For purposes of determining loans pursuant to subdivisions three and four of this section in the two thousand twenty-one--two thousand twenty-two school year and thereafter, the textbook factor shall equal fifty-eight dollars and twenty-five cents.

7. The apportionment provided for in this section shall be paid, at such times as may be determined by the commissioner and approved by the director of the budget, during the school year in which the expenditures are reported to the department prior to such apportionment, provided that for the two thousand twenty--two thousand twenty-one school year, such apportionment shall not exceed the amount set forth for each school district as "2020-21 TEXTBOOK AID" in the school aid computer listing produced by the commissioner in support of the executive budget request for the 2021--2022 school year and entitled "BT212-2". to subparagraphs four, five, and six of paragraph n of subdivision one of section thirty-six hundred two of this chapter in any school year shall be deemed approved operating expense of the district for the purpose of computation of state aid pursuant to section thirty-six hundred two of this chapter, but expenditures up to such product shall not be deemed approved operating expenses for such purpose.

8. In its discretion, a board of education may adopt regulations specifying the date by which requests for the purchase and loan of textbooks must be received by the district. Notice of such date shall be given to all non-public schools. Such date shall not be earlier than the first day of June of the school year prior to that for which such textbooks are being requested, provided, however, that a parent or guardian of a child not attending a particular non-public school prior to June first of the school year may submit a written request for textbooks within thirty days after such child is enrolled in such non-public school. Such software programs shall be loaned on an equitable basis to children defined in subdivision three of section seven hundred fifty-one of this article attending in the current year. Such aid shall be provided pursuant to a plan developed by the district which demonstrates to the satisfaction of the commissioner that the instructional computer hardware needs of the district's public school students have been adequately met and that the school district has provided for the loan of instructional computer hardware to students legally attending nonpublic schools pursuant to section seven hundred fifty-four of this article. The apportionment shall equal the lesser of such approved expense in the
base year or, the product of (i) the technology factor, (ii) the sum of the public school district enrollment and the nonpublic school enrollment in the base year as defined in subparagraphs two and three of paragraph n of subdivision one of section thirty-six hundred two of this chapter, and (iii) the building aid ratio, as defined in subdivision four of section thirty-six hundred two of this chapter. For aid payable in the two thousand seven--two thousand eight school year and thereafter, the technology factor shall be twenty-four dollars and twenty cents. A school district may use up to twenty percent of the product of (i) the technology factor, (ii) the sum of the public school district enrollment and the nonpublic school enrollment in the base year as defined in subparagraphs two and three of paragraph n of subdivision one of section thirty-six hundred two of this chapter, and (iii) the building aid ratio for the repair of instructional computer hardware and technology equipment and training and staff development for instructional purposes pursuant to a plan submitted to the commissioner.

2. As used in this article:
   a. "Current year" shall have the same meaning as that term is defined in subdivision one of section thirty-six hundred two of this chapter;
   b. "Base year" shall have the same meaning as that term is defined in subdivision one of section thirty-six hundred two of this article; and
   c. "Technology equipment", for the purposes of this article, shall mean equipment with a useful life used in conjunction with or in support of educational programs including but not limited to video, solar energy, robotic, satellite, laser and such other equipment as the commissioner shall approve provided that expenses for the purchase or lease of such equipment shall not be eligible for aid under any other provisions of this chapter.
3. No school district shall be required to purchase or otherwise acquire instructional computer hardware or technology equipment, the cost of which exceeds, for the two thousand twenty-one school year and prior, the amount of state aid provided pursuant to this section, and for the two thousand twenty-one school year and thereafter, the product of (i) the technology factor, (ii) the sum of the public school district enrollment and the nonpublic school enrollment in the base year as defined in subparagraphs two and three of paragraph n of subdivision one of section thirty-six hundred two of this chapter, and (iii) the building aid ratio.

4. The apportionment provided for in this section shall be paid at such times as may be determined by the commissioner and approved by the director of the budget, during the school year in which the expenditures are reported to the department prior to such apportionment, but not earlier than the school year after the school year in which expenses are incurred.

5. Expenses aided pursuant to this section shall not be eligible for aid pursuant to any other provision of this chapter.

§ 8. Paragraphs a, g and h of subdivision 5 of section 1950 of the education law, paragraph a as amended by section 4 and paragraph g as amended by section 5 of part C of chapter 57 of the laws of 2004, and paragraph h as added by section 1 of part L of chapter 57 of the laws of 2005, are amended to read as follows:

a. Upon application by a board of cooperative educational services, in the two thousand twenty-one school year and prior, there shall be apportioned and paid from state funds to each board of cooperative educational services an amount which shall be the product of the approved cost of services actually incurred during the base year
multiplied by the sharing ratio for cooperative educational services aid which shall equal the greater of: (i) an amount equal to one minus the quotient expressed as a decimal to three places without rounding of eight mills divided by the tax rate of the local district computed upon the actual valuation of taxable property, as determined pursuant to subdivision one of section thirty-six hundred two of this chapter [and notwithstanding section three thousand six hundred three], expressed in mills to the nearest tenth as determined by the commissioner, provided, however, that where services are provided to a school district which is included within a central high school district or to a central high school district, such amount shall equal one minus the quotient expressed as a decimal to three places without rounding of three mills divided by the tax rates, expressed in mills to the nearest tenth, of such districts, as determined by the commissioner or (ii) the aid ratio of each school district for the current year, which shall be such component school district's board of cooperative educational services aid ratio and which shall be not less than thirty-six percent converted to decimals and shall be not more than ninety percent converted to decimals, provided that for the two thousand twenty-two thousand twenty-one school year, such apportionment shall not exceed the amount set forth for each school district as "2020-21 BOCES AID" in the school aid computer listing produced by the commissioner in support of the executive budget request for the 2021-2022 school year and entitled "BT212-2". For the purposes of this paragraph, the tax rate of the local district computed upon the actual valuation of taxable property shall be the sum of the amount of tax raised by the school district plus any payments in lieu of taxes received by the school district pursuant to section four hundred eighty-five of the real property tax law, divided
by the actual valuation of the school district, provided, however that
the tax rate for a central high school district shall be the sum of the
amount of tax raised by the common and union free school districts
included within the central high school district for the support of the
central high school district plus any payments in lieu of taxes received
for the support of the central high school district pursuant to section
four hundred eighty-five of the real property tax law, divided by the
actual valuation of the central high school district. The tax rate for
each common or union free school district which is included within a
central high school district shall be the sum of the amount raised for
the support of such common or union free school district plus any
payments in lieu of taxes received for the support of the school
district pursuant to section four hundred eighty-five of the real prop-
erty tax law, exclusive of the amount raised for the central high school
district, divided by the actual valuation of such common or union free
school district.

g. Any payment required by a board of cooperative educational services
to the dormitory authority or any payment required by a board of cooper-
active educational services to acquire or construct a school facility of
the board of cooperative educational services, and any payments for
rental of facilities by a board of cooperative educational services
shall, for the purposes of apportionment of public moneys to the board
of cooperative educational services by the state of New York, be deemed
to be an administrative or capital expense, as designated by the commis-
sioner, but the entire amount of such payment shall be utilized in
making such apportionment and the limitation of ten percent of the total
expenses contained in this subdivision shall not be applicable. Any
expense designated by the commissioner as a capital expense shall be
included in the capital budget of the board of cooperative educational services and, except as otherwise provided in this paragraph, shall be aided in the same manner as an administrative expense, provided, however, that such aid shall not be provided commencing with the two thousand twenty-one--two thousand twenty-two school year. Any such payment shall not be considered part of the total expenses of the board for purposes of determining the administrative and clerical expenses not to exceed ten percent otherwise eligible for aid under this subdivision, and such payments shall be considered for the purpose of apportionment during the current school year such payment is made. The apportionment for such payments shall be determined by multiplying the amount of such payment allocated to each component school district in the board of cooperative educational services by the aid ratio, and shall be not more than ninety percent converted to decimals, of each such component computed pursuant to subdivision three of section thirty-six hundred two of this chapter and used to apportion aid to that district in that current school year; provided, however, the apportionment for the construction, acquisition, reconstruction, rehabilitation, or improvement of board of cooperative educational services facilities, including payments to the dormitory authority and payments under any lease agreement, shall be based upon the cost of the board of cooperative educational services school facilities but not to exceed the cost allowance set forth in subdivision six of section thirty-six hundred two of [the education law] this chapter and payments for rental facilities shall be subject to the approval of the commissioner.

h. Each board of cooperative educational services receiving a payment pursuant to paragraph a of this subdivision and section thirty-six hundred nine-d of this chapter, in the two thousand twenty--two thousand
twenty-one school year and prior, shall be required to set aside from such payment an amount not less than the amount of state aid received pursuant to paragraph a of this subdivision in the base year that was attributable to cooperative services agreements (CO-SERs) for career education, as determined by the commissioner, and shall be required to use such amount to support career education programs in the current year.

§ 9. Subdivision 1 of section 3602 of the education law is amended by adding a new paragraph kk to read as follows:

kk. The "federal COVID-19 supplemental stimulus" shall be equal to the
sum of (1) ninety percent of the funds from the elementary and secondary
school emergency relief made available to school districts pursuant to the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 in the same proportion as such district's share of funds provided under Title I of the Elementary and Secondary Education Act of 1965 plus (2) the base federal allocation. For eligible districts, the base federal allocation shall be equal to the product of nine hundred fifty-two dollars and fifteen cents ($952.15) and public school district enrollment in the base year as computed pursuant to paragraph n of this subdivision less ninety percent of the funds from the elementary and secondary school emergency relief made available to school districts pursuant to the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 in the same proportion as such district's share of funds provided under Title I of the Elementary and Secondary Education Act of 1965, but not less than zero. Districts shall be eligible for the base federal allocation if their combined wealth ratio for the current year computed pursuant to subparagraph one of paragraph c of
subdivision three of this section is less than one and five tenths (1.5) and the district is not a central high school district.

§ 10. Paragraph h of subdivision 4 of section 3602 of the education law, as added by section 14-a of part A of chapter 56 of the laws of 2020, is amended to read as follows:

h. Foundation aid payable in the two thousand twenty-one through the two thousand twenty-one--two thousand twenty-two school [year] years. Notwithstanding any provision of law to the contrary, foundation aid payable in the two thousand twenty-one through two thousand twenty-two school [year] years shall equal the apportionment for foundation aid in the base year.

§ 11. Subdivision 10 of section 3602 of the education law, as added by chapter 57 of the laws of 1993 and renumbered by section 16 of part B of chapter 57 of the laws of 2007, the subdivision heading and paragraphs a and c as amended by section 32 of part H of chapter 83 of the laws of 2002, paragraph b as amended by section 16 of part B of chapter 57 of the laws of 2007, paragraph d as added by section 17 of part B of chapter 57 of the laws of 2008, and paragraph e as added by chapter 357 of the laws of 2018, is amended to read as follows:

10. Special services aid for large city school districts and other school districts which were not components of a board of cooperative educational services in the base year. a. [The] In the two thousand twenty-one through the two thousand twenty-one school year and prior, the city school districts of those cities having populations in excess of one hundred twenty-five thousand and any other school district which was not a component of a board of cooperative educational services in the base
year shall be entitled to an apportionment under the provisions of this section.

b. Aid for career education. There shall be apportioned to such city school districts and other school districts which were not components of a board of cooperative educational services in the base year for pupils in grades ten through twelve in attendance in career education programs as such programs are defined by the commissioner, subject for the purposes of this paragraph to the approval of the director of the budget, an amount for each such pupil to be computed by multiplying the career education aid ratio by three thousand nine hundred dollars, provided that such apportionments for the two thousand twenty-two thousand twenty-one school year shall not exceed the amount set forth for each school district as "2020-21 CAREER EDUCATION AID" under the heading "CAREER EDUCATION AID" in the school aid computer listing produced by the commissioner in support of the executive budget request for the 2021-2022 school year and entitled "BT212-2". Such aid will be payable for weighted pupils attending career education programs operated by the school district and for weighted pupils for whom such school district contracts with boards of cooperative educational services to attend career education programs operated by a board of cooperative educational services. Weighted pupils for the purposes of this paragraph shall mean the sum of the attendance of students in grades ten through twelve in career education sequences in trade, industrial, technical, agricultural or health programs plus the product of sixteen hundredths multiplied by the attendance of students in grades ten through twelve in career education sequences in business and marketing as defined by the commissioner in regulations. The career education aid ratio shall be computed by subtracting from one the product obtained by multiplying fifty-nine
percent by the combined wealth ratio. This aid ratio shall be expressed
as a decimal carried to three places without rounding, but not less than
thirty-six percent.

Any school district that receives aid pursuant to this paragraph shall
be required to use such amount to support career education programs in
the current year.

A board of education which spends less than its local funds as defined
by regulations of the commissioner for career education in the base year
during the current year shall have its apportionment under this subdivi-
sion reduced in an amount equal to such deficiency in the current or a
succeeding school year, provided however that the commissioner may waive
such reduction upon determination that overall expenditures per pupil in
support of career education programs were continued at a level equal to
or greater than the level of such overall expenditures per pupil in the
preceding school year.

c. Computer administration aid for large city school districts and any
other school district which was not a component of a board of cooper-
active educational services in the base year. The city school districts
of those cities having populations in excess of one hundred twenty-five
thousand inhabitants and any other school district which was not a
component of a board of cooperative educational services in the base
year shall be eligible for an apportionment in accordance with the
provisions of this subdivision, provided that such apportionments for
the two thousand twenty--two thousand twenty-one school year shall not
exceed the amount set forth for each school district as "2020-21 COMPUT-
ER ADMIN AID" under the heading "COMPUTER ADMINISTRATION" in the school
aid computer listing produced by the commissioner in support of the
executive budget request for the 2021--2022 school year and entitled
"BT212-2". Such districts shall be entitled to an additional apportionment computed by multiplying the lesser of (1) expenses for approved computer services in the base year or (2) the maximum allowable expense equal to the product of sixty-two dollars and thirty cents and the enrollment of pupils attending the public schools of such district in the base year, by the computer expenses aid ratio. The computer expenses aid ratio shall be computed by subtracting from one the product obtained by multiplying fifty-one per centum by the combined wealth ratio. This aid ratio shall be expressed as a decimal carried to three places without rounding, but shall not be less than thirty per centum. Expenses for approved computer services in the base year up to the maximum allowable expense shall not be used to claim aid pursuant to any other provisions of this section.

d. Aid for academic improvement. There shall be apportioned to such city school districts and other school districts which were not components of a board of cooperative educational services in the base year, an amount per pupil for each pupil eligible for aid pursuant to paragraph b of this subdivision to be computed by multiplying the career education aid ratio computed pursuant to such paragraph b of this subdivision by the sum of (1) one hundred dollars plus (2) the quotient of one thousand dollars divided by the lesser of one or the combined wealth ratio, provided that such apportionments for the two thousand twenty-one school year shall not exceed the amount set forth for each school district as "2020-21 ACADEMIC IMPRVMT AID" under the heading "ACADEMIC IMPROVEMENT AID" in the school aid computer listing produced by the commissioner in support of the executive budget request for the 2021-2022 school year and entitled "BT212-2". Aid for
academic improvement shall be unrestricted general aid available to
support any academic programs of the school district.

[e. Career education data collection. Beginning in the two thousand
seventeen--two thousand eighteen school year the commissioner shall
collect data from school districts receiving aid under this subdivision
on the number of students in the base year that are in grade nine and
enrolled in career education courses in trade/industrial education,
technical education, agricultural education, health occupations educa-
tion, business and marketing education, family and consumer science
education, and technology education programs in a manner prescribed by
the commissioner.]

for the 2021--2022 school year and entitled "BT212-2" less (2) the
services aid reduction.

b. The services aid reduction shall be equal to the lesser of (1) the
positive difference of the federal COVID-19 supplemental stimulus as
computed pursuant to paragraph kk of subdivision one of this section
less the Local District Funding Adjustment pursuant to subdivision one
of section thirty-six hundred nine-i of this part or (2) the product of
public school district enrollment in the base year as computed pursuant
to paragraph n of subdivision one of this section multiplied by (i) six
hundred three dollars and two cents ($603.02) for a city school district
in a city having a population of one million or more, or (ii) for all
other districts, the product of one hundred forty-five dollars and
eighty cents ($145.80) and the positive value, if any, computed by
subtracting from one and thirty-seven hundredths (1.37) the product
obtained by multiplying the combined wealth ratio for the current year
computed pursuant to subparagraph one of paragraph c of subdivision
three of this section by sixty-four hundredths (0.64).
§ 12-a. Subdivision 8 of section 3641 of the education law, as added
by section 38 of part B of chapter 57 of the laws of 2007, paragraph b

§ 13. The opening paragraph of subdivision 41 of section 3602 of the education law, as amended by section 20 of part B of chapter 57 of the laws of 2008, is amended to read as follows:

Transitional aid for charter school payments. In addition to any other apportionment under this section, for the two thousand seven--two thousand eight school year [and thereafter] through the two thousand twenty--two thousand twenty-one school year, a school district other than a city school district in a city having a population of one million or more shall be eligible for an apportionment in an amount equal to the sum of the following, provided that such apportionments for the two thousand twenty--two thousand twenty-one school year shall be equal to the amount set forth for each school district as "2021-22 TRANSITIONAL AID" in the school aid computer listing produced by the commissioner in support of the executive budget request for the 2021--2022 school year and entitled "BT212-2".

that to which it is entitled, the commissioner may, by an order, direct
such moneys to be paid back to the state to be credited to the general
fund local assistance account for state aid to the schools, or may
deduct such amount from the next apportionment to be made to said
district, provided, however, that, upon notification of excess payments
of aid for which a recovery must be made by the state through deduction of future aid payments, a school district may request that such excess payments be recovered by deducting such excess payments from the payments due to such school district and payable in the month of June in (i) the school year in which such notification was received and (ii) the two succeeding school years, provided further that there shall be no interest penalty assessed against such district or collected by the state. Such request shall be made to the commissioner in such form as the commissioner shall prescribe, and shall be based on documentation that the total amount to be recovered is in excess of one percent of the district's total general fund expenditures for the preceding school year. Provided further that, notwithstanding any other provisions of this subdivision, any pending payment of moneys due to such district as a prior year adjustment payable pursuant to paragraph [c] b of this subdivision [for] other than payments required as a result of a final audit of the state, shall be deemed paid. is entitled and for which recovery of excess payments is to be made pursuant to this paragraph, shall be reduced at the time of actual payment by any remaining unrecovered balance of such excess payments, and the remaining scheduled deductions of such excess payments pursuant to this paragraph shall be reduced by the commissioner to reflect the amount so recovered. [The commissioner shall certify no payment to a school district based on a claim submitted later than three years after the close of the school year in which such payment was first to be made. For claims for which payment is first to be made in the nineteen hundred ninety-six--ninety-seven school year, the commissioner shall certify no payment to a school district based on a claim submitted later than two years after the close of such school year.] For claims for which payment is first to be made [in the nineteen hundred ninety-seven--ninety-eight prior to the two thousand twenty--two thousand twenty-one school year and thereafter], the commissioner shall certify no payment to a school district based on a claim submitted later than [one year after] the close of such school year. For claims for which payment is first to be made in the two thousand twenty--two thousand twenty-one school year and thereafter, the commissioner shall certify no payment to a school district based on a claim submitted later than the first of November of such school year. hundred one, seven hundred eleven, seven hundred fifty-one, seven
hundred fifty-three, nineteen hundred fifty, thirty-six hundred two,
Thirty-six hundred two-b, thirty-six hundred two-c, thirty-six hundred
two-e and forty-four hundred five of this chapter for the two thousand

commissioner in support of the executive budget request submitted for
the two thousand twenty-one--two thousand twenty-two state fiscal year
and entitled "BT212-2", and further provided that for any apportionments
provided pursuant to sections seven hundred one, seven hundred eleven,
seven hundred fifty-one, seven hundred fifty-three, nineteen hundred

barred, provided that, commencing January first, nineteen hundred nine-
ty-six, such court order or judgment and any other data required shall be filed with the comptroller within one year from the date of the court order or judgment, and provided further that the commissioner shall certify no payment to a school district for a specific school year that is based on a claim that results from a court order or judgement so filed with the comptroller unless the total value of such claim, as determined by the commissioner, is greater than one percent of the school district's total revenues from state sources as previously recorded in the general fund and reported to the comptroller in the annual financial report of the school district for such school year.

c.] Payment of moneys due for prior years. State aid payments due for prior years in accordance with the provisions of this subdivision, other than payments required as a result of a final audit of the state, shall be deemed paid [within the limit of the appropriation designated therefor provided, however, that each eligible claim shall be payable in the order that it has been approved for payment by the commissioner, but in no case shall a single claim draw down more than forty percent of the appropriation so designated for a single year, and provided further that no claim shall be set aside for insufficiency of funds to make a complete payment, but shall be eligible for a partial payment in one year and shall retain its priority date status for appropriations designated for such purposes in future years].

(c) For purposes of determining the total number of charters issued

PART B

Section 1. Section 1503 of the business corporation law is amended by adding a new paragraph (h) to read as follows:

(h) Any firm established for the business purpose of incorporating as a professional service corporation formed to lawfully engage in the practice of public accountancy, as such practice is respectively defined under article one hundred forty-nine of the education law shall be required to show (1) that a simple majority of the ownership of the firm, in terms of financial interests, and voting rights held by the firm's owners, belongs to individuals licensed to practice public accountancy in some state, and (2) that all shareholders of a professional service corporation whose principal place of business is in this state, and who are engaged in the practice of public accountancy in this state, hold a valid license issued under section seventy-four hundred four of the education law. For purposes of this paragraph, "financial interest" means capital stock, capital accounts, capital contributions, capital interest, or interest in undistributed earnings of a business entity. Although firms may include non-licensee owners, the firm and its owners must comply with rules promulgated by the state board of
regents. Notwithstanding the foregoing, a firm incorporated under this section may not have non-licensee owners if the firm's name includes the words "certified public accountant," or "certified public accountants," or the abbreviations "CPA" or "CPAs." Each non-licensee owner of a firm that is incorporated under this section shall be a natural person who actively participates in the business of the firm or its affiliated entities. For purposes of this paragraph, "actively participate" means to provide services to clients or to otherwise individually take part in the day-to-day business or management of the firm. Such a firm shall have attached to its certificate of incorporation a certificate or certificates demonstrating the firm's compliance with this paragraph, in lieu of the certificate or certificates required by subparagraph (ii) of paragraph (b) of this section.

§ 2. Section 1507 of the business corporation law is amended by adding a new paragraph (c) to read as follows:

(c) Any firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article may issue shares to individuals who are authorized by law to practice in this state the profession which such corporation is authorized to practice and who are or have been engaged in the practice of such profession in such corporation or a predecessor entity, or who will engage in the practice of such profession in such corporation within thirty days of the date such shares are issued and may also issue shares to employees of the corporation not licensed as certified public accountants, provided that:

(i) at least fifty-one percent of the outstanding shares of stock of the corporation are owned by certified public accountants,
(ii) at least fifty-one percent of the directors are certified public accountants,

(iii) at least fifty-one percent of the officers are certified public accountants,

(iv) the president, the chairperson of the board of directors and the chief executive officer or officers are certified public accountants.

No shareholder of a firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article shall enter into a voting trust agreement, proxy or any other type of agreement vesting in another person, other than another shareholder of the same corporation, the authority to exercise voting power of any or all of his or her shares. All shares issued, agreements made or proxies granted in violation of this section shall be void.

§ 3. Section 1508 of the business corporation law is amended by adding a new paragraph (c) to read as follows:

(c) The directors and officers of any firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article may include individuals who are not licensed to practice public accountancy, provided however that at least fifty-one percent of the directors, at least fifty-one percent of the officers and the president, the chairperson of the board of directors and the chief executive officer or officers are authorized by law to practice in any state the profession which such corporation is authorized to practice, and are either shareholders of such corporation or engaged in the practice of their professions in such corporation.
§ 4. Section 1509 of the business corporation law, as amended by chapter 550 of the laws of 2011, is amended to read as follows:

§ 1509. Disqualification of shareholders, directors, officers and employees.

If any shareholder, director, officer or employee of a professional service corporation, including a design professional service corporation, who has been rendering professional service to the public becomes legally disqualified to practice his or her profession within this state, he or she shall sever all employment with, and financial interests (other than interests as a creditor) in, such corporation forthwith or as otherwise provided in section 1510 of this article. All provisions of law regulating the rendering of professional services by a person elected or appointed to a public office shall be applicable to a shareholder, director, officer and employee of such corporation in the same manner and to the same extent as if fully set forth herein. Such legal disqualification to practice his or her profession within this state shall be deemed to constitute an irrevocable offer by the disqualified shareholder to sell his or her shares to the corporation, pursuant to the provisions of section 1510 of this article or of the certificate of incorporation, by-laws or agreement among the corporation and all shareholders, whichever is applicable. Compliance with the terms of such offer shall be specifically enforceable in the courts of this state. A professional service corporation's failure to enforce compliance with this provision shall constitute a ground for forfeiture of its certificate of incorporation and its dissolution.

§ 5. Paragraph (a) of section 1511 of the business corporation law, as amended by chapter 550 of the laws of 2011, is amended and a new paragraph (c) is added to read as follows:
(a) No shareholder of a professional service corporation, including a design professional service corporation, may sell or transfer his or her shares in such corporation except to another individual who is eligible to have shares issued to him or her by such corporation or except in trust to another individual who would be eligible to receive shares if he or she were employed by the corporation. Nothing herein contained shall be construed to prohibit the transfer of shares by operation of law or by court decree. No transferee of shares by operation of law or court decree may vote the shares for any purpose whatsoever except with respect to corporate action under sections 909 and 1001 of this chapter. The restriction in the preceding sentence shall not apply, however, where such transferee would be eligible to have shares issued to him or her if he or she were an employee of the corporation and, if there are other shareholders, a majority of such other shareholders shall fail to redeem the shares so transferred, pursuant to section 1510 of this article, within sixty days of receiving written notice of such transfer. Any sale or transfer, except by operation of law or court decree or except for a corporation having only one shareholder, may be made only after the same shall have been approved by the board of directors, or at a shareholders' meeting specially called for such purpose by such proportion, not less than a majority, of the outstanding shares as may be provided in the certificate of incorporation or in the by-laws of such professional service corporation. At such shareholders' meeting the shares held by the shareholder proposing to sell or transfer his or her shares may not be voted or counted for any purpose, unless all shareholders consent that such shares be voted or counted. The certificate of incorporation or the by-laws of the professional service corporation, or the professional service corporation and the shareholders by private
agreement, may provide, in lieu of or in addition to the foregoing
provisions, for the alienation of shares and may require the redemption
or purchase of such shares by such corporation at prices and in a manner
specifically set forth therein. The existence of the restrictions on the
sale or transfer of shares, as contained in this article and, if appli-
cable, in the certificate of incorporation, by-laws, stock purchase or
stock redemption agreement, shall be noted conspicuously on the face or
back of every certificate for shares issued by a professional service
corporation. Any sale or transfer in violation of such restrictions
shall be void.

(c) A firm established for the business purpose of incorporating as a
professional service corporation pursuant to paragraph (h) of section
fifteen hundred three of this article, shall purchase or redeem the
shares of a non-licensed professional shareholder in the case of his or
her termination of employment within thirty days after such termination.
A firm established for the business purpose of incorporating as a
professional service corporation pursuant to paragraph (h) of section
fifteen hundred three of this article, shall not be required to purchase
or redeem the shares of a terminated non-licensed professional share-
holder if such shares, within thirty days after such termination, are
sold or transferred to another employee of the corporation pursuant to
this article.

§ 6. Section 1514 of the business corporation law is amended by adding
a new paragraph (c) to read as follows:

(c) Each firm established for the business purpose of incorporating as
a professional service corporation pursuant to paragraph (h) of section
fifteen hundred three of this article shall, at least once every three
years on or before the date prescribed by the licensing authority,
furnish a statement to the licensing authority listing the names and
residence addresses of each shareholder, director and officer of such
corporation and certify as the date of certification and at all times
over the entire three year period that:

(i) at least fifty-one percent of the outstanding shares of stock of
the corporation are and were owned by certified public accountants,

(ii) at least fifty-one percent of the directors are and were certi-
fied public accountants,

(iii) at least fifty-one percent of the officers are and were certi-
fied public accountants,

(iv) the president, the chairperson of the board of directors and the
chief executive officer or officers are and were certified public
accountants.

accountant vice-president and attested to by the secretary or any
assistant secretary of the corporation.

for-profit college or university chartered by the regents which (1) has
maintained a physical presence in New York state for the immediately

governing body during the same immediately preceding ten year period and
(2) is accredited and has continued in accreditation by the Middle
States Commission on Higher Education ("MSCHE") or the department for

probation or has its accreditation terminated by MSCHE, such college or
university shall notify the regents in writing no later than thirty days
after receiving notice of its probationary status or loss of accredi-
tation by the MSCHE. Any college or university which has its accredi-

department shall be subject to the commissioner's program approval until
it has been removed from probation or regained accreditation by MSCHE or
the education department, and shall further remain subject to such
commissioner's program approval until it has continued without probation
for a period of not less than six years. If a college or university
subject to this section intends to offer or institute an additional
degree or program which constitutes a "substantive change," as defined
and determined by MSCHE, then the college or university shall provide
the commissioner with copies of any reports or other documents filed
with MSCHE as part of MSCHE's substantive change review process and
shall inform the commissioner when the substantive change is approved.
Any such college or university that does not satisfy all of the
provisions of this paragraph shall comply with the procedures and crite-
ria established by the regents and commissioner for academic program
1 approval. Nothing in this section shall be deemed to limit the department's existing authority to investigate a complaint concerning the institution, or any program offered, including the authority to deregister the program.

2 § 2. This act shall take effect immediately and shall be deemed to have been in full force and effect on and after April 1, 2021.

Section 1. Subparagraph 4 of paragraph h of subdivision 2 of section 355 of the education law, as amended by section 1 of part JJJ of chapter 59 of the laws of 2017, is amended to read as follows:

(4) The trustees shall not impose a differential tuition charge based upon need or income. Except as hereinafter provided, all students enrolled in programs leading to like degrees at state-operated institutions of the state university shall be charged a uniform rate of tuition except for differential tuition rates based on state residency, and flexible tuition rate categories to increase research capacity for the four university centers (Albany, Binghamton, Buffalo (university), and Stony Brook) and the five other doctoral degree granting institutions (downstate medical center, upstate medical center, the college of optometry, the college of environmental science and forestry, and the college of technology at Utica/Rome/state university polytechnic insti-

flexible tuition rate categories shall be used to ensure that no student
is unable to attend an institution of choice based on income. Any flex-

the state university of New York and approved by the trustees; provided,
however, that such flexible tuition rates based on sector shall not vary
by more than 1.5 times from the minimum rate within each type of tuition
rate. Provided, however, that the trustees may authorize the presidents
of the colleges of technology and the colleges of agriculture and tech-
nology to set differing rates of tuition for each of the colleges for
students enrolled in degree-granting programs leading to an associate
degree and non-degree granting programs so long as such tuition rate
does not exceed the tuition rate charged to students who are enrolled in
like degree programs or degree-granting undergraduate programs leading
to a baccalaureate degree at other state-operated institutions of the
state university of New York. Notwithstanding any other provision of
this subparagraph, the trustees may authorize the setting of [a] sepa-
rate [category] categories of tuition [rate] rates as follows; "distance
learning rate", that shall be greater than the tuition rate for resident
students and less than the tuition rate for non-resident students, only
for students enrolled in distance learning courses who are not residents
of the state, and "high demand certificate program rate", that shall be
set at a level deemed appropriate upon recommendation of the chancellor
of the state university of New York and approved by the board of trus-
tees which rate shall be lower than standard rates of tuition, for iden-
tified certification programs to be recommended by the chancellor of the
state university of New York. Except as otherwise authorized in this
subparagraph, the trustees shall not adopt changes affecting tuition
charges prior to the enactment of the annual budget, provided however that:

(i) Commencing with the two thousand eleven--two thousand twelve academic year and ending in the two thousand fifteen--two thousand sixteen academic year the state university of New York board of trustees shall be empowered to increase the resident undergraduate rate of tuition by not more than three hundred dollars over the resident undergraduate rate of tuition adopted by the board of trustees in the prior academic year, provided however that commencing with the two thousand eleven--two thousand twelve academic year and ending in the two thousand sixteen--two thousand seventeen academic year if the annual resident undergraduate rate of tuition would exceed five thousand dollars, then a tuition credit for each eligible student, as determined and calculated by the New York state higher education services corporation pursuant to section six hundred eighty-nine-a of this title, shall be applied toward the tuition charged for each semester, quarter or term of study. Tuition for each semester, quarter or term of study shall not be due for any student eligible to receive such tuition credit until the tuition credit is calculated and applied against the tuition charged for the corresponding semester, quarter or term.

(ii) Commencing with the two thousand seventeen--two thousand eighteen academic year and ending in the two thousand twenty--two thousand twenty-one academic year the state university of New York board of trustees shall be empowered to increase the resident undergraduate rate of tuition by not more than two hundred dollars over the resident undergraduate rate of tuition adopted by the board of trustees in the prior academic year, provided, however that if the annual resident undergraduate rate of tuition would exceed five thousand dollars, then a tuition
credit for each eligible student, as determined and calculated by the New York state higher education services corporation pursuant to section six hundred eighty-nine-a of this title, shall be applied toward the tuition charged for each semester, quarter or term of study. Tuition for each semester, quarter or term of study shall not be due for any student eligible to receive such tuition credit until the tuition credit is calculated and applied against the tuition charged for the corresponding semester, quarter or term. Provided, further that the revenue resulting from an increase in the rate of tuition shall be allocated to each campus pursuant to a plan approved by the board of trustees to support investments in new classroom faculty, instruction, initiatives to improve student success and on-time completion and a tuition credit for each eligible student.

(iii) Commencing with the two thousand twenty-one--two thousand twenty-two academic year and ending in the two thousand twenty-four--two thousand twenty-five academic year, upon recommendation of the chancellor of the state university of New York, the state university of New York board of trustees shall be empowered to approve an increase of the resident undergraduate rate of tuition by no more than two hundred dollars over the resident undergraduate rate of tuition adopted by the board of trustees in the prior academic year, provided, however that if the annual resident undergraduate rate of tuition would exceed five thousand dollars, then a tuition credit for each eligible student, as determined and calculated by the New York state higher education services corporation pursuant to section six hundred eighty-nine-a of this title, shall be applied toward the tuition charged for each semester, quarter or term of study. Tuition for each semester, quarter or term of study shall not be due for any student eligible to receive such
tuition credit until the tuition credit is calculated and applied against the tuition charged for the corresponding semester, quarter or term. Provided further that the revenue resulting from an increase in the rate of tuition shall be allocated to each campus pursuant to a plan approved by the board of trustees to support investments in new classroom faculty, instruction, initiatives to improve student success and on-time completion and a tuition credit for each eligible student.

(iv) On or before November thirtieth, two thousand [seventeen] twenty-one, the trustees shall approve and submit to the chairs of the assembly ways and means committee and the senate finance committee and to the director of the budget a master tuition plan setting forth the tuition rates that the trustees propose for resident undergraduate students for the four year period commencing with the two thousand [seventeen] twenty-one thousand [eighteen] twenty-two academic year and ending in the two thousand twenty-four thousand [twenty-five] academic year, and shall submit any proposed amendments to such plan by November thirtieth of each subsequent year thereafter through November thirtieth, two thousand [twenty] twenty-four, and provided further, that with the approval of the board of trustees, each university center may increase non-resident undergraduate tuition rates each year by not more than ten percent over the tuition rates of the prior academic year for a six year period commencing with the two thousand eleven thousand twelve academic year and ending in the two thousand sixteen thousand seventeen academic year.

(v) Beginning in state fiscal year two thousand twelve-two thousand thirteen and ending in state fiscal year two thousand fifteen-two thousand sixteen, the state shall appropriate and make available general fund operating support, including fringe benefits, for the state
university in an amount not less than the amount appropriated and made available in the prior state fiscal year; provided, however, that if the governor declares a fiscal emergency, and communicates such emergency to the temporary president of the senate and speaker of the assembly, state support for operating expenses at the state university and city university may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply.

[(v)] (vi) Beginning in state fiscal year two thousand seventeen--two thousand eighteen and ending in state fiscal year two thousand twenty--two thousand twenty-one, the state shall appropriate and make available general fund operating support, including fringe benefits, for the state university in an amount not less than the amount appropriated and made available in the prior state fiscal year; provided, however, that if the governor declares a fiscal emergency, and communicates such emergency to the temporary president of the senate and speaker of the assembly, state support for operating expenses at the state university and city university may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply; provided further, the state shall appropriate and make available general fund support to fully fund the tuition credit pursuant to subdivision two of section six hundred sixty-nine--h of this title.

(vii) Beginning in state fiscal year two thousand twenty-one--two thousand twenty-two and ending in state fiscal year two thousand twenty-four--two thousand twenty-five, the state shall appropriate and make available general fund operating support, including fringe benefits, for the state university in an amount not less than the amount appropriated and made available in the prior state fiscal year; provided, however, that if the governor declares a fiscal emergency, and communicates such
emergency to the temporary president of the senate and speaker of the assembly, state support for operating expenses at the state university and city university may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply; provided further, the state shall appropriate and make available general fund support to fully fund the tuition credit pursuant to subdivision two of section six hundred sixty-nine-h of this title.

[(vi)] (viii) For the state university fiscal years commencing two thousand eleven--two thousand twelve and ending two thousand fifteen--two thousand sixteen, each university center may set aside a portion of its tuition revenues derived from tuition increases to provide increased financial aid for New York state resident undergraduate students whose net taxable income is eighty thousand dollars or more subject to the approval of a NY-SUNY 2020 proposal by the governor and the chancellor of the state university of New York. Nothing in this paragraph shall be construed as to authorize that students whose net taxable income is eighty thousand dollars or more are eligible for tuition assistance program awards pursuant to section six hundred sixty-seven of this [chapter] title.

§ 2. Paragraph (a) of subdivision 7 of section 6206 of the education law, as amended by section 2 of part JJJ of chapter 59 of the laws of 2017, is amended to read as follows:

(a) The board of trustees shall establish positions, departments, divisions and faculties; appoint and in accordance with the provisions of law fix salaries of instructional and non-instructional employees therein; establish and conduct courses and curricula; prescribe conditions of student admission, attendance and discharge; and shall have the power to determine in its discretion whether tuition shall be charged
and to regulate tuition charges, and other instructional and non-instructional fees and other fees and charges at the educational units of the city university. The trustees shall review any proposed community college tuition increase and the justification for such increase. The justification provided by the community college for such increase shall include a detailed analysis of ongoing operating costs, capital, debt service expenditures, and all revenues. The trustees shall not impose a differential tuition charge based upon need or income. All students enrolled in programs leading to like degrees at the senior colleges shall be charged a uniform rate of tuition, except for differential tuition rates based on state residency, and a flexible tuition rate category to increase research capacity for doctoral degree granting authorized institutions; provided, however, that a portion of revenue generated by such flexible tuition rate category shall be used to ensure that no student is unable to attend an institution of choice based on income. Such flexible tuition rate category must be recommended by the chancellor of the city university of New York and approved by the trustees; provided, however, that such flexible tuition rate shall not vary by more than 1.5 times from the minimum rate within each type of tuition rate. Notwithstanding any other provision of this paragraph, the trustees may authorize the setting of [a] separate [category] categories of tuition [rate] rates as follows; "distance learning rate", that shall be greater than the tuition rate for resident students and less than the tuition rate for non-resident students, only for students enrolled in distance learning courses who are not residents of the state, and "high demand certificate program rate", that shall be set at a level deemed appropriate upon recommendation of the chancellor of the city university of New York and approved by the board of trustees which rate shall be
lower than standard rates of tuition, for identified certification
programs to be recommended by the chancellor of the city university of
New York; provided, however, that:

(i) Commencing with the two thousand eleven--two thousand twelve
academic year and ending in the two thousand fifteen--two thousand
sixteen academic year, the city university of New York board of trustees
shall be empowered to increase the resident undergraduate rate of
tuition by not more than three hundred dollars over the resident under-
graduate rate of tuition adopted by the board of trustees in the prior
academic year, provided however that commencing with the two thousand
eleven--two thousand twelve academic year and ending with the two thou-

then a tuition credit for each eligible student, as determined and
calculated by the New York state higher education services corporation
pursuant to section six hundred eighty-nine-a of this chapter, shall be
applied toward the tuition charged for each semester, quarter or term of
study. Tuition for each semester, quarter or term of study shall not be
due for any student eligible to receive such tuition credit until the
tuition credit is calculated and applied against the tuition charged for
the corresponding semester, quarter or term.

tuition by not more than two hundred dollars over the resident under-
graduate rate of tuition adopted by the board of trustees in the prior
academic year, provided however that if the annual resident undergradu-
ate rate of tuition would exceed five thousand dollars, then a tuition
credit for each eligible student, as determined and calculated by the
New York state higher education services corporation pursuant to section
six hundred eighty-nine-a of this [title] chapter, shall be applied
toward the tuition charged for each semester, quarter or term of study.
Tuition for each semester, quarter or term of study shall not be due for
any student eligible to receive such tuition credit until the tuition
credit is calculated and applied against the tuition charged for the
corresponding semester, quarter or term. Provided, further that the
revenue resulting from an increase in the rate of tuition shall be allo-
cated to each campus pursuant to a plan approved by the board of trus-
tees to support investments in new classroom faculty, instruction,
initiatives to improve student success and on-time completion and a
tuition credit for each eligible student.

(iii) Commencing with the two thousand twenty-one--two thousand twen-
ty-two academic year and ending in the two thousand twenty-four--two
thousand twenty-five academic year, upon recommendation of the chancel-
lor of the city university of New York, the city university of New York
board of trustees shall be empowered to approve an increase of the resi-
dent undergraduate rate of tuition by not more than two hundred dollars
over the resident undergraduate rate of tuition adopted by the board of
trustees in the prior academic year; provided, however, that if the
annual resident undergraduate rate of tuition would exceed five thousand
dollars, then a tuition credit for each eligible student, as determined
and calculated by the New York state higher education services corpo-
ration pursuant to section six hundred eighty-nine-a of this chapter,
shall be applied toward the tuition charged for each semester, quarter
or term of study. Tuition for each semester, quarter or term of study
shall not be due for any student eligible to receive such tuition credit until the tuition credit is calculated and applied against the tuition charged for the corresponding semester, quarter or term. Provided, further that the revenue resulting from an increase in the rate of tuition shall be allocated to each campus pursuant to a plan approved by the board of trustees to support investments in new classroom faculty, instruction, initiatives to improve student success and on-time completion and a tuition credit for each eligible student.

(iv) On or before November thirtieth, two thousand seventeen twenty-one, the trustees shall approve and submit to the chairs of the assembly ways and means committee and the senate finance committee and to the director of the budget a master tuition plan setting forth the tuition rates that the trustees propose for resident undergraduate students for the four year period commencing with the two thousand seventeen--two thousand twenty-two academic year and ending in the two thousand twenty-four--two thousand twenty-five academic year, and shall submit any proposed amendments to such plan by November thirtieth of each subsequent year thereafter through November thirtieth, two thousand twenty-four.

[(iv)] (v) Beginning in state fiscal year two thousand twelve--two thousand thirteen and ending in state fiscal year two thousand fifteen--two thousand sixteen, the state shall appropriate and make available state support for operating expenses, including fringe benefits, for the city university in an amount not less than the amount appropriated and made available in the prior state fiscal year; provided, however, that if the governor declares a fiscal emergency, and communicates such emergency to the temporary president of the senate and speaker of the assembly, state support for operating expenses of the state university and
city university may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply.

(vi) Beginning in state fiscal year two thousand seventeen--two thousand eighteen and ending in state fiscal year two thousand twenty--two thousand twenty-one, the state shall appropriate and make available general fund operating support, including fringe benefits, for the city university in an amount not less than the amount appropriated and made available in the prior state fiscal year; provided, however, that if the governor declares a fiscal emergency, and communicates such emergency to the temporary president of the senate and speaker of the assembly, state support for operating expenses at the state university and city university may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply; provided further, the state shall appropriate and make available general fund support to fully fund the tuition credit pursuant to subdivision two of section six hundred sixty-nine-h of this chapter.

(ii) When a child whose legal custody was transferred to the commissioner of a local social services district in accordance with this section resides in a qualified residential treatment program, as defined in section four hundred nine-h of this chapter, and where such child's initial placement or change in placement in such program commenced on or after September twenty-ninth, two thousand twenty-one, upon receipt of notice required pursuant to subparagraph (i) of this paragraph and motion of the local social services district, the court shall schedule a hearing in accordance with section three hundred ninety-three of this chapter. Notwithstanding any other provision of law to the contrary, such hearing shall occur no later than sixty days from the date the placement of the child in the qualified residential treatment program commenced.

§ 1-a. Section 371 of the social services law is amended by adding a new subdivision 22 to read as follows:
22. "Supervised setting" shall mean a residential placement in the community approved and supervised by an authorized agency or the local social services district in accordance with the regulations of the office of children and family services to provide a transitional experience for older youth in which such youth may live independently. A supervised setting includes, but is not limited to, placement in a supervised independent living program, as defined in subdivision twenty-one of this section.

§ 1-b. Paragraph (c) of subdivision 2 of section 383-a of the social services law, as added by section 5 of part M of chapter 54 of the laws of 2016, is amended to read as follows:

(c) "Child care facility" shall mean an institution, group residence, group home, agency operated boarding home, or supervised setting, including a supervised independent living program.

§ 2. The social services law is amended by adding a new section 393 to read as follows:

§ 393. Court approval of placement in a qualified residential treatment program. 1. The provisions of this section shall apply when a child is placed on or after September twenty-ninth, two thousand twenty-one and resides in a qualified residential treatment program, as defined in section four hundred nine-h of this article, and whose care and custody were transferred to the commissioner of a local social services district in accordance with section three hundred fifty-eight-a of this chapter, or whose custody and guardianship were transferred to the commissioner of a local social services district in accordance with section three hundred eighty-three-c, or three hundred eighty-four-b of this title.
2. (a) Within sixty days of the start of a placement of a child referenced in subdivision one of this section in a qualified residential treatment program, the court shall:

(i) Consider the assessment, determination, and documentation made by the qualified individual pursuant to section four hundred nine-h of this article;

(ii) Determine whether the needs of the child can be met through placement in a foster family home and, if not, whether placement of the child in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment and whether that placement is consistent with the short-term and long-term goals for the child, as specified in the child's permanency plan; and

(iii) Approve or disapprove the placement of the child in a qualified residential treatment program. Provided that, notwithstanding any other provision of law to the contrary, where the qualified individual determines that the placement of the child in a qualified residential treatment program is not appropriate under the standards set in accordance with section four hundred nine-h of this article, the court may only approve the placement of the child in the qualified residential treatment program if:

(A) the court finds, and states in the written order that:

1. extenuating circumstances exist that necessitate the continued placement of the child in the qualified residential treatment program despite the finding of the qualified individual;

2. there is not an alternative setting available that can meet the child's needs in a less restrictive environment; and
(3) that continued placement in the qualified residential program is in the child's best interest despite the finding by the qualified individual that the child's placement in such setting is not appropriate; and

(B) the court's written order states the specific reasons why the court has made the findings required pursuant to clause (A) of this subparagraph.

(iv) If the court approves the placement of the child in a qualified residential treatment program where the qualified individual determines that such placement is not appropriate under the standards set in accordance with section four hundred nine-h of this article, the court shall hold a hearing to review whether the placement in a qualified residential treatment program continues to be in the child's best interest within thirty days of such approval.

(b) Notwithstanding any other provision of law to the contrary, if the existing governing placement order of the court regarding the child would not permit the local social services district to move the child from the qualified residential treatment program as required by section four hundred nine-h of this article, the court shall issue a new order which shall not preclude such child from being placed in a different setting. If the court issues a new placement order, there is a presumption that such order will be for the child to be placed in an available foster family home; however, if in the child's best interest, the court may also issue an order permitting the placement of the child in: (i) an available supervised setting, as such term is defined in section three hundred seventy-one of this title; (ii) if the child has been found to be, or is at risk of becoming, a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of this article, a
setting providing residential care and supportive services for sexually
exploited children; (iii) a setting specializing in providing prenatal,
post-partum, or parenting supports for youth; or (iv) an available
program licensed or certified by the office of children and family
services other than a qualified residential treatment program setting
deeded not appropriate for the child.

3. Documentation of the court's determination pursuant to this section
shall be recorded in the child's case record.

4. To the extent federally allowable, nothing in this section shall
prohibit the court's approval of a placement in a qualified residential
treatment program from occurring at the same time as another hearing
scheduled for such child, including but not limited to the child's
dispositional or permanency hearing, provided such approval is completed
within sixty days of the start of such placement.

§ 2-a. Subparagraph 1 of paragraph (g) of subdivision 6 and subdivi-
sion 10 of section 398 of the social services law, subparagraph 1 of
paragraph (g) of subdivision 6 as amended by chapter 3 of the laws of
2012 and subdivision 10 as amended by chapter 563 of the laws of 1986,
are amended to read as follows:

(1) Place children in its care and custody or its custody and guardi-
anship, in suitable instances, in supervised settings, family homes,
agency boarding homes, group homes or institutions under the proper
safeguards. Such placements can be made either directly, or through an
authorized agency, except that, direct placements in agency boarding
homes or group homes may be made by the social services district only if
the office of children and family services has authorized the district
to operate such homes in accordance with the provisions of section three
hundred seventy-four-b of this [chapter] article and only if suitable
care is not otherwise available through an authorized agency under the control of persons of the same religious faith as the child. Where such district places a child in a supervised setting, agency boarding home, group home or institution, either directly, or through an authorized agency, the district shall certify in writing to the office of children and family services, that such placement was made because it offers the most appropriate and least restrictive level of care for the child, and, is more appropriate than a family foster home placement, or, that such placement is necessary because there are no qualified foster families available within the district who can care for the child. If placements in agency boarding homes, group homes or institutions are the result of a lack of foster parents within a particular district, the office of children and family services shall assist such district to recruit and train foster parents. Placements shall be made only in institutions visited, inspected and supervised in accordance with title three of article seven of this chapter and conducted in conformity with the applicable regulations of the supervising state agency in accordance with title three of article seven of this chapter. With the approval of the office of children and family services, a social services district may place a child in its care and custody or its custody and guardianship in a federally funded job corps program and may receive reimbursement for the approved costs of appropriate program administration and supervision pursuant to a plan developed by the department and approved by the director of the budget.

10. Any provision of this chapter or any other law notwithstanding, where a foster child for whom a social services official has been making foster care payments is in a supervised setting, including a foster child in attendance at a college or university away from his or her
foster family boarding home, group home, agency boarding home or institution, a social services official may make foster payments, [not to exceed the amount which would have been paid to a foster parent on behalf of said child had the child been cared for in a foster family boarding home] at a rate to be developed by the office of children and family services, to such college or university, provider of room and board, or youth, as appropriate, in lieu of payment to the foster parents or authorized agency, for the purpose of room and board, if not otherwise provided.

§ 3. The social services law is amended by adding a new section 409-h to read as follows:

§ 409-h. Assessment of appropriateness of placement in a qualified residential treatment program. 1. Legislative intent. It is the intent of the legislature to promote policies to prevent foster care placements and keep children safely at home with their families and, when that is not possible, to utilize the most effective and appropriate level of care in the least restrictive environment to support the child, as determined through a comprehensive assessment of the child's particular strengths and needs. It is also the intent of the legislature to prioritize home-based foster care settings whenever possible through identification and engagement of kinship resources and increased recruitment and retention of foster homes for children who do not have appropriate kinship resources.

2. (a) No later than thirty days of the start of a placement in a qualified residential treatment program of a child in the care and custody or the custody and guardianship of the commissioner of a local social services district or the office of children and family services that occurs on or after September twenty-ninth, two thousand twenty-one,
a qualified individual shall assess the appropriateness of such placement utilizing an age-appropriate, evidence-based, validated, functional assessment tool approved by the federal government for such purpose. Such assessment shall be in accordance with 42 United States Code sections 672 and 675a and the state's approved title IV-E state plan and shall include, but not be limited to: (i) an assessment of the strengths and needs of the child; and (ii) a determination of the most effective and appropriate level of care for the child in the least restrictive setting, including whether the needs of the child can be met with family members or through placement in a foster family home, or in a setting specified in paragraph (c) of this subdivision, consistent with the short-term and long-term goals for the child as specified in the child's permanency plan. Such assessment shall be completed in conjunction with the family and permanency team established pursuant to paragraph (b) of this subdivision. To the extent federally allowable, the assessment may occur prior to the placement in the qualified residential treatment program.

(b) The family and permanency team shall consist of all appropriate biological family members, relatives, and fictive kin of the child, as well as, as appropriate, professionals who are a resource to the family of the child, including but not limited to, teachers, medical or mental health providers who have treated the child, or clergy. In the case of a child who has attained the age of fourteen, the family and permanency team shall include the members of the permanency planning team for the child in accordance with 42 United States Code section 675 and the state's approved title IV-E state plan.

(c) Where the qualified individual determines that the child may not be placed in a foster family home, the qualified individual must specify
in writing the reasons why the needs of the child cannot be met by the
child's family or in a foster family home and why such a placement is
not the most effective and appropriate level of care for such child.
Such determination shall include whether the needs of the child can be
met through placement in:

(i) An available supervised setting, as such term is defined in
section three hundred seventy-one of this article;
(ii) If the child has been found to be, or is at risk of becoming, a
sexually exploited child as defined in subdivision one of section four
hundred forty-seven-a of this article, a setting providing residential
care and supportive services for sexually exploited children;
(iii) A setting specializing in providing prenatal, post-partum or
parenting supports for youth; or
(iv) A qualified residential treatment program.

3. Where the qualified individual determines that the placement of the
child in a qualified residential treatment program is not appropriate
under the standards set pursuant to subdivision two of this section, the
local social services district or the office of children and family
services with legal custody of the child, to the extent practicable,
shall remove such child from a qualified residential treatment program
within thirty days, and if placement of the child is to continue, place
said child with family members or in an available foster family home;
however, if in the child's best interest, the office of children and
family services or social services district may also place the child in
a setting specified in paragraph (c) of subdivision two of this section
other than a qualified residential treatment program setting deemed not
appropriate for the child.
4. As used in the section, "qualified residential treatment program" means a program that is a non-foster family residential program in accordance with 42 United States Code section 672 and the state's approved title IV-E state plan.

5. As used in this section, "qualified individual" shall mean a trained professional or licensed clinician acting within their scope of practice who shall have current or previous relevant experience in the child welfare field and who does not have a direct role in case management or case planning decision making authority for the child for whom such assessment is being conducted, in accordance with 42 United States Code section 672 and the state's approved title IV-E state plan.

§ 4. The family court act is amended by adding a new section 353.7 to read as follows:

§ 353.7. Placement in qualified residential treatment programs. 1. The provisions of this section shall apply when a respondent is placed on or after September twenty-ninth, two thousand twenty-one and resides in a qualified residential treatment program, as defined in section four hundred nine-h of the social services law, and whose care and custody were transferred to a local social services district or the office of children and family services in accordance with this article.

2. (a) When a respondent is in the care and custody of a local social services district or the office of children and family services pursuant to this article, such social services district or office shall report any anticipated placement of the respondent into a qualified residential treatment program as defined in section four hundred nine-h of the social services law to the court and the attorneys for the parties, including the attorney for the respondent, forthwith, but not later than one business day following either the decision to place the respondent
in the qualified residential treatment program or the actual date the placement change occurred, whichever is sooner. Such notice shall indicate the date that the initial placement or change in placement is anticipated to occur or the date the placement change occurred, as applicable. Provided, however, if such notice lists an anticipated date for the placement change, the local social services district or office shall subsequently notify the court and the attorneys for the parties, including the attorney for the respondent, of the date the placement change occurred, such notice shall occur no later than one business day following the placement change.

(b) When a respondent whose legal custody was transferred to a local social services district or the office of children and family services in accordance with this article resides in a qualified residential treatment program as defined in section four hundred nine-h of the social services law, and where such respondent's initial placement or change in placement in such qualified residential treatment program commenced on or after September twenty-ninth, two thousand twenty-one, upon receipt of notice required pursuant to paragraph (a) of this subdivision and motion of the local social services district or the office of children and family services with legal custody of the respondent, the court shall schedule a hearing in accordance with subdivision three of this section. Notwithstanding any other provision of law to the contrary, such hearing shall occur no later than sixty days from the date the placement of the respondent in the qualified residential treatment program commenced.

3. (a) Within sixty days of the start of a placement of a respondent referenced in subdivision one of this section in a qualified residential treatment program, the court shall:
(i) Consider the assessment, determination, and documentation made by the qualified individual pursuant to section four hundred nine-h of the social services law;

(ii) Determine whether the needs of the respondent can be met through placement in a foster family home and, if not, whether placement of the respondent in a qualified residential treatment program provides the most effective and appropriate level of care for the respondent in the least restrictive environment and whether that placement is consistent with the short-term and long-term goals for the respondent as specified in the respondent's permanency plan; and

(iii) Approve or disapprove the placement of the respondent in a qualified residential treatment program. Provided that, notwithstanding any other provision of law to the contrary, where a qualified individual determines that the placement of the respondent in a qualified residential treatment program is not appropriate under the standards set in accordance with section four hundred nine-h of the social services law, the court may only approve the placement of the respondent in the qualified residential treatment program if:

(A) the court finds, and states in the written order that:

(1) extenuating circumstances exist that necessitate the continued placement of the respondent in the qualified residential treatment program despite the finding of the qualified individual;

(2) there is not an alternative setting available that can meet the respondent's needs in a less restrictive environment; and

(3) that continued placement in the qualified residential treatment program serves the respondent's needs and best interests or the need for protection of the community despite the finding by the qualified indi-
vidual that the respondent's placement in such setting is not appropriate; and

(B) the court's written order states the specific reasons why the court has made the findings required pursuant to clause (A) of this subparagraph.

(iv) If the court approves the placement of the respondent in a qualified residential treatment program where the qualified individual determines that such placement is not appropriate under the standards set in accordance with section four hundred nine-h of the social services law, the court shall hold a hearing to review whether the placement in a qualified residential treatment program continues to be in the respondent's best interest within thirty days of such approval.

(b) Notwithstanding any other provision of law to the contrary, if the existing governing placement order of the court regarding the respondent would not permit the local social services district or the office to move the respondent from the qualified residential treatment program as required by section four hundred nine-h of the social services law, the court shall issue a new order which shall not preclude such respondent from being placed in a different setting. If the court issues a new placement order, there is a presumption that such order will be for the respondent to be placed in an available foster family home; however, if in the respondent's best interest, the court may also issue an order permitting the placement of the respondent in:

(i) An available supervised setting, as such term is defined in section three hundred seventy-one of the social services law;

(ii) If the respondent has been found to be, or is at risk of becoming, a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law, a setting provid-
ing residential care and supportive services for sexually exploited
children;

(iii) A setting specializing in providing prenatal, post-partum, or
parenting supports for youth; or

(iv) An available program licensed or certified by the office of chil-
dren and family services other than a qualified residential treatment
program setting deemed not appropriate for the respondent.

4. Documentation of the court's determination pursuant to this section
shall be recorded in the respondent's case record.

5. To the extent federally allowable, nothing in this section shall
prohibit the court's approval of a placement in a qualified residential
treatment program from occurring at the same time as another hearing
scheduled for such respondent, including but not limited to the respond-
ent's dispositional or permanency hearing, provided such approval is
completed within sixty days of the start of such placement.

§ 5. Section 355.5 of the family court act is amended by adding a new
subdivision 10 to read as follows:

10. Where the respondent remains placed in a qualified residential
treatment program, as defined in section four hundred nine-h of the
social services law, the commissioner of the local social services
district or the office of children and family services with legal custo-
dy of the respondent shall submit evidence at the permanency hearing
with respect to the respondent:

(a) demonstrating that ongoing assessment of the strengths and needs
of the respondent cannot be met through placement in a foster family
home, that the placement in a qualified residential treatment program
provides the most effective and appropriate level of care for the
respondent in the least restrictive environment, and that the placement
is consistent with the short-term and long-term goals for the respondent, as specified in the respondent's permanency plan;

(b) documenting the specific treatment and service needs that will be met for the respondent in the placement and the length of time the respondent is expected to need the treatment or services; and

(c) documenting the efforts made by the local social services district or the office of children and family services with legal custody of the respondent to prepare the respondent to return home, or to be placed with a fit and willing relative, legal guardian or adoptive parent, or in a foster family home.

§ 6. Section 756-a of the family court act is amended by adding a new subdivision (h) to read as follows:

(h) Where the respondent remains placed in a qualified residential treatment program, as defined in section four hundred nine-h of the social services law, the commissioner of the local social services district with legal custody of the respondent shall submit evidence at the permanency hearing with respect to the respondent:

(i) demonstrating that ongoing assessment of the strengths and needs of the respondent continues to support the determination that the needs of the respondent cannot be met through placement in a foster family home, that the placement in a qualified residential treatment program provides the most effective and appropriate level of care for the respondent in the least restrictive environment, and that the placement is consistent with the short-term and long-term goals of the respondent, as specified in the respondent's permanency plan;

(ii) documenting the specific treatment or service needs that will be met for the respondent in the placement and the length of time the respondent is expected to need the treatment or services; and
(iii) documenting the efforts made by the local social services
district with legal custody of the respondent to prepare the respondent
to return home, or to be placed with a fit and willing relative, legal
guardian or adoptive parent, or in a foster family home.

§ 7. The family court act is amended by adding a new section 756-b to
read as follows:

§ 756-b. Court approval of placement in a qualified residential treat-
ment program. 1. The provisions of this section shall apply when a
respondent is placed on or after September twenty-ninth, two thousand
twenty-one and resides in a qualified residential treatment program, as
defined in section four hundred nine-h of the social services law, and
whose care and custody were transferred to a local social services
district in accordance with this part.

2. (a) When a respondent is in the care and custody of a local social
services district pursuant to this part, such social services district
shall report any anticipated placement of the respondent into a quali-
fied residential treatment program, as defined in section four hundred
nine-h of the social services law, to the court and the attorneys for
the parties, including the attorney for the respondent, forthwith, but
not later than one business day following either the decision to place
the respondent in the qualified residential treatment program or the
actual date the placement change occurred, whichever is sooner. Such
notice shall indicate the date that the initial placement or change in
placement is anticipated to occur or the date the placement change
occurred, as applicable. Provided, however, if such notice lists an
anticipated date for the placement change, the local social services
district shall subsequently notify the court and the attorneys for the
parties, including the attorney for the respondent, of the date the
placement change occurred; such notice shall occur no later than one business day following the placement change.

(b) When a respondent whose legal custody was transferred to a local social services district in accordance with this part resides in a qualified residential treatment program, as defined in section four hundred nine-h of the social services law, and where such respondent's initial placement or change in placement in such qualified residential treatment program commenced on or after September twenty-ninth, two thousand twenty-one, upon receipt of notice required pursuant to paragraph (a) of this subdivision and motion of the local social services district, the court shall schedule a hearing in accordance with subdivision three of this section. Notwithstanding any other provision of law to the contrary, such hearing shall occur no later than sixty days from the date the placement of the respondent in the qualified residential treatment program commenced.

3. (a) Within sixty days of the start of a placement of a respondent referenced in subdivision one of this section in a qualified residential treatment program, the court shall:

   (i) Consider the assessment, determination and documentation made by the qualified individual pursuant to section four hundred nine-h of the social services law;

   (ii) Determine whether the needs of the respondent can be met through placement in a foster family home and, if not, whether placement of the respondent in a qualified residential treatment program provides the most effective and appropriate level of care for the respondent in the least restrictive environment and whether that placement is consistent with the short-term and long-term goals for the respondent as specified in the respondent's permanency plan; and
(iii) Approve or disapprove the placement of the respondent in a qualified residential treatment program. Provided that, notwithstanding any other provision of law to the contrary, where the qualified individual determines that the placement of the respondent in a qualified residential treatment program is not appropriate under the standards set in accordance with section four hundred nine-h of the social services law, the court may only approve the placement of the respondent in the qualified residential treatment program if:

(A) the court finds, and states in the written order that:

(1) extenuating circumstances exist that necessitate the continued placement of the respondent in the qualified residential treatment program despite the finding of the qualified individual;

(2) there is not an alternative setting available that can meet the respondent's needs in a less restrictive environment; and

(3) that it would be contrary to the welfare of the respondent to be placed in a less restrictive setting and that continued placement in the qualified residential program is in the respondent's best interest despite the finding by the qualified individual that the respondent's placement in such setting is not appropriate; and

(B) the court's written order states the specific reasons why the court has made the findings required pursuant to clause (A) of this subparagraph.

(iv) If the court approves the placement of the respondent in a qualified residential treatment program where the qualified individual determines that such placement is not appropriate under the standards set in accordance with section four hundred nine-h of the social services law, the court shall hold a hearing to review whether the placement in a
qualified residential treatment program continues to be in the respondent's best interest within thirty days of such approval.

(b) Notwithstanding any other provision of law to the contrary, if the existing governing placement order of the court regarding the respondent would not permit the local social services district to move the respondent from the qualified residential treatment program as required by section four hundred nine-h of the social services law, the court shall issue a new order which shall not preclude such respondent from being placed in a different setting. If the court issues a new placement order, there is a presumption that such order will be for the respondent to be placed in an available foster family home; however, if in the respondent's best interest, the court may also issue an order permitting the placement of the respondent in:

(i) An available supervised setting, as such term is defined in section three hundred seventy-one of the social services law;

(ii) If the respondent has been found to be, or is at risk of becoming, a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law, a setting providing residential care and supportive services for sexually exploited children;

(iii) A setting specializing in providing prenatal, post-partum, or parenting supports for youth; or

(iv) An available program licensed or certified by the office of children and family services other than a qualified residential treatment program setting deemed not appropriate for the respondent.

4. Documentation of the court's determination pursuant to this section shall be recorded in the respondent's case record.
5. To the extent federally allowable, nothing in this section shall prohibit the court's approval of a placement in a qualified residential treatment program from occurring at the same time as another hearing scheduled for such respondent, including but not limited to the respondent's dispositional or permanency hearing, provided such approval is completed within sixty days of the start of such placement.

§ 8. The opening paragraph of subdivision 5 of section 1017 of the family court act is designated paragraph (a) and a new paragraph (b) is added to read as follows:

(b) When a child whose legal custody was transferred to the commissioner of a local social services district in accordance with this section resides in a qualified residential treatment program, as defined in section four hundred nine-h of the social services law, and where such child's initial placement or change in placement in such program commenced on or after September twenty-ninth, two thousand twenty-one, upon receipt of notice required pursuant to paragraph (a) of this subdivision and motion of the local social services district, the court shall schedule a hearing in accordance with section one thousand fifty-five-c of this article. Notwithstanding any other provision of law to the contrary, such hearing shall occur no later than sixty days from the date the placement of the child in the qualified residential treatment program commenced.

§ 9. The opening paragraph of subdivision (j) of section 1055 of the family court act is designated paragraph (i) and a new paragraph (ii) is added to read as follows:

(ii) When a child whose legal custody was transferred to the commissioner of a local social services district in accordance with this section resides in a qualified residential treatment program, as defined
in section four hundred nine-h of the social services law, and where such child's initial placement or change in placement in such program commenced on or after September twenty-ninth, two thousand twenty-one, upon receipt of notice required pursuant to paragraph (i) of this subdivision and motion of the local social services district, the court shall schedule a hearing in accordance with section one thousand fifty-five-c of this part. Notwithstanding any other provision of law to the contrary, such hearing shall occur no later than sixty days from the date the placement of the child in the qualified residential treatment program commenced.

§ 10. The family court act is amended by adding a new section 1055-c to read as follows:

§ 1055-c. Court approval of placement in a qualified residential treatment program. 1. The provisions of this section shall apply when a child is placed on or after September twenty-ninth, two thousand twenty-one and resides in a qualified residential treatment program, as defined in section four hundred nine-h of the social services law, and whose care and custody were transferred to the commissioner of a local social services district in accordance with this article.

2. Within sixty days of the start of a placement of a child referenced in subdivision one of this section in a qualified residential treatment program, the court shall:

(a) Consider the assessment, determination, and documentation made by the qualified individual pursuant to section four hundred nine-h of the social services law;

(b) Determine whether the needs of the child can be met through placement in a foster family home and, if not, whether placement of the child in a qualified residential treatment program provides the most effective
and appropriate level of care for the child in the least restrictive environment and whether that placement is consistent with the short-term and long-term goals for the child, as specified in the child's permanency plan; and

(c) Approve or disapprove the placement of the child in a qualified residential treatment program. Provided that, notwithstanding any other provision of law to the contrary, where the qualified individual determines that the placement of the child in a qualified residential treatment program is not appropriate under the standards set in accordance with section four hundred nine-h of the social service law, the court may only approve the placement of the child in the qualified residential treatment program if:

(i) the court finds, and states in the written order that:

(A) extenuating circumstances exist that necessitate the continued placement of the child in the qualified residential treatment program despite the finding of the qualified individual;

(B) there is not an alternative setting available that can meet the child's needs in a less restrictive environment; and

(C) that continued placement in the qualified residential treatment program is in the child's best interest despite the finding by the qualified individual that the child's placement in such setting is not appropriate; and

(ii) the court's written order states the specific reasons why the court has made the findings required pursuant to subparagraph (i) of this paragraph.

(d) If the court approves the placement of the child in a qualified residential treatment program where the qualified individual determines that such placement is not appropriate under the standards set in
accordance with section four hundred nine-h of the social services law,

the court shall hold a hearing to review whether the placement in a qualified residential treatment program continues to be in the child's best interest within thirty days of such approval.

3. Notwithstanding any other provision of law to the contrary, if the existing governing placement order of the court regarding the child would not permit the local social services district to move the child from the qualified residential treatment program as required by section four hundred nine-h of the social services law, the court shall issue a new order which shall not preclude such child from being placed in a different setting. If the court issues a new placement order, there is a presumption that such order will be for the child to be placed in an available foster family home; however, if in the child's best interest, the court may also issue an order permitting the placement of the child in:

(i) An available supervised setting, as such term is defined in section three hundred seventy-one of the social services law;

(ii) If the child has been found to be, or is at risk of becoming, a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law, a setting providing residential care and supportive services for sexually exploited children;

(iii) A setting specializing in providing prenatal, post-partum, or parenting supports for youth; or

(iv) An available program licensed or certified by the office of children and family services other than a qualified residential treatment program setting deemed not appropriate for the child.
4. Documentation of the court's determination pursuant to this section shall be recorded in the child's case record.

5. To the extent federally allowable, nothing in this section shall prohibit the court's approval of a placement in a qualified residential treatment program from occurring at the same time as another hearing scheduled for such child, including but not limited to the child's dispositional or permanency hearing, provided such approval is completed within sixty days of the start of such placement.

§ 11. Clause (C) of subparagraph (ix) of paragraph 5 of subdivision (c) of section 1089 of the family court act, as added by section 27 of part A of chapter 3 of the laws of 2005, is amended, and a new paragraph 6 is added to read as follows:

(C) if the child is over age fourteen and has voluntarily withheld his or her consent to an adoption, the facts and circumstances regarding the child's decision to withhold consent and the reasons therefor; and

(6) Where the child remains placed in a qualified residential treatment program, as defined in section four hundred nine-h of the social services law, the commissioner of the social services district with legal custody of the child shall submit evidence at the permanency hearing with respect to the child:

(i) demonstrating that ongoing assessment of the strengths and needs of the child continues to support the determination that the needs of the child cannot be met through placement in a foster family home, that the placement in a qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment, and that the placement is consistent with the short-term and long-term goals for the child, as specified in the child's permanency plan;
(ii) documenting the specific treatment or service needs that will be met for the child in the placement and the length of time the child is expected to need the treatment or services; and

(iii) documenting the efforts made by the local social services district to prepare the child to return home, or to be placed with a fit and willing relative, legal guardian or adoptive parent, or in a foster family home.

§ 12. The opening paragraph of clause (H) of subparagraph (vii) of paragraph 2 of subdivision (d) of section 1089 of the family court act is designated item (I) and a new item (II) is added to read as follows:

(II) When a child whose legal custody was transferred to the commissioner of a local social services district in accordance with this section resides in a qualified residential treatment program as defined in section four hundred nine-h of the social services law and where such child's initial placement or change in placement in such program commenced on or after September twenty-ninth, two thousand twenty-one, upon receipt of notice required pursuant to item (I) of this clause and motion of the local social services district, the court shall schedule a hearing in accordance with section three hundred ninety-three of the social services law or section one thousand fifty-five-c, one thousand ninety-one-a or one thousand ninety-seven of this chapter. Notwithstanding any other provision of law to the contrary, such hearing shall occur no later than sixty days from the date the placement of the child in the qualified residential treatment program commenced.

§ 13. The family court act is amended by adding a new section 1091-a to read as follows:

§ 1091-a. Court approval of placement in a qualified residential treatment program. 1. The provisions of this section shall apply when a
former foster care youth is placed on or after September twenty-ninth, two thousand twenty-one, and resides in a qualified residential treatment program, as defined in section four hundred nine-h of the social services law, and whose care and custody were transferred to a local social services district or the office of children and family services in accordance with this article.

2. (a) When a former foster care youth is in the care and custody of a local social services district or the office of children and family services pursuant to this article, such social services district or office shall report any anticipated placement of the former foster care youth into a qualified residential treatment program, as defined in section four hundred nine-h of the social services law, to the court and the attorneys for the parties, including the attorney for the former foster care youth, forthwith, but not later than one business day following either the decision to place the former foster care youth in the qualified residential treatment program or the actual date the placement change occurred, whichever is sooner. Such notice shall indicate the date that the initial placement or change in placement is anticipated to occur or the date the placement change occurred, as applicable. Provided, however, if such notice lists an anticipated date for the placement change, the local social services district or office shall subsequently notify the court and attorneys for the parties, including the attorney for the former foster care youth, of the date the placement change occurred; such notice shall occur no later than one business day following the placement change.

(b) When a former foster care youth whose legal custody was transferred to a local social services district or the office of children and family services in accordance with this article resides in a qualified
residential treatment program, as defined in section four hundred nine-h of the social services law, and where such former foster care youth's initial placement or change in placement in such qualified residential treatment program commenced on or after September twenty-ninth, two thousand twenty-one, upon receipt of notice required pursuant to paragraph (a) of this subdivision and motion of the local social services district, the court shall schedule a hearing in accordance with subdivision three of this section. Notwithstanding any other provision of law to the contrary, such hearing shall occur no later than sixty days from the date the placement of the former foster care youth in the qualified residential treatment program commenced.

3. Within sixty days of the start of a placement of a former foster care youth referenced in subdivision one of this section in a qualified residential treatment program, the court shall:

   (a) Consider the assessment, determination, and documentation made by the qualified individual pursuant to section four hundred nine-h of the social services law;
   
   (b) Determine whether the needs of the former foster care youth can be met through placement in a foster family home and, if not, whether placement of the former foster care youth in a qualified residential treatment program provides the most effective and appropriate level of care for the former foster care youth in the least restrictive environment and whether that placement is consistent with the short-term and long-term goals for the former foster care youth, as specified in the former foster care youth's permanency plan; and
   
   (c) Approve or disapprove the placement of the former foster care youth in qualified residential treatment program. Provided that, notwithstanding any other provision of law to the contrary, where the
qualified individual determines that the placement of the former foster care youth in a qualified residential treatment program is not appropriate under the standards set in accordance with section four hundred nine-h of the social services law, the court may only approve the placement of the former foster care youth in the qualified residential treatment program if:

(i) the court finds, and states in the written order that:

(A) extenuating circumstances exist that necessitate the continued placement of the former foster care youth in the qualified residential treatment program despite the finding of the qualified individual;

(B) there is not an alternative setting available that can meet the former foster care youth's needs in a less restrictive environment; and

(C) that continued placement in the qualified residential treatment program is in the former foster care youth's best interest despite the finding by the qualified individual that the former foster care youth's placement in such setting is not appropriate; and

(ii) the court's written order states the specific reasons why the court has made the findings required pursuant to subparagraph (i) of this paragraph.

(d) If the court approves the placement of the former foster care youth in a qualified residential treatment program where the qualified individual determines that such placement is not appropriate under the standards set in accordance with section four hundred nine-h of the social services law, the court shall hold a hearing to review whether the placement in a qualified residential treatment program continues to be in the former foster care youth's best interest within thirty days of such approval.
4. Notwithstanding any other provision of law to the contrary, if the existing governing placement order of the court regarding the former foster care youth would not permit the local social services district or the office to move the former foster care youth from the qualified residential treatment program as required by section four hundred nine-h of the social services law, the court shall issue a new order which shall not preclude such former foster care youth from being placed in a different setting. If the court issues a new placement order, there is a presumption that such order will be for the former foster care youth to be placed in an available foster family home; however, if in the former foster care youth's best interest, the court may also issue an order permitting the placement of the former foster care youth in:

(a) An available supervised setting, as such term is defined in section three hundred seventy-one of the social services law;

(b) If the former foster care youth has been found to be, or is at risk of becoming, a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law, a setting providing residential care and supportive services for sexually exploited children;

(c) A setting specializing in providing prenatal, post-partum, or parenting supports for youth; or

(d) An available program licensed or certified by the office of children and family services other than a qualified residential treatment program setting deemed not appropriate for the former foster care youth.

5. Documentation of the court's determination pursuant to this section shall be recorded in the former foster care youth's case record.

6. To the extent federally allowable, nothing in this section shall prohibit the court's approval of a placement in a qualified residential
treatment program from occurring at the same time as another hearing
scheduled for such former foster care youth, including but not limited
to the former foster care youth's dispositional or permanency hearing,
provided such approval is completed within sixty days of the start of
such placement.

§ 14. The family court act is amended by adding a new section 1097 to
read as follows:

§ 1097. Court approval of placement in a qualified residential treat-
ment program. 1. The provisions of this section shall apply when a child
is placed on or after September twenty-ninth, two thousand twenty-one,
and resides in a qualified residential treatment program, as defined in
section four hundred nine-h of the social services law, and whose care
and custody were transferred to a local social services district in
accordance with this article.

2. (a) When a child is in the care and custody of a local social
services district pursuant to this article, such social services
district shall report any anticipated placement of the child into a
qualified residential treatment program, as defined in section four
hundred nine-h of the social services law, to the court and the attor-
neys for the parties, including the attorney for the child, forthwith,
but not later than one business day following either the decision to
place the child in the qualified residential treatment program or the
actual date the placement change occurred, whichever is sooner. Such
notice shall indicate the date that the initial placement or change in
placement is anticipated to occur or the date the placement change
occurred, as applicable. Provided, however, if such notice lists an
anticipated date for the placement change, the local social services
district shall subsequently notify the court and attorneys for the
parties, including the attorney for the child, of the date the placement
change occurred, such notice shall occur no later than one business day
following the placement change.

(b) When a child whose legal custody was transferred to a local social
services district in accordance with this article resides in a qualified
residential treatment program, as defined in section four hundred nine-h
of the social services law, and where such child's initial placement or
change in placement in such qualified residential treatment program
commenced on or after September twenty-ninth, two thousand twenty-one,
upon receipt of notice required pursuant to paragraph (a) of this subdi-
vision and motion of the local social services district, the court shall
schedule a hearing in accordance with subdivision three of this section.
Notwithstanding any other provision of law to the contrary, such hearing
shall occur no later than sixty days from the date the placement of the
child in the qualified residential treatment program commenced.

3. Within sixty days of the start of a placement of a child referenced
in subdivision one of this section in a qualified residential treatment
program, the court shall:

(a) Consider the assessment, determination, and documentation made by
the qualified individual pursuant to section four hundred nine-h of the
social services law;

(b) Determine whether the needs of the child can be met through place-
ment in a foster family home and, if not, whether placement of the child
in a qualified residential treatment program provides the most effective
and appropriate level of care for the child in the least restrictive
environment and whether that placement is consistent with the short-term
and long-term goals for the child, as specified in the child's permanen-
cy plan; and
(c) Approve or disapprove the placement of the child in the qualified residential treatment program. Provided that, notwithstanding any other provision of law to the contrary, where the qualified individual determines that the placement of the child in a qualified residential treatment program is not appropriate under the standards set in accordance with section four hundred nine-h of the social services law, the court may only approve the placement of the child in the qualified residential treatment program if:

(i) the court finds, and states in the written order that:

(A) extenuating circumstances exist that necessitate the continued placement of the child in the qualified residential treatment program despite the finding of the qualified individual;

(B) there is not an alternative setting available that can meet the child's needs in a less restrictive environment; and

(C) that continued placement in the qualified residential treatment program is in the child's best interest despite the finding by the qualified individual that the child's placement in such setting is not appropriate; and

(ii) the court's written order states the specific reasons why the court has made the findings required pursuant to subparagraph (i) of this paragraph.

(d) If the court approves the placement of the child in a qualified residential treatment program where the qualified individual determines that such placement is not appropriate under the standards set in accordance with section four hundred nine-h of the social services law, the court shall hold a hearing to review whether the placement in a qualified residential treatment program continues to be in the child's best interest within thirty days of such approval.
4. Notwithstanding any other provision of law to the contrary, if the 
existing governing placement order of the court regarding the child 
would not permit the local social services district to move the child 
from the qualified residential treatment program as required by section 
four hundred nine-h of the social services law, the court shall issue a 
new order which shall not preclude such child from being placed in a 
different setting. If the court issues a new placement order, there is 
a presumption that such order will be for the child to be placed in an 
available foster family home; however, if in the child's best interest, 
the court may also issue an order permitting the placement of the child 
in:

(a) An available supervised setting, as such term is defined in 
section three hundred seventy-one of the social services law;

(b) If the child has been found to be, or is at risk of becoming, a 
sexually exploited child as defined in subdivision one of section four 
hundred forty-seven-a of the social services law, a setting providing 
residential care and supportive services for sexually exploited chil-
dren;

(c) A setting specializing in providing prenatal, post-partum, or 
parenting supports for youth; or

(d) An available program licensed or certified by the office of chil-
dren and family services other than a qualified residential treatment 
program setting deemed not appropriate for the child.

5. Documentation of the court's determination pursuant to this section 
shall be recorded in the child's case record.

6. To the extent federally allowable, nothing in this section shall 
prohibit the court's approval of a placement in a qualified residential 
treatment program from occurring at the same time as another hearing
scheduled for such child, including but not limited to the child's dispositional or permanency hearing, provided such approval is completed within sixty days of the start of such placement.

§ 15. The office of court administration and the office of children and family services shall work collaboratively to analyze data regarding the placement of children pursuant to proceedings held under section 393 of the social services law or sections 353.7, 756-b, 1055-c, 1091-a, and 1097 of the family court act in order to identify trends and address any disparities between placement orders issued by the courts and the legislative intent outlined in subdivision one of section 409-h of the social services law. Such analysis shall include, but not be limited to, a review of the number of times a judge approves the continuation of placement in a qualified residential treatment program where the qualified individual determines that the placement of the child in such qualified residential treatment program is not appropriate in accordance with section 409-h of the social services law and the specified reasons for the determinations as required by: clause (B) of subparagraph (iii) of paragraph (a) of subdivision 2 of section 393 of the social services law; or the following provisions of the family court act: clause (B) of subparagraph (iii) of paragraph (a) of subdivision 3 of section 353.7; clause (B) of subparagraph (iii) of paragraph (a) of subdivision 3 of section 756-b; subparagraph (ii) of paragraph (c) of subdivision two of section 1055-c; subparagraph (ii) of paragraph (c) of subdivision 3 of section 1091-a; and subparagraph (ii) of paragraph (c) of subdivision 3 of section 1097.

§ 16. Severability. If any clause, sentence, paragraph, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid and after exhaustion of all further judicial review,
the judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part of this act directly involved in the controversy in which the judgment shall have been rendered.

§ 17. This act shall take effect September 29, 2021; provided, however, that:

(a) (i) notwithstanding any other provision of law, provisions in this act shall not take effect unless and until the state title IV-E agency submits to the United States Department of Health and Human Services, Administration for Children, Youth and Families, an amendment to the title IV-E state plan and the United States Department of Health and Human Services, Administration for Children, Youth and Families approves said title IV-E state plan amendment regarding when a child is placed in a qualified residential treatment program in relation to the following components: (1) the qualified individual and the establishment of the assessment by the qualified individual to be completed prior to or within 30-days of the child's placement as established by section three of this act; (2) the 60 day court reviews, including the ability to conduct at the same time as another hearing scheduled for the child, as established by sections one, two, four, seven, eight, nine, ten, twelve, thirteen and fourteen of this act; and (3) permanency hearing requirements as established by sections five, six and eleven of this act;

(ii) provided however, that if the United States Department of Health and Human Services, Administration for Children, Youth and Families fails to approve or disapproves any of the components listed in paragraph (i) of this subdivision, such action shall not impact the effective date for the remaining components listed therein;
(b) the office of children and family services shall inform the legislative bill drafting commission upon the occurrence of the submission set forth in subdivision (a) of this section and any approval related thereto in order that the commission may maintain an effective and timely database of the official texts of the state of laws of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law;

(c) for the purposes of this act, the term "placement" shall refer only to placements made on or after the effective date of the Title IV-E state plan to establish the 30-day assessment, 60-day court review and permanency hearing requirements set forth in this act that occur on or after its effective date; and

(d) the office of children and family services and the office of court administration are hereby authorized to promulgate such rules and regulations on an emergency basis as may be necessary to implement the provisions of this act on or before such effective date.

[Any] Each social services district [may] shall, upon the authorization of the office of children and family services, establish a program that implements differential responses to reports of child abuse and maltreatment. Such programs shall create a family assessment and services track as an alternative means of addressing certain matters otherwise investigated as allegations of child abuse or maltreatment
pursuant to this title. Notwithstanding any other provision of law to the contrary, the provisions of this section shall apply only to those cases involving allegations of [abuse or] maltreatment in family settings expressly included in the family assessment and services track of the authorized differential response program[, and only in those social services districts authorized by the office of children and family services to implement a differential response program]. 41. The term "citizenship or immigration status" means the citizenship of any person or the immigration status of any person who is not a citizen of the United States. 5 chapters 8 and 176 of the laws of 2019, paragraphs (b), (c) and (d) as
6 amended by chapter 8 of the laws of 2019 and paragraph (h) as amended by
7 chapter 161 of the laws of 2019, is amended to read as follows:
8 1. It shall be an unlawful discriminatory practice:
9 (a) For an employer or licensing agency, because of an individual's
10 age, race, creed, color, national origin, citizenship or immigration
11 status, sexual orientation, gender identity or expression, military
12 status, sex, disability, predisposing genetic characteristics, familial
13 status, marital status, or status as a victim of domestic violence, to
14 refuse to hire or employ or to bar or to discharge from employment such
15 individual or to discriminate against such individual in compensation or
16 in terms, conditions or privileges of employment.
17 (b) For an employment agency to discriminate against any individual
18 because of age, race, creed, color, national origin, citizenship or
19 immigration status, sexual orientation, gender identity or expression,
20 military status, sex, disability, predisposing genetic characteristics,
21 familial status, or marital status, in receiving, classifying, disposing
22 or otherwise acting upon applications for its services or in referring
23 an applicant or applicants to an employer or employers.
24 (c) For a labor organization, because of the age, race, creed, color,
25 national origin, citizenship or immigration status, sexual orientation,
26 gender identity or expression, military status, sex, disability, predis-
27 posing genetic characteristics, familial status, or marital status of
28 any individual, to exclude or to expel from its membership such individ-
ual or to discriminate in any way against any of its members or against any employer or any individual employed by an employer.

(d) For any employer or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment or to make any inquiry in connection with prospective employment, which expresses directly or indirectly, any limitation, specification or discrimination as to age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, or marital status, or any intent to make any such limitation, specification or discrimination, unless based upon a bona fide occupational qualification; provided, however, that neither this paragraph nor any provision of this chapter or other law shall be construed to prohibit the department of civil service or the department of personnel of any city containing more than one county from requesting information from applicants for civil service examinations concerning any of the aforementioned characteristics, other than sexual orientation, for the purpose of conducting studies to identify and resolve possible problems in recruitment and testing of members of minority groups to insure the fairest possible and equal opportunities for employment in the civil service for all persons, regardless of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation or gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, or marital status.

(e) For any employer, labor organization or employment agency to discharge, expel or otherwise discriminate against any person because he or she has opposed any practices forbidden under this article or because

Such harassment is an unlawful discriminatory practice when it subjects an individual to inferior terms, conditions or privileges of employment because of the individual's membership in one or more of these protected categories. The fact that such individual did not make a complaint about the harassment to such employer, licensing agency, employment agency or labor organization shall not be determinative of whether such employer, licensing agency, employment agency or labor organization shall be liable. Nothing in this section shall imply that an employee must demonstrate the existence of an indi-
vidual to whom the employee's treatment must be compared. It shall be an affirmative defense to liability under this subdivision that the harassing conduct does not rise above the level of what a reasonable victim of discrimination with the same protected characteristic or characteristics would consider petty slights or trivial inconveniences.

reference to such factors as current income, assets and prior credit
history of such applicants, as well as reference to any other relevant
factually supportable data; provided, however, that no creditor shall

include any holiday or vacation pay payable with respect to any such

to the benefits paid for seven weeks of total unemployment as otherwise provided by this section. Under such circumstances, benefits paid shall be charged to the general account. In addition, wages paid during the base period by such educational institutions, or for services in such educational institutions for claimants employed by an educational service agency shall not be considered base period wages during periods that such wages may not be used to gain entitlement to benefits pursuant to subdivision ten of section five hundred ninety of this article.

(iv) In those instances where a combined wage claim is filed pursuant to interstate reciprocal agreements and the claimant's last employer prior to the filing of the claim is an out-of-state employer and such employer is not a base-period employer, benefit payments [equaling the first twenty-eight effective days of benefits] in an amount equal to the benefits paid for seven weeks of total unemployment as otherwise prescribed by this section shall be charged to the general account. In those instances where the out-of-state employer is the last employer prior to the filing of the claim for benefits and a base-period employer such employer shall be liable for charges for all benefits paid on such
claim in the same proportion that the remuneration paid by such employer
during the base period bears to the remuneration paid by all employers
during the base period. In addition, benefit payment charges [for the
twenty-eight effective days of benefits] in an amount equal to the bene-
fits paid for seven weeks of total unemployment other than those charge-
able to the out-of-state employer as prescribed above shall be made to
the general account.

for an amount equal to the difference between the claimant's weekly

in his usual employment or in any other for which he is reasonably
fitted by training and experience]. A claimant who is receiving benefits
under this article shall not be denied such benefits pursuant to this

The commissioner shall promulgate regulations defining systematic and sustained efforts to find work and setting standards for the proof of work search efforts. Such regulations shall take into account the need for claimants to provide child care for their child or children, and the regulations shall ensure that such claimants are able to satisfy the standards for proof of work search efforts. The commissioner shall promulgate regulations defining a claimant's eligibility for benefits when such claimant is not capable of work or not ready, willing and able to work in his or her usual employment or in any other which he or she is reasonably fitted by training and experience.

§ 10. Subdivision 2 of section 592 of the labor law, as amended by chapter 415 of the laws of 1983, is amended to read as follows:

No [days of total unemployment shall be deemed to occur] benefits shall be payable in any week [with respect to which] or [a] part [of] thereof, in which a claimant has received or is seeking unemployment benefits under an unemployment compensation law of any other state or of the United States, provided that this provision shall not apply if the appropriate agency of such other state or of the United States finally determines that [he] the claimant is not entitled to such unemployment benefits.

§ 11. Paragraph (a) of subdivision 1, the opening paragraph of subdivision 2 and subdivisions 3 and 4 of section 593 of the labor law, para-
graph (a) of subdivision 1, the opening paragraph of subdivision 2 and subdivision 3 as amended by section 15 of part 0 of chapter 57 of the laws of 2013 and subdivision 4 as amended by chapter 589 of the laws of 1998, are amended to read as follows:

(a) No [days of total unemployment shall be deemed to occur] benefits shall be payable for any week of unemployment that occurs after a claimant's voluntary separation without good cause from employment until he or she has subsequently worked in employment and earned remuneration at least equal to ten times his or her weekly benefit rate. In addition to other circumstances that may be found to constitute good cause, including a compelling family reason as set forth in paragraph (b) of this subdivision, voluntary separation from employment shall not in itself disqualify a claimant if circumstances have developed in the course of such employment that would have justified the claimant in refusing such employment in the first instance under the terms of subdivision two of this section or if the claimant, pursuant to an option provided under a collective bargaining agreement or written employer plan which permits waiver of his or her right to retain the employment when there is a temporary layoff because of lack of work, has elected to be separated for a temporary period and the employer has consented thereto.

No [days of total unemployment shall be deemed to occur] benefits shall be payable for any week of unemployment beginning with the day on which a claimant, without good cause, refuses to accept an offer of employment for which he or she is reasonably fitted by training and experience, including employment not subject to this article, until he or she has subsequently worked in employment and earned remuneration at least equal to ten times his or her weekly benefit rate. Except that claimants who are not subject to a recall date or who do not obtain
employment through a union hiring hall and who are still unemployed after receiving ten weeks of benefits shall be required to accept any employment proffered that such claimants are capable of performing, provided that such employment would result in a wage not less than eighty percent of such claimant's high calendar quarter wages received in the base period and not substantially less than the prevailing wage for similar work in the locality as provided for in paragraph (d) of this subdivision. No refusal to accept employment shall be deemed without good cause nor shall it disqualify any claimant otherwise eligible to receive benefits if:

3. Misconduct. No [days of total unemployment shall be deemed to occur] benefits shall be payable for any week of unemployment that occurs after a claimant lost employment through misconduct in connection with his or her employment until he or she has subsequently worked in employment and earned remuneration at least equal to ten times his or her weekly benefit rate.

4. Criminal acts. No [days of total unemployment shall be deemed to occur during] benefits shall be payable for any week of unemployment for a period of twelve months after a claimant loses employment as a result of an act constituting a felony in connection with such employment, provided the claimant is duly convicted thereof or has signed a statement admitting that he or she has committed such an act. Determinations regarding a benefit claim may be reviewed at any time. Any benefits paid to a claimant prior to a determination that the claimant has lost employment as a result of such act shall not be considered to have been accepted by the claimant in good faith. In addition, remuneration paid to the claimant by the affected employer prior to the claimant's loss of employment due to such criminal act may not be utilized for the purpose
of establishing entitlement to a subsequent, valid original claim. The provisions of this subdivision shall apply even if the employment lost as a result of such act is not the claimant's last employment prior to the filing of his or her claim.

§ 12. Subdivisions 1 and 2 of section 594 of the labor law, as amended by section 16 of part O of chapter 57 of the laws of 2013, are amended to read as follows:

(1) A claimant who has wilfully made a false statement or representation to obtain any benefit under the provisions of this article shall forfeit benefits for at least the first [four] week of unemployment but not more than the first [eighty effective days] twenty weeks of unemployment following discovery of such offense for which he or she otherwise would have been entitled to receive benefits. Such penalty shall apply only once with respect to each such offense.

(2) For the purpose of subdivision four of section five hundred ninety of this article, the claimant shall be deemed to have received benefits for such forfeited [effective days] weeks of unemployment.

16. Bureaus of special hearings; child support unit. (a) The department is authorized to establish a bureau of special hearings; child support unit solely for the purposes of providing administrative law judges to decide objections to the determination of a support collection unit to refer an obligor's arrears to the department of taxation and finance for collection pursuant to subdivision [nineteen] thirteen of section one hundred eleven-h of this title. The administrative law judges employed by the unit shall serve exclusively within the unit and shall not be utilized for any purpose other than those described in this subdivision and shall be salaried employees of the department and shall not be removed from such unit except for cause.

Specific written objections to a support collection unit's denial must be submitted by the support obligor to the unit within thirty days of the date of the notice of the support collection unit's denial. rebuttal. The unit's review shall be based solely upon the record and
submissions of the support obligor and the support collection unit upon
which the support collection unit's denial was made. Within fifteen days
after the rebuttal, if any, is filed, an administrative law judge of the
unit shall (i) deny the objections and remand to the support collection
unit or (ii) affirm the objections if the administrative law judge finds
the determination of the support collection unit is based upon an erro-

prejudicial error in the calculation of the obligor's arrears, the
obligor's financial exemption from collection of support arrears by the
department of taxation and finance or the absence of an underlying court
order establishing arrears to support eligibility for such enforcement.
Upon an affirmation of the objections the administrative law judge shall
direct the support collection unit not to notify the department of taxa-
tion and finance of their authority to collect the support obligor's
arrears. Provisions set forth in this subdivision relating to procedures
for hearing objections by the unit shall apply solely to such cases and
not affect or modify any other procedure for review or appeal of admin-

9. Nothing in this act shall be deemed to impede, infringe, diminish or impair the rights of an employee or employer under any law, rule, regulation or collectively negotiated agreement, or the rights and benefits which accrue to employees through collective bargaining agreements, or otherwise diminish the integrity of the existing collective bargaining relationship, or to prohibit any personnel action which otherwise would have been taken regardless of any request to use, or utilization of, any leave provided by this act.

§ 2. This act shall take effect immediately.

Section two contains a severability clause for all provisions contained in each subpart of this Part. Section three of this act sets forth the general effective date of this Part.

SUBPART A

Section 1. Subdivision 8 of section 410-w of the social services law, as added by chapter 144 of the laws of 2015, is amended to read as follows:

8. Notwithstanding any other provision of law, rule or regulations to the contrary, a social services district that implements a plan amendment to the child care portion of its child and family services plan,
either as part of an annual plan update, or through a separate plan
amendment process, where such amendment reduces eligibility for, or
increases the family share percentage of, families receiving child care
services, or that implements the process for closing child care cases as
set forth in the district's approved child and family services plan, due
to the district determining that it cannot maintain its current caseload
because all of the available funds are projected to be needed for open
cases, shall provide all families whose eligibility for child care
assistance or family share percentage will be impacted by such action
with at least thirty days prior written notice of the action. Provided,
however, that a family receiving assistance pursuant to this title shall
not be required to contribute more than twenty percent of their income
exceeding the state income standard.

added by section 52 of part B of chapter 436 of the laws of 1997, is

6. Pursuant to department regulations, child care assistance shall be
provided on a sliding fee basis based upon the family's ability to pay;
provided, however, that a family receiving assistance pursuant to this
title shall not be required to contribute more than twenty percent of
their income exceeding the state income standard.

§ 3. This act shall take effect immediately.

SUBPART B

Such procedures shall include but not be limited to the following requirements: that the applicant set forth his or her employment history[, provide personal and employment references]; submit such information as is required for screening with the statewide central register of child abuse and maltreatment in accordance with the provisions of section four hundred twenty-four-a of this article; [sign a sworn statement indicating whether, to the best of his or her knowledge, he or she has ever been convicted of a crime in this state or any other jurisdiction;] and provide his or her fingerprints for submission to the division of criminal justice services in accordance with the provisions of section three hundred ninety-b of this title;

notwithstanding any other provision of law to the contrary, [prior to October first, two thousand twenty,] all clearances listed in subdivision one of this section that have not previously been conducted pursuant to paragraph (a) of this subdivision and for which on-going criminal history results are not already provided, shall be conducted in accordance with a schedule developed by the office of children and family services, for all:
§ 3. Subparagraphs (i) and (iv) of paragraph (d) of subdivision 3-a of section 390-b of the social services law, as added by section 9 of part H of chapter 56 of the laws of 2019, are amended to read as follows:

(iv) Where a clearance conducted pursuant to this section reveals that an applicant to be an employee or volunteer with the potential for unsupervised contact with children of a child day care program or enrolled legally-exempt provider has been charged with a crime, the office shall hold the application in abeyance until the charge is finally resolved; provided, however, that the office of children and family services may approve the application prior to resolution of the charge if a conviction on the charge would not result in the employee or volunteer being deemed ineligible pursuant to subdivision three of this section.

§ 4. Subparagraphs (ii) and (iii) of paragraph (a) of subdivision 1 of section 424-a of the social services law, as amended by section 14 of part H of chapter 56 of the laws of 2019, are amended to read as follows:
(ii) A licensing agency shall inquire of the office whether an applicant for a certificate, license or permit to operate a child care program including a family day care home, group family day care home, child care center, school age child care program, or enrolled legally exempt provider or an employee, volunteer or applicant to be an employee or volunteer in such program who has potential for regular and substantial contact with children in the program, is the confirmed subject of an indicated child abuse report maintained by the statewide central register of child abuse and maltreatment; provided, however, that a licensing agency may, but is not required to, submit an inquiry pursuant to this subparagraph if such individual has been the subject of an inquiry pursuant to this subparagraph within the last five years and has maintained a role in one or more child care programs during such five-year period without a break in time where such individual ceased to play a role in any child care program of not more than one hundred eighty consecutive days. The office shall promulgate regulations related to the process by which providers and applicants will be informed whether the applicant is authorized or unauthorized to care for children based on the outcome of such inquiry.

(iii) A licensing agency shall inquire of the office whether any person age eighteen or older who is not related in any way to all children for whom care is provided that resides on the premises of where child care is provided in a setting that is not the child's own home by an enrolled legally-exempt provider as such term is defined in subdivision one-a of section three hundred ninety-b of this [chapter] article is the confirmed subject of an indicated child abuse report maintained by the statewide central register of child abuse and maltreatment; provided, however, that a licensing agency may, but is not required to

last five years and has maintained a role in one or more child care
programs during such five-year period without a break in time where such
individual ceased to play a role in any child care program of not more
than one hundred eighty consecutive days. The office shall promulgate
regulations related to the process by which providers and applicants

or before such effective date.

§ 2. Severability. If any clause, sentence, paragraph, subdivision,
section or part contained in any subpart of this act shall be adjudged
by any court of competent jurisdiction to be invalid, such judgment
shall not affect, impair, or invalidate the remainder thereof, but shall
by confined in its operation to the clause, sentence, paragraph, subdi-
vision, section or part contained in any subpart thereof directly
involved in the controversy in which such judgment shall have been
rendered. It is hereby declared to be the intent of the legislature that
this act would have been enacted even if such invalid provisions had not
been included herein.

§ 3. This act shall take effect immediately, provided, however, that
the applicable effective date of Subparts A and B of this act shall be
as specifically set forth in the last section of such Subparts.
PART AA

Section 1. Legislative findings and intent. The legislature finds that the transition to the green economy and creating good paying jobs are not mutually exclusive priorities for New York State. In order to make this transition and achieve the ambitious goals set forth in the Climate Leadership and Community Protection Act, a clear focus on prioritizing renewable energy sources is necessary. However, the workers who will build the infrastructure of the green economy must not be left behind. Setting clear standards for job quality will ensure the creation of good jobs, protect workers in the ongoing transition of our energy sector, and result in positive economic impacts. Due to such findings, the legislature hereby declares that the mandate of prevailing wage or project labor agreements for construction work and engineering and consulting services performed in connection with the installation of renewable energy systems provided in this bill will ensure that workers are central to New York State's transition to the green economy.

§ 2. 1. (a) For purposes of this act, a "covered renewable energy project" means construction work and engineering and consulting services performed under contract which is paid for in whole or in part out of public funds as such term is defined in this section where the amount of all such public funds, when aggregated, is at least thirty percent of the total construction project costs, in connection with either:

(i) the installation of a renewable energy system, as such term is defined in section 66-p of the public service law, with a capacity over twenty-five megawatts alternating current and with a total project cost of over ten million dollars; or
(ii) the installation of a solar energy system with a capacity over
five megawatts alternating current and with a total project cost of over
five million dollars.

(b) For purposes of this act, a covered renewable energy project shall
exclude construction work performed under a pre-hire collective bargain-
ing agreement between an owner or contractor and a bona fide building
and construction trade labor organization which has established itself
as the collective bargaining representative for all persons who will
perform work on such a project, and which provides that only contractors
and subcontractors who sign a pre-negotiated agreement with the labor
organization can perform work on such a project, or construction work
performed under a labor peace agreement, project labor agreement, or any
other construction work performed under an enforceable agreement between
an owner or contractor and a bona fide building and construction trade
labor organization.

(c) For purposes of this act, "paid for in whole or in part out of
public funds" shall mean (i) the payment of money, by a public entity,
or a third party acting on behalf of and for the benefit of a public
entity, directly to or on behalf of the contractor, subcontractor,
developer or owner that is not subject to repayment, including, without
limitation, grants, incentives, the procurement of renewable energy
credits, or loans to be repaid only on a contingent basis; or (ii)
savings achieved from fees, rents, interest rates, or other loan costs,
or insurance costs that are lower than market rate costs by virtue of
the involvement of a public entity.

2. Notwithstanding part FFF of chapter 58 of the laws of 2020 that
established prevailing wage for construction work done under contract
which is paid for in whole or in part out of public funds, a covered
1 renewable energy project shall be subject to prevailing wage require-
2 ments in accordance with sections 220 and 220-b of the labor law. Noth-
3 ing herein shall be construed to require the payment of prevailing wage
4 or require a project labor agreement for a renewable energy project
5 which is paid for with solely private funds, by private entities.
6
7 3. For purposes of this act, the "fiscal officer" shall be deemed to
8 be the commissioner of labor.
9
10 4. The enforcement of any covered renewable energy project pursuant to
11 this act shall be subject only to the requirement of sections 220, 220-b, and 224-b of the labor law and within the jurisdiction of the
12 fiscal officer; provided, however, nothing contained in this act shall
13 be deemed to construe any covered renewable energy project as otherwise
14 being considered public work pursuant to article 8 of the labor law.
15
16 5. The fiscal officer may issue rules and regulations governing the
17 provisions of this act. Violations of this act shall be grounds for
18 determinations and orders pursuant to section 220-b of the labor law.
19
20 § 3. Severability clause. If any clause, sentence, paragraph, subdivi-
21 sion, or section of this act shall be adjudged by any court of competent
22 jurisdiction to be invalid, such judgment shall not affect, impair, or
23 invalidate the remainder thereof, but shall be confined in its operation
24 to the clause, sentence, paragraph, subdivision, or section thereof
25 directly involved in the controversy in which such judgment shall have
26 been rendered. It is hereby declared to be the intent of the legislature
27 that this act would have been enacted even if such invalid provisions
28 had not been included herein.
29
30 § 4. This act shall take effect on January 1, 2022 and shall apply to
31 covered renewable energy projects that begin on or after that date.
§ 2. Severability clause. If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect immediately provided, however, that the applicable effective date of Parts A through AA of this act shall be as specifically set forth in the last section of such Parts.
