

Aging, Office for the

Mission

The State Office for the Aging (SOFA) is responsible for promoting, coordinating and administering State, Federal and local programs and services to the elderly aged 60 and older; their families or other caregivers. The Office provides leadership and direction to 59 Area Agencies on Aging (AAAs) and other local programs and providers that comprise the networks of services to the elderly.

Organization and Staffing

SOFA program specialists provide oversight and guidance to the AAAs, service providers, and fiscal analysts who oversee the funding disbursement. The workforce is located in Albany, although SOFA staff routinely travel across the State to provide leadership, direction, and oversight to the AAAs and service providers.

Budget Highlights

The FY 2022 Executive Budget recommends \$271 million for Aging. This is a decrease of \$3.2 million from the FY 2021 budget. This change is the result of the discontinuation of one-time legislative adds. The Executive Budget recommends a workforce of 95 FTEs, unchanged from FY 2021.

Major budget initiatives include:

- Continuing the implementation of the FY 2020 investment of \$15 million into community-based (non-medical) supports for aging New Yorkers. This investment will continue to help serve more older adults, will help them maintain their autonomy, and delay future Medicaid costs by intervening with less intensive services earlier.
- Deferring the statutory FY 2022 Human Services Cost of Living Adjustment, saving \$2.1 million in FY 2022.
