SENATE - ASSEMBLY

February 1, 2023

IN SENATE -- A BUDGET BILL, submitted by the Governor pursuant to article seven of the Constitution -- read twice and ordered printed, and when printed to be committed to the Committee on Finance

IN ASSEMBLY -- A BUDGET BILL, submitted by the Governor pursuant to article seven of the Constitution -- read once and referred to the Committee on Ways and Means

AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

11 b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

20 c) The several amounts specified in this chapter as capital projects - reappropriations, or so much thereof as shall be sufficient to accomplish the purpose of the appropriations, as appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects, being the undisbursed and/or unexpended balances of the prior year's appropriations, are reappropriated and unless otherwise amended or repealed in part or total in this chapter shall continue to be available for the same purposes as the prior appropriations or as otherwise amended for the fiscal year beginning April 1, 2023.

30 The capital projects reappropriations contained in this chapter may be amended by repealing the items set forth in brackets and by adding thereto the underscored material. Certain reappropriations in this chapter are shown using abbreviated text, with three leader dots (an ellipsis) followed by three spaces (...) used to indicate where existing law that is being continued is not shown. However, unless a change is clearly indicated by the use of brackets [] for deletions and underscores

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [] is old law to be omitted.

1 for additions, the purpose, amounts, funding source and all other
2 aspects pertinent to each item of appropriation shall be as last appro-
3 priated.

4 For the purpose of complying with section 25 of the state finance law,
5 the year, chapter and section of the last act reappropriating a former
6 original appropriation or any part thereof is, unless otherwise indi-
7 cated, chapter 54, section 1, of the laws of 2022.

8 d) No moneys appropriated by this chapter shall be available for
9 payment until a certificate of approval has been issued by the director
10 of the budget, who shall file such certificate with the department of
11 audit and control, the chairperson of the senate finance committee and
12 the chairperson of the assembly ways and means committee.

13 e) The appropriations contained in this chapter shall be available for
14 the fiscal year beginning on April 1, 2023 except as otherwise noted.

By chapter 54, section 1, of the laws of 2021:

The amounts appropriated herein, shall be made available to the state and local boards of elections, including the New York city board of elections for software and technology upgrades and equipment. The state board of elections shall develop a plan for the distribution of such funds which may include up to \$5,000,000 needed for state board of elections capital costs and implementation costs. The remaining funds, of at least \$20,000,000 shall be made available to local boards of elections for reimbursement of eligible costs, including, but not limited to, the replacement of voting systems and equipment, absentee ballot scanners, mail processing equipment, and infrastructure to protect the connectivity and security of county elections software, including assistance for areas unserved and underserved by broadband service, provided that such reimbursement shall be apportioned based on the number of registered voters in a county (EL012108) (23527) ... 25,000,000 (re. \$23,996,000)

By chapter 54, section 1, of the laws of 2020:

For services and expenses related to the acquisition and development of technology, including but not limited to equipment, software and services, which will support the implementation of the voter enfranchisement modernization act of 2019, including costs incurred prior to April 1, 2020. A portion of these funds shall be used, as allowable, to satisfy the state match requirement of the 2020 federal HAVA funding. Funds appropriated herein may be suballocated to any other state department, agency, or public benefit corporation, to achieve this purpose (EL012008) (23523) 16,000,000 (re. \$15,230,000)

By chapter 54, section 1, of the laws of 2019:

The amounts appropriated herein, shall be made available to the state and local boards of elections, including the New York city board of elections for initial technology costs of electronic poll books as authorized in 2019 voter reform legislation. The state board of elections shall develop a plan for the distribution of such funds which may include amounts needed for state board of elections implementation costs. The remaining funds shall be made available to local boards of elections for reimbursement of eligible costs, including, but not limited to, electronic poll books and associated software, on-demand ballot printers and cyber security software required to implement early voting provided that such reimbursement shall be apportioned based on the number of registered voters in a county. The plan shall include a listing of allowable costs and details of the reimbursement claims process and timeframes, provided that local boards of election claims shall include such information as necessary to support state financing mechanisms. Notwithstanding any other law to the contrary, all or a portion of the amounts hereby appropriated may be suballocated or transferred to any department, agency or public authority (EL011908) (23523)

CAPITAL PROJECTS - REAPPROPRIATIONS 2023-24

1 Notwithstanding the provisions of any general or special law, the
 2 moneys hereby appropriated shall be available for water quality
 3 improvement expenditures for eligible water quality improvement
 4 projects as defined by section 51-0303 of the environmental conser-
 5 vation law upon the issuance of a certificate of approval of avail-
 6 ability by the director of the division of the budget. No such
 7 certificates of approval of availability shall be issued for or
 8 include funds for projects which have not received a federal grant
 9 for the construction of sewage treatment related facilities.

10 Notwithstanding the provisions of any general or special law, the
 11 amounts hereby appropriated shall have all disbursements reimbursed
 12 from the Pure Waters Bond Act proceeds authorizations and are
 13 contingent upon the partial repeal of existing capital projects fund
 14 authorizations elsewhere in this chapter. The state comptroller
 15 shall at the commencement of each month certify to the director of
 16 the division of the budget, the commissioner of environmental
 17 conservation, the chairman of the senate finance committee, and the

25 For the state share of the costs of construction of water quality
 26 improvement projects, including the payment of liabilities incurred
 27 prior to April 1, 1988, in accordance with the provisions of title 3
 28 of article 51 of the environmental conservation law as amended, to
 29 provide a reserve to supplement or fund additional phases of
 30 projects previously appropriated and scheduled on or after May 12,
 31 1965.

32 Notwithstanding the provisions of any general or special law, the
 33 moneys hereby appropriated shall be available for water quality
 34 improvement expenditures for any project scheduled in appropriation
 35 bills on or after May 12, 1965.

36 Notwithstanding the provisions of any general or special law, the
 37 amounts hereby appropriated shall be made available from the Pure
 38 Waters Bond Act authorizations and are contingent upon the repeal of
 39 existing authorizations elsewhere in this chapter.

40 Notwithstanding the provisions of any general or special law, the
 41 moneys hereby appropriated shall not be made available until the
 42 director of the division of the budget issues a certificate of
 43 approval of availability with a schedule of approved and previously
 44 authorized projects for which such funds shall be used. No such
 45 certificates of approval of availability shall be issued for or
 46 include funds for projects which have not received a federal grant
 47 for the construction of sewage treatment related facilities. The
 48 state comptroller shall at the commencement of each month certify to
 49 the director of the division of the budget, the commissioner of

7 The appropriation made by chapter 54, section 1, of the laws of 2022, is
8 hereby amended and reappropriated to read:

9 For the comprehensive construction programs, purposes and projects as
10 herein specified in accordance with the following: [For payment to
11 the dormitory authority of the state of New York for services and
12 expenses relating to the design, construction, reconstruction,
13 rehabilitation, improvement, furnishing, or equipping of new
14 facilities and alterations and improvements to existing facilities
15 for capital maintenance, including but not limited to capital
16 design, construction, reconstruction, rehabilitation, and equipment
17 for facilities for eligible child care providers, as defined in the
18 application. The dormitory authority shall have power to enter into
19 a design and construction management agreement with the office of
20 children and family services, pursuant to which one or more
21 facilities are to be designed, constructed, reconstructed,
22 rehabilitated, improved, furnished or equipped for such office. Any
23 such design and construction management agreement entered into
24 pursuant to this appropriation shall provide for the following: the
25 scope of design and construction management services to be provided
26 by the dormitory authority, the manner in which those services will
27 be provided, the fees to be charged by the authority and the sources
28 of funds for the projects.] Notwithstanding section 1680-g of the
29 public authorities law and any other law to the contrary, funds
30 appropriated herein shall be for grants administered by the
31 dormitory authority of the state of New York for payment of capital
32 costs of design, construction, reconstruction, rehabilitation, and
33 equipment for existing or proposed child care facilities; and the
34 acquisition of equipment or other capital assets with a useful life
35 of not less than ten years purchased for installation onto
36 infrastructure that is owned or controlled by the grant recipient;
37 provided that in cases involving the acquisition of non-fixed
38 equipment and capital assets such assets shall solely be used by the
39 grant recipient. Individual grants shall be in the amount no less
40 than \$50,000 and are to be awarded on a competitive basis to
41 eligible child care facilities through a request for proposals and
42 application process determined by the office of children and family
43 services and the dormitory authority of the state of New York.
44 Notwithstanding any other law to the contrary, all or a portion of
45 the amounts hereby appropriated may be suballocated or transferred

CAPITAL PROJECTS - REAPPROPRIATIONS 2023-24

1 All or a portion of the disbursements made pursuant to the reappropriations made hereinafter from the capital projects fund may be eligible for reimbursement from proceeds of bonds issued by the dormitory authority. The dormitory authority and the department of health shall report quarterly to the director of the budget the amounts expended from appropriations which are eligible for reimbursement from the proceeds of the bonds. The director of the budget shall review these reports and then certify to the comptroller amounts expended from these appropriations which are reimbursable from bond proceeds. Until such time as the dormitory authority determines that amounts expended from these appropriations are not reimbursable from bond proceeds, all such expenditures shall be considered to be reimbursable from bond proceeds.

2 foster participation in alternative payment arrangements, including
3 but not limited to contracts with managed care plans and accountable
4 care organizations; increase the quality of resident care or experi-
5 ence in residential health care facilities; or improve health infor-
6 mation technology infrastructure, including telehealth, to strength-
7 en the acute, post-acute care, primary care, and longterm care
8 continuum. Grants shall not be available to support general operat-
9 ing expenses.

10 The commissioner and the president of the dormitory authority of the
11 state of New York shall enter into an agreement, subject to the
12 approval of the director of the budget, and subject to section
13 1680-r of the public authorities law, for the purposes of awarding,
14 distributing, and administering the funds made available pursuant to
15 this appropriation.

16 In determining awards for eligible applicants under this appropri-
17 ation, the commissioner of health shall consider criteria including,
18 but not limited to:

19 (a) The extent to which the proposed project will contribute to the
20 integration of health care services or the long term sustainability
21 of the applicant or preservation of essential health services in the
22 community or communities served by the applicant;

23 (b) The extent to which the proposed project or purpose is aligned
24 with delivery system reform incentive payment ("DSRIP") program
25 goals and objectives;

26 (c) The geographic distribution of funds;

27 (d) The relationship between the proposed project and identified
28 community need;

29 (e) The extent to which the applicant has access to alternative
30 financing;

31 (f) The extent to which the proposed project furthers the development
32 of primary care and other outpatient services;

33 (g) The extent to which the proposed project benefits medicaid enrol-
34 lees and uninsured individuals;

35 (h) The extent to which the applicant has engaged the community
36 affected by the proposed project and the manner in which community
37 engagement has shaped such project; and

38 (i) The extent to which the proposed project addresses potential risk
39 to patient safety and welfare.

40 Notwithstanding any inconsistent provision of law to the contrary, and
41 upon approval of the director of the budget, the commissioner may
42 award up to \$300,000,000 of the funds made available pursuant to
43 this appropriation for unfunded project applications submitted in
44 response to the request for applications number 17648 issued by the
45 department on January 8, 2018 pursuant to section 2825-e of the
46 public health law.

47 Authorized amounts to be awarded pursuant to applications submitted in
48 response to the request for application number 17648 shall be
49 awarded no later than September 1, 2019.

50 The department shall provide a report on a quarterly basis to the
51 chairs of the senate finance, assembly ways and means, and senate
52 health and assembly health committees, until such time as the
53 department determines that the projects that receive funding pursu-
54 ant to this appropriation are substantially complete. Such reports
55 shall be submitted no later than sixty days after the close of the
56 quarter, and shall include, for each award, the name of the appli-
57 cant, a description of the project or purpose, the amount of the
58 award, disbursement date, and status of achievement of process and
59 performance metrics and milestones pursuant to subdivision 6 of
60 section 2825-f of the public health law.

33 (h) the extent to which the applicant has engaged the community
34 affected by the proposed capital project and the manner in which
35 community engagement has shaped such capital project; and
36 (i) the extent to which the proposed capital project addresses poten-
37 tial risk to patient safety and welfare.
38 Disbursement of awards made pursuant to this appropriation shall be
39 conditioned on the awardee achieving certain process and performance
40 metrics and milestones as determined in the sole discretion of the
41 commissioner. Such metrics and milestones shall be structured to
42 ensure that the healthcare transformation and provider sustainabil-
43 ity goals of the project are achieved, and such metrics and mile-
44 stones shall be included in grant disbursement agreements or other
45 contractual documents as required by the commissioner.

11 English proficiency; recognize the right of residents to form a
12 resident organization; require resident participation funding
13 commensurate to the funding that was being allocated to residents
14 already; develop a set of procedures for resident grievances and
15 lease termination proceedings that apply to residents following the
16 use of such funds, which shall be consistent with any existing
17 procedures, can provide stronger resident protections, and conform
18 with any other applicable federal rules and/or regulations. In cases
19 when there is a property manager other than the public housing
20 authority that receives these funds, then such property manager
21 shall be required to take actions including, but not limited to,
22 providing clear and accessible information to residents before,
23 during, and after becoming the property manager; provide language
24 assistance to residents with limited English proficiency; and recog-
25 nize a legitimate resident organization as the residents' represen-

37 or moderate rehabilitation and/or the demolition and replacement
38 through new construction of site-specific multi-family rental hous-
39 ing currently owned by public housing authorities outside of New
40 York city. The distribution of any funds which the division of hous-
41 ing and community renewal or other appropriate state agencies or
42 authorities authorizes to be used as part of a federal housing
43 program, shall require the division of housing and community renewal
44 to monitor and ensure that any affected public housing tenants are
45 properly informed regarding participation in the federal housing
46 program and that appropriate documents related to participation in
47 such federal housing program are made publicly available and are
48 posted on each applicable housing authority's website in a timely
49 manner to properly inform such public housing authority tenants. The
50 residents of public housing that receives and uses such funds to
51 participate in such federal program shall be provided a uniform
52 lease agreement that provides, at a minimum, terms and conditions
53 consistent with those found in the public housing lease they had
54 prior to the public housing having received any such funds. Public
55 housing authorities that receive and use such funds shall be
56 required to: provide resident education, which shall include compre-
57 hensive information about any anticipated changes to the public
58 housing; provide language assistance to residents with limited
59 English proficiency; recognize the right of residents to form a
60 resident organization; require resident participation funding
61 commensurate to the funding that was being allocated to residents
62 already; develop a set of procedures for resident grievances and

2 use of such funds, which shall be consistent with any existing
3 procedures, can provide stronger resident protections, and conform
4 with any other applicable federal rules and/or regulations. In cases
5 when there is a property manager other than the public housing
6 authority that receives these funds, then such property manager
7 shall be required to take actions including, but not limited to,
8 providing clear and accessible information to residents before,
9 during, and after becoming the property manager; provide language
10 assistance to residents with limited English proficiency; and recog-
11 nize a legitimate resident organization as the residents' represen-

35 reinvestment in properties located within mixed-used commercial
36 districts located in urban, small town, and rural areas of the state
37 pursuant to article XXVI of the private housing finance law.
- 38 13. When combined with other funds made available in the 2016-17 and
39 2017-18 state fiscal year housing program (ccp), up to a total of
40 \$200,000,000 shall be made available, pursuant to a plan approved by
41 the director of the budget, in consultation with the New York city
42 housing authority chair and the dormitory authority of the state of
43 New York, for the purpose of capital projects and other improvements
44 related to housing developments owned or operated by the New York
45 city housing authority; provided further to the extent practicable,
46 the New York city housing authority in its administration of such
47 funds shall include employment opportunities for NYCHA tenants
48 consistent with section 3 of the housing and urban development act
49 of 1968.
- 50 14. When combined with other funds made available in the 2016-17 and
51 2017-18 state fiscal year housing program (ccp), up to a total of
52 \$100,000,000 shall be made available for the preservation, restora-
53 tion or creation of affordable housing units in a city having a
54 population of one million or more, one hundred percent of which
55 shall be affordable to households that earn up to sixty percent of
56 the area median income adjusted for family size. Priority shall be
57 given to applicants incorporated pursuant to the not-for-profit
58 corporation law, with prior experience in community development
59 projects with at least a fifty-one percent controlling interest in
60 such project. Not-for-profits shall strive to develop projects

5 Omnibus and Transit Purpose
6

7 For state aid to municipal corporations for
8 the preparation of designs, plans, spec-
9 ifications and estimates, for the acquisi-
10 tion, construction, reconstruction, and
11 improvement of mass transportation capital
12 projects including the acquisition of real
13 property, for other mass transportation
14 projects including local transportation
15 planning studies. Notwithstanding any
16 inconsistent provisions of law, the state
17 share of such projects shall be 50 percent
18 of the non-federal share, but in no event
19 shall the state share exceed 10 percent of
20 project costs.

21 Notwithstanding any other provision of law,
22 the commissioner of transportation shall
23 make available directly to the City of New
24 York (City) an amount commensurate with
25 the state share of (i) federal funds
26 previously awarded to the City and reallo-
27 cated to the metropolitan transportation
28 authority (MTA), and (ii) the federally
29 authorized level of financial assistance
30 transferred by resolution of the metropol-
31 itan planning organization (MPO) to the
32 metropolitan transportation authority
33 (MTA) and credited to the City by the MTA
34 for capital expenses.

35 The state share of such reimbursement shall
36 be 50 percent of the non-federal share of
37 the federally authorized level of finan-
38 cial assistance transferred to the MTA,
39 but in no event shall the state share
40 exceed 10 percent of project costs. Prior
41 to requesting reimbursement for projects
42 progressed by the MTA on behalf of the
43 City, the City shall certify to the
44 commissioner of transportation that each
45 eligible project progressed under this
46 provision is federally eligible and that
47 the match amount requested does not exceed
48 the state share of the federally author-
49 ized level of financial assistance. In
50 addition, the City must provide an appli-
51 cation to the commissioner of transporta-
52 tion certifying that the work to be funded
53 under the project has been performed and
54 that the City has reimbursed the MTA for
55 100 percent of the match amount for the
56 project. Upon such application, the
57 commissioner of transportation shall
58 review and approve eligible activities for
59 reimbursement.

60 Prior to requesting approval of a certif-
61 icate of approval of availability for the

1 The amount distributed pursuant to section 16-a of chapter 329 of
 2 the laws of 1991 shall be deemed to be \$350,144,000. Notwithstanding
 3 the provisions of any general or special law, the amounts deemed
 4 distributed in accordance with section 16 of chapter 329 of the laws
 5 of 1991 shall be adjusted so that such amounts will not be less than
 6 89.073 percent of the "funding level" as defined in subdivision 5 of
 7 section 10-c of the highway law for each such municipality. In order
 8 to achieve the objectives of section 16 of chapter 329 of the laws
 9 of 1991, to the extent necessary, the amounts in excess of 89.073
 10 percent of the funding level to be deemed distributed to each
 11 municipality under this subdivision shall be reduced in equal
 12 proportion.

13 The sum of \$58,797,000 to municipalities for reimbursement of eligible

 15 and 16-a of chapter 329 of the laws of 1991, as added by section 9
 16 of chapter 330 of the laws of 1991, as amended. For the purposes of
 17 computing allocations to municipalities, the amount distributed
 18 pursuant to section 16 of chapter 329 of the laws of 1991 shall be
 19 deemed to be \$15,844,000. The amount distributed pursuant to section
 20 16-a of chapter 329 of the laws of 1991 shall be deemed to be
 21 \$42,953,000. Notwithstanding the provisions of any general or
 22 special law, the amounts deemed distributed in accordance with
 23 section 16 of chapter 329 of the laws of 1991 shall be adjusted so
 24 that such amounts will not be less than 10.927 percent of the
 25 "funding level" as defined in subdivision 5 of section 10-c of the
 26 highway law for each such municipality. In order to achieve the
 27 objectives of section 16 of chapter 329 of the laws of 1991, to the
 28 extent necessary, the amounts in excess of 10.927 percent of the
 29 funding level to be deemed distributed to each municipality under
 30 this paragraph shall be reduced in equal proportion. To the extent
 31 that the total of remaining payment allocations calculated herein
 32 varies from \$58,797,000, the payment amounts to each locality shall
 33 be adjusted by a uniform percentage so that the total payments equal

 Program Improvement/Change Purpose

The appropriation made by chapter 54, section 1, of the laws of 2022, as supplemented by a transfer in accordance with state finance law, is hereby amended and reappropriated to read:

The sum of [~~\$20,000,000~~]\$40,000,000 is hereby appropriated for payments and grants, including up to [~~\$400,000~~]\$800,000 in costs associated with program administration to eligible nonprofit arts and cultural organizations for the arts and cultural facilities improvement program. Such program shall provide for targeted investment for capital projects in such eligible arts or cultural facilities to improve the quality, efficiency, and accessibility of arts and cultural organizations that benefit New Yorkers. Provided that such investments may include, but are not limited to: renovations and retrofitting to comply with COVID-19 health regulations, including outdoor performance space projects, HVAC upgrades, renovations or expansions of space that is open to the public; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; technology and other equipment that will benefit the public; and accessibility renovations. Up to [~~\$10,000,000~~]\$20,000,000 shall be made available exclusively for small to midsize eligible nonprofit arts and cultural organizations. Funding from this appropriation shall be made available through a competitive process to be determined exclusively by the New York state council on the arts. The determination of this competitive process and guidelines shall be limited to the New York state council on the arts in consultation with the dormitory authority of the state of New York. The guidelines for the program and competitive process shall ensure that such funding is made available for uses throughout the state and takes into account regional distribution, supports a range of grant awards including a minimum grant of \$50,000, and no match requirements for organizations as deemed appropriate by the New York state council on the arts. Notwithstanding any inconsistent provision of law, the dormitory authority shall be authorized to administer this program and designated state agencies shall provide all necessary assistance.

Notwithstanding any inconsistent provision of law, all or a portion of the funds appropriated herein may be suballocated or transferred to any department, agency, or public authority (ACNP2208) (85021) [~~20,000,000~~]40,000,000 (re. \$40,000,000)

1 also ensure that such funding is made available for uses throughout
2 the state, and shall be subject to the approval of the director of
3 the budget. Provided further that such proposals submitted by eligi-
4 ble nonprofit human services organizations shall include, at a mini-
5 mum, the following: the amount of funds requested in relation to the
6 size and scope of the proposed project and the number of clients who
7 will benefit; a detailed description of the project, including
8 projected costs including the sources and uses of funds, project
9 completion timeline, and funds necessary at each stage of project
10 completion; the extent to which the proposed project reflects a
11 necessary improvement or upgrade to continue to serve the nonprofit
12 human services organization's target population, or a population
13 they would be able to serve if such improvements or upgrades were
14 made; a statement that as of the effective date of this chapter,
15 construction had not begun and equipment had not been purchased for
16 such project; and if applicable, a statement whether the project has
17 received all necessary regulatory approvals or can demonstrate a
18 reasonable expectation that such approvals will be secured. Such
19 representatives from state agencies shall include, but not be limit-
20 ed to, the Office of Children and Family Services, the Office of
21 Temporary and Disability Assistance, the Office for People with
22 Developmental Disabilities, the Office of Mental Health, and for
23 purposes of this appropriation, shall also include the Dormitory
24 Authority of the State of New York and, notwithstanding any incon-
25 sistent provision of law, the Dormitory Authority shall be author-
26 ized to administer this program. Consistent with the
27 requirements of this appropriation, any funding allocated pursuant
28 to this appropriation that has been awarded but not claimed by an
29 eligible applicant pursuant to any grant award, may be made
30 available by the Dormitory Authority for future grant awards to

1 palities where a state-funded antipoverty task force or initiative
2 already exists and is receiving or has received funding, each such
3 taskforce shall make efforts to be comprised of, but not limited to,
4 the following members: representatives from municipal, county,
5 and/or state government; individuals who have lived in or currently
6 live in households in poverty; individuals and advocates represent-
7 ing local not-for-profit and community organizations; represen-
8 tatives from local school districts; and representatives from local
9 social services districts. Of the funds appropriated herein, the
10 amount available for each local anti-poverty task force shall be
11 determined based on the number of people in each municipality, or a
12 borough, who are living in poverty as determined by the U.S. Census
13 Bureau's 2010-14 American Community Survey Five-year Estimate
14 provided that each local anti-poverty task force shall be eligible
15 to receive funding in the following amounts: municipalities with
16 fewer than 5,000 individuals in poverty shall each be eligible to
17 receive \$500,000; municipalities with between 5,000 and 10,000 indi-
18 viduals in poverty shall each be eligible to receive \$1,000,000;
19 municipalities with between 10,000 and 40,000 individuals in poverty
20 shall each be eligible to receive \$1,500,000; and municipalities, or
21 a borough, with more than 40,000 individuals in poverty shall each
22 be eligible to receive \$2,750,000. Funds appropriated herein shall
23 be available to support the work of each anti-poverty task force and
24 such work shall be divided into two phases. During the first phase,
25 the mayor of the municipality, or in the case of the Bronx, the
26 borough president, will select a not-for-profit organization that
27 has demonstrated successful performance working with community
28 stakeholders and achieving objectives specified herein, to coordi-
29 nate the local antipoverty task force. The not-for-profit organiza-
30 tion serving as coordinator will assemble the antipoverty task force
31 using the criteria outlined above. Provided further that, with
32 guidance and oversight of the commissioner of the office of tempo-
33 rary and disability assistance, each local anti-poverty task force
34 shall use data to identify high need issues and neighborhoods within
35 the municipality, or in the case of the Bronx, the borough; identify
36 problems that are common in neighborhoods throughout the munici-
37 pality, or in the case of the Bronx, the borough; receive input from
38 local residents; use data and resident input to select one or more
39 focus areas related to either one or more issues or one or more
40 neighborhoods; and develop a plan for how funding will be targeted
41 toward the identified issues or neighborhoods. Such focus areas may
42 include, but are not limited to childhood poverty and homelessness.
43 Activities included in such plan may include, but are not limited
44 to: providing public assistance recipients opportunities to partic-
45 ipate in enhanced work activities that either provide recognized
46 credentialing or enhanced career readiness or job training for
47 better linkage to potential employment; assisting families in pover-
48 ty through services provided to parents and children; and addressing
49 chronic homelessness or housing insecurity. Such plan must include
50 measurable objectives and a timeframe for completion and shall be
51 submitted for approval to the commissioner of the office of tempo-
52 rary and disability assistance. Of the total amount made available
53 to each anti-poverty task force, the lesser of \$300,000 or 20
54 percent of the total award may be used to carry out planning and
55 administration, provided however, that the amount used for planning
56 and administration may exceed such limitation if such amount is
57 approved by the commissioner of the office of temporary and disabil-
58 ity assistance as part of the plan required herein. Upon receiving

1 approval from the commissioner of the office of temporary and disa-
 2 bility assistance, each such anti-poverty task force shall commence
 3 the second phase of its work, which will support the implementation
 4 of the plan developed during the first phase. Funding appropriated
 5 herein shall be made available to the not-for-profit organization
 6 serving as coordinator and its use shall be restricted to purposes
 7 or initiatives that do not necessitate ongoing state financial
 8 support. Such anti-poverty task forces shall be encouraged to secure
 9 match funding from private sector and foundation sources to supple-
 10 ment the funds appropriated herein and provided further that any
 11 funding provided from this appropriation shall not be used to
 12 supplant funding for programs already in existence. Such funds may
