SENATE - ASSEMBLY

January 18, 2022

IN SENATE -- A BUDGET BILL, submitted by the Governor pursuant to article seven of the Constitution -- read twice and ordered printed, and when printed to be committed to the Committee on Finance

IN ASSEMBLY -- A BUDGET BILL, submitted by the Governor pursuant to article seven of the Constitution -- read once and referred to the Committee on Ways and Means

AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter specified as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

c) The several amounts specified in this chapter as capital projects reappropriations, or so much thereof as shall be sufficient to accomplish the purpose of the appropriations, as appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects, being the undisbursed and/or unexpended balances of the prior year's appropriations, are reappropriated and unless otherwise amended or repealed in part or total in this chapter shall continue to be available for the same purposes as the prior appropriations or as otherwise amended for the fiscal year beginning April 1, 2022.

The capital projects reappropriations contained in this chapter may be amended by repealing the items set forth in brackets and by adding thereto the underscored material. Certain reappropriations in this chapter are shown using abbreviated text, with three leader dots (an ellipsis) followed by three spaces (... ) used to indicate where existing law that is being continued is not shown. However, unless a change is clearly indicated by the use of brackets [ ] for deletions and underscores

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [ ] is old law to be omitted.
for additions, the purpose, amounts, funding source and all other aspects pertinent to each item of appropriation shall be as last appropriated.

For the purpose of complying with section 25 of the state finance law, the year, chapter and section of the last act reappropriating a former original appropriation or any part thereof is, unless otherwise indicated, chapter 54, section 1, of the laws of 2021.

d) No moneys appropriated by this chapter shall be available for payment until a certificate of approval has been issued by the director of the budget, who shall file such certificate with the department of audit and control, the chairperson of the senate finance committee and the chairperson of the assembly ways and means committee.

e) The appropriations contained in this chapter shall be available for the fiscal year beginning on April 1, 2022 except as otherwise noted.
For the comprehensive construction programs, purposes and projects as herein specified in accordance with the following:

PROGRAM IMPROVEMENTS OR CHANGE (CCP)

By chapter 54, section 1, of the laws of 2021:
The amounts appropriated herein, shall be made available to the state and local boards of elections, including the New York city board of elections for software and technology upgrades and equipment. The state board of elections shall develop a plan for the distribution of such funds which may include up to $5,000,000 needed for state board of elections capital costs and implementation costs. The remaining funds, of at least $20,000,000 shall be made available to local boards of elections for reimbursement of eligible costs, including, but not limited to, the replacement of voting systems and equipment, absentee ballot scanners, mail processing equipment, and infrastructure to protect the connectivity and security of county elections software, including assistance for areas unserved and underserved by broadband service, provided that such reimbursement shall be apportioned based on the number of registered voters in a county (EL012108) (23527) ... 25,000,000 ........ (re. $25,000,000)

By chapter 54, section 1, of the laws of 2020:
For services and expenses related to the acquisition and development of technology, including but not limited to equipment, software and services, which will support the implementation of the voter enfranchisement modernization act of 2019, including costs incurred prior to April 1, 2020. A portion of these funds shall be used, as allowable, to satisfy the state match requirement of the 2020 federal HAVA funding. Funds appropriated herein may be suballocated to any other state department, agency, or public benefit corporation, to achieve this purpose (EL012008) (23523) ......................... 16,000,000 .................. (re. $15,465,000)

By chapter 54, section 1, of the laws of 2019:
The amounts appropriated herein, shall be made available to the state and local boards of elections, including the New York city board of elections for initial technology costs of electronic poll books as authorized in 2019 voter reform legislation. The state board of elections shall develop a plan for the distribution of such funds which may include amounts needed for state board of elections implementation costs. The remaining funds shall be made available to local boards of elections for reimbursement of eligible costs, including, but not limited to, electronic poll books and associated software, on-demand ballot printers and cyber security software required to implement early voting provided that such reimbursement shall be apportioned based on the number of registered voters in a county. The plan shall include a listing of allowable costs and details of the reimbursement claims process and timeframes, provided that local boards of election claims shall include such information as necessary to support state financing mechanisms. Notwithstanding any other law to the contrary, all or a portion of the amounts here-
by appropriated may be suballocated or transferred to any depart-
ment, agency or public authority (EL011908) (23523) .................

tion law. Such disbursements are hereinafter referred to as "Pure
Waters disbursements."
The director of the budget is hereby authorized to designate to the
state comptroller appropriations made from the capital projects fund
for purposes for which pure waters expenditures are authorized. The
state comptroller shall at the commencement of each month certify to
the director of the budget, the chairman of the senate finance
committee, and the chairman of the assembly ways and means commit-
tee, the amounts disbursed from the appropriations designated by the
director of the budget from the capital construction fund for pure
waters disbursements for the month preceding such certification.
Such certifications shall not exceed in aggregate the moneys appro-
priated thereof from the capital projects fund. A copy of each such
certification shall also be delivered to the public officer of the
respective state department to which such capital projects fund
appropriations are made available (01354910) (80917) ...............

For state assistance payments for the state share of the costs of clean water projects in accordance with the provisions of title 3 of article 56 of the environmental conservation law for project costs, including costs incidental and appurtenant thereto and for payment of reimbursements to the clean water/clean air implementation fund for services and expenses of state departments and agencies, including fringe benefits, hereinafter referred to as "Clean Water Project Disbursements".

The moneys appropriated herein may be suballocated to all state departments and agencies. Further, moneys herein appropriated may be
suballocated only to public authorities and public benefit corporations specifically authorized by paragraph (1) of subdivision one of section 56-0303 of the environmental conservation law to enter into contracts for state assistance payments for the state share of costs for clean water projects, provided however, that moneys herein appropriated pursuant to paragraph (i) of subdivision one of section 56-0303 of the environmental conservation law for state facility projects may be suballocated to any public authority or public benefit corporation.

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for clean water quality projects in accordance with title 3 of article 56 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget.

The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for "Clean Water Project Disbursements" for the month preceding such certification (09BA9757) (24712) ... 101,000,000 ............... By chapter 54, section 1, of the laws of 1990, as amended by chapter 54,
section 1, of the laws of 2002:
For the state share of the costs of construction of water quality
improvement projects, including the payment of liabilities incurred
prior to April 1, 1990, in accordance with the provisions of title 3
of article 51 of the environmental conservation law as amended, to
provide state matching funds for projects scheduled to receive
construction grants from federal fiscal years 1989 and 1990 funds,
including costs incidental and appurtenant thereto, hereinafter
referred to as "Water Quality Improvement Disbursements."
Notwithstanding the provisions of any general or special law, the
moneys hereby appropriated shall be available for water quality
improvement expenditures for eligible water quality improvement
projects as defined by section 51-0303 of the environmental conser-
vation law upon the issuance of a certificate of approval of avail-
ability by the director of the division of the budget. No such
certificates of approval of availability shall be issued for or
include funds for projects which have not received a federal grant
for the construction of sewage treatment related facilities.
Notwithstanding the provisions of any general or special law, the
amounts hereby appropriated shall have all disbursements reimbursed
from the Pure Waters Bond Act proceeds authorizations and are
contingent upon the partial repeal of existing capital projects fund
authorizations elsewhere in this chapter. The state comptroller
shall at the commencement of each month certify to the director of
the division of the budget, the commissioner of environmental

(09P28857) (24891) ... 11,690,000 ................... (re. 8718,000)

By chapter 54, section 1, of the laws of 1984, as amended by chapter 55,
section 1, of the laws of 2006:

For the state share of the costs of construction of water quality
improvement projects, including the payment of liabilities incurred
prior to April one, nineteen hundred eighty-four, in accordance with
the provisions of title three of article fifty-one of the environ-
mental conservation law as amended, for projects previously appro-
priated and scheduled on or after April one, nineteen hundred seven-
ty-two.

Notwithstanding the provisions of any general or special law, the
moneys hereby appropriated shall be available for water quality
improvement expenditures for any project scheduled in appropriation
bills on or after April one, nineteen hundred seventy-two.

Notwithstanding the provisions of any general or special law, the
amounts hereby appropriated shall be made available from the Pure
Water Bond Act authorizations and are contingent upon the repeal of
existing authorizations elsewhere in this chapter.

Notwithstanding the provisions of any general or special law, the
moneys hereby appropriated shall not be made available until the
director of the division of the budget issues a certificate of
approval of availability with a schedule of approved and previously
authorized projects for which such funds shall be used. No such
certificates of approval of availability shall be issued for or
include funds for projects which have not received a federal grant
for the construction of sewage treatment related facilities

CAPITAL PROJECTS - REAPPROPRIATIONS  2022-23

All or a portion of the disbursements made pursuant to the reappropriations made hereinafter from the capital projects fund may be eligible for reimbursement from proceeds of bonds issued by the dormitory authority. The dormitory authority and the department of health shall report quarterly to the director of the budget the amounts expended from appropriations which are eligible for reimbursement from the proceeds of the bonds. The director of the budget shall review these reports and then certify to the comptroller amounts expended from these appropriations which are reimbursable from bond proceeds. Until such time as the dormitory authority determines that amounts expended from these appropriations are not reimbursable from bond proceeds, all such expenditures shall be considered to be reimbursable from bond proceeds.

CAPITAL RESTRUCTURING FINANCING PROGRAM FOR HEALTH CARE AND RELATED FACILITIES (CCP)

By chapter 54, section 1, of the laws of 2014, as amended by chapter 54, section 1, of the laws of 2018:
An advance for payments and grants establishing the capital restructuring financing program for health care and related facilities licensed pursuant to public health law or mental hygiene law, including general hospitals, nursing homes, clinics, residential health care facilities, diagnostic and treatment centers, and clinics licensed pursuant to the public health law or the mental hygiene law, assisted living programs, primary care providers, and home care providers certified or licensed pursuant to article thirty-six of this chapter and other primary care providers, to support capital projects that will improve the quality, financial viability, and efficiency of the health care delivery system in New York state, including necessary support to facilitate restructuring, closures, conversions and consolidations within the health care delivery system including funding intended to maintain facility viability, provided, however, that no expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget. Up to $75,000,000 of this appropriation may be suballocated to the state university of New York, provided however that these funds shall be used for eligible project costs of the ambulatory care integration project awarded to upstate university hospital pursuant to request for applications number 1504100252 and in accordance with an agreement between the department of health and the state university construction fund and approved by the director of the budget (12CR14HE) (26626) ............................... to regional perinatal care centers or other health providers to establish telehealth applications, made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for the purposes that strengthen and protect continued access to health care services in communities including but not limited to children's residential treatment facilities. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation activities including, merger, consolidation, acquisition or other activities intended to: create financially sustainable systems of care; preserve or expand essential health care services; modernize obsolete facility physical plants and infrastructure; foster participation in alternative payment arrangements, including but not limited to contracts with managed care plans and accountable care organizations; increase the quality of resident care or experience in residential health care facilities; or improve health information technology infrastructure, including telehealth, to strengthen the acute, post-acute care, primary care, and longterm care continuum. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider criteria including, but not limited to:
(a) The extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;
(b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
(c) The geographic distribution of funds;
(d) The relationship between the proposed project and identified community need;
(e) The extent to which the applicant has access to alternative financing;
(f) The extent to which the proposed project furthers the development of primary care and other outpatient services;
(g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;
(h) The extent to which the applicant has engaged the community affected by the proposed project and the manner in which community engagement has shaped such project; and
(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner may award up to $300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 17648 issued by the department on January 8, 2018 pursuant to section 2825-e of the public health law.

Authorized amounts to be awarded pursuant to applications submitted in response to the request for application number 17648 shall be awarded no later than September 1, 2019.
The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees, until such time as the department determines that the projects that receive funding pursuant to this appropriation are substantially complete. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 6 of section 2825-f of the public health law.

Within amounts appropriated herein, a minimum of $45,000,000 shall be made available for grant awards to residential health care facilities, up to $20,000,000 may be made available for grant awards made pursuant to paragraphs (l) and (m) of subdivision 3 of section 461-l of the social services law, pursuant to criteria to be determined by the commissioner and a minimum of $60,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article 28 of the public health law, a mental health clinic licensed or granted an operating certificate under article 31 of the mental hygiene law, a substance use disorder treatment clinic licensed or granted an operating certificate under article 32 of the mental hygiene law, a primary care provider, a home care provider certified or licensed pursuant to article 36 of the public health law, a facility granted an operating certificate under article 16 of the mental hygiene law or hospices licensed or granted an operating certificate pursuant to article 40 of the public health law.

The dormitory authority may issue bonds for such purposes up to the amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget.

By chapter 54, section 1, of the laws of 2017, as transferred by chapter 54, section 1, of the laws of 2018:

For payments and grants to support health care facility transformation statewide for capital, non-operational works. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for purposes in support of essential health care services. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation, including mergers, consolidation, acquisition or other corporate restructuring activities intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery or preserves or expands essential health care services. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

nity, and legislative input pursuant to subdivision 4-a of section 2825-e of the public health law criteria including, but not limited to:
(a) the extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;
(b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
(c) Consideration of geographic distribution of funds;
(d) The relationship between the proposed project and identified community need;
(e) The extent to which the applicant has access to alternative financing;
(f) The extent that the proposed project furthers the development of primary care and other outpatient services;
(g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;
(h) The extent to which the applicant has engaged the community affected by the proposed capital project and the manner in which community engagement has shaped such capital project; and
(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner of health may award up to $300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 1607010255 issued by the department on July 20, 2016 pursuant to section 2825-d of the public health law.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees. Such reports shall be submitted no later than 60 days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 5 of section 2825-e of the public health law.

Within amounts appropriated herein, the director of the budget is authorized to make a determination to fund up to $200,000,000 for grant awards which are not eligible to be funded with the proceeds of bonds issued pursuant to section 1680-r of the public authorities law.

Within amounts appropriated herein, $50,000,000 shall be made available for grant awards to Montefiore medical center, and a minimum of $75,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article 28 of the public health law, a mental health clinic licensed or granted an operating certificate under article 31 of the mental hygiene law, an alcohol and substance abuse treatment clinic licensed or granted an operating certificate under article 32 of the mental hygiene law, a primary care provider, or a home care provider certified or licensed pursuant to article 36 of public health law.

The dormitory authority may issue bonds for such purposes up to the amount appropriated herein. 500,000,000 .......................... (re. $277,397,000)
By chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2017:

For payments and grants to support health care facility transformation statewide for capital, non-operational works. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for purposes in support of essential health care services. Such purposes may include renovating or replacing inefficient or outdated facilities as part of a merger, consolidation, acquisition or other significant corporate restructuring activity that is part of an overall transformation plan intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery aimed at improving the overall health and well-being of a community. Eligible applicants shall be those deemed by the commissioner to be a provider that fulfills or will fulfill a health care need for acute inpatient, outpatient, primary, home care or residential health care services in a community. The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation. In determining awards for eligible applicants under this appropriation, the commissioner of health and the president of the authority shall consider criteria including, but not limited to:

(a) the extent to which the proposed capital project will contribute to the integration of health care services and long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;
(b) the extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
(c) consideration of geographic distribution of funds;
(d) the relationship between the proposed capital project and identified community need;
(e) the extent to which the applicant has access to alternative financing;
(f) the extent that the proposed capital project furthers the development of primary care and other outpatient services;
(g) the extent to which the proposed capital project benefits medicaid enrollees and uninsured individuals;
(h) the extent to which the applicant has engaged the community affected by the proposed capital project and the manner in which community engagement has shaped such capital project; and
(i) the extent to which the proposed capital project addresses potential risk to patient safety and welfare.

Disbursement of awards made pursuant to this appropriation shall be conditioned on the awardee achieving certain process and performance metrics and milestones as determined in the sole discretion of the commissioner. Such metrics and milestones shall be structured to ensure that the health care transformation and provider sustainability goals of the project are achieved, and such metrics and milestones shall be included in grant disbursement agreements or other contractual documents as required by the commissioner.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, senate health and assembly health committees. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall
include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 5 of section 2825-b of the public health law. Within amounts appropriated herein, up to $5,000,000 may be made available for the purchase of mammography equipped vehicles, and a minimum of $30,000,000 shall be made available for community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article twenty-eight of the public health law, a mental health clinic licensed or granted an operating certificate under article thirty-one of the mental hygiene law, an alcohol and substance abuse treatment clinic licensed or granted an operating certificate under article thirty-two of the mental hygiene law, primary care providers, or a home care provider certified or licensed pursuant to article 36 of the Public Health Law. The dormitory authority may issue bonds for such purposes in an amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget.

By chapter 54, section 1, of the laws of 2015:
For payments and grants to support health care facility transformation within the county of Kings, for capital, non-operational works serving communities whose residents are experiencing significant levels of health care disparities, health care needs and other risk factors. Funding will be awarded in the discretion of the commissioner of health, without a competitive bid or request for proposal process, for purposes in support of essential health care services. Such purposes may include renovating or replacing inefficient or outdated facilities as part of a merger, consolidation, acquisition or other significant corporate restructuring activity intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery aimed at improving the overall health and well-being of a community. The dormitory authority may issue bonds for such purposes in an amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget.

For payments and grants to support health care facility transformation within the county of Oneida, for capital, non-operational works. Funding will be awarded in the discretion of the commissioner of health in support of projects located in the largest population center in Oneida County, without a competitive bid or request for proposal process, for the purpose of consolidating multiple licensed health care facilities into an integrated system of acute inpatient, outpatient primary and other health care services. The dormitory authority may issue bonds for such purposes in an amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget.

program, number of units, area median income requirements if applicable, month and year construction will commence, projected date of occupancy, and project phase (in development, engineering, construction, complete, defunded). Such annual report shall continue to be provided until such time as the final disbursement of funds appropriated in the 2016-17 and 2017-18 state fiscal year housing program (ccp) has occurred.

Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than $344,000,000 for the period April 1, 2016, through and past March 31, 2017, and not more than an additional $246,000,000 for the period April 1, 2017 through and past March 31, 2018 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process. Notwithstanding any provisions of law to the contrary, the commissioner of a state agency or authority holding an empire state supportive housing initiative contract, shall be authorized, subject to the approval of the director of the budget, to continue contracts which were executed on or before March 31, 2021 with entities providing supportive housing services, without any additional requirements that such contracts be subject to competitive bidding, a request for proposal process or other administrative procedures.

2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.

3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.

4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.

5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.

6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $146,000,000 shall be made available for the purpose of substantial or moderate rehabilitation of site-specific multi-family rental
housing currently under a regulatory agreement or extended use agreement with the division of housing and community renewal or another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $75,000,000 shall be made available for the purpose of providing capital subsidies to preserve and improve Mitchell-Lama properties in the state.

8. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of site-specific multi-family rental housing currently owned by public housing authorities outside of New York city. The distribution of any funds which the division of housing and community renewal or other appropriate state agencies or authorities authorizes to be used as part of a federal housing program, shall require the division of housing and community renewal to monitor and ensure that any affected public housing tenants are properly informed regarding participation in the federal housing program and that appropriate documents related to participation in such federal housing program are made publicly available and are posted on each applicable housing authority's website in a timely manner to properly inform such public housing authority tenants. The residents of public housing that receives and uses such funds to participate in such federal program shall be provided a uniform lease agreement that provides, at a minimum, terms and conditions consistent with those found in the public housing lease they had prior to the public housing having received any such funds. Public housing authorities that receive and use such funds shall be required to: provide resident education, which shall include comprehensive information about any anticipated changes to the public housing; provide language assistance to residents with limited English proficiency; recognize the right of residents to form a resident organization; require resident participation funding commensurate to the funding that was being allocated to residents already; develop a set of procedures for resident grievances and lease termination proceedings that apply to residents following the use of such funds, which shall be consistent with any existing procedures, can provide stronger resident protections, and conform with any other applicable federal rules and/or regulations. In cases when there is a property manager other than the public housing authority that receives these funds, then such property manager shall be required to take actions including, but not limited to, providing clear and accessible information to residents before, during, and after becoming the property manager; provide language assistance to residents with limited English proficiency; and recognize a legitimate resident organization as the residents' representative, invite such resident organization to all resident engagements, and meet regularly with the resident organization to discuss emerging property-wide issues.

9. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $62,500,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of buildings of 5 to 40 units.

10. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $41,475,000 shall be made available for the purpose of promoting home ownership among families of low and moderate income for whom
there are few affordable home ownership alternatives in the private market, and to stimulate the development, stabilization, and preservation of New York communities.

11. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (CCP), up to a total of $13,000,000 shall be made available for the purposes of mobile and manufactured home replacement program pursuant to chapter 54 of the laws of 2016.

12. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (CCP), up to a total of $10,000,000 shall be made available for the purpose of stimulating reinvestment in properties located within mixed-used commercial districts located in urban, small town, and rural areas of the state pursuant to article XXVI of the private housing finance law.

13. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (CCP), up to a total of $200,000,000 shall be made available, pursuant to a plan approved by the director of the budget, in consultation with the New York city housing authority chair and the dormitory authority of the state of New York, for the purpose of capital projects and other improvements related to housing developments owned or operated by the New York city housing authority; provided further to the extent practicable, the New York city housing authority in its administration of such funds shall include employment opportunities for NYCHA tenants consistent with section 3 of the housing and urban development act of 1968.

14. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (CCP), up to a total of $100,000,000 shall be made available for the preservation, restoration or creation of affordable housing units in a city having a population of one million or more, one hundred percent of which shall be affordable to households that earn up to sixty percent of the area median income adjusted for family size. Priority shall be given to applicants incorporated pursuant to the not-for-profit corporation law, with prior experience in community development projects with at least a fifty-one percent controlling interest in such project. Not-for-profits shall strive to develop projects utilizing state or city-owned land and such utilization shall be prioritized in the agency review of such project (08101607) (30904) ... 590,000,000 .......................... 5. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$150,000,000 shall be made available for the purpose of providing
capital subsidies for the new construction, adaptive reuse, or
reconstruction of rental housing affordable to households that earn
between 60 percent and 130 percent of AMI and that advance one or
more of the specific housing priorities of the state.

6. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$146,000,000 shall be made available for the purpose of substantial
or moderate rehabilitation of site-specific multi-family rental
housing currently under a regulatory agreement or extended use
agreement with the division of housing and community renewal or
another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$75,000,000 shall be made available for the purpose of providing
capital subsidies to preserve and improve Mitchell-Lama properties
in the state.

8. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$125,000,000 shall be made available for the purpose of substantial
or moderate rehabilitation and/or the demolition and replacement
through new construction of site-specific multi-family rental hous-
ing currently owned by public housing authorities outside of New
York city. The distribution of any funds which the division of hous-
ing and community renewal or other appropriate state agencies or
authorities authorizes to be used as part of a federal housing
program, shall require the division of housing and community renewal
to monitor and ensure that any affected public housing tenants are
properly informed regarding participation in the federal housing
program and that appropriate documents related to participation in
such federal housing program are made publicly available and are
posted on each applicable housing authority's website in a timely
manner to properly inform such public housing authority tenants.
The residents of public housing that receives and uses such funds to
participate in such federal program shall be provided a uniform
lease agreement that provides, at a minimum, terms and conditions
consistent with those found in the public housing lease they had
prior to the public housing having received any such funds. Public
housing authorities that receive and use such funds shall be
required to: provide resident education, which shall include compre-
hensive information about any anticipated changes to the public
housing; provide language assistance to residents with limited
English proficiency; recognize the right of residents to form a
resident organization; require resident participation funding
commensurate to the funding that was being allocated to residents
already; develop a set of procedures for resident grievances and
lease termination proceedings that apply to residents following the
use of such funds, which shall be consistent with any existing
procedures, can provide stronger resident protections, and conform
with any other applicable federal rules and/or regulations. In cases
when there is a property manager other than the public housing
authority that receives these funds, then such property manager
shall be required to take actions including, but not limited to,
providing clear and accessible information to residents before, during, and after becoming the property manager; provide language assistance to residents with limited English proficiency; and recognize a legitimate resident organization as the residents' representative, invite such resident organization to all resident engagements, and meet regularly with the resident organization to discuss emerging property-wide issues.

9. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $62,500,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of buildings of 5 to 40 units.

10. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $41,475,000 shall be made available for the purpose of promoting home ownership among families of low and moderate income for whom there are few affordable home ownership alternatives in the private market, and to stimulate the development, stabilization, and preservation of New York communities.

11. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $13,000,000 shall be made available for the purposes of mobile and manufactured home replacement program pursuant to chapter 54 of the laws of 2016.

12. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $10,000,000 shall be made available for the purpose of stimulating reinvestment in properties located within mixed-used commercial districts located in urban, small town, and rural areas of the state pursuant to article XXVI of the private housing finance law.

13. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $200,000,000 shall be made available, pursuant to a plan approved by the director of the budget, in consultation with the New York city housing authority chair and the dormitory authority of the state of New York, for the purpose of capital projects and other improvements related to housing developments owned or operated by the New York city housing authority; provided further to the extent practicable, the New York city housing authority in its administration of such funds shall include employment opportunities for NYCHA tenants consistent with section 3 of the housing and urban development act of 1968.

14. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $100,000,000 shall be made available for the preservation, restoration or creation of affordable housing units in a city having a population of one million or more, one hundred percent of which shall be affordable to households that earn up to sixty percent of the area median income adjusted for family size. Priority shall be given to applicants incorporated pursuant to the not-for-profit corporation law, with prior experience in community development projects with at least a fifty-one percent controlling interest in such project. Not-for-profits shall strive to develop projects utilizing state or city-owned land and such utilization shall be prioritized in the agency review of such project (08111707) (30904) ... 541,525,000 ........................................ TRIBOROUGH BRIDGE AND TUNNEL AUTHORITY

The appropriation made by chapter 314, section 30, of the laws of 1981, as amended by chapter 54, section 1, of the laws of 2021, is hereby amended and reappropriated to read:

Advance for: The sum of thirty-six million dollars ($36,000,000), or so much thereof as may be necessary, is hereby appropriated as an advance from the capital projects fund to the Triborough bridge and tunnel authority for replacements of the authority's insurance reserve and operating contingency reserve for the period beginning April 1, [2021] 2022 and ending March 31, [2022] 2023. The advance appropriation shall be made available and paid only if the Triborough bridge and tunnel authority's insurance reserve and operating contingency reserve is needed for the purposes for which the reserves were created.

Notwithstanding the provisions of any general or special law, no part of any such appropriation shall be available for the purposes designated until a certificate of approval of availability shall have been issued by the director of the budget, and a copy of such certificate filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee. Such certificate may be amended from time to time subject to the approval of the director of the budget, and a copy of each such amendment shall be filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee (03310912) (43807) .................................................. Omnibus and Transit Purpose
For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the non-federal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the non-federal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval. Such certificate shall report the federally authorized level of financial assistance (17OM2229) (53252) ....................... 30,600,000
Mass transportation and rail freight (CCP) .................. 72,830,000

For the payment of the costs of mass transportation capital projects and facilities including replacement of buses meeting federal standards for replacement, related bus equipment and the acquisition, design and construction, including engineering and consulting costs, of mass transit bus garages or other mass transportation projects and facilities approved by the commissioner of transportation in a program of projects. Such funding may be part of a total project of which a portion is federally funded but shall not be used in substitution for the required non-federal matching shares of the federally-funded portion of the project to which it is added. Highway Aid Purpose

For capital grants to municipalities under the municipal streets and highways program for repayment of eligible costs of federal aid municipal street and highway projects pursuant to section 15 of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. The department of transportation shall provide such information to the municipalities as may be necessary to maintain the federal tax exempt status of any bonds, notes, or other obligations issued by such municipalities to provide for the non-federal share of the cost of projects pursuant to chapter 330 of the laws of 1991 or section 80-b of the highway law (17MA2221) (54265) ............... 39,700,000

For capital grants to municipalities under the consolidated local street and highway improvement program:
The sum of $479,300,000 to counties, cities, towns and villages for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the
laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be $129,156,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $350,144,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 89.073 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 89.073 percent of the funding level to be deemed distributed to each municipality under this subdivision shall be reduced in equal proportion.

The sum of $58,797,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be $15,844,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $42,953,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 10.927 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 10.927 percent of the funding level to be deemed distributed to each municipality under this paragraph shall be reduced in equal proportion. To the extent that the total of remaining payment allocations calculated herein varies from $58,797,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal $58,797,000.

Payments shall be made on the fifteenth day of June, September, December and March.
For capital grants to municipalities for extreme winter recovery: The sum of $100,000,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to section 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $100,000,000. To the extent that the total of payment allocations calculated herein varies from $100,000,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal $100,000,000. Payments shall be made on the fifteenth day of June, September, December and March.

For capital grants to cities, towns and villages for the reimbursement of eligible capital costs of local highway and bridge projects within such municipality. Funds shall be allocated to cities, towns and villages based on the total number of New York or United States or interstate signed touring route miles for which such municipality has capital maintenance responsibility, as determined pursuant to the most recent local highway inventory conducted by the highway data services bureau of the department of transportation.

Eligible capital costs include the costs of construction and repair of highways, bridges, highway-railroad crossings, and other transportation facilities for projects with a service life of ten years or more.

Capital Projects Funds - Federal Federal Capital Projects Fund Transportation Account - 31354 Mass Transportation and Rail Freight Purpose

(17238614) (53230) ... ..... 5,100,000 ............ (re. $110,000)

By chapter 54, section 1, of the laws of 1986, as amended by chapter 54, section 3, of the laws of 1987:
For payment of the costs, including the payment of liabilities incurred prior to April one, nineteen hundred eighty-six, for the preparation of designs, plans, specifications and estimates, for the construction, reconstruction, and improvement of airport or aviation capital projects, including infrastructure improvements at Stewart airport, for the costs of real property acquisition, contract engi-
neering services provided by private firms, and other expenses
related thereto, pursuant to the transportation capital facilities
development act of nineteen hundred sixty-seven, notwithstanding any
inconsistent provisions of law.

No funds shall be allocated that are directly related to a private
facility until the commissioner of transportation enters into a
written agreement, subject to the approval of the director of the
budget, with such private entity providing that such entity is
committed to locate its facilities at Stewart airport and has
arranged financing for the costs of construction of such facilities.

Funds shall not be allocated from this appropriation for infrastruc-
ture improvements or other development purposes not directly related
to a private facility until the commissioner of transportation has
provided the director of the budget with the following projections
to support any such allocation of funds: (a) effect on Stewart
airport net operating revenues; (b) effect on new jobs for the state
of New York; and (c) effect on net revenues of amortization of state

AIRPORT OR AVIATION PROGRAM--BONDABLE (CCP)

By chapter 54, section 1, of the laws of 1991:

For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the transportation capital facilities development act of 1967 notwithstanding any inconsistent provisions of law, in accordance with the schedule set forth below.

The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, including payment of liabilities incurred prior to April 1, 1991, as defined in the transportation capital facilities development act of 1967. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance.

No funds shall be allocated for projects at Stewart Airport that are directly related to a private facility until the commissioner of transportation enters into a written agreement, subject to the approval of the director of the budget, with such private entity providing that such entity is committed to locate its facilities at Stewart airport and has arranged financing for the costs of construction of such facilities.

Funds shall not be allocated for projects at Stewart airport from this appropriation for infrastructure improvements or other development purposes not directly related to a private facility until the commissioner of transportation has provided the director of the budget with the following projections to support any such allocation of funds: (a) effect on Stewart airport net operating revenues; (b) effect on new jobs for the state of New York; and (c) effect on net revenues of amortization of state capital expenditures. It is acknowledged that funds provided herein pursuant to the transportation capital facilities development act of 1967 are made available by repealing a portion of an appropriation for the payment of the state's share to the Niagara frontier transportation authority for construction, reconstruction, and improvement of airport or aviation...

By chapter 54, section 1, of the laws of 2021:
For state aid to municipal corporations for the preparation of
designs, plans, specifications and estimates, for the acquisition,
construction, reconstruction, and improvement of mass transportation
capital projects including the acquisition of real property, for
other mass transportation projects including local transportation
planning studies. Notwithstanding any inconsistent provisions of
law, the state share of such projects shall be 50 percent of the
non-federal share, but in no event shall the state share exceed 10
percent of project costs.

Notwithstanding any other provision of law, the commissioner of
transportation shall make available directly to the City of New York
(City) an amount commensurate with the state share of (i) federal
funds previously awarded to the City and reallocated to the
metropolitan transportation authority (MTA), and (ii) the federally
authorized level of financial assistance transferred by resolution
of the metropolitan planning organization (MPO) to the metropolitan
transportation authority (MTA) and credited to the City by the MTA
for capital expenses.
The state share of such reimbursement shall be 50 percent of the non-
federal share of the federally authorized level of financial
assistance transferred to the MTA, but in no event shall the state
share exceed 10 percent of project costs. Prior to requesting
reimbursement for projects progressed by the MTA on behalf of the
City, the City shall certify to the commissioner of transportation
that each eligible project progressed under this provision is
federally eligible and that the match amount requested does not
exceed the state share of the federally authorized level of
financial assistance. In addition, the City must provide an
application to the commissioner of transportation certifying that
the work to be funded under the project has been performed and that
the City has reimbursed the MTA for 100 percent of the match amount
for the project. Upon such application, the commissioner of
transportation shall review and approve eligible activities for
reimbursement.

Prior to requesting approval of a certificate of approval of
availability for the moneys hereby appropriated, the commissioner of
transportation shall certify that each omnibus project progressed
under the program has received federal approval.

on behalf of the City, the City shall certify to the commissioner of
transportation that each eligible project progressed under this
provision is federally eligible and that the match amount requested
does not exceed the state share of the federally authorized level of
financial assistance. In addition, the City must provide an applica-
tion to the commissioner of transportation certifying that the work
to be funded under the project has been performed and that the City
has reimbursed the MTA for 100 percent of the match amount for the
project. Upon such application, the commissioner of transportation
shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of avail-
ability for the moneys hereby appropriated, the commissioner of
transportation shall certify that each omnibus project progressed
under the program has received federal approval. Such certificate

By chapter 55, section 1, of the laws of 2004, as amended by chapter 54,
section 1, of the laws of 2018:

For state aid to municipal corporations for the preparation of
designs, plans, specifications and estimates, for the acquisition,
construction, reconstruction, and improvement of mass transportation
capital projects including the acquisition of real property, for
other mass transportation projects including local transportation
planning studies and liabilities incurred prior to April 1, 2004.

Notwithstanding any inconsistent provisions of law, the state share of
such projects shall be 50 percent of the non-federal share, but in
no event shall the state share exceed 10 percent of project costs.

Prior to requesting approval of a certificate of approval of avail-
ability for the moneys hereby appropriated, the commissioner of
transportation shall certify that each omnibus project progressed
under the program has received federal approval. Such certificate

shall report the federally authorized level of financial assistance

governor as part of his annual budget request submission a report
which shall make findings and recommendations with respect to the
state's intercity rail passenger service and rail service energy
conservation programs. Such report shall include, in addition to any
other information the commissioner shall determine appropriate, the
following: (a) the impact and effectiveness of the state's programs
to continue and preserve rail passenger and rail freight services,
including federal and state operating subsidy payments actually made
and projected to be made during each of the two next succeeding
state fiscal years; and (b) the development of operating, pricing
and fare guidelines and standards of service and equipment and
facility maintenance standards that may be applied in evaluating the
cost and quality of service on those rail lines receiving state
and/or federal operating and/or capital assistance.

By chapter 55, section 1, of the laws of 2004, as amended by chapter 55,
section 1, of the laws of 2010:
For the construction or improvement of highway, bridge and rail
freight projects related to industrial access, including the acqui-
sition of property and the payment of liabilities incurred prior to
April 1, 2004. For the cost of the contract services provided by
private firms, including but not limited to the preparation of
designs, plans, specifications and estimates; construction manage-
ment and supervision; and appraisals, surveys, testing and environ-
mental impact statements for transportation projects. No funds shall
be allocated for such purposes until the commissioner of transporta-
tion enters into an agreement subject to the approval of the direc-
tor of the budget with any public or private entity for the repay-
ment of 40 percent of each project's costs disbursed from such
funds. Such agreement shall require repayment within 5 years of the
date of acceptance of the project by the department of transporta-
tion except that the repayment may occur over a period of up to 10
years when total project costs exceed $1,000,000. All projects must
be approved by the director of the budget prior to the obligation of
the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules
and regulations promulgated by the commissioner of transportation
establishing the maximum amount of assistance to be provided for
each project and the information that must be provided by the entity
requesting assistance, establishing criteria for providing assistance
from the moneys so appropriated and including standards for
receiving of assistance including but not limited to the number of
jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of
transportation may waive the requirement to repay 40 percent of the
cost of a project provided that private funds are dedicated to the
cost of such industrial access project and related economic develop-
ment for at least 40 percent of the total cost of the industrial
access project and related economic development and the industrial

For the payment of the costs, including the payment of liabilities incurred prior to April 1, 2021, of state highways, parkways, bridges, the New York State Thruway, Indian reservation roads, and facilities for which the responsibility is vested with the state department of transportation including work appurtenant and ancillary thereto, for the state share of federally authorized high speed rail improvement projects, and for the cost of administrative services of the department of transportation and the cost of services provided by private firms; including the costs of preventive maintenance on state roads and bridges as defined in paragraph (a) of subdivision 1 of section 10-d of the highway law for contractual preventive maintenance services provided by private firms; and including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision, and appraisals, surveys, testing and environmental impact statements for transportation projects. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, and preventive maintenance. Up to $5,000,000 of this appropriation may be used for traffic maintenance and traffic protection services provided by the division of state police.

With the approval of the director of the budget, the commissioner of transportation is authorized to enter into agreements with any municipality to finance local bridge projects through state non-federally aided highway funds appropriated herein when the use of federal aid funds for such local bridge projects would not be cost effective and the federal aid and state matching funds saved as a result of the use of non-federal aid funds for local bridge projects are made available for bridge projects on the state highway system. The total amount of non-federally aided highway funds made available for local bridge projects from this appropriation shall not exceed $2,500,000 in state fiscal year 2021-22 (53164).

By chapter 54, section 1, of the laws of 2020:
For the payment of the costs, including the payment of liabilities incurred prior to April 1, 2020, of state highways, parkways, bridges, the New York State Thruway, Indian reservation roads, and facilities for which the responsibility is vested with the state department of transportation including work appurtenant and ancillary thereto, for the state share of federally authorized high speed rail improvement projects, and for the cost of administrative services of the department of transportation and the cost of services provided by private firms; including the costs of preventive maintenance on state roads and bridges as defined in paragraph (a) of subdivision 1 of section 10-d of the highway law for contractual preventive maintenance services provided by private firms; and including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision, and appraisals, surveys, testing and environmental impact statements for transportation projects. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, and preventive maintenance. Up to $5,000,000 of this appropriation may be used for traffic maintenance and traffic protection services provided by the division of state police.

With the approval of the director of the budget, the commissioner of transportation is authorized to enter into agreements with any municipality to finance local bridge projects through state nonfederally aided highway funds appropriated herein when the use of federal aid funds for such local bridge projects would not be cost effective and the federal aid and state matching funds saved as a result of the use of non-federal aid funds for local bridge projects are made available for bridge projects on the state highway system. The total amount of non-federally aided highway funds made available for local bridge projects from this appropriation shall not exceed $2,500,000 in state fiscal year 2020-21. Provided, however, that no obligations against, or spending from this appropriation shall be authorized unless the director of the division of the budget certifies that such obligations or spending can be accommodated within the State's multi-year financial plan without adversely affecting the funding available for (a) capital projects currently authorized that are deemed essential to the health and safety of the public, or (b) essential governmental services. Provided, however, that during state fiscal year 2020-21, the department of transportation shall, ten calendar days prior to the start of each quarter or as soon as practicable thereafter, provide to the director of the budget, the secretary of the senate finance committee, and the secretary of the assembly ways and means committee, a schedule of planned highway and bridge capital project lettings to take place during such quarter; and provided, further, that the projects to be let by the department may differ from the schedules so provided due to emergencies, environmental concerns, federal mandates, unforeseen conditions, design changes or other factors (53164).

The sum of $50,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investment for capital projects in such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of nonprofit human services organizations that serve New Yorkers. Provided that such investments include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of space used for direct program services; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; and accessibility renovations. Provided further that such eligible nonprofit human services organizations are those which provide direct services to New Yorkers through state contracts, state authorized payments, and/or state payment rates. Provided further that nothing herein shall preclude a nonprofit human services organization that is otherwise eligible and that is located in publicly owned property from receiving a grant as long as such purpose and project would be otherwise eligible and such grant is not used for building or property maintenance or improvements, structural maintenance or improvements, or building systems maintenance or improvements. Funding from this appropriation shall be made available through a competitive process that shall include representatives from multiple state agencies to be determined by the director of the budget and the guidelines for the program and competitive process and such process shall also ensure that
such funding is made available for uses throughout the state, and shall be subject to the approval of the director of the budget. Provided further that such proposals submitted by eligible nonprofit human services organizations shall include, at a minimum, the following: the amount of funds requested in relation to the size and scope of the proposed project and the number of clients who will benefit; a detailed description of the project, including projected costs including the sources and uses of funds, project completion timeline, and funds necessary at each stage of project completion; the extent to which the proposed project reflects a necessary improvement or upgrade to continue to serve the nonprofit human services organization's target population, or a population they would be able to serve if such improvements or upgrades were made; a statement that as of the effective date of this chapter, construction had not begun and equipment had not been purchased for such project; and if applicable, a statement whether the project has received all necessary regulatory approvals or can demonstrate a reasonable expectation that such approvals will be secured. Such representatives from state agencies shall include, but not be limited to, the Office of Children and Family Services, the Office of Temporary and Disability Assistance, the Office for People with Developmental Disabilities, the Office of Mental Health, and for purposes of this appropriation, shall also include the Dormitory Authority of the State of New York and, notwithstanding any inconsistent provision of law, the Dormitory Authority shall be authorized to administer this program. By chapter 54, section 1, of the laws of 2021:

The sum of $1,300,000,000 is hereby appropriated for services and expenses of the Empire Station Complex project, including but not limited to the acquisition of all necessary land, real property, easements, and leasehold interests, including any appurtenances thereto and improvements thereon, preparation of plans, design, demolition, construction, renovation, administration, and other costs incidental thereto, including the payment of liabilities incurred prior to April 1, 2021. No funds provided under this appropriation shall be used directly or indirectly for the formal preparation of a general project plan for the Empire Station Complex. Such funds shall only be used in furtherance of the Empire Penn Expansion or other transportation improvement projects and not for above-grade development contemplated in the general project plan. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority.

By chapter 54, section 1, of the laws of 2017:

For services and expenses, loans, grants, and costs associated with program administration, of projects and purposes authorized by section 93-b of the state finance law to receive funding from the dedicated infrastructure investment fund - infrastructure investment account, including the payment of liabilities incurred prior to April 1, 2017; provided however, that loans or grants under this appropriation to a private corporation, association or enterprise shall only be made or given by a public corporation or authority. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority, according to the following:

To prepare for, prevent, deter, or respond to acts of terrorism; natural or man-made disasters, including severe weather events; risks to public safety, health, and/or other emergencies.

The sum of $2,299,000 is hereby appropriated...
By chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2017:

Transportation infrastructure and facilities in the five-year department of transportation plan for 2015-16 through 2019-20, for the payment of costs, including the payment of liabilities incurred prior to April 1, 2016, of transportation infrastructure projects, including but not limited to, state and local roads and bridges; airport, freight and passenger rail, port and transit projects or multi-modal facilities, including work appurtenant and ancillary thereto. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, the acquisition of property, and engineering services, including personal services, nonpersonal services, fringe benefits, the contract services provided by private firms, and reimbursements to the dedicated highway and bridge trust fund and capital projects funds, for activities including but not limited to, the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation infrastructure projects. Notwithstanding section 93 of the state finance law or any other law, rule or regulation to the contrary, all or a portion of the funds appropriated herein may be (i) interchanged, (ii) suballocated to the Department of Transportation, or (iii) transferred from this appropriation to any other capital projects appropriation or appropriations of the Department of Transportation (931316SP) (79995) ... 200,000,000 ..... (re. $11,768,000)

The sum of $170,000,000 is hereby appropriated for additional upstate revitalization initiative projects. Funds appropriated herein shall be for services and expenses, loans, grants, workforce development, business and tourism plan development, costs associated with program administration, and the payment of personal services, nonpersonal services and contract services provided by private firms to support economic development projects. Funding will be pursuant to a plan developed by the chief executive officer of the New York state urban development corporation and will support initiatives based on anticipated job creation and economic development benefits. Funds shall not be available from this appropriation for projects within regions that were Upstate Revitalization Initiative 2015 Best Plan Awardees or eligible to receive funding from the Buffalo Regional Innovation Cluster Program. Such moneys will be awarded by the New York state urban development corporation at its discretion (931216SP) (79996) ... 170,000,000 ......................... (re. $170,000,000)

The sum of $85,000,000 is hereby appropriated for services and expenses, loans, grants, and costs associated with economic development or infrastructure projects (931416SP) (79992) ................. 85,000,000 ....................................... (re. $85,000,000)

For services and expenses related to the empire state poverty reduction initiative. Funds appropriated herein shall be made available for sixteen local anti-poverty task forces in municipalities, or a borough, with high rates of poverty as determined by the U.S. Census Bureau's 2010-14 American Community Survey Five-year Estimate: Albany, the Bronx, Binghamton, Buffalo, Elmira, Hempstead, Jamestown, Newburgh, Niagara Falls, Oneonta, Oswego, Rochester, Syracuse, Troy, Utica and Watertown. Provided that, except in municipalities where a state-funded anti-poverty task force or initiative already exists and is receiving or has received State funding for such purpose, the mayor of each municipality, or in the case of the Bronx, the borough president, will select a not-for-profit organization that provides services in the municipality, or in the

... case of the Bronx, the borough, to serve as the local coordinator of each such local task force. Provided further that, except in municipalities where a state-funded antipoverty task force or initiative already exists and is receiving or has received funding, each such task force shall make efforts to be comprised of, but not limited to, the following members: representatives from municipal, county, and/or state government; individuals who have lived in or currently live in households in poverty; individuals and advocates representing local not-for-profit and community organizations; representatives from local school districts; and representatives from local social services districts. Of the funds appropriated herein, the amount available for each local anti-poverty task force shall be determined based on the number of people in each municipality, or a borough, who are living in poverty as determined by the U.S. Census Bureau's 2010-14 American Community Survey Five-year Estimate provided that each local anti-poverty task force shall be eligible to receive funding in the following amounts: municipalities with fewer than 5,000 individuals in poverty shall each be eligible to receive $500,000; municipalities with between 5,000 and 10,000 individuals in poverty shall each be eligible to receive $1,000,000; municipalities with between 10,000 and 40,000 individuals in poverty shall each be eligible to receive $1,500,000; and municipalities, or a borough, with more than 40,000 individuals in poverty shall each be eligible to receive $2,750,000. Funds appropriated herein shall be available to support the work of each anti-poverty task force and such work shall be divided into two phases. During the first phase, the mayor of the municipality, or in the case of the Bronx, the borough president, will select a not-for-profit organization that has demonstrated successful performance working with community stakeholders and achieving objectives specified herein, to coordinate the local antipoverty task force. The not-for-profit organization serving as coordinator will assemble the antipoverty task force using the criteria outlined above. Provided further that, with guidance and oversight of the commissioner of the office of temporary and disability assistance, each local anti-poverty task force shall use data to identify high need issues and neighborhoods within the municipality, or in the case of the Bronx, the borough; identify problems that are common in neighborhoods throughout the municipality, or in the case of the Bronx, the borough; receive input from local residents; use data and resident input to select one or more focus areas related to either one or more issues or one or more neighborhoods; and develop a plan for how funding will be targeted toward the identified issues or neighborhoods. Such focus areas may include, but are not limited to childhood poverty and homelessness. Activities included in such plan may include, but are not limited to: providing public assistance recipients opportunities to participate in enhanced work activities that either provide recognized credentialing or enhanced career readiness or job training for better linkage to potential employment; assisting families in poverty through services provided to parents and children; and addressing chronic homelessness or housing insecurity. Such plan must include measurable objectives and a timeframe for completion and shall be submitted for approval to the commissioner of the office of temporary and disability assistance. Of the total amount made available to each anti-poverty task force, the lesser of $300,000 or 20 percent of the total award may be used to carry out planning and administration, provided however, that the amount used for planning and administration may exceed such limitation if such amount is approved by the commissioner of the office of temporary and disabil-

ity assistance as part of the plan required herein. Upon receiving
approval from the commissioner of the office of temporary and disa-
bility assistance, each such anti-poverty task force shall commence
the second phase of its work, which will support the implementation
of the plan developed during the first phase. Funding appropriated
herein shall be made available to the not-for-profit organization
serving as coordinator and its use shall be restricted to purposes
or initiatives that do not necessitate ongoing state financial
support. Such anti-poverty task forces shall be encouraged to secure
match funding from private sector and foundation sources to supple-
ment the funds appropriated herein and provided further that any
funding provided from this appropriation shall not be used to
supplant funding for programs already in existence. Such funds may
be made available pursuant to a plan approved by the director of the
budget (931A16SP) (79994) ... 25,000,000 .......... (re. $1,814,000)
Notwithstanding any inconsistent provision of law, in support of a
comprehensive statewide multi-year housing program to prevent and
address homelessness across the State, funds appropriated herein may
be used in conjunction with other resources made available as part
of the state fiscal year 2016-17 and 2017-18 local assistance, capi-
tal and state operations budget to support various programs to
support homeless individuals and youth or individuals and youth at
risk of becoming homeless, including but not limited to, a statewide
multiagency supportive housing program to provide housing and
support services for vulnerable New Yorkers including but not limit-
ed to seniors, veterans, victims of domestic violence, formerly
incarcerated individuals, individuals diagnosed with HIV/AIDS and
homeless individuals with copresenting health conditions, eligible
services to runaway and homeless youth, and for services to meet the
emergency needs of homeless individuals and families (931116SP)

The appropriation made by chapter 54, section 1, of the laws of 2015, as
amended by chapter 54, section 1, of the laws of 2020, is hereby
amended and reappropriated to read:
For services and expenses, loans, grants, and costs associated with
program administration, of projects and purposes authorized by
section 93-b of the state finance law to receive funding from the
dedicated infrastructure investment fund - infrastructure investment
account, including the payment of liabilities incurred prior to
April 1, 2015; provided however, that loans or grants under this
appropriation to a private corporation, association or enterprise
shall only be made or given by a public corporation or authority;
and provided further however, notwithstanding the foregoing, and
notwithstanding section 163 of the state finance law or any other
law to the contrary, grants may also be given under this appropri-
ation by the department of agriculture and markets to farm owners
and related industries, not for profit conservation organizations
and local governments to protect, maintain, develop and grow farm,

ture to bring high-speed internet access to unserved and underserved
regions throughout the state, and to support the development of
other telecommunications infrastructure; provided however that
priority shall be given to projects that bring high-speed internet
access to unserved areas of the state, public libraries, and educa-
tional opportunity centers; provided further that the New York state
urban development corporation shall submit a report before June 30,
2016 to the director of the division of the budget, the temporary
president of the senate, the speaker of the assembly, the minority
leader of the senate and the minority leader of the assembly detail-
ing: (a) the total amount of public funds committed by this program
annually; (b) total amount of private funds committed annually and,
if applicable, the amount of such funds that has been invested by
such parties; (c) the location of each area receiving investments
under this program and the goals for each such area; (d) planned

districts, and other municipal entities for capital and other
expenses related to the implementation of local government and
school district shared services, cooperation agreements, mergers,
and other actions that reduce operational costs and related property
tax burdens on a permanent basis, as selected through an application
process developed by the secretary of state, provided, however, that
school districts' expenditures of the funds appropriated herein
shall not be eligible for aid under any provision of the education
law; for payments related to a downtown revitalization program
designed and executed by the department of state and the division of
housing and community renewal for transformative housing, economic
development, transportation and community projects including those
designed to increase the property tax base, of which up to $500,000
may be made available to fund projects consistent with the purposes
of the healthy food / healthy communities initiative pursuant to
section 16-s of the urban development corporation act, provided such
projects are included in a strategic plan submitted for funding
under the downtown revitalization program; and for payments of
grants, awards, and aid provided through the local government effi-
ciency grant program, the citizen empowerment tax credit, local
government citizens reorganization empowerment grant program, and
the local government performance and efficiency program, as author-
ized by section 54 of the state finance law (930215SP) (80618) ...
