upon such date the provisions of section thirty-one of this act shall
take effect.

PART B

Section 1. The education law is amended by adding a new section 818 to
read as follows:
§ 818. Evidence-based and scientifically based reading instruction. 1.
(a) On or before July first, two thousand twenty-four, the commissioner
shall provide school districts with the instructional best practices for
the teaching of reading to students in prekindergarten through grade
three. Instructional best practices for the teaching of reading shall
be evidence-based and scientifically based, focusing on reading compe-
tency in the areas of phonemic awareness, phonics, vocabulary develop-
ment, reading fluency, comprehension, including background knowledge,
oral language and writing, oral skill development, and align with the
culturally responsive-sustaining (CR-S) framework. Such instructional
best practices shall be periodically updated by the commissioner where
appropriate.
(b) All school districts in the state shall annually review their
curriculum and instructional practices in the subject of reading for
students in prekindergarten through grade three to ensure that they
align with the reading instructional best practices issued by the commissioner, and that all early reading instructional practices and interventions are part of an aligned plan designed to improve student reading outcomes in prekindergarten through grade three.

2. For purposes of this section, the following terms shall have the following meanings:

(a) "Culturally responsive-sustaining (CR-S) framework" means a framework that promotes learning environments that affirm racial, linguistic, and cultural identities; engages students with rigorous, supportive instruction; develops their abilities to connect across lines of difference; elevates historically marginalized voices; and empowers students as agents of social change.

(b) "Evidence-based and scientifically based" means an interdisciplinary body of research that describes how reading and writing skills and competencies develop from prekindergarten through secondary education and provides evidence-based guidance to inform curriculum and pedagogy.

(c) "Phonemic awareness" means the ability to notice, think about and manipulate individual sounds in spoken syllables and words.

(d) "Comprehension" means a function of word recognition skills and language comprehension skills and shall include having sufficient background information and vocabulary for the reader to understand the words in front of them. It also includes the active process that requires intentional thinking, during which meaning is constructed through interactions between the text and the reader. Comprehension skills are taught explicitly by demonstrating, explaining, modeling and implementing specific cognitive strategies to help beginning readers derive meaning through intentional, problem-solving thinking processes.
(e) "Reading fluency" means the ability to read words, phrases, and sentences accurately, at an appropriate speed, and with expression.

(f) "Vocabulary development" means the process of acquiring new words and includes improving all areas of communication, including listening, speaking, reading, and writing, which is directly related to school achievement and is a strong predictor for reading success.

3. On or before September first, two thousand twenty-five, and on or before September first of each year thereafter, all school districts in the state shall certify to the commissioner that their curriculum and instructional strategies and teacher professional development in the subject of reading in prekindergarten through grade three align with all of the elements of the instructional best practices issued by the commissioner pursuant to this section.

4. Compliance with this section shall be subject to review by the commissioner pursuant to section three hundred ten of this title and by article seventy-eight of the civil practice law and rules.

§ 2. This act shall take effect immediately.

completion and submission of either the free application for federal student aid (FAFSA) for such student or, if applicable, the Jose Peralta New York State DREAM Act application; or (2) completion of a waiver form promulgated by the department, to be filed with the student's school district indicating that the parent or guardian or, if the student is eighteen years of age or older or legally emancipated, the student, understands what the FAFSA is and has chosen not to file an application pursuant to the provisions of subparagraph one of this paragraph. For purposes of subparagraph one of this paragraph, the required certification shall not designate which type of application was submitted by the parent, guardian, or student.

b. On and after July first, two thousand twenty-five, each school district shall annually report to the department the following data for all seniors enrolled in such school district, aggregated by high school: (1) the total number of students certified to have submitted either the free application for federal student aid (FAFSA) or, if applicable, the Jose Peralta New York State DREAM Act application; (2) the number of students who completed a waiver pursuant to paragraph a of this subdivision; and (3) the total number of seniors enrolled.

c. The commissioner shall promulgate rules and regulations necessary to implement this subdivision, including requiring each school district to give notice, no less than four times during each school year, with an explanation to each high school senior of the state-sponsored scholarships, financial aid and assistance available to students attending college or post-secondary education, and to provide access and/or referrals to support or assistance necessary for completion of the FAFSA.

§ 2. This act shall take effect on the first of July next succeeding the date on which it shall have become a law. Effective immediately, the
addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

[At] Notwithstanding any provision to the contrary, in execution of any order or decision filed by the commissioner pursuant to this section, the commissioner shall have all the powers conferred upon sheriffs by article twenty-five of the civil practice law and rules, but they shall be entitled to no fee or compensation in excess of the actual expenses paid in the performance of such duty. Additionally, at the request of an employee, the commissioner shall assign, without consideration or liability, that portion of the filed order that constitutes wages, wage supplements, interest on wages or wage supplements, or liquidated damages due that employee, to that employee and may file an assignment or order in that amount in the name of that employee with the county clerk of the county where the employer resides or has a place of business. The filing of such assignment, order or decision shall have the full force and effect of a judgment duly docketed in the office of such clerk. copy is filed. Thereupon the amount of such warrant so docketed shall
become a lien upon the title to and interest in real property and chattels of the employer against whom the warrant is issued in the same
manner as a judgment duly docketed in the office of such clerk. The
sheriff shall then proceed upon the warrant in the same manner, and with
like effect, as that provided by law in respect to executions issued
against property upon judgments of a court of record, and for their

law upon sheriffs, but they shall be entitled to no fee or compensation
in excess of the actual expenses paid in the performance of such duty.

[At] Notwithstanding any provision to the contrary, in execution of any order or decision filed by the commissioner pursuant to this section, the commissioner shall have all the powers conferred upon sheriffs by article twenty-five of the civil practice law and rules, but they shall be entitled to no fee or compensation in excess of the actual expenses paid in the performance of such duty. Additionally, at the request of an employee, the commissioner shall assign, without consideration or liability, that portion of the filed order that constitutes wages, wage supplements, interest on wages or wage supplements, or liquidated damages due the employee, to that employee and may file an assignment or order in that amount in the name of such employee with the county clerk of the county where the employer resides or has a place of business. The filing of such assignment, order or decision shall have the full force and effect of a judgment duly docketed in the office of such clerk. The assign-
ment[, order or decision] may be enforced [by and in the name of the
commissioner, or] by the employee[,] in the same manner, and with like
effect, as that prescribed by the civil practice law and rules for the
enforcement of a money judgment.

such warrant to the commissioner and to pay into the fund the money
collected by virtue thereof within sixty days after the receipt of such
warrant. The sheriff shall, within five days after the receipt of the
warrant, file with the clerk of the county a copy thereof, and thereupon
such clerk shall enter in the judgment docket the name of the employer
mentioned in the warrant and the amount of the contribution, interest,
and penalties for which the warrant is issued and the date when such
copy is filed. Thereupon the amount of such warrant so docketed shall
become a lien upon the title to and interest in real property and chat-
tels real of the employer against whom the warrant is issued in the same
manner as a judgment duly docketed in the office of such clerk. The
sheriff shall then proceed upon the warrant in the same manner, and with
like effect, as that provided by law in respect to executions issued
against property upon judgments of a court of record, and for their
services in executing the warrant they shall be entitled to the same
fees, which they may collect in the same manner.
(c) In the discretion of the commissioner, a warrant of like terms,
force, and effect may be issued and directed to any officer or employee
of the department of labor who may file a copy of such warrant with the
clerk of any county in the state, and thereupon each such clerk shall
docket it and it shall become a lien in the same manner and with the
same force and effect as hereinbefore provided with respect to a warrant
issued and directed to and filed by a sheriff; and in the execution
thereof such officer or employee shall have all the powers conferred by
law upon sheriffs, but they shall be entitled to no fee or compensation
in excess of the actual expenses paid in the performance of such duty.
If a warrant is returned not satisfied in full, the commissioner shall
have the same remedies to enforce the amount thereof as if the commis-
sioner had recovered judgment for the same.
§ 3. This act shall take effect immediately.

in a will.

14. Liability for creditor claims and statutory allowances. (a) To the
extent the transferor's probate estate is insufficient to satisfy an
allowed claim against the estate or a statutory allowance to a surviving
spouse or child, the estate may enforce the liability against property
transferred at the transferor's death by a transfer on death deed.
(b) If more than one property is transferred by one or more transfer on death deeds, the liability under paragraph (a) of this subdivision is apportioned among the properties in proportion to their net values at the transferor's death.

What does the Transfer on Death (TOD) deed do?

When you die, this deed transfers the described property, subject to any liens or mortgages (or other encumbrances) on the property at your death. Probate is not required. The TOD deed has no effect until you die. You can revoke it at any time. You are also free to transfer the property to someone else during your lifetime. If you do not own any interest in the property when you die, this deed will have no effect.
1 How do I make a TOD deed?

2 Complete this form. Have it acknowledged before a notary public. Record the form in each county where any part of the property is located. The form has no effect unless it is acknowledged and recorded before your death.

3 Is the "legal description" of the property necessary?

4 Yes.

5 How do I find the "legal description" of the property?

6 This information may be on the deed you received when you became an owner of the property. This information may also be available in the county clerk's office of the county where the property is located. If you are not absolutely sure, consult a lawyer.

7 Can I change my mind before I record the TOD deed?

8 Yes. If you have not yet recorded the deed and want to change your mind, simply tear up or otherwise destroy the deed.

9 How do I "record" the TOD deed?

10 Take the completed and acknowledged form to the county clerk's office of the county where the property is located. Follow the instructions given by the county clerk to make the form part of the official property...
records. If the property is in more than one county, you should record
the deed in each county.

Can I later revoke the TOD deed if I change my mind?

Yes. You can revoke the TOD deed. No one, including the beneficiaries,
can prevent you from revoking the deed.

How do I revoke the TOD deed after it is recorded?

There are three ways to revoke a recorded TOD deed:

(1) Complete and acknowledge a revocation form and record it in each
county where the property is located.

(2) Complete and acknowledge a new TOD deed that disposes of the same
property and record it in each county where the property is located.

(3) Transfer the property to someone else during your lifetime by a
recorded deed that expressly revokes the TOD deed. You may not revoke
the TOD deed by will.

I am being pressured to complete this form. What should I do?

Do not complete this form under pressure. Seek help from a trusted
family member, friend, or lawyer.

Do I need to tell the beneficiaries about the TOD deed?
No, but it is recommended. Secrecy can cause later complications and might make it easier for others to commit fraud.

I have other questions about this form. What should I do?

This form is designed to fit some but not all situations. If you have other questions, you are encouraged to consult a lawyer.

16. Form of revocation. The following form may be used to create an instrument of revocation under this section. The other subdivisions of this section shall govern the effect of this, or any other instrument used to revoke a transfer on death deed.

PART P

Section 1. This Part enacts into law components of legislation relating to the conveyance and use of real property owned and maintained by the state university of New York and the New York state department of transportation. Each component is wholly contained within a Subpart identified as Subparts A through C. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section three of this Part sets forth the general effective date of this Part.

SUBPART A

Section 1. Legislative findings. The legislature finds that the state university of New York at Farmingdale ("Farmingdale") seeks to use approximately 8.7 acres of vacant land on Farmingdale's campus to build multi-purpose facilities to support housing needs and supporting amenities, fulfilling a necessary and vital public purpose. The legislature further finds that granting the trustees of the State University of New York ("Trustees") the authority and power to lease and otherwise contract to make available grounds and facilities of the Farmingdale
campus will ensure such land is utilized for the benefit of Farmingdale, the surrounding community, and the general public.

§ 2. Notwithstanding any other law to the contrary, the Trustees are authorized and empowered, without any public bidding, to lease and otherwise contract to make available to Farmingdale state development corporation, a not-for-profit corporation (the "ground lessee"), a portion of the lands of Farmingdale generally described in this act for the purpose of developing, constructing, maintaining and operating multi-purpose facilities to support housing needs and supporting amenities. Such lease or contract shall be for a period not exceeding ninety-nine years without any fee simple conveyance and otherwise upon terms and conditions determined by such trustees, subject to the approval of the director of the division of the budget, the attorney general and the state comptroller. In the event that the real property that is the subject of such lease or contract shall cease to be used for the purpose described in this act, such lease or contract shall immediately terminate and the real property and any improvements thereon shall revert to the state university of New York. Any lease or contract entered into pursuant to this act shall provide that the real property that is the subject of such lease or contract and any improvements thereon shall revert to the state university of New York on the expiration of such contract or lease. Any and all proceeds related to the leases authorized by this act shall be used for the benefit of the Farmingdale campus and the allocation of such proceeds shall be subject to approval by the Trustees.

§ 3. Any contract or lease entered into pursuant to this act shall be deemed to be a state contract for purposes of article 15-A of the executive law, and any contractor, subcontractor, lessee or sublessee enter-
ing into such contract or lease for the construction, demolition, recon-
struction, excavation, rehabilitation, repair, renovation, alteration or
improvement authorized pursuant to this act shall be deemed a state
agency for the purposes of article 15-A of the executive law and subject
to the provisions of such article.

§ 4. Notwithstanding any general, special or local law or judicial
decision to the contrary, all work performed on a project authorized by
this act where all or any portion thereof involves a lease or agreement
for construction, demolition, reconstruction, excavation, rehabili-
tation, repair, renovation, alteration or improvement shall be subject
to and performed in accordance with the provisions of article 8 of the
labor law to the same extent and in the same manner as a contract of the
state.

§ 5. Without limiting the determination of the terms and conditions of
such contracts or leases, such terms and conditions may provide for
leasing, subleasing, construction, reconstruction, rehabilitation,
improvement, operation and management of and provision of services and
assistance and the granting of licenses, easements and other arrange-
ments with regard to such grounds and facilities by Farmingdale state
development corporation, and parties contracting with Farmingdale state
development corporation, and in connection with such activities, the
obtaining of funding or financing, whether public or private, unsecured
or secured, including, but not limited to, secured by leasehold mort-
gages and assignments of rents and leases, by Farmingdale state develop-
ment corporation and parties contracting with Farmingdale state develop-
ment corporation for the purposes of completing the project described in
this act.
§ 6. Such lease shall include an indemnity provision whereby the lessee or sublessee promises to indemnify, hold harmless and defend the lessor against all claims, suits, actions, and liability to all persons on the leased premises, including tenant, tenant's agents, contractors, subcontractors, employees, customers, guests, licensees, invitees and members of the public, for damage to any such person's property, whether real or personal, or for personal injuries arising out of tenant's use or occupation of the demised premises.

§ 7. Any contracts entered into pursuant to this act between the ground lessee and parties contracting with the ground lessee shall be awarded by a competitive process.

§ 8. The property authorized by this act to be leased to Farmingdale state development corporation is generally described as that parcel of real property with improvements thereon consisting of a total of 8.7 acres situated on the campus of the State University of New York at Farmingdale, subject to all existing easements and restrictions of record. The description in this section of the parcel to be made available pursuant to this act is not meant to be a legal description, but is intended only to identify the parcel:

The property is situated at the southwest corner of NYS Route 110 and Melville Road. The eastern boundary runs north/south along the western side of NYS Route 110 with approximately 450 feet of frontage. The northern boundary runs along Melville Road for just over 1,000 feet.

§ 9. The state university of New York shall not lease lands described in this act unless any such lease shall be executed within 5 years of the effective date of this act.
§ 10. Insofar as the provisions of this act are inconsistent with the provisions of any law, general, special or local, the provisions of this act shall be controlling.

§ 11. This act shall take effect immediately.

SUBPART B

Section 1. Legislative findings. The legislature finds that the state university of New York at Stony Brook ("Stony Brook") seeks to use approximately 10 acres of underutilized land on Stony Brook's Southampton campus to build multi-purpose facilities to support housing needs and supporting amenities, fulfilling a necessary and vital public purpose. The legislature further finds that granting the trustees of the State University of New York ("Trustees") the authority and power to lease and otherwise contract to make available grounds and facilities of Stony Brook's campus will ensure such land is utilized for the benefit of Stony Brook, the surrounding community, and the general public.

§ 2. Notwithstanding any other law to the contrary, the Trustees are authorized and empowered, without any public bidding, to lease and otherwise contract to make available to a ground lessee a portion of the lands of Stony Brook generally described in this act for the purpose of developing, constructing, maintaining and operating multi-purpose facilities to support housing needs and supporting amenities. Such lease or contract shall be for a period not exceeding ninety-nine years without any fee simple conveyance and otherwise upon terms and conditions determined by such trustees, subject to the approval of the director of the division of the budget, the attorney general and the state comptroller. In the event that the real property that is the subject of such lease or
contract shall cease to be used for the purpose described in this act, such lease or contract shall immediately terminate and the real property and any improvements thereon shall revert to the state university of New York. Any lease or contract entered into pursuant to this act shall provide that the real property that is the subject of such lease or contract and any improvements thereon shall revert to the state university of New York on the expiration of such contract or lease. Any and all proceeds related to the leases authorized by this act shall be used for the benefit of the Stony Brook campus and the allocation of such proceeds shall be subject to approval by the Trustees.

§ 3. Any contract or lease entered into pursuant to this act shall be deemed to be a state contract for purposes of article 15-A of the executive law, and any contractor, subcontractor, lessee or sublessee entering into such contract or lease for the construction, demolition, reconstruction, excavation, rehabilitation, repair, renovation, alteration or improvement authorized pursuant to this act shall be deemed a state agency for the purposes of article 15-A of the executive law and subject to the provisions of such article.

§ 4. Notwithstanding any general, special or local law or judicial decision to the contrary, all work performed on a project authorized by this act where all or any portion thereof involves a lease or agreement for construction, demolition, reconstruction, excavation, rehabilitation, repair, renovation, alteration or improvement shall be subject to and performed in accordance with the provisions of article 8 of the labor law to the same extent and in the same manner as a contract of the state.

§ 5. Without limiting the determination of the terms and conditions of such contracts or leases, such terms and conditions may provide for
leasing, subleasing, construction, reconstruction, rehabilitation, improvement, operation and management of and provision of services and assistance and the granting of licenses, easements and other arrangements with regard to such grounds and facilities by the ground lessee, and parties contracting with the ground lessee, and in connection with such activities, the obtaining of funding or financing, whether public or private, unsecured or secured, including, but not limited to, secured by leasehold mortgages and assignments of rents and leases, by the ground lessee and parties contracting with the ground lessee for the purposes of completing the project described in this act.

§ 6. Such lease shall include an indemnity provision whereby the lessee or sublessee promises to indemnify, hold harmless and defend the lessor against all claims, suits, actions, and liability to all persons on the leased premises, including tenant, tenant's agents, contractors, subcontractors, employees, customers, guests, licensees, invitees and members of the public, for damage to any such person's property, whether real or personal, or for personal injuries arising out of tenant's use or occupation of the demised premises.

§ 7. Any contracts entered into pursuant to this act between the ground lessee and parties contracting with the ground lessee shall be awarded by a competitive process.

§ 8. The property authorized by this act to be leased to the ground lessee is generally described as approximately 10 acres of land situated on the Southampton campus of the state university of New York at Stony Brook, subject to all existing easements and restrictions of record.

§ 9. The state university of New York shall not lease lands described in this act unless any such lease shall be executed within 5 years of the effective date of this act.
§ 10. Insofar as the provisions of this act are inconsistent with the provisions of any law, general, special or local, the provisions of this act shall be controlling.

§ 11. This act shall take effect immediately.

tion until such tenant vacates such affordable housing unit.
d. All rent stabilization registrations required to be filed shall
contain a designation that specifically identifies affordable housing
units created pursuant to this section as "AHCC program affordable hous-

f. Nothing in this section shall: (i) prohibit the occupancy of an

time is less than the maximum percentage of the area median income or
income band, as applicable, adjusted for family size, specified for such

owner of an eligible multiple dwelling from requiring, upon initial
rental or upon any rental following a vacancy, the occupancy of any
affordable housing unit by such lower income individuals or families.
g. Following issuance of a temporary certificate of occupancy and upon each vacancy thereafter, an affordable housing unit shall promptly be offered for rental by individuals or families whose income does not exceed the maximum percentage of the area median income or income band, as applicable, adjusted for family size, specified for such affordable housing unit pursuant to this section and who intend to occupy such affordable housing unit as their primary residence. h. An affordable housing unit shall not be rented on a temporary, transient or short-term basis. Every lease and renewal thereof for an affordable housing unit shall be for a term of one or two years, at the option of the tenant.

i. An affordable housing unit shall not be converted to cooperative or condominium ownership.

j. The agency may establish by rule such requirements as the agency deems necessary or appropriate for: (i) the marketing of affordable housing units, both upon initial occupancy and upon any vacancy; (ii) monitoring compliance with the provisions of this subdivision; (iii) the establishment of marketing bands for affordable housing units; and (iv) specifying the legal instrument by which the marketing, affordability, rent stabilization, permitted rent, and any other requirement associated with this benefit will be recorded and enforced. Such requirements may include, but need not be limited to, retaining a monitor approved by the agency and paid for by the owner of the eligible multiple dwelling.
k. Notwithstanding any provision of this section to the contrary, a

eligible multiple dwelling shall receive the applicable prevailing wage
for the duration of the benefit period, regardless of whether such bene-
fits provided pursuant to this section are revoked or terminated.

c. The fiscal officer shall have the power to enforce the provisions
of this subdivision. In enforcing such provisions, the fiscal officer
shall have the power: (i) to investigate or cause an investigation to be
made to determine the prevailing wages for building service employees,
and in making such investigation, the fiscal officer may utilize wage
and fringe benefit data from various sources, including, but not limited
to, data and determinations of federal, state or other governmental
agencies; provided, however, that the provision of a dwelling unit shall
not be considered wages or a fringe benefit; (ii) to institute and
conduct inspections at the site of the work or elsewhere; (iii) to exam-

...
tion by craft, trade or other generally recognized occupational category
of the building service employees and to determine whether such work has
been performed by the building service employees in such classification;
(vi) to require the applicant to file with the fiscal officer a record
of the wages actually paid by such applicant to the building service
employees and of their hours of work; (vii) to delegate any of the fore-
going powers to his or her deputy or other authorized representative;
(viii) to promulgate rules as he or she shall consider necessary for the
proper execution of the duties, responsibilities and powers conferred
upon him or her by the provisions of this subdivision; and (ix) to
prescribe appropriate sanctions for failure to comply with the
provisions of this subdivision. For each violation of paragraph b of
this subdivision, the fiscal officer may require the payment of (A) back
wages and fringe benefits; (B) liquidated damages up to three times the
amount of the back wages and fringe benefits for willful violations;
and/or (C) reasonable attorneys' fees. If the fiscal officer finds that
the applicant has failed to comply with the provisions of this subdivi-
sion, he or she shall present evidence of such non-compliance to the
agency.

d. Paragraph b of this subdivision shall not be applicable to: (i) an
eligible multiple dwelling containing less than thirty dwelling units;
or (ii) an eligible multiple dwelling whose eligible conversion is
carried out with the substantial assistance of grants, loans or subsi-

instrumentality pursuant to a program for the development of affordable
housing.

e. The applicant shall submit a sworn affidavit with its application
certifying that it shall comply with the requirements of this subdivi-
sion or is exempt in accordance with paragraph d of this subdivision.

Upon the agency's approval of such application, the applicant who is not exempt in accordance with paragraph d of this subdivision shall submit annually a sworn affidavit to the fiscal officer certifying that it shall comply with the requirements of this subdivision.

8. Concurrent exemptions or abatements. An eligible multiple dwelling receiving AHCC program benefits shall not receive any exemption from or abatement of real property taxation under any other law.

9. Voluntary renunciation or termination. Notwithstanding the provisions of any general, special or local law to the contrary, an owner shall not be entitled to voluntarily renounce or terminate AHCC program benefits unless the agency authorizes such renunciation or termination in connection with the commencement of a tax exemption pursuant to the private housing finance law or section four hundred twenty-c of this title.

10. Termination or revocation. The agency may terminate or revoke AHCC program benefits for noncompliance with this section. All of the affordable housing units shall remain subject to rent stabilization and all other requirements of this section for the duration of the restriction period, regardless of whether such benefits have been terminated or revoked.

11. Powers cumulative. The enforcement provisions of this section shall not be exclusive, and are in addition to any other rights, remedies or enforcement powers set forth in any other law or available at law or in equity.

12. Multiple tax lots. If an eligible multiple dwelling contains multiple tax lots, an application may be submitted with respect to one or more of such tax lots. The agency shall determine eligibility for
AHCC program benefits based upon the tax lots included in such application and benefits for each such eligible multiple dwelling shall be based upon the completion date of each such multiple dwelling.

13. Applications. a. The application with respect to any eligible multiple dwelling shall be filed with the agency no earlier than the completion date and not later than one year after the completion date of such eligible multiple dwelling.

b. Notwithstanding the provisions of any general, special, or local law to the contrary, the agency may require by rule that applications be filed electronically.

c. The agency may rely on certification by an architect or engineer submitted by an applicant in connection with the filing of an application. A false certification by such architect or engineer shall be deemed to be professional misconduct pursuant to section sixty-nine of the education law. Any architect or engineer found guilty of such misconduct under the procedures prescribed in section sixty-five hundred ten of the education law shall be subject to the penalties prescribed in section sixty-five hundred eleven of the education law and shall thereafter be ineligible to submit a certification pursuant to this section.

d. Such application shall also certify that all taxes, water charges, and sewer rents currently due and owing on the property which is the subject of the application have been paid or are currently being paid in timely installments pursuant to a written agreement with the department of finance or other appropriate agency.

14. Filing fee. The agency may require a filing fee of no less than three thousand dollars per dwelling unit in connection with any application, except that the agency may promulgate rules:
a. imposing a lesser fee for an eligible multiple dwelling whose eligible conversion is carried out with the substantial assistance of grants, loans or subsidies provided by a federal, state or local governmental agency or instrumentality pursuant to a program for the development of affordable housing; and

b. requiring a portion of the filing fee to be paid upon the submission of the information the agency requires in advance of approving the commencement of the marketing process for such eligible conversion.

15. Rules. Except as provided in subdivision seven of this section, the agency shall have the sole authority to enforce the provisions of this section and may promulgate rules to carry out the provisions of this section.

16. Penalties for violations of affordability requirements. a. On or after the expiration date of the benefit provided pursuant to this section, the agency may impose, after notice and an opportunity to be heard, a penalty for any violation by an eligible multiple dwelling of the affordability requirements of subdivision six of this section.

b. A penalty imposed under this subdivision shall be computed as a percentage of the capitalized value of all AHCC program benefits on the eligible multiple dwelling, calculated as of the first year that benefits were granted, not to exceed one thousand percent. The agency shall establish a schedule and method of calculation of such penalties pursuant to subdivision fifteen of this section.

c. A penalty imposed under this subdivision shall be imposed against the owner of the eligible multiple dwelling at the time the violation occurred, even if such owner no longer owns such eligible multiple dwelling at the time of the agency's determination.
d. A person or entity who fails to pay a penalty imposed pursuant to this subdivision shall be guilty of a misdemeanor punishable by imprisonment not to exceed six months.

§ 3. This act shall take effect immediately.

The local law authorized by this section, and any rules or regulations promulgated thereunder, shall not be subject to environmental review, including environmental review conducted pursuant to article eight of the environmental conservation law and any state and local regulations promulgated thereunder.

2. The program established by such local law may provide to an owner who converts an inhabited basement dwelling unit or inhabited cellar dwelling unit in accordance with a local law authorized by this article or who otherwise abates the illegal occupancy of an inhabited basement dwelling unit or inhabited cellar dwelling unit, (a) freedom from any civil or administrative liability, citations, fines, penalties, judgments or any other determinations of or prosecution for civil violations of this chapter, other state law or local law or rules, and the zoning resolution of such city, and (b) relief from any outstanding civil judgments issued in connection with any such violation of such laws, rules or zoning resolution issued before the effective date of this article. The program authorized by this article shall require an application to make alterations to legalize an inhabited basement dwelling unit or inhabited cellar dwelling unit be accompanied by a certification indicating whether such unit was rented to a tenant on the effective date of this article, notwithstanding whether the occupancy of such unit was authorized by law. A city may not use such certification as the basis for an enforcement action for illegal occupancy of such unit, provided that nothing contained in this article shall be construed to limit such city from issuing a vacate order for hazardous or unsafe conditions.

2. The local law authorized by this article shall provide that a tenant in occupancy at the time of the effective date of this article,
who is evicted or otherwise removed from such unit as a result of an alteration necessary to bring an inhabited basement dwelling unit or inhabited cellar dwelling unit into compliance with the standards established by the local law authorized by this article, shall have a right of first refusal to return to such unit as a tenant upon its first lawful occupancy as a legal dwelling unit, notwithstanding whether the occupancy at the time of the effective date of this article was authorized by law. Such local law shall specify how to determine priority when multiple tenants may claim such right.

3. A tenant unlawfully denied a right of first refusal to return to a legal dwelling unit, as provided pursuant to the local law authorized by this article, shall have a cause of action in any court of competent jurisdiction for compensatory damages or declaratory and injunctive relief as the court deems necessary in the interests of justice, provided that such compensatory relief shall not exceed the annual rental charges for such legal dwelling unit.

In the event that the applicant fails to make such payment within the time period prescribed in this paragraph, the applicant shall be subject to a fine not to exceed the amount set by the memorandum of understanding entered into pursuant to subdivision twenty-two of this section, provided that the maximum fine shall not exceed the amount set by the memorandum of understanding entered into pursuant to subdivision twenty-two of this section. The applicant shall otherwise not be liable in any way whatsoever once the payment to the third-party fund administrator has been made in the amount set forth in the project-wide certified payroll report. Other than the underpayment, which must be paid to the third-party fund administrator, all fines and penalties set forth in this subdivision imposed by the fiscal officer shall be paid to the agency and used by the agency to provide affordable housing.

(h) The fiscal officer shall have the sole authority to determine and enforce any liability for underpayment owing to the third-party fund
administrator from the applicant and/or the contractor, as a result of contractor fraud, mistake or negligence and/or for fraudulent or inaccurate contractor certified payroll reports and/or project-wide certified payroll reports, as set forth in paragraph (e) of this subdivision. The fiscal officer shall expeditiously conduct an investigation and hearing at the New York city office of administrative trials and hearings, shall determine the issues raised thereon and shall make and file an order in his or her office stating such determination and forthwith serve a copy of such order, either personally or by mail, together with notice of filing, upon the parties to such proceedings. The fiscal officer in such an investigation shall be deemed to be acting in a judicial capacity and shall have the right to issue subpoenas, administer oaths and examine witnesses. The enforcement of a subpoena issued under this paragraph shall be regulated by the civil practice law and rules. The filing of such order shall have the full force and effect of a judgment duly docketed in the office of the county clerk. The order may be enforced by and in the name of the fiscal officer in the same manner, and with like effect, as that prescribed by the civil practice law and rules for the enforcement of a money judgment.

4. In addition to all other requirements set forth in this section, an eligible site must, over the course of the design and construction of such eligible site, make all reasonable efforts to spend on contracts with minority and women owned business enterprises at least twenty-five percent of the total applicable costs, as such enterprises and costs are defined in rules of the agency. Such rules shall set forth required measures with respect to contracts for design and construction that are comparable, to the extent practicable, to the measures used by agencies of the city of New York to enhance minority and women owned business

If the aggregate floor area of commercial, community facility and accessory use space in an eligible site, other than parking which is located not more than twenty-three feet above the curb level, exceeds twelve percent of the aggregate floor area in such eligible site, any ANNY Program benefits shall be reduced by a percentage equal to such excess. If an eligible site contains multiple tax lots, the tax arising out of such reduction in ANNY Program benefits shall first be apportioned pro rata among any non-residential tax lots. After any such non-residential tax lots are fully taxable, the remainder of the tax arising out of such reduction in ANNY Program benefits, if any, shall be apportioned pro rata among the remaining residential tax lots.
7. Calculation of benefit. Based on the certification of the agency certifying the applicant's eligibility for ANNY Program benefits, the assessors shall certify to the collecting officer the amount of taxes to be exempted.

be offered for rental by individuals or families whose income does not exceed the maximum percentage of the area median income, adjusted for family size, specified for such affordable housing unit pursuant to this section and who intend to occupy such affordable housing unit as their primary residence. employees and of their hours of work;

(vii) to delegate any of the foregoing powers to his or her deputy or
other authorized representative;

(viii) to promulgate rules as he or she shall consider necessary for
the proper execution of the duties, responsibilities and powers
conferred upon him or her by the provisions of this paragraph; and

(ix) to prescribe appropriate sanctions for failure to comply with the
provisions of this subdivision. For each violation of paragraph (b) of
this subdivision, the fiscal officer may require the payment of: (A)
back wages and fringe benefits; (B) liquidated damages up to three times
the amount of the back wages and fringe benefits for willful violations;
and/or (C) reasonable attorney's fees. If the fiscal officer finds that
the applicant has failed to comply with the provisions of this subpara-

agency.

12. Voluntary renunciation or termination. Notwithstanding the provisions of any general, special or local law to the contrary, an owner shall not be entitled to voluntarily renounce or terminate ANNY Program benefits unless the agency authorizes such renunciation or termination in connection with the commencement of a new tax exemption pursuant to either the private housing finance law or section four hundred twenty-c of this title.

13. Termination or revocation. The agency may terminate or revoke ANNY Program benefits for noncompliance with this section; provided, however, that the agency shall not terminate or revoke ANNY Program benefits for a failure to comply with subdivision three of this section. If an appli-
cancel has committed three violations of the requirements of paragraph b of subdivision nine of this section within a five-year period, the agency may revoke any benefits under this section. For purposes of this subdivision, a "violation" of paragraph b of subdivision nine of this section shall be deemed a finding by the fiscal officer that the applicant has failed to comply with paragraph b of subdivision nine of this section and has failed to cure the deficiency within three months of such finding. Provided, however, that after a second such violation, the applicant shall be notified that any further violation may result in the revocation of benefits under this section and that the fiscal officer shall publish on its website a list of all applicants with two violations as defined in this paragraph. If ANNY Program benefits are terminated or revoked for noncompliance with this section: (a) all of the affordable housing units shall remain subject to rent stabilization and all other requirements of this section for the applicable restriction period, and any additional period expressly provided in this section, as if the ANNY Program benefits had not been terminated or revoked; or (b) for a homeownership project, such project shall continue to comply with affordability requirements set forth in this section and all other requirements of this section for the restriction period and any additional period expressly provided in this section, as if the ANNY Program benefits had not been terminated or revoked.
