3) has had a certificate of registration under this article, a license from the office of cannabis management, or any license or registration provided for in this chapter suspended where the suspension is in effect on the date the application is filed or ended less than one year from such
date; (4) has been convicted of a crime provided for in this chapter
within one year from the date on which such application was filed or the
certificate was issued as applicable; (5) willfully fails to file a report or return required by this article; (6) willfully files, causes
to be filed, gives or causes to be given a report, return, certificate
or affidavit required by this article which is false; or (7) willfully
fails to collect or truthfully account for or pay over any tax imposed
by this article.

c) A certificate of registration shall be valid for the period speci-
fied thereon, unless earlier suspended or revoked. Upon the expiration
of the term stated on a certificate of registration, such certificate
shall be null and void.

d) Every holder of a certificate of registration must notify the
commissioner of changes to any of the information stated on the certif-
icate, or of changes to any information contained in the application for
the certificate of registration. Such notification must be made on or
before the last day of the month in which a change occurs and must be
made electronically on a form prescribed by the commissioner.

e) Every holder of a certificate of registration under this article
shall be required to reapply prior to such certificate's expiration,
during a reapplication period established by the commissioner. Such
reapplication period shall not occur more frequently than every two
years. Such reapplication shall be subject to the same requirements and
conditions as an initial application, including grounds for refusal and
the payment of the application fee.

f) Any person who is required to obtain a certificate of registration
under subdivision (a) of this section who possesses adult-use cannabis
products without such certificate shall be subject to a penalty of five
hundred dollars for each month or part thereof during which adult-use
cannabis products are possessed without such certificate, not to exceed
ten thousand dollars in the aggregate.

§ 495. Returns and payment of tax. Every person to whom cannabis
flower, cannabis trim or wet cannabis is sold or transferred, and every
person licensed as a microbusiness, cooperative or registered organiza-
tion under the cannabis law shall, on or before the twentieth day of the
month, file with the commissioner a return on forms to be prescribed by
the commissioner, showing the total weight of cannabis flower, cannabis
trim, and wet cannabis subject to tax pursuant to subdivision (a) of
section four hundred ninety-three of this article and the total amount
of tax due thereon in the preceding calendar month, and the total amount
of tax due under subdivisions (b) and (c) of such section on its sales
or transfers to, or sales by, a retail dispensary during the preceding
calendar month, along with such other information as the commissioner
may require. Every person required to file a return under this section
shall, at the time of filing such return, pay to the commissioner the
total amount of tax due for the period covered by such return. If a
return is not filed when due, the tax shall be due on the day on which
the return is required to be filed.

§ 496. Records to be kept; penalties. (a) Records to be kept. Every
person to whom cannabis flower, cannabis trim or wet cannabis is sold or
transferred, and every person licensed as a microbusiness, cooperative
or registered organization under the cannabis law shall maintain
complete and accurate records in such form as the commissioner may
require including, but not limited to, such items as the weight of the
cannabis flower, cannabis trim, and wet cannabis sold or transferred to
or produced by such person; the geographic location of every retail
dispensary to which such person sold or transferred adult-use cannabis
products; and any other record or information required by the commis-
sioner. Such records must be preserved for a period of three years after
the filing of the return to which such records relate and must be
provided to the commissioner upon request.

(b) Penalties. In addition to any other penalty provided in this arti-
cle or otherwise imposed by law: every person to whom cannabis flower,
cannabis trim or wet cannabis is sold or transferred, and every person
licensed as a microbusiness, cooperative or registered organization
under the cannabis law who fails to maintain or make available to the
commissioner the records required by this section is subject to a penal-
ty not to exceed five hundred dollars for the first month or part there-
of for which the failure occurs. This penalty may not be imposed more
than once for failures for the same monthly period or part thereof. If
the commissioner determines that a failure to maintain or make available
records in any month was entirely due to reasonable cause and not to
willful neglect, the commissioner must remit the penalty for that month.

§ 496-a. Returns to be secret. (a) Except in accordance with proper
judicial order or as in this section or otherwise provided by law, it
shall be unlawful for the commissioner, any officer or employee of the
department, or any officer or person who, pursuant to this section, is
permitted to inspect any return or report or to whom a copy, an abstract
or a portion of any return or report is furnished, or to whom any infor-
mation contained in any return or report is furnished, or any person who
in any manner may acquire knowledge of the contents of a return or
report filed pursuant to this article to divulge or make known in any
manner the content or any other information contained in any return or
report required under this article. The officers charged with the custo-
dy of such returns or reports shall not be required to produce any of
them or evidence of anything contained in them in any action or proceed-
ing in any court, except on behalf of the state, the office of cannabis
management, or the commissioner in an action or proceeding involving the
collection of tax due under this chapter to which the state or the
commissioner is a party or a claimant or on behalf of any party to any
action or proceeding under the provisions of this article, when the
returns or the reports or the facts shown thereby are directly involved
in such action or proceeding, or in an action or proceeding related to
the regulation or taxation of adult-use cannabis products on behalf of
officers to whom information shall have been supplied as provided in
this section, in any of which events the courts may require the
production of, and may admit in evidence so much of said returns or
reports or of the facts shown thereby as are pertinent to the action or
proceeding and no more. Nothing herein shall be construed to prohibit
the commissioner, in his or her discretion, from allowing the inspection
or delivery of a certified copy of any return or report filed under this
article or of any information contained in any such return or report by
or to a duly authorized officer or employee of the office of cannabis
management or by or to the attorney general or other legal represen-
tatives of the state when an action shall have been recommended or
commenced pursuant to this chapter in which such returns or reports or
the facts shown thereby are directly involved; or the inspection of the
returns or reports required under this article by the comptroller or
duly designated officer or employee of the state department of audit and
control, for purposes of the audit of a refund of any tax paid by the
wholesaler under this article; nor to prohibit the delivery to such
person or a duly authorized representative of such person, a certified
copy of any return or report filed by such person pursuant to this article, nor to prohibit the publication of statistics so classified as to prevent the identification of particular returns or reports and the items thereof. This section shall also not be construed to prohibit the disclosure, for tax administration purposes, to the division of the budget and the office of the state comptroller, of information aggregated from the returns filed by all persons subject to the taxes imposed by this article, whether the number of such persons is one or more. Provided further that, notwithstanding the provisions of this subdivision, the commissioner may, in his or her discretion, permit the proper officer of any city having a population of one million or more and a county, other than a county wholly within such a city, entitled to receive any distribution of the monies received on account of the tax imposed by subdivision (c) of section four hundred ninety-three of this article, or the authorized representative of such officer, to inspect any return filed under this article, or may furnish to such officer or the officer's authorized representative an abstract of any such return or supply such officer or representative with information concerning an item contained in any such return, or disclosed by any investigation of tax liability under this article.

(b) The commissioner, in his or her discretion, may permit the appropriate officers of any other state that regulates or taxes cannabis or the duly authorized representatives of any such officers, to inspect returns or reports made pursuant to this article, or may furnish to such other officers, or their duly authorized representatives, a copy of any such return or report or an abstract of the information therein contained, or any portion thereof, or may supply any such officers or such representatives with information relating to the business of a
1 person making returns or reports hereunder solely for purposes of tax
2 administration. The commissioner may refuse to supply information pursu-
3 ant to this subdivision to the officers of any other state if the stat-
4 utes of the state represented by such officers do not grant substantial-
5 ly similar privileges to the commissioner, but such refusal shall not be
6 mandatory. Information shall not be supplied to the officers of any
7 state that regulates or taxes cannabis, or the duly authorized represen-
8 tatives of any such officers, unless such officers or other represen-
9 tatives shall agree not to divulge or make known in any manner the
10 information so supplied, but such officers may transmit such information
11 to their employees or legal representatives when necessary, who in turn
12 shall be subject to the same restrictions as those hereby imposed upon
13 such officers or other representatives.
14 (c) Any officer or employee of the state who willfully violates the
15 provisions of subdivision (a) or (b) of this section shall be dismissed
16 from office and be incapable of holding any public office in this state
17 for a period of five years thereafter, and subject to criminal penalties
18 pursuant to article thirty-seven of this chapter.
19 § 496-b. Administrative provisions. (a) The provisions of article
20 twenty-seven of this chapter shall apply to the tax imposed by this
21 article in the same manner and with the same force and effect as if the
22 language of such article had been incorporated in full into this section
23 and had expressly referred to the tax imposed by this article, except to
24 the extent that any provision of such article is either inconsistent
25 with a provision of this article or is not relevant to this article.
26 (b)(1) All taxes, interest, and penalties collected or received by the
27 commissioner under this article shall be deposited and disposed of
28 pursuant to the provisions of section one hundred seventy-one-a of this
chapter, provided that an amount equal to one hundred percent collected
under this article less any amount determined by the commissioner to be
reserved by the comptroller for refunds or reimbursements shall be paid
by the comptroller to the credit of the cannabis revenue fund estab-
lished by section ninety-nine-hh of the state finance law. Of the total
revenue collected or received under this article, the comptroller shall
retain such amount as the commissioner may determine to be necessary for
refunds. The commissioner is authorized and directed to deduct from the
registration fees under subdivision (a) of section four hundred ninety-
four of this article, before deposit into the cannabis revenue fund
designated by the comptroller, a reasonable amount necessary to effectu-
ate refunds of appropriations of the department to reimburse the depart-
ment for the costs incurred to administer, collect, and distribute the
taxes imposed by this article.

(2) Notwithstanding the foregoing, the commissioner shall certify to
the comptroller the total amount of tax, penalty and interest received
by him or her on account of the tax imposed by subdivision (c) of
section four hundred ninety-three of this article in trust for and on
account of a city having a population of one million or more and a coun-
ty, other than a county wholly within such a city, in which a retail
dispensary is located. On or before the twelfth day of each month, the
comptroller, after reserving such refund fund, shall pay to the appro-
priate fiscal officer of each such city having a population of one
million or more and a county, other than a county wholly within such a
city, the taxes, penalties and interest received and certified by the
commissioner for the preceding calendar month.

§ 496-c. Illicit cannabis penalty. (a) In addition to any other civil
or criminal penalties that may apply, any person in possession of or
having control over illicit cannabis, as defined in section four hundred ninety-two of this article, after notice and an opportunity for a hearing, shall be liable for a civil penalty of not less than four hundred dollars per ounce of illicit cannabis plant material, ten dollars per milligram of tetrahydrocannabinol contained in illicit cannabis infused products, one hundred dollars per gram of illicit cannabis concentrate or extract, two hundred fifty dollars per immature illicit cannabis plant, and one thousand dollars per mature cannabis plant, but not to exceed eight hundred dollars per ounce of illicit cannabis plant material, twenty dollars per milligram of tetrahydrocannabinol contained in illicit cannabis infused products, two hundred dollars per gram of illicit cannabis concentrate or extract, five hundred dollars per immature illicit cannabis plant, and two thousand dollars per mature cannabis plant for a first violation, and for a second or subsequent violation within three years following a prior violation shall be liable for a civil penalty of not less than eight hundred dollars per ounce of illicit cannabis plant material, twenty dollars per milligram of tetrahydrocannabinol contained in illicit cannabis infused products, two hundred dollars per gram of illicit cannabis concentrate or extract, five hundred dollars per immature illicit cannabis plant, and two thousand dollars per mature cannabis plant but not to exceed one thousand dollars per ounce of illicit cannabis plant material, forty dollars per milligram of tetrahydrocannabinol contained in illicit cannabis infused products, four hundred dollars per gram of illicit cannabis concentrate or extract, one thousand dollars per immature illicit cannabis plant, and four thousand dollars per mature cannabis plant.

trial or by open or negotiated plea, who would not have been guilty of
an offense or who would have been guilty of a lesser offense on and
after the effective date of this section had this section been in effect
at the time of his or her conviction may petition for a recall or
dismissal of sentence before the trial court that entered the judgment
of conviction in his or her case to request resentencing or dismissal in
accordance with article two hundred twenty-one of the penal law.

2. Upon receiving a motion under subdivision one of this section the
court shall presume the movant satisfies the criteria in subdivision one
of this section unless the party opposing the motion proves by clear and
convincing evidence that the movant does not satisfy the criteria. If
the movant satisfies the criteria in subdivision one of this section,
the court shall grant the motion to vacate the sentence or to resentence
because it is legally invalid. In exercising its discretion, the court
may consider, but shall not be limited to, the following: (a) the

supervision. Such person is subject to parole supervision under section
60.04 of the penal law or post-release supervision under section 70.45
of the penal law by the designated agency and the jurisdiction of the
court in the county in which the offender is released or resides, or in
which an alleged violation of supervision has occurred, for the purpose
of hearing petitions to revoke supervision and impose a term of custody.

4. Under no circumstances may resentencing under this section result
in the imposition of a term longer than the original sentence, or the
reinstatement of charges dismissed pursuant to a negotiated plea agree-
ment.

5. A person who has completed his or her sentence for a conviction
under the former article two hundred twenty-one of the penal law, wheth-

6. The court shall presume the petitioner satisfies the criteria in subdivision five of this section unless the party opposing the application proves by clear and convincing evidence that the petitioner does not satisfy the criteria in subdivision five of this section. Once the applicant satisfies the criteria in subdivision five of this section, the court shall redesignate (or "reclassify") the conviction as a misdemeanor, redesignate (reclassify) the conviction as a violation and seal the conviction, or dismiss and seal the conviction as legally invalid under this section had this section been in effect at the time of his or her conviction.

7. Unless requested by the applicant, no hearing is necessary to grant or deny an application filed under subdivision five of this section.

8. Any felony conviction that is vacated and resentenced under subdivision two or designated as a misdemeanor or violation under subdivision six of this section shall be considered a misdemeanor or violation for all purposes. Any misdemeanor conviction that is vacated and resentenced under subdivision two of this section or designated as a violation under subdivision six of this section shall be considered a violation for all purposes.

10. Nothing in this section is intended to diminish or abrogate any rights or remedies otherwise available to the petitioner or applicant.

11. Nothing in this and related sections is intended to diminish or abrogate the finality of judgments in any case not falling within the purview of this section.

12. The provisions of this section shall apply equally to juvenile delinquency adjudications and dispositions under section five hundred one-e of the executive law if the juvenile would not have been guilty of an offense or would have been guilty of a lesser offense under this section had this section been in effect at the time of his or her conviction.

13. The office of court administration shall promulgate and make available all necessary forms to enable the filing of the petitions and applications provided in this section no later than sixty days following the effective date of this section.
